## FCP Foundation Grant To Support Local Economic Development

From left, FCEDP Board Member Bucky Dailey, FCEDP Treasurer Jimmy Landru, Jr., FCEDP President Jason Neilltz, FC Potawatomi Tribal Council member James Crawford, FC Potawatomi grant writer Cara Kulhanek, and FC Potawatomi Tribal Administrator Eugene Shawano.

Forest County, Wis. A Forest County Potawatomi Foundation capacity-building grant was recently awarded to the Forest County Economic Development Partnership. The \$28,000 grant will allow the Partnership to contract an Executive Director on a full-time basis.

The Forest County Economic Development Partnership (FCEDP) represents the joint efforts of multiple entities to improve the standard of living and quality of life for all tribal and non-tribal residents of Forest County. The FCEDP Board of Directors consists of ten board- or council-appointed positions, representing Forest County, Forest County Potawatomi Community, Sokaogon Chippewa Community, City of Crandon, Forest County and Wabeno Chambers of Commerce, and the Forest County Tourism Commission.

Four additional board members represent the county's financial, utilities, manufacturing, and service sectors. The UW Extension-Forest County Office, Nicolet Area Technical College, and other entities also provide critical support and serve as resources from the fields of education, business, and natural resources.

At the core of the Forest County Economic Development Partnership is its mission to improve the standard of living and quality of life for individuals and families residing in Forest County. It aims to increase economic development by supporting small businesses, facilitating community projects, and attracting new industries to the area while maintaining Forest County's natural resources, heritage, and cultural traditions.

The voting board members contribute to the sustainability of the organization through multi-year commitments to pay membership dues. "This provides a nice base funding mechanism to move forward" says Steve Nelson head of the UW Extension-Forest County Office. However, even with this base of support, the Partnership had only enough funds to hire a part-time Executive Director.

After collaboration and discussion among board members, it became apparent that a full-time Executive Director was critical to the success of the future endeavors of FCEDP. The board recognized that the selected candidate will play a key role in the history of the organization. Establishing integral relationships and defining FCEDP's role within the communities it serves, the first employee will have the critical responsibility of setting the organization on its course for the future.

Now, with the support of the FC Potawatomi Foundation grant, FCEDP has the ability to attract a qualified candidate to fill the contracted, full-time position. The Partnership is in search of a candidate who possesses a background in economic development as well as a strong commitment to the communities in Forest County. The selected candidate will serve as a liaison to local businesses, associations, and governmental units on economic development matters and will provide administrative oversight, create a long-term sustainability plan, and carry out the organizational vision outlined in the strategic plan.

Those interested in acquiring further information may contact Steve Nelson at the UW-Extension Forest County Office, (715) 478-7797 or steve.nelson@ces.uwex.edu.

## Life without electricity

By Mike Monte

On Monday morning, about 11:00 a.m., the lights flickered, my computer shut off, as did all in the building. Then the electricity returned for a short time, only to leave us in the dark, computerless and almost helpless. Every business and home in Crandon and Laona were in the dark, and business came to a sudden stop.

Soon, a siren sounded as Chief Dan Packard went by. Taking a camera, I headed east on Hwy 8 and saw the reason for the outage.

A vehicle driven by Shandon Tallier, Laona, and another by Scott Cayce, of Neenah, had sideswiped, leaving Tallier crashed into the bottom of a light pole, snapping it off. His pickup, as seen in the photo above, sat on the broken stub of the pole. The Rescue Squad moved Tallier to medical care. We don't know what, if any citations were issued.

The arrival of Crandon's Police Department, the Forest County Sheriff's Department, the Rescue Squad and the Crandon Fire Department had to set a record for an emergency response. It was impressive. Public Service was also on the spot in record time, and electricity was soon flowing to the area due to the improvised repair shown below.

The frailty of our high-tech world was certainly demonstrated by this accident, and it is impossible to calculate the loss in time and money one small mishap caused.

## Four free arts events in October at Nicolet

The Nicolet College Creative Arts Series is featuring four free events in October that include a film about Alaska, a travelogue on a honeymoon canoe trip up the Voyageur Highway, a fiber and photography art exhibit, and an environmental reading in the Nicolet College Library.

