## Still Smoking opens in Crandon

By Mike Monte

If you are a smoker and like everything about it except the cost, you might want to stop in at Still Smoking LLC and roll your own.

Herb Adams has opened his new roll-your-own smoke shop on North Lake Avenue, in Crandon, just across the parking lot from Duck's Bar. The price is \$29.95 for up to 200 smokes, and with the Grand Opening special, you can take \$2 off the price. The Grand Opening price is good from Saturday, June 4th through Saturday, June 11th.

When you stop in, you pick the tobacco of your choice. Herb says they sell premium, U.S. tobacco with no additives. You will find that your smoke won't go out when you set it down. Still Smoking carries five distinctive bulk tobaccos which include two Turkish blends. You can also choose from nine selections of tubes.

Don't worry about using the rolling machine. Herb, Matthew, Lisa, Wilma or Brady will show you how to use the machine to make your own customized smokes.

Still Smoking also carries a selection of cigars, chewing tobacco, auto accessories, audio accessories and other miscellaneous merchandise.

In addition, the first 50 customers will receive a drink chip to one of Crandon's favorite bars.

Still Smoking is open Monday through Saturday from 10:00 a.m. until 6:00 p.m. For more info on the shop or the product, call 715-889-2871 or 715-438-2394.

## Holt & Balcom Museum to offer 2 programs this summer

The Holt and Balcom Logging Camp Museum in Lakewood will host two very special programs this summer, even though the Museum is closed for major renovation. On June 25 you are cordially invited to attend My Life as a Lumberjack starring Bill Kamke as John Nelligan. There will be two shows in the immediately adjacent McCauslin Golf Course and Country Club Clubhouse Dining Room, one at 2:00 p.m. and a repeat at 7:00 p.m.

Bill's hour-long presentation will be casual, interactive, and highly informative as he interprets the life of John Nelligan, from his birth in New Brunswick in 1852 to his life as a lumberjack in the Oconto area where he came in 1872. Bill's appearance includes a display of artifacts that he has collected over the years including a Big Pine Era timeline. This program is ideal family educational entertainment, suitable for all ages.

Bill begins his program with the history of the logging industry from coast to coast and its connection to Europe. He then turns his attention to how lumberjacks lived, their duties, the hardships they endured, the tools they used, what they ate, what they wore, and the funny camp stories that kept them amused. He ends by passing around various tools to see if the audience can guess what they were used for.

Then on July 23 the Holt and Balcom Logging Camp Museum will present Forest Fires: Then and Now by Gary Zimmer, a retired Forest Service Firefighting Team Leader. This lecture, also to be held in the Club Clubhouse Dining Room, will begin at 1:00 p.m.

A \$5.00 per person donation is requested for admission to the June 25 and July 23 events. Contact Kathleen Marsh at 715-276-6515 for more information.

Directions: Take Highway F to the McCauslin Golf Course.

## Memorial Day Observances

The squad fires at Cavour

It almost rained, but it didn't, and area Memorial Day ceremonies went as scheduled, but, unfortunately, the events were lightly attended.

The Laona VFW started their observance in Newald, moved to the Cavour Cemetery, and finished with a parade and a ceremony in the Laona Cemetery.

In each location the opening prayer was led by Dennis Mannering, Pastor of the Presbyterian Church. Lynn Liesch was the master of ceremonies. The Laona band provided music, including the National Anthem, and all of the various theme songs that represent the branches of the armed services, with the proper flag for each branch presented by the band's flag bearers.

Kimberly Mentz presented a speech in each community called "1868 Declaration Day." Her speech about veterans was followed by a salute by the VFW firing squad and the playing of "Taps." A memorial wreath was laid at all locations.

In Laona, the Laona High Band and veterans held a parade through town, then moved to the cemetery. 35th Assembly District Representative Tom Tiffany presented a speech. Tiffany reminded us that liberty is far more than freedom, it is also responsibility for our actions. Tiffany said that the founding fathers knew that we must have both liberty and responsibility.

