Yoga classes offered at the Namaste Center

By Mike Monte

Betty Thunder, at the Namaste Center, located at 300 South Lake Avenue, Crandon, is offering yoga classes, and you are all invited to join in. Whether you are familiar with the exercise or a beginner, Betty has a class for you.

She is offering a gentle yoga, or as she called it, elder yoga. If you are younger or just more flexible and adventurous, power yoga is offered, and she also offers Hatha yoga.

Power yoga is held Monday and Thursdays, from 5:30 p.m. for about 60 to 90 minutes. Gentle yoga is scheduled for Monday and Friday mornings at 10:00 a.m., and Hatha yoga is held on Saturday mornings beginning at 9:00 a.m.

Betty says to give her a call for the pricing at 715-478-1117.

She recommends yoga exercising for a variety of good results. Betty says it is good for arthritis sufferers and as people age, it also improves balance. Yoga also builds stamina and strength and is great for breath control. She says to start slow and work your way into the regimen.

With 200 hours of instruction completed, Betty is a registered yoga teacher, and says she can help you improve your health, so give her a call.

52nd Annual Trump Lake Fishoree Saturday, February 8th

The 52nd Annual Trump Lake Fishoree will be this Saturday, February 8th, starting at 9:00 a.m. until 5:00 p.m. There will be raffles and prizes all day. There will also be prizes for biggest fish. The heated pavilion will be open and serving food and beverages.

The event is a fun filled day for the entire family. The event is sponsored by the Wabeno Sylvan Post #44 and the Wabeno Lions Club. All proceeds help sponsor school and community activities.

Town of Argonne receives grant to redevelop former school site

Several months ago the Wisconsin Economic Development Corporation (WEDC) announced a new Community Development Investment (CDI) grant program. CDI grants were developed with a goal of supporting "shovel-ready" projects with an emphasis on community-driven efforts. The program seemed like a natural for Argonne's former school site, and Argonne officials, including Chairman Dan Samz and Clerk Don Gordon met with WEDC and FCEDP to commission a grant for the program.

"We have several ideas for what to do with the site but we will first commission North Central Wisconsin Regional Planning Commission (NCWRPC) to complete a feasibility study on best use of the site," stated Argonne Chairman Dan Samz. "This grant will provide a great opportunity for new development in Argonne and allow us to expand our tax base," added Argonne Clerk Don Gordon.

The grant, written by FCEDP, provides for up to \$29,234 in matching funds from the WEDC to clear and remove asbestos from the building site, potential expansion of the town hall parking lot, cleanup of the site, feasibility study for redevelopment, and execution of the redevelopment plan. The grant will be administered by FCEDP.

The feasibility study will begin in the next few weeks. Site cleanup will begin in the spring. The marketing strategy for redevelopment should occur later this summer.

Relay For Life 3rd Annual Ice Bowling at Water's Edge

The Forest County Relay for Life American Cancer Society team "My Wish" 3rd Annual Ice Bowling event will be on Saturday, February 8th at 11:00 a.m. The fun will be at Water's Edge, off County W, on Lake Lucerne.

There will be four-man teams at \$10/person, and one throw per person per frame. The paddle wheel raffle as well as a meat raffle will start around noon.

All proceeds donated on behalf of team "My Wish."

Guest Editorial

Opportunity for Local Schools

Dear Editor,

The recent announcement of the state's budget surplus has initiated the conversation of what to do with these dollars. Obviously, these are taxpayer dollars and the suggestion of returning a majority of these dollars to the taxpayers seems realistic. So, what will these returns be to northern Wisconsin taxpayers and what will each of us do with our share?

The initial proposal for a tax return would be about \$12.50 per month for the average Wisconsin taxpayer. A return of \$150 annually no one would deny. However, in our area where personal income is below average and a majority of the residents own property valued below the state average of \$151,000, I suspect that for most any tax return will be significantly less than the projected \$150. This would be especially true for those who rent and do not own property. Residents in northern Wisconsin will once again be on the short end of the stick. We found ourselves in a similar situation last fall. The announcement this past October of an additional \$100 million dollars in state aid for public schools contributed as little as \$38 to the Goodman-Armstrong Creek School District and slightly more to the School District of Florence County at \$104. These numbers are correct...there is not a zero or two missing. These are not the real dollars that will help our schools sustain and prosper; these amounts simply illustrate a major flaw in our current school funding formula.

So what do we do...what can we do? We need to make our voices heard. Our challenge in northern Wisconsin in this matter is not that of partisan politics, it's that of representation. This is not to say that our area representatives aren't doing their jobs, but their voices (Senator Tom Tiffany, Representative Rob Swearingen and Representative Jeff Mursau) are only 3 of the 132 in the state senate and assembly that can advocate for Forest, Florence and Marinette Counties and our schools. I see great opportunities for our rural schools with these surplus dollars. Let's take a step towards more equitably funding our rural schools with new and meaningful state aids via the state budget surplus.