Details about each event include:  
**Venture to Alaska**  
7:30 p.m., Monday, October 10  
Nicolet College Theatre

Travel the length of Alaska from near the Russian border to the southern capital of Juneau and experience Alaska as it is today with director Dale Johnson, who will introduce his film and answer questions afterward. Highly regarded for his nature films, Johnson is the guide up the Dalton Highway from Fairbanks to Prudhoe, through the heart of the Brooks Range, and along the western border of the Arctic National Wildlife Refuge. During the film the audience will see natives in isolated outposts; admire grizzly bears, moose and other wild creatures; and learn about salmon fishing and growing giant veggies under the midnight sun.

## Mock car crash held at the Crandon School

Rescue workers cut the top of a car off in a practice car crash

By Boyd Monte

I can safely say that everyone knows what can happen when a person is distracted when driving. The Forest County Rescue Squad, Fire Department, Sheriff's Department and the Crandon School District wanted to remind the youth about the importance of being a good driver. They held a mock car accident on the school grounds and the rescue and safety units showed the children how long it takes to get to a scene of an accident and how they treat the injured parties of the accident.

In one vehicle was a mother and her baby. The other vehicle had two high school aged kids. The mother and baby were taken to the hospital by ambulance. The high school kids were not so lucky. One was taken to the hospital with life threatening injuries by helicopter, while the other was killed.

After the practice, all the children were gathered in the auditorium. They were asked what they thought about what had happened. The EMS then talked about how everybody needs to be an attentive driver. Playing with your phone, eating, or being distracted by other passengers in the car, these are all things that happen that may seem harmless, but have caused accidents.

Mary Sue Engebretson then talked about drinking and driving and how it affects families that have lost loved ones due to it. She gave advice to everybody about safe driving and to call for help when you find yourself in a bad situation.

This exercise hopefully showed the children that we all need to do our part to cut down on accidents. We may never see a day when there will be no accidents, but hopefully we can get the number down.

Rescue units start to tear the roof off the car so they can safely remove the occupants.

### Ed Smith INSURANCE TIP HEATING WITH WOOD & PELLET BURNERS

Outdoor wood furnaces & pellet burners have become increasingly popular. Some companies charge a premium of \$15 to \$50. Others do not. Contact your agent to do an inspection or if you have questions before you install or have it installed.

If you are burning wood, follow all manufacturer's guidelines for installation or hire a professional to do the installation for you.

Here are some more safety tips:

1. Burn seasoned wood. Wood two years old or more.
2. Place ashes in a covered metal container to keep wind from blowing coals and sparks around.
3. Clean your chimney at least twice a year, using an approved cleaning method.
4. Install smoke alarms on same level as stove and have a fire extinguisher close by.
5. Every year, make sure your smoke pipe is firmly in place where it enters the chimney and screw sections together.

### Energy and Weatherization Assistance 2011 2012

Home Energy Plus included the Wisconsin Home Energy Assistance Program (WHEAP) and Weatherization Assistance Program (WAP). WHEAP provides assistance for heating costs, electrical costs, and energy crisis situations. WAP helps renters and homeowners reduce their energy consumption. Operating with federal and state funding, the programs provide energy assistance payments to over 230,000 households and weatherization services to over 10,000 households in Wisconsin each year.

Wisconsin Home Energy Assistance Program (WHEAP) is a one - time payment during the heating season, which runs from October 1st until May 15th. The funding pays a portion of the costs, but the payment is not intended to cover the entire energy cost of a residence. The amount of the energy assistance payment varies depending on a variety of factors, including the household size, income and energy costs. In most cases the energy assistance benefit is paid directly to the household's energy supplier.

Your household may be eligible for the Wisconsin Home Energy Assistance Program and Weatherization Assistance Program. You can apply at the following locations: Wabeno Community Building, Monday October 24th, Armstrong Creek Nutrition Site October 25th, Crandon Community Building Wednesday October 26th, Laona Senior Center Thursday October 27th and the Alvin Twn Hall on Monday October 31st. The time is 10:30 - 12:00 for all locations. Please bring the following information, proof of all household income for the prior three months, fuel/ energy cost from September 1st 2010 through August 31st 2011, social security card for all household members and first time applicants need to have a photo identification. You can make an appointment at NEWCAP by calling them at 715-478-3871

The Price is Right! This is a well established Sports Shop, Seller will sell just the building or the sporting inventory can be sold separately and would be personally handled between Buyer and Seller. The Seller would stay on to assist new owners. There are 3 lots, 2 commercial and 1 residential. The building has a lot of potential for just about any business. There is a leased entry and motion security system. New roof shingles in 2003. Water is municipal and there is a point well for the minnow tanks.

