## Rita Blazewicz Wabeno High Commencement Speaker

Rita Blazewicz was born and raised in Lakewood, Wisconsin, the daughter of the late Glen and Laurene Thielke. She attended grade school in Lakewood and graduated from Wabeno High School in 1969. From there she attended UW-Green Bay, graduating with a BS Degree in Mathematics and English, in 1973 and later earned a Masters Degree in Education and Professional Development from UW-Stevens Point. Mrs. Blazewicz taught in Hartford, Little Chute, and Crandon, before returning to teach for 26 years in the Wabeno School District. She retired from WHS in 2010 and continues to do extensive subbing in the district.

Rita and husband, Larry, raised their daughters in Lakewood, and both attended and graduated from WHS. Karla is continuing the family tradition by teaching at NWTC in Green Bay, and raising her two daughters. Daughter, Sara, is a stay at home mom for two sons and a newborn daughter.

## Rep. Mursau presents check to G-A School District

At the May 28, 2014 Goodman-Armstrong Creek School Board Meeting, Representative Jeff Mursau presented a check for \$11,156.57 for the district's share of the 25% NFI (National Forest Income) payment for timber harvest from the National Forest within the district's boundaries.

This new legislation will provide a return to area schools for land within school district boundaries that is not taxable. With any increase in timber harvest within the Chequamegon-Nicolet National Forest, future NFI payments to local school districts will increase also, providing much needed funding for maintaining current programming in area schools. Presently the Chequamegon-Nicolet National Forest annual harvest levels are just less than one-half of the Forest Service's management plans. If harvest levels within the approved management plans can be fully satisfied, the recent payments to area schools will more than double in the coming years.

Accepting Goodman-Armstrong Creek School District's portion of the NFI payment from Representative Jeff Mursau is G-AC School Board Vice-President David Ziolkowski.

**Christy Jean Mattern**  
Co-Valedictorian  
Wabeno Class of 2014

Christy Jean Mattern is graduating from Wabeno High School with a 4.0 grade point average as Co-Valedictorian. She will be attending the University of Wisconsin with an undecided major. She looks forward to discovering what she wants to pursue in her life.

During school, Christy was involved in drama, forensics, and basketball. She served as vice-president of her class and secretary of the Student Council. She is a proud member of the National Honor Society and recipient of the Foreign Language Lions Honor Award as well as the Business Education Lions Honor Award. Christy participated in teen court and summer league softball.

Her interests include reading, skiing, camping, and spending time with family and friends.

Christy is the daughter of Lee and Lori Mattern of Wabeno.

**Savannah Rae Hennessy-Luther**  
Co-Valedictorian  
Wabeno Class of 2014

Savannah Rae Hennessy-Luther is graduating from Wabeno High School with a 4.0 grade point average as Co-Valedictorian. She will be attending the University of Wisconsin-Milwaukee, majoring in accounting. After college she plans to find an entry-level accounting job and possible return to college to get a degree in Actuarial Science.

During school, Savannah participated in Track and Field and Wrestling Cheerleading for three years, and Cross-Country her senior year. She also participated in Band, FBLA, and was inducted into the National Honor Society.

Her interests include spending time with friends and family, swimming, camping and being active.

Savannah is the daughter of Marcy Hennessy-Luther and Don Scheuerman of Townsend.

**Andrew Boor**  
Salutatorian  
Wabeno Class of 2014

Andrew Joseph Boor is graduating from Wabeno High School with a 3.933 grade point average as Salutatorian. He will be attending Oberlin College in Oberlin, Ohio. Andrew will be double-majoring in East Asian Studies and Political Science.

He participated in drama, student council, cross-country, track, and forensics. He is also a member of the National Honor Society.

Andrew is the son of Michelle and Jason Boor of Townsend.

**Heidi Radey**  
Valedictorian  
Laona Class of 2014

My name is Heidi Radey and I am this year's Valedictorian for the class of 2014 at Laona High School. I am the daughter of Jennifer Belland Lemerande and Thomas Radey and granddaughter of Michael and Barbara Belland. I have been Class President for the past 6 years and I am also National Honor Society President.

This fall I will be attending UW Manitowoc for one year in the connections program as a UW Madison student and then transferring to UW Madison full time. I intend to major in Pharmacology and possibly double major with business administration.

After college I would like to open my own compounding pharmacy. I would also like to start my own foundation. My foundation would travel with doctors to countries in need and provide free medical care. I want to help as many people as possible and I believe this is my path.