## Nicolet to offer summer career counseling workshops starting June 15

Looking for some direction in selecting a career to pursue? Nicolet College is offering career counseling workshops in June, July and August to help individuals select the career that is right for them and the education necessary to get them on the path to success.

The first workshop will take place on two consecutive Wednesdays, June 15 from 1 p.m. to 3:30 p.m. and June 22 from 1 p.m. to 3 p.m. in Room 206 of the University Transfer Center on the Rhinelander campus.

The workshop in July will take place on two Tuesdays. The first session is July 12 from 10 a.m. to 12:30 p.m. and the second session is July 26 from 10 a.m. to noon in Room 106 of the University Transfer Center.

The August workshop will take place on consecutive Thursdays with the first session August 4 from 10 a.m. to 12:30 p.m. and the second August 11 from 10 a.m. to noon in room 106 of the University Transfer Center.

Each two-session workshop will include in-depth assessment, lecture and discussion to give participants information about their individual interests and personality traits to help them make informed decisions and plan their career and education goals. Two well-recognized career assessment tools, the Myers-Briggs Type Indicator (MBTI) and the Career Assessment Inventory (CAI), will be used in this workshop. Upon successful completion of the workshop, an optional, individualized session with a career counselor will be available.

Fee is \$18.90 or \$13.31 if age 62 or older. To register, call (715) 365-4493, 1-800-544-3039, ext. 4493 or TDD (715) 365-4558 or 711 relay.

## Forest County Potawatomi Community Reaffirm Annual Agreements with Wabeno and United Area Rescue Squad

Crandon, Wis: The Forest County Potawatomi Community has reaffirmed longstanding partnerships with the United Area Rescue Squad and the Town of Wabeno. The two entities received \$21,218.00 and \$22,619.45 respectively to ensure rescue and fire protection services for all those living and working on tribal lands.

"We are pleased to partner with the Town of Wabeno Fire Service and the United Area Rescue Squad again this year," said Forest County Potawatomi Chairman Gus Frank. "Revenues from Indian gaming have made make it possible to support these services, which benefit our members and the Wabeno region as a whole."

"The United Area Rescue Squad has a strong working relationship with the Forest County Potawatomi Community," said Jeff Hersh, Chief of the United Area Rescue Squad. "These monies will go toward the purchase of medical equipment as well as operating costs, which will greatly improve the quality of service we are able to provide."

"The renewal of our agreement with the Forest County Potawatomi is another example of the positive government to government relationship that both parties benefit from," said Town of Wabeno Chair Edward Piontek. The agreements, which total \$43,837.45, come after the tribe awarded \$95,000 to the Crandon School District for the Virtual Desktop Project in March and \$265,000 in grant monies to the school districts of Laona and Wabeno, the Community Coalition of Forest County, the Forest County Aging & Disability Resource Center, Forest County Commission on Aging, the Wabeno Sanitary District and the Town of Laona in January.

The tribe is the largest employer in Forest County, providing approximately 800 jobs to area residents through tribal government, the Tribe's health center, its Carter hotel and casino, and other businesses.

## Public invited to attend Resource Advisory Committee meeting

RHINELANDER, Wis. (May 26, 2011) – Members of the community are invited to attend the Chequamegon-Nicolet National Forest's (CNNF) Resource Advisory Committees (RAC) meeting June 22 in Crandon, Wis.

The RACs are a way for local communities to work with Forest Service managers in recommending projects on federal lands, or projects that will benefit resources on federal lands using Title II funds. Title II funds under the reauthorized Secure Rural Schools and Community Self-Determination Act (Public Law 110-343) are made available to the RACs by counties receiving federal funds based on the percentage of land in federal ownership, timber receipt payments and per capita income.

The Nicolet RAC funds are available for the Eastside of the CNNF.

The meeting takes place June 22, 2011 at 9:30 a.m. in the Forest County Courthouse, County Boardroom, 200 East Madison St., Crandon, Wis.

