## Camp 5 Museum Fall Festival to start this Saturday

This Saturday, September 21st and Saturday, September 28th, Camp 5 Museum will be hosting the Fall Festival. The Lumberjack Steam Train, in Laona, will take visitors to the Farm through the fall colors for an exciting and fun-filled day at Camp 5.

The kids will love the face painting, a tour of the pumpkin patch, a marshmallow roast and fresh apple cider. You adults will find you like it too! And, don't forget the Green Treasure Forest Tour, where you can learn about sustainable logging and what makes a forest grow and thrive.

It is always great to ride a vintage steam train, and the Lumberjack Steam Train, "Ol' Four Spot," is a chance to experience this unique opportunity. Visitors board the Lumberjack Steam train at the 1880's Soo Line Depot, located 1/4 mile West of the junction of Highways 8 & 32 on Highway 8. Inside the depot, tickets can be purchased for the train ride, just as people did at the turn of the century.

If you like colorful characters straight out of the Old West, you might want to return to Camp 5 when the Cowboys visit on Saturday, October 5th. The group of cowboy re-enactors, known as the Green Bush-Wackers, portray, in authentic period costumes, characters such as cowboys, bandits, a preacher, mountain men and card sharks. In addition to the train robbery, the group will form a posse that will bring the bandits to justice...or justice will be brought to the bandits!

## Red Arrow "Fall Fun Day" to be held at Old Town Hall in Townsend

Red Arrow Snowmobile ATV Club will host a "Fall Fun Day" on Saturday September 28th. Come join the fun at the Old Town Hall Bar and Restaurant in Townsend for a late afternoon/evening of music, homemade Booyah, meat raffles and a bonfire. The event will be held from 3:00 p.m. to 7:00 p.m. regardless of the weather. We invite the general public of all ages to attend this family friendly party. Come support Red Arrow while having a great time. Proceeds will go to help fund club projects.

Red Arrow maintains about 65 miles of snowmobile trails and 15 miles of ATV/UTV trails in the Townsend area. Their year round trail system is bisected by the Nicolet State Recreational Trail that runs over 90 miles from south of Gillett to the Michigan border. Most all Town of Townsend area maintained roads (major exceptions are Hwy 32 and Hwy T) are also open year round to ATV/UTV travel. From Townsend you can travel most anywhere there are legal snowmobile or ATV/UTV trails in northern Wisconsin.

Further information about the club can be found online at [www.redarrowtownsend.com](http://www.redarrowtownsend.com).

We are Online, and you can see us on your computer or handheld device at [PioneerExpressCrandon.com](http://PioneerExpressCrandon.com)

## Still time to bake a pie for the Art in the Square Pie Baking Contest

The Forest County Chamber of Commerce is calling all bakers for the third annual Art in the Square pie contest to be held on Saturday, September 21. Organizers of the event were thrilled at the number of delicious entries last year, and are hoping for another great year.

The rules are simple but some do differ from last year:

- Contest is for amateur bakers only. Pie must be entered in the name of the person who made it, and entrants must be 18 years or older to participate.
- Pie categories are limited to three: fruit/vegetable, cream, and nut. Each pie must be baked in a disposable pie pan, and must be made from scratch. Store-bought pie filling or crust may not be used.
- Pies must be dropped off at the Chamber office accompanied by a registration form and recipe (which includes ingredients, recipe name, contestant name and phone number) between the hours of 8 and 10 a.m. on Saturday, September 21. Absolutely NO exceptions! Registration forms may be obtained by contacting the Chamber at (715) 478-3450 or [info@visitforestcounty.com](mailto:info@visitforestcounty.com).
- Judges will not know names of the bakers; their pies will be identifiable by a number only.
- Pies will be judged on the following criteria: overall appearance, flavor of the crust and filling, and creativity.
- Ribbons will be awarded for 1st, 2nd and 3rd place in each category. A ribbon and \$50 in Chamber Bucks will be awarded for Overall Best in Show. Judging will commence at 1 p.m. Prizes will be awarded at 3 p.m.

This year's celebrity judges include Crandon School District Administrator Jim Asher and Principal Jamie Belland, as well as Laona School District Administrator Laurie Asher and Principal Jim Bradley. It's great fun to watch the judging, and even better to win a prize. So dig out those favorite pie recipes and give it a try. And remember, the most important ingredient in baking is love!

