Forest County squads now equipped with cameras & laptops

Sheriff Dennee demonstrates one of the new laptops
By Mike Monte

The Forest County Sheriff's Department has added some high tech equipment to their marked squad cars. All of the marked squads are now equipped with a lap top computer mounted in the vehicle. The computers are loaded with the Badger Stop TrACS program.

Badger Stop gives the officer almost instant info on a stopped vehicle. By running the plate number into the computer, the officer will be told who is the owner of the vehicle and will run a database on that person. The data will be drawn and given to the Sheriff's Department, the Clerk of Courts computer as well as the DOT data base in Madison. If that individual has outstanding warrants or is dangerous, the officer will know immediately and can call for backup. The system will also print a citation.

Sheriff Dennee is happy to report that the system was paid for by a Department of Justice Grant and a donation from the Potawatomi Foundation for the sum of \$22,500, so there was no cost to the local taxpayers.

In addition, the marked squads have also been equipped with digital cameras that will record all traffic stops. This system, says Sheriff Dennee is a good thing for the deputies, as it records any activity by the suspect, but it is also a good thing for anybody stopped by an officer who might be more aggressive than necessary.

The cameras were paid for by the Potawatomi Foundation with a \$20,000 grant.

Area Youth Exhibit Art

By Alyssa Mangold

Over the past few years a group of talented young people have been working with local artist, Johannah Axelrod, to improve their art skills. During these next few weeks these youth are displaying some of their pieces up at the Lakes Country Public Library in Lakewood WI, along with some pieces by artists from Mrs. Axelrod's adult class.

These gifted young artists include Abigail and Wesley Shaal, Alisha Boyle, Kaitlin Ellis, Suzannah Diamond, Ellie Donaldson, Alyssa, Aleena and John Mangold as well as Bridger Morris. All of these students range from ten to seventeen years-old and have been working with Mrs. Axelrod for the past few years. Their pieces include pastels, water colors, oil paintings and polymer clay works.

The art display will be up at the library through May 26th so be sure to go up and check out some wonderful art by some great young artists!

Wabeno Consignment Shop now open in Wabeno

Wabeno Consignment Shop is open for the season. The store is located on the main street of Wabeno next to the Laona State Bank. The store is open Wednesday through Saturday from 11 - 4.

The shop is sponsored by the Forest County Chamber of Commerce and has 30 consigners, most of whom are local. The consigners bring in items and price them themselves. The chamber receives 20% of the total and the Consigner receives the rest. There is almost anything you can think of in the shop. The items range from photography to Christmas decorations. There is even a men's department.

Joan Schertz manages the store and says that the store is great for Wabeno because it fills an empty store on Main Street, and allows the residents, one more place to find a treasure. There are two other volunteers that work with Joan and they are always looking for more help and more people to sell their items.

Forest Service wants ATV's and other vehicles off wet ground

Rhineland, Wis. (May 9, 2011) -- The U.S. Forest Service is notifying the public that wet conditions still exist on Chequamegon-Nicolet National Forest motorized trails. Because of these conditions the CNNF is asking people to not ride in wet areas.

Although the trails officially opened May 1, late spring weather conditions and additional rain in the forecast continue to make trails prone to erosion and other damage. The CNNF is asking that people choose to not ride in areas that are wet. Trail conditions should improve once the trails dry out.

Motorized use under these current poor conditions can lead to substantial long term damage and high cost for repairs. "We hope the public will use good judgment and ride responsibly to help us protect their trails from potential damage and reduce costly trail repairs and maintenance," added Forest Supervisor Paul Strong.

Our Deadline is Tuesday at 4:00 p.m.

Erica Keller Advances to State

By Megan Tarlton

Wabeno forensics competitor, senior Erica Keller, worked long and hard to make her way to the state level of competition in high school forensics this spring. Coached by Mark Asleson, three students participated in senior high forensics this year: Erica Keller, Kate Lowery, and Kimberly Spreeman. Forensics is for students who enjoy acting, reading aloud, or participating in any type of play.

Erica Keller has participated in forensics for six years, beginning in junior high. To reach the state competition in Madison, Erica first needed to earn passing scores at the sub-district level in Crandon, and then district in Tomahawk. This year Erica selected prose, a category which involves reading a story or article up to eight minutes long. She chose a short monologue by Erna Bombeck, about traveling in foreign countries and dealing with different public restrooms. Each presentation was scored by judges utilizing a 25 point rubric for evaluation. At state Erica received a score of 24 out of 25 earning her a silver medal.

While the forensics team attended the two day competition in Madison, they enjoyed shopping, eating lots of Italian food, and trying to stay dry in the rain. Overall, Erica did a great job making it to state, accomplishing much during her six years in forensics of which she and Wabeno High School can be proud. Congratulations!

There's a bear in the feeder!

When you feed the birds this time of year, you might have a larger visitor to the feeder.

This bear was in the feeder last year at the Denny and Lois Midtvedt cottage on Lake Lucerne.

