Elcho Girl Scouts send care packages to our soldiers

Grace P., Jessica, Summer, Savannah, Victoria, Hope, Moll, Grace R., Alexis, Holly, Shelby, Dana, and Kerrie.

Elcho Girl Scout Troop 7149 appreciates everyone who contributed to their amazing project of sending 37 Care Packages to Soldiers over the Holidays. These gift packages were shipped on December 3, 2011 because of the care of the community.

The generous outpouring of care from many anonymous donors as well as Co-Vantage, Crandon Lions Club, Elcho Lioness', Karla K., Alice & Bob V., Nicole B, and the Forest County Potawatomi Community made this Season of Giving possible. The Care Packages will reach their many destinations via the Elcho Post Office and Postmaster Dana.

The girls would like to acknowledge the Wabeno American Legion, area businesses and churches that allowed us to place a box or container for the collection of the supplies. The boxes and containers were filled with treats, a piece of home, love, and support for a soldier spending the holidays far from their home.

Logroller Invitational Wrestling Tournament

On Saturday, December 10th, the Wabeno Wrestlers and Wrestling Club will host the 37th annual Logroller Invitational Tournament. The Wabeno High School Gymnasium will be the location of a day of exciting competition. The Logrollers will be host to a total of twenty high school teams which include: Athens, Bark River, Clintonville, Coleman (reserve varsity), Crandon, Crivitz, Elcho, Florence, Gillett/Suring, Kewaunee, Kingsford, Menominee, Mishicot, Norway, Rhinelander, Three Lakes, Tomahawk, Wausau East, West Iron County, and Wabeno.

Wrestling will begin at 9:30 AM with preliminary matches. Quarterfinal matches are tentatively set for 11:00 AM, with semi-finals starting at 2:00 PM, and the championship round scheduled to begin at approximately 4:30 PM.

Wrestlers will be competing for team placement, with trophies for the first and second place teams and individual medals in the weight classes for 1st, 2nd, 3rd, 4th, and 5th places.

Last year, the tournament was canceled due to a snowstorm. However, in 2009, the Tomahawk Wrestlers took home the first place trophy and were followed by the Escanaba team. Placing third was the Athens team.

The all day tournament is an exciting opportunity for Logroller fans to rekindle their love for wrestling or find out what it is all about. Competition will be top-notched. The Logroller Wrestlers would greatly appreciate your support!

Tickets for the day's events are available at the door. The prices are: Adults - \$6.00; Students - \$4.00. Hope you can make it!

Blood Drive in Laona on January 5th

One New Year's resolution could be to give blood, be it for the first time or the hundredth time. The Laona High School National Honor Society will be hosting the Laona Community Blood Drive on Thursday, January 5, from noon until 5:00 p.m. The drive will be in the Multi-purpose Room. Since 1970, January has been designated as National Blood Donor Month.

The blood supply is particularly vulnerable during the winter months due to inclement weather, seasonal illness and busy holiday schedules. Make an appointment today to give blood and help ensure a stable blood supply.

To donate blood simply call 1-800-RED-CROSS (1-800-733-2767) or visit redcrossblood.org to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license, or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental permission in some states), weigh at least 110 pounds and are generally in good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Citizens Bank Collects Winter Wear to keep our neighbors warm

(Townsend, WI) – Surviving a Wisconsin winter can be tough for the heartiest souls. Surviving the cold and snow without the proper clothing is nearly impossible. Citizens Bank in Townsend is again holding its annual "Winter Warmers" clothes drive to help those in need stay warm this winter. The "Winter Warmers" clothes drive will take place now through the end of the year.

Citizens Bank is collecting new or handmade mittens, hats, gloves, stockings and blankets for males and females of all ages. "This collection drive has been taking place over many holiday seasons and we certainly hope that we can again top the previous year's efforts," said Nancy Gardebrecht, branch manager for Citizens Bank in Townsend. "We encourage everyone to help out by making a donation. Big or small, every donation helps those in need."

All items collected during the "Winter Warmers" drive will be donated to the local Christian Food Pantry and to Wabeno Elementary School.

Donations to the "Winter Warmers" drive can be made at the Townsend Citizens Bank branch at 17953 State Highway 32.

For more information about the collection, please call (715) 276-2265.