Crandon's Art in the Square is held every year on the third Saturday in September on the courthouse square. The event features a juried art and craft show and sale, flea market, specialty food booths, live entertainment, kid's activities, including a paint your own pumpkin, horse-drawn wagon rides, and of course, the pie contest. Admission is free, so bring the whole family for a unique fun-filled event!

## Crandon Friends of the Library Used Book Sale

Friends of the Library will have their used book sale on Friday September 20th, 12 noon until 5:00 p.m. and Saturday September 21st, 9:00 a.m. until 3:00 p.m. Books will be available to sell in the basement of the library and also in front of the Associated Bank, Lake street and Polk.

Also, the yearly meeting of Friends of the Library will be held at the Crandon Public building on September 23 at 6:00 p.m.

**Some bag limits change and new opportunities for open water duck hunting**

MADISON – Hunters looking forward to the opening of Wisconsin's 2013 duck season in the North and the Mississippi River zones on Sept. 21 should find good numbers of ducks, according to Department of Natural Resources officials.

"Although a few areas have been seeing lowering water levels, Wisconsin waterfowl hunters should have a good season," said Kent Van Horn, DNR migratory game bird ecologist. "Continental breeding surveys that have been ongoing for 58 years reported near record numbers of ducks this spring. However, even with excellent continental breeding indications, local water levels and scouting will be the most important factors when pursuing ducks this fall."

Many of the ducks harvested in Wisconsin come from birds that breed in the state's wetlands. The four most abundant ducks in Wisconsin's fall hunting harvest are mallards, wood ducks, green-winged teal, and blue-winged

## Tickets still available for the DU Banquet this Saturday!

As of this writing, there are still tickets available for the Ducks Unlimited Banquet being held at the Crandon Community Building this Saturday, September 21st, beginning at 4:00 p.m. Check at the door for your ticket, and help support the organization that has had a huge part to do with the survival of waterfowl and the preservation of wetlands in North America. There have also been numerous DU projects here in Forest County.

There will be 34 guns available to win at this event, along with plenty of games, prizes, drawings and door prizes. The grub is pretty good too!

## Nicolet College to launch 2013-14 Creative Arts Series

National-caliber comedy, numerous musical groups and plays, art exhibits, and vicarious trips to Cambodia, Pakistan, and the tallest mountains in the world are just a few of the upcoming presentations in Nicolet College's 2013-14 Creative Arts Series.

In all, the season will pack in nearly 50 events, most of them free.

"We're looking at a great season with a wide variety of performances and events that will appeal to just about every taste," said Jim Nuttall, Nicolet College Theatre director. "There really is something for everyone." The Creative Arts Series consists of three parts: Nicolet Live!, which includes the theater events; the Nicolet Art Gallery, featuring numerous exhibits; and the Library Series, featuring technology-oriented and literary events.

Kicking off Nicolet Live! will be The Wisconsin Brass Quartet at 7:30 p.m. Thursday, Sept. 19, in the Nicolet Theatre. Other highlights in Nicolet Live! include comedian Heywood Banks Sept. 27, Gothic at Midnight – an Evening of Hilarity and Horror Feb. 7, and the Tartan Terrors musical group March 21.

Nicolet Players community theater productions include Becky's New Car in November and the Mystery of Edwin Drood in May.

For children, a special performance of Charlotte's Web by Theatreworks USA will hit the stage March 23.

To receive the 2013-14 Creative Arts Series brochure, which lists all events, call the college at (715) 365-4512 or 1-800-544-3039, ext. 4512, TDD (715) 365-4448. To sign up to receive the Creative Arts electronic newsletter via email, visit [www.nicoletlive.com](http://www.nicoletlive.com).

The entire Creative Arts Series is also posted online at [www.nicoletcollege.edu](http://www.nicoletcollege.edu) with Nicolet Live! events also available at [www.nicoletlive.com](http://www.nicoletlive.com).

Tickets for the pay events can be purchased online at [www.nicoletlive.com](http://www.nicoletlive.com) or by calling the college at (715) 365-4646, 1-800-544-3039, ext. 4646; TDD (715) 365-4448.