I would like to thank the staff of Laona High School for an excellent education. Most of all I would like to thank my family and friends for all of their love and support over the years. They have pushed me to do my best and be a good person. They have helped me to become the person that I am today.

Note: Heidi has been confirmed as a Wisconsin Covenant Scholar.

**Kathleen Dachelet**  
Salutatorian  
Laona Class of 2014

Salutatorian for the Laona high School Class of 2014 is Laura Dachelet, daughter of Kathleen Dachelet and step-daughter of Sean Dachelet. Laura was a member of the recently established Leadership Club at Laona. She enjoyed tutoring 7th grade students this year as well as taking Spanish and French classes in high school.

Her favorite memories of high school are not limited to a single event but rather all of the special activities that were done as a class such as the various sporting events, homecoming and prom.

Her words of wisdom to underclassmen: "Hard work pays off. Grades matter, and you should always put school work before anything else." While she is glad to see her high school career come to an end she is also going to miss her classmates and teachers, and is saddened by the thought that she may never see them again, thus she suggests that we all cherish the special times we have with others.

Laura will be moving to Arizona shortly, where she will establish residency and then apply to attend a university there. She is currently planning to become a

### New at the Wabeno Library

Here are some of the latest additions at the Wabeno Library. You will find new items weekly. Summer means heavy use for the newest items, so the library staff cannot reserve the newest feature films, as they are available on the shelf for all on a first-come, first serve basis. However, you can call for same day pick-up if the film is available. The lending period for our newest films is one week, to accommodate all regulars and summer residents and visitors. Please check with the person on staff for availability.

Summer residents and vacationers must register for a library card with the Wabeno Library. Parents must sign a permission form for children to use the computer stations after reading our internet use policy.

### Oldenburg Group honored with Nicolet Foundation Friends & Partners Award

The Nicolet College Foundation recently presented its 2014 Friends and Partners Award to the Oldenburg Group for its long-standing partnership with the college and its Welding program.

"Without question, the company has become a critical support to an effective instructional trade program at the college," wrote Brigitte Kumbier, Dean of Trade, Industry, and Apprenticeship, in the nomination. "The company

has assisted the college in redeveloping curriculum to prepare graduates for employment throughout the district. Oldenburg employees serve on the Welding Advisory Committee and teach as adjunct instructors."

The Oldenburg Group's Lake Shore plant is located just west of Rhinelander. The company is headquartered in Milwaukee and produces performance-engineered products used in the defense, mining, energy and architectural lighting industries worldwide.

The company has been working with Nicolet in various capacities for more than 20 years, regularly donating steel, wire, and other welding material to the college.

Pictured here, left to right, are David Stofflet, fabrication production coordinator, Bob Martini, Nicolet College Foundation president, Dan Bruso, Oldenburg Lake Shore plant manager, and Gayle Rutlin, Oldenburg Human Resources generalist.

### LAONA CHURCH OF THE NAZARENE

**Re-opening June 15th  
under new leadership.**

Pastor Steve Crites: 715 505 8009.  
 Laona Church of the Nazarene, 5207 Spruce Street, Laona, WI  
 Fellowship time with refreshments, 10:00 a.m.  
 Worship Service at 10:30 a.m. Sundays.

We believe that being a Christian means that you need to have a personal saving relationship with Jesus Christ and that worship of Christ should be personal and practical, based on the work of God. It should be enjoyable and pointed. Are you trying to find light at the end of the tunnel? We all need hope. Life can be hard. At times we face unrelenting heartache. No amount of tears can bring it to an end. Most of us face difficult times more often than we would like. Yet as difficult as life can be, hope guides us and gets us through the storms of life. Take away hope and even the small things can crush us! The news regularly shows us stories of harmful and evil situations that people endure. Daily, we are wounded by actions of others who never get headlines... but hurt us deeply. We wonder how can God allow bad things to happen to good people. We have fallen away from God's original design and what He did to heal our brokenness. God is in the business of restoring us to His beautiful original intentions. He loves you infinitely and will restore you. Know that JESUS can get you back on track. Come join us and experience the saving healing power of God.

### Camp 5 Cont. from pg. 1

needs to be done at this famous entertaining and educational Northwoods attraction that will make your visit memorable.

This group of young workers will be under the supervision of a new boss named Ray Bauer, who will have busy days keeping things running smoothly at Camp 5.

Ray received his Associate Degree in Data Processing at Nicolet College, graduating with honors in 1987.

He worked as a Computer programmer/operator for Nu-line Industries in Suring,, as a Senior Programmer /Analyst for Weather Shield Mfg in Medford, as Technical Consultant for New Resources Corp of Appleton, and as Programmer Analyst for Lloyd Flanders in Menominee, MI.

