Beachside Bar & Grill & Cabins on Metonga

By Mike Monte

Kevin and Shelly Buntin have been running the Beachside since Superbowl weekend in February. Newcomers to the business, they started slow, learning the ropes of the restaurant and bar business.

As the business progressed, the couple have expanded their menu, and in recent days, they have expanded the amount of "summer fun" drinks.

The Friday night fish fry has been a success, with good comments from the diners. Their nachos have been another house favorite, according to Shelly. She explained that they are served on a 12-inch pizza pan and are four inches thick. She said they have been experimenting with blackened steaks, chicken and salmon with good results, and that they are always changing the daily specials. Broasted chicken, says Shelly, is coming.

The Grand Opening is scheduled for July 9th, so watch for their ads. Beachside will be featuring a pig roast, a DJ and karaoke and prize drawings. The tickets for the drawings are already being passed out, because when you buy a drink now, you will be given a ticket that could be drawn at the Grand Opening.

Beachside also has two cabins on the beach of Lake Metonga for rent. A third cabin is planned for conversion to a tiki bar. The phone number at Beachside is 715-478-1059.

We wish the Buntins the best of luck in their venture!

Crandon Farmer's Market returns

Crandon Farmer's Market will be opening for business on Wednesday, June 29th and each Wednesday afterward until the middle of October. All produce will be produced locally by the vendor who sells it. Crafts will not be allowed. During the course of the season, we will be offering fresh fruits and vegetables, flowers, herbs, potted plants and more.

We will be located at the same location, 301 W. Glen Street, on Highway 8, thanks to the owners, Greg and Jayne Weber. We have room for more vendors, so if you are interested in selling your produce, please call 715-487-5890. Non-profit organizations may rent a space to sell baked goods. One a week will be permitted. We're looking forward to a great season, and hope to see you there!

Family Fun Day to raise funds for Townsend/Lakewood Ambulance Service

Red Arrow Snowmobile ATV Club is sponsoring a Family Fun Day on Saturday June 25th to help support the local ambulance service. The event will be hosted by My Bar/Birch Hills Resort on Nicolet Road with a full day of activities scheduled. At 9:00 a.m. the club will have its early summer meeting followed by an ATV/UTV trail ride at 10:00 a.m. From 1:00 p.m. until 5:00 p.m. there will be a "Beach Party" with DJ music, raffles, food and liquid refreshments. The general public is invited to attend any or all parts of the day's events. All profits from the event will be donated to the Townsend/Lakewood Ambulance service. Come join the fun!!!

Event participants trailing ATVs/UTVs are asked to park their haulers at the ATV/UTV parking area just north of the Townsend Town Hall and ride to the event. Next door Hillcrest Lodge is sponsoring their annual Bass tournament the same day so parking in the area is somewhat restricted.

Finally, there are still a few seats available for the ATV Safety course scheduled for the evenings of July 6 & 7. Contact Club President John Brantmeier by phone at 920-540-5948 or e-mail him at jbrantmeier@athenet.net for more details about both events.

Forest County Health Department's Community Health Improvement Plan

Forest County Health Department along with community members, health care partners, local elected officials, tribal health partners, and other government agencies, worked together to conduct a community needs assessment and develop a five year plan to improve the health of Forest County residents. County health data was evaluated and the group looked at how Forest County compared to other counties in the northern region and also the state as a whole. The top three priority health issues were identified as Adequate and Appropriate Nutrition, Physical Activity and Alcohol and Other Drug Use.

The plan has two main vision statements. The first is that Forest County residents, through consuming healthy diets and increasing physical activity, will reduce illness and death from the impact of chronic diseases, such as heart disease, diabetes, stroke and cancer. The second vision statement is that Forest County residents will reduce alcohol and other drug use to protect the health, safety, and quality of life for all.

The five year plan includes an overview of the problem, goals, objectives and target outcomes, along with suggested strategies to be implemented. It is closely linked to Wisconsin's Health Plan: Healthiest Wisconsin 2020, Everyone Living Better Longer. The intent of the plan is to foster community partnerships in order to improve the health of our residents. Health is not something we get at a doctor's office; it starts in our

Death Notices

LECK MONTGOMERY, age 96, of Crandon, passed away peacefully at the AGI Health Care Center, Crandon surrounded by his children on Wednesday, June 8, 2011. Leck was born in the Town of Nashville on April 2, 1915 the son of John and Delilah (Bellomy) Montgomery.

On August 7, 1935 in Crandon, Leck married Florence Maxon. She preceded him in death on December 27, 1995.