During the meetings, committee members will review and recommend project proposal submissions for Title II projects. Projects can include restoring and maintaining watersheds; maintaining or obliterating roads, trails, or other infrastructure, controlling noxious and exotic weeds and reestablishing native species. Projects can also include improving soil productivity; restoring, maintaining and improving wildlife and fish habitat, and other improvements to forest ecosystem health. Projects must be located on Forest Service lands.

## Crandon Summer School program

The School District of Crandon offers a voluntary summer school program to high school students who need to make up failed courses and/or finish courses marked as incomplete due to major excused extended absence. Additionally, athletes can use summer school as an opportunity to regain eligibility for fall sports. Certain requirements must be met for students to gain credit.

Incomplete courses will require completion of outstanding work. When work has been satisfactorily completed, credit will be given and the student will no longer be required to attend class.

A course failed in both quarters of a semester requires the student complete satisfactory work and attend for 90 hours over the 30 day duration of summer school. Any missed time must be made up. The student will receive credit for each quarter and the semester. Only one semester can be made up with this option.

A course failed in one quarter of a semester and resulting in a semester failure requires the student complete satisfactory work and attends for 45 hours over the thirty day duration of summer school. Again, any time missed must be made up. The student will receive credit for that quarter and semester. It is possible to make up work for two semesters with this option.

Summer School Hours are: 7:30-8:30 Teacher Preparation; 8:30-10:00 First Session; 10:00-11:30 Second Session

Classes Start on Wednesday, June 15th.

Some students may need time off for emergencies, family events, or activity related camps. Teacher preparation time can be used to make up any class time missed due to absence or tardiness. Attendance records will be carefully maintained.

In summary, each student (except those with incomplete grades) must fulfill two basic requirements. These requirements include satisfactory completion of work and attendance. Should poor attendance lead to there not being enough class days to meet hourly requirements, the student will be dropped from the program and no credit awarded. Regular attendance is absolutely necessary.

Should you have questions please contact Mr. Pfeifer, Ms. Keao or Mr. Space at (715)478-3713.

# Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

To the editor:

On Friday, May 20th, County Zoning Administrator Pam LaBine invited "all interested landowners" to attend the first of (4) sessions on the new shoreland zoning ordinance that will be crafted by Forest County in response to the DNR's re-writing of NR115. NR115 is a Department of Natural Resources statute whose purpose is to "promote the public health, safety and general welfare by adopting zoning regulations for the protection of all shoreland in unincorporated areas". Under the state's Public Trust Doctrine Wisconsin lakes and rivers are public resources, owned in common by all Wisconsin citizens. Based on the state constitution, this doctrine has been further defined by case law and statute. It declares that all navigable waters are "common highways and forever free", and held in trust by the Department of Natural Resources.

During this meeting, Ms. LaBine recommended a "volunteer" work group be established to evaluate the re-writing of NR115 and make an official recommendation(s) to Forest County officials for changes in the shoreland zoning ordinance. Although counties have the flexibility to apply more stringent standards to NR115, Ms. LaBine made it clear that the county's intent was to adopt minimal standards. When I volunteered to participate on the work group, I informed Ms. LaBine that I am a past member of the City of Franklin Environmental Committee and had experience with NR115 zoning requirements. Ms. LaBine said "I prefer professionals be on this work group - like lawyers and landscape designers".

I would like to remind Ms. LaBine that like other citizens of Forest County, my taxes help pay her salary. I have the right to participate in the process that defines how the public's water resources will be protected. As a past member of the DNR - appointed Root River Partnership Team which was a diverse group of area business owners, private land owners and conservation groups - and included major players like South Eastern Wisconsin Regional Planning Commission, I know how to work with people to find a "middle ground" that is acceptable to all and in the best interest of the general public. I suggest Ms. LaBine rethink her strategy and include us taxpaying citizens in her work group. As Ms. LaBine stated, it's a much easier process (and costs the county less) if people work together instead of everyone wanting to sue one another - to make their point. Linda Sturnot  
 Argonne, WI

Letter to the editor:

I would like to say how much I appreciate Scott Walker for voter ID. Everyday I am more proud to be from Wisconsin. I am glad I voted for him and he's doing a great job.

