## Rep. Mursau presents check to Wabeno Area School District

By Mike Monte

The Wabeno Area School District will be putting \$162,192.76 to good use following a ceremonial check presentation by 36th District Assemblyman Jeff Mursau, last Tuesday evening in Wabeno.

Mursau was instrumental in changing the payment of National Forest Income, (the 25% fund) from townships to school districts. Other area schools will also benefit from these funds.

Accepting the check is Janet Opelia, school board president on the left, and Kim Odikirk, Superintendent of the Wabeno Area Schools, on Rep. Mursau's right.

## Instruction on perennial garden design by Loren Hansen-Lakewood

Woods In Bloom is very happy to present speaker Loren Hansen on Wednesday, May 14th, at 6:00 p.m., at the Lakewood Town Hall.

His topic, which is very suitable for this garden planning and planting time, will be Perennial Garden Design. Loren is a graduate of UW Madison with a degree in horticulture. He is co-owner of the "Plant People" in Green Bay that does interior plantscaping and garden design. He has grown up quite familiar with perennials, annuals and roses; his father is Lee Hansen of Green Bay known as the "Plant Doctor."

Loren has taught many gardening classes at NWTC so now come and learn how to create beautiful and successful perennial gardens for our area. No matter if you want a formal or informal garden, find out what plants work best together, whether in sun or shade? If you like to garden, this is sure to be an interesting and enjoyable evening learning and sharing garden tips.

Tell a gardener, bring a friend.

## Strong Forests Grow Strong Communities

Rep. Sean Duffy introduces H.R. 4549 to allow states to properly manage national forests

Washington D.C. – Currently, 65 million acres of the National Forest System remain at high or very high risk of catastrophic wildfires, and up to 82 million acres are in need of forest health treatments. U.S. Congressman Sean Duffy (WI-07) introduced a bill this week that would require the U.S. Forest Service to manage national forest lands to meet annual timber harvest volume requirements in an effort to reduce these risks.

If, after five years, the Forest Service is unable to meet the requirements for a designated area, Rep. Duffy's bill would allow the state in which the forest is located to apply to manage the area.

Rep. Duffy offered, "The state and counties have the resources and know-how to sustainably manage state forest lands – management that is not currently taking place on federal forest lands. States should be given the opportunity to assist where the U.S. Forest Service is coming up short.

"Federal forests provide habitats for wildlife and offer amazing recreational opportunities for outdoor enthusiasts. They also serve as critical resources for our nation's timber industry, from loggers and sawmill operators to manufacturers of forest products and biomass and renewable energy. We should do all we can to ensure that our forests, and surrounding communities, can be sustained for future generations."

Some estimates show that as many as 4,000 jobs could be created if Wisconsin's forests were managed at allowable sustainable levels.

## Laona Educators Receive \$2,000 Grant

The NEA Foundation funds student response system project

WASHINGTON, DC — Laona School District counselor Debra Kruger and science teacher Steve Kircher have received a \$2,000 Student Achievement Grant from the NEA Foundation to implement the use of a student response system in middle and high school science classes. The system will provide educators immediate feedback and show which students are struggling. Educators will then assess lessons, make adjustments, evaluate success of those adjustments, and increase student learning.

## Community K-9 Rummage Sale in Wabeno Accepting donations!

By Linda McEwen

The Wabeno Firefighters Park, the fairgrounds, is the place to be on Saturday May 24th from 8:00 a.m. until 4:00 p.m. and on Sunday, May 25th, from 8:00 a.m. until noon.

The community generously donates items for the sale. Volunteers set up and take down the sale. Many people love to search out the good deals. Our K-9 Unit gets all the proceeds.

It is a win-win weekend.

The fairgrounds is a perfect set-up for us. One building contains clothes, shoes, kitchen wares, toys, games and books. All items that fill a brown bag sell for \$3.00.

The other building has like-new items, items too large for a bag, and furniture. These items are individually priced.

This year we will feature a raffle. All raffle items are handmade by local artists.

We are always looking for more volunteers. Set-up will be on Friday, May 23rd, 8:30 to 2:30. Please come to the fairgrounds to help or call Linda at 715-889-0123 with any questions to make donations.

We look forward to sharing your Memorial Day weekend!

## Crandon Library News A Brief History of the Town of Hiles

Hiles Boarding House 1910

This week's local history article is an excerpt on the history of the Town of Hiles written by Bonnie Roberts in 1957.

"In 1860, an old woodsman, Dan Gagen, established a trading post and inn on the banks of the Pine Lake. This log cabin was the only place that provided lodging for many trappers and traders. It was located on the Old Military Road which served as a mail route as far as Superior. This place was sold to J.B. Thompson of Wausau in 1863. H.B. Fessenden of Argonne moved to the post and was the only actual settler. He became the owner in 1895 holding it until 1902 when he sold the property to

## Grants Available to Promote Area Events

The Forest County Tourism Commission (FCTC) is now accepting applications from area groups and organizations for grants to advertise and promote their events.

The FCTC established this program to encourage and promote the expansion of tourism in Forest County. Area groups and organizations that put on events (within the municipalities which have room tax in place) can apply. Eligible events must have regional appeal, attracting visitors from outside the local area, with a goal of creating revenue through overnight stays.