**Nicolet offers credit classes starting in late October, early November**

Think it's too late to start college classes this fall? You still can at Nicolet by enrolling in any one of several occupational, general education or University Transfer courses that will begin in late October and November. "These courses are perfect for anyone who wanted to start classes at the beginning of the semester but for whatever reason was unable to make that happen," said Rose Prunty, dean of the University Transfer Liberal Arts Program at Nicolet. "These late-start classes are a great way for students to begin their college education, pick up additional credits that can count towards a degree they've already started, or brush up on skills for future college classes."

Upcoming classes, which count towards a wide variety of Nicolet degrees, and the dates they start include:

- Written Communication - Mon. Wed., 5 p.m. to 8 p.m., Oct. 25 to Dec. 19;
- Music Appreciation - Tue. Wed. Thur., 9:40 a.m. to 11:40 a.m. Oct. 25 to Dec. 21;
- Psychology of Human Relations - Tue. Thur., 12:50 p.m. to 3:50 p.m., Oct. 25 Dec. 18;
- Intro to College Writing - Mon. Tue. Thur., 8 a.m. to 9:50 a.m., Oct. 25 to Dec. 20;
- Pre-Algebra - Mon. Tue. Thur., 10 a.m. to 11:50 p.m., Oct. 25 to Dec. 20;
- Intro to Reading and Study Skills - Mon. Tue. Thur., 12:30 p.m. to 2:20 p.m., Oct. 25 - Dec. 20;
- Fundamentals of Speech - Tue., 8 a.m. to 11 a.m., Nov. 1 to Dec. 20. This is a hybrid class that includes classroom and online instruction.

In addition to the above, Nicolet is offering a series of Microsoft 2010 application courses that will meet on Tuesdays from 4 p.m. to 7:30 p.m., Oct. 25 to Dec. 13. These occupational credit classes include beginning and intermediate Word, beginning, intermediate and advanced Excel, beginning and intermediate Access, and beginning and intermediate PowerPoint.

For more information about these courses, or to register, contact the Nicolet College Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493, TDD 711 Relay. Information is also available on the Nicolet website at [nicoletcollege.edu](http://nicoletcollege.edu).

## A Great Summer with Upward Bound

This summer, 28 Upward Bound students spent six weeks participating in the Upward Bound Summer Program. Upward Bound (UB) is a federally funded, pre-college program for first-generation, low-income students from Crandon, Elcho, Laona, Rhineland, Three Lakes, and Wabeno high schools.

The UB Summer Program focuses on giving students a simulated college experience. Students spent five weeks at Trees for Tomorrow in Eagle River, WI and completed advanced high school course work, participated in community service and work-study, and received special presentations and tours. The last week of the summer program was spent on a trip to Minneapolis, MN. Students visited various campuses such as UM-Twin Cities, and UW-River Falls. They also toured the Wabasha Street Caves, went to the Science Museum of Minnesota, spent time at the Mall of America and much more!

We are already planning great things for summer program 2012. Upward Bound currently has 17 openings for the program. We work with students throughout the academic year and in summer to help them be successful in high school and post-secondary education. If you are a 9th or 10th grader from any of the high schools that we serve and would like to join, please contact us at 715-478-5480.

Fiber Art and Photography: Toni Bergeon and Nancy Pierce  
Friday, October 14 to Sunday, November 13  
Nicolet College Art Gallery

Colors, textures and shapes from the natural world influence the realistic and abstract fiber designs of the artists featured in this exhibit. Toni Bergeon and Nancy Pierce work from memory and photos to create detailed nature representations and portraits in fabric. Their fiber art and photography will be showcased in this exhibit. A reception to meet the artists will be held from 6 p.m. to 7 p.m., Saturday, Nov. 5, before the start of the play Rocketman in the Nicolet Theatre.