His ability to communicate clearly and tactfully with our young employees, as well as with our visitors will be a huge plus. For most of our young employees, this is their first job. It is important that they have a good role model and they know what is expected of them, and there is an open and friendly environment. I think that our young staff will appreciate the fair treatment that he will establish. Additionally, he has the ability to see what needs to be done, will coordinate plans and execute them promptly. He has many skills which are needed to keep Camp 5 looking good and keeping the property safe and enjoyable for all visitors. His experience of actually working on the Laona & Northern Railroad (Lumberjack Steam Train) is another bonus. He is familiar with the workings of the train, and its crew.

He understands the importance of welcoming visitors and making their experience at Camp 5 an exciting and fun-filled pleasant day. We are very glad to welcome Ray aboard with Camp 5 Museum and the Lumberjack Steam Train!

## Protect the Forest from the Emerald Ash Borer: leave your firewood at home

Rhineland, Wis. – June 2, 2014: The campgrounds are now open all across the Chequamegon-Nicolet National Forest and firewood restrictions are in place to slow the spread of **Emerald Ash Borer.**

This invasive beetle loves to travel on firewood so please leave firewood at home, unless you live within 25 miles of your National Forest destination.

The firewood restriction is one way of slowing the spread of Emerald Ash Borer, an exotic beetle from Asia that kills ash trees. This invasive insect's larva kills ash trees by destroying the soft layer of wood just under the bark.

Since 2002, EAB has spread to 22 states, including Wisconsin and two Canadian provinces. While federal and state agencies are doing what they can to prevent new infestation sites and slow the spread, the insect continues to be discovered in new locations. Movement of infested wood or nursery stock being transported from one location to another is likely the cause of new infestations beyond normal dispersal patterns of the insect. The risk of an EAB infestation on the National Forest within several years even with quarantines and firewood restrictions is very high.

Acceptable firewood to bring to the CNNF includes:

- Wood gathered from within the Forest with a valid permit
- Firewood purchased from a vendor within 25 miles of the national forest destination or brought from home that same distance

--- Wood that has been certified by the Wisconsin Department of Agriculture, Trade and Consumer Protection (certified wood can be brought into the Forest from a distance of more than 25 miles)

In addition, state and federal laws forbid moving hardwood firewood out of emerald ash borer quarantined areas. Currently, this means hardwood firewood that has been stored, purchased, or harvested in the following areas may not be moved out of these areas in Wisconsin: Brown, Crawford, Dane, Dodge, Douglas, Fond du Lac, Jefferson, Kenosha, La Crosse, Milwaukee, Ozaukee, Racine, Rock, Sauk, Sheboygan, Trempealeau, Vernon, Walworth, Washington, Waukesha and Winnebago counties. These counties are under quarantine. A federal quarantine also prohibits the movement of hardwood firewood out of all or parts of more than twenty other states and parts of Canada.

For more information about the about EAB visit <http://datcpservices.wisconsin.gov/eab/index.jsp>

Information about the CNNF can be found by visiting <http://www.fs.usda.gov/cnnf> or by following Twitter at <http://twitter.com/cnnf002>.

## PIONEER EXPRESS PAGE 5, JUNE 9, 2014 Pre-College Academies for 9th, 10th graders coming to Nicolet College

Northwoods 9th and 10th graders are invited to five fun-filled Saturdays at Nicolet College were they'll have the chance to explore different career fields through a wide variety of hands-on activities.

The college's popular Pre-College Academies will kick off this fall with the Environmental Science Academy, followed by academies for those interested in Engineering and Health Occupations.

"Everything will be designed around hands-on activities that are fun for students," said Teri Phalin, PK-16 coordinator and Career Coach at Nicolet College.

"They'll learn a wide variety of skills that will help them succeed in high school and also be better prepared academically when they start college. It's also a great way for students to explore careers in these fields."

Each academy will run from 9:30 a.m. to 2:30 p.m.

