## Laona High Drama Department presents "Lucky Dollar, Private Eye"

Everyone wants the "Star of Persia," and they are willing to kill for it. Lucky Dollar holds the secret for the whereabouts of the gem. Cast members include: (L-R), Emmie Terry, Samantha Trebtocke, Johnny Rodaer as Lucky Dollar, Nikki Babich, Morgan Krawze, and Zach Reeves. Continued on pg. 9

The tamaracks are in full color these days, and what a sight! This scene near Rollingstone Lake shows a flock of what appear to be canvasbacks on their way south.

## Halloween Hours

**Happy Halloween!**

## Cub bear released from trap with no loss of hide by any involved

Glen Evans sent us this story. According to Glen, Crandon Police Officer Eric Meyer responded to a call that a bear was stuck in a trap on the backside of East Hill, near Crandon. Glen said that to save abuse on the city's squad car, Officer Meyer jumped into his truck and they went to the call. Warden Brad Dahlquist showed up shortly after, and after a short struggle, the bear cub was released from a trap that was probably set for coyotes or fox. There was no trap tag, so the name of the trapper is unknown. He scrambled up a tree and was left to his own devices.

## Jim Breeden's Honor Flight

Jim Breeden, long time Laona resident, recently had a dream come true when he was able to attend an Honor Flight for World War II Veterans. These Honor Flights are made possible by donations from both individuals and businesses. Jim's flight was organized in Wausau by his eldest son, who also accompanied him on the trip.

Jim voluntarily joined the Air Force just before the War broke out. His stint in the military lasted six years and took him all over the world. Jim was always interested in flying and saw the Air Force as a way to learn more about aviation and a chance to become a pilot himself. He says the experience changed him forever. He did do his share of flying, but eventually settled down and became a farmer.

## Historic Emergency Alert System Test

First ever nationwide alert set for November 9, 2011

(MADISON) - Wisconsin will participate in the first nationwide test of the Emergency Alert System (EAS) next month. The test will be heard on radio stations, and will be viewed on televisions across the country as part of national preparedness efforts.

The test will occur on Wednesday, November 9, 2011 at 1:00 p.m. and will last approximately 3 minutes. Television viewers and radio station listeners will hear a message indicating that "this is a test."

The national-level EAS is a public alert and warning system that enables the President of the United States to address the American public during extreme emergencies. Similar to local EAS tests that are conducted frequently, the nationwide test will involve broadcast radio and television stations, cable television, satellite radio and television services and wireline providers across all states and territories.

### Honoring our veterans 11.11.11

On Friday, November 11, 2011 the public is invited to gather at the Crandon community building to honor all of our veterans. Doors open at 5:00 p.m. for a cash bar of beer, wine and soda, with a buffet dinner at 6:00 p.m. Speaker is Colonel Boyd Barker. There will be entertainment by Greg Tallier, and a plinko board game operated by Richard Ackley, Jr., with all proceeds donated to the dinner organizers.

This year there will be multiple raffle drawings for cash, a gas card, and for the generous donations from the businesses in Forest County. The joint VFW & FCVMA HG fundraiser winning tickets for the Browning Xbolt .270, a Ruger Hawkeye >270, and a Remington 870 turkey/waterfowler will be drawn at 8:30 p.m.

If you cannot attend the dinner please ask a VFW/Auxiliary, Marine Corps League or Forest County Veterans Memorial Association & Honor Guard member for a raffle ticket. You do not need to be present to win.

The public is always invited to gather together to honor our veterans on veterans day.

On 11.11.11, Friday morning, the Crandon Middle and High School students will be having breakfast with the veterans this Veteran's Day beginning at 7:30 a.m. At 8:00 a.m., the students will gather in the gym to entertain the veterans. Please check with your local school for the Veterans Day program in your area.

A ceremony at the Courthouse Square Veteran's Memorial Building will begin at 10:35 a.m. with speaker Steve Conway, WWII veteran, and conclude at 11:00 a.m. with a rifle volley to salute all veterans, at the 11th hour of the 11th day of the 11th month of the year 2011.