Leck was a proud volunteer in the CCC (Civil Conservation Corps.) program for several years, and was happy to contribute. He was a woods worker for a time and later worked for Tecumseh Products of New Holstein before retiring back to Crandon.

He loved hunting, fishing and gardening. He also loved his family, God and church. He was a lay minister and proud to be instrumental in building the Church of God in Crandon, where he was an active member most of his life.

We will miss his smile and sassy sense of humor, but happy he is home with God where he longed to be. He is survived by: Daughters: LaVerne Hiorns, California; Sharen Blair, Argonne; Juanita (George) Geiser, Chilton; Brenda Isajiw, Crandon; Daisy Ninedorf, Monico; Teresa (Kevin) Mentz, Crandon; Sandra Culver, Rhinelander. Son: Maynard (Christine) Montgomery, Macon, GA. Son-in-law: Bernard Jent, Oshkosh. 37 grandchildren and numerous great grandchildren

Preceded in death by his parents; two daughters, Delilah Jent & Darlene Kwick; four sons-in-law, Ralph Blair, Dennis Ninedorf, Hugo Culver & Richard Hiorns; three granddaughters, Patricia Kwick, Wendy Sue Woodwark and Tina Montour; and a great grandson, LeRoy Blair.

Visitation was held on Saturday, June 11 from 11:00 a.m. until 12:45 p.m. at the Weber-Hill Funeral Home, Crandon. Funeral services followed at 1:00 p.m. Saturday at the Church of God, Crandon with Pastor Jerry Fielhauer officiating. Interment was at the Nashville Town Cemetery. Online condolences www.weberhillfuneralhome.com

Palbearers were: Ralph Blair, Todd Montgomery, Clifford Kwick, Michael Ninedorf, Damon Isajiw and Caleb Culver.

CHARLOTTE MAE (WALD) SHAW of Fairview Tennessee passed away June 8, 2011. She was the daughter of Marvin and Irene (Mattson) Wald.

Charlotte is survived by son - Todd Webb of Menasha, Daughter - Suzette Marie Morales of Columbia, TN, Brothers - Michael (Linda) Wald of Hammond, IN; Dennis (Nora) Wald of Streamwood, IL, Sister - Barbara Wald of Fairview, TN. She was preceded in death by her parents.

Funeral services were held at Fairview Chapel of Dickson. Burial was at the Lakeside Cemetery in Crandon.

BENEFITS OF A LOCAL AGENT

See **Edward J. Smith**

We all want to save a few dollars off our budget. We all fill up our gas tanks if we hear fuel is going up and take advantage of sales at our local grocery stores.

When it comes to insurance think again!! Insurance contacts can be complicated and when it comes time to use that contract, do you want to deal with someone you don't know, or with someone who would be familiar with local, quality contractors in the area? Is that agent or adjuster, not from our area, willing to go the extra mile to get your claim settled? Is that agent or "800# person" going to help you understand your billings or give you that personal attention you can count on? Is that "one-time-good-rate" going to be increased at your next renewal?

Your professional Agent has many choices for you. Call them before you choose.

THE PATIENT DOCTOR

BEING BOTH A MINISTRY MEDICAL GROUP DOCTOR AND A PATIENT HAS ALLOWED DR. CORTTE TO EMPATHIZE WITH HIS PATIENTS ON A NEW LEVEL.

A consistent struggle with my weight led me to become a patient in the HMR weight management program. They provided me with dietary and exercise plans to facilitate a long-term, healthy lifestyle. I was able to lose weight, lower my blood pressure and my cholesterol rates without medicine. Having this personal success story as a patient inspires me to help my own patients succeed.

Community Health

homes, schools and work places, and playgrounds and parks. When we look at strategies to address the top health issues, we will consider individual behaviors like eating more fruits and vegetables, exercising more, drinking responsibly, not doing drugs, and getting health care. We will also look at the physical and social environment and how we can adjust policies to make healthy behaviors the easy choice. This includes things like increasing availability of nutritious foods and increasing opportunities for physical activity in our worksites, schools and community. Also making sure our youth have healthy alternatives for social activities.

The next steps are to share this plan with the community and establish workgroups or tap into existing coalitions to implement the strategies and measure success toward the goals. It is our hope that community members will read through the plan and find some way to incorporate these strategies into your work, home and your lifestyle.

If you are interested in participating in a workgroup or any activities related to the improving the health of all Forest County residents, or if you would like a copy, please contact the health department at 715-478-3371.