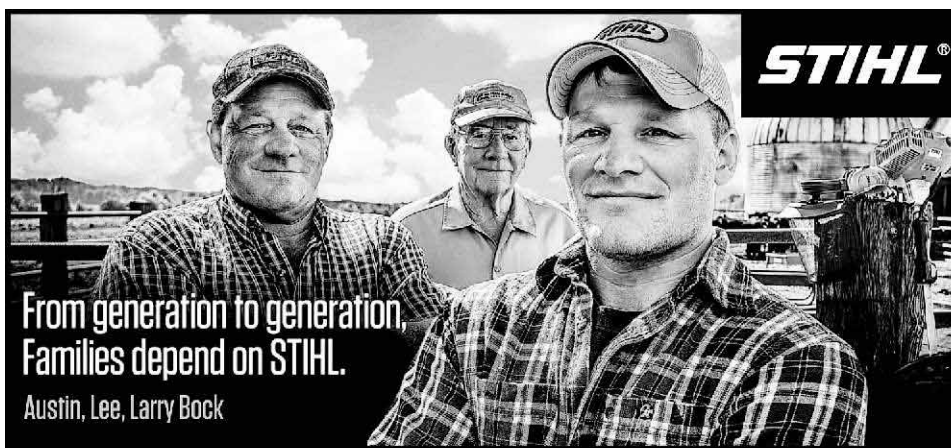

The Environmental Science Academy will be held on five Saturdays from Sept. 21 to Oct. 19. Students will literally get their feet wet and help the Northwoods environment by collecting water samples from local waterways in the hunt for aquatic invasive species (AIS). After several field trips to work with DNR and AIS professionals on the water, students will return to campus labs to analyze and identify their finds. They'll document their fieldwork and lab results with digital video cameras, and then learn to edit footage in Nicolet's Digital Media Lab to produce a series of short, educational videos about the danger of the spread of AIS.

Both the Engineering and Health Occupations Academies will run on five consecutive Saturdays from Jan. 25 to Feb. 22.

During the Engineering Academy students will examine engineering applications for aeronautics, architecture, electronics, and manufacturing. They'll apply basic engineering design processes to define, build, and test solutions to various engineering situations. Activities include designing a better boat, land surveying, manufacturing, and building a glider. A field trip to a local manufacturer is also planned.

Students in the Health Sciences Academy will interact with Nicolet's high-tech human patient simulator to perform injections and obtain vital signs, view x-rays, and even wear surgical attire. Working in teams, students will examine various organisms in the lab, and study the relationships of medical conditions, diseases, and other health complications. Planning and creating simple healthy meals and snacks is also a part of the Academy.

For more information on any of the Academies listed below, contact Nicolet College's PK-16 Pathways office at (715) 365-4464, 1-800-544-3039, ext. 4464; TTY 1-800-947-3529; or by email at [tphalin@nicoletcollege.edu](mailto:tphalin@nicoletcollege.edu).

**Nicolet AARP Chapter 1191**

Dr. Sharon Shepich

The speaker for the May meeting of the Nicolet AARP Group was Sharon Shepich, M.D. who recently started working at the Northern Health Centers. Dr. Shepich spoke to the AARP members about wood ticks and Lyme disease. Several members got their first chance to meet Dr. Shepich and many were very interested in the topic that she presented. Since contact with wood ticks is a problem in our area there was a lot of discussion on prevention, signs and

symptoms, and treatment.

The Nicolet AARP Group had their Spring Fling Dinner at Tracy's Place south of Mountain enjoying tasty dinners of beef and ham. Thirty one members enjoyed the dinner and the cheesecake dessert. On July 15th several members will be going to the "Kids from Wisconsin" concert in Antigo at a cost of \$8.00 per person. On August 11, 2014 the Nicolet AARP summer picnic will be held again at the Mountain Community Center. That will be a pot luck event with brats and burgers provided. The speaker for the June meeting will be Dr. Habeck of the Habeck Chiropractic Center in Lakewood.

All persons 50 and over are invited to join the local AARP Chapter. AARP meetings are social, entertaining, and informative. Meetings are held at the Lakewood Presbyterian Church on the fourth Tuesday of each month starting at 7:00 PM. Contact Joyce West, Membership Chairman, at 715-276-9409. ## Refresher Course: Heat Illness

Heat illnesses can easily be prevented by taking precautions in hot weather. Children and elderly or obese people have a higher risk or developing heat illness. People taking certain medications or drinking alcohol also have a higher risk. But even a top athlete can fall to heat illness if warning signs are ignored. Know these warning signs to look for...

**Stage 1 - Early symptoms of heat illness:** profuse sweating, fatigue, thirst, muscle cramps.

**Stage 2 - Signals of heat exhaustion:** headache, lightheadedness/dizziness, weakness, nausea/vomiting, cool/moist skin, dark urine.

**Stage 3 - Heatstroke:** fever (temperature above 104 degrees F), irrational behavior, extreme confusion, dry/hot/red skin, rapid shallow breathing, rapid/weak pulse, seizures, unconsciousness.

