Candidate Spotlight

This is the final round of candidates running for election for various positions around the area. We are disappointed that all of the candidates for school board did not touch on the current situation in Madison between Governor Walker, the Republican controlled legislature and unions representing public workers, we have published the profiles. The final choice is, of course, up to the voters.

Bonnie Fronek, candidate For Treasurer Town Of Nashville

What a privilege to exercise your right to vote. Please Re-Elect Bonnie Fronek as Treasurer of the Town of Nashville.

I have enjoyed serving you and would appreciate your vote.

Duane Marshall Town of Nashville candidate for Supervisor

I am proud of this Town Board and the people we represent. We have gone through some pretty tough times together.

I feel that my past 14 years of representing the town as your Supervisor have been very advantageous to the town in that we have been able to accomplish some projects like fixing up the cemetery & taking care of some road projects not only on the south end, but also on the north end. And now we are in the midst of building a new Community Facility that will be good for everyone in the Town of Nashville.

I would like to continue being your Supervisor and would appreciate your vote at the April 5, 2011 election.

Duane Marshall

Tim Bahr - Candidate for Crandon School Board

My name is Tim Bahr, I graduated from Lakeland Union High (72) and UW-Stout ('09) with a Bachelor of Science degree in Post - Secondary Education. I have served this great country of ours for more than 38 years as a United States Marine, and the Crandon Fire Department as a structural and wild-lands firefighter since moving here in 1994; I presently serve as the Fire Prevention Education Officer for that department. I volunteer as the area Water Safety Instructor for the American Red Cross and am running two swimming classes a week for area children. Additionally, I volunteer my time as a CPR / AED Instructor for the American Heart Association, am the volunteer Midwest Director of the Vets 4 Vets organization, and I work with returning vets and their families two days a week for the Veteran's Administration at the Rhinelander VA Clinic.

I am once again seeking a seat on the board of education because I believe in strong leadership that is focused on the needs of the student; I want a school district our community can be proud of and brag about to others; I want the School District of Crandon to be the destination district of the Northwoods; I want the School District of Crandon to turn out productive citizens and top notch thinkers into our society; I want leaders who are visionary and teachers who thrive working for this district as well as students who are given the opportunity to achieve to their full potential; and I want to ensure that our tax dollars are being used wisely to benefit our kids and not being used for pet projects or on wasteful things.

That leads me to my top three concerns for our district, which relate directly to the present board and are: Leadership, accountability, and responsibility.

Therefore, if you're looking for strong leadership, a person who is willing to say "THE BUCK STOPS HERE", then please vote for Tim Bahr on April 5th, 2011.

Bruce Karow, candidate for Townsend Supervisor

Hi! I'm Bruce Karow, a candidate for Townsend Town Supervisor. I'd like to tell you a little bit about myself and my candidacy.

Several Townsend residents who know me, my knowledge, and experience, have asked me to run for this office. At first, I poo-pood the idea. They asked me again. After discussions with them and my wife, and after careful consideration, I decided to run. I am deeply honored and humbled by their confidence in me. However, I also feel I have a background that I can use to help make Townsend an even better place to live. If elected, I will give you 100% as your town supervisor.

More Candidate Profiles on Page 22

A little too soon!

This early bird won't be getting a worm anytime soon. He must be the advance guard of robins that will be coming back to the Northwoods in the near future. At least we hope it is in the near future.

This shot was sent in by Arlen Panko from Pearson.

Pioneer Express is now online

The *Pioneer Express* has finally put the weekly publication online. This doesn't mean that we won't be printing and mailing our paper to everyone, but it does mean that if you are out of our mailing area or didn't get an issue in your mailbox, you can simply go to our online version.

To access the *Pioneer* go to www.pioneerexpresscrandon.com.

Click on the type next to the front page, and the paper will display quite nicely.

Let us know what you think.

Spring Fish and Wildlife Rules Hearings April 11

Citizens across Wisconsin have an opportunity to share their opinions on proposed changes, present new ideas in the management of Wisconsin's fish and wildlife resources and elect Conservation Congress delegates at the 2011 Department of Natural Resources Annual Spring Fish and Wildlife Rule Hearings and Wisconsin Conservation Congress annual county meetings.

The hearings and meetings will be held starting at 7:00 p.m. April 11 at locations in every Wisconsin county. Department of Natural Resources staff representing fisheries, wildlife and law enforcement will be available before the start to answer questions related to the spring hearing questionnaire.

The dual annual hearing and meeting is a keystone in Wisconsin's history of providing opportunity for citizens to share their opinions on proposed changes or new ideas in the management of Wisconsin's fish and wildlife resources.

This year the questionnaire contains 85 questions. Thirty-eight of these questions are rule change proposals from the department, and the remainder of the questions are advisory questions proposed by the Wisconsin Conservation Congress or the Natural Resources Board.

During the DNR hearing portion, citizens will be allowed to vote on changes to fish and wildlife rules proposed by the DNR and the Natural Resources Board.

All votes recorded are advisory only and are presented to the Natural Resources Board at their May meeting in a summary of public opinion.

Wildlife adjustments to waterfowl hunting zones have generated much discussion in recent seasons but federal rules only allow states to change zones every five years. The department is now asking for indications of preference on potential zone changes designed to provide additional late season duck hunting days in areas of later freeze-up while minimizing the loss of mid-fall hunting opportunities elsewhere.

