Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Ronald Karl write-in candidate for Forest County Board District 10

My name is Ronald Karl. I am running as a write-in candidate for District 10 Forest County Board. I have resided in Laona my whole life. I would like the opportunity to serve the residents of District 10. I would like to help make our county a better place to live for this generation and for generations to come.

I previously served on the County Board for two terms. I was the Farm Service Agency Representative for Forest County for three terms. I also serve on the State Board for Wisconsin Workforce Development. I own and operate a cash and beef operation. I have been involved in the timber industry, and work in the private sector. This knowledge in many occupations gives me a lot of insight into what our county needs to move forward. If elected, I would work to help keep our taxes low and work to bring new businesses and industry into our county.

I do have concerns with the potential off road vehicle park and believe that with the substantial amount of money that is proposed to be spent on this project, the taxpayers should have the opportunity to voice their opinion with a referendum.

Your vote on April 1st would be appreciated. If you have any questions please call me at 715-674-3602.

William Connors, Jr., Candidate for Forest County Supervisor, Dist. 11

I am running for the position of Forest County Supervisor for District 11, which includes all of the Township of Freedom and Ward 5 in the Town of Wabeno.

I have lived in the Township of Freedom my entire life. My wife, Theresa, and I have been married for 29 years. We raised our three children in the Township of Freedom and proudly watched them graduate from Wabeno Area High School. I have over 40 years of business experience in the forest industry.

In the past, I served eight years as a supervisor for the Township of Freedom. I also served on the county Civil Service Board. Currently, I serve as a board member for the School District of Wabeno Area; as President of the Board for Wabeno Heights Apartments; as a member of the Board of Directors for the Forest County Association of Lakes; and as President of Little Long Lake Association.

I was appointed by the members of the Forest County Board on August 20, 2013 to fill the vacant position left open after the passing of Erhard Huettl. As the appointed supervisor for District 11, I serve on the following committees: Commission on Aging, Sheriff and Justice, Emergency Management and 911, Land Conservation, Land Option Agreements, and Local Emergency Planning.

I feel it is important for Forest County to promote an environment where businesses can grow, which in turn, will provide jobs and fund services for our county. Taxes are a concern for everyone, but I feel that with planning, we can maintain a balance between low taxes and growth for our county.

With your support in the upcoming election on April 1st, I will continue to serve the people of District 11 and Forest County.

Janet Opiela-Candidate for Wabeno Area School Board

My name is Janet Opiela and I am running for re-election for the School District of Wabeno Area School Board. I have lived in the Town of Townsend all my life. I have two children who graduated from the Wabeno School District and currently have six grandchildren all in the Wabeno School District ranging from second grade to ninth grade.

Our children are the future of our communities and education is my top priority for each and every one of them. I want each child to be a caring, contributing member of society by preparing them to be career or college ready and to ensure their success.

I want to continue to improve our practices for teaching and learning so our practices are centered on

Ruffed Grouse Society Banquet this Saturday, March 29

The 23rd Annual Nicolet/Wild Rivers Chapter of the Ruffed Grouse Society will be holding their annual Conservation and Sportsmen's Banquet at the Crandon Community Center on Saturday, March 29th. The doors open at 5:15 p.m. for the social hour and raffles, and the dinner is at 7:15.

There are a few tickets left at the door, but only a few, so if you are a grouse hunter or just like to eat well and talk to your friends, show up!

The cost is \$50 for a single and \$70 with a spouse, and the money will be put to good use helping provide grouse habitat.

Forest County Ties That Bind Us off to a great start!

With the help of some very generous community members and local businesses we were able to get a great start on our new non-profit organization, Forest County Ties That Bind Us. This organization will offer all profits back to the community!

You may have taken a ride through Dr. Perry's beautiful Christmas light display this winter. Because of the generosity of Dr. Perry, her husband and the community \$1,972.52 was raised to help start the Ties That Bind Us. In our county wide effort to provide cancer education and build a network of community volunteers to help Forest County Residents with the burdens of cancer.

On December 20th we were able to offer the community a Holiday Trolley Ride with the help and support from Hometown Trolley, Forest County Chamber, Krist Oil, Schaefer's IGA and The Gas Depot. This event alone as well as a bake sale and pictures with Santa raised \$1,005.14.

With these funds, so far we have given out \$25

WABENO SCHOOL REFERENDUM VIEWS

Another View: Wabeno Referendum

Per the School Power point, the district said they have made reductions over the past several years.

*Where were the cuts? Are we getting the total picture?

*Why have Budgeted Admin. salaries increased 33% in the last two years (per Budget)?

*Why have Administrative Benefits increased 39% over two years (per Budget)?

*Why have Transportation Salaries increased by 23% this year (per Budget)?

*Why have "Personal Services" for Board of Education increased by 127% (per Budget)?

*Why did "Instructional Staff Services" go up 82% in the last 2 years (per Budget)?

*The state's average of educating a child in 2012 was \$12,375. (includes local tax dollars, Federal revenue, State revenue, and other local revenue). Why was Wabeno's cost per student in 2012?

\$ 15,334? This means that Wabeno spent \$ 1,375,935 over the state's annual average in 2012.

Wabeno Downtown Revitalization Meeting April 8th

A Wabeno Downtown Revitalization Meeting will be held on Tuesday, April 8th, at 6:00 p.m. at the Wabeno Town Hall.

We are inviting all community members including, business owners, organization leaders and interested citizens. Topics being discussed will be: Wabeno Businesses Involvement, Connect Communities Program, Town Organizations and Club Involvement, Funding and Timeframe. If you were unable to attend the first meeting you are encouraged to attend this one. Everyone's input is needed.

In Favor of the Wabeno Referendum

On Tuesday, April 1st, voters of the School District of the Wabeno Area will be asked whether or not they support increasing the mill rate to pay for a shortfall in school funding. By way of this letter, I would like to explain why this referendum is necessary and ask the residents of the Wabeno School District to support it.