To quote a line in a letter from last week's paper, "Wisconsin has always been a state with very little voter fraud." Wisconsin should have NO voter fraud, and now we will.

I am not worried about the elderly or low income getting to the DMV. The unions have always helped in the past and I am sure they will help out now.

This "Poll Tax" is a small price to pay to make sure that all legal voters only vote once. If you don't like this idea, move! I hear in Chicago you can vote more than once if you want, heck the dead even vote. Now if you need directions to Illinois ask our Senator Jim Holperin. Jennifer Nery, Hiles, WI.

## Holperin Co-Sponsors Rural Jobs Bill

A reduced tax obligation for dairy, meat and food processing facilities would be the main incentive for those businesses to invest in plant upgrades under legislation introduced this week, said State Senator Jim Holperin (D-Eagle River) who co-sponsored the bill.

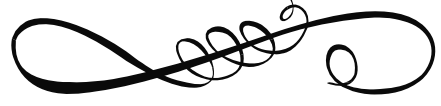

"Tax credits are already available to dairies, meat packing plants and food processing facilities if those businesses upgrade, expand or modernize equipment or facilities," Holperin said, "but the total amount of tax credits is capped and this legislation raises the cap."

Holperin said the dairy manufacturing tax credit cap would rise from \$700,000 to \$1 million, while the cap on tax credits available to meat and food processing facilities would go from \$700,000 to \$1.2 million.

"Typically, equipment or facility upgrades are accompanied by the addition of good, family-supporting jobs," Holperin added. "That's the main goal."

Increasing the maximum amount of tax credits available to food processors and warehouse facilities could have a positive impact on northern Wisconsin businesses which process or store cranberries, potatoes and sweet corn, he said.

Another element of the legislation would offer a 10% to 12% tax credit to anyone who invests in a Wisconsin Community Development Finance Institution (CDFI). These local lending organizations sanctioned by the U.S. Department of the Treasury take the cash invested in them and make small loans to businesses that may have difficulty finding credit elsewhere. The CDFIs also offer financial counseling and advice to small businesses in rural areas.

### Lego Camp July 11 to 14 at Nicolet College for 1st through 6th graders

Students in first through sixth grades are invited to perfect a variety of skills by building Lego creations at Nicolet College's upcoming Lego Camp Monday through Thursday, July 11 to 14, on the Rhinelander campus.

In the Junior Engineering session, first through third graders will build and modify machines while learning basic engineering principals. Students will also learn the concepts of simple machines, forces in motion, problem solving, and communication. The session runs from 9:00 a.m. to noon each day in Tamarack Center Room 210.

The Collision Cars session will have fourth through sixth graders building a variety of battling machines. In the process students will engage in exploration, problem solving, and risk taking with a goal of learning and experimenting with how machines work and compete. Students will learn a variety of concepts including basic engineering principles, gearing and gear ratios, electric motors and energy, problem solving, and communication skills. Collision Cars runs from 1:00 p.m. to 4:00 p.m. each day in Tamarack Center Room 210.

Nicolet's Rhinelander campus is located one mile south of the city just off Hwy. G.

Cost for each session is \$114 and includes a light snack each day and a t-shirt. Registration deadline is June 17. To register, call Nicolet at (715) 365-4544, 1-800-544-3039, ext. 4544; TDD (715) 365-4558 or relay 711

### WXPR Public Radio 91.7FM and Nicolet College Present The Pines

WXPR and Nicolet College welcome the Pines to the Nicolet LRC Theater on Saturday, June 18th at 7:30P.M.

The Pines are David Huckfelt and Benson Ramsey. The son of Greg Brown's producer and sideman Bo Ramsey, Benson was surrounded by folk and blues music and continues to let those influences shine. David also has a deep love for traditional music, and together the two of them craft music that evokes the ancient while incorporating newer rock and pop grooves.