Another Season to Remember

Although Winter is the most solemn season at the Wabeno War Memorial it is still a beautiful time to visit. The flags that fly at the Park are colorful in any season, but after a snowfall with the trees covered in snow and the Memorial Bricks buried beneath the snow, it is a perfect time to stop, reflect, and appreciate all veterans who have served our country.

Therefore, during this season, on behalf of the Park's Co-Chairmen, Byron Erdman and Al Morrison, the Wabeno American Legion Post 44 and all who donated their time, gifts, machinery, and services to the Park and also to all of the people who have purchased the Memorial Bricks; We are grateful. Visiting the Park is a time for remembering and honoring Veterans.

Laona Elementary Announces No School Dates

The School Board of the School District of Laona, at their November meeting, approved four additional days during the 2011-12 school year in which K-6 students will not have school. Those dates are: Tuesday, December 13; Friday, February 17; Thursday, March 22; and Wednesday, May 2. These four dates are changes to the initial district calendar.

These four days will be used by the elementary staff to work on the District's "Response to Intervention" plan that must be submitted to DPI by the end of this school year. RTI requires that staff provide alternative instruction to students who are not making adequate yearly progress. This alternative instruction must be provided prior to a student being considered for special education services.

These four dates will also be announced on the District website and reminder notices will be sent home prior to each date.

7-12 high school students will still have school on the above dates. State instructional guidelines allow for this type of scheduling as the yearly required minutes of instruction for elementary students are substantially less than for 7-12 students.

Kiss a Pig

The Senior Class will be hosting a fundraiser to raise money for their class. There will be a jar for each staff member that agreed to participate at every girls and boys home basketball game and also in the library throughout school hours. The staff member with the most amount of money in their jar by Friday, January 20, 2012 will be asked to show up for the half time of the boys' game on Thursday, January 26, 2012 to kiss the pig on the center of the court.

Yearbook

Laona School District is now taking orders for the 2011-2012 Yearbooks the price is \$20.00. If interested please contact the highschool office 715-674-2143.

The state legislature recently passed a law that requires people to present an acceptable photo ID when voting. Following is some information to help those who need to obtain a Wisconsin ID card for voting purposes better prepare for a visit to the DMV.

A free ID card is NOT available if you:

** Will not be at least 18 years of age on the date of the next election

** Already have a Wisconsin ID card that is not eligible for renewal (you may renew your ID card up to one year prior to its expiration date)

When applying, it will be necessary to provide your Social Security number and one document from each category below.

- ** Proof of name and date of birth:
o Certified U.S. birth certificate (not a copy)
o Valid U.S. passport
o Certificate of Naturalization
o Tribal ID card

An expired Wisconsin driver license or ID is acceptable too as long as it expired within two years after the most recent general election. In other words, if a Wisconsin ID or driver license expired in December 2010, it can still be used for voting purposes in the November 2012 general election.

The most common documents are listed above. For a complete list of acceptable documents and more information on how to get a Wisconsin ID card, visit the Wisconsin DMV online at www.wisconsinidmv.gov.

For more information on voting in Wisconsin, visit the Wisconsin Government Accountability Board online at www.gab.wi.gov.

CHRISTMAS HAZARDS

Please be careful this Christmas Season with candles and your indoor and outdoor decorations. We know candles add wonderful atmosphere to your holidays, but leaving candles unattended or near combustible materials, such as curtains or decorations could cause a fire. Be careful not to overload your electrical circuits, which could cause an electrical short and possibly cause a fire. We all love our Christmas decorations, but following these simple tips could possibly save your family's prized possessions as well as their lives. December 10 deadline for 2012 bear & spring turkey permits

Wild turkey and black bear hunters are reminded that they have until the close of business this Saturday, Dec. 10, to apply for available permits for the 2012 Spring Turkey Season and the 2012 Black Bear Season. Preliminary permit levels for the spring turkey hunting season are set at 225,420 total permits (not including Ft. McCoy or State Park & Disabled-only Hunting Zones). This is the same number of permits that was available for the 2011 spring season. Final permit levels will be set in early January. Total permit availability for the 2012 black bear hunt has not yet been determined. The Natural Resources Board will take up the proposed black bear quotas and harvest permit levels at a meeting to be held in January. Applications for each of these two permit drawings cost \$3 and may be purchased through the Online Licensing Center on the DNR website, at all authorized license agents, at DNR Service Centers (Hours for service centers vary; check the DNR website for service center days and hours of operation; DNR Service Centers are not open on Saturdays), or by calling toll-free 1-877-LICENSE (1-877-945-4236). Applications postmarked after the December 10th deadline, or those which have been filled out incorrectly, will not be considered for the drawings. Applications for Spring Wild Turkey Hunts for People with Disabilities are also due on December 10. This opportunity exists for disabled hunters interested in participating in a spring wild turkey hunt on private lands. Approval and participation requires a separate application and authorization form. Permits remaining after the initial drawing for the 2012 spring turkey season will be issued for sale one zone per day on a first-come, first-served basis in late March, on a date to be specified later.