**September**  
by Helen Hunt Jackson

The goldenrod is yellow;  
The corn is turning brown;  
The trees in apple orchards  
With fruit are bending down.

The gentian's bluest fringes  
Are curling in the sun;  
In dusky pods the milkweed  
Its hidden silk has spun.

The sedges flaunt their harvest  
In every meadow-nook;  
And asters by the brookside  
Make asters in the brook.

From dewy lanes at morning  
The grapes' sweet odors rise;  
At noon the roads all flutter  
With yellow butterflies.

By all these lovely tokens  
September days are here,  
With summer's best of weather,  
And autumn's best of cheer.

# Death Notices

**HARVEY A. DAVIDS.** Harvey Davids was born on February 3, 1919 in Morgan Siding, Wisconsin. His parents were Julius P. Davids and Priscilla Coulon Davids (Oneida/Brothertown-enrolled at Oneida). Although Harvey was raised on the Stockbridge reservation, he also lived in Crandon Wisconsin and Oneida Wisconsin as a child. He enjoyed swimming and playing baseball. He always said

he was "One of the last of the Mohicans".

Harvey was named after his Uncle Fred Coulon's sister, Francis, but he didn't find out his name was Francis Harvey Davids until he applied for Social Security. Harvey attended Tomah Indian School, Tomah, Wisconsin from the age of nine until 13. Then he went to Central High School in Evansville, Indiana after the war where he obtained his GED and then attended the University of Evansville in Evansville, IN from 1946 to 1949.

He was a Sergeant in the United States Army being drafted in 1941 in Sheboygan, WI. He did his basic training in Arkansas. Later he went to Ft. Warren, Wyoming for Medical Technologist training and then to Camp Breckenridge, Kentucky to build an evacuation hospital. Harvey was once again relocated to Lompoc, California for new evacuation hospital training and maneuvers. After that he went to South Carolina before going overseas. He was deployed to Germany, France and England and then discharged in December 1945.

Harvey married Jessie Lee Nichols on August 18, 1943 in Lompoc, California where he was stationed while in the Army. They were married 62 years when she passed away on Nov. 4, 2005. He met Jessie at Bethel Temple in Evansville, Indiana.

After his time in the service, he traveled for eight months to Lake Constance, Switzerland. Lake Constance borders Austria, Switzerland and Germany. In addition he went to Vancouver, British Columbia and saw the Butchart Gardens. When he returned to the states, he worked at a Hospital in Evansville, Indiana for three years and then went to Pharmacy School where he received his Pharmacy School Certificate in 1950. While attending school he worked at night at International Harvesters and went to school during the day. He worked as a Pharmaceutical Rep. for four years while simultaneously pastoring a church in Bloomington, Illinois. He continued pastoring the church for two years after he quit selling pharmaceuticals. He was ordained with the Bethel Ministerial Association in Bloomington, Illinois in 1952.

Harvey and Jessie moved to Normal, Illinois for a year, to Springfield, Illinois then Decatur, Illinois before moving to California to work with Christian Education and Christian Schools. He worked in California for eight years then moved to Ohio to work with Rex Humbard and the Cathedral of Tomorrow, Cuyahoga Falls, Ohio in the Stewardship Division. He worked there for 10 years and then moved to Washington to work in Christian Education and Christian Schools for 23 years. Harvey and Jessie moved to Crandon, Wisconsin in 2002. He worked with Midwest Indian Mission, Inc., Crandon until 2007. Harvey and Jessie sold Kettle Korn in Crandon for four years.

Harvey married Eleanor Hubert on Nov. 3, 2007. They lived in Kissimmee, Florida in the winter and in Holcombe, WI in the summer.

Harvey is survived by his wife, Eleanor Davids, Prescott, Arizona and daughter Teleka (Don), Crandon. Harvey has three grandchildren, Micah (Michelle) Dewing, Adam (Jennifer) Dewing and Benjamin (Ashley) Dewing, all of Crandon, 13 great grandchildren; Chase, Jonah, Hope, Mason, JessiLee, Maacah, Grace, Isaac, Malachi, Nathaniel, Damaris, Caleb and Samuel Dewing all of Crandon, WI. He is also survived by a brother Fred Davids, Shawnee, Kansas two sisters Erma Flor, Centerville, Ohio and Viola Haddock, Florence, Colorado, and a sister-in-law Maxine Nichols, Evansville, Indiana. He is survived by many nieces and nephews.