Proposals related to turkey hunting would extend

FREE PERSONAL CLASSIFIEDS

We will do free personal classifieds for the first three weeks of April. We will take two classifieds a week from any one person of thirty words or less.

What's in your birdfeeder?

On March 12th, this weasel was on our suet feeder. Joe and Laura Wojcik, corner of hwy. G and hwy. O in Cavour.

Gun Show - Antigo this weekend

All gun nuts please note that there is a Bob & Rocco Gun Show this weekend in Antigo. We had the location wrong in last week's ad, but it is actually at the fairgrounds in Antigo, where it is every year.

Stop in and visit with fellow gun enthusiasts and look for bargains.

The Crandon Library Board's School Board Candidate's Forum Sunday evening, April 3rd at 6:00 p.m. at the Crandon High School Auditorium. There will be questions prepared by the board and from the audience.

Blood Drive in Laona April 19th

The Laona Chapter of The National Honor Society is pleased to announce that it will be hosting an American Red Cross Blood Drive as one of its community-service projects.

The Laona Community Blood Drive will be held from 12:00 noon until 5:00 p.m. on Tuesday, April 19th, in The Multi-Purpose Room within The Laona School complex.

Any one interested in donating one pint of blood is asked to call 1-800-733-2767 to make an appointment, or visit the website at www.redcrossblood.org for more information.

A blood-donor card or a driver's license, or two other forms of identification, are required at the check-in station.

Individuals who are seventeen years of age, weigh at least one-hundred-ten pounds, and in generally good health are eligible to donate their blood. And, all blood types are needed to ensure a reliable supply for all patients.

Ladies' Spring Tea, Townsend

St. John Lutheran Church, Townsend, will be hosting a 1st Ladies' Spring Tea Party on Friday, April 15th at 6:00 p.m. This year's theme will be "Spring Flowers." Please plan on joining us for an evening of fellowship, beautiful music, short devotion and a delicious light meal as the women of St John Lutheran Church and their friends prepare their hearts for Spring. Seating is limited.

Dress code: dressy to casual dressy. For questions, please contact Sue Eichinger 715-276-3801 sueike@yahoo.com or Jill Marshall 715-276-7829 jmaxmm@gmail.com.

The Pioneer Express Deadline is 4:00 p.m. on Tuesdays.

Spring Game Hearing Cont. from pg. 1

each spring turkey hunting period by two days creating 7-day periods and renew the fall turkey hunting season extension in Turkey Management Zones 1 - 5. Deer hunters will be interested in a proposal to eliminate the archery deer hunting season closure during the traditional November firearm deer hunt and in an advisory question asks if citizens favor lowering the age at which anyone can use a crossbow from 65 to 55.

Still other rules proposals would repeal blaze orange requirements in any future elk season unless a firearm deer season is open and would add September hunting days to any future elk season. Five elk harvest tags will be issued to state license hunters when the population reaches 200. In response to the reappearance of cougars in Wisconsin, another question asks if landowners should be allowed to shoot cougars caught in the act of attacking a domestic animal.

Fisheries
 Proposals aimed at increasing the number of bigger walleyes in southern Wisconsin waters and the number of bigger musky statewide are among the top fisheries questions at the Spring Hearings.

The current walleye bag and size limits on many southern Wisconsin waters would change under a proposal aimed at providing anglers more walleye and bigger walleye, simplifying regulations, and boosting naturally reproducing populations of this popular game fish.

Southern Wisconsin fish managers are seeking public opinion on their proposal to change the current default walleye bag and size regulations. The change would address heavy fishing pressure that removes many female walleyes from the population before they have been able to spawn for the first time. DNR fisheries surveys over the past 20 years have shown significantly better walleye populations on lakes with more restrictive length and bag limits, fish managers say.

"Our goal is to make walleye fishing better," says Ben Heussner, the Waukesha-based DNR fisheries biologist leading the issue. "Lakes that already have the 18-inch minimum length limit and a daily bag limit of three have shown increases in yield, size structure, abundance and natural reproduction. We feel this regulation will more adequately protect walleyes from overharvest."

Minimum size limits for musky statewide would increase from 34 to 40 inches on 600 musky waters under a proposal developed by DNR's musky committee with input from musky clubs and other anglers.

"Our goal is to provide bigger muskies and we'll do that by better matching the biological potential of the fish and lakes to the regulation," says Tim Simonson, musky committee co-chair. Simonson says DNR data suggests that growth potential for muskies exceeds 40 inches on nearly all Wisconsin musky lakes, but that 60 percent of the fish harvested are less than 40 inches. The result is there are fewer bigger fish left in the population to reach their full growth potential, or contribute to reproductive success much beyond their first few years of adulthood.

Audio slide shows and brochure providing more information on these proposals can be found online on fisheries spring hearings questions page of the DNR website.

Natural Resources Board advisories
 The Natural Resources Board has placed two advisory questions of its own on the ballot asking citizens if they favor requiring the use of non-toxic shotgun ammunition for all hunting/shooting activities on department managed lands (with the exception of department shooting ranges) and if Wisconsin should ban deer baiting and feeding ten days before and during the traditional 9-day firearm deer season.