Representative Swearingen chairs the Rural School Task Force Committee, and Representative Mursau is a committee member. This bipartisan committee has come to better understand the issues rural schools face via testimony provided by school administrators at public meetings throughout the state in recent months. I have great optimism that they will work towards a common ground for solutions to the financial challenges facing our rural schools. Yes, there will be some differences as to exactly how, but overall members

For more info call 715-487-5222.

Sarah Remington Ginter, raised in Hiles writes her first novel, "Snowbound"

Sarah (Remington) Ginter, born and raised in Hiles, self-published her first book, Snowbound, in January 2014. Now a resident of Cody, Wyoming, and she used the western landscape as inspiration for her romantic novel. Several scenes deal with the dangers of hypothermia, something she learned about from her father, Larry Remington, as a young deer hunter in the Northwoods. Ginter is a 2002 Crandon High School graduate.

She's married to Tim Ginter, a former Crandon resident, and they have two sons: Evan (9) and Max (5). The book, suitable for a mature audience, is available at Amazon.com as a Kindle download or paperback under her pen name, Sarah Winter.

Big fish registered at the Hiles Fishoree

The Wilson family took first and third with these Northerns

The Hiles Annual Fishoree took place Saturday February 1st at the Hiles Town Hall. This years contest saw lots of great sized fish come in and great stories of how the massive fish were caught.

The fish were measured and weighed and the winners were determined by weight this year and if there was a tie in weight the length was used as a tiebreaker. This was done for six categories of fish; northern, walleye, bass, perch, bluegill and crappie. Continued on page 06

LIVING PROOF

FROM PROSTATE DIAGNOSIS TO FULL RECOVERY, GEORGE IS LIVING PROOF OF THE EXPERT CARE AVAILABLE CLOSE-TO-HOME.

I'm **GEORGE BAKSIC**. Two years ago, I was diagnosed with **PROSTATE CANCER**. Like most people, I was anxious about treatment but the care team at Ministry's James Beck Cancer Center had a way about them — conversational, professional and compassionate — that calmed my nerves. Best of all, I didn't have to travel far for treatment. I'm living proof that expert doctors, leading-edge technology and personalized care make Ministry the leader in cancer care.

Established trails, multiple stands & food plots are just the beginning. Terrain ranges from relatively flat to rolling. Tree cover ranges from thick cover to sparsely wooded near the cabin. Included is a very usable single wide that makes a great hunting shack or cabin. What about the adventure part? This property adjoins the huge block of forest legacy land known as the Crocker Hills. That's 28 plus square miles of protected land to hunt, hike and enjoy. \$129,900

Continued from pg 1

The winners this year were starting with the northern pike, Ryan Wilson with 9 pounds 4 ounces followed by Bobby Pfeiffer at 8 pound 7 ounces and Mike Wilson came in third with a 7 pound 11 ounce northern. Bass winners were Nolan Bradley, Kelsey Wilson and Bob Anderson. Abby Pease took first, second and third place in the crappie division. Ben Druckrey's 7 ounce 8.25 inch bluegill won first place and Tyler and Mitch Radke finished second and third with a 7 ounce bluegill measuring 8 inches and 7.5 inches respectively. The perch division was won by the Kircher family, Dave took first, while Deegan and Drake finished in second and third. No one brought in a walleye this year, I guess they are just waiting to get a little bigger for next years event.

Kelsey Votis is proud of her catch

Reid Votis holds up his Northern Pike

Crandon Library News

Family Story Time Dance Party

The month of February is American Heart Month and the Crandon Public Library's Story Hour program is teaming up with the Crandon School District, Ministry Crandon and Laona clinics and the Forest County Health Department to get our families hearts pumping at a Family Story Time Dance Party. Join us at this fun and free

program on Monday, February 10th at 6:00 p.m. Families with toddlers and preschool aged children will be encouraged to dance, get moving, and increase your heart rate for yourself, your family and the ones you love! There is no need to register for this program, so please bring a play date or two. Valentine projects and healthy snacks will also be provided. For more information, please contact Michelle at 715-478-3784.

Explore the Incredible Life of Ernest Wilson

This month the David Brezovar Memorial display case located inside the Crandon Public Library reveals the identity of the mystery object from last month's exhibit. While no one person was able to correctly identify the object, many people did come close when they guessed the item was a jewelry case. Stop in at the library to find out exactly what the conch shell's purpose was. Due to the fact that there were no correct entries, local history librarian Amanda Flannery chose a name from the 50+ entries and declared Kathy Hayes of Crandon our winner. Kathy has won a copy of the book Crandon 1906 : Its Industries and Resources. This book is available for purchase from the Forest County Historical Society.