He was preceded in death by his parents, brothers, Milton Tousey, Harold Davids, Julius Davids, Leslie Welch and sister Arlene Pitts, wife Jessie Davids and son Ronald Davids.

Visitation will be on Sunday, September 22, from 4-7 p.m. with memory service at 7:00 p.m. at the Lake Lucerne Gospel Chapel, Stone Lake (Crandon). Visitation will continue on Monday, Sept. 23 from 10:00 a.m. until the time of the meal at 12:00 noon. Funeral service will follow at 2:00 p.m. with Pastor Don Dewing officiating. Inurnment will be at a later date at the Crandon Lakeside Cemetery. Online condolences [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

Memorial gifts can be sent to Midwest Indian Mission, Inc. PO Box 187, Crandon, WI 54520.

## Shake Off

### Afternoon Sleepiness

Many workers slide into an afternoon slump. It's so common it even has a special name: the post-lunch dip. What you eat, do and think can fire you up or tire you out. Get your afternoon energy back in 4 ways:

**1.) Get your heart rate up with a brisk walk.** That will get oxygen circulating to your brain. Getting outside is refreshing and creates a positive break from your work area.

**2.) Breathe deeply.** Sit up straight with your hands relaxed in your lap, eyes closed. Take deep breaths through your nose while you count to 3. Then breathe out through your mouth as you count to 6. Do this for a few minutes to feel both calm and focused.

**3.) Get enough sleep.** Starting out the day tired will make the post-lunch dip even deeper. Try to get to bed 30 minutes earlier.

**4.) Eat for energy.** For a midday meal, include lean protein (fish, lean meat or poultry), complex carbohydrates (whole-grain bread or crackers) and lots of fruit and vegetables.

Create healthful habits and be rewarded with energy to spare!

## Renew Family Fitness Goals

Since activity and interpersonal relationships are two secrets to a Healthy 100, why not combine them by getting active with your family? It may require that you schedule time together, but that's OK. Make a list of new or favorite activities you want to try together. Then, turn off the tube and turn on the action! Here's some quick tips to get you started:

Watch or attend sporting events as a family. Talk about the sports you and your children want to try. Maybe it's biking, tennis or swimming. Research local athletic programs that appeal to your family.

To encourage your kids, focus on the positive side of organized sports, such as improved health, teamwork and self-esteem, rather than competition or winning.

Emphasize the fun in exercise. Bike, hike or swim together. Include everyone in pleasant physical tasks such as gardening, bathing the dog or washing your car.

### How much activity does your family need?

Adults ages 18-64 need at least 150 minutes of moderate intensity cardio (aerobic) exercise (i.e., walking, biking) a week OR 75 minutes of vigorous-intensity cardio exercise (i.e., jogging) a week. In addition, do strength-training exercises twice a week.

Children and teens aged 6-17 years should get 1 hour or more of physical activity daily and include vigorous-intensity activity in this 1 hour at least 3 days a week. Activity should also include muscle-strengthening and bone-strengthening activities at least 3 days a week.

Remember, what makes a winner is taking time every day to nurture the fitness spirit.

and the support services Nicolet has available.

Nicolet's associate degree Nursing program includes a combination of lecture-based classes, labs for students to practice skills, and extensive clinical education where students work in area health care facilities. During clinicals, students work under the direct supervision of their instructors as they hone their skills.

Upon graduating from the 70-credit program, students are eligible to take the national licensing exam. Over the years, Nicolet students have achieved a very high pass rate, including several years where 100 percent of Nicolet graduates passed the exam on their first attempt.

For more information about the information sessions or the Nursing program, contact the Nicolet College Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493: RDD (715) 365-4448. Information is also available on the college's website at [nicoletcollege.edu](http://nicoletcollege.edu).

lifetime," Warnke said, adding mentors can suggest the opportunity to family members, co-workers and friends. "And it is a great way to share the state's hunting heritage."

