## Red Arrow Snowmobile ATV Club 5th Annual Corn Roast Fundraiser

On Saturday of Labor Day Weekend (Sept 3rd) Red Arrow will host its 5th annual "Corn Roast and ATV Parade" at Barb's Valley Inn just north of Townsend on Hwy 32. Open to the public, the event will run from 11AM well into the evening. Meat raffles, D.J. music, food, and sweet corn will be available all afternoon. At 5PM the live music will start with Little Vito & the Torpedoes followed at 8PM by Daphni (WIXX Battle of the Bands winner). All activities will be under the cover of a big tent so come rain or shine!

All proceeds from this event will go directly into maintaining and improving the Snowmobile and ATV trails in the Townsend area. Red Arrow is responsible for about 65 miles of snowmobile trail and about 12 miles of ATV trail including the new Nicolet State Recreational Trail thru Townsend.

Last year about 100 ATV's & UTV's formed a parade from Townsend Shell to the Corn Roast. This year the parade will form at 10:30 across from Townsend Shell. All ATV and UTV owners are invited to participate in the parade. You do not have to belong to a club....just help join the attempt to break the Oconto County record for the most ATV's and UTV's in a parade.

Come by ATV, car truck or van....everyone is invited to attend this great event. Barb's Valley Inn is the bar with the snowmobile on the roof and is located right on the ATV Trail just north of Townsend. Direct ATV access is available from as far as Gillette, Florence and the Michigan border.

All Forest County Chamber Members! Artistic twists added to Art in the Square on September 17th

It's almost time for Art in the Square and the committee is hoping to add several new artistic twists to the event that will pump up the volume!

Twist #1: We're inviting all businesses to compete in our Scarecrow Contest. Because this could be THE artistic happening of the season, we're putting very few limits on what you can do. All we ask is that you keep it tasteful, that it somehow mirrors your business or product, that it have the name of your business on it, and that it be ready and in place on the sidewalk in front of your place of business no later than September 12. The Chamber will even provide a bale of straw to hold your creation. If you don't happen to be located in Crandon, no problem! Just bring your scarecrow to the Chamber office and we'll make sure it gets display time.

We're not sure yet just how the winner will be chosen or what the prize will be, but that's not the important thing. What is important is that this be a fun, creative and attention-grabbing addition to our community!

Twist #2: We're adding a pie contest to Art in the Square! A press release has gone out to all the papers, but we want to really get the word out to all those talented bakers out there. There'll be three categories: fruit, berry and nut with ribbons being awarded to the top three in each category. The winner of those three will then be judged for Overall Best in Show for a bigger ribbon and \$50 in Chamber Bucks. Those interested in entering their tasty creation should contact the Chamber office at 478-3450 for a registration form or for more information. Get out your recipe books and start baking!

Twist #3: We're adding a paint-your-own-pumpkin event for the kids. There'll be a nominal fee of \$2 to cover the price of pumpkins and paint. Make sure to bring your own kids and grandkids so they can let their creative juices flow!

And don't forget all the other things that make Art in the Square (September 17 in the courthouse square) so special: talented artists and crafters, specialty food vendors, sidewalk sales, flea market, live entertainment, kid's games, horse drawn wagon rides, and so much more!

Help us make this an event to remember!

## Lakewood Reunion Quickly Approaching

The Lakewood Reunion will be held on Saturday, September 24, 2011, at Waubee Lodge in Lakewood, Wisconsin. Social hours from 4-6:00 p.m. with the meal served promptly at 6:00 p.m. Lakewood Trivia will take place throughout the evening. Cost of the reunion is \$18 per person. Please send names of those wishing to attend and check to: Rita Thielke Blazewicz, 14245 Glenwood Lane, Lakewood, Wisconsin 54138. For more information contact Rita at: 715-276-6225 or e-mail [rjblaze@centurytel.net](mailto:rjblaze@centurytel.net).

Jake Jacobs, an active member of the Oconto County Genealogical Society, will be the guest speaker at the 28th Annual Lakewood Reunion. Jake retired from IBM in 1994 and now has time to devote to genealogy, his hobby of 25 years. He has contributed greatly to the Society's cemetery and school projects. He has researched many families in Oconto County. Jake will share tips and secrets on how to start your own research and some of the sites available to you right here in Oconto County. Don't be surprised if your family is mentioned in the presentation!