Wisconsin Conservation Congress
 During the Wisconsin Conservation Congress portion of the meeting, citizens will have the opportunity to nominate and elect local delegates to represent their local interests on the Wisconsin Conservation Congress. They will also be able to express their support or non-support for ideas that could change fish and wildlife management policy.

"Citizens have the opportunity to weigh in on natural resources issues that may affect them. The congress asks these questions to gauge the public's support, or lack there of on any given issue," said Ed Harvey, chair of the Wisconsin Conservation Congress. "It is a true grassroots process that empowers the citizens of this state to shape natural resources policy."

Citizens may also initiate changes to fish and wildlife policy by introducing ideas as resolutions at their local meetings. The congress is a legislatively created advisory body to the Department of Natural Resources and state Natural Resources Board.

While written comments are not accepted on WCC advisory questions, citizens may submit written comment on the DNR proposed rules. Written comments on the proposed hunting and trapping regulations should be submitted via U.S. mail to Scott Loomans, DNR Bureau of Wildlife Management, PO Box 7921, Madison, WI 53707. Written comments on the proposed fishing regulations may be submitted via U.S. mail to Kate Strom-Horns, DNR Bureau of Fisheries Management, PO Box 7921, Madison, WI 53707. Written comments must be postmarked no later than April 11, 2011.

The spring hearings questionnaire listing and discussing items scheduled for consideration during both the DNR and WCC portions of the evening is available on the Spring Rules Hearings pages of the DNR Web site.

COMMUNITY BILLBOARD

- **Al-Anon Meeting** every Mon. Night 7 p.m., Nicolet Medical Clinic in Lakewood. Call 715-276-6321.
- **Comm. Life Council** monthly meeting, 6:30 p.m., at the VFW Hall, second Thurs. of every month.

Mary Kegley
Town Chairman
Town of Argonne
 Dedicated to the people and families of the town of Argonne. I would like the opportunity to service our community as Town Chairman. My family and I have lived in the area for 20 years. I am a Registered Nurse, mother of 3 wonderful children. I have worked in the financial industry as well as in sales. Though I have never held a political office, I feel my well rounded background will bring a professional, educated, and honest person to assist in managing our Town business. I am open to all ideas and concerns of the people of Argonne and will do the best to see the needs of the community are met. Please take time on April 5th, to vote for me as Town Chairman for the Town of Argonne. Thank you all for your support.

 VOTERS**

All current board members have been in office for 8+ years. Here are just a few of their accomplishments.....

CEMETERY IMPROVEMENT - The cemetery has been surveyed and plotted by Glen Barker, who did a wonderful job. Homer Rosa built and donated the beautiful arch for the entrance. The cemetery is looking really nice.

ANNUAL CLEAN UP DAYS - We have offered to the town residents "spring clean up days" to help clean up our town.

ROAD IMPROVEMENTS - We have purchased thousands of yards of gravel at a very low price to improve our roads. The town board has worked very close with the Forest Co. Highway Dept., City of Crandon, Town of Lincoln and the Town of Nashville. Nick Crum has done a great job for the town for many years. He has many responsibilities such as all the road work, snow plowing, recycling and maintaining all the equipment and buildings. Thanks for a great job! When interest rates were low, the town borrowed \$250,000 at 4% interest and paved over 6 miles of roads. We have installed 2 dry hydrants and several culverts including a large culvert in the Wolf River.

GRANT MONEY - The town board has applied and received thousands of dollars of grant money for many different projects.

EQUIPMENT - We have purchased and paid for a new plow truck. We also purchased a front end loader at a very low price.

ORDINANCES - Years back, the town board passed an ordinance allowing all ATVs and snowmobiles to run on all town roads. Recently the town worked with Forest County to approve an ATV route from Old 8 to Wolf River Road. We are also currently working with the ATV club to extend the trails.

All present board members have worked for the betterment of the town. We would like to continue to serve the tax payers of the Town of Crandon. All meetings are on the second Monday of each month at 7 p.m. Please attend - we welcome your input and ideas.

Laona Forensics Team

Front Row: (L-R) Hillary Connors, Heather Zimmer. Back Row: Shelby Cleereman, Heidi Radey, Kim Mentz, and Samantha Trebtoske.

The Laona High School Forensics Team of 2011 consists of Senior Heather Zimmer, Junior Hillary Connors, Sophomores Kim Mentz and Samantha Trebtoske, and Freshmen Heidi Radey and Shelby Cleereman. The students competed at Crandon High School at Sub-District in February. All six students earned the opportunity to go on to District competition, where they competed on March 19, at Tomahawk. Their perfect season continues because all members qualified for state competition at the University of Wisconsin at Madison in April.

for her fourth season. In the past, Heather has competed in prose and Farrago; this year she has chosen the category of Solo Acting. Her character is a middle-aged woman who is overwhelmed with the constant onslaught of technology. The piece, "Technology is Coming, Technology is coming," was written by Erna Bombeck.

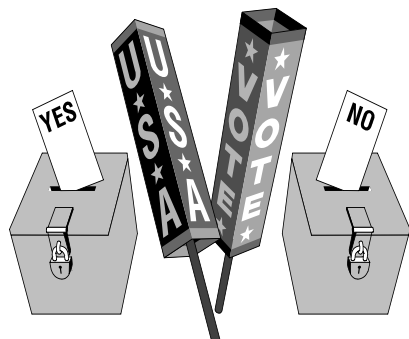

This year is veteran forensics participant Hillary Connors teamed with rookies Heidi Radey and Shelby Cleereman, in the category of Group Interpretation. Their selection is by humorist Dave Barry, who rants about how prehistoric his son's choices in clothing and music make him feel.