Tickets are \$20 in advance or \$25.00 at the door. Tickets can be purchased by calling WXPR 715-362-6000 or online at [WXPR.org](http://WXPR.org). WXPR is an independent community-sponsored public radio station.

### Wabeno Lions honor Senior Citizens and High School Seniors

On Friday, April 29, the Wabeno Lions Club hosted its annual Senior Citizen Fish Fry. As guests of the Lions Club, senior citizens from the area gathered at Madonna Hall in Wabeno to visit with friends, to enjoy a fish dinner prepared and served by the Lions Club, and to enjoy entertainment provided by Lions Leo Lamers and Gregg Tallier. The Lions delivered meals to those who were not able to attend the event.

The Wabeno Lions, along with the Lakewood McCaslin Lions, also honored Wabeno High School seniors at its 57th annual Senior Banquet. The senior class and their parents, along with their class advisor, other faculty members, and members of the administration and school board enjoyed a chicken dinner prepared by Pichotta's Pub in Wabeno, held in the high school gymnasium. Lion Mike Richmond was master of ceremonies for the event.

After the dinner, the group gathered in the auditorium to hear guest speaker Richard Pintsch, a 1968 graduate of Wabeno High School and owner of Pintsch's Hardware in Townsend. Richard talked about the many changes that have occurred over the years since his graduation and reminded the students that despite the small size of Wabeno's high school, they have received an excellent education that will allow them to be and do whatever they set out to do. He said that a key factor will be in how they adjust to the many and sometimes unexpected changes that will occur in their lives.

The Wabeno Lion Paul Newton recognized seniors Erika Keller of Lakewood and Brad McLaughlin of Wabeno with the club's annual service awards. Both young people have been actively involved in a variety of volunteer activities that exemplify the Lions motto "We Serve."

**Laona Lions Trap Shoot**

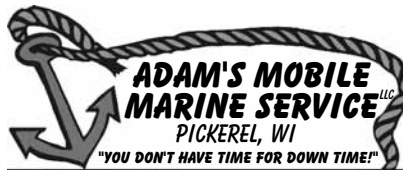

Lucky Tim Kalata left, and Tim Connor

The Laona Lions had a fantastic day at the Trap Shoot on Sunday May 29th at the Rainbow Sportsman Club in Cavour. The winner from each trap round received either a turkey, chickens, bacon, steak or cornish hens. The Laona 6th grade class helped run the kids games, which was the first year with games at this event.

Lion Tim Connor donated a gun for a special afternoon raffle. The winner of the raffle was Ray Brickner III. Ray generously donated the gun back to the club to have a 2nd raffle. The winner of the second raffle was Tim Kalata. Kylee Egan helped Lion Ron Brooks with the main raffle. 1st place was LuAnn Doll, Newald- 12 ga. Remington 28" VR, 2nd place Nick Marshall, Lakewood 20 ga. O/U CZ USA, 3rd place Mike Belland, Laona- Leaf River Game Camera, 4th place Ken Winkelman, Laona- 14 Carat White Gold Green Amethyst Earrings, 5th place Melissa Winkelman, Laona- hunting supplies donated by Connor Building Supplies.

**Joe Gengalo retiring**  
 The Postal Service is losing a valued employee at the end of May. Joe Gengalo, who served the Crandon Post Office for the past ten years as a city carrier, will be retiring May 31. Joe was raised in nearby Jennings, Wisconsin. He served our country in the United States Army for twenty years where he received the Soldiers Medal for Heroism, First Sergeant in the Infantry and made the Sergeant Majors List.  
 After retiring from the military, Joe began his Postal career in 1999 as a rural carrier in Summit Lake. In 2001, he came to Crandon, where he stayed for the remainder of his career. Many of you came to know Joe while he walked the downtown and surrounding streets, delivering mail to local residents. Joe always displayed professionalism and took pride in working for the U. S. Postal Service. Postmaster, Jeff Heaney, expressed gratitude for the way Joe served the Postal Service, stating that during his ten years, Joe never used one day of personal sick leave. Joe would personally like to thank the Postal Service for enabling him to meet so many customers who also became his friends.  
 Joe is an avid fisherman and enjoys motorcycle riding and scuba diving. Any scuba divers out there are welcome to Joe a call. Joe is also an avid Packer fan. GO PACKERS, Joe! If you see him about town wish him well. Have a happy retirement, Joe. You will be sorely missed by your customers and coworkers.