Applicants are required to disclose their advertising plan, budget, and source of funding to be considered. The application deadline is June 1, 2014, and only those fully completed will be accepted for consideration. The Commission reserves the right to modify or deny requests.

Applications are available at the Forest County Chamber of Commerce office located at 116 South Lake Avenue in Crandon. Call (715) 478-3450, or email [director@visitforestcounty.com](mailto:director@visitforestcounty.com), for further information.

### May is Older Americans Month

Submitted by: Forest County Office on Aging

Each May, the nation celebrates Older Americans Month to recognize older Americans for their contributions and provides information to help individuals stay healthy and active. This year's theme, "**Safe Today, Healthy Tomorrow**", focuses on injury prevention. Unintentional injuries result in at least 6 million older American medically treated injuries and more than 30,000 deaths each year. By taking control of personal safety, older Americans can live healthier lives.

#### History of Older Americans Month

When Older Americans Month was established in 1963, only 17 million living Americans had reached their 65th birthdays. About one-third of older Americans lived in poverty and there were few programs to meet needs. In April of 1963, President John F. Kennedy's meeting with the National Council of Senior Citizens served as a prelude to designating May as "Senior Citizens Month". In 1980, President Jimmy Carter designated May as "Older Americans Month". Historically, Older Americans Month has been a time to acknowledge the contributions of past and current older persons to our communities and country, particularly those who defended our country. Every President since JFK has issued a formal proclamation during or before the month of May asking that the entire nation pay tribute in some way to older persons in their communities.

The Forest County Office on Aging encourages all residents to consider the contributions of Older Americans to our communities and country and to offer to them a word of appreciation.

## Death Notices

**FLORENCE G. PATZOLD**, 86, of Wabeno, passed away Tuesday April 29, 2014 at Nu-Roc Community Health Care under the care of Ministry Hospice. She was born September 8, 1927 in Milwaukee to Thomas and Blanch (Johnson) Walecki.

Florence married Norman Patzold and the couple began their life together in Milwaukee. She worked in the cafeteria at the telephone company while they resided there. 45 years ago they moved to the town of Freedom. Florence babysat for many families throughout the years. She was a member of St. Ambrose Catholic Church, and the Christian Mothers. Florence loved to socialize and meet new people. She did this through bartending, working at the Wabeno Museum, and playing cards. Florence also loved bowling, cooking, NASCAR, and fish fries. She was especially fond of getting together with her group of friends "The Recyclables".

Florence is survived by her husband of 64 years, Norman of Wabeno, a daughter Dany Jean (Steve) Cornell of Wabeno, two grandchildren Brandon and Ainsley (Evan Shepard) and great granddaughter, Mary. She is further survived by a sister, Arlene (Ken) Lychwick of Gilbert, AZ, and brother, George Walecki of Milwaukee, and many loving nieces and nephews. Florence was preceded in death by her parents, three brothers and five sisters.

Funeral services for Florence were held on Friday May 2, 2014 at 11:00 a.m. at St. Ambrose Catholic Church in Wabeno. Fr. Benjamin Sember officiated. Visitation was from 9:00 a.m. until the time of service at the church. Burial was at the St. Ambrose Catholic Cemetery. Weber-Hill Funeral Home is assisting the family. Online condolences at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**EDWARD CHESTER KRAWZE** passed away May 1, 2014 at the NuRoc Nursing Home in Laona. Ed was born January 1, 1925 in Blackwell, WI where he spent most of his childhood. He was the second son of Joseph and Catherine "Katie" (Mihalko) Krawze and the younger brother to Chester "Chet" Krawze. In 1940 the family moved to Laona when Ed was a sophomore in high school. He attended Laona High where he met his future wife Rosemary Kaatz. During high school, Ed was active in sports. He played football but his love was basketball. One of the highlights of his basketball career was the year the Kellys went to state. The Kellys beat Rhinelander 24-22 to earn a trip to the state tournament in Madison. The Kellys unfortunately lost the title game to Superior 26-22. On the Superior team was a young man named Bud Grant who would go on to coach the Minnesota Vikings. This story was a favorite of Ed's to share.

Following graduation from high school in 1943 Ed joined the U.S. Marines Corps where he served as a power supply and diesel mechanic. His time in the military gave him the opportunity to travel the country. He spent time stationed in South Dakota, North Carolina, Chicago, Hawaii and was in route to Japan when the United States dropped the atomic bomb on Hiroshima on August 6, 1945. After the war officially ended Ed and his regiment participated in the occupation of Japan.

On September 14, 1946 Ed married Rosemary Kaatz. They were married by Father Stern in the Catholic Church rector in Laona. Ed's brother Chet and his wife Ardis stood up for the couple. In 1948, The Krawze's began a new chapter in their life as they went from a couple to family with the arrival of their first daughter, Susan. The family would grow to a total of six daughters over the course of nineteen years with Jan, Vikki, Debbie, Lori and Staci. Ed worked many jobs to provide for his family. His jobs included a cop, firefighter, bartender, carpenter and of course, the 43 years he spent at Conner Forest Industries. Ed started at the mill in 1946 at 32 cents an hour where he worked in the furniture factory. In the 1970's, Ed went into management. When the factory shut down in 1985, he was the last employee and it was Ed who locked the doors.