Due to declining enrollment and a congruent decline in state funding, the Wabeno School has been forced to operate at a deficit. The deficit for school year 2013-14 is \$700,442. This deficit is projected to increase in each successive year. By school year 2016-17, the projected deficit will be \$1,695,542.1

To cover this shortfall, the district has been depleting its fund balance. At the end of the last school year, the balance was over \$4.6 million. At the end of the 2013-14 school year, the balance will be just over \$3.9 million. By the 2016-17 school year, all of the fund balance will have been depleted and the district will be about \$138,000 in the hole.1

The District has long recognized this problem and has hosted a series of "Two Cents Events" over the past few years. Many thoughts have been offered on how to reduce costs and increase revenues. Some of these ideas have been successfully implemented. Last year, a referendum to increase the mill rate failed to pass by a mere 34 votes. This set into motion efforts to pass a scaled-back version that will be on the ballot this Tuesday.

The referendum is asking district property owners for an additional \$750,000 per year for school years 2014-15, 2015-16, and 2016-17. It proposes to do so by increasing the mill rate from the current 5.62 to 6.29. It

Wabeno Library News

We are grateful to family and friends of Alice Harrison, and will be making major additions to the Large Print collection in her memory. She was one of our most active patrons, sending family members for new selections almost every week. We will miss her, and are grateful that the collection will continue with the family's support. This collection continues to be one of our most popular and fastest growing collections. We select Westerns new and classic, top-ten best-sellers, as well as romances (Alice's favorites), inspirational works, and mysteries. With limited space, our collection rotates but our newest are always available on display for checking out.

We continue to add to our collection in the history and achievements of women, and in honor of Women's History Month, we have added the following works by major American women:

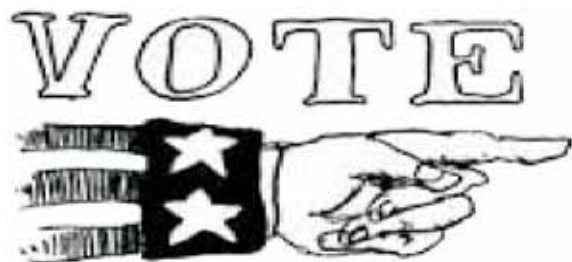

Fiction: *McCullers: Complete Novels*, Carson McCullers, *O'Connor: Collected Works*, Flannery O'Connor, *Porter: Collected Stories and Other Writings*, Catherine Anne Porter, *Welty: Complete Novels*, Eudora Welty, Several new book releases are "tie-ins" to recent nominees for Oscar Awards in film: *August: Osage County*, Tracy Letts, *Winter's Tale*, Mark Helprin, *Philomena*, Martin Sixsmith
Other fiction added: *Burial Rites*, Hannah Kent, *Killing Custer*, Margaret Coel, *Klondike Tales*, Jack London, *Leatherstocking Tales: The Complete Collection*, James Fenimore Cooper, *Navajo Autumn*, R. Allen Chappell, *Spider Woman's Daughters*, Anne Hillerman (daughter of deceased author, Tony Hillerman)

Non-Fiction: *Eintein's Riddle: Riddles, Paradoxes, and Conundrums to Stretch Your Mind*, Jeremy Stangroom, *This Is Rocket Science: True Stories of Risk-taking Scientists Who Figure Out Ways to Explore Beyond Earth*, Gloria Skurzynski for National Geographic

Films: Please note: because the following items are new releases and very popular, we are limiting the lending period to one week, with fines of twenty-five cents per day if overdue: *The Book Thief*, *Downton Abbey: Season 4*, *Saving Mr. Banks*, *Small Island*, *Nebraska*, *Frozen*, *Gravity*, *Children's Films*, *Frozen (with Little Golden Book version in print format)*, *Sid the Science Kid: the Movie*, *Robots*, *Sid the Science Kid: Sid Wings It*, *Short Circuit and Short Circuit 2*, *Dora's Adventures*

We have added three new families to our "1000 Books Before Kindergarten" program. Children receive a folder with stickers, and a full description of the incentives for children and parents in the program. The Friends of the Library have contributed towards new board books for the program.

Sue Banie, our Head Start aide, continues to make selections to bring to the children in the Head Start program for in-class reading, and reading at home. Once a child checks out a selection from those we bring to the Wabeno Head Start site, the child only needs to return that book, to be able to check out a new one.

Northwoods United Way
2015 Agency Review Process

The Northwoods United Way, serving Forest, Oneida, and Vilas counties, is beginning the Agency Review Process for the 2015 funding cycle. Any programs and/or agencies that are interested in finding out more about funding criteria, or interested in completing an application are encouraged to contact Nancy Sattler, Executive Director, at nwuway@newnorth.net or via phone at 715-369-0440.

The Northwoods United Way helps fund agencies that provide programming within one of our impact areas: Providing Basic Needs and Self Sufficiency, Promoting Health, Healing and Crisis Intervention, and Strengthening Children, Youth and Families. Funds are allocated in the most efficient manner to human care agencies that meet the following criteria:

1. Agency offers a human care service
2. Agency is open and non-exclusive for membership
3. Agency demonstrates a need within the community
4. Agency can show the quality of their service, impact in the community and the numbers they serve
5. Agency service is not duplicated by another agency within the same service area
6. Agency is government, tribal or a registered 501 c 3 with the Internal Revenue Service

Deadline for application is Thursday, May 1st.

The Northwoods United Way, Inc. is a locally directed organization, working to improve lives by mobilizing community resources and strategically investing in human service programs.

Wabeno School District Mill Rate History ³	
Year	Mill Rate

13-14	5.62
14-15*	6.29
15-16*	6.11
16-17*	5.92

The proposed initial mill rate of 6.29 would essentially be on par with the rates that were used during the recent seven-year period of 2006-13. It would be considerably lower than the rates used between 1995-2004.

