## Lil' Hummers burns

By Mike Monte

A popular tavern and gathering spot burned to the ground last Saturday. Lil' Hummers, which has operated in years past as The Triangle Bar and the Wolf's Den is no more.

The tavern was located on the corner of County A and TT in Pearson, and has been a there for many decades. In a conversation with owner Larry Schisel, he stated that they were open for business with customers when the fire was detected in the back of the building at about 3:00 p.m. However, they have not been able to determine what caused the fire.

What is important is that Larry will be rebuilding the tavern and grill and will start a new place for enjoying a brew and telling and listening to the many local stories and legends, as will the people in his campground. The new place will also be more efficient and will not crowd the roadways as the old Model T era building did.

So be patient, let the insurance people and the builders work, and Lil' Hummers will be back in business in the months to come.

## Townsend Variety Show to Be Staged April 30

You will not want to miss the Townsend Variety Show on April 30! Two performances will be staged at the Townsend Town Hall at 1:30 p.m. and 7:00 p.m. The doors for both shows will open one hour prior to the performance time. This year's theme is "Back Home Again."

This annual talent show will offer a full evening of entertainment. Each performance will showcase 16 acts, all local talent. Organizers promise several new acts never seen before in the area, some old favorites, door prizes, and a format that always includes a few delightful surprises as well.

Admission is only \$6 or \$5 with a non-perishable food item. Tickets are available at the door and all proceeds will be donated to the local Christian Food Pantry housed at St. John's Lutheran Church in Townsend. Come early; last year's shows were both sell-outs. Refreshments, including beverages and snacks, will be offered by the Townsend Festival Committee.

This event is being organized by the Town Hall Players. Steering committee members are Ruth Benoit, Kathleen Marsh, Pam Pederson, Sue Rapp, Marilyn Karow and Judy Wilson, all Townsend residents who are very busy attending to the final details. All performers are reminded of the dress rehearsal on April 29 at 6:00 p.m.

## Forest County Association of Lakes NR 115 Listening Sessions

Les Lambers, President of the Forest County Association of Lakes and Pam LaBine, County Zoning Administrator, invite all interested landowners to attend the first of four listening sessions on the new shoreland zoning ordinance that will be crafted in response to the DNR's re-writing of NR 115.

The first of four sessions will be held in the Forest County Courthouse, room 107, also known as the boardroom, on Friday May 20, beginning at 9:00 a.m. After the zoning presentation the floor will be turned over to the Association of Lakes to hold their regular meeting.

The first session will be devoted to discussion on how the ordinance will be structured, what will be allowed in the first 35 feet from the OHWM and how the new NR code will be interpreted by the Forest County ordinance. All riparian landowners are encouraged to attend as the new ordinance will address the subjects of mitigation and bathhouses.

The Forest County Zoning office would like to extend a special invitation to those landowners that live on the shores of the Rat River in Laona and the Oconto River in Wabeno. It is very important that these people provide input as to how the ordinance is crafted and if necessary suggest adjustments for this type property.

## Ted Frank's shop burns last Thursday - total loss

By Mike Monte

Last Thursday afternoon, the repair shop of Ted Frank, a Crandon area logger, burned with the loss of virtually all of the contents. A black column of smoke could be seen for miles around as the stores of oil, solvents and fuels added to the blaze. Five area fire departments responded to the fire that was also fanned by high winds. The fire was discovered by Sandy Frank, who had been in the garage varnishing some paneling for a remodeling job on their nearby house.

In spite of the best efforts of the fire departments, the fire was impossible to extinguish but was held down enough to prevent spreading to other structures.

Frank says he is insured, but with constant addition of tools through the years, he fears that he will take a substantial financial loss when replacing the tools. Along with the tools, he also lost a Mack truck with only 12,000 miles on the odometer. An older Mack was in the process of a complete rebuild. The frame was in Wausau being refurbished, and as Ted said, "My trucking business now consists of a good truck frame and nothing else." There was also an antique chainsaw collection in the shop along with other personal items. The new, varnished paneling was also lost to the fire.