THANK YOU!

We would like to thank all the friends, family and associations who sent us cards, love and a shoulder to cry on in September when we lost our home to fire. A very special thank you to all of the Laona Fire Department for the wonderful job they did, without you we wouldn't have been able to save the ultra-sound of our baby we lost and being able to save that one thing was everything to us. We really can't say thank you enough. God bless you all

Nicolet AARP Chapter 1191

AARP Deer Hunters at November meeting.

The AARP November meeting of the Nicolet AARP Chapter 1191 was for the primary purpose of the annual election of officers and board members. Despite the deer hunting season, there were 42 members in attendance. Two new members joining the group at this meeting were David and Mary Ellen Krizek from Mountain. Ellie Wilda was reelected as Secretary and Carol Butrymowicz was reelected as Treasurer. The terms of Bob Bennett, Pres., and Jim Bowman, V.P., will expire next year. Board members who were reelected for another two year term are as follows: Norman Wilda, Joyce West, and Lorraine Bessert. Newly elected to the board were Ray and Ruth Dehne.

The AARP Christmas party is scheduled for Tuesday, December 13, 2011 at Waubee Lodge starting at 4:30 PM for cocktails with dinner starting at 5:30 p.m. The cost per person is \$14.00. There will be prizes for members and entertainment which will be provided this year by Robert Mengel. Contact Joyce West at 715-276-9409 before December 1st to make reservations. The Board asks that members bring one or more items of nonperishable food which will be donated to the Christian Food Pantry in Townsend. The AARP Group will donate a check for \$100 to help the Food Pantry. All persons 50 and over are invited to join the local AARP Chapter. AARP meetings are social, entertaining, and informative. Contact Joyce West, Membership Chairman, at 715-276-9409.

A.R.F. News

Here we are at the end of another busy year the days and weeks fly by with not enough time to accomplish all we set out to do on January 1st, 2011. The years also have gone by quickly; A.R.F. has been helping our four legged friends four years now, but our members have been "animal welfare" people many, many years in one capacity or another!

A.R.F. has individually assisted nearly two hundred pets, not counting the many that were vaccinated or spayed/neutered at our clinics. We increased the amount of pet food we provided at NEWCAP food pantry. Last year was 15,000 pounds, and in 2011 that was upped to over 18,000 pounds. In addition to the pantry, we have provided many bags of food to individuals. Our senior member, Vice President Donna Blasius, is still helping to bag that food every week! She has been by my side helping animals for so long, I don't know what we'd do without her!

For every pet we assist to stay with their family, (whether food or medical attention) it means one less for the area shelters to have to take in. From my years at the shelter, I know only too well the emotional trauma the "surrendered" pets undergo. For the strays, the shelter is a haven of food and warmth for the surrenders, they are asking "What did I do wrong?" The first few months of this year we assisted many ill pets to get the medical attention they needed, which made a considerable dent in our working revenue. So.....our heels were dug in to replenish those funds.

2011 has been a year of thankfulness and gratitude for the help we have received from those wanting to do more for animals. The Tree of Hope by PetCo headed by Kathy DeChamps in Green Bay, was the first income we received in 2011. In the Spring, Kathy also placed A.R.F. in PetCo's Spring a Pet, which was even more lucrative than the Tree of Hope. PetCo has been wonderful to A.R.F., and Kathy keeps on the look-out for any possibilities of income. Next, Lori Buresh came up with the idea of a cook book of tried & true family recipes, which proved to be a major revenue boost. Our "memory bricks" fund raiser suggested and kicked off by Julie Cieslewicz was well received and many of you participated. The A.R.F. annual Spring sale was an outstanding success this year, because of the great donations of everything from furniture to jewelry and everything in between.