2013-14 Mill Rate by District ²	
Laona	17.86
Goodman-Armstrong	11.93
Beecher-Dunbar-Pembine	11.77
White Lake	11.48
Lena	11.47
Bonduel	9.93
Bowler	9.88
Florence	9.26
Crandon	9.08
Peshtigo	8.90
Antigo	8.54
Niagara	8.33
Crivitz	8.25
Wausaukee	7.96
Suring	7.37
Wabeno	5.62

How does the current mill rate in the Wabeno Area School District compare to neighboring areas? As the accompanying table illustrates, the mill rate is substantially lower than the fifteen surrounding school districts. In fact, even if the referendum were to pass, in the first year it (6.29) would still be over one full point lower than the next lowest mill rate.

USDA Encourages Early Registration for FSA Programs

WAUSAU, WI, March 21, 2014 — The U.S. Department of Agriculture's (USDA) Farm Service Agency (FSA) Administrator Juan M. Garcia today recommended that farmers and ranchers who plan to participate in FSA programs register in advance. Producers are encouraged to report farm records and business structure changes to a local FSA Service Center before April 15, 2014.

Enrollment for the disaster programs authorized by the 2014 Farm Bill, including the Livestock Indemnity Program (LIP) and the Livestock Forage Disaster Program (LFP) will begin by April 15, 2014.

"We expect significant interest in these programs," said Garcia. "Early registration should help improve the sign-up process and allow us to expedite implementation of the programs. I strongly encourage producers to complete their paperwork ahead of time."

Examples of updates or changes to report include:

** New producers or producers who have not reported farm records to FSA.

** Producers who have recently bought, sold or rented land. Those producers need to ensure that changes have been reported and properly recorded by local FSA county office personnel. Reports of purchased or sold property should include a copy of the land deed, and if land has been leased, then documentation should be provided that indicates the producer had/has control of the acreage.

** Producers that have changed business structures (e.g. formed a partnership or LLC) need to ensure that these relationships and shares are properly recorded with FSA. Even family farms that have records on file may want to ensure that this is recorded accurately as it may impact payment limits.

School District of Wabeno Area Referendum on the Ballot April 1, 2014

The School District of Wabeno Area will have an operating referendum on the ballot on April 1, 2014. The referendum is asking district property owners to authorize the school district to exceed the revenue limit by \$750,000 for the 2014-15 school year through the 2016-2017 school year for non-recurring purposes.

Compared to the last referendum, the School Board is asking for fewer dollars this time. This is due to the fact that we would continue to use our fund balance in addition to referendum dollars.

The additional revenue from the referendum would be used for general operating expenses, ensuring the continuation of current programs and opportunities for our students. The school district needs and appreciates the support from our families, businesses and communities.

NOTICE

Town of Laona

The Town of Laona will be **accepting bids** for cleaning of town buildings. The cleaning will require cleaning of the Senior Center, Town Hall and Community Building once weekly, and the cleaning of the Community Building after events. The Town will supply cleaning supplies as needed. Cleaning will include sweeping and mopping of floors, emptying garbage containers, washing walls, windows, doors, and counters and tables as well as cleaning of bathroom facilities. Payment will be made bi-weekly.

From past employee records the town estimates it takes 4 hours to clean the Senior Center once per week, 4 hours to clean the Town Hall once per week, 1.5 hours to clean the Community Building once per week and 5 hours to clean the Community Building after an event.

The Town of Laona will accept sealed bids until **April 1st, 2014**. The Town of Laona has the right to reject any and all bids. Please call the Town Hall at 715-674-4071 with any questions or further job description.

EXHIBIT B - NOTICE OF REFERENDUM SCHOOL DISTRICT OF WABENO AREA April 1, 2014

NOTICE IS HEREBY GIVEN, that at an election to be held in the School District of Wabeno Area on April 1, 2014, the following proposed Resolution of the School Board will be submitted to a vote of the people:
"RESOLUTION AUTHORIZING THE SCHOOL DISTRICT BUDGET TO EXCEED REVENUE LIMIT FOR THREE YEARS FOR NON-RECURRING PURPOSES"

BE IT RESOLVED by the School Board of the School District of Wabeno Area, Forest, Langlade, Marinette and Oconto Counties, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$750,000 for the 2014-2015 school year through the 2016-2017 school year for non-recurring purposes.
 Adopted and recorded January 7, 2014.

The question will appear on the ballot as follows:

"Shall the School District of Wabeno Area, Forest, Langlade, Marinette and Oconto Counties, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$750,000 for the 2014-2015 school year through the 2016-2017 school year for non-recurring purposes?"

EXPLANATORY STATEMENT AND EFFECT OF VOTE

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.
 A "yes" vote on the question is in favor of said Resolution and is a vote to authorize the School District of Wabeno Area budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$750,000 for the 2014-2015 school year through the 2016-2017 school year for non-recurring purposes.
 A "no" vote on the question is opposed to said Resolution and is a vote to deny the School District of Wabeno Area budget the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$750,000 for the 2014-2015 school year through the 2016-2017 school year for non-recurring purposes.
 In the event a majority of the electors voting vote "Yes" on the question, the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$750,000 for the 2014-2015 school year through the 2016-2017 school year for non-recurring purposes; if a majority vote "No" on the question set forth above, the District will not be so authorized.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall state his or her name and address before being permitted to vote. If an elector is not registered to vote, an elector may register to vote at the polling place serving his or her residence if the elector presents proof of identification in a form specified by law unless the elector is exempted from this requirement, and, if the document presented does not constitute proof of residence, the elector provides proof of residence. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

On referenda questions, where **paper ballots** are used, the elector shall make a cross (X) in the square at the right of "yes" if in favor of the question, or the elector shall make a cross (X) in the square at the right of "no" if opposed to the question.

On referenda questions, where **optical scan voting systems** are used, the elector shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the elector shall fill in the oval or connect the arrow next to "no" if opposed to the question.