### VETERANS DAY HISTORY

World War I officially ended with the signing of the Treaty of Versailles on June 28, 1919. However, the fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of "the war to end all wars." The following year, President Woodrow Wilson proclaimed November 11 as the first commemoration of Armistice Day, saying "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations." The original conception of Armistice Day called for parades and public meetings and a brief suspension of business at 11:00 am. Veterans Day continues to be observed on November 11, regardless of the day of the week on which it falls, preserving the significance of the date. It also focuses attention on the true purpose of Veterans Day: a celebration to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

- Focus on Fruits**
- 1.) Keep visible reminders:** Keep a bowl of whole fruit on the table, counter, or in the refrigerator.
  - 2.) Think about taste:** Buy fresh fruits in season when they may be less expensive and at their peak flavor. Add fruits to sweeten a recipe.
  - 3.) Think about variety:** Buy fruits that are dried, frozen, and canned (in water or 100% juice) as well as fresh, so that you always have a supply on hand.
  - 4.) Don't forget the fiber:** Make most of your choices whole or cut-up fruit, rather than juice, for the benefits that dietary fiber provides.
  - 5.) Be a good role model:** Set a good example for children by eating fruit every day with meals or as snacks.
  - 6.) Include a fruit at breakfast:** At breakfast, top your cereal with bananas, peaches, or strawberries. Add blueberries to pancakes, drink 100% orange juice or grapefruit juice. Or, try a fruit mixed with fat-free or low-fat yogurt.
  - 7.) Try a fruit at lunch:** At lunch, pack a tangerine, banana, or grapes to eat, or choose fruits from a salad bar. Individual containers of fruits like peaches or apple sauce are easy and convenient.
  - 8.) Experiment with fruit at dinner too:** At dinner, add crushed pineapple to coleslaw, or include orange sections, dried cranberries, or grapes in a tossed salad.
  - 9.) Snack on fruits:** Dried fruits make great snacks. They are easy to carry and store well.
  - 10.) Keep fruits safe:** Rinse fruits before preparing or eating them. Under clean, running water, rub fruits briskly to remove dirt and surface microorganisms. After rinsing, dry with a clean towel.

**Emergency Test Cont. from pg. 1**

"Although EAS is frequently used by our state and local governments to send weather alerts and other emergency information, there has never been a national activation of the system," says Wisconsin Emergency Management Administrator Brian Satula. "EAS messages were sent out 23 times in the last two years by local and state government agencies in Wisconsin to communicate vital emergency information. Last February, EAS messages were used to warn people about treacherous road conditions during the Groundhog Day Blizzard."  
The purpose of the November 9, 2011 test is to assess the readiness and effectiveness of the current system and identify improvements to better serve and protect our citizens and communities.  
The test has been in the development stages for the last two years. The Federal Emergency Management Agency, the Federal Communications Commission and the National Weather Service, along with state, local and tribal agencies, have been coordinating this test.  
The EAS test is a great reminder that everyone in Wisconsin should have an emergency preparedness kit and create an emergency plan for themselves, their families, communities and businesses. Anyone can visit <http://readywisconsin.wi.gov> for more information about how to "Get a Kit, Make a Plan and Stay Informed" and what to do in the event of an actual emergency.  
**Frequently Asked Questions about the EAS Test**  
**What is the Emergency Alert System (EAS)?**  
The national-level EAS is a national public alert and warning system that enables the President of the United States to address the American public during extreme emergencies. Alerting authorities can leverage the state and local EAS to send alerts and warnings to radio and television stations, cable television, satellite radio and television services and wireline providers.  
**What is the Nationwide Emergency Alert System (EAS) Test?**  
The Federal Emergency Management Agency (FEMA) in coordination with the Federal Communications Commission (FCC) and the National Oceanic and Atmospheric Administration (NOAA) National Weather Service (NWS) will send an EAS test message to all participating radio, television, cable and satellite providers.

**Paul Bunyon appreciation party**

All landowners whose property we cross and club members joined us on October 8th, 2011 at the Lakewood Town Hall for free food, refreshments and raffles from 5 p.m. to 9 p.m.

Without the landowners' generosity, we would not have a trail system that is enjoyed by a countless number of snowmobile enthusiasts. If we have missed you as a landowner, it was not intentional, please contact us. We make every effort to inform and educate all snowmobilers to respect the property that our trail system is on. We realize, at times, inconsiderate people will not adhere to respecting these rules. If you should have a problem, please feel free to contact us and we will do our best to address any concerns you may have.

We also send out gift certificates to be used by each landowner. It can be used at many of our local businesses that support the local clubs by volunteering their time, gift certificates, or donating items to be raffled and soliciting memberships. It is a small token of our appreciation.