Kim Mentz and Samantha Trebtoske are competing in the category of play-acting. They are performing "Graceland," by Ellen Byron. Their characters, Rootie and Bev, are camping out in front of Elvis Presley's mansion in 1982, competing against each other in an attempt to be the first paying customer to enter the estate. The two are sharp contrasts and formidable opponents who each have their reason to be first into the hallowed home of their favorite troubadour.

In addition to competition in Crandon, Tomahawk, and state competition in Madison, the team, coached by Carol Bartlein, also performed for the Laona Lions Club and will be performing for students in classes in the high school and junior high.

Death Notices

RONALD L. ERDMAN, age 55, of Townsend, WI passed away on February 2, 2011. Ronald was born on March 27, 1955 in Madison, WI to Donald and Maryjane (Gussman) Erdman.

Ronald enjoyed fishing with his father and sending time with his dog Frodo. He also enjoyed cooking for his family and going to concerts. Ronald was an excellent picture framer with some of his framings in the EAA exhibition hall in Oshkosh, WI. Ronald spent his last three years taking very good care of his mother.

Ronald is survived by his Mother Maryjane Erdman; Sister Laura Tilbury; Brother Ernest (Lee) Erdman; Nieces and nephews: Tiffany, Crystal, Donald and Michael. Preceded in death by his Father Donald Erdman.

A memorial service will be held on Saturday April 2, 2011 at Weber-Hill Funeral Chapel in Wabeno, Weber-Hill funeral Home, Wabeno is assisting the family with arrangements. Online condolences to www.weberhillfuneralhome.com

DENNIS J. "MINNOW" SIMONIS, age 56, of Blackwell, passed away unexpectedly at home March 25, 2011. Dennis was born June 19, 1954 to Ray and Marilyn (Nowak) Simonis in Laona, WI.

Dennis enjoyed fishing, hunting, baseball, basketball, football but most of all the Packers. He also enjoyed going to the casino and spending time with his family. Dennis will be sadly missed.

Dennis is survived by his Parents: Ray and Marilyn Simonis. Children: Dennis (Melissa) Simonis, Kari Ponton, Brett Simonis. Grandchildren: Shania and Ryan Simonis, Vanessa and Trentin Ponton

Dennis was preceded in death by his brother Lester "Buster" Simonis.

Visitation was held Wednesday March 30, 2011, from 10:00 a.m. to 1:00 p.m. with a service to follow, at Weber-Hill Funeral Chapel, Wabeno, WI. Father John Cerkas officiating. Weber-Hill Funeral Home, Wabeno, (715) 473-3131, assisting family. Online condolences to www.weberhillfuneralhome.com

AUDREY M. RAASCH, age 89, of Newald, passed away at the AGI Health Care Center, Crandon on Wednesday, March 30, 2011. Arrangements pending. Please contact Weber-Hill Funeral Home, Crandon 715-478-2322 for visitation and service times or visit our website at www.weberhillfuneralhome.com

MARIAN A. RAHFALDT, age 84, of Crandon, passed away at St. Mary's Hospital, Rhinelander on March 27, 2011. Visitation was held on Friday, April 1, 2011 from 10-11 a.m. at the Weber-Hill Funeral Home, Crandon. Funeral services followed at 11:00 a.m. with Pastor Bill Farr officiating. Interment was at St. Mary's Catholic Cemetery, Argonne. Online condolences www.weberhillfuneralhome.com

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

WXPR Plans Transition

Long-time President and Manager of WXPR Public Radio Mick Fiocchi has informed the WXPR Board of his plan to retire from his position in June, 2013. Fiocchi said, "I wanted to give our Board and Staff time to plan for succession, to make that process as smooth as possible for the organization".

Board Chair Guy Roe of Minocqua says the Board will assemble a committee to begin the process of seeking a successor for Fiocchi, who has been manager of the station since 1989. "Our goal is to find a dynamic person who can continue building WXPR on the solid foundation Mick has helped create. WXPR is a precious community asset, and we promise that we take our stewardship of the station seriously. We will take our time and get the right person."

The plan is to have the new Station Manager on board well before Fiocchi retires. Roe stated that Mick had informally told the Board of his plans more than a year ago. "Based on that, we began our Board succession planning last summer. We decided that the best way to continue the successful culture of service that we have at WXPR is to give time for Mick and his successor to work together toward a smooth transition." The timeline is to complete the transition at the station's 30th anniversary celebration in June, 2013.

WXPR is community public radio station, serving north central Wisconsin and the western Upper Peninsula from studios in Rhinelander.

Car seat safety

Forest County Health Dept., Deb Bellamy, R.N.

As of April 2011, new advice from the American Academy of Pediatrics (AAP) advises parents to keep their toddlers in rear-facing car seats, until the age of 2 years old or until they reach the maximum height and weight for their seat. A rear-facing car seat does a better job of supporting the head, neck and spine of infants and toddlers in a crash, because it distributes the force of the collision over the entire body.

