Northern Buckhunters Annual Coyote Hunt

The Northern Buck Hunter's annual Coyote Hunt will take place on February 11th. As in other years, callers and hound hunters are welcome and will compete in separate categories.

The headquarters will be at Main Street Ed's on Argonne's main street, where there is ample parking and plenty of room to pile up dead coyotes.

More information will follow in subsequent issues, so be sure to watch these pages.

All proceeds will go towards the good works provided by the Northern Buck Hunters, which includes the rifle range east of Crandon as well as the archery range.

Start tuning you coyote calls!

Nashville Town Hall renovations and events

Cory Campbell

Some major renovations have been taking place in the Nashville town hall recently. We started out with a thorough cleaning and rearranging of things.

The farther we went with the project, the more we realized that surface cosmetic fixing was just not the long term answer. The old saying that "It's cheaper to do things right the first time" sure seemed to be applicable in this case!

First on the agenda was to replace the old tile floor throughout the entire building. We started out by replacing some of the tile, and quickly realized that we'd be replacing the entire thing eventually. Our "wish list" of things we wanted to see accomplished seemed to be getting longer, but we needed some revenue to see it through. Then the idea was born to log off the two plots of town-owned land where our collection sites are located.

Now with the revenue in sight at the end of the tunnel, we began the road to seeing our hall up-graded and up-dated. Out with the old crumbling tile and in with beautiful new ceramic tile. Even the bar has been completely re-done in the same ceramic tile, and it looks very classy.

What started out to be a small remodeling job in the bathrooms turned into (as these remodeling jobs always do) a major undertaking. Since you can't stop in the middle of a bath overhaul, we kept going, and Justin Puls and Larry Bazille have done an outstanding job, not only with their work, but in finding good buys on the needed material. We still have some things on our "want" list, but we're slowing down for the time being. The point is this: now when we are planning a social event, we can have it with pride once more in our own community building.

We have been hosting a Wednesday Flea Market each week, and we commend those vendors for working with us (and around us!) while all this work was and still is being accomplished.

We are hoping to expand our Wednesday activities for area residents to include a hot meal served, both with carry-outs and a few tables for eating in, and allowances for visiting and card games, board games, etc. for a few hours after lunch. This would be a great opportunity to get together and visit with friends and neighbors, and a chance to make new ones. If our plans for lunch are realized, we will hopefully start serving on January 11.

Mudslingers in Cavour and number 49 on the 100 Miler

By Mike Monte

Karen and Jay De Jardin opened the doors on Mudslingers on November 17th, just in time for the gun deer season. The couple hail from Luxembourge, have a cabin near Iron River, and decided to move north. They are located at the junction of U.S. 8 and Highway 139, in Cavour. It is the sight of the old Rainbow Club and the bar was formerly called Backroads Pub and Grill. Both of the owners are at work now, but come summer, Jay will be back to work with the asphalt company he has been employed with. Their son, Patrick, is also helping with the business. Jay cooks in winter and Patrick will be the cook in the summer.

Mudslingers has a sandwich menu right now, with their main attraction the Slinger, a one-pound burger. There are however other sandwiches that feature beef, pork, chicken and a fish sandwich on Friday.

In the future, they intend to expand their menu, with a full-fledged fish fry by spring and other special menu items.

Their bar and grill is pit stop number 49 on the 100 Mile Snow Safari and it also on the ATV trail. They have plans to build an ATV mud pit and an ATV wash station for after the mud run. Karen said they would like to see more activity on the Lions trap range next door, and is in hopes that a trap league will form for the summer months.

Mark your calendars for June, when Mudslingers will be hosting the 1st Annual Slinger Fest that will include a band, good food and plenty of other refreshments.

The Pioneer Express wishes Karen and Jay the best of luck with their new enterprise!

Annual Homemade Sled and Shovel Race in Crandon

The Second Annual Homemade Sled and Shovel Race on Mission Hill is approaching quickly. The event is set for Saturday, January 28, registration at noon, racing at 1. The time has come to get to work making your sleds and rigging up your shovels!

The lakes have slowly been freezing, and the ice shacks have been blooming on area lakes, like this shot of some of the ice shacks on Rollingstone Lake.