On referenda questions, where **touch screen voting systems** are used, the elector shall depress the button next to "yes" if in favor of the question, or the elector shall depress the button next to "no" if opposed to the question. The vote should not be cast in any other manner. If the elector spoils a **paper** or **optical scan** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. The elector may spoil a **touch screen** ballot at the voting station, but not more than three ballots shall be issued to any one elector. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the elector in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After casting his or her vote, the elector shall leave the voting booth, properly deposit the ballot and promptly leave the polling place.

After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The elector shall then deposit his folded ballot in the proper ballot box, or deliver the ballot to an inspector for deposit.

After an official **optical scan ballot** is marked, it shall be inserted in the security sleeve so the marks do not show. The elector shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the elector shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit.

After an official **touch screen ballot** is marked, the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a sample of the official ballot:

OFFICIAL REFERENDUM BALLOT

April 1, 2014

NOTICE TO ELECTORS: THIS BALLOT MAY BE INVALID UNLESS INITIALED BY TWO (2) ELECTION INSPECTORS. IF CAST AS AN ABSENTEE BALLOT, THE BALLOT MUST BEAR THE INITIALS OF THE MUNICIPAL CLERK OR DEPUTY CLERK.

If you desire to vote on the question, make a cross (X) in the square at the **RIGHT** of "YES" if in favor of the question or make a cross (X) in the square at the **RIGHT** of "NO" if opposed to the question.

Shall the School District of Wabeno Area, Forest, Langlade, Marinette and Oconto Counties, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$750,000 for the 2014-2015 school year through the 2016-2017 school year for non-recurring purposes?

Out in the Silence presented March 31 at Nicolet College

The film Out in the Silence about gay and straight people living in a small Pennsylvania town will be shown at Nicolet College at 4 p.m., Monday, March 31, in Northwoods Center Room 207.

The Emmy Award-winning documentary captures the remarkable chain of events that unfold when the announcement of filmmaker Joe Wilson's wedding to another man ignites a firestorm of controversy in his small Pennsylvania hometown.

Set in the conservative community of Oil Town, the film tells the story of both gay and straight residents as they grapple with issues of social inclusion, economic decline, and religious tolerance.

Admission to this hour-long film, presented by the Rainbow Hodags student club, is free and open to the public.

Food Labels: Qualified Health Claims

Food labels are crowded with details. Among them are FDA-approved health claims, such as low-sodium foods support heart health or calcium may reduce osteoporosis. These claims are supported by credible scientific evidence that shows a direct relationship between product ingredients and health-related condition.

Watch out for unsubstantiated claims that aren't FDA approved. You might see something such as: Yogurts improve immunity and digestion. Cereals with omega-3 fats unclog arteries.

So what is qualified? The FDA must authorize health claims on food labels. The list of approved foods, food components or nutrients that can be advertised as aids in the prevention of various diseases or conditions includes:

- Tomatoes and pancreatic cancer
- Calcium and colon cancer
- Folic acid and neural tube birth defects
- B vitamins and vascular disease
- Walnuts and heart disease
- Omega-3 fatty acids and coronary heart disease (CHD)
- Monounsaturated fatty acids (from olive oil) and CHD.
- Unsaturated fatty acids (from canola oil) and CHD

> **For the entire list,** search "Summary of Qualified Health Claims" at www.fda.gov.

Death Notices

ARLETTA MERENESS MCCORKLE, age 95, Crandon, passed away Saturday, March 22, 2014 at the AGI Healthcare Center, Crandon. She was born in Mole Lake on April 3, 1918 to Daniel and Evaline (Mereness) Walrath. Arletta married Lloyd McCorkle on April 12, 1952 and lived in Argonne until 1991; when Lloyd passed away. She was a member of the Argonne United Methodist Church and was very active in the UMW.

Arletta worked at the Crandon Telephone Co. as a switch board operator for many years. When the opportunity opened, she went to work for the Argonne Post Office, first as a rural carrier and then as Postmaster. Arletta was the Postmaster from 1956-1978; when she retired. They enjoyed traveling, especially their trips to Canada with Donna and Marv Giessel to pick blueberries. She enjoyed country music and attended Hodag several times. Arletta loved spending time with family and loved get togethers. She especially enjoyed the annual corn roast at the Walrath cabin.

Arletta spent her free time crocheting dish rags and afghans. All of her great grandkids probably still have a blanket or quilt she made. She was a very loving, kind, giving and caring person.

Arletta is survived by her daughters, Brenda (Lynn) McKee and Carole Roberts, grandchildren, Tod (Tami) McKee, Randy (Coleen) McKee, Amy (Jeff) Collins, Ronald (Marie) Roberts and Diane Roberts, great-grandchildren, Travis (Michelle) McKee, Troy (Jamie) McKee, Chad and Ryan McKee, Erin (Matt) Samz, Kaitlyn (Randy Spencer) Collins, Tyler Collins, Larry (Michelle) Roberts, Beth (Justin) Gravitter and Melinda Fuller, 14 great-great-grandkids, and numerous nieces and nephews. All were very special to her. She is further survived by a sister-in-law, Kiddo Knapek and extended family, Bill (Charlene) Kalata and family, Betty (Howard) Halbesleben and LaVerne Winkleman.

Arletta was preceded in death by her parents, husband, Lloyd, sisters, Louise and Shirley, brother, Edwin Walrath, son-in-law, Larry Roberts and nephew, Daniel Steagall.

Visitation will be held on Wednesday, March 26 from 10:00 a.m. until 12:00 noon at the Argonne United Methodist Church. Funeral Service will follow at 12:00 noon with Reverend William Brown officiating. Weber-Hill Funeral Home is assisting the family. Online condolences at www.weberhillfuneralhome.com.

GLORIA JEAN BOCKUS Gloria was born Friday, November 5, 1948 in Crandon, Wisconsin to Eugene and Mary Cottrell.

Gloria graduated from Crandon High School on May 28, 1966. She furthered her education at Brandon University receiving a Bachelor of General Studies on May 27, 1989 and was presented the Governor General Award.