The "age 2" recommendation is not a deadline, but rather a guideline to help parents decide when to make the transitions. Smaller children will benefit from riding rear-facing longer, while other children may reach the maximum height or weight before 2 years of age.

For more information, contact Deb Bellamy, R.N. at the Forest County Health Department. Phone (715) 478-3371.

Forest County students compete in Nicolet College welding competition

Nearly 50 high school students from nine Northwoods high schools recently took part in the Nicolet College High School Welding Skills Challenge Competition.

While the annual event at Nicolet gives the students the chance to sharpen and show off their welding skills, it also does much more than that, said Susan Kordula, director of Admissions and PK-16 Pathways.

"It also gives them the added opportunity to further explore welding as a possible career and by having the event at Nicolet, they also get a taste of what a college campus is like," Kordula said. "For many of these students, this is the first time they've had the opportunity to visit Nicolet or any college."

Preliminary rounds of the competition were held over three mornings in early March, with 14 to 18 students tested on welding and math skills each day. The top 15 students from these preliminary rounds will return to Nicolet April 14 to compete in the finals, where students will compete for a variety of prizes donated by local manufacturers and welding vendors.

High school students from Forest County participating in the competition included: Crandon: Dalton Huettl, Matt Montgomery, Jake Okrasinski, Nick Queen, Kirk Schallcock, Dillon Votis. Laona: Paul Cleereman, Matt Kalata, Michael Lempel, Tanisha Trotter.

Wabeno: Dustin Klicker, Brad McLaughlin, Fred Mermuys.

Other high schools represented in the competition included Elcho, Northland Pines, Phelps, Rhinelander, Three Lakes and Tomahawk.

**Therapy At
Its Finest**

Mike Hauner, Physical Therapist, has over 30 years experience and gets results! Whether you need therapy for hip or knee replacements or other orthopedic surgeries, Mike is your professional. In most cases, Medicare pays 100% for nursing home stay for the first 20 days. We also offer out-patient services. Testimonials available. Call (715) 674-4477 for more information.

Attention Wabeno Parents

The Wabeno Elementary School has a policy about teacher requests for the following year. This is part of the student handbook which was sent home in the fall. There is a very important date that is rapidly approaching for parents who are interested in making a request for their son or daughter.

Parent/guardian requests for assignment of students to a specific grade level teacher will be considered. All decisions will be made based on space availability and according to merit and the unique circumstances surrounding each situation. **ALL REQUEST SHOULD BE MADE IN WRITING STATING THE REASONS FOR THE REQUEST.** All requests must be submitted to the building principal by April 15TH to be considered. Any request received after this may not receive any consideration. Making a request does not guarantee it will be honored.

Parent/guardian requests for assignment of students to specific teacher will be carefully limited and a lottery system may be used if more than six requests are made for any grade level teacher. This is to assure an equal opportunity for all students.

If you need additional information about the teachers at each grade level, or if you have any question about this policy, call Mrs. Allison Space, Elementary Principal. (473-3633)

Demmer Library to Host Leonardo da Vinci Traveling Exhibit

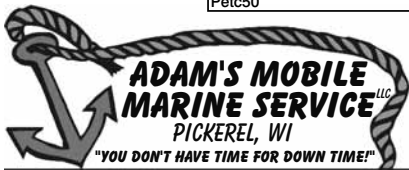

Come & Explore the World of Leonardo da Vinci!
Three Lakes Demmer Memorial Library to feature
the fascinating work of Leonardo da Vinci, "the original
Renaissance Man." The community will enjoy the giant
reproductions on display from April 11th - 16th.

The exhibit celebrates art, science, and history.
Experience the Italian Renaissance through the greatest
inventor, scientist, and artist the world has ever known.
Marvel at the genius of da Vinci captured in this
magnificent Teacher's Discovery Traveling Exhibit. Enjoy
a taste of Italian art, music and food! The library is hosting
this exhibit in celebration of National Library Week the
library is open Monday 9:00 a.m. to 8:00 p.m., Tuesday
9:00 a.m. to 5:00 p.m., Wednesday 9:00 a.m. to 8:00 p.m.,
Thursday 9:00 a.m. to 5:00 p.m., Friday 9:00 a.m. to 5:00
p.m. and Saturday 9:00 a.m. to 2:00 p.m.

The library is where stories are read, retold,
written, and created every day. This year, National Library
Week features the role our nation's libraries academic,
public, school, and special play in inspiring stories of all
kinds. "Create your own story @ your library" during
National Library Week, is an opportunity for you to share
your creativity with others in the community by writing a
short story or poem, drawing a picture, taking
photographs, journaling, scrapbooking, or writing a family
tree or family history. This is your chance to inspire, share,
record and create your own stories April 11th - 16th, 2011.

Everyone is invited to participate and will be
eligible to enter a prize drawing at the end of the week.
Entries will be on display in the library until the end of April
and then returned to participants.

During the week a special journal entitled
"Patrons' Tales" will be circulated in the Northwoods
Reading Room and you are invited to share your thoughts,
ideas, and stories.