Snowmobilers average around 1,300 miles of riding a year. A strong tourism impact on restaurants, gas stations, and lodging is realized by the businesses in our area and across the state. Over \$28 billion dollars of economic activity occurred in North America related to the snowmobile season last year. So rest assured that you as a landowner are a big key to keeping our trails viable and helping to keep the economy healthy in our local business.

**Wabeno School Dist. Jr./Sr High Late Start  
Elementary No School**

**Wednesday, November 2, 2011**

The Jr/Sr High School students will be starting school 1 hour 50 minutes late on Wednesday, November 2, 2011. Parents should expect buses to arrive 1 hour 50 minutes later than normal on this day. Dismissal time will not change. The purpose of the late start is for staff cooperative planning time. Parents who bring their children to school and children who walk to school should arrive at 10:00 A.M.

For Elementary students there will be no school on the first Wednesday of the month. This new initiative is to provide the elementary staff with more collaboration and training time for improving our reading and math programs. State instructional guidelines allow for this kind of scheduling as the yearly required minutes of instruction for elementary students are substantially less than those for Jr/Sr High students.

Additional Jr/Sr High late starting/Elementary no school dates during this school year will be December 7, February 1, March 7, and May 2.

**Operation Christmas Child**

It's that time of year again for Operation Christmas Child! Operation Christmas Child was started by Franklin Graham, son of Billy Graham, to give poverty children in disaster stricken areas across the world a Christmas present they would probably never receive, it is a shoe box filled with simple gifts that can change children's lives. If you would like to participate, you can go online to [www.samaritanspurse.org](http://www.samaritanspurse.org). Click on Operation Christmas Child and print off a packing brochure. The brochure has instructions on how to pack your shoe box. You can also get other information about Operation Christmas Child at this site. Get a shoe box and wrap the lid and box in Christmas paper separately, plastic shoe boxes will resist water and can be used as storage. Decide if your shoe box is for a girl or a boy and fill it with toys, crayons, socks, gloves, toothbrush, comb, washcloth, pencils, tablets, hard soap, hard candy and other items. Please do not buy toy guns, knives or war toys.

Then bring your shoe box down to Praise Chapel Community Church, 200 East Sixth Street, Crandon. We are the Relay Center Collection site for the Northwoods. Collections will be Monday, November 14th through Sunday November 20th. We will be open Monday through Saturday 12:00 p.m. - 5:00 p.m. and Sunday November 20th from 1:00p.m. until 6:00 p.m.

Last year, 8.5 million boxes went out to over 100 nations. If you go to the Samaritan's Purse website, you can read stories of how these boxes impact children. If you have any questions, you can contact Pastor Bill or Sjana Farr at 715-889-1424.

**Laona High  
Drama**

Laona High School drama students are putting finishing touches on a comedy that will delight theater fans in the area. This year's production Lucky Dollar, Private Eye, is a hilarious comedy by Tim Kelly that is a spoof on the gum-shoe dramas of days-gone-by. Performances will be held at the Laona High School Gymnasium on Friday, November 11, and Saturday, November 12 at 7:00 PM. There will also be a matinee performance on Sunday, November 13, at 2 PM. Tickets will be available at the door for all performances and will be \$3.00 for students and \$5.00 for adults.

Los Angeles detective Lucky Dollar, played by senior Johnny Rodaer, hasn't had a client in over two years. Then sweet Pandora Sugarland, played by juniors Nikki Babich and Alanna Benaszkeski, shows up with a weird tale about her rich, eccentric boyfriend Throckmorton Mintworth. Lucky decides to take the case. Lucky is slugged, shot at, and pursued by beautiful girls. Various criminals are out to get Lucky because they are convinced he knows the whereabouts of the priceless "Pearl of Persia". The action is fast paced as Lucky is pursued by the likes of Joe Weasel, played by junior Zach Reeves, Detectives Mohair Brush (junior Jake Ambrosius) and Babs Doyle (junior Catherine Krawze), and the mysterious Kimono (Alanna Benaszkeski and Nikki Babich). The family of the eccentric boyfriend, including the crazy matriarch Mrs. Montrose, played by junior Morgan Krawze, the seductive Claire, played by junior Molly Thornton, and Seabrook (Zach Reeves), the little terror of the family, seem to be more concerned about their wealth than the safety of Throckmorton.