Warnke says those who are interested in hunting but don't know how to start also can use the rewards program. "Ask a friend to take you hunting and explain this program," he says. "There are hunters who can help you. And now it's easy to reward them for their time."

For more information on mentoring hunters, search the DNR website for "mentored hunting."

**Free DNR '1st Deer Certificate' new way to honor first-time deer hunting success**

MADISON - For most hunters, the harvest of their first deer is one of the most memorable hunts they will experience. To help commemorate the occasion, the Department of Natural Resources is providing first-time successful deer hunters with a free certificate to help preserve the memories.

"Over thirty years later, I can still remember every detail of my first deer, so I appreciate the value of special hunting memories," says Kevin Wallenfang, DNR deer and elk ecologist. "We hope that by providing a certificate like this, it might help preserve those great memories for today's newest members of the successful deer hunting family."

Starting with the 2013 archery season and continuing through the gun hunt, first-time successful deer hunters can submit their information and a picture of their deer by visiting [dnr.wi.gov](http://dnr.wi.gov), and searching keyword "deer." CONT. ON PAGE 18

**New program rewards hunters who recruit new people to hunting**

MADISON - Hunters who are able to recruit three new people into hunting would be eligible for a half price license the following year, under a new Department of Natural Resources program that seeks to encourage active hunters to introduce new people to hunting.

"Becoming a mentor may take a year to accomplish. However, it comes with immediate - as well as lifetime - rewards," said Keith Warnke, DNR hunting and shooting sports coordinator.

Warnke says if three new hunters list a mentor as their "recruiter," the mentor may receive a license of his or her choice at half-cost the next license year.

Apprentices can purchase a first-time hunter's license for \$5. The mentor then provides his or her DNR customer identification number to the apprentices and has them call DNR at 888-936-7463. The apprentices simply give the mentor's identification number as the person who recruited them.

"If you accumulate three recruiter points, you receive a half-price license for you next year," Warnke says.

"New hunting partners can become friends for a

**Crandon Library News**

Toddlers and Preschoolers encouraged to make noise at the library!

There is no doubt that toddlers and preschoolers love to make noise! Whether it's stomping their feet, clapping their hands, or screaming for mom, they know how to use their voice to get our attention. The Crandon Public Library is excited to be expanding on this concept beginning on Monday, October 7th at 9:00 a.m. when we begin offering weekly Music Garden programs in our lower level. Music Garden is a very special music and movement program created to stimulate a child's development. Music Garden will be led each week by Miss Tondra from the Family Resource connection and is open to all children in the Forest county area. The weekly program will begin in October and run through May of 2014. There is no requirement to attend each week and the program is entirely free for participants. For more information please contact Michelle @ the library or the Family Resource Connection toll free at (888) 266-0028. Music Garden is sponsored by the Crandon Public Library Foundation, the Children's Hospital of Wisconsin, Northwoods United Way and the Family Resource Connection.

Friends of the Library Annual Meeting

The Friends of the Crandon Public Library will hold their annual meeting on Monday, September 23rd at 6:00 p.m. in the lower level of the library. Current Friends of the Library are encouraged to attend, as well as anyone interested in supporting the many programs the Friends support: early literacy initiatives, the annual Library Scholarship fund, new books and materials for all collections and ages, and local history volunteer opportunities.

Lego League this Saturday

Join us this Saturday, Sep. 21st at 10:30 a.m. for our monthly Lego League program. Lego League is for children of all ages and their families. Participants are invited to use their imaginations and build creative projects using LEGO and DUPLO® blocks! We provide the Legos, you provide the fun!

New Books

New fiction at the library includes Necessary Lies by Diane Chamberlain, MaddAddam by Margaret Atwood, The Mayan Secrets by Clive Cussler, Never Go Back by Lee Child, Lydia's Hope by Marta Perry, Tell Me by Lisa Jackson, W is for Wasted by Sue Grafton, Blessing in Disguise by Lauraine Snelling, Twilight's Serenade by Tracie Peterson, Second Watch by J.A. Jance, Justice for Sara by Erica Spindler, Tamarack Country by William Kent Krueger, Declan's Cross by Carla Neggers, Blindsided by Fern Michaels, Sweet Thunder by Ivan Doig, and The Secret Keeper by Beverly Lewis.