Ed truly never retired. He supervised and participated in the building of many homes and remodeled numerous kitchens. Anytime someone needed a helping hand, Ed was always there to lend his. One of his favorite past times was spending time at the hunting shack with his poker buddies and reminiscing. He was an entertaining storyteller and had a wonderful sense of wit. He enjoyed deer hunting and ice fishing and in the summer time you could find him outside working in his garden. His home always had visitors. Usually it was his grandchildren who enjoyed spending time with him. Ed loved the company and the time he spent with his grand and great-grandkids.

Ed is survived by his six daughters: Susan (Craig) Hansen, Jan (John) Gilligan, Vikki Tinsman, Deb (Kim) Thompson, Lori (Tom) Enders, and Staci (Dale) Aschinger. He is also survived by 12 grandchildren: Kerrie (Nate) Smithberg, Corey (Lisa) Hansen, Lisa (Jim) Carter, Scott (Shelly) Tinsman, Eric (Carissa) Tinsman, Nathan (Hilary) Thompson, Leah (Jon) Starich, Ashley Thompson, Ryan and Tyler Enders, and Hailey and Jordan Aschinger as well as 13 great-grandchildren. Ed was preceded in death by his wife Rosemary (Mutchee) Krawze September 2 2013, his parents Joe and Katie Krawze his brother Chet Krawze and a son-in-law Frank Tinsman.

Funeral services for Ed were held at St. Leonard's Catholic Church in Laona on Monday, May 5, 2014 at 12:00 p.m. Mnsgr. Paul Koszarek officiated. Visitation followed from 10:00 until the time of service at the church. Burial was at the Town of Laona Cemetery. Weber-Hill Funeral Home is assisted the family with arrangements. Online condolences can be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**WALTER FRANZCEK** of Armstrong Creek, WI passed away peacefully at the Hebron Oaks Skilled Nursing Center in Madison, WI surrounded by his loving family, on Wednesday May 1, 2014, one week short of his 90th birthday, after a long but courageous battle with dementia and Parkinsons disease.

Walter was born on May 8, 1924, in Johnston City, Illinois, the son of Adam and Katherine (Bzrdzirk) Franczek. His family moved to Armstrong Creek, WI when Walter was 4 years old.

He served as an engineer in the US Army in Europe during World War II, followed by a tour as a senior surveyor in the US Air Force until 1951. He married the former Sophie Wysocki of Goodman, WI on June 9, 1949. Walter attended the Milwaukee School of Engineering where he studied mechanical engineering. He moved to the Chicago area where worked for several manufacturing companies, eventually landing a position with the Motorola Corporation. He was a design team member of the first-generation hand-held radio, or walkie-talkie, used by the US Secret Service. Walter retired from Motorola as head of Quality Control in 1985 and returned to Armstrong Creek in 1987. He was a member of St Stanislaus Kostka Church, and served as Commander of VFW Post 7444.

Survivors include his sons Edward (Mariann) Franczek of Bensenville, IL and Michael (Kristen) Franczek of Verona, WI; granddaughter Laurel Franczek; sister Marie (Franczek) Stephens of New Berlin WI; brothers-in-law Stanley (Patricia) Wysocki of Port Orange, FL, John (Joann) Wysocki of Quinnesec, MI, Joseph (Marilyn) Wysocki of Goodman, WI, and Walter (Kathleen) Wysocki of Armstrong Creek, WI; sisters-in-law Marie Bethe of Appleton WI and Susanna Wysocki of San Francisco, CA; numerous nieces, nephews and other friends.

He was preceded in death by his parents, Adam and Katherine; his beloved wife Sophie; brothers Stanley Franczek and Joseph Franczek; sister-in-law Mary Franczek; brothers-in-law Casimir Wysocki, Edmund Wysocki, Andrew Wysocki, Herb Stephens and Stanley Bethe.

Visitation was at St Stanislaus Catholic Church in Armstrong Creek on Tuesday May 6, 2014 from 9 AM to 11 AM, immediately followed by a Mass of Christian Burial, officiated by Monsignor Paul Koszarek, assisted by Deacon Jerry Cross. Burial was in the Pine Hill Cemetery in Armstrong Creek.

Special thanks and much love is given to the staffs of the Iron Mountain, MI and Madison, WI Veterans Affairs Hospital Community Living Centers; All Saints Assisted Living Facility in Madison; Oakwood Village Hebron Oaks Skilled Nursing Center in Madison; and Agrace Hospice Center in Madison.

Sincere thanks is also given to Joseph, Walter, Steven and Thomas for all the times you've helped for so long when I could not be here. Thank you also to Florence and Catherine for always calling and caring. The family is being assisted by Weber-Hill Funeral Home of Crandon, WI. **LILLIAN R. DEHART**, age 94, of Crandon, passed away surrounded by her family on Saturday, May 3, 2014 at the AGI Health Care Center, Crandon. Lillian was born February 28, 1920 in Avoca, WI the daughter of Andrew and Sarah (Gilbertson) Arneson.