Meanwhile, back at the office, Florence, Lucky's Girl Friday, played by junior Megan Milan tries her best to keep everything together. It is no easy task because of visits from the persistent bag lady, Earthquake Debris, played by junior Samantha Trebtsoske, and the menacing Montrose Hogsbreath. Then Throckmorton turns up in Lucky's office with a knife in his back! What does all this have to do with Conchita, the Mintworth family maid (junior Emmie Terry) or Charrutsee the Chanteuse (junior Azalea Shears) or Hollywood agent Polly Wolf (sophomore Elycia Baker) or Mona Le Point (junior Danielle Flannery). What is the importance of the statue of a California Chicken sitting on Lucky's desk? The surprises are nonstop and the audience will GASP and LAUGH at the same time. It is sure to be an evening of hilarious action!

Lucky Dollar, Private Eye is under the direction of Carol Bartlein. The lighting and sound crew will be lead by senior Hillary Connors, who returns for her third year as a

lighting techie. Also on the tech crew are juniors Kim Mentz and Stephanie Slimmer. The set was constructed by Mr. Ryan Kelley's shop class. Laura Bobbe assisted in costuming.

Lucky Dollar knows that the members of the Mintworth Family are off their rockers, but Pandora Sugarland wants Dollar to investigate them for the murder of their son and brother, Throckmorton. Kneeling is Seabrook Mintworth (Zach Reeves), Standing (L-R) are Pandora Sugarland (Alanna Benaszkeski), Mrs. Mintworth (Morgan Krawze), and Lucky Dollar (Johnny Rodaer).

## Answering The Call

Presenting a \$300 check to Jan Peil of the Food Pantry is Dale Greenwood from American Legion Sylvan Post 44 in Wabeno. The Legion raises money by holding monthly Poultry Shoots. You can have fun and at the same time help others by attending these events.

American Legion Sylvan Post 44 out of Wabeno has answered the call from the Christian Food Pantry for financial assistance. During these difficult economic times, more and more people turn to the Food Pantry for help in feeding their families. During the month of September we served 355 families (900 individuals). Fortunately, there are many generous citizens in our area who bring food to the pantry.

That said, monetary donations are also needed to allow the pantry to purchase vouchers and some foods when the shelves start getting bare. If your club or service organization is looking for a way to make a difference during this Holiday Season, a donation to the Christian Food Pantry in Townsend would be greatly appreciated. Your tax deductible check can be made out to St. John's Lutheran Food Pantry and mailed to St. John's Lutheran Church 17963 State Hwy 32, Townsend WI 54175. If you would like to present the check in person and give your service organization a little well-deserved publicity, contact Jim at 715-276-6196.

## United Area Rescue Squad adds safety gear and equipment

Equipment purchased with funds donated by Trump Lake and Roberts Lake Associations

### Safety Gear:

The United Area Rescue Squad has purchased new ANSI Class 3 winter jackets for our responders. These high visibility jackets will not only keep our responders warm while responding to emergencies, they will help ensure our safety at emergency scenes. The jackets are highly visible in the daytime and night with safety lime green colors and reflective striping.

### Medical Equipment:

New equipment added to our ambulances includes IV fluid warmers and blanket warmers. The addition of these items will not only help our EMT's treat hypothermia, but help prevent it before it starts. Offering our patients something as simple as a nice warm blanket can greatly increase comfort during transport to the hospital.

The purchase of this equipment was completely funded by generous donations from the Trump Lake Association and Roberts Lake Association. The continued support of community organizations such as these allow the United Area Rescue Squad to acquire and upgrade the equipment needed to continually provide our community with high quality and compassionate emergency medical services.

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

## How Your Support of Post 94 Helps Worthy Causes.

Proceeds from the American Legion Post 44's 1st annual Weiner Fest are in, and have been divided up and given to worthy causes. Sizeable donations were given to King Veterans Home, a long term home for elderly and disabled vets, Camp American Legion, a facility for vets that require rest and recuperation to aid in recovery from an operation, illness, or other affliction. And to the Ladies Auxiliary, for care packages to our service members abroad.