Genealogy can be one of the most fascinating and rewarding pursuits of your life! The search for your ancestors, who they are, where they came from, how they lived can be a great past-time. It is a time consuming hobby, but in a fun way. Once you start finding clues to your past, you will want to find more.

Please remember you need not be a Lakewood resident to attend. If you enjoy the community, visited here as a child/adult, have friends here, or just think it would be fun, please think about joining us Saturday, September 24th, at Waubee Lake Lodge in Lakewood, Wisconsin.

**Nature takes center stage in free Nicolet College Creative Arts Series**

Nature and the environment are the clear themes of the three free events in the Nicolet College Creative Arts Series in September. Events include a film that covers the life of renowned ecologist Aldo Leopold; a collaborative art exhibit that combines the work of Northwoods artists and scientists; and a reading by a Nicolet staff member or student that reflects on nature and the environment. Event details are as follows:

**Film: Green Fire, Wednesday, Sept. 7, 6 p.m. - 7:30 pm, Nicolet College Theatre**  
This documentary explores how the legendary environmentalist Aldo Leopold shaped the modern environmental movement. Drawing upon photographs, archival documents, and footage of landscapes that inspired him, the film traces the evolution of Leopold's thought through his life and experiences, and in turn, challenges viewers to contemplate their own relationship to nature.

**Art Exhibit: Drawing Water, The Melding of Art, Science, and Poetry, Friday, Sept. 16 to Wednesday, Oct., 5 Nicolet College Art Gallery**  
This fascinating traveling exhibit spotlights the lakes of Wisconsin's Northern Highland region. Five visual artists and one poet team up with six scientists to investigate and communicate the past and future of this unique ecological region. Each work is accompanied by a concise explanation of the science behind the art. A reception and special presentation will be held Sept. 24 at 7 p.m. in the Art Gallery.

**Cultivating Appreciation through Environmental Readings, Wednesday, Sept. 21, 11 a.m. - noon Nicolet College Library**  
This regular monthly feature will focus on the natural world as reflected through literature as Nicolet faculty, staff, and students share short passages from their favorite authors. A discussion will follow each reading.

**The Importance of Water**

Good water is essential to body cleansing. It's obvious. It sounds like a truism. Your body goes down fast without water. Making up almost three-fourths of the body, every cell is regulated, monitored and dependent on an efficient flow of water. Not one of the processes in our bodies could take place without water. Water is something that we take for granted. But how many of us really understand how essential water is or what happens to our body if it doesn't receive pure water every day, free of chemicals and pollutants?

- Water is the adhesive that bonds your cell architecture. When you get enough water, fluid retention decreases, and gland and hormone functions improve.
- Water regulates your body temperature, maintains your equilibrium and helps the liver break down and release more fat.
- Water carries every nutrient, mineral, vitamin, protein, hormone and chemical messenger in your body to its destination.
- Proteins and enzymes, the basis for your body's healing capacity, function efficiently only when you have enough water.
- Your daily energy depends on water, because your body's chemical reactions are water-dependent. Just like a hydro-electric system, the energy generated by your body's water is used by your two vital cell battery systems, ATP and GTP.
- Your brain tissue is 85% water. Messages from your brain to everywhere else in your body are transported on "waterways."

Drinking enough water is critical to keep your skin soft and supple, your brain sharp and your elimination systems regular. But there's another side to the water story. Most Americans have reduced their intake of fats (including the good Omega-3 fats) to the point that their bodies don't hold and use the water they do take in. It's one of the reasons I recommend adding more sea greens to your diet for moister skin, shining eyes and lustrous hair.... a quality of sea plants known since ancient Greek times.

For more information on the importance of water, go to [www.HealthyHealing.com](http://www.HealthyHealing.com).

### Story Hour and Play Group at the Crandon Public Library

September means back to school, and that means Crandon Public Library's Story Hour program will be starting again too! Story Hour with Miss Ashlee will begin on Wednesday, September 7th at 10:30 am. Story Hour is designed for children ages 3-5 years old and features a variety of stories, songs, and other reading readiness activities in a 30-40 minute timeframe. Story hour is great opportunity for children to meet others their age, as well as become familiar with the joys of reading and books. No advance registration is required for our Story Hour and Playshoppe programs and there is no fee to participate.