Cultivating Appreciation through Environmental Readings  
11 a.m. to noon, Wednesday, October 19  
Nicolet College Library

Appreciation of our natural world as reflected through literature is the theme of this monthly series. The public is invited to listen as members of Nicolet faculty, staff and students share short passages from their favorite authors on the environment, conservation and the aesthetic appreciation of nature. A discussion follows.

Paddling the Voyageur Highway  
7:30 p.m. Thursday, October 20  
Nicolet College Theatre

For their honeymoon, Julie Buckles and Charly Ray paddled 1,700 miles by canoe from their home in Washburn on Lake Superior to Wollaston Lake in northern Saskatchewan, and then stayed for the winter. Hear about their adventures and enjoy spectacular slides of this incredible wilderness called the Voyageur Highway. The slideshow includes the couple's subsequent journey to Wollaston Lake with their team of Siberian huskies.

## Citizen members needed for Aging and Disability Resource Center Board

Starting in 2012, the Aging and Disability Resource Center (ADRC) of the Northwoods will begin providing information, assistance and access to community resources for older people and adults with disabilities who reside within the service area of Forest, Oneida, Taylor and Vilas counties. ADRC satellite locations throughout the region will serve residents, families and caregivers.

The charter of this new organization requires that the ADRC governing board includes people using ADRC services to have a voice in the direction of organization. The ADRC of the Northwoods is currently accepting applications from citizens to serve on the board to represent ADRC clients in one of the following ADRC consumer categories: 1.) adults age 60 and older or 2.) adults with a disability (physical, developmental, mental health issues or substance use disorders). Applicants to the board can be an individual from one of these categories or a family member, guardian or other advocate.

Selections for citizen members on the board will be made to achieve appropriate representation from the various ADRC consumer categories as well as geographic location in the ADRC's region. Citizen members will receive a meeting stipend and mileage reimbursement to attend meetings. Deadline to submit applications is 4:00 p.m. on or before Wednesday, October 19, 2011.

For more information regarding this opportunity and a complete application packet with more detail regarding the Aging and Disability Resource Center of the Northwoods governing board please contact Chuck Sekel at 715 478-3351 or [fcidss@newnorth.net](mailto:fcidss@newnorth.net).

# Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

## The Community Thanksgiving Meal

Does anyone out there want to see another Community Thanksgiving Meal? It seems to have fizzled, and we want to know if there is any interest. There would be a few changes, however, that may change the desire to have one or not.

One of the changes proposed is to have it on Wednesday instead of Thursday, so that families who would like to volunteer could still have the traditional Thanksgiving meal at home with their family. The other proposal is that there would be no more delivery service, but if someone would like to pick up a meal for someone else, there would be take-out containers available.

If there is an interest in continuing with this event, please call Praise Chapel Community Church at 478-7755. If there is no answer, please leave your name and a number where you can be reached. I do hope that we can continue this tradition, and I hope that the changes will involve more people.

Thank you and God bless you,  
Pastor Bill Farr

## AGI End of Summer Celebration

Eventually, a "good thing" runs its course, and a change brings a new perspective.

As the management team watched the course and direction of the Annual AGI Community Picnic, the trend seemed to indicate it catered more to the resident's families and close friends.

With that in mind, and given the unpredictable weather in August, this year the celebration took a new direction and new name. The 1st annual End of Summer Celebration was held indoors in September, utilizing the dining room, lounge, covered patio and back garden. The invitations were sent to the resident's primary contact, and they in turn notified family and friends. It also gave a chance to utilize the breakfast bar for the family style buffet.

As the residents and families gathered in the hallway, some walking, some in wheelchairs, a great sense of comradery was observed as residents and family members visited and shared laughter.

The buffet line went smoothly as everyone chose hamburgers and hotdogs, and the multitude of delicious salads and desserts provided by staff and family members. Beverages including the resident's favorite, soda in cans, were also provided. Staff members were on hand to help carry trays to tables and get refills for the residents and family members.

"This new format has proved to be a great success," commented Activity Director, Chris Zahorik, "We love seeing all the visiting in the hallway. Its definitely set the tone for a new tradition."