Gloria married David Lynn Bockus, October 19, 1968. After David's passing she had a second chance at love when she met Jim Olfe. Jim and Gloria were married, June 4, 2011.

Gloria was a successful business woman, insurance broker, Liaison Officer and entrepreneur. Most notably, she was a solution specialist. Anyone could go to Gloria anytime, for any kind of problem they had at any given moment. Gloria was never one to turn down a challenge! Aside from her professional success, Gloria was very involved in community services: The Pas Homecoming, The Pas Northern Lites Lions Club, Operation Red Nose and Toastmasters.

Gloria absolutely loved family, friends, visiting, years at the cabin, Canada Day, birthdays, traveling with her "Jimmy", and most of all, being around her grandchildren and great grandchildren.

Gloria passed away unexpectedly, Thursday, March 6, 2014 at The Pas, Manitoba, at the age of 65 years.

Gloria is survived by her husband James (Jim) Olfe, her children Mervin Bockus, Gina Brightnose(Leon), Kim Bland(Scott); stepdaughters Judy (Kevin) Mcgee, Naomi (Carl) Lundgren, Michelle Szajewski; grandchildren Tana Bockus (Carl), Devin Ducharme (Audrey), Cody Bockus (Candy), Ryan Larock, Amber Szajewski, Kylie Lundgren; great grandchildren David Ducharme, Bailey Stoltz, Talon Bockus; parents Eugene and Mary Cottrell; siblings Donny Cottrell(Diane), Rita Littleton(Al), Jerry Cottrell(Beth); many nieces, nephews, cousins, aunts, uncles, sisters and brothers in law too numerous to mention.

She was preceded in death by her brother Darcy Lee Cottrell(January 20,1956) and her first husband David Lynn Bockus(June 19, 2011)

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

Pay no attention to the man behind the curtain

Yes, that's the title of my response to a letter from "the WORVPI Board" you may have read the very long letter to the editor signed "WORVPI Board", which was forwarded by e-mail to all the County Board Members, and placed in the Forest Republican newspaper last week, I found the very long letter interesting, I'm wondering if all 17 currently listed WORVPI Board members were consulted before this letter was published? I did notice, that it contained no personal signatures.

What curtain you ask? How about the curtain that has come down around WORVPI's {Wisconsin Off Road Vehicle Park Inc.'s}planned 10,000 acre 'premier destination' "Lambeau Field of Off Road Parks", where by Jim Schusslers own words "People with pockets full of money will come, spend their money, and go home".

Boy, the tune sure has changed in the last 6 months that we have been debating this "Off Road Vehicle Park"! Back then, once the Park was in operation, the streets were going to be paved in gold, it was going to be the salvation of the County, people were going to flock here year round to spend their money at WORVPI's Off Road Vehicle Park, WORVPI was already collecting money for a first year pass to "their" park....., and then some of us started asking questions.

Questions like, Who is going to own the Park? Where is the 18 million dollars {WORVPI's own projected figure}going to come from to purchase and develop the land? Where is the Park going to be located? How can this type of Park be located on environmentally sensitive lands? Is it wrong for elected Forest County Board Members to sit on WORVPI's board, sign non disclosure statements to protect WORVPI, and then participate in discussion, and voting over Forest County Tax funds being given to WORVPI {a private corporation}? You know what, we still don't have these answers and the answers to many more questions that have been raised and asked of WORVPI, just more smoke and mirrors, and the answer "were still in the scoping phase".

And now, WORVPI is spending lots of time, defending WORVPI board members actions.

I attended some of the meetings that the WORVPI letter alludes to in "the WORVPI Board's" very long letter. {I doubt many of you got all the way through it without your eyes glazing over, I'll try not to let that happen with this one}. I'll come right out and call out "the WORVPI Board", when they state that the first meeting of the County Boards Oversight Committee was properly posted as required by law, and in stating that Mr. Bunda adjourned that meeting "before moving across the street to a private meeting of WORVPI". I think Mr. Bunda plans on clarifying that issue himself. And I am so happy that both Mr. Bunda, and my County Board representative Paul Cleereman are on that oversight committee!

I could go on and on in response to many of the WORVPI Board's statements made in the very long letter, but I think you get the idea.

Are you happy with WORVPI's ideas for a County Owned 10,000 acre Off Road Vehicle Park? Are you satisfied with the WORVPI Board's lack of answers to the many questions that have been raised? I really urge you to go to www.worvpi.org and read though all the latest press dispatch's that have been posted there, and judge the propaganda yourself. One thing for sure, as of this writing, they haven't posted minutes of any WORVPI board meeting since 09/13, which is just about the time, all the controversy started, and the questions started being asked, and the curtain came down.

On April 1st, you will get to exercise one of the greatest grass roots freedoms that we as Americans have, you will be able to Vote for those you wish to represent you on this, one of the most local levels of Government, Our County Board. Are you happy with the representation that you are receiving from your County Board Member? There are several County Board races in this years election, where you will have a choice, and even in those positions where there is only one person running for the position, You still have a choice, to vote for that person, or not. I urge you to exercise that right, Pro or Con, its what America "land of the free" is all about.

As always, everything expressed in this letter, is my opinion, and my opinion only. Its definitely not one of WORVPI's form letters, {you just fill in the blanks}. I'm not running for any office, just looking for the truth.

QUESTIONS ON WABENO REFERENDUM PLEASE VOTE 4/1/14

Wabeno's referendum is on the April 1st ballot. It is important that all taxpayers vote in this election since these are your tax dollars. So far, the only published info on this referendum has been from Wabeno's administration. Below are some questions that they have not addressed in their articles:

1. Why is budgeted health insurance close to or over 50% of the cost of salaries for some categories (food services, transportation, custodians, maintenance)? This is in addition to the cost of salaries.
2. Why does it take over \$11,000 per child of our tax dollars to educate Wabeno children compared to the state average of \$5,400 per child?
3. Do you realize that if your property is valued at \$200,000, your Wabeno school tax will increase by \$134 per year, in addition to the \$1,124 that you already pay?
4. Most current referendums are for specific projects, such as building repairs. What will the extra money be used for? Isn't this just a request for a blank check from the taxpayers?
5. Part of the requested money is to provide computer devices for each school child. Who is responsible for purchasing computers for the children - the taxpayers or the parents?
6. If enrollment is declining at Wabeno, shouldn't this logically mean that there will eventually be less teaching jobs, less support positions, etc?