Ice fishing can be extremely boring and then turn into a mad scramble, as a flag goes up or a bobber goes down. Sometimes there are fish for the pan and sometimes eating can be thin, but all will tell you they had a fine time on the ice with friends, lunch and maybe a wee bit of something to drink.

Forest County opens snowmobile trails

Forest County Snowmobile Trails officially opened on Wednesday, January 4, 2012 for the snowmobiling season. Forest County has 405.79 miles of state funded trails maintained by five snowmobile clubs including the 100 Mile Snow Safari, Lumberjack Memorial Trails, Black Bear Sportsmen's Club, Tombstone-Pickrel Sno-Club and Three Lakes Trails. With colder temperatures upon us trails are packing and freezing which will provide fair trail conditions for the opener.

If you appreciate smooth trails, now is the time to volunteer some time, effort or cash at one of the donation boxes found at our area businesses that sponsor our trail system by supporting our local snowmobile clubs.

New 2011-2012 Snowmobile Trail Maps are available at all businesses thanks to another generous donation of \$1500 by the Sugarbush Snowmowheelers Snowmobile Club. "This generous donation of \$1500 has purchased 8,000 snowmobile trail maps," stated Forest County Snowmobile Council President, Jack Kloss, "We really appreciate the Snowmowheelers support to provide maps to all five snowmobile clubs and snowmobilers in our area." Please support the Sugarbush Snowmowheelers efforts and enjoy a day of fun by participating in the annual Poker Run that is scheduled for the first Saturday in February.

Please remember that the Nicolet State Trail and the Wolf River State Trail are the only snowmobile "trails" in Forest County that are currently open for winter ATV use. ATV "routes" on gravel or blacktop town roads will also remain open to ATV use.

The Forest County Snowmobile Trail Ordinance currently prohibits ATV use and motor vehicle use on all other snowmobile trails in Forest County.

If you encounter trucks or vehicles on snowmobile trails this winter please report their license number immediately to 911 or the Sheriff's Dept. at 715-478-3331 or County Forestry Department at 715-478-3475. Updated trail condition reports can be found daily by calling the Forest County Snowline at 715-478-2040 or logging onto the Forest County website at www.forestcountywi.com. This website also provides links to local snowmobile clubs that provide daily grooming reports and maps of the Forest County trail system.

Forest County Sheriff's report

Sheriff Dennee reports there were two serious accidents in the early morning hours of 01-01-12.

The first being a one car accident in the Town of Nashville at approximately 12:44 a.m. It appears the vehicle lost control while traveling on South Shore Drive and struck several trees, causing the death of 38 year old Amy Griesbach of Oshkosh. The accident is still under investigation, but it appears that speed and alcohol were contributing factors in the accident. Brian D. Griesbach was arrested and is being held in the Forest County jail. No further information will be released at this time.

The second accident occurred just after 6:00 a.m. in the Town of Nashville. It appears that a vehicle being driven by Norbert Polar of Crandon, struck Klynt Decorah, age 41, who was walking along Hwy. 55. Decorah later died from his injuries. Polar left the scene, but was later arrested and is being held in the Forest County jail. This matter is still under investigation and no further information is being released at the time.

A Tribute to My Husband
Gottlieb "Slim" Ratz
January 28, 1918 - December 14, 2011

God's Garden
God looked around His garden
And found an empty place.
He then looked down upon the earth
And saw your tired face.
He put His arms around you
And lifted you to rest.
God's garden must be beautiful;
He always takes the best.
He saw the road was getting rough,
And the hills were hard to climb,
so
He closed your weary eyelids
And whispered, "Peace be thine."
It broke our hearts to lose you,
But you didn't go alone,
For part of us went with you
The day God called
You home.
Your Loving Wife,
Betty

THANK YOU
to all who have sent cards, meals, gifts and lifted me up in prayer during my battle to get healthy again. I am so encouraged and I appreciate them so much.
Love, Almeda Ison

THANK YOU
I would like to thank everyone for all the prayers, cards, food, goodies, blankets, flowers, receiving communion and visits. And the support from all my friends and family. You can't begin to know how much it touches my heart. The love will never die. I wish I could write to each and everyone to thank you personally. You have all been special to me in my life.
Thank you and may God bless you.
Love, Marlene Novak