In 1941 Lillian married Edgar DeHart in Ohio; he preceded her in death in 1966. Lillian and Edgar moved many times while he did road construction work. In 1951 they moved to Crandon, Edgar's hometown. Lillian worked as a cook at the Crandon Hotel and the Arcade Bowling Alley. Lillian was very talented at crocheting afghans and quilt making. She really enjoyed traveling, especially if it involved going to bingo. She was best known for her award winning bread.

She is survived by: Daughters: Judy Wingender, Sheboygan, Bonnie (Tony) Johnson, Crandon. Sons: Jim (Sharon) DeHart, Colorado, Duane (Georgia) DeHart, Rhinelander, Dennis (Polly) DeHart, Townsend. Further survived by twelve grandchildren, fourteen great grandchildren and three great great grandchildren.

In addition to her husband, Edgar, she is further preceded in death by her parents; twin sons, Jonathon and Joseph; one step-son, three sisters and nine brothers.

Visitation was held Wednesday, May 7 from 10-11 a.m. at the Weber-Hill Funeral Home, Crandon. Funeral service followed at 11:00 a.m. with Pastor Eric Vertein officiating. Interment was at Crandon Lakeside Cemetery. Online condolences [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**DANIEL OWEN WELCH**, age 52, of Crandon, (formerly of Kansasville, WI) passed away unexpectedly at St. Mary's Hospital, Rhinelander on Friday, May 2, 2014. Dan was born in Milwaukee, WI on June 27, 1961 the son of Theodore and Marleen (Peternell) Welch.

On August 16, 1986 he married Carol Lukaszewski. Dan and Carol moved to Crandon in 1999. He owned and operated C & D Restoration. Dan was often seen in Crandon doing brick restoration on many of the old buildings. He shoveled snow off the roofs of local businesses and cleared the sidewalks on main street during the winter. For several years he did floral deliveries for Flowers From The Heart.

Dan was a member of the Crandon Area Chamber of Commerce, son of American Legion Post 171 and past member of Kansasville Fire Dept. He enjoyed researching his heritage and being outdoors, fishing and hunting. He especially enjoyed spending time with his grandchildren. Dan was loved by many for many reasons, none less than his love of life and connecting with family and friends. He will be greatly missed.

Dan is survived by his wife, Carol Welch of Crandon. Son: Paul (Monica) Welch, Daughter-in-law: Chrisandra Linden. Parents: Theodore and Marleen Welch. Sister: Tara (Jeff) Lee. Brother: Paul (Linda) Welch. Grandchildren: Trever and Kyera. Survived by many nieces, nephews, aunts, uncles, cousins, brothers and sister-in laws all that he loved very much. Further survived by special cousins, Gary Pingel and John Armour.

He is preceded in death by his son, Bob; father-in-law and mother-in-law, Paul & LaVonne Lukaszewski; grandparents, Lawrence & Betty Welch and Matthew & Ellen Pertnell.

Special thank you to Angie Brockway, Bruce Walentowski, Paul Pitts, Crandon Rescue Squad and Ministry Medical Clinic and Hospital.

Gathering of family and friends was on Wednesday, May 7 from 4-6 p.m. at the Weber-Hill Funeral Home, Crandon. Online condolences [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com). Memorials are appreciated to the family.

**JOSEPH E. STEAGALL**, 92, of Kenosha died Tuesday, April 22, 2014 at his daughter's home in Waterford where he had been living since his wife passed away in 2009.

Joseph was born on February 7, 1922 in Elton, Wisconsin, the son of Charles and Louisiana "Luttie" (Haney) Steagall. He attended school in Crandon, and married Jacqueline Faye Sharp on May 18, 1942 in that city. On November 27, 1942 he was inducted in the Army. He received training for the U.S. Army Field Engineers and was honorably discharged in 1943 due to a

disability. He later enlisted in the U.S. Navy on January 27, 1950 and was honorably discharged on November 6, 1950.

Joseph and Jacqueline lived for a time in Crandon and then relocated to Waukegan, IL, where Joe worked various jobs. They soon moved to Kenosha, WI where they raised their five children.

In 1943 Joe was hired by Nash Motors, which later became American Motors and then Chrysler Corporation, from which he retired after 37 years. In October 1956 there was a natural gas explosion at the plant which resulted in burns to 15 workers, and Joe was one of six with severe burns and fully recovered. He was a chief steward for several years, and during the 1960s, he served on the UAW Local 72 executive board. He had the honor of escorting John F. Kennedy, then a young senator, around Kenosha and then riding on a train to Chicago with him.

Joe had a hobby farm in the county where he kept his horses. He would give rides to children in his pony cart. He liked dogs and had several during his lifetime. He enjoyed deer hunting, camping and gardening. After he retired his wife had a stroke and he was her caregiver in their home for eleven years until it was necessary for her to enter a nursing home facility. He would visit her daily until she passed away in 2009. He then decided to live with his daughter, Cindy, in Waterford.

He was preceded in death by his wife, Jacqueline, his parents, brothers, William Ancel, Ben, and James Steagall, and sisters, Flossie Steagall, Dorothy Caudill, Orpha Sorensen, Goldie Bowen and Violet Roberts, as well as several pre-mature grandchildren and one great-grandchild.