Beginning in September, the Crandon Public Library will also begin offering a Play Group on Friday mornings beginning at 10 a.m. in the lower level of the library. Our first Play Group will be held on Friday, September 9th. Play Group activities will be specifically geared to babies and toddlers ages 0-3 and their parent and/or guardians.

The first Friday of every month will be dedicated to learning; there will be a short baby story hour, followed by a baby play session, while parents are able to speak with local nurses or experts on child care. Afterwards there will be time for the adults to converse and enjoy some refreshments while babies spend time with other babies in a safe learning environment. For the rest of the month Fridays will be dedicated to babies playing and adults enjoying time with others. We hope to see you there!

### WXPR Launches "Hear the Future"

Pictured in front of the future home of WXPR Public Radio are (left to right) WXPR Board members Jim Brown and Sally Mode; WXPR Station Manager Mick Fiocchi, and attorneys Jim Johnson and John Houlihan. Johnson and Houlihan are donating their building to WXPR as part of the Hear the Future Campaign.

WXPR Public Radio, with studios in Rhinelander, has announced the Hear the Future Campaign, a comprehensive effort to improve service to the community by funding a full-time Community Features Editor position, building and equipping four new studios, and creating a larger public space for station events and live broadcasts.

Recently the station received a game-changing contribution that will bring all the goals of the campaign within reach. Jim Johnson and John Houlihan of Johnson and Houlihan law office are contributing 75% of the cost of their office building on Stevens Street to the campaign. WXPR Station Manager Mick Fiocchi says, "With this incredible gift from Johnson and Houlihan, added to the \$260,000 in cash and pledges we've already received from listeners, the Hear the Future campaign has now raised more than \$400,000."

WXPR listeners have already given the campaign more than \$260,000 in cash and pledges, toward a goal of just over \$550,000. With the additional gift from Johnson and Houlihan, the campaign has now raised more than \$400,000.

As a result, WXPR will be moving its studios to 28 North Stevens Street. According to Fiocchi, "We are very hopeful that we will be able to raise the additional funds necessary to accomplish all the goals of Hear the Future". Added Jim Johnson, "WXPR is a valuable asset to the Northwoods. We are very excited to be able to make a significant impact on the future of WXPR and its service to the community".

Fiocchi says that if fundraising can be completed by the end of the year, the station will be moving to the new location sometime in the spring.

**Crandon Boy Scouts Attend Boy Scout Camp**

Crandon's Boy Scout Troop 649 members Billy Strzyz, Kaleb Christianson, and Sam Gobert attended Tesomas Boy Scout Camp in Rhinelander. While they were at camp for the week, they worked on advancements for the ranks of second class and first class. They worked on first aid, map and compass, cooking and preparing meals, fire building and safety, swimming safety, identifying animals while on a five mile hike and also participated in a service project to help the staff at camp. During their free time, they enjoyed making a mallet at handcraft, swimming at the waterfront, shooting guns at shooting sports and playing other games that challenged them both physically and mentally. The boys worked very hard during the week and did an outstanding job at camp! Assistant Scoutmaster Jay Gobert and Scoutmaster John Christianson attended camp with the boys.

Tesomas Boy Scout Camp is a great experience for the boys and also the adult leaders. They look forward to attending next year. Troop 649 will resume meeting again on Thursday September 8th.

### Commission on Aging Annual Picnic Held Indoors

On Wednesday, July 27th, approximately 160 Forest County Seniors and persons with disabilities were greeted and treated by an interesting array of "land" pirates. For only the second time, hot weather and rain forced the Annual Senior Picnic and Pontoon Boat Ride indoors. Holding true to form, the band of "land pirates", led by Mary Sprenger and Jeannie Weyers and consisting of volunteers, students and staff members, abandoned ship to party. The "band" made the Crandon Community Center come alive with great decorations, good food and fun. Roger Geldon once again graced the picnic with accordion music and John McCulloch called a number of "mean" bingo games assisted by his wife, Pam. Luck was with John Theos as he won the "Treasure Chest", a great door prize provided by the ADRS.