Library Hours

The Crandon Public Library is open Mondays 9-5, Tuesdays 9-5, Wednesdays 9-7, Thursdays 9-7, Fridays 9-5 and Saturdays 9-Noon. Learn more about what your library has to offer at our website at [www.crandonpl.org](http://www.crandonpl.org).

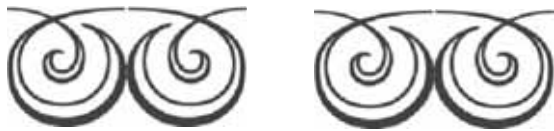

**CONT. FROM PG 15**

Information about when and where the deer was harvested, who they were hunting with and more can be displayed on the certificate. The individually customized certificate can also include a picture of the hunter if they submit one. Certificates will be sent electronically back to the successful hunter within a few weeks.

The certificate is currently for first deer only but may be expanded in the future to include other game species like turkey or bear.

"We hope the certificates will be a great memento that can be displayed proudly, and help preserve memories throughout a long hunting career," Wallenfang said. "It's our little way of saying congratulations to all of the first time successful deer hunters! We wish them all many more years of successful hunts."

For more information, visit [dnr.wi.gov](http://dnr.wi.gov), and search keyword "deer."

**This September You Can Be the Hero.**

September is National Preparedness Month (NPM). It is a time to prepare yourself and those in your care for emergencies and disasters. If you've seen the news recently, you know that emergencies can happen unexpectedly in communities just like yours, to people like you. We've seen tornado outbreaks, river floods and flash floods, historic earthquakes, tsunamis, and even water main breaks and power outages in U.S. cities affecting millions of people for days at a time.

Police, fire and rescue may not always be able to reach you quickly in an emergency or disaster. The most important step you can take in helping your local responders is being able to take care of yourself and those in your care; the more people who are prepared, the quicker the community will recover. This September, please prepare and plan in the event you must go for three days without electricity, water service, access to a supermarket, or local services for several days. Just follow these four steps:

**Stay Informed:** Information is available from federal, state, local, tribal, and territorial resources. Access [Ready.gov](http://Ready.gov) to learn what to do before, during, and after an emergency.

**Make a Plan:** Discuss, agree on, and document an emergency plan with those in your care. For sample plans, see [Ready.gov](http://Ready.gov). Work together with neighbors, colleagues, and others to build community resilience.

**Build a Kit:** Keep enough emergency supplies - water, nonperishable food, first aid, prescriptions, flashlight, and battery-powered radio on hand - for you and those in your care.

**Get Involved:** There are many ways to get involved especially before a disaster occurs. The whole community can participate in programs and activities to make their families, homes and places of worship safer from risks and threats. Community leaders agree that the formula for ensuring a safer homeland consists of volunteers, a trained and informed public, and increased support of emergency response agencies during disasters.

By taking a few simple actions, you can make your family safer. For more information check out [www.ready.gov](http://www.ready.gov)

**School District of Wabeno Area Meets Expectations on State Report Card**

This week, the Wisconsin Department of Public Instruction released all of the district and school report cards. Districts and schools are evaluated on four priority areas: student achievement in reading and mathematics on statewide assessments; student growth in those assessed areas; closing gaps for reading and mathematics achievement and graduation, based on student subgroups; and postsecondary readiness which uses several measures as predictors of college and career readiness. Accountability is calculated on a scale of zero to 100.

The School District of Wabeno Area scored as follows: Student Achievement, 57.1; Student Growth, 72.4; Closing Gaps, 66.0; On-Track and Postsecondary Readiness, 84.9. There were no deductions made for Student Engagement Indicators for test participation, absenteeism rate and dropout rate. The School District of Wabeno Area's overall accountability score and rating is 70.1.

More information and details can be found at [http://acct.dpi.wi.gov/acct\\_accountability](http://acct.dpi.wi.gov/acct_accountability).

# HELP!

## Highway 8-the early years!

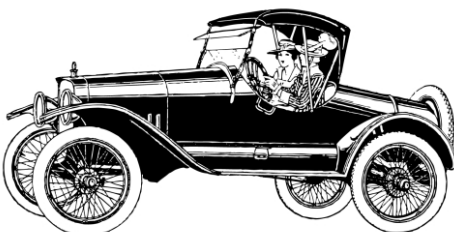

Progress! The new road has been completed between Laona and Crandon. It might only be gravel, but it is an improvement. Later it would be US Highway 8, and the road would go over the hills and not around them.