Our strawberry shortcake and sweet-tea stand proved to be a hit with everyone at Kentucky Day, and we will be there again in 2012! Next came our shot clinic held at the Nashville Town Hall. Our home-town veterinarian Tracey Hagney, who now lives in the Madison area, made the trip back to the Northwoods to volunteer her services (as she always does) to get as many pets vaccinated as possible. We ask a small donation of \$5.00 that covers all the shots, so that literally every pet can be immune to life threatening diseases. A large bake sale hosted by Sis Campbell and Patti Campbell-Wellmon came at an in-between time of our fund-raising, and was certainly needed and appreciated.

The whole A.R.F. clan was on hand to do double duty at the Brush Run, making up for the time "rained out" in the Spring Run. Our annual "Caramel Apple" stand at Art in the Square (with our great apples being donated each year by Maple Valley Orchards in Gillett) would normally have been the end of our events for the year, but we were in for some wonderful news! Fischer's Sunset Resort in Post Lake hosted a raffle event with A.R.F.ers Clinchy & Angela Fox doing the leg work. Ed and Betsy Jeziorny, owners of the Pour Haus Bar & Grill in Lakewood, along with their fellow Pour Haus Mystery Riders, announced that A.R.F. would be the recipient of the money their group had raised. Next came Kristin Calhoun-Stockinger of Wausau who sponsored an Avon open house fund raiser to benefit A.R.F., location courtesy of LaFetta in Crandon. Our on-going income is generated by the candy bar sales at Campbell Auto Supply. The money that sale brings never ceases to amaze us! That is made possible by Julie Cieslewicz, who orders, picks up, and manages to get them to Crandon for us. As you can see, we have been a little busy this year, but with the increasing pleas for help that we are receiving, it was all needed.

To all of you who have helped animals in any way whether it was individually, for our shelter, or to A.R.F., we wish you a Blessed Christmas, a happy and healthy New Year, and pray God will bless you in great and wonderful ways.

 display in her yard then headed around the block and in front of the courthouse. Everyone sang Christmas carols and counted down to the lighting of the tree. This year, the 55 foot spruce across from the chamber building was selected.
 Santa led the children into the chamber office where he and Mrs. Clause greeted everyone. Santa listened as each child told him what they wanted for Christmas. Mrs. Clause gave everyone a coloring book and directed them to a table filled with cookies, hot chocolate and candy canes. If you were not able to attend, don't worry there is still plenty of time and Santa will be at a few more events to make sure he can greet all the boys and girls.

Go green, save green with holiday waste reduction tips

DNR Press Release

MADISON – The holiday season is a time of giving and sharing with family and friends. While enjoying these traditions, you can also take steps to reduce waste, save money and be creative while making the holidays green.

An average Wisconsin resident generates three quarters of a ton of solid waste each year. This amounts to more than four pounds per day, including both household waste and an individual's share of commercial waste. During the holidays, waste can increase with extra packaging, gift wrap, disposable dishes, leftover food and more.

The Department of Natural Resources website provides a variety of tips on reducing holiday waste, giving green gifts and reducing energy consumption.

"From using less packaging, to buying environmentally friendly gifts, to creative reuse of materials in decorations, the holiday season offers many opportunities to reduce waste, help the environment and save money," says Elisabeth Olson, DNR recycling and waste reduction education and outreach coordinator.

The DNR's holiday waste reduction tips can be found on the DNR's EEK! Environmental Education for Kids website. Some suggestions include:

Holiday Preparation Tips

****Instead of incandescent lights, use energy-efficient LED lights for holiday decorations.** Have lights that no longer work? Many companies accept used light strings for recycling and may even offer a discount on new lights. Talk to your local retailer or search online for details.

****Use a timer to turn off holiday lights when no one is awake to enjoy them.**

****Potted trees are a great waste-free alternative to cut trees and can be planted in the yard in the spring.**

****At holiday parties, use washable plates, cups, silverware, tablecloths and napkins instead of disposables.**

Gift-Giving Tips

****Look for gifts with little or no packaging, or packaging that can be easily reused or recycled.** Remember to bring your own reusable bags to bring your purchases home.

****Give experiences, not things.** Give your family and friends tickets to a concert, gift cards for a lunch out, or simply set aside time to spend together. Experiences create memories that last longer than any material thing, and they create much less waste.

****Give gifts that help your friends and family live greener.** Possibilities include bus tickets, state park passes, compost bins, reusable grocery bags and rechargeable batteries and chargers.