The remains are seen in the photo below.

## Reminder!

This is to remind everybody that the National Prescription Drug Take Back Day is Saturday, April 30th, from 10:00 a.m. till 2:00 p.m. at the Crandon Community Building.

You can make your home safer by turning in your unused or expired medication for safe disposal.

## Land Trust receives Forestry Education Grant

With grant funding assistance from the Wisconsin Environmental Education Board's (WEEB) Forestry Education Grant program, the Northwoods Land Trust is extending their highly-successful landowner education and technical assistance program to focus on woodland owners in Oneida and Forest counties. According to NWLT executive director Bryan Pierce, the purpose of the project is to educate landowners about the voluntary options available through the land trust to conserve their productive forest lands.

"Many thousands of acres of former industrial forest lands have recently been put up for sale all across northern Wisconsin," said Pierce. "Other privately owned

I asked Sonny why the deer were crossing the creek? He said he thought they wanted to get to the other side. I hadn't thought of that!

## Spring!

By Angie Alexander

Say goodbye to winter's snow and ice  
That season of short days and long nights  
It's time to enjoy warm air and new life  
To watch the brown grass turn green  
As April's rains wash things clean  
See the budding leaves form on trees  
While birds arrive from the south  
Singing songs and soaring in the sky  
Oh I wish I could fly

From the earth tulip tips are peeking  
While other flowers are still sleeping  
I can't wait for lilac bushes of  
White purple and pink  
really makes you stop and think  
How beautiful is spring

It's good to feel warm sun on our faces  
And watch people move at faster paces  
It's time to plant gardens  
Tomatoes, peppers and peas  
Later in summer we'll eat them with ease

For some spring will bring  
A new outfit or hairdo  
A new home, boat or car  
Some will paint or redecorate  
While others hit the road and travel far

Finally spring will bring romance in the air  
For all those brave and willing to dare  
So is it any wonder that  
I love spring

## Winners in the bird feeder photo contest

The winners of the bird feeder photo contest have been decided by the staff of the Pioneer Express!. After hours of argument, tears, threats and frustration, the winner was decided. Rob and Penny Aderholdt had the most votes with their weasel picture. Pam Rosa and her pileated woodpecker were tied for second with Linda Fehrenbach's bird in the hand.

All will receive a 50 pound bag of sunflower seed to be picked up at the Pioneer office.

**Spanish Class receives donation**

Crandon Lion's president Larry Sommer presents a check to class advisor, Jodi Brownell and students soon to travel to Spain. L-R: Crandon Lion's Pres. Larry Sommer, Class Advisor-Jodi Brownell and students, Hayden Krueger, Haley Tupper, Chris Leach, Alexis Marvin, Mary Mattson, Josie Bocek, Megan Sprenger, Lucas Boss, Katelin Bradley, Randi Houle, Avery Smith.

The Crandon Lions Club donated a check for \$600 to the students in Jodi Brownell's Spanish class. Each of the students will receive \$50 upon their departure to help with the trip expenses.

The Crandon High School Spanish Club and Advisor Jodi Brownell have been planning their June 2011 trip to Spain for over a year. They have had to raise funds of over \$3,000 each for the trip. The eleven students will travel from June 14-25. Students will stay with Spanish families and in hotels throughout their trip. Cities visited on the trip are Madrid, Toledo, Consuegra, Granaga, Gibraltar, Sevilla, and Cordoba. The students will visit historical sites, cathedrals, museums, and monuments and also experience everyday Spanish life.

Kaitlin Bradley-junior, Josie Bocek-sophomore, and Kaylea Latel-freshman, competed in the play acting category as well. They received 23 out of 25 points and earned the silver "All State" award. This is Kaitlin's third trip to state and Josie and Kaylea's first trip to state. The team is coached by Mrs. Agnes Keller.