Joseph is survived by his three sons, Larry (Pat) of Trevor, Jim (Carolyn) of Winslow, AZ and David (Becky) of Eleva, WI; two daughters, Jacqueline Parrett of Ft. Pierce, FL and Cindy (Steve) Haukedahl of Waterford; grandchildren, Jim, April, Larry, Dawn, Jeff, Trisha, Amy and Cory; 13 great-grandchildren and four great-great-grandchildren; one brother, Charles (Alice) Steagall of Union Grove; two sisters, Lucy Fettinger of Seminole, FL and Shirley (Bill) Plummer of Crandon.

A visitation will be held on Monday April 28, 2014 at Kenosha Funeral Services from 5-7:00 p.m. and Tuesday April 29, 2014 at Kenosha Funeral Services from 10:30-11:00 a.m. Burial to follow at Green Ridge Cemetery with Military Honors.

# Death Notices

**DONALD HENRY KULAF**, age 78, of Crandon, Wisconsin, passed away on May 4, 2014. Don was born in Crandon on October 4, 1935, to the late George and Geneva (Frederick) Kulaf.

On May 2, 1958, Don married Gerry "Ann" Flannery beginning a 48 year marriage until Ann's passing in 2006. Early in his marriage, Don worked at American Motors in Kenosha, Wisconsin. He was later employed as a custodian at the Forest County Court House and remained there until he retired.

Don was quite a talented carpenter, building homes and completing many remodeling jobs. However, his greatest asset, by far, was being a devoted husband, father and grandfather. His children and grandchildren loved spending time with him whether it was picking berries, making maple syrup, fishing, or camping at the county park. Through him, his children and grandchildren learned to appreciate and enjoy the outdoors. In addition to this, Grandpa Don loved watching his grandchildren's sporting and school events. He was an avid D.C. Everest fan for many years, but most recently found great joy in watching his grandchildren as they played sports for the Crandon Cardinals. Indeed, Donald Henry Kulaf was a great family man.

He is survived by his son, Jeff (Beth) Kulaf and his daughter, Barbie (Jeff) Marvin. He is also survived by his grandchildren, Todd (Nicole Brengman) Kulaf, Alex Kulaf, and Trevor, Tanner, and Tabitha Marvin. He is furthered survived by his brother, Leo "Benno" Kulaf and his sister, Lucille "Snookie" Jones.

Don was preceded in death by his parents, his wife, Ann, and his son, Todd Allen Kulaf. He was also preceded in death by nine sisters: Gertrude "Gert" Murray, Agnes "Aggie" Sharko, Ella Dutton, Marcella Kolter, Mildred "Lottie" Bennette, Shirley "Shin" Gerald, Elizabeth "Beta" Hilman, Joanne Drake, and Mary Ann Schultz; and two brothers: Andrew Kulaf and George "Butch" Kulaf.

Services will be held on Saturday, May 10th at 11:00 a.m. at the Weber Hill Funeral Home in Crandon with Pastor Seth Hamilton officiating. A visitation will take place from 9:00 a.m. to 11:00 a.m. prior to the service at the funeral home. The Weber-Hill Funeral Home will be assisting the family. Online condolences can be made at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

## Crandon Library Cont. from pg. 1

Franklin P. Hiles of Milwaukee. Mr. Hiles not only bought the trading post but also created the village of Hiles. He was instrumental in getting a branch railroad built from the main Chicago Northwestern line and in erecting a saw mill, store and hotel. At this time land was taken from the towns of Crandon and Argonne to organize the Town of Hiles. A few years later Mr. Hiles sold his holdings both real estate and personal to the Foster Mueller Lumber Company of Milwaukee. This firm made considerable improvements and built more homes for their employees. Mr. C.W. Fish of Elcho bought the property in 1919 and under the successful management of Mr. O.A. Miller, Hiles cleaned up the streets, put in sidewalk, and planted trees. During the summer of 1924, a new Union Church and a very modern school building were erected and the old village park was beautified by the addition of a fountain. In 1924, there were eighty four families in Hiles. Some of the organizations in the town were: Woman's Club, Protestant Ladies' Aid, Catholic Ladies Aid, Royal Neighbors, M.W. of A, and Parent Teachers Association. In 1943, the Catholic and Lutheran churches burned down and later a new Lutheran church was constructed. One of the main attractions in Hiles is Pine Lake. It has helped to make Hiles a tourist resort. Most of the people living in Hiles (in 1957) work in the woods or mills in other cities" (Forest Republican 1957).

### Historic Photo Contest

In honor of National Historic Preservation month, the three public libraries in the county are conducting a poll to determine what photo of our historic 105 year-old courthouse residents would like to see displayed near the Forest County Board room on the first floor of our courthouse. Online voting is available on each libraries website, as well as at each of the public libraries located in Crandon, Laona and Wabeno. Votes will be counted at the end of May 2014 with the chosen photo being framed, matted and displayed in July of 2014.