**ABOVE:** Judging by the automobile, the time frame was the 1920's. Along about this time, the county started plowing the roads with a Holt crawler tractor that left the driver near frozen when he got to Wabeno. According to Ceil Gayhart, he stayed at the Grand Plank and plowed his way back to Crandon in the morning.

**AT RIGHT:** There was a stop at the campground on Wabikon that would become Johnny's Resort.

### For Old Time's Sake

The use of railroad tracks with these contraptions worked well for people who lived in the country and wanted a way to get into town. The railroads didn't appreciate it, but then roads could be terrible in the spring and especially in the winter. Railroad tracks were always open and never muddy or hardly ever plugged with snow.

### Crandon youth earns brown belt

Autumn Lyons with her sister and grandparents

For the past ten years, Autumn Lyons, of Crandon, dreamed of earning a black belt in Karate. Autumn, now 15, recently received her brown belt in Go Shin Karate under the direction of Sensei Albert Klaver. The brown belt is just one belt away from black belt.

The late Shihan Paul Dean saw great potential in Autumn as a natural and urged her to become the first woman in Go Shin Karate in this area to receive her Brown and Black Belt.

Along with her family and instructor, Autumn is striving very hard to make this happen. Autumn's family has supported her whole heartedly in her goals. This summer her family drove her to Rhinelander 3 times a week to receive instruction from Sensei Klaver that she needed to obtain her Brown Belt.

Autumn has faithfully attended classes wherever they were held. Her first classes were held at the Crandon School, the basement of the library, at the beach, her home, her instructor's home and at the Kung Fu Studio in Rhinelander. Autumn, her family and instructor all adapted to these many moves and changes to see that she was able to get the instruction needed to continue on.

Autumn and her family have attended many classes, seminars, competitions, and sparring events over the past ten years. All of which has helped her immensely to become the great martial artist that she is.

While she can't receive her Black Belt until she is 18 years old, Sensei Klaver and her family will continue to do everything possible to help her reach the Black Belt status.

### Age Has No Boundaries

Located in the "Heart of the Nicolet", between Kentuck Lake and Butternut and Franklin Lakes, you will find a very dedicated group of "Senior Citizens", ranging in age from 64 to 85, dedicated to making certain that area residents and visitors can receive medical intervention ahead of the ambulance.

Fourteen years ago about twelve retired citizens came together to learn first aid skills. Because their homes were more than thirty minutes from any ambulance service, they realized that "self-preservation" skills could come in handy... just in case someone in their household needed medical assistance. This concept quickly developed to assist emergency response in both northern Forest County and southeastern Vilas County which includes parts of Hiles and Phelps Townships.

This week Hiles Fire Station North EMR (Emergency Medical Responder) are again taking their Emergency Medical Responder Transition Refresher with Nicolet College Instructor Art LaVoy. Every two years, Hiles North EMR are required to update their skills through 27 hours of training and testing and Art has been their teacher from day one.

So, if you have the misfortune to call 911, don't be too surprised when the first person on scene is an older gray haired guy or gal but be reassured that these highly trained First Responders will use their skills to care for you at the scene of injury or illness. If you are interested in becoming a First Responder with Hiles Fire Station North EMR, contact Lynn Parker 715-479-2877 or Kay Scharpf 715-479-4030.

MANAGING CHASE'S DIABETES TAKES EXCEPTIONAL CARE. FORTUNATELY HE HAS HELP FROM AN EXCEPTIONAL DOCTOR.

*Dr. Moore is a really awesome doctor. Whenever I go for my checkups she always has a big smile no matter what. And when I started not feeling so good, she helped me out and worked with other doctors to find out about my diabetes. Mom said she even called my house to make sure I was doing okay. Now I'm feeling much better, and Dr. Moore says she wants to keep it that way.*

# NEED A NEW CAR?

Duck Opener Cont. from pg. 1

teal, Van Horn said.