While in Madison the team visited the Olbrich Botanical Gardens, the State Capitol, and East Towne Mall.

**Laona kids learn water safety**

2nd grade students learning about boat safety

On Tuesday, April 12, 2nd and 4th grade students from Laona went to the YMCA in Rhinelander for a water safety course. Instructors at four different stations taught the students some very valuable lessons. They learned how to rescue kids without putting themselves at jeopardy, how to keep warm and safe in the water if they are waiting to be rescued, and how to react if they get thrown from a canoe or boat. The students agreed that they learned a lot and had fun doing it.

## Forestry Cont. from pg. 1

woodlands have also become split up into more and more parcels, largely for residential development. The result is fragmentation of wildlife habitat and fewer areas able to be managed for sustainable forest products."

According to Pierce, the land trust is utilizing hard copy plat books, geographic information system (GIS) maps and aerial photos to identify land parcels in Oneida and Forest counties with 40 acres or more of undeveloped woodlands. Each of the property owners will be direct mailed a copy of "For the Love of the Land... A Landowner's Conservation Guide to Protecting Your Northwoods Property." This packet includes current information on the various conservation options, tax benefits, conservation concerns and issues in the northwoods, and several "up close and personal" stories of how people have already protected their working forest lands, and natural lake and river shorelines.

"We will also conduct on-site visits and provide free one-on-one technical assistance for interested landowners to help them consider their conservation options, including perpetual land protection agreements known as conservation easements," he said.

"Under a conservation easement, the land remains private property and is still subject to property taxes, but future development is restricted," Pierce said. "With an IRS-standard appraisal, the landowners can take advantage of federal income tax benefits for the charitable deduction value of their conservation easement donation. Enhanced income tax benefits which expired at the end of 2009 were recently reauthorized by Congress and apply in 2011 too," he noted.

"Our conservation easements are also written to be compatible with the state's Managed Forest Law program," Pierce said. "Many of the properties we work on are already enrolled or will be enrolled in MFL, and any future timber harvests will be guided by a professional forest management plan."

"We would like to extend our special thanks to the Oneida and Forest County UW-Extension staff and Land & Water Conservation Departments for their cooperation and assistance with our landowner education projects," Pierce commented. We hope these efforts will result in commitments by landowners interested in leaving a legacy of woodlands in Oneida and Forest counties for all future generations to come."

The Northwoods Land Trust is a non-profit, tax-exempt conservation organization with a mission of helping landowners conserve their private shorelands, woodlands and wetlands. The land trust works in areas of Vilas, Oneida, Forest, Florence, Iron, Price and northern Langlade counties.

"As a member and volunteer-supported organization, we encourage the interest of anyone who would like to contribute their time, expertise or resources to help keep the northwoods the northwoods," he said. For more information, contact Pierce at (715) 479-2490 or email [nwlt@northwoodslandtrust.org](mailto:nwlt@northwoodslandtrust.org).

# Death Notices

**ELEANOR "JAY" SHORT**, age 70, of Crandon, passed away at Colonial Manor Nursing Home, Wausau on April 17, 2011. Visitation will be held on Wednesday, April 27, 2011 from 9-11 a.m. at the Weber-Hill Funeral Home, Crandon. Funeral services will follow at 11:00 a.m. Online condolences [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)  
**LESTER F. MARTIN JR.**, age 63 passed away April 16, 2011, at Bellin Hospital, Green Bay with his family by his side.

Visitation will be held on Tuesday April 19th, 2011 from 9 to 11:00 a.m., at Woodland Worship Center, Hobart, with a service to follow at 11:00 a.m., Pastor Howard Young officiating. Interment at Forest Home Cemetery, Townsend, WI. Weber-Hill Funeral Home, Wabeno, WI assisting the family. Online condolences to: [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**AARON RAY "FUZZY" HUETTLE**, age 65, passed away Saturday while resting at his home in Blackwell. Fuzzy was born at the Laona Hospital July 8, 1945 to Aaron and Dorothy (Welland) Huettl. He grew up on the family farm in Freedom.