**LAWRENCE FRANCES TUPPER**, born February 23, 1923, in Crandon, Wisconsin; Died October 16, 2011, in Santa Barbara, California. Lawrence (Larry) was the fourth of eight children born to Orin and Irene (McCormick) Tupper. He graduated from Crandon High School, and then spent a year in Seward, Alaska. He returned to Crandon, where he and his brothers co-owned a trucking company. During World War II, he proudly served in the US Marine Corps, in the Pacific Islands. He was wounded in action three times and was awarded three Purple Hearts, and a Bronze Star for "heroic achievement under heavy artillery fire." He was recalled during the Korean Conflict.

On May 13, 1950, he married his sweetheart, Harriette Mount, in Crandon. He and his brothers continued as co-owners of the trucking business, a Cities Service Gas station, and a Dad's Root Beer Stand. Eventually, memories of warm Southern California, from his time at Camp Pendleton, drew him, and in 1955, he moved his young family to Garden Grove, California. He worked in the food sales business for many years, first for Alex Foods, and later for the Borden Company. In 1971, the family moved to Santa Barbara.

Our dad had a profound love of God, of his wife Harriette and his family, and of his Catholic faith. He was a kind, generous man who opened his heart and home to others. He was very involved with Holy Cross Catholic Church and with the prayer communities in Santa Barbara and throughout the area. He and Harriette spent countless hours feeding the homeless, visiting convalescent and rehab hospitals, and just helping others. He loved to attend school events with his children, and after his retirement he was able to spend special time with his grandchildren. He could often be found in the bleachers, cheering them on.

Dad was proud of his Irish heritage and always had fun on St. Patrick's Day. He had a warm smile for everyone and sparkling eyes. Even when fighting Alzheimer's, he kept his sense of humor.

Lawrence is survived and deeply loved by his wife of 61 years, Harriette; by his six children and their spouses: Theresa (Fred) Buss, Pat (Diane) Tupper, Mary (Gerry) Alcasas, Madelon (Greg) Calderon, Mike (Janie) Tupper, and Mary (Tom) Lopez; by his seventeen grandchildren: Nick, Heather (Chris), Emily (Richard), Allison (Dan), Shannyn (Ray), Ryan (Laura), Greg (Jan), Sabrina, Danielle, Jason, Michael, Kyle, Megan, Mackenzie, Madison, Caton, and Jeremiah; and by his eight great-grandchildren: Cynthia, Caleb, Sarah, Evan, Evelyn, Jillian, Camilla, and Gabriel; and by his only surviving sibling, Margaret (Ralph) Brandt. He is also survived and loved by his sisters-in-law, numerous nieces and nephews, and countless friends.

He is preceded in death by his parents, Orin & Irene Tupper; a sister, Catherine and five brothers, Richard, Edward, Bernard, Francis and George Tupper.

A Rosary and viewing will be held on Saturday, Oct. 22, at 7:00 p.m. at Holy Cross Catholic Church. The Funeral Mass will be on Monday, Oct. 24, at 11:00 a.m. at Holy Cross Church. In lieu of flowers, donations may be made to Holy Cross Catholic Church or to the Wounded Warrior Project.

**JOSEPH 'JOE' S. PISCZOR**, age 93, Green Bay formerly of Armstrong Creek, passed away Monday, October 24, 2011 at Odd Fellows Nursing Home, Green Bay. Visitation will be on Friday, October 28 from 9:30-11:00 a.m. at St. Stanislaus Kostka Catholic Church, Armstrong Creek. Funeral Mass will follow at 11:00 a.m. with Monsignor Paul Koszarek officiating. Interment will be in the Pine Hill Cemetery, Armstrong Creek. Weber-Hill Funeral Home, Crandon is assisting the family. Online condolences at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**LEHMAN A. GEROW**, age 70, of Crandon, passed away at St. Mary's Hospital, Rhinelander on Tuesday, October 18, 2011. **Thursday Night Mystery Riders contribute to ARF**

Betsy Jeziorny of the Pour Haus Bar & Grill presents \$725 to Cora Campbell of the Animal Resource Fund. Pictured from left to right: Dennis & Mary O'Brian, Betsy Jeziorny, Cora Campbell, "Cowboy Bob", Jason & Keri Kaster. Maverick the dog in foreground.

A group of motorcycle enthusiasts met at the Pour Haus Bar & Grill in Lakewood every Thursday starting the week before Memorial Day and ending the week after Labor Day. Each week these bikers would gather and then go for a short ride to an undisclosed destination. Hence the name Mystery Ride. Whenever they got together, the riders would make a donation with a suggestion for a charity. Week after week different suggestions were being made along with the kitty of money getting bigger and bigger. There were many great suggestions and ideas; however, it was the Animal Resource Fund that was ultimately drawn from a bucket by a non-participating patron at the Pour Haus.