**Townsend Flowage Association hosts boating safety class**

The Townsend Flowage Association (TFA) is conducting boater safety training again this year. Classes will be held Friday night, June 10 and Saturday morning June 11 at the Lakewood Townsend Ambulance Garage. Last year's classes filled quickly so call today to reserve a spot. Contact TFA President Dan Coopman at 715-276-6157 for reservations and/or more information.  
 TFA has six certified Boater Safety instructors; this is their second year of offering training sessions. The public needs to be aware that Wisconsin State Law says that if you were born after January 1, 1989, you are required to have a Safety Certificate to legally operate any motorized watercraft. Uncertified operators can be cited and fined up to \$200.00.

**Holt & Balcom Golf Outing**

Love to golf? Then you do not want to miss the Holt and Balcom Logging Camp Museum Lumberjack Links Golf Outing to be held June 12 at McCauslin Brook Golf and Country Club in Lakewood. This inaugural charity event will begin with a shotgun start at 12:00 noon. The deadline for early registration is May 15, and all registrations must be in by June 1.  
 The entry fee of \$75 includes golf, cart, gifts, prizes, drinks, and a supper buffet. Cash prizes will be awarded for best score, longest putt, longest drive, closest to pin. The day will include raffles and lots of surprises.  
 An early registration fee of \$60 is available if mailed by May 15. All proceeds will go to the restoration of the Holt & Balcom Logging Camp Museum. Registrations may be sent to Lumberjack Links; 16965 Nicolet Rd; Townsend, WI 54175. Call 715-276-6515 for more details.

### Shop in Wabeno For Thrift Store shopping at Its best

Looking for a treasure? Looking for a bargain? Looking for a unique shopping experience? Shop Wabeno's Christian Thrift Store for the best that thrift stores have to offer.

Designed primarily to serve the people of the local communities with a place to purchase a variety of goods at very reasonable prices and to make financial contributions to individuals and organizations in need, Wabeno's store has also become a place for everyone to shop for bargains and treasures.

If you are looking to expand your wardrobe inexpensively, come to Wabeno. You will find a variety of clothing and accessories for far less than you could find them at retail stores. The Christian thrift store receives numerous donations of gently used and often new clothing as well as accessories such as belts, purses, scarves, jewelry, and shoes. Shoes are cleaned and sanitized. Why spend more for a pair of jeans when you can get a perfect pair for \$2.00 at Wabeno's store? A room is available to try on clothing.

The store also stocks a variety of home décor items and collectibles at very affordable prices. You might just find that special knock-knock, bowl, or set of glasses that you've been looking for. You might also find the lamp or end table to fill the spot in your living room that "just needs something."

The store is neat, clean, and well organized. Stop by to donate your own gently used items and then shopjust for the thrift-store experience or to restock your wardrobe. While you are there, you might also discuss "volunteering" with the store manager or other volunteers.

The store is located on the west end of Hwy 32 (main street) in Wabeno. Store hours are 11 A.M. to 4 P.M. Monday through Saturday.

### Crandon alumni visits the art class

Carley Allred, Crandon School alumni, recently talked with high school art students about her experiences at UW-Oshkosh as an art major. Carley presented and explained her paintings and intaglio work. She was recently accepted into the Bachelors of Fine Arts program and plans on an emphasis in printmaking. Carley is pictured on the right with Mr. Mackowski's painting class.