He graduated from Wabeno High School in 1963 and enlisted in the U.S. Army. He was stationed in Germany and was honorably discharged in 1965 as an E5. After his service, he lived and worked in Oshkosh and had fun with his brothers. Then he returned to his Forest County home. Fuz married Regina "Reggie" Gapinski on January 8, 1968 in Crystal Falls, Michigan. They lived in Forest County the rest of their lives.

Fuzzy served 32 years with the Forest County Sheriff's Department. While working full time, he attended Nicolet College and earned his associates degree in their first Police Science classes. In 1980 he was appointed Chief Deputy by his dear friend Sheriff Edgar "Bug" Wilson and held that position for 20 years. He founded Real Estate Associates of Forest County with his friend Jerry Gibson and grew it into a very successful business with partner Peggy Houle. After his retirement from the Sheriff's Department, he started a second career as a fireman at Nicolet Hardwoods where he made many new friends. Also, while in "retirement" he worked as the marshal at Nicolet Country Club and was elected to the Forest County Board.

He served on many committees and volunteer positions in his professional and private life. Fuzzy was a member of Trinity Evangelical Lutheran Church in Wabeno where he served on church council, as an usher, greeter, and Lutheran Pioneers leader. He was one of the people who brought the DARE program to Forest County schools, an assistant little league coach, and President of the Rebel Wrestling Booster Club. He was a member of Sylvan Post 44 of the American Legion.

But mostly he was a generous and kind friend, son, husband, brother, dad, grandpa, and uncle. He would be tickled pink with a free lunch, but give you the shirt off his back if you wanted it. Fuzzy loved all card games (especially schmier with his family), golfing, hunting, and fishing, but mostly he just liked good company. Fuz is survived by his son Daniel (Denise) Huettl of Carter, mother Dorothy Huettl of Freedom, brothers Garth (Donna) Huettl of Elton, Darwin "King" (Helen) Huettl of Freedom, Michael (Glenda) Huettl of Freedom, sisters Marybeth (Gary) Schuster of Eau Claire, and Dawn (Tony) Jakubiec of Freedom. He is missed most by his beloved granddaughters Alyssa Anne Wamego and the light of his life Danette Erin "Putzy" Huettl of Carter as well as 15 nieces and nephews, and more grand nieces and nephews. Sister-in-law Ruth Kirschnick of Burlington and uncle Erhard "Junior" (Mary) Huettl of Freedom. Fuzzy was preceded in death by his wife of 40 years, Reggie, and father Aaron.

Visitation was on Tuesday, April 19 from 5-8:00 p.m. and again Wednesday, April 20 from 9-11:00 a.m. at the Trinity Lutheran Church, Wabeno. Funeral Service followed at 11:00 a.m. with Pastor Craig Korth officiating. Interment was in the Trinity Lutheran Church Cemetery, Military Honors provided by American Legion Post 44, Weber-Hill Funeral Home, Wabeno assisted the family. Online condolences at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)  
**CHERYL ANN ELLISON**, age 65, of Newald, passed away at her home on Thursday, April 7, 2011 following a long illness. Cheryl was born in Duluth, Minnesota on December 12, 1945 the daughter of Steve and Palma R. (Martin) Salgy.

She is survived by her husband, James Ellison of Newald; Three Step-children: James P. Ellison, New London, Lisa Ellison, Greenville, Edwin Diekhuis, Portage. Father: Steve Salgy, Orem, UT. Sisters: Rose Schmidt, Tennessee, Denise Baker, Meadowlands, MN. Brothers: Larry Salgy, Buffalo, NY, Randy Salgy, Lake City, MN, Richard Salgy, Lake City, MN, Bruce Salgy, Meadowlands, MN. Three step-grandchildren. Further survived by nieces, nephews, cousins and friends.