(Above numbers taken from the budget on the Wabeno school website and the Wis Dept of public instruction)

Wabeno Referendum Cont. from pg. 1
would then be gradually reduced to 6.11 in 2015-16 and 5.92 in 2016-17. What this means is that, if your property were valued at \$50,000 the referendum would increase your school taxes by approximately \$34; if your property were valued at \$100,000 the referendum would increase your school taxes by approximately \$67.

So what happens if this referendum does not pass? The school district would try one more time next year. In the meantime, the district would reduce its fund balance by another \$750,000, thus compounding the problem for the future. Ultimately, if the referendum were to fail, the budget would have to be reduced by \$1.6 million. This would require severe cuts and could include all of the followings:
Cut the number of elementary teaching positions in half (eliminate 6). This would mean classes of about 32-34 instead of the current 16-17.
Eliminate 3 Junior/Senior High teaching positions.
Eliminate 4 aide positions.
Eliminate an administrative position.
Eliminate non-required programs such as Music, Art, Band, Family and Consumer Education, Technology Education, and Counseling.
Eliminate all Sports/Extracurricular Activities and Activity Buses.

Folks, this referendum isn't about financing a new auditorium or sports facility. It's about simply continuing to offer what the Wabeno School System currently offers.

Over the past year we've all read about efforts to promote economic development in our area. Consider this: economic development starts with our own children. If we want our kids to have a shot at a good future, we have to offer them the best opportunity for a good education. And if we want to retain our young adults, we not only need to provide them with good economic opportunities, we need to offer them a good school for their own children.

At the same time, please also consider that that prospective new residents will be looking closely at the state of our school system. Let's continue to offer them an excellent program for their kids as well.

Over the past couple of years I've taken the opportunity to volunteer at the elementary school. I can attest that the residents of the Wabeno Area School District have a school that they can be very proud of. The teachers and staff are giving it their all in spite of reduced funding, compensation, and, in my opinion, under-appreciation for what they contribute to our community. They are spread thin as it is. I hate to think of what doubling their class sizes would do to them.

I also hate to think of the impact on the tax base if a number of these relatively good-paying jobs were to go away overnight. We'd probably lose some additional families from our community; it would not only be the economic loss of teachers' salaries, but also their spouses and the loss of state funding for their kids.

Please join me in supporting our children's future. Please vote Yes on the Tuesday April 1st referendum.

Respectfully,
John Lampereur
Townsend

WPS may accept payment arrangements to keep customer service on after winter moratorium ends April 15

Green Bay, WI – Wisconsin Public Service (WPS) reports that as of the end of February 2014, nearly 26,000 of its customers were four months or more behind on their utility bills. Customers could face disconnection of their utility service after April 15, 2014 unless they make prior payments or arrangements. State law bars utilities from disconnecting residential service from November 1 to April 15 annually. WPS reports that the number of customers past due is slightly higher than last year but the amount they owe is substantially higher because of the colder winter.

"We don't want to disconnect service to customers who are behind, but unless we come to an arrangement with them, disconnection is a good possibility," said Kerry Spees, WPS spokesperson. "We owe it to our good-paying customers to be diligent in our efforts to collect." WPS disconnected service to around 15,000 customers in 2013. Spees urged customers who are behind and have not yet contacted the utility to do so right away by calling (866) 215-5812. Waiting until near the end of the winter period when disconnects are not allowed will make it more difficult to make arrangements to keep service on, he said. "Those customers who contact us early to make arrangements are going to find we're more flexible with payment options than those who wait," he said.

Residential customers who have not qualified as low income and have not paid during the winter also face paying a security deposit equal to their highest four consecutive bills. WPS currently holds security deposits of more than \$2.6 million from more than 3,000 customers (WPS pays interest on the deposit). Customers who struggle with winter bills could choose the WPS Budget Billing program, in which they pay an average bill monthly rather than seasonal high and low bills. WPS also has electronic options for payment listed on its Website: wisconsinpublicservice.com. Options include automatic monthly withdrawal from bank accounts, as well as one-time payments. Most WPS locations no longer accept walk-in payments, but do have drop boxes. For a list of authorized pay stations, check: www.wisconsinpublicservice.com/home/locations.aspx. WPS reminds customers that payments to a drop box or pay station take 1 or 2 days to process.

Nicolet College Outdoor Adventure Series

The great outdoors will be the classroom for those learning new skills and seeing new places this spring, summer and fall through Nicolet College's 2014 Outdoor Adventure Series.

The series, in its 18th year, features nearly 50 different land and water adventures that last anywhere from an afternoon to several days and range in difficulty from the very easy to the physically challenging.

"Along with being a whole lot of fun, Outdoor Adventure classes make the outdoors more accessible to people," said Jodi Fox Engleman, Community Education specialist at Nicolet College. "It gives them new skills so they can explore new places while gaining a deeper understanding of the rich natural resources of the region."

Traveling by sea kayak, paddleboard, and canoe, participants this year will explore and learn about both popular and little-known waterways. These include Lake Superior's Apostle Islands; the Rainbow, Willow and Little Turtle flowages; rivers that include the Bois Brule, Manitowish, and Upper Tomahawk; along with numerous scenic Northwoods lakes.

Hiking and natural history excursions will take people to the Lake Superior Hiking Trail, Devil's Lake State Park, the Blackjack Springs Wilderness, and several other natural areas where participants will search for wildflowers and a wide assortment of birds.

Other themed activities include Sunset and Full Moon paddles, Date Night via Kayak, and the ever-delicious Ice Cream Float.