Feeding the birds is fine in the spring, as long as you don't mind feeding bears. They can be hard on the feeders, and you can't blame the bears for being hungry!

Library Matters

Submitted by Michelle Gobert
Pet Food for Fines - Last year our Food for Fines promotion was such a big hit, that this year we are planning it again. However, this year instead of donating to our local food pantry, we are asking our patrons to help out the Forest County Humane Society. During the month of May, the Library is accepting donations to the Forest County Humane Society in place of overdue book fines. \$1.00 in fines will be removed for each canned food exchanged and \$5.00 for at least a #3 bag of dry food. All food items must be in their original packaging. Please note that library fines that are for the cost of replacement items are not eligible for this promotion.

College Goal Sunday

It's not too late for financial assistance!

College Goal Sunday (CGS) is a statewide charitable program that provides free information and assistance to families applying for college financial aid. In 2011 College Goal Sunday events took place at 30 sites around the state of Wisconsin, as well as, sites in 40 states and the District of Columbia. Throughout Wisconsin 2148 students and families received free assistance in completing their financial aid materials. Of these, 13% or 282 attended the Rhinelanders site ~ the highest attended site in the state.

In addition to assistance in completing the Free Application for Federal Student Aid, students and families were provided a light lunch, prize drawing, and \$5500.00 in scholarships all donated. Local community support for this event is astounding and demonstrates to the students the value that is placed by their community on postsecondary education. Event organizers want to thank those who volunteered their time to help at the event, and the local businesses and organizations who donated for the prize drawing, lunch, or scholarships.

Presentations on the financial aid process and transitioning to college were provided by Bill Peshel, Nicolet Area Technical College Financial Aid Director and Joan Lefebvre, University of Wisconsin Extension Family Living Agent, respectively.

Students and families are asked to complete an online survey at the event. Of the families in attendance at the Rhinelanders site 73% said they could not have completed, or not completed the FAFSA as well without the help College Goal Sunday provided and 88% felt it was worth the effort of attending. Volunteers assist families in the online completion of the FAFSA and the majority of respondents found this one-on-one help to be the most beneficial aspect of the event. While College Goal Sunday is open to anyone pursuing postsecondary education, the event was primarily attended by high school students with 96% of respondents currently enrolled in high school and 95% first time financial aid applicants. More than half of the students responding to the survey are planning to pursue a Bachelor's or higher level degree.

The Wisconsin Association of Financial Aid Administrators is responsible for planning and implementing the event for the state of Wisconsin. Locally, Forward Service Corporation Educational Talent Search and Upward Bound staff coordinates the event.

Rhinelanders High School has again graciously agreed to provide the location for the event and plans are underway for College Goal Wisconsin 2012. College Goal Wisconsin (name change) will be held at Rhinelanders High School on Sunday, February 19, 2012 at 2:00 p.m. The event is free and open to students and adults who will be attending postsecondary education and will be completing a FAFSA.

It is not too late for anyone interested in attending postsecondary education to apply for admission and/or financial aid. Educational Talent Search staff is available to assist with this undertaking and can be reached at 715-478-5480 or lwarning@fsc-corp.org

Couple charged with animal neglect in Crandon

Submitted by Daniel G. Packard, Jr., Chief of Police
 Crandon Police Department, May 10, 2011
 Animal Abuse/Neglect

Following a number of tips and complaints, an investigation was begun in April 2011 by the Crandon Police Department (CPD) into the possibility of animal abuse/neglect taking place at 405 N. Lind Ave. in the City of Crandon. A search warrant was subsequently obtained from Forest County District Attorney Charles Simono and served on John W. Johnson and Jacqueline L. Johnson at that location.

Upon acting on the warrant and searching the property, officers from the CPD and the Forest County Sheriff's Department (assisted by Susie Sturzl of the Forest County Humane Society and Dr. Alison French, DVM, Rhinelanders) discovered that there were 25 dogs—adults and puppies—most in poor health and being confined in appalling conditions. All the dogs were seized due to poor living conditions and visible mistreatment, which was corroborated by Dr. French, and were transported to the Forest County Humane Society to undergo evaluation and treatment.

John W. Johnson and Jacqueline L. Johnson have each been charged with Fourteen (14) Counts of Mistreating Animals—Intentional or Negligent Violation—PTAC, as a Party to a Crime; and Two (2) Counts of Providing Proper Food to Confined Animals—PTAC, as a Party to a Crime.

If convicted, each person may receive a fine of not more than \$10,000.00 (ten thousand dollars), or be imprisoned not more than nine (9) months, or both, for EACH count they are charged with.

A CBCW water inspection handbook and kit, containing all the tools an inspector needs will be available at the workshop. Seating is limited, so register soon. The workshop will be held from 9:00 a.m. to noon, Wednesday, May 25 th in the lower level meeting room at the Rhinelanders/Oneida County Airport Terminal, Hwy 8 West, Rhinelanders. The registry is voluntary and in no way insures that registrants will receive immediate or preferential treatment. It will not replace a personal emergency preparedness plan.