Visitation will be held on Tuesday, April 12 from 10-11 a.m. at the Weber-Hill Funeral Home, Crandon. Interment will be at Forest Home Cemetery, Newald. Online condolences [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)  
**ELLEN KECKER**, age 98, of Crandon, passed away at the AGI Health Care Center, Crandon on Wednesday, April 20, 2011. Visitation will be held on Monday, April 25 from 9-11 a.m. at Praise Chapel Community Church, Crandon. Funeral services will follow at 11:00 a.m. with Pastor Richard Littleton and Pastor Bill Farr officiating. Interment will be at Crandon Town Cemetery. # Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

Dear Editor,

We understand that life is busy for any parent. Our Crandon School district has been fortunate enough to have great parents and teachers go above and beyond the classroom. The Crandon School has been trying to grow the Parent Teacher Organization with a core group that has been working on several projects for our school. Our goal is not to have a PTO but to have more educational opportunities for students. To reach this goal we have been working hard to provide families with great opportunities to get involved inside and out of the classroom. We have held several POP and Reads that encouraged special family members to come and read with the children.

The Parent Teacher Organization would like to extend our sincere appreciation to the parents, teachers, and business that have made our quarterly Family Fun Night's possible. We have had a core group of volunteers who's amazing efforts have made our past two Family Fun Night a success by offering several activities such as making lava lamps, healthy smoothies, math games, open gym and much more.

We are excited to announce our FREE upcoming Family Fun Night for elementary students on April 28th at 5:00pm at the Crandon Elementary School. A healthy snack pack is offered to the families for dinner to help with their busy schedules. With lots of new activities for families to enjoy together, this is a great way to spend quality time with your child.

Finally...families are the backbone of our fundraising efforts. We need volunteers and financial support from parents, teachers, and our community to help us improve the school environment by developing a closer connection between school and home. If you have interest in joining our mission to enhance, support, and improve the educational experiences at the Crandon School District please contact Kadie VanCleve at 715-478-2548.

Thank You,

Dear Editor:

Just as the effects of a challenging economy are felt by families in every community, cancer, too, has a far-reaching impact. No matter how the stock market is performing or what the current unemployment rate is, there are still many people battling cancer and many others who are lending support alongside loved ones every day. These realities make the dollars donated and volunteer hours devoted to the American Cancer Society - a part of Forest County for many years - critically important. We know everybody in this community works hard and if you are going to donate your hard earned dollars it should go to an organization that helps our community.

Local volunteers are a huge part of a local and nationwide effort to save lives from cancer, but additional people are needed for the progress to continue. Plans are under way for the Society's annual fund raiser, Forest County Relay for Life® on July 15, 2011. The money raised at Relay enables the American Cancer Society to deliver on its mission of helping people stay well, helping people get well, finding cures and fighting back against the disease.

We are helping people get well by offering our Cancer resource network phone lines which are open anytime, day or night, to connect people with the answers they need. Each year, we provide support to the nearly one million individuals who call us at 1-800-227-2345. Our web site at [cancer.org](http://cancer.org) offers access to the latest information and news on cancer and helps people locate programs and services in their area. Local cancer centers which members of our community receive cancer treatment, offers the American Cancer Society's Look Good Feel Better Program, Tender Loving Care for gift certificates for mastectomy and wigs, Reach to Recovery, free educational materials and I Can Cope. We have a local American Cancer Center representative in this community that has participated in many health care events, healthy educational talks at local schools, and held local survivor events.

We help people in the Community Finding cures because thanks to generous donors, the American Cancer Society is the largest private fund of cancer research in the nation. We are currently funding 11 research grants in Wisconsin (two at the Medical College of Wisconsin and nine at the University of Wisconsin-Madison) totaling \$6.7 million. If you have a loved one currently being treated for Prostate cancer with Lupron or if you had your mammogram screening you have American Cancer Center volunteers to thank for their efforts. More people in Wisconsin who are at a higher risk for colorectal cancer will have access to the colorectal cancer screening they need. A new law requires health plans to provide coverage for this cancer care. These are just a few examples of how we have impacted this community locally and nationwide.