To get ready for the season, the series will launch Saturday, April 5, with classes on how to perform the Eskimo roll in a kayak and another on core strengthening for standup paddleboarding.

The core strengthening course will from 9 a.m. to noon April 5 and 12 in the Lakeland Union pool.

The kayak rolling course will run from 1 p.m. to 4 p.m. April 5, 12 and 16, also in the Lakeland Union High School pool.

Each course is \$99, which includes board and boat rental.

These are just a sampling of the many different classes that will be available through October.

To view the full list of classes, visit nicoletcollege.edu and enter Outdoor Adventure Catalog in the search box in the upper right of the page. To get a paper copy of the catalog, contact Nicolet at (715) 356-6753, 1-800-585-9304; TDD 711 or 1-800-947-3529; or by email at cstenz@nicoletcollege.edu.

Color Your Meals Blue & White with Fruits & Vegetables

Blue phytonutrients

- Blackberries, blueberries, cherries, eggplants, grapes, plums, raisins, red cabbage.
- Blue-red anthocyanins work as potent antioxidants, protecting the cells and reducing the risk of common diseases such as cancer, heart disease and stroke.

Blueberries in particular are known for their antioxidant action. Animal research has shown that rodents eating the equivalent of a cup of blueberries every day experience improvements in memory. So, some nutrition professionals suggest that blueberries can help stave off the memory decline associated with aging.

White phytonutrients

- Bananas, cabbage, cauliflower, garlic, jicama, mushrooms, onions, potatoes and turnips.
- Health benefits are associated with even the white pigments which 'color' produce.

Easy ways to add BLUE & WHITE phytonutrients to your diet:

BLUE:

- To get the benefits of both anthocyanins and bone-strengthening calcium, stir fresh blackberries or blueberries into yogurt for a snack and into your morning oatmeal or cold cereal.
- Top store-bought pudding or homemade custard with blackberries, blueberries, grapes, raisins or chopped fresh plums.

WHITE:

- For a quick snack, spread bread or toast with peanut butter and top with banana slices.
- Use thin slices of jicama as a crisp, fresh alternative to salad croutons.
- Flavor an omelet with diced cooked potatoes, sliced mushrooms, and garlic.

TOPIC OF THE MONTH "Fruits & Veggies!"

MEAL SCHEDULE

CRANDON, WABENO, LAONA

Community Couch to 5k Events

Area residents of all ages are encouraged to join friends and neighbors on a journey from a beginning couch potato to a 5k runner in 8 weeks. This program will Kick Off on Tuesday, April 1st at 5:30 p.m. at the Crandon Library. The Kick Off session will include training tips and techniques by Ministry Health Rehabilitation and information about various apps and motivational tools to use during the 8 week training sessions.

Training sessions will begin on Tuesday, April 8th and continue each Tuesday and Thursday from 5:30 to 6 p.m. with a final celebration run on Thursday, June 5th! The training sessions will be led by a variety of community volunteers with experience running 5k's. Participants in the training sessions who also complete in at least two 5k runs held in Forest County in 2014 will be eligible for a drawing for a chance to win \$200.

This free community activity is being sponsored by the Crandon Public Library, Forest County Health Department, Forest County CAN!, Connor Human Restoration, Outside the Box Fitness and Ministry Medical Group.

Kathryn Gibbs
 Forest County District 17
Supervisor

If elected, I pledge to use my 20+ years experience in finance administration and 15+ years in town government to represent the Town of Lincoln and Forest County. We need to encourage sensible business growth that will bring job opportunities for our young people and increased tax base to our county. The problem of drugs and drug-related crime has to be a priority. Tourism needs to be encouraged through joint efforts with our Chamber and service organizations.

I will work on all these issues and be open and available to the People of Forest County. Thank you for your consideration!

REBUTTAL TO "YOU HAVE BEEN MISLED"

Here is Judge Kennedy's rebuttal to Judge Stenz's latest campaign advertisement.

INDIGENT COUNSEL FEES:

Judge Stenz takes credit for \$40,000 more revenues. He forgot about his higher costs, see account 100-34-51300-390-000. Forest County's net cost for indigent counsel fees was \$14,538.03 for 2003-2007. The net cost for 2009-2013 was \$41,731.95. After spending that \$40,000, Forest County ended up with a bigger deficit.

CONSIDERING THE CLERK OF COURT BUDGET:

It is irrelevant who draws up the Clerk's budget. Fines are paid to and disbursed out of that office. The Clerk's budget must be factored into any court budget comparison regardless who has the responsibility for administering that budget.

ALLEGED CURRENT STATE OF WISCONSIN DEPARTMENT OF JUSTICE INVESTIGATION:

This is the first I heard about it. Without Judge Stenz providing a source for his "understanding", the voters should disregard his allegation.

\$214,000 COST INCREASE:

This can explain part of the deficit of \$617,744.01. What about the remaining \$403,744.01 deficit? With a surplus of \$276,049.28, I proved the Court can run at a surplus.

each child. I want to have a one to one initiative with technology. We have to do our very best to reach and engage every child.

Over the past several years we have cut over a million dollars out of the budget in response to revenue limits and declining enrollment. We will continue to cut costs where we can and we must continue to encourage our legislators to change the school funding mechanism to alleviate putting the entire tax burden on our property owner's/taxpayers.

It would be a privilege to continue to serve on the Wabeno Area School Board and I would appreciate your vote on April 1.

Laura Bauknecht-Candidate for Crandon Area School Board

Hello, my name is Laura Bauknecht, and I am running for reelection to the Board of Education in Crandon. I was appointed to the Board in June of 2013 and would like your support on April 1. I have been married to my husband, Jamie, for sixteen years. We have three children, Noah, Nathan and Sarah, all attending school in Crandon. I am currently employed at Water's Edge Lodge, and have worked there for thirteen years.