**First aid/self care:** Get the distressed person to lie down in a shady or cool place and raise his or her feet about 12 inches. Apply cool, wet clothes (or cool water directly) to the person's skin. Fan to speed the cooling and offer re-hydrating water.

**Emergency:** Call 9-1-1 if there's a loss of consciousness, change in alertness or seizures developing, or symptoms do not ease.

# Letters to the Editor

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

To the Editor:

Well, W.O.R.V.P.I. {Wisconsin Off Road Vehicle Park Inc.} had their {by invite only} big press release last week. Were You comfortable with the little information on W.O.R.V.P.I.'s planned Off Road Vehicle Park that did trickle down to You the citizens and taxpayers of Forest County from the big Press Release, 30 second Media sound bites, and then closed session of the County Board?

Do You want to own a 10,293 acre Off Road Vehicle Campground and Park?

The Park to be located by John Schnorr's {W.O.R.V.P.I.'s president} own words, "12 miles from Crandon, 12 miles from Laona, pretty much 12 miles from anywhere" {taken from his interview with WRJO radio}. Do you think we need two Off Road Campgrounds or Parks in Forest County?

One Park already in place, just outside Crandon, already world class, already being operated successfully, privately owned, paying taxes, and now hopefully soon to be open to the public for just the type of fun that Off Roaders are looking for. {see the front page of the Pioneer Express from last week}.

And then you have W.O.R.V.P.I.' s, idea of a Park, lets have the Forest County Taxpayer borrow millions of dollars, put the County Millions of Dollars in Debt, to wave our wand, pull some levers, and create, a Forest County Taxpayer owned, W.O.R.P.I. operated, 12 miles from anywhere, "Lambeau Field of Off Road Parks", on 10,293 acres of very environmentally sensitive forest lands?

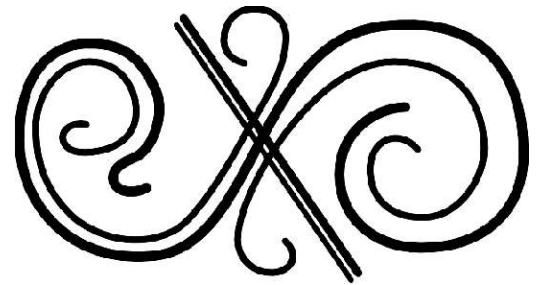

It is my belief that our Forest County Supervisors are going to be asked at their next County Board meeting whether or not they want the County to get involved in W.O.R.V.P.I.'s planned Yellow Brick Road Off Road Park. I must ask, what's the rush? Perhaps W.O.R.V.P.I. who has maintained so much secrecy curtaining this project doesn't want you to weigh in?

If you have an opinion on whether you feel Forest County should get into the Off Road Vehicle Park business, I'm asking you to weigh in with your County Board Supervisor [OR ANY SUPERVISOR YOU KNOW], they each represent all of us, as soon as possible. The next meeting of the Board is scheduled for June 17th, 7:00pm. And remember, County Board meetings are open to the public. I will applaud our current County Board Chairman and the rest of the Board for being willing to listen to taxpayer concerns at each of the meetings I have recently attended.

I hear repeated calls from all over this County, for a County wide Referendum to be held on the issue of the County getting involved in owning an Off Road Vehicle Park. I highly suggest that you mention a Referendum to whichever {or all of} the County Board Members you contact, a Referendum on this issue would give us all {Pro or Con} a chance to weigh in on this issue before making any binding decisions!

And in the risk of sounding a little like W.O.R.V.P.I. I'll state "Act now, this is a limited time offer.....".

### Melissa Chrisman named principal at Roosevelt Elem.

A 15-year teaching veteran at various elementary levels, Melissa Chrisman has been named the new principal at Neenah's Roosevelt Elementary School and Alliance Charter Elementary.

Chrisman has taught her entire career in the Howard-Suamico School District and most recently fifth grade at Lineville Intermediate School. Her appointment was approved by the Board of Education on May 20. Chrisman replaces Phil Johnson, who was named the new principal at Taft Elementary School in March. Taft will re-open as a full elementary school next fall after housing additional kindergarten classes and the Early Learning Center the past five years.

"Melissa is a dynamic, high-energy and student-

Bonfire. This is a "Family Friendly" event and there will be a Bouncy House for the kids.

Activities will be under the cover of a big tent so come rain or shine!

All proceeds from this event will go directly into a fund for repairs and a tank upgrade for our water tanker used for ATV/UTV dust control. Red Arrow is responsible for about 65 miles of snowmobile trails and about 15 miles of ATV/UTV trails including the Nicolet State Recreational Trail thru Townsend. In addition the Town of Townsend has nearly 90 miles of mostly gravel town roads available for ATV/UTV use.