As hunters prepare for the season opener there are some important regulation details and changes that should be noted, said Van Horn.

The daily bag limit is six ducks in total, not to include more than four mallards of which only one may be a hen, three wood ducks, one black duck, two redheads, three scaup, two pintail, and two canvasback.

Two important changes to the daily bag limits, which were made in response to annual population estimates, are a decrease in the daily bag limit for scaup from four to three and an increase in the daily bag limit for canvasback from one to two. The possession limit has also been increased from two times the daily bag limit to three times the daily bag limit across the country.

The duck hunt in the northern zone opens at 9 a.m. on Sept. 21, and continues through Nov. 19. The Mississippi river zone also opens at 9 a.m. on Sept. 21 and runs through Sept. 29, followed by a 12-day split, reopening on Oct. 12 and running until Dec. 1. After opening day in each respective zone, hunting hours begin 30 minutes before sunrise. The southern zone duck season will open the following week at 9 a.m. on Sept. 28, run through Oct. 6, then close and reopen Oct. 12 through Dec. 1.

"Because of a shifting federal regulatory calendar these opening days are the earliest possible date so there may be more than the usual number of other recreational users out on the water for opening day of duck season," advised Van Horn. "All lake users should respect others on the waterways. Wisconsin's waters offer a multitude of opportunities, and successful sharing of these areas requires cooperation and compromise from each and every person."

**Open Water duck hunting**

Beginning in 2013, an additional 10 large lakes will be available for open water duck hunting.

"In Wisconsin, we have had a long-standing practice of leaving the open water areas of lakes as a resting area for ducks, while hunting the edges and emergent vegetation of water bodies," said Van Horn. "However, some duck hunters desire to hunt with different methods for the deeper-feeding diving ducks found in open water areas."

For many years, open water duck hunting has been allowed on the Great Lakes, Lake Winnebago, Big Green Lake and Petenwell Flowage as well as portions of the Mississippi River. Several years ago, a citizen resolution requested an expansion of this opportunity to other lakes.

After years of discussion and cooperation among duck hunters, biologists, wardens and lake residents through committees and public meetings, the additional 10 lakes will be open for open water duck hunting this fall, said Van Horn.

Hunters taking advantage of this new opportunity are reminded to stay 1,000 feet from shore and remain securely anchored, which is consistent with regulations for open water hunting on existing lakes.

The additional lakes include:  
Beaver Dam Lake (excluding Rakes and Trestle Works bays), Dodge County  
Castle Rock Lake (south of railroad bridge and County G), Adams and Juneau counties  
Fence Lake, Vilas County  
Grindstone Lake, Sawyer County  
North Twin Lake, Vilas County  
Lake Puckaway (the waters west of the west end of the dredge bank, excluding the waters east of the west end of the dredge bank), Marquette and Green Lake counties  
Shawano Lake, Shawano County  
Trout Lake, Vilas County  
Lake Wisconsin (north of railroad bridge), Sauk and Columbia counties  
Lake Wissota (south of County S and north of County X), Chippewa County

"As always, waterfowl hunters who are out before the season opener scouting for good wetland conditions and observing what areas birds are using will be the ones having a more successful hunt," said Van Horn.

Required licenses and stamps include a Wisconsin small game license, a Wisconsin waterfowl stamp and a federal migratory bird stamp. The \$15 federal stamp can be purchased at a U.S. Post Office. Hunters will also have the option of purchasing the federal stamp privilege at license vendors for an additional \$2.50 surcharge. The purchase will be noted on their license, but the stamp itself will arrive weeks later in the mail.

Waterfowl and other migratory bird hunters must also register each year with the federal Harvest Information Program (HIP) which places them on a list of hunters that may receive a mailing asking them to provide a summary of their harvest. HIP registration is free and can be done at the time hunters purchase their licenses, but can always be added later on if a hunter decides they may pursue migratory game birds.

State licenses and stamps, permits, and HIP registration are also available at authorized license agents, at DNR Service Centers (Hours for service centers vary; check the DNR website for service cethrough Wisconsin's and through the DNR Online Licensing Center.

Additional information on waterfowl and waterfowl hunting is available by searching the DNR website [dnr.wi.gov](http://dnr.wi.gov) for keyword "waterfowl."