After the meal, entertainment was provided in the lounge, and a great time was had by all.

## Second chance for E - waste and scrap recycling

65 cubic yards of discarded recyclable material were collected and sent on to a new life earlier this year on July 16th. The response was so great, Forest County Solid Waste and Recycling Committee has authorized another event similar to the last one, on October 15th, 2011. The event will be held from 9:00 a.m. to Noon at the Forest County Highway Shop, 5350 Hwy W, in the town of Lincoln just off Hwy 8, east of Crandon.

Computer and television monitors are the only items that will be charged a disposal fee. All computer monitor disposals will be charged \$2 per piece, televisions will be disposed of for \$5 if less than 30 inches in size. Console and projection televisions can be disposed of for \$25.

Refrigerators, with or without, Freon, batteries, computer CPUs, printers and all other electronics, microwaves and scrap metal is free. If you have any questions please call Pam at 715-478-1387

Eating healthy is an important part of any fitness program. Check out our ad for the healthy recipe of the week!

**CHICKEN WALDORF SALAD**

- 1 1/2 cups diced cooked chicken
- 1/2 cup apple, diced
- 2 big ribs celery, chopped
- 1/2 cup chopped walnuts
- 1/3 cup light mayo or salad dressing

Combine all ingredients, mix well and serve. To add even more flavor and vitamins, try adding some broccoli, dried cranberries or pomegranate.

### Laona National Honor Society sponsors blood drive

The Laona Chapter of the National Honor Society will be hosting an American Red Cross Blood Drive as one of its community-service projects. The Laona Community Blood Drive will be held from 12:00 noon until 5:00 p.m. on Thursday, October 13, in The Multi-Purpose Room in the Laona School complex.

Anyone interested in donating one pint of blood is asked to call 1-800-733-2767 to make an appointment, or visit the website at [www.redcrossblood.org](http://www.redcrossblood.org) for more information. A blood-donor card or a driver's license, or two other forms of identification, are required at the check-in station.

Individuals who are seventeen years of age, weigh at least one hundred and ten pounds, and are in generally good health are eligible to donate their blood. All blood types are needed to ensure a reliable supply for all patients. (Parental consent forms need to be filed, in advance, for those donors who are sixteen years of age and meet the rest of the requirements.)

We look forward to seeing you on October 13! Our goal for this blood drive is thirty pints and a scholarship will be made available to our students if that goal is achieved. Please help us help our community, and our students!

The Laona School District welcomes two new special education aides to the support staff. Katie Shepard and Tyler Lorenz have been valuable additions to the staff because of their varied educational and employment experiences. Both are readily recognized in the hallway because of their smiling faces and welcoming conversations.

Tyler Lorenz joins the Laona Elementary staff as an aide for special needs students. He comes from Pembine, WI, where he graduated from high school before going on to UW Stevens Point with a major in Family Life Education and a minor in coaching. While at UWSP, Tyler played collegiate baseball and had the exciting experience of pitching all over the U.S., including Miller Park, Hawaii University, and at the Fox Cities Stadium for the College World Series. In his spare time, he also enjoys duck hunting, bow hunting, and ice fishing.

Tyler's goal is to enrich the lives of Laona students by providing a positive and friendly experience during their time at school. His enthusiasm and friendly nature have already made a difference. Known as "Mr. Tyler" to the students, he is a hit on the playground as he's eager to play basketball, kickball, or just strike up a friendly conversation.

Katie Shepard joins the Laona High School and Junior High staff. She assists special needs students both in the resource room and in the classrooms. Katie is a graduate of Laona High School and attended UW-Oshkosh and Fox Valley Technical College. She worked for five years as an aide for Wabeno High School before taking the job in Laona.

Katie lives in Laona with her husband Frank and three sons. During her free time she enjoys spending time with her family and also has numerous hobbies which include sewing, knitting, and photography.

In a short month, both Katie and Tyler have established themselves as valuable additions to the staff. The students and teachers are very appreciative of their positive and sunny personalities. Their enthusiasm and willingness to help students learn is contagious.