How can you save lives through Relay for Life? Form or join a team, become a volunteer for your local Relay for Life event, make a donation to Relay for Life. Now is the time for individuals, families, community groups, corporations and small businesses to commit their Relay for Life team participation. Join us at this event to celebrate those who have battled cancer, remember those who lost, fight back against the disease, and help the American Cancer Society realize its vision of a world with less cancer and more birthdays. Please join us for our Relay for Life of Forest County on Friday, July 15, 6:00 pm at Cardinal Park in Crandon.

To sign up, participate or learn how you may volunteer, call Kadie VanCleve at 715-478-2548, or visit [www.relayforlife.org/forestcountyiwi](http://www.relayforlife.org/forestcountyiwi)

**Wabeno Area School Dist. Late Start Jr/sr High No School Elementary**

**ON WEDNESDAY, MAY 4, 2011**

The Jr/Sr High School students will be starting school 1 hour 50 minutes late on Wednesday, May 4, 2011. Parents should expect buses to arrive later than normal on this day. Please ask your child's bus driver for a pickup time. Dismissal time will not change. The purpose of the late start is for staff cooperative planning time. Parents who bring their children to school and children who walk to school should arrive at 10:00 A.M.

For Elementary students there will be no school on the first Wednesday of the month. This new initiative is to provide the elementary staff with more collaboration and training time for improving our reading and math programs. State instructional guidelines allow for this kind of scheduling as the yearly required minutes of instruction for elementary students are substantially less than those for Jr/Sr High students.

**Crandon Easter Egg Hunt**

**Saturday, April 23rd**

The 12:00 siren will announce the beginning of the annual Crandon Lions Club Easter Egg Hunt. It will be held on the Court House lawn. There will be three different areas for the children to gather eggs. Area 1 is for age 2 - 4, area 2 is for age 5 - 7, and area 3 is for 8 - 10. Areas will be signed.

Over 1,300 eggs will be within these areas. All eggs will contain six different flavors of Tootsie Rolls, 100 will contain \$1.00 bills courtesy of the Crandon Lions Club. 100 will contain a \$5.00 gift certificate for food, drink or dessert donated by the following restaurants: LaFetta's, Palubicki's Eats & Treats, Duck's Bar, Subway, Café Manoomin, Wilson's Drive Inn, Hotel Crandon, Kathy's Inn, Log Cabin, Old Depot Restaurant, Tricia's Bistro and Main Street Eds. Certificates may be redeemed at any of these restaurants before May 31st.

The Easter Bunny will be at the Crandon Lions Club House (former chamber building) for pictures

**Bear Lake study report**

The Town of Blackwell will host a meeting on Saturday April 30, 2011 to inform the public and to review the findings of the first year of a two-year study on Bear Lake. The town, with support from the U.S. Forest Service, the Association of Bear Lake and Environs (ABLE), the Aquatic Invasive Program of Forest County, and Bear Lake Shores Association, applied for a Department of Natural Resources Lake Management Grant to look into reasons for some algae issues the lake had been facing for several years and how the problem can possible be managed. The meeting will be held at the Blackwell Town Hall at the intersection of County Highways H and T, and will begin at 1:00 p.m. Refreshments will be served.

Under the direction of the Center for Watershed Science and Education at the University of Wisconsin - Stevens Point, teams of lake area residents had been taking water samples and recording various findings every two weeks from ice out to freeze over in 2010. Now at the midpoint of the study, Director Nancy Turyk feels this is a good time to bring out some of the findings and to let the public know what has been going on with their lake. Besides reviewing some of the preliminary data, participants will also hear the results of several lake vegetation studies which have been conducted. In addition, they will learn about the equipment used and how testing is done. There will be ample time for questions.