 Submitted by Kate Schultz

How Do I Eat Less Salt?
 How can I change my diet so I eat less salt?
 •Read nutrition facts labels when you are grocery shopping. Compare the amount of sodium in milligrams to the calories. *The milligrams of sodium should be less than the calories.*
 •Eat more fresh, whole foods. Instead of deli meat, eat baked chicken or fresh fish. *Consume plenty of fruits and vegetables, whole grains and beans.*
 •Try to buy processed foods without added salt. Tomato products, bread, pasta sauce and soups can all be found in no-added-salt versions.
 •Use oil and vinegar on your salad instead of salad dressing.
 •Cut back on the use of condiments or purchase versions that are light and use them sparingly. Ketchup does come in a no -added-salt version.
 •If you eat out frequently, request that your food be prepared without added salt. Request that sauces and dressings be served on the side; use them sparingly.
 •Use cheese sparingly.
 •Avoid canned goods, prepared frozen dinners, and boxed mixes, since these items are very high in added sodium.

Major sources of salt:
 Boxed dinners
 Bread and other baked goods
 Canned foods, including soups and broths
 Cheese
 Chips and salted nuts
 Condiments
 Crackers
 Frozen processed foods
 Packaged cereals
 Processed meats
 Salad dressing
 Salt shaker and seasoning mixes

BUS SCHEDULE FOR APRIL
April 5 Tuesday- Carter, Wabeno, and Laona to Rhinelander *Crandon standby **Bus Driver: Hal**

Thank You & Personals

There are no words to express how we feel, losing someone so important in our lives whom we loved so much. We are grateful for our friends to ease the pain with comforting words, cards, flowers, food & those who prepared and served the meal. We would also like to thank Pastor Farr and his wife, Flowers From the Heart and Weber-Hill Funeral Home for providing such caring, professional services. We were touched by the VFW Honor Guard's ceremony which was an impressive tribute to Dad's military service.

*We will miss him dearly,
- The Children, Grandchildren &
Great-Grandchildren of Chester 'Chet' Gilbert -*

THANK YOU TO THE FOLKS OF CRANDON

We would like to thank the people of Crandon for their kindness, their hospitality and love & care that was extended to my mother, Evelyn Baumgartner, and myself over the past five years. Saying "Thank You" seems hardly enough and yet I don't know what else to say. About five years ago I moved my mother from Wabeno to Crandon to live in the Glenview Senior Apartments. With the help of so many good people my mother was able to reside there in a friendly, comfortable and safe environment, but due to some health issues it was necessary to move mom to Nu-Rock Community in January. These two moves would have been hard under the best of circumstances, but you see I live in Texas and that in itself created some major difficulties. Over the years I made many trips to the area to conduct business and spend time with mom, and on many of occasions I had to conduct business over the phone. Everyone I had to deal with was kind, friendly and helpful and for that we just wanted to thank each and every one of you. The citizens of Crandon are great ambassadors for the State of Wisconsin, Forest County and for the town of Crandon.

Special Thank You To: The Forest Co. Social Services - You are all amazing at what you do; The sweet people that live at the Glenview Apartments that cared for Mom while she lived there; The Crandon Church of Christ members for their love & support given to my husband and I during our many trips to Crandon; Christine Woodall for all the love & personal care you gave mom; Jeff and Cindy Thorpe and all of mom's friends from the Kingdom Hall. Thank you for being moms' support system over the years. **To all the people that work and serve in the area:** Laona Bank in Crandon, Ministry Medical Group, Potawatomi Medical Center, The Hotel Crandon Restaurant Staff, Log Cabin Restaurant Staff, LaFetta Restaurant Staff, The Main Street Inn, Flowers from the Heart, Schaefer's Food & Pharmacy. **To Scott Shaffer and the fine people at Nu-Roc** for helping make the transition stress free.

We never took one smile or act of kindness for granted. You made what could have been some difficult years and times very pleasant. Our gratitude is beyond words.

Thank You Very-Very Much,
Bonnie and Chuck Sohl, Midland, Texas

Congratulations 2011
Grandma Beth Maedke
Love you, Diver Dave

Candidate Karow Cont. from pg. 1

My civil engineering experience will help with the maintenance and construction of our roads, bridges, buildings, and dams. I have both a Bachelors' and Masters' degree in Civil Engineering from the University of Wisconsin, Madison, and am a registered professional engineer in Wisconsin. I have worked on all four types of structures listed above during my 40 year career with the Wisconsin Department of Transportation. I have been involved with the engineering of hundreds of bridges in Wisconsin, ranging in size from small stream crossings, to highway overpasses, to the large Tower Drive arch bridge in Green Bay.

My supervisory and managerial experience will help as we balance our budget, keep taxes down and try to balance our purchases and programs between our various departments. I have hired, fired, disciplined, and promoted people, and have purchased major equipment for my staff and the department in general. I have been involved in the training of hundreds of engineers including my own staff, other DOT personnel, local government employees, and private engineering consultants working on DOT or local highway projects. In my last DOT position of "Chief Structure Maintenance Engineer", I led an effort to re-write Wisconsin's Structure Inspection Manual. That manual is now used by the Federal Highway Administration as a model for other states, and was also used by coalition forces in Iraq to inspect and repair bridges there. I balanced my multi-million dollar budget every year, as I saw to it that every bridge in Wisconsin was inspected on a two year interval, and repaired as necessary.