The Animal Resource Fund is a not for profit grass roots effort in Northeast Wisconsin that helps out animals in need. A.R.F. is funded by donations. Services that they provide includes the following but is not limited to this list: Spaying and neutering of animals in order to control the pet population, medical treatment for animals in need of emergency services, supplying dog & cat food for the food pantry so that low income families can provide for their pets, finding foster families to care for pets that have been abandoned.

For more information about the Animal Resource Fund contact Cora Campbell at 715-478-2398 or send your donations directly to: Animal Resource Fund, 10810 County Road B, Crandon, WI 54520

## Lakewood Reunion a huge success

Many of the Lakewood Reunion attendees had been students at Lakewood Loyal Forest Graded School.

The 28th Annual Lakewood Reunion is part of history now, as nearly 90 people met at Waube Lake Lodge to share memories, renew old acquaintances, enjoy a great meal, and learn the basics of genealogy. The reunion has evolved from a gathering of Lakewood citizens, the "old-timers", to a fun-filled gathering of anyone who has lived in Lakewood, visited Lakewood, or just plain enjoys the area.

Once again Tom and Faye Thielke put on a beautiful display of Lakewood memorabilia. Each year they develop some new displays and this year, to go with the theme of the program, "Are your roots in Lakewood?", they compiled a photographic family tree of the Thielke Family. Their continued involvement in the reunion helps make it more successful each year. Tom is well-known for

his interest in Lakewood history and as the author of A History of Lakewood, Wisconsin small town success in the Northwoods.

The theme for this year's reunion was "Are your roots in Lakewood?" Guest speaker Jake Jacobs presented a basic tutorial on family research. He and his wife, Connie, have put much time into genealogical research for families in Oconto County.

For the second year, Lakewood Trivia was played with questions like: What prominent Lakewood resident found the lost "Church children"?; The building that now houses the Firelite Lounge had been used as what other businesses?; When you finished dining at Sig and Fay's Club 32 what entertainment could you enjoy for only a nickel? Great prizes for this were donated by local businesses.

A beautiful poem about Lakewood written by Dick Lowery, titled Full Circle, was read to the group. It was a very moving poem and brought back memories for many.

Another year of history another reunion more memories made and shared plan ahead, the 29th Annual Lakewood Reunion will be held in September of 2012! The theme for next year's reunion will be, Honoring Our Veterans.

Jake and Connie Jacobs presented a basic tutorial on genealogy "Are your roots in Lakewood?"

Three Lakewood Reunion attendees were over 90 years of age. Pictured here are Fran Smyth Jackson, Barney Jeranek, and Lola Jackson Dunsim.

**Honor Flight** Cont. from pg. 1

When first approached about the Honor Flight, Jim was hesitant. Being a humble man, he wasn't sure he was worthy of being selected. However, as the big day approached, Jim became more and more excited.

On the day of the trip, four airplanes with 90 passengers each took off from the Central Wisconsin Airport in Wausau at 5:00 a.m. Refreshments were served and two hours later they arrived in Washington. The Veterans and their escorts were met by volunteers who came with wheelchairs, golf carts, and buses to help the men get from place to place.

What followed was an amazing day. Jim and his fellow Veterans visited the World War I Memorial, the World War II Memorial, the Korean War Memorial, and the Vietnam Memorial; as well as witnessed the changing of the guard at Arlington National Cemetery. When asked which Memorial had the most impact on him, Jim didn't have an answer. He said they were each intense in their own way.

The group was back on the planes by 7:00 that evening and on their way back to Wausau. When they landed, they were treated to an unexpected surprise. The entire airport was filled with supporters. People filled all of the hallways and concourses while waving flags and signs, cheering, singing, and offering pats on the back. Jim says the celebration left him shaking and feeling very proud.

All in all, Jim says the entire trip was wonderful, and more than met the expectations he had for it. He is very thankful to everybody who made it possible and those who contributed in any way. When asked what his favorite part of the journey was, Jim replied, "The flights, of course. I still love to fly." And as for his emotions while viewing the various monuments and being with other Veterans, Jim said it "made him feel small, but as if he had been a part of something very big."