This hiring event will be a one-of-a-kind FREE hiring fair, conducted in direct partnership with the Wisconsin Office for Employer Support of the Guard and Reserve (ESGR), the Wisconsin Department of Workforce Development, the Wisconsin Department of Veterans Affairs, and Wisconsin Public Television.

This event will be open only to employers who are committed to hiring our veterans and to veteran job seekers, active duty military members, Guard and Reserve members, and spouses. We expect over 100 employers and a wide variety of veterans service organizations and providers.

Alongside the job fair, the Wisconsin Department of Workforce Development will host a series of job preparation training workshops for fair attendees. Workshops will include a resume development tutorial, a session on successful interview techniques, and other invaluable job preparedness tools. Please register for the job fair in order to attend these sessions.

We invite you to register and participate in our upcoming job fair at the Lambeau Field Atrium on October 8, 2011. Employers and job seekers are strongly encouraged to pre-register for FREE at [HoH.GreatJob.net](http://HoH.GreatJob.net) in order to guarantee admission.

### Fall Health Tips

This Fall season follow these tips to help you and yours stay in top health and be your best during the season and all year long:

- Flu Shots** - Check with your doctor or your local public health department to find out when the annual flu shot is available. If your doctor can give you the shot in the office, combine it with a check-up. If your doctor does not give the shot, check on local events for flu shot administration. You may also want to get a pneumonia shot also. Remember that the flu shot is recommended for all adults, especially those with a health condition such as diabetes or heart disease that makes them more at risk for the serious complications of the flu.
- Exercise** - Exercise is important all through the year, but can help you get in shape for the winter months. If you exercise by walking outdoors, it may be time to locate other places you can walk that are protected from harsh winter weather. Indoor shopping malls are great places to walk and often have walkers clubs that offer discounts. With the days getting colder, take a few extra minutes to warm up your body and stretch your muscles before you exercise. Also wear a handkerchief around your nose and mouth if it's really cold to warm up the air before it enters your lungs.
- Diet** - Add all the fall vegetables to your diet. Many of the root vegetables are in season now and are an inexpensive and nutritious way to add variety to your diet.
- Drink More Water** - You can experience dehydration even during the winter. Dry central heat robs your body and skin of vital moisture. If you keep hydrated, your mucous membranes also stay hydrated, working much more effectively to filter our disease causing organisms.
- Sunscreen** - Yes, even in the fall and winter months you should be thinking about sunscreen. If you're a skier, don't forget your sunscreen. The snow reflects the sun's rays and can quickly burn your skin. Don't let the cold temperatures fool you.
- Second-Hand Smoke** - Watch out for the effects of second-hand smoke. During cold weather, you may find yourself behind closed doors and windows with a smoker. Avoid inhaling smoke and check your home for proper ventilation.
- Cold and Flu** - Cover your face when you sneeze or cough, and wash your hands often to help stop the spread of the season's cold and flu germs. Get a flu shot if you are 65 or older, or if you have a chronic disease of the heart, lungs or kidneys.
- Hat and Gloves** - Wear a hat and gloves when you go

## Thank You's & Personals

**THANK YOU**  
 To everyone who sent money, donated gifts, and the prayers lifted up in my behalf. I would like to thank all the businesses in Ashland and Crandon as well as the people who donated items for the auction. It was a great success. Bob and Terry Sell. Thank you for the use of your Pine Creek Pit Stop for the benefit.  
**Roxanne and Ken Butterfield**

*Merci!*

**THANK YOU**  
 I will never forget all the prayers, love and care shown to me by God, family, friends, neighbors and Pastor Kerstner when I was in the Nu-Roc Nursing Home. A special thank you to Paul & Craig Newton who went beyond their call of duty to help me in so many ways. Thank you to the entire staff who gave me such special care.  
 God bless each of you,  
**Don Kline**

**Remembering October 7, 2007  
 Bradley Schultz**

He was taken from us that tragic day four years ago. It feels just like yesterday, a day we'll never forget.  
 In a horrific act of violence, suddenly you're gone. Why? What reason - the answers? The sting of the pain, our souls scream at the injustice, the unfairness of losing you. How do we fill the void, the emptiness, the space left without you?  
 We have memories - his big smile, that grin he sometimes gave us, the bounce in his step. We all have stories and can smile as we tell them, but don't let that fool you - we are broken inside.  
 We miss you - we think of you every day. You'll remain in our hearts always.  
 Love - Mom,  
**Cody & Schlyer**