### G/A School Summer Food Program

Stressing the importance of offering nutritious meals to children during summer months, the Goodman-Armstrong Creek School District announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-price meals are typically unavailable. Free meals will be made available to eligible children 18 years of age and under. Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

The following location will be serving the free meals this summer starting June 6th through June 30th: Goodman-Armstrong Creek Elementary School (Monday-Thursday only). Breakfast will be served from 7:30 a.m. to 8:00 a.m. and lunch from 11:30 a.m. to 12:00 p.m. Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of meal service.

"This program fills a void created when school lunches are not available," said Mr. Dennis Christian, District Administrator. "Helping parents meet the nutritional needs of their children is the strength of this program."

### Fishing For Fun on Chute Pond

Hey Kids....(3yrs thru 3rd grade)...bring your Special Adult Male Role Model (example: Dad, Grandpa, Uncle, etc.) to attend the 7th annual "Fishing for Fun" Event at beautiful Camp U-Nah-Li-Ya on Chute Pond.

This event will take place on Saturday, June 25 from 9:00 am to 1:00 pm. And will include a bon fire, hotdogs etc. THERE IS NO CHARGE FOR THIS EVENT!!

Free Fishing Pole for each child to take home with them to use again and again. It will be a great day for dads and kids to spend some quality time with each other. (If adult wants to fish, he will need a license.)

Research shows that children with active adult Male Role Models have good grades, positive problem solving skills, good health, close friendships, as well as empathy and compassion.

Today's adults are so busy; we would like to encourage them to take time for a little fun with their young child.

This event is being brought to you by the Oconto County UW-Extension Parenting Resource Center and the Suring Area Public Library Summer Reading Program. Donations from area businesses and Sportsman's Clubs make this event possible!

REGISTRATION IS LIMITED, please register by June 10. Register by calling (920)834-6846, emailing becky.dolata@co.oconto.wi.us, or obtain information from our website. http://oconto.uwex.edu/.

**Schoolyard Habitat Across Wisconsin**

By: Gloriann Waube  
 A few years ago at the elementary school, a garden project was started that was later expanded to include the high school in 2009. The intention of this project is to educate students and the community on how to restore native habitats. Project coordinators plan to use the garden for different ecological studies and environmental topics, such as the impact invasive species have on local native plants and animals. They hope to instill a cultural awareness of the environment and society's impact on it.

The schoolyard habitat project was brought to Wabeno by the USDA Forest Service. Funding for this project has been provided through a grant, which will last until May 2011. Community members have also donated supplies and equipment. Various aspects of the project take place within the school and the school forest.

It takes many people to be involved in a project like this! Creation of the garden could not have been done without the help of school faculty members and students. Ms. Vaclav, WHS biology teacher, states, "This is a collaborative project that couldn't have been accomplished without the help of other teachers, community members, students, administration, and our maintenance staff. Mrs. Pries and Mr. Exford have been extremely helpful in every aspect of this project, and we couldn't have done it without them." The other teachers in the WHS science department, Mr. Twardowski and Mr. Taylor, have assisted Ms. Vaclav throughout this project along with Nicole Shutt from the USDA Forest Service.

The students in the science department along with the CDS class have played the largest roles in the production of the garden. Each class has played a different role in the process. The Biology class plans and leads the project by helping with seed collection, stratification of the seeds, sowing of the seeds, data collection on all the plants, and finally planting. Nicole Shutt is the main contact person from the Forest Service, contributing to the success of the transformation of our Wabeno District schoolyard to a native plant garden.

**Flea-zaar Coming July 15 - 16**

The 6th Annual Flea-Zaar (best of a flea market plus the best of a bazaar) is coming to Forest Larger Parish on Friday and Saturday July 15-16! We need your donations: household items (that have no disposal fees!), large items like boats, cars, ATV's, mowers, snowblowers, etc. We will not be accepting any electronic items including radios, TVs, VCRs, DVD players, computer monitors, hard drives or printers, electric typewriters, fax machines, telephones, cameras, or microwaves. Due to frequently changing laws, we will not accept car seats and due to transportation issues, NO PIANOS, PLEASE! If you are moving or selling a home and need help emptying out the house, give us a call in the parish office and we will make arrangements to remove any items you wish to donate.