Come by ATV, UTV, car, truck or van....everyone is invited to attend this fun event. The Old Town Hall is located right on the ATV/UTV Trail in Townsend. Direct ATV/UTV access is available from as far as Gillett, Florence and the Michigan border.

focused person who we are very excited to welcome to Neenah," said superintendent Dr. Mary Pfeiffer. " She brings great experience from Howard-Suamico and provides another lens of growth for our students, families and District."

Chrisman taught third and fourth grade at Bay Harbor Elementary School from 1999-2008. Her position at Roosevelt and Alliance will be her first principal position.

Chrisman earned a Bachelor's of Science degree in elementary education and special education at the University of Green Bay. She has a Master's Degree in technology in education from Lesley University (Mass.) and recently completed the Education Leadership class from Viterbo University to earn her principal's license. Chrisman will start at Roosevelt/Alliance on July 1.

There are three other full baths, one of which has a Kohler 4-season shower w/steam. There is a large open loft area, two massive stone fireplaces, 3 bedrooms on main floor, 1 bedroom, family room, and garage area on walk-out lower level, hardwood and stone floors throughout the home, central vacuum, central air, gas furnace, and an outdoor wood burner with a log sided building for wood storage, that heats all of the buildings. There is approx. 1000 sq. ft. of deck area. All of the landscaping was done professionally. This is one of Wisconsin's most unique homes, being approx. 20 years old, and built on a high stone ledge as the foundation. Other buildings consist of a log sided storage garage w/20 18' doors with openers that is partially set up as a shop with an upstairs area. There is also a steel storage shed with 16 kennels and two large overhead doors. Another log sided building contains an additional six kennels and has been used as a whelping area. There are many square feet of concrete surrounding the home.

**Duffy Amendment keeps core internet functions in U.S. Domain**

Washington D.C.- U.S. Representative Sean Duffy (WI-07) heralded the passage of his amendment to the Commerce Justice and Science Appropriations bill to prohibit funds from being used by the National Telecommunications and Information Administration to relinquish critical Internet responsibilities:

"I am grateful to the many constituents and organizations who voiced their strong support for this amendment, and to my colleagues - on both sides of the aisle - for voting for it.

"As Americans, we value our Constitutional right of Freedom of Speech and have promoted this value throughout the world. The U.S. is best positioned to maintain and protect a free and open Internet, through its stewardship of these critical functions, as it has done for decades.

"We should not give up this stewardship and allow the United Nations or countries like China, Iran, or Russia, that do not hold free speech in the same regard, the opportunity to take control. If the U.S. turns over this responsibility to the international community, there is no turning back."

The Heritage Foundation, American Conservative Union, Americans for Limited Government, Americans for Tax Reform's Digital Liberty, and the Institute for Policy Innovation all offered support for this amendment.

Rep. Duffy's amendment passed the House of Representatives by a bipartisan 229 to 178 vote, and was included in the full Commerce, Science & Justice Appropriations bill which passed the House by a 321 to 87 vote.

**Rhineland Area Retired Educators to meet**

**Map Day May 24, 2014 Great success**

When RT Krueger decided to share his antique map collection with the community many of his friends jumped on board and together they filled the Crandon City Hall/Community Hall with an amazing collection of maps and mapping equipment. The maps included the story of the development of Wisconsin from Northwest Territory, deer harvest through the years, location of early schools, railroad right of ways and hand drawn survey maps of the National Forest.

The Forest County Historical and Genealogical Society sponsored the event. Maps and items were displayed by RT Krueger, Andy McMillion, Steve Conway & Forest Abstract, Pete Davison, Tom Thielke, Denny Abney, Jamie Anderson and the Wisconsin Society of Land Surveyors and Craig Williams of the WDNR. Michelle Gobert and the Crandon Public Library provided a computer demonstration of access to various maps including the Sanford Insurance maps from 1904 showing existing and proposed buildings in the area at the time. Mark and Heidi Raddatz provided a geocaching display and information how to geocache.

Although this was planned as a one-time event, it may be presented at a future time due to requests of those who attended.