The informational meeting in intended for area fisherpersons, campers, and residents who want to know what happened to Bear Lake and learn what is being done to try to fix it. For questions contact Jenny Henkel, Town Clerk/Treasurer at 715-674-6467

**BUS SCHEDULE FOR APRIL**

**Senior Chatter**

Submitted by Kate Schultz

**ATTENTION SENIORS**

It has come to my attention by our sheriff, John Dennee that there is a Medicare Scam taking place.

It appears Medicare and the senior population is the target. They are asking for personal information, routing numbers from checking accounts and offering \$500 to sign on.....**DON'T!**

Do not give any personal information to anyone over the phone.

Please be very careful now and in the future to situations like this.

**Protect yourself and beware of scams!**

**Soften the Sounds**

**Loud sounds are stealing precious hearing from many Americans too soon** - including children, teens and young adults - leading to permanent noise-induced hearing loss.

**Know the sounds that can damage hearing:**

- A noise is too loud if it prevents normal conversation or if you have to shout above it.
- A single exposure to loud noise can permanently damage hearing.
- Prolonged exposure to sounds above 85 decibels can cause damage. Some examples: heavy machinery, lawn mowers, shop tools, boat engines, jet engines, jet skis and snowmobiles, fire-crackers and some hair dryers and vacuum cleaners.

**Use ear protectors:**

- Always wear earmuff-style protectors when operating loud machinery.
- Carry a few spare disposable foam earplugs for use during sports events, rock concerts, and other extra noisy occasions.
- Lower the volume on headphones and music sources.

Many people don't notice when their hearing is getting weaker. Listen up if others keep telling you to turn down the TV or must speak louder or repeat words when talking to you. See an audiologist for testing.

**Keep your hearing healthy in a noisy world.**

*Happy 1st Birthday Lil' Man*

*Love Mom & Dad*

*In Loving Memory of Riki Lyn Barker*  
Happy Birthday April 25th

*Sadly missed by Dad & Lynn, Sister Samantha, Daughter Briane, family & friends - Especially Dean, Brent, Angel & Abby*

**HAPPY STAFF APPRECIATION WEEK!**

Each of the staff members at the School District of Wabeno Area brings special talent, commitment and strength to our schools. Our school district is a success because of everyone working together. Thank you for all you do for our students, school district, and communities.  
Sincerely, School District of Wabeno Area School Board Members and Administrators

**In loving memory of Keith Kitchmaster who passed away 10 years ago on April 18th, 2001**

Our hearts go on without you, but nothing is the same. We have to hide our heartache when someone speaks your name. Sad are the hearts that love you, silent are the tears that fall. Living our lives without you, is the hardest part of all. You did so many things for us, your heart was always kind & true. And when we needed someone, we could always count on you. Those special years will not return when we were all together, but with the love within our hearts, you will walk with us forever. We love & miss you, Sue, Shelby & Ryan

**merci!**

*Thank You*

*Thank you from the family of Dennis (Minnow) Simons for being there for us in prayer, calls & the funeral. Father John Cerkas for the wonderful service, and the Blackwell Ladies for a great luncheon. Thanks again to all who helped, you will always be remembered for your kindness.*

*Ray & Shaulyn Simons  
Dennis & Madison (Shania & Ryan) Simons  
Kari (Vanessa & Trentin) Denton  
Brett Simons*

*In Loving Memory of Ronda*

*April 26, 1953*

*You will never be forgotten for though we are apart you are always and forever alive within our hearts. When someone you love becomes a memory the memory becomes a treasure.*

*Deeply missed and loved, Ronnie, Mom Terry, Darlene & Clint and her many friends*

The family of Peggy Schultz would to thank the following people...

Hospice of Rhinelander  
Weber Hill Funeral Home

The Ladies of Argonne for the lunch Family and Friends

I would also like to thank the following people personally for helping me take care of Peggy in her final months at home.