The registry will help us identify, by Township, individuals to emergency responders and establish a net work for the dissemination of information in regard to emergency services, such as warming shelters and personal preparedness information.

If you would like to place your name and basic information on the contact registry, please return the attached form to Janet Weber, CSW, at the Forest County Department of Social Services. Janet is the registry coordinator. She will be contacting you by phone to verify the information provided and to discuss any special needs (oxygen, hearing, sight, mobility or other physical impairments, seizures, etc.) that you might have.

We would encourage all of you to register and become part of the Forest County Emergency Preparedness Network.

A Personal Note From Leslee

Women tend to take care of themselves last and because of this, early signs of disease may be missed. Women in their thirties and forties should have a gynecologic exam on a yearly basis. This provides opportunities to discuss personal health concerns, obtain screening, and ask questions. Establishing a rapport with your healthcare provider will make that yearly exam much more comfortable. I look forward to serving you, the women of Oconto, Langlade, Forest, Florence and Marinette counties. You can schedule your appointment by calling Northern Health Centers today. If you do not have insurance and believe you cannot afford care, please do not let that stop you from taking care of yourself. Not only do we have an affordable sliding fee scale available for those who qualify, we also work with patients to assist them in applying for coverage through programs like the Wisconsin Well Woman Program.

Introducing
Leslee Granke, N.P.

You deserve Quality Women's Health.

Health and wellness for women, by women... designed to meet the needs of different stages of life— from adolescence to later adulthood. Gain access to healthcare providers who understand and connect with the unique healthcare needs of women. Call today. We're here to help create a healthier you.

TIP OF THE WEEK
 Does your dog need a smoothie? If your dog is severely matted, then the answer is yes. Mats pull tightly on a pet's skin, causing them constant discomfort and suffering. What is more serious is that air cannot circulate through the hair and skin, which can lead to major skin irritations and infections.

2nd Annual Laona Sports and Recreation Show

Young men had pits to go to when there trucks needed work

Jamie Doeren carving a bear with a chainsaw

Trout fishing was an event that everyone enjoyed

Saturday, May 7th, marked the 2nd Annual Laona Sports and Recreation Show in Laona, sponsored by Laona Machine Supply. Friday was not the best of weather, but Saturday had almost perfect conditions for people to come and see what vendors had to offer.

There was a wide variety of vendors in attendance. People got to see and walk into all sorts of campers, all terrain vehicles, docks, and hot tubs. A dirt race track was set up for people to race their remote control trucks. At the end of the day, Debbie Belland, won a Traxxas 2x4 truck in a raffle and Gail Lemerande was the lucky winner of a pair of Danner boots in the door prize.

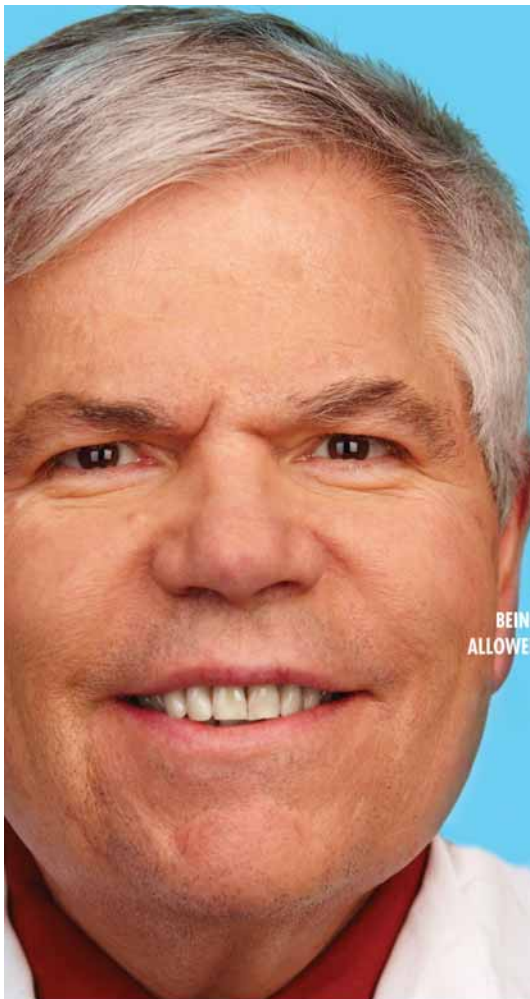

The show was a great success and I am sure next year will be even better.

THE PATIENT DOCTOR

BEING BOTH A MINISTRY MEDICAL GROUP DOCTOR AND A PATIENT HAS ALLOWED DR. CORTTE TO EMPATHIZE WITH HIS PATIENTS ON A NEW LEVEL.

A consistent struggle with my weight led me to become a patient in the HMR weight management program. They provided me with dietary and exercise plans to facilitate a long-term, healthy lifestyle. I was able to lose weight, lower my blood pressure and my cholesterol rates without medicine. Having this personal success story as a patient inspires me to help my own patients succeed.