### New Books

New fiction titles at the library include the following: Aunt Dimity and the wishing well by Nancy Atherton, Chestnut Street by Maeve Binchy, Cavendon Hall by Barbara Taylor Bradford, Woman of courage by Wanda E. What connection does WORVPI [Wisconsin Off Road Vehicle Park Inc] have to the Wisconsin Government Accountability Board?

I've personally raised the issue of Ethics here in the pages of this Paper, and at several joint meetings of WORVPI and Our Elected County Board.

When State and Local Officials are elected to Office, they take an Oath to "faithfully and impartially discharge the duties" of their office.

Wisconsin's handbook for Local Elected Officials states,

### "Controlling conflicting interests"

*A local public official may not take official action substantially affecting a matter in which the official, the officials family, or associated organization has a substantial financial interest.*

*A local public official may not use office or position to produce a substantial benefit for an official, immediate family member, or associated organization.*

It also defines Conflict of Interest as:

"A situation in which an individual has competing interests or loyalties"

It further goes on to state that when an elected official has a conflict of interest in a matter before the organization, that Official should "Recuse" themselves from the discussion and voting in that issue. "Recuse" is also defined as "leaving the meeting room, so the remaining directors can freely discuss and vote on the issue."

If the Official, with a conflict of interest, refuses to leave the meeting, "the Board can ask the member to leave. If S/he refuses to leave, the board might consider a vote of Censure against the official for their refusal to recuse him/herself.

How does all this affect WORVPI and our County Board? Well, we have two Elected members of our County Board, that also sit on the {elected} Board of WORVPI, they are Melinda Otto, and Bucky Dailey.

WORVPI, describes itself as a "Private Organization" and claims non profit 501c status, even though after two and a half years of operation, they still do not legally have this status.

WORVPI, is trying to get Forest County {using tax dollars} to purchase a block of private timber land, so that WORVPI can create the "Lambeau Field" of Off Road Parks. They have requested that the County go Millions of Dollars in debt to purchase and develop this park.

Both of the above named individuals have signed confidentiality agreements with WORVPI, basically stating that they will protect the confidentiality and interests of WORVPI over the interests of those that elected them to public office.

I can't personally think of any more of a "Conflict of Interest" than that.

I have watched both of these individuals passionately speak to their peers on the County Board about the County Purchasing land for "their" Off Road Park. I have watched these same two individuals vote on providing County Tax dollars to WORVPI.

I have directly confronted Melinda Otto in open session of the County Board Executive committee, over what I believe to be her "Conflict of Interest" in this matter. She was advised by others at that meeting that the County had requested an legal opinion on the issue of "recusal" and had been advised that "recusal" would be applicable for her in this issue. She refused to Recuse herself.

If the County Board wishes to do the right thing, I believe that Melinda Otto and Bucky Dailey, as members of WORVPI's Board, should be "Censured" against any further County Board discussion or Voting on this issue.

There are also guidelines given on the Wisconsin Government Accountability Boards website, on how to file a complaint with their board. Any citizen, may file a complaint if they believe that rules or laws have been broken. An investigation is then done by the State, into the issue.

### Time to end the nonsense, and secrecy over this issue.

By the way, there is a petition circulating around the Laona area, asking that a public referendum be held over the issue of a County owned Off Road Vehicle Park. It also includes the "secret" map showing the boundaries of the now 2,200 acre proposed park, with its headquarters and campground based on Consolidated's former "Spur 250" landing on Hwy G right next to D.J.'s Salvage, in case your interested in the actual boundaries of the land that the County is trying to buy for \$1,200.00 an acre. I've signed the petition, I hope you take the time to seek it out and sign it also.

I stated, now about 9 months ago, that I felt it wrong for County Tax Dollars to be used for WORVPI's private playground. I still feel the same way.

With another head nod to all those that have offered support.

Jim Odekirk Cavour Wi.

**2014 Veterans Historicorps**

The 2014 Veterans HistoriCorps® participants will help save America's historic places while learning a conservation ethic and gaining technical knowledge and hands-on experience, preparing themselves for a gratifying career in the rapidly growing field of building preservation and rehabilitation. In partnership with the US Forest Service Region 9 and Lamar Community College Historic Preservation Program, Veterans HistoriCorps® will enhance participants' skill sets and open doors into a rewarding field of work. Such meaningful, hands-on experience will also assist the transition to civilian life by utilizing the leadership and teamwork skills Veterans have developed throughout their service.

**What are the benefits to participating?**

- Veterans will:
- \*\*Gain skills and experience in historic building rehabilitation in spectacular settings;
- \*\* Earn up to 16 college credits through Lamar Community College by utilizing GI Benefits to cover tuition and living expenses.
- \*\* Learn the business and technical skills to pursue a career in the fields of building construction and preservation contracting.

As a member of the 21st Century Conservation Service Corps, the Veterans HistoriCorps will further the US Presidential mandate to provide 100,000 service-learning opportunities on our public lands.

**How much does this Program Cost?**

- \*\*Tuition: \$272.00 per credit hour per Veteran, plus living expenses and transportation to and from pre-arranged start and finish locations.
- \*\*Participants will be required to bring own sleeping bag and tent. Camping/lodging, tools, safety equipment, meals and transportation between projects will be provided by HistoriCorps.