The library's display case also features the life story of the donor of the mystery object, Ernest Wilson. The display gives a summary of the major events in Ernest's life as well as his accomplishments. There are fantastic photographs from Mr. Wilson's days as a one man band and as a member of the Whoopee Cowboys. You can also glimpse other objects donated by Ernest Wilson to the Crandon Public Library Museum in the late 1930's.

Library Hours : The Crandon Public Library is open Mondays 9-5, Tuesdays 9-5, Wednesdays 9-7, Thursdays 9-7, Fridays 9-5 and Saturdays 9-Noon.

Wisconsin Nutrition Education Program (WNEP) Coordinator (100%) Langlade and Oneida Counties. The Langlade and Oneida Counties Nutrition Education Program is a major effort within Cooperative Extension's Family Living Programs. The aim of Family Living Programs is to enhance the quality of family and community decisions that affect the family and to increase the families' abilities to adapt to and effect change. Within this broader aim, the purpose of this position is to provide leadership for the Langlade and Oneida Counties Nutrition Education Program including: collaborating with local agencies to ensure the delivery of nutrition education to low-income residents (especially people who are eligible to receive food stamps or FoodShare), staff training and supervision, and managing the program budget.

For details on how to apply visit:

<http://www.uwex.edu/ces/hr>

We are an AA/EEO employer.

HELP WANTED

Are you a people person? Do you have great customer service skills? Are you computer literate? Would you like to work part time?

If you are interested in becoming a part of our great team apply in person at:

**Conway True Value Hardware
 Pioneer Plaza, Crandon**

HELP WANTED - TOWN OF ARGONNE

Title of Position: Full-Time Road Maintenance Worker

Immediate Supervisor: Full-Time Road Maintenance Worker/Supervisor

Brief Description of Position: This position primarily involves the maintenance and improvement of the roads within the Town of Argonne. The employee is expected to service the roads with appropriate maintenance practices. The employee must sometimes exercise independent judgment and perform tasks in the absence of supervision. Maintain time records and turn in to Supervisor as required for pay. Maintain a Job Log on all work performed for the Town. The employee is expected to perform the duties in a professional manner. As an employee of the Town, the employee is expected to be courteous at all times and represent the Town in a professional and positive manner.

Essential Functions of the Position

- Ability to perform heavy manual labor.
- Ability to service and make repairs and adjustments to equipment.
- Sufficient communication skills to be able to read, write and correctly interpret written information, policies and rules.
- Must possess a valid Wisconsin Commercial Drivers License (CDL) or obtain one within 60 days of employment.
- Available nights, holidays and weekends during snow, ice and/or wind storms, and other emergencies.
- Ability to bend and lift moderately heavy (50 pound) objects on a regular basis of two (2) hours per day and heavier objects on an occasional basis.
- Ability to sit and stand for up to eight (8) consecutive hours per work shift with periodic breaks.
- Ability to walk two (2) miles per work shift.
- A demonstrated acceptable driving record.
- Other duties as directed by the Town Board of Supervisors.

Duties of the Position

- Maintain Town roads, patch holes and service roads with appropriate maintenance practices.
- Maintain culverts and ditches.
- Check and replace damaged and/or missing road signs.
- Plow snow and apply ice control material as needed.
- Maintain shoulders, mow grass, cut brush, clean trash, trim or remove trees and any related task involved in road maintenance.
- Operate equipment including grader, truck, loader, tractor mower, chipper, chain saw and similar equipment of comparable size and complexity.
- Work with contractors as necessary when a contractor is hired for a Town job.
- See that equipment is serviced with fuel, oil, water and lubricants as needed and perform minor to moderate repairs to tools and equipment. Order and secure required materials and parts for equipment maintenance.
- Post seasonal weight limits on Town roads when necessary.
- Perform other duties as necessary and as requested such as maintaining Town buildings and grounds, parks, recreational areas, etc..
- Take responsibility for implementing and following Town policies such as personal safety, lock-out/tag-out, etc..

Desired Knowledge, Skills and Experience

- Experience and/or training in highway maintenance and construction work, which includes operating intermediate size, motorized equipment.
- Knowledge of methods, materials and equipment used in the maintenance and repair of asphalt and gravel roads.
- Knowledge of traffic laws and regulations as they apply to motorized construction and maintenance equipment.
- Knowledge and ability to operate moderate sized motorized construction and maintenance equipment, chain saws, and similar tools and equipment.
- It is preferable that the employee/applicant is a resident of the Town.