**Thank You**  
 Animal Resource Fund extends their sincere thanks to the following businesses for their generous donations of merchandise for the fund raiser held at Fischer's Sunset Resort at Post Lake: Schaefer's Food Mart, Smith's Sport & Hobby, Liquor Lode, Tricia's Treasures, Flowers From The Heart, Do-Or-Dye, Nevaeh Salon, Campbell's Auto Supply, Mole Lake Casino, The C Store Mole Lake, Hope's Landing, Palubicki's Eats & Treats, Clinchy & Angela Fox, Karen Rubenzer. Special thanks to Ron and Pam Fischer who hosted this event, and to A.R.F. volunteers Clinchy & Angela Fox, and Karen Rubenzer who organized the event and collected donations. Please know that you all have helped us to give aid to many animals.

**THANK YOU**  
 A huge THANK YOU to everyone who helped with the mock car accident at the Crandon High School. Without any of you, this would not have been possible. It's great to know that we have people like this in our community. Thanks to the Crandon Area Rescue Squad, Crandon Fire Dept, School District of Crandon, the victims (Grant Murray, Allie Staszny, Cathy St. John, Harlee Propson for the use of her baby doll), Mary Sue Engebretson, Hiles Fire/First Responders, Argonne Fire/First Responders, Forest County Sheriff's Dept, Crandon P.D., Spirit Air, Medi-Vac Ground Transport, Weber-Hill Funeral Home, Brian Keepers (Make-up), Pioneer Express, Forest Republican, Newswatch 12, and especially DJ's Auto Salvage (vehicles), you always go out of your way to help us in any way possible. And to all the students who watched and listened. I believe we all learned or got something out of this, I know we did as your local Emergency Responders, Parents, Friends, and Citizens of the community, THANKS again!!!

**REMEMBER 10-7-07  
 Aaron "Chunk" Smith**  
 We can't believe it has been 4 years, Every day we still have to wipe away the tears. It was a day that we just could not believe, We hated the fact that he had to leave. Our son Aaron was a wonderful boy, He really was such a joy. We miss his smile and his beautiful face, There is a pain in our hearts that we can't erase. Our hearts are broken, but we have to keep going, We try hard to keep our pain from showing. He is now in Heaven, that is true, One day we will be there with him too. WE remember 10-7-07 and you can bet, It is a day that we will NEVER forget.  
 Ed, Lee, Miranda, Alyssa, Avery and the rest of Aaron's family and friends

**THANK YOU**  
 We would like to extend our sincere gratitude to all who offered support during our time of great loss. Your calls, visits, meals, cards, flowers, gifts and prayers are greatly appreciated during this difficult time. We would also like to thank Marissa and Sonja Lundin and Michael Straley for their special participation during Brandon's service. Also, Pastor Farr and Sjana, the Crandon Rescue Squad, Weber-Hill Funeral Home, St. Joseph's Children's Hospital, Flowers From the Heart, Carl Kegley and his family and Brandon's many special friends.  
 Sincerely,  
 The Family of Brandon Kalata

**Thank You**  
 To the many wonderful family and friends who showed us so much love and support at the loss of our husband, dad and grandpa. To those who brought food, sent cards, gave us hugs, cried with us or shared wonderful memories and stories about Jack. We can never say enough thank yous or show enough appreciation.  
 To the American Legion Post 94 for the wonderful salute to Jack.  
 To the friends and family who offered and/or brought food or desserts to setting up and serving the funeral luncheon. Thanks for a worry free day.  
 To Bob and the staff at Weber-Hill Funeral Home, everything was beautiful and a great tribute to Jack.  
 For Bruce and Flowers From the Heart - the flowers were beautiful and fit Jack to a tee!  
 To the Pallbearers: Jade Kramvogel, Jay Gobert, Jason Gruett, Darren Walentowski, Dan Macak and Jamie Evans. Thank you all.  
 The list goes on and on! We know how much we loved him and now we know how much he was loved by all who knew him.  
**God Bless & Love,  
 John "Jack" Doane Family**