## Wabeno American Legion presents scholarships

On Thursday May 29, 2014 at the Wabeno High School Senior Class Awards Night, to show appreciation, Jim Pleva, Post 44 1st Vice-Commander, awarded four \$500.00 Scholarships, three from the American Legion pictured (L-R) Aria Demerath, Andrew Boor, Samantha Exferd and one from the Sons of the American Legion, Jacob Pakulski. Preference was given to students having a Veteran relative, achieving academic excellence, demonstrating leadership and being active in the service of their school and community. The American Legion Sylvan Post 44 and the Wabeno Lions co-sponsored and awarded a \$500 scholarship as a result of the Trump Lake Fish-O-Ree Fund Raiser to Christy Mattern, a student who has demonstrated a high degree of dependability and service. Pictured (L-R) is Jim Pleva, John Harter, Wabeno Lions member, and Christy Mattern.

Post 44 has also awarded a \$500.00 scholarship to Heidi Radey at Laona High School.

The American Legion scholarships and awards, are possible as a result of the generous support of local businesses and community.

## New at the Wabeno Library

Here are some of the latest additions at the Wabeno Library. You will find new items weekly. Summer means heavy use for the newest items, so the library staff cannot reserve the newest feature films, as they are available on the shelf for all on a first-come, first serve basis. However, you can call for same day pick-up if the film is available. The lending period for our newest films is one week, to accommodate all regulars and summer residents and visitors. Please check with the person on staff for availability.

Summer residents and vacationers must register for a library card with the Wabeno Library. Parents must sign a permission form for children to use the computer stations after reading our internet use policy.

## American Legion Post 44 marks graves with flags

Graves at Lakewood, Townsend, Carter and Wabeno are checked for indication of military service and a flag is placed on Memorial Day as a matter of respect. To solve the problem of how to locate veterans' graves during flag decoration, a decal small enough, but subtle and bright enough to be seen, will be purchased and placed on the corner of a veterans' gravestone by Post 44. The decal is made with aggressive outdoor adhesive for moderately rough surface.

Decorating the graves of military veterans is just one of the activities and services that the American Legion Post 44, Wabeno, perform throughout the year. One of the reasons why it's important to be part of the American Legion is because it is a place where you know you can rely on the guy next to you as he knows he can rely on you.

## Wabeno's Clean-up Day a huge success

Seventy-one community volunteers gathered bright and early Saturday morning to spruce up the town after the long and never-ending Winter! The volunteers cleaned Wabeno's First School, the Museum and the Firefighters Park buildings, Park Pavilions and they picked up debris along the downtown streets, sidewalks, highway, parks and the rivers. We were even able to hit a few of our residential side streets.

The Nicolet Sportsman's Club, the Wisconsin Dual Sports Riders Club, members of the Lions Club, several Wabeno High School faculty and students, the Antique Power Association, business owners and numerous Wabeno residents made the town look terrific! Lunch and beverages were served by the Senior Center staff and Kurt Pence. won the \$50 gas card drawing.

## American Legion hosts Memorial Day Ceremony & Parade Participation

American Legion Sylvan Post 44, hosted Memorial Day Ceremonies at the Veterans War Memorial Park in Wabeno on Monday, May 26, 2014 to honor all the brave men and women who have served. The Color Guard advanced the Colors and The National Anthem was sung admirably by two high school students, Andrew Boor & Sara Jennings, pictured with Ron Boeldt, Post 44 Commander, who welcomed those attending, followed by a solemn invocation delivered by Dave Krizek, Post 44 Chaplain. In honor of the POW-MIA Ceremony, Wes Tucker read "The Empty Chair". Charles Enders, US Army Veteran was guest speaker. The Wabeno High School Band led by Michelle Boor, did the honor of performing a patriotic musical tribute to all veterans and military. Jerry LaFond, from Boy Scout Troop #1048 did the Wreath Laying honor followed by the Gun Salute and the playing of Taps by Ellie Donaldson of the Wabeno High School Band.

Shuttle buss transportation was available to and from the Veterans War Memorial Park thanks to the Wabeno School District.

At the conclusion a lunch and fellowship was held at the Legion Post.

On Saturday, May 24th, the Legion also participated in the Town of Riverview Memorial Service

The 2014 Season is just beginning and the Legion and Auxiliary are proud to be able to participate in the parades in Mountain for Memorial Day, honoring our veterans, in Townsend and White Lake for Independence Day, in Lakewood for Mardi Gras Days, in Wabeno for Steam-up Days and in Suring for Labor Day. When marching, the enthusiasm and response from the people on the parade route is an uplifting experience, showing their respect to the Flag by applauding, taking their hats off or putting their hands over their hearts. Marching for the men and women that gave their lives for our country is an amazing experience.

Throughout the year, when requested by the family, the Wabeno American Legion Color Guard participates in Military Funeral Honors for eligible veterans.

# THANK YOU

The family of Leonard Mills would like to Thank all who gave us so much support and many prayers during our loss. Thank You doesn't seem to be enough.