My sisters Betty, Terry & Marie Sisters-in-law Mary & Pattie Special thanks to Jane Marvin

*A Personal Note From Leslee*

Women tend to take care of themselves last and because of this, early signs of disease may be missed. Women in their thirties and forties should have a gynecologic exam on a yearly basis. This provides opportunities to discuss personal health concerns, obtain screening, and ask questions. Establishing a rapport with your healthcare provider will make that yearly exam much more comfortable. I look forward to serving you, the women of Oconto, Langlade, Forest, Florence and Marinette counties. You can schedule your appointment by calling Northern Health Centers today. If you do not have insurance and believe you cannot afford care, please do not let that stop you from taking care of yourself. Not only do we have an affordable sliding fee scale available for those who qualify, we also work with patients to assist them in applying for coverage through programs like the Wisconsin Well Woman Program.

Introducing **Leslee Granke, N.P.**

**You deserve Quality Women's Health.**

Health and wellness for women, by women... designed to meet the needs of different stages of life—from adolescence to later adulthood. Gain access to healthcare providers who understand and connect with the unique healthcare needs of women. **Call today. We're here to help create a healthier you.**

If you feel you are unable to practice yoga because you aren't "flexible", guess again. The benefits of yoga can be realized by everyone regardless of physical capability or whether you are male or female. While flexibility and strength are gained through yoga, the poses can be modified to suit each individual. My philosophy is that it's not about the pose, it's about you, the student. Yoga is YOUR practice, no one else's!

## Nicolet event April 27 encourages men to enter health care profession

Nicolet College is holding a career information session specifically for men interested in entering a health care profession Wednesday, April 27, on the Rhinelander campus.

"Traditionally, many fields in health care attract mostly women," said Lenore Mangles, dean of Health Occupations at Nicolet. "But over the past several years we've seen more men entering these fields and we want to encourage even more to do so."

The information session will take place from 5 p.m. to 7 p.m. in room 208 of the Art-Tech Center.

The event will feature a panel discussion led by men working in health care along with specific information about the eight different academic programs Nicolet offers in the health field. Information will also be available about the college's admissions process, financial aid, scholarships and academic advising.

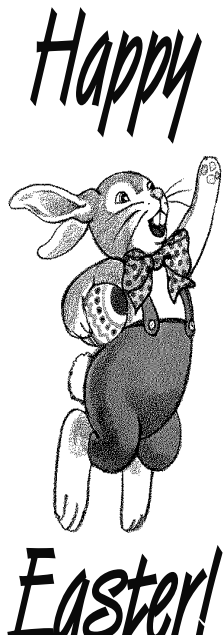

Those attending will also have the opportunity to tour labs and classrooms, meet instructors, and view different demonstrations. Refreshments will be served.

Health occupation programs at Nicolet include Nursing, Medical Assistant, Nursing Assistant, Surgical Technologist, Radiography, Clinical Lab Technician, Pharmacy Technician and Phlebotomy.

For more information, contact Kelly Anunson, Nicolet admissions representative, at (715) 365-4407, 1-800-544-3039, ext. 4407, TDD (715) 365-4558, or by email at kanunson@nicoletcollege.edu.

## 25 rescued by Humane Society

**Susie Sturzi is holding one of the little females the Humane Society rescued this month**

The Forest County Humane Society has rescued twenty-five small dogs from a Forest County residence. The condition the animals were living in was unhealthy and the dogs were removed.

Some of the animals were pregnant and many of them needed medical care. All of them will be spayed or neutered before they are put up for adoption. As the dogs are deemed fit by a vet, they will be released for adoption. If you are considering taking in one of these dogs, please be aware of the care they will require. They have not been socialized by human interaction as they were kept in cages. They will not be house broken. These animals will need love and patience from their new human companions in order to thrive.

The many medical needs of these animals has really taxed the finances of the Humane Society. If anyone would like to help the society, they can send donations to the Forest County Humane Society, P.O. box 57, Crandon, WI 54520. Any and all donations would be greatly appreciated.

If you are interested in one of these dogs, you may check the web site [www.forestcountyhumesociety.petfinder.com](http://www.forestcountyhumesociety.petfinder.com) for their availability, as they will post them there.