My previous volunteer experience will also help solve Townsend issues. I volunteered some of my extra time to the City of Middleton over a 21 year span. I served on their plan commission, zoning board of appeals, and public works committee. We developed and modified the City's master plan, reviewed proposed developments within the city, settled zoning and property disputes, reviewed public works projects, and managed all facilities owned or operated by the City of Middleton.

I realize I am relatively new to the area as a full time resident. My wife and I retired here a little over a year ago. However, I have been a Wisconsin resident all my life, and have been coming to the area as a weekender and vacationer for over 50 years. I know a lot about the area. Being new, I can give any issue a fresh and unbiased look, and can judge issues on their technical merits.

However, I will also seek out your views on the issues. Come to the meetings, talk to me when you see me out and about, or give me a call or email. I am always willing to listen and will vote for what my constituents want. I believe in open, two way communication, and will inform the people before we act on major issues. Since I am retired, I can put in the time and effort to do the job well. It's time for a change. Please vote for me, Bruce Karow, on April 5th. I will be honored to have your vote.

Sandra Rachal, candidate for Nashville Town Supervisor

My name is Sandra Rachal, I'm running for Nashville town supervisor. I have had the pleasure of sitting on the board for the past year after Robert VanZile resigned to go to school. I was the former Chair person for the Sokaogon Chippewa Tribe. Under my leadership I had accomplished many things for the community, such as the expansion of the casino, the convenience store, the youth center for the tribal youth, the Mole Lake Hotel, the Denisen House Restoration, a new Tribal office, and the new clinic.

I'm a board member of the Northwoods Nijii Partners Finance Committee and the Northwoods Nijii Board. As the tribal leader I worked very closely with town of Nashville.

I served on the zoning board for town of Nashville, and I have also sat on the Town of Nashville Appeal Board. I've had the pleasure of serving on the Town Board and would appreciate your vote on April 5th and serving on the Town Board for another two years.

Jimmy Landru, Jr. candidate for Nashville Town Chairperson

I'm Jimmy Landru, Jr. and I would like to be the next Nashville Town Chairperson.

I am a 1982 graduate of Crandon High School and briefly attended Northland College majoring in economics. During the Christmas break of 1982 I was asked to run for Tribal Council Treasurer of the Mole Lake Sokaogon Chippewa Tribe. While I lost the race by a slight margin, the elected person resigned and I was appointed the position at age 18. I was Treasurer for nearly 10 years.

I have served as Co-Chair of the Governor's Committee on Area Promotion in Northern WI, The Governor's Council on Natural Resources in Northern WI, Chairman of the Sokaogon Gaming Commission and Elderly Director. Today I am a Town of Nashville based self-employed contractor, tavern owner, member of the Forest County Chamber of Commerce and have an associate paralegal degree.

In 2004 I was elected to the Forest County Board of Supervisors to represent District #13. In my current term on the Board I was elected 2nd Vice-Chairman. I am a Committee member on Finance, Economic Development and Intergovernmental Relations. In 2009 the Governor and County Board Supervisors appointed me Commissioner on the North Central WI Regional Planning Commission representing Forest County. I am also a Director of Grow North and Treasurer for the Forest County Economic Development Partnership.

This background, knowledge and experience will make me an effective chairperson for our Township.

My running mates and I recognize the need to expand our tax base and generate more revenue streams, and we will. We need to encourage tourism and implement practices that support small businesses and trades. Our Township is divided, but during these tough economic times it is important to work together, share our strengths and fully utilize and promote our assets. My running mates are Ray McGeshick, Sr. former Tribal Chairman for the Sokaogon Chippewa and currently the Gaming Commissioner. Edward Bula, former Nashville Town Board Supervisor and a self employed farmer. We are pulling together and asking for your support, your vote on April 5th.

Jimmy Landru, Jr.

Terrí Schabo, candidate for Town of Nashville Town Clerk

I started working for the Town of Nashville as the Deputy Clerk in 2006. I was also the Zoning Secretary and I was on the Board of Adjustments where I remain as Secretary. I was appointed in April of 2008 to the position of Clerk and have served in this position for 3 years.

I was secretary of the Pickerele-Pearson Business Association for 3 years before I took the job as Deputy Clerk with the town. I am currently the Secretary of the Tombstone Pickerele Sno-Club and have been a bartender at Jerry Schuh's Sportsmen's Lodge for the past 38 years where I have met a lot of you.

I have enjoyed the work and meeting many of you whether it was at a Town Board Meeting, an election or by you just stopping in at the office on County Rd. DD in Pickerele. I also enjoyed meeting many of you when I conducted the Voter Registration in Mole Lake.

As clerk I have been responsible for all of the financial records, budgets, the Annual Reports and have served as the Elections Administrator and have been responsible for all the Poll Worker's training.

I feel that I could contribute a lot to the Town of Nashville by being your Town Clerk again for the next two years like looking out for your best interests and the best interests of the town, so I would appreciate you giving me that opportunity by voting for me as your Town Clerk on April 5, 2011.

Terrí Schabo

Bret Mattson candidate for Crandon School Board

I have lived in Crandon with my wife and family for the past 17 years. I am a graduate of Wabeno HS ('80), and UW-Oshkosh ('85), with a degree in Business Administration and emphasis in Operations Management. I currently own and operate several local businesses in the community. I am a member of the PGA of America, have served on the Forest County Civil Service committee, Family Preservation and Support Committee, and have served as a deacon and am currently treasurer at Lakeland Baptist Church. I am a very active volunteer in the extra-curricular activities of Crandon High School and have been involved in coaching kids for over 30 years.