Your donated items are marketed to raise money to support our Parish programs while providing a service to those shopping for quality used items at bargain prices. Through the Flea-Zaar, we fund many of our parish programs and mission projects. We will be open for collection of donations on Thursday, July 14 at the Lakewood Presbyterian Church on Highway 32, but if there is a large donation offered, we will try to arrange to pick it up before then. Please call the Parish office Monday through Thursday from 9 a.m. to 2 p.m. if you have questions about what we are looking for and how to arrange for pickup/delivery of donations (phone 715-473-3603). Receipts are available for those who want them for tax purposes. Should you have something of value that you don't really need/use anymore, this is a worthwhile way to dispose of it!

THIS YEAR FOR THE FIRST TIME... we will be having a special tent set up just for handcrafted items made by the people of Forest Larger Parish! We will also be selling popcorn throughout both sale days.

As always, there will be a silent auction both days. Friday will include a Chicago Style Hot Dog Sale and Saturday will include a bake sale and a lunch of hamburgers, brats, beverages and our famous Strawberry Shortcake.

The sale will run from 8 a.m. to 4 p.m. on Friday and from 8 a.m. to 2 p.m. on Saturday.

#### Boost your veggie quota

Vegetables are packed with vitamins and minerals, fiber, and countless chemicals known to boost health. Get your recommended 1½ to four cups a day with these easy ways.

**Give vegetables center stage.**

- Cut bite-size pieces of vegetables and skewer with alternating shrimps or chunks of lean chicken for delicious kabobs.
- Layer thinly sliced vegetables on sandwiches. Good picks: cucumber, tomato, mushroom and avocado.
- Snack on vegetables with a low-fat dip.

**Add vegetables to favorite dishes.**

- Enjoy sautéed peppers, zucchini, mushrooms, asparagus or onions in omelets or scrambled eggs.
  - Cut meat volume in half and double the vegetables when making stews, soups and chili.
  - Make or order your pizza with extra vegetables.
- Make salads daily fare. A large salad is 3 to 4 servings of vegetables.**

- Start each lunch or dinner with a generous mixed salad.
- Add hearty beans or whole-grain pasta.
- Add surprise ingredients such as nuts, sunflower seeds or dried cranberries.

Next time you're at the grocery, fill your cart with a variety of fruits and vegetables. **Pick one in every color!**

**Crandon's Memorial Day Service**

*Captain Joe Davison giving Memorial Day speech*

By Boyd Monte

Memorial Day is a day that Americans designate to remember all of the people that have given their lives for our freedom. It is not just for a particular war or conflict, but all of the men and women who died while serving the United States. This past Monday, May 30th, the residents of Crandon came together to remember those who gave the ultimate sacrifice so that we can live in freedom.

The Memorial Day Service started with a parade of veterans from World War II through the present day. The Crandon High School Band followed. The parade started at Northern Lakes Service and ended at the Courthouse. Everyone gathered there in front of the Memorial Building for a short service. Tim Bahr was the MC and led the Pledge of Allegiance, after, Haley Kincaid sang the national anthem.

The Ladies Auxiliary presented a memorial wreath and Betty Gordon read the names of all of the people who have died on foreign soil while in time of war. Betty also read a moving poem.

Captain Joe Davison was then introduced to give the Memorial Day speech. Captain Davison told us about serving in Southwest Baghdad and coming under heavy fire, having lost men and when returning home how the communities love and support was far more helpful with recovery than any government aid. He also reminded all of us that we should never forget the people who paved the way for future generations to enjoy living in freedom.

Fourth grade students in Laona recently planned a community service project with their guidance teacher, Mrs. Kruger. They chose to do a bake sale and give the money to the Forest County Humane Society. Susie Sturzl came to speak to the class about the animal shelter and accept a check of \$133.36 from the class, as well as toys that were donated for the animals.