Since being appointed to the Board, I have dedicated myself to becoming the best board member that I can be. I have attended all meetings, including the WASB fall conference, and most recently, the Wisconsin State Education Convention that was held in Milwaukee in January. It is my belief that in order to make sound, informed decisions, one must educate themselves, and I have tried to do that. I feel that there are great things happening in our district in regards to the education of our young people, and we have much to be proud of. I also realize that no district is without it's challenges. However, our school has a great staff of teachers and support staff alike, and I believe that with their expertise, working cooperatively with the administration and the board of education, even greater achievement can come for the students in our district. I would like to be a part of that accomplishment.

I would appreciate your support on April 1.

**GOOD LUCK
CANDIDATES!**

and features pictures, and memorabilia of Forest county women.

Each week Amanda will also document the life of a Crandon woman in history on the library's website and in this column. This week's featured local history female at the Crandon Public Library is Lulu Shaw, the first female mayor in the state of Wisconsin! In fact, Lulu's mayoral election was such a momentous occasion it was mentioned in a New York City newspaper in 1923(New York Evening Telegram). Lulu Parnell Shaw was born in the town of Omro in 1866 to Samuel and Louise Shaw. She became well educated in business and law. Ms. Shaw was one of the early publishers of the Forest Republican in Crandon (The Wisconsin State Journal). She spoke at the 5th annual convention of the North Central Wisconsin Union Young Peoples Society of Christian Endeavor in Stevens Point on the subject of Sunday school work (Stevens Point Journal). Lulu fought for the vote when she organized a women's suffrage club in 1914(Madison Wisconsin State Journal). In April of 1923 she was elected the mayor of Crandon over her opponent Otto A. Bock. Shaw died October 21, 1937 after a brief bout of pneumonia (The Oshkosh Northwestern). I encourage everyone to come to the library to view the display next to the Children's Room. The case features photos of Lulu as well as the book of the Common Council Minutes where she signed all of her mayoral decrees.

New Books

New fiction books added this week include *Butterfly Palace* by Colleen Coble, *The Alpine Yeoman : an Emma Lord Mystery* by Mary Daheim, *Tempting Fate* by Jane Green, *Love Comes Calling* by Siri Mitchell, *Citadel* by Kate Mosse, *NYPD Red 2* by James Patterson, *Shadow Spell* by Nora Roberts, *Empress of the Night : a novel of Catherine the Great* by Eva Stachniak and *All I Ever Wanted* by Kristan Higgins.

New non-fiction titles added this week include *Raspberry Pi* by Richard Wentk, *Mission at Nuremberg : an American Army chaplain and the trial of the Nazis* by Tim Townsend, *Baby Sign Language* by Sarah Christensen Fu, *The Human Brain Book : an illustrated guide to its structure, function, and disorders* by Rita Carter, *Straw bale gardens : the breakthrough method for growing vegetables anywhere, earlier and with no weeding* by Joel Karsten, *The Paleo Effect : 150 all-natural recipes for a grain-free, dairy-free lifestyle* by Meghan Little and Angel Ayala Torres, *10-minute makeup : 50 step-by-step looks from fresh and natural to catwalk chic* by Boris Entrup, *Minecraft : The Unlikely Tale of Markus Notch Persson and the Game*

person alerts, hazardous situation alerts, and informational advisories. This is a free service for public safety agencies and inflicts no cost to the taxpayer.

Sheriff Dennee recently attended a table-top training scenario with our county health and ADRC representatives. The scenario was on weather preparedness. After attending the scenario, Sheriff Dennee realized there was a need to be able to reach as many people as possible to keep them informed with up-to-date information regarding severe weather conditions and informational alerts.

Sheriff Dennee, in doing some research, found the NIXLE System which will hopefully improve communications with his office and the citizens and visitors to Forest County.

To sign up for this service, [text your zip code to 888777](http://www.nixle.com), and you will receive real-time alerts and advisories directly from the Forest County Sheriff's Office. There is no charge for registering, but standard text messaging rates associated with your mobile phone service will apply. You can opt out at anytime by texting "STOP" to 888777. You may also receive alerts through email, however, you will need to visit the NIXLE.com website to view the instructions to register for that service.

The system is online, and you may sign up effective immediately.

gas cards to Forest County residents in Argonne, Crandon, Laona and Wabeno to help with the expense of travel while seeking treatment. Lotter's Gas Station generously donated two additional gas cards after our initial purchase from them. With the money raised and the generosity of Lotter's Gas Station the Ties That Bind Us is currently giving out \$25 gas cards to people who are undergoing active treatment. If you or someone you know is currently undergoing treatment please contact us for a gas card application so we can help spread the generosity of the community.

What's next? Ties That Bind Us is planning another fundraiser, the Colors of Cancer 5k Walk/Run to be held on May 3rd at Crandon International Off Road Raceway. The Colors of Cancer Walk/Run is an untimed event with no winners and is open to all ages. Participants will be showered with colored powder at five stations along the way. This is an upbeat event with entertainment provided by Mixin Matt Dj Services and prize awarded for the best attire. The event caters to families and 5K enthusiasts alike.

At 8:00a.m. registration begins, 10:00a.m. race begins (Rain, Shine or Snow).

The organization is looking to offer additional services needed by community members who face new challenges during their cancer treatment; such as supplying them with firewood, snow removal, and assistance with grocery shopping to name a few.

The Principal kept her promise!

Crandon Elementary Principal Jamie Belland made a deal with her students. The three classes with the best attendance could decide what stunt she had to do. They decided that taping her to the gym wall would be fun, and she agreed to the pay-off.

Mrs. Bradley's 1st grade, Mrs. Marvin's 4th grade and Mrs. Deer's 5th grade shared the honors, and as can be seen in the shot below, she was indeed stuck to the wall. Her son, Tucker, had the honor of sticking on the mustache to complete the job.

I'm **Jerry Shidell** of Rhinelander, and I own a home remodeling business, so I was faced with a dilemma when the simple act of standing started to cause me great pain in 2009. As a healthy adult, I was surprised to find both of my knees needed replacing. I made an appointment to see **DR.