****Support recycling by purchasing gifts made of recycled material.**

After-holiday Tips

****After the holiday season is over, put cut trees in the yard to provide winter cover for rabbits and birds.** In the spring, chip the tree and use it for mulch.

****Save and reuse ribbons, bows, gift bags and wrapping paper from year to year.** Recycle paper and boxes that are no longer useable.

****Don't throw away your holiday or greeting cards; use them to make new cards next year or donate to organizations that could reuse them.**

Seven wolves illegally killed during 2011 Wisconsin deer season

DNR Press Release

MADISON – At least seven wolves appear to have been illegally killed during the recently completed Nov. 19-27 gun deer hunt, according to state wildlife officials. The shootings are being investigated.

"It is unfortunate that some individuals have chosen to illegally kill these wolves. We understand that there is frustration with the slow response of the federal government that would allow us to actively manage our wolf population, but it is an illegal act and a federal offense," said Kurt Thiede, land division administrator for the state Department of Natural Resources. "What we need is federal authority to legally deal with problem animals and to provide relief to farmers experiencing wolf depredations on livestock."

Wisconsin has a wolf management plan and is ready to take on management of its wolf population, estimated at a minimum of 782 animals last winter. Gray wolves had once disappeared from Wisconsin, but gradually moved back into the state from Minnesota and Michigan and re-populated former wolf territory under protections of the federal and state Endangered Species Acts.

Wisconsin officials have called for the U.S. Fish and Wildlife Service to delist the wolf in Wisconsin, considering it has far exceeded its established delisting goal of 100 animals, as well as the state management goal of 350 wolves.

"Wolves are a part of our natural landscape and like all species we manage, we need to take into account ecological as well as social factors," added Thiede. "That is the basis for how we established our management plan and our management goal."

In addition to the department's call for removing federal wolf protections, Wisconsin's congressional delegation has also indicated support for delisting wolves in Wisconsin in a letter to the director of the U.S. Fish and Wildlife Service, which administers the federal Endangered Species Act. The wolf was removed from Wisconsin's threatened and endangered list in 2004.

"Wolf depredations on livestock and hunting dogs have continued to increase as the wolf population expands. It is disappointing to see a species that has recovered, become devalued and viewed as a species that can be indiscriminately killed because it has exceeded some people's level of tolerance for wolves. This administration has done all we can to make the strong case for delisting, and we hope it will occur early next year," said Thiede. "DNR fully and adamantly supports delisting wolves in Wisconsin and returning management of the species to the state so that we can take steps to manage wolf populations and provide relief to farmers and pet owners through focused lethal control of problem animals."

The seven known kills are the third highest number of kills taking place during the gun deer hunt on record. Four of the dead wolves were actively being monitored with radio collars, and three others were not collared but were found dead in the field and reported by deer hunters. A total of 49 wolves were being monitored by radio-tracking by the DNR at the start of the gun deer season. One additional radio-collared wolf died from other causes, and three other radio-collared wolves went missing during the same time.

Nine wolves were killed during the 2006 hunt and eight for the same period in 2009; a total of 31 wolves have been illegally killed during November deer hunts between 2006 and 2011. Illegal kills also take place in summer months with 29 illegal kills between 2006 and 2011.

Regain Your Balance

Do you often run short on time to do what needs doing? Would you like to find more time for fun, exercise and personal care? Too many "must-dos" can lead to fatigue, stress and unhappiness. To get your life back in balance, try these timely tips.

Add more time to your life:

•Record the time spent on each task in your schedule for a week. Look for time-wasters to cut or tasks to delegate.

•Combine errands to save driving; break big chores into smaller daily tasks to free up weekends.

•Avoid "multitasking" - it can reduce your productivity.

•Limit email, texting and online social networking.

•Turn off phones and laptops to have uninterrupted time with friends or family.

Add more life to your time:

•Make a list of the top 6 activities you value. Make it a priority to include more of them in your week.

•Take a vacation and focus on what makes you happy.

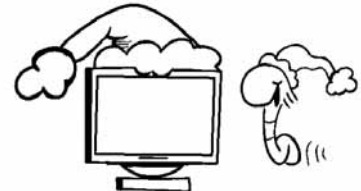

Final Thoughts:

•Leave work behind when you go home as much as possible. Keeping a clear boundary between these two worlds is the basis of a balanced life. With some practice you can learn to maintain a healthy balance in your life.