We are so grateful for our family and all of our wonderful friends and neighbors who have been there for us. Thank you for all the beautiful cards, flowers, gifts and donated food. It is sincerely appreciated.

We want to Thank the 3 wonderful ladies who organized and served the donated food at the funeral home. Deb Schepker, Donna Pfeifer, Marge Bocek.

Also want to Thank the Pall Bearers, who took time from work to be there for Leonard. Lee Joyner, Jay Wilson, Bill May, Graig Eldred, Al Thompson and Nephew Michael Campbell.

Many Thanks to the Forest County Veterans Memorial Association and Honor Guard who performed the Military Honors.

A Big Thank you to Pastor Dewing for is thoughtful and moving service.

Thank you to Greg, Tony, and Sue of Weber-Hill for their caring assistance.

At times like this you are overcome with appreciation for family, friends and neighbors who are so caring and giving.

If we have forgotten anyone we are sorry. May God Bless each and everyone of you.

Shirley Mills, Brian L Mills, Diane Fields, and Grandchildren

## Kids making a difference

Seventh Grade students across the nation are now required to write proposals for community service as part of the Common Core Standards. Mrs. Bradley's seventh graders in Crandon Middle School worked very hard at this writing project. However, instead of just writing sophisticated proposals, they also created persuasive presentations trying to promote their team ideas.

After their presentations, students voted in a private booth to choose which idea to set into action. Last year's group cleaned, painted and repaired Cardinal Park. This year's seventh graders made bracelets and sold them. One hundred percent of the proceeds went to our local chapter of the Cancer Society, Ties That Bind Us.

We are very proud of all of the students who got involved with a project that reached out to help others.

**C** The inaugural Crandon Cardinal Trap Team would like to send a huge THANK YOU out to all of those who have donated to our team. The donations

have helped, not only to get our team started, but also to sustain our team for the future. Currently, we have 23 participants in grades 8-12 who have benefitted from your generosity. *Bauknecht Bros. ### Wabeno/McCaslin Lions Senior Class Banquet

The 60th Annual Wabeno/McCaslin Lions' Senior Class Banquet was held on Wednesday, May 14, 2014, at Wabeno High School.

The banquet featured Forest County Sheriff John Dennee. Sheriff Dennee graduated from Wabeno High School in 1984. He attended Ripon College and belonged to the U. S. Air Force from 1986 until 1990 after which he attended Fox Valley Technical Institute Criminal Justice Program while working part-time at the Forest County Sheriff's Department. He was hired full-time in 1994. He worked his way through the ranks and held positions of lieutenant and captain. He was the lead investigator of major crimes. He became the Crandon Chief of Police in 2005, where he served until he was elected Forest County Sheriff in 2011. Sheriff Dennee lives in Crandon with his wife Linda and their eight children.

After his presentation, Samantha Exferd was given the Wabeno Lions' Service award for her outstanding services to the communities in the Wabeno School District. Andrew Boor, president of the Wabeno High Class of 2014, finished by introducing the members of the class.

# BUNKER BABY

The true story of a Vietnamese woman, born in war who overcame all obstacles to raise a family and come to the United States

A new book by Crandon writer Nga Walker tells the true story of the wars in Vietnam, her struggles to raise her children and her eventual move to Crandon and the success of her marriage and family.

Available from Nga Walker at 715-478-3530 or at the Pioneer Express office

## Colors of Cancer 5K Run

Right to Left Erin Mayer TTBU Crandon representative, Mina Cleereman TTBU Laona representative, Kadie Montgomery TTBU Coordinator, Tammy Merschdorf, Bingo Manager Potawatomi Carter Casino, Darcy Bradley Marketing Director Potawatomi Carter Casino, and Frank Shepard GM Potawatomi Carter Casino.

The Ties That Bind Us at the first annual Colors of Cancer 5k received a \$4,000 check from the Potawatomi Carter Casino which was raised from their "Pink" inventory in honor of Breast Cancer Awareness. The organization was also surprised by a second check for \$1589.00 that was raised from a special Bingo game that was held after the casino lost a very loyal guest of ours, Bertha "Birtie" Pemma, to cancer.

The Colors of Cancer 5k brought in a total of \$20,000 to help cancer patients in Forest County. All proceeds from this event will stay in Forest County and the organization will be looking at other needs in the county to help cancer patients. The Ties That Bind Us would like to acknowledge all the volunteers and participants that made the first year such a success.

If you or someone you know is in need of a gas card or other services, please contact Kadie Montgomery at 715-478-3318.