I am seeking election to the office of school board to attempt to bring the school district and the community back together. I believe we can do better to meet our communities' concerns. I hope to bring values, character, and leadership to help Crandon become a better school district. I feel the school district has lost touch with the community and the citizens of this district.

My top concerns for our school district are:
 1. Administrative Leadership that will take responsibility on all issues.

2. Improvement in our hiring procedures, evaluation procedures, and accountability procedures.

3. Making sure our school makes all decisions based on how it affects the students first, not the adults.

4. Make sure we are getting the best value for our tax dollars; we need to eliminate the ineffective procedures, programs, and people.

5. We need to be better planners, and be proactive.

Mike Rocolo, candidate for Wabeno School Board

My name is Mike Rocolo and I am running for the Wabeno School Board. I live in Lakewood with my wife Michele and son Robbie. My Daughter attends UW-Oshkosh. I work for FSC, I design Hydraulic Systems for Mobile Equipment. I was raised in Wabeno and graduated from Wabeno High School.

Schools have tremendous challenges facing them. The fiscal burden that schools face is growing and will impact the kids and the taxpayers over the next few years. I believe the recent mess in Madison only adds to the confusion and misinformation. The first step in dealing with this is for the Board and Administration to inform the public of the facts. I also believe the Madison Politicians and their own self-interest will not solve our problems. These problems have to be dealt with on a local basis and we all have to work together.

It is paramount that we educate our kids and give them the tools to be good productive contributors to society. We need to look at the details with an open mind and with a keen eye for value. We need to strengthen our relationship with parents, teachers and taxpayers to get the most from every dollar the school receives. We need the best teachers, as they are invaluable to a good education for those kids. We need parents to be more involved, as they are most certainly the key to the success of their children. Education starts at home.

I want accountability for the budget and I feel that we can give the kids a great education and do it with fiscal responsibility. I want to use my leadership skills and business experience to help this school get the most from every dollar it receives. For too many years the answer has been raise taxes and get more money. I think we need to exhaust all efforts to get the most from what we have. We have to do this without diminishing the level of education we give the kids. I think there are tools and ideas that will help us deal with the fiscal issues. Raising taxes should be a last resort and should only be implemented with an open meeting to discuss and inform the public. The school has to operate with a balanced budget, and we need to work towards achieving that. We need to eliminate debt and we should not go further into debt. One of the things I will do is not take pay for the position on the School Board if I am elected. I also will ask the other Board Members to do the same. This would put about \$60,000.00 + over a three-year period back into the budget. That is money that could be used to pay down debt and/or improve our curriculum.

Weber Grills

Built to Last!

Here is what we know for sure: We can show you three Weber gas grills that our family has had for over seventeen years. We use them all the time, and, knock on wood, they work perfect yet. They have sat in the rain, the snow, the wind, and the sun and we start them up and cook on them all the time. Yep, they cost

What You Need to Know About Rabies

Submitted by Jill Krueger, R.N., Director, Forest County Health Dept.

Rabies is a viral disease which affects the central nervous system. Rabies is usually transmitted through the saliva of an infected animal's bite, but can also be transmitted through a scratch. In Wisconsin skunks and bats are the most likely to carry the virus, but also occurs in dogs, cats, foxes, raccoons and livestock. Although the likelihood of humans having rabies is low, it is important to seek treatment soon after exposure to rabies because by the time symptoms appear, the infection is fatal.

A healthy-appearing animal could be in the infectious phase of the disease, able to pass on the virus without showing any symptoms. In these cases the animal will develop recognizable signs of rabies in a few days, and usually dies within 7 days. For this reason all animal bites (domestic or wild) should be reported to law enforcement to ensure the biting animal is legally observed or tested for rabies.

The victim should immediately wash any wounds with soap and water to decrease the chance of infection; and see their health care provider to determine if treatment is necessary; regardless of vaccination status of the animal.

What you need to know if your cat or dog bites someone

When law enforcement is notified of an animal bite, an "Animal Bite Order" is given to the owner of the animal. The Order, Wisconsin state law (SS 95.21) requires any dog or cat which bites a person be taken to a veterinarian within twenty-four hours to be examined for rabies, and quarantine for not less than 10 days so it can be observed for signs of rabies. Requirements of the quarantine include 2 additional veterinarian examinations. If the animal remains well during the 10 days, it indicates it doesn't have rabies. Therefore the bite victim does not have to receive the expensive series of shots to prevent rabies. If the animal is euthanized before the 10 day observation period is complete, the brain can be tested for the rabies virus.

The Forest County Health Department encourages pet owners to be responsible. Have your pets vaccinated to prevent them from acquiring Rabies. Be aware that an owner who fails to have their pet vaccinated against rabies as required under SS 95.21(10)(a) may be required to forfeit not less than \$50 nor more than \$100. The penalty for failing to comply with quarantine requirements, according to State statutes 95.21(10) (b) is a fine of \$100 - \$1,000 or 60 days imprisonment or both.

For more information on rabies and animal bites contact the Forest County Health Department at 715-478-3371; or visit:
www.dhs.wisconsin.gov/factsheets/rabies.htm -or- www.cdc.gov/rabies.