The Commission on Aging and Aging Disability Resource Center appreciate all the participants and caretakers for their graciousness in relocating to the Community Building. Especially Mary Sprenger, Jeannie Weyers and Patty Egan for event organization, to Pat Raml for running a "tight galley", to all the volunteers and staff members, the pontoon boat captains twice left docked, Schaefer's IGA, The Log Cabin, Main Street Ed's, Forest County ATV Club, Blackwell Job Corps students, and the Roberts Lake Association for all the help, wonderful food contributions and for making this a truly special event. We look forward to returning to the beach and water next year!

### Nicolet College announces 2011-12 Creative Arts Series

High-energy African dance, hilarious comedy, and a wide array of concerts are just a few of the 36 different events featured in the upcoming 2011-12 Creative Arts Series at Nicolet College.

"We're looking at a great season with a wide variety of performances and events that will appeal to just about every taste," said Jim Nuttall, Nicolet College Theatre director. "There really is something for everyone."

The Creative Arts Series consists of three parts: Nicolet Live!, which includes the theater events; the Nicolet Art Gallery, featuring numerous exhibits; and the Library Series, offering a variety of film, literary, and interactive events.

Kicking off Nicolet Live! will be the acclaimed African Muntu Dance Theatre at 7:30 p.m., Tuesday, Sept. 20. Other highlights in Nicolet Live! include the Second City Comedy Troupe January 27; musical performances by The Pro Arte Quartet February 5; Redhead Express June 2, Leahy's Luck July 17; and the ever-popular Community Holiday Concert December 4.

Nicolet Players community theater productions will include the serious comedy Rocket Man in early November and the play Harvey in May.

For the children, Nicolet is bringing back the popular ArtsPower theater troupe February 18 to present Fish Face, a play geared for youngsters in first through fourth grades.

Rounding out Nicolet Live! will be travel documentaries to Alaska and South Africa and a third that takes a look at ghost towns of the wild west. The film-maker of each of these documentaries will be on hand to introduce the film and lead a discussion after the showing.

The vast majority of events in the Creative Arts series are free. To receive the 2011-12 Creative Arts Series brochure, which lists all 36 events, call the college at (715) 365-4512 or 1-800-544-3039, ext. 4512, TDD (715) 365-4558 or 711 (relay). TIP OF THE WEEK

It's a boy! No a girl! What should dog number two be? Generally speaking, groom dogs do better with a newcomer of the other sex, but there are many exceptions to the rule. Much of it depends on how you handle moments of tension between them. If you are clearly the head of the household, then neither of them is going to feel the need to be in charge.

**An Evening with LaDonna Gatlin & Friends**

September 25, 2011  
at Wabeno High School  
Presented by Forest Larger Parish

The sister of country music's Gatlin Brothers, LaDonna Gatlin began her career as a member of the family singing group. She realized early on ("after a sincere self-evaluation," she says) that success can be measured in different ways. So, she took a giant leap of faith, chose to follow her heart, and sing a different song apart from her brothers. She has spent her entire career empowering audiences to "sing their own song" as well.

She has recorded three musical CDs which contains some of her original songs: "The Song In You," "LaDonna Gatlin," and "Christmas Memories," and a live recording of her keynote speech, "Tune Up Your Life". Gatlin is also a contributing author to Chicken Soup for the Christian Woman's Soul.

She has shaped her message everywhere from the Crystal Cathedral to the prison cells of death row. Certainly the Gatlin name insures great music, but LaDonna's presentations go far beyond the music and deliver a powerful message. She inspires us to authentically live life from the inside out—through our words, our deeds, and our actions.

Also featuring the Presbyterian Puppet Choir, God's Guys Quartet, Northwoods Gospel Quartet, Forest Larger Parish Praise Band, and other performing friends of the parish.

Sponsored by: Weber Hill Funeral Home, Crystal Bell Bed & Breakfast, Peterson Trucking, Select and Better Hardwoods, Laona State Bank, Nicolet Pharmacy, Amy's at Woodhaven, Nu-Roc Community Healthcare, Christian Thrift Store, Inc.

A Love Offering will be received.