**What is the Program?**

The Veterans HistoriCorps will consist of eight post-9/11 Veterans that will spend three weeks at each project executing specific scopes of work under the guidance of two skilled HistoriCorps preservation professionals. The entire crew will travel as a group from project to project with enough time between projects for a day or two of relaxation and sightseeing.

Over the course of 12 weeks, the 2014 Veterans HistoriCorps will work on three sites in three states, learning skills that they can apply to their personal and professional lives. Trades-skills training will include roof repair and replacement, masonry repointing and repair, log restoration and reconstruction, door and window restoration, and much more.

**Laona High welders compete at Nicolet**

On April 8th, some of the Laona High School technology education students participated in the Nicolet Area Technical College's annual welding competition. Twelve students traveled to the college to tour the facilities and six participated in the welding competition.

The six who competed in the competition were; Josh Chitko, Dalton Bellamy, Christian Savard, Michael Lempel, Paul Cleereman, and Aaron Enders. Dalton Bellamy and Christian Savard earned a spot in the finals and will be returning to the college on the April 28th.

Overall everyone had fun and learned a lot about welding processes and careers.

Wish the two finalists luck if you see them.

**Holt & Balcom opens May 15**  
**Volunteers needed**

Holt and Balcom Logging Camp Museum is gearing up for its 2014 School Tours season which begins May 15. As part of the field trip experience at the logging camp, area fourth graders learn how to use a two-person saw and a stamping tool. For this demonstration, the camp typically requires several 6"-10" diameter logs (popple preferred but other species are acceptable).

If you have such logs, either cut recently or standing, and would be willing to donate one or more to the camp, please contact museum curator Kathleen Marsh at 715-276-6515 or email kathiemarsh@yahoo.com.

"The camp is also looking for volunteers to help conduct tours," says Marsh. "If you enjoy sharing your love of history, you will find this a very rewarding and fun experience. All necessary training and materials are provided. Please call or email me at the contact information listed above."

### Rep. Duffy Announces 2014 "Paul Bunyan Service Above Self" Award

Washington D.C. – Paul Bunyan is a larger-than-life folk hero who embodies frontier vitality. He is a symbol of might, the willingness to work hard, and the resolve to overcome all obstacles. This year, U.S. Representative Sean Duffy (WI-07) announces the "The Paul Bunyan Service Above Self" Award to recognize, annually, a resident of the 7th Congressional District who goes above and beyond to serve our community and improve the quality of life for those around him or her.

Rep. Duffy offered, "Our Seventh District community is home to many individuals who, like Paul Bunyan and the lumberjack pioneers who settled Northern Wisconsin, are larger-than-life. These individuals are willing to extend a helping hand to those in need and make our community among the best places to live in the country and the world.

"They have given far more than they have received and this award is a small way we can recognize them and thank them for all they have given to our community."

To nominate a resident of Wisconsin's 7th Congressional District for a "Paul Bunyan Service Above Self" Award, please complete the "Paul Bunyan Service Above Self" Award Nomination Form and submit with a

**It is for a Good Cause!**  
**Great Job Tim!**

**Krist Oil Cont. from pg. 1**

Krist Oil has gas stations in the Upper Peninsula, Northern and Central Wisconsin and participate in the program every year. Tim Derfus manages the store in Lakewood and made an interesting challenges for his team. If the store could raise \$1,000.00 this year, Tim promised to wash windows in a dress. The store raised \$1,050.00 and Tim said that on Saturday, May 3rd was the day. Tim bought a dress and from 10:00 a.m. until 2:00 p.m., he washed all the windows of the vehicles that got gas. Children of the Presbyterian Church sold brats and hotdogs to raise money for a mission trip to Indiana this Summer. Tim said that he is proud of the store and the company. The company raised over \$16,200.00 for the MDA. Next year Tim said it would the store would have to raise \$1,200.00. Good luck with that goal and great job!

**School Trap League Cont. from pg. 1**

boys and girls are members of the ten-team North Central Trap Conference.

In the shot above, one of the Crandon teams tries to rack up their score during a drizzly afternoon last week at the CIORA trap range located on the racetrack grounds west of Crandon.

The teams are funded totally from local donations and the efforts of the participants selling raffle tickets and doing community service projects. CIORA is donating the clay pigeons and the use of the trap range.

There are currently 23 participants, boys and girls in grades 8 through 12. Six girls are shooting on the Crandon team, along with 17 boys. Larry "Deadeye" Palubicki is the team coach. In the photo above, Tom May is braving the weather to keep score. This is a parent-lead organization who have an interest in the shooting sports and would like to pass on the skills and the fun to the next generation. Everything is 100% volunteer.

**LHS Trap Shooting Club**

Laona High School has established a youth trap shooting team; the Laona Bird Busters (LHS Trap Shooting Club). Laona joins several other Northern Wisconsin schools that have organized teams through the Scholastic Shooting Sports Foundation (SSSF) and the Scholastic Clay Target Program (SCTP).

The introduction of shooting sports to the students provides the opportunity to learn the safe and responsible practice of competitive shooting. They compete in the North Central Wisconsin Conference along with nine other schools. Teams shoot weekly at their home trap field and enter scores online (virtual shoot) on the SSSF website. They also have the opportunity to travel to another school's facility and shoot head to head. Our team members are doing very well in the nine week conference.