If interested, please submit a cover letter and a resume' or a letter that outlines your qualifications that meets the above criteria for this position to Don Gordon, Town Clerk, PO Box 158, Argonne, WI 54511. **They need to be received by February 10, 2014.** Successful applicants will be contacted for interviews shortly thereafter. The Town of Argonne is an equal opportunity employer

HELP WANTED: Hometown Trolley

Title: Wood Worker/Wood Installation

Hours: 40 hrs. Monday-Friday

- 1-2 years experience preferred
- Must be able to follow directions
- Must be hard working and dependable

Please Send Resume to:
 701 North Railroad Ave
 Crandon, WI 54520

Digital Upgrade at Three Lakes Center for the Arts

The Three Lakes Center for the Arts (TLCFA) is proud to announce that beginning in the week of February 3, 2014 installation of a new DCI compliant digital projector with a 7.1 Surround-Sound system. This new projection system will replace the 35mm system that had been in use for the past five years. This will allow the center to continue its tradition of offering movies in theatrical release.

35mm film is in short supply as Hollywood has moved to an entirely digital system of producing movies over the past several decades. Over the past several years commercial theaters have been forced to convert to digital projection.

The TLCFA board decided about a year ago to undertake fundraising to make the switch would be best serve the goals of the Center. In that year contributions that ranged from a dollar or two put into a donation jar to checks up to five figures raised the nearly \$50,000 needed to make the upgrade.

HELP WANTED

QUALIFIED ADMINISTRATIVE ASSISTANT

The Forest County Chamber of Commerce is looking for an Administrative Assistant to work approximately 35 hours per week. This is a full time, year around position which includes working Saturdays, 9:00 a.m.-1:00 p.m., from June through September.

Must have knowledge of (or be willing to learn about) Forest County businesses, attractions, and points of interest. A desire to make a positive impact in your county is essential.

Candidate must possess exceptional reception and customer service skills, organizational skills, as well as the desire to positively interact with members and the public. A two-year associates degree in an administrative field preferred, or equivalent experience in an office setting. This position includes general office duties, information management, computer skills, knowledge of social networking, creativity, ability to lift 35-40 pounds, frequent errands, visitor guide development, guide distribution, and event assistance.

Contact the Forest County Chamber of Commerce office for a full position description and application, 715-478-3450 or email director@visitforestcounty.com.

HELP WANTED: Full Time Truck Driver, home every night. Must have good driving record, valid CDL & Medical Card. Please call Todd at 715-889-2450 for more information. B44

Nicolet College Foundation now accepting online scholarship applications

Nicolet College Foundation is now accepting scholarship applications for anyone looking to potentially receive funding for the 2014-15 academic year at Nicolet.

Last year the Foundation awarded more than 250 scholarships ranging in value from \$400 to \$3,000, said Heather Schallock, Foundation executive director.

"We strongly encourage anyone planning on attending Nicolet next fall to apply for a scholarship," Schallock said. "We know that paying for college is often a challenge for students and scholarships can go a long way in helping students meet that challenge."

This year the Foundation launched an online application process. Paper applications are no longer available.

To help students navigate the new online application process, the Foundation has set up two workshops to assist students. One will be held Tuesday, Feb. 11, from 11 a.m. to 1 p.m. and the second Wednesday, Feb. 12, from 3 p.m. to 5 p.m. Both workshops will be held in University Transfer Center 102.

The online application can be found on the Foundation page at nicoletcollege.edu.

Completed applications must be submitted by Friday, March 7.

Nicolet scholarships are available for both new and continuing students enrolling at Nicolet College next fall. Scholarship funds are applied directly to tuition costs. Students taking nine or more credits per semester can receive between \$500 and \$3,000 and students taking three to eight credits per semester can receive a \$400 scholarship. All applicants must have a cumulative grade point average of at least 2.5.

The \$1,000 University Transfer Liberal Arts Program Award, the \$1,000 Robert Steger Award, and the \$500 Irma Braunstein/Northwoods Branch AAUW Scholarship are also available. They will be awarded to current Nicolet students in the University Transfer Liberal Arts Program who will be transferring to a four-year college or university.

For more information, contact the Nicolet College Foundation office at (715) 365-4518, 1-800-544-3039, ext. 4518; TDD (715) 365-4558, 711 relay, or by email at hschallock@nicoletcollege.edu

NORTHERN HEALTH CENTERS

Welcome Dr. Sharon Shepich

Northern Health Centers, Inc., a Community Health Center located in Lakewood, Wisconsin would like to introduce Dr. Sharon Shepich a board certified Family Practice Physician from Iron River, Michigan with strong skills in rural medicine. Dr. Shepich provides medical services in the area of primary health care for all age groups, newborn to 90, preventive healthcare, Chronic Disease Management and coordination of care with specialists.

Dr. Shepich is a graduate from the University of Michigan Medical School in Ann Arbor and St. Mary's Family Medicine Residency Program at the University of Wisconsin, Madison.