If anyone is interested in donating to the LHS Trap Shooting Club, stop by any Laona State Bank location. Donations are used, in part, to help offset the cost of safety equipment, targets and shot shells used each week.

**SEASONAL HOMEOWNERS**

**Call NORTHWOODS INSURANCE AGENCY NOW!**

We want to be your local insurance agent. In case of a loss, we can advise you of insured repair contractors and we can arrange for someone to look at your property when you are not here.

We insure wood stoves in seasonal dwellings and we would be happy to come out and visit with you.

NORTHWOODS INSURANCE has several competitive companies that do not require they insure your primary residence before they will write your seasonal home.

**Laona Educators** Cont. from pg. 1

"With these grants, we are supporting educator-driven solutions that contribute to improved student performance in public schools," said Harriet Sanford, president and CEO of the NEA Foundation. "Our support enables educators to engage in a wide variety of innovative approaches to the benefit of students across the country."

Kruger and Kircher are both members of the Laona Education Association, which is an affiliate of the National Education Association and the related NEA Foundation. Kruger said, after taking a university course over the summer on technology in schools, she looked for options to supplement the use of existing technology in her rural school district. She started researching the use of student response systems (sometimes referred to as "clickers") and their potential impact on teaching and learning.

"It seemed as though this would be a perfect addition to all of the work that our staff are doing regarding learning targets and SLOs as well as other initiatives to take both teaching and learning to the next level," Kruger said. "Our science teacher, Steve Kircher, had experience with using an SRS system at a previous school and was interested in implementing its use at our school and being the lead in helping other staff learn how to use the system to improve their teaching to in turn improve student learning."

"The NEA grant was the perfect fit for what we were looking to be able to do," she said.

Kruger and Kircher are among 47 educators across 23 states to receive awards in the latest cycle. Nationally, the NEA Foundation awarded a total of \$155,000 to support educators' efforts to improve teaching and learning.

Over the past decade, the NEA Foundation has invested more than \$7.1 million in grants to support the work of almost 4,500 educators from every state in the country to help students succeed.

To learn about these educators' projects, visit the NEA Foundation's Grantee Archive. Search for grantees and projects by most recent, grade level, subject, state, or keyword.

The NEA Foundation awards its grants to educators three times a year. The next grant deadline is June 1, 2014. Application forms and a video with step-by-step instructions on how to apply can be found in the Grants to Educators section of the NEA Foundation website.

**Sex offender released to the Carter area**

Forest County Sheriff John Dennee wants the community to know that a registered sex offender will be released from prison and will be making his residence in the Carter area.

Douglas Gerdeen will be released from custody May 14th by the Wisconsin Dept. of Corrections. Gerdeen had been convicted in Oconto County in 2006 of 3rd Degree Sexual Assault and was revoked and admitted to prison in 2010.

This notification is not intended to increase fear; rather, it is believed that an informed community is a safer community. Sex offenders have always lived in our communities; but it was not until the Sex Offender Registry and Community Notification Law was enacted, that Law Enforcement was able to share this information with the community.

Upon release, Gerdeen will be subject to the Wisconsin Department of Corrections Global Positioning System (GPS). He is also required to register with the Wisconsin Sex Offender Registry Program for life.

## Wabeno Community Cleanup Day

Saturday, May 17, 8:00 a.m.-12:30 p.m.

The Wabeno Community Cleanup Day is soon approaching. We are asking that community organizations, groups, businesses and individual citizens be involved with this special day. This will be the kickoff to our Downtown Revitalization, "The North Branch Movement." We would like the community to take charge and make our community a better place for us all.

The town has been divided into sections. Each organization could pick the area they would like to focus on and cleanup. Registration will take place from 8:00 a.m. to 8:30 a.m. at the Town Hall. Groups and individuals will get maps and supplies at the town hall. At 12:00 p.m. we will all gather back at the town hall for a bag lunch and drawing for prizes including a \$50 gas card. Coffee and hot chocolate will be available throughout the morning at the town hall.

All our areas in town are important to clean up. We need two special groups that will focus on the Logging Museum and School House. We would like to get these cleaned up and ready to open for our Memorial Day Celebrations. If you or your group is interested in one or both of these two areas, please contact me as soon as you can. We are looking for about 25 volunteers for both buildings. What a great way to give back to our community by taking care of our historical treasures.

Depending on what you or your group would like to do, we ask that volunteers bring rakes, shovels, brooms and other equipment. Wear bright colors and bring gloves. Reflective vests will be available for those groups working along the highway. Our goal is to have 100+ volunteers this day and accomplish this in four hours.

The Nicolet Sportsman's Club is the first organization to volunteer for this event. They will be taking the river areas in town as well as one of the park areas. This organization has a deep history with Wabeno. If you would like more information about this organization and others please check out the links on the Town of Wabeno Website.

If you would like more information please contact: Joshua Jameson, Wabeno Community Development Director, (715) 889-1606

Wabeno Town Hall Office Hours: Wednesdays 3:00 p.m.-6:00 p.m. or by appointment.
