Lincoln Building Committee meets

By Boyd Monte

The Building Committee for the Town of Lincoln met at the County Courthouse Thursday, May 10. The committee had sent out requests for proposals to architects and design firms for further investigation on which path to take on building a new town hall that would be the best option for the town.

The committee sent out sixteen requests for proposals and received nine requests back and interviewed the four best groups. The groups were Architects Group Limited, Raasch Engineers & Architects, Bay Architects and Hunter Engineering and Design.

The interviews were held in closed session. When the meeting went back to open session, the committee informed the people that the next step would be to get information on general contractors. If the committee presents to the public, a building plan that goes through an architect, there will probably be a general contractor. The next meeting will be on Tuesday, May 22 at the town hall at 5 p.m.

Clean Boats/Clean Water meeting In Townsend

Clean Boats/Clean Waters (CBCW) training will be held at the Townsend Town Hall for the Townsend Flowage Association and the Inland Lakes P&R District #1 on Saturday May 19, 2012 at 9:00 a.m. Training will be provided by Danielle Block who is the AIS Grants Coordinator & Aquatic Plant Management Specialist for the WDNR. Danielle Block will be assisted by Amanda Strick who is Oconto County's first Aquatic Invasive Species (AIS) Coordinator.

Amanda Strick started in this position this year and she will discuss what her job involves in Oconto County.

The meeting will be open to anyone from other lakes associations who wish to attend. Anyone interested in the CBCW program in the Townsend area should call Dick Culver at 715-276-2618.

Herb Kohl Winners: Danyell Franti and Marissa Popp

Danyell Franti, left, and Marissa Popp

Wabeno teacher Danyell Franti and WHS student Marissa Popp together were honored at the March 24th Herb Kohl award ceremony at DePere High School. Award founder Herb Kohl was present to acknowledge excellence in teaching and learning among Wisconsin's best.

Wabeno Area School District's K-12 technology coordinator and business education teacher, Danyell Franti, is surprised and excited to share the honor of her selection as Herb Kohl Fellowship winner with her district. Completing her second year with Wabeno, Franti is proud to represent the district's students, staff and administration, who have recognized the importance of business education and technology integration.

Danyell's application emphasized her passion for technology and how she teaches students and staff members concerning its appropriate use. "Our students are growing up in an instantaneous world, and technology has made many of us impatient. I teach students to think before they post (blog, email, webpage, or status update) online because the repercussions can be long lasting. Often students think the anonymity of posting online hides them from all consequences. The reality is, I need to teach our students proper netiquette, so they understand the effects."

Potawatomi & City of Crandon announce funding for third police officer

Donation Announced During National Police Week

(Crandon, WI) - The Forest County Potawatomi Community announced a two-year commitment today of \$49,964 per year to the Crandon Police Department towards the hiring of an additional police officer. The announcement comes during National Police Week and marks the latest investment by the Tribe to assist the area's public safety services.

"Police Week is a time to stop and thank law enforcement for all that they do to keep us safe, as well as honor those who have paid the ultimate sacrifice," said Chairman Gus Frank of the Forest County Potawatomi Community. "Public safety is a cornerstone of any community and the Forest County Potawatomi are pleased to support the hiring of a third, full-time police officer in Crandon."

"Our officers and law enforcement personnel work extremely hard to make sure our community is safe for our residents and businesses," said Dan Packard, Crandon Police Chief. "The Potawatomi have been a strong partner of law enforcement and we thank them for their continued commitment."

The Tribe has a history of dedication to law enforcement in Forest County. Last year, the Forest County Sheriff's Department received \$22,400 for software to be used in squad cars. The Town of Laona's Police Department received \$9,950 to purchase vital equipment in 2009. The Wabeno Police Department was awarded \$15,901 for portable alcohol breath sensor machines and other law enforcement tools in 2008, and in 2007 the Crandon Police Department was awarded a three-year grant to support police officer payroll.

"We are grateful to the Potawatomi for their continued efforts on making Crandon not only a safer community, but also a great place to live," said Crandon Mayor Rob Jaeger.

Sheriff Dennee brings WI-VINE service to Forest County

Service notifies crime victims when offenders are released from jail

Forest County residents will now have quick access to custody information on offenders in the county jail. Sheriff John Dennee recently activated the WI-VINE service, an automated service that notifies registered crime victims, law enforcement personnel and concerned citizens and community members when offenders are released from jail, and also provides around-the-clock access to offender information either by telephone or use of the internet. In addition to crime victims, the WI-VINE system can be used by family members, neighbors, business owners, law enforcement officers, criminal justice professionals - anyone impacted by crime - who is interested in knowing the location and custody status of criminal defendants and offenders housed in the Forest County Jail.

Protecting the citizens of Forest County is always our highest priority," said Sheriff Dennee. "The WI-VINE service provides an added level of protection because it gives everyone access to timely and accurate information on offenders in our county and other counties throughout the state that currently offer the WI-VINE service. Our department is appreciative of the support we received locally in order to participate in this grant and are delighted that we could make this important service available to the public."

Individuals throughout the county who are interested in inquiring about an offender or receiving automated notification of an offender's change in status can call 1-888-944-8463 or log on to www.vinelink.com and search by an offender's name or booking number to obtain custody information. Those choosing to register for automated notification will be able to register multiple phones and/or e-mail addresses where they will be

"We meet the nicest people by accident"

Jeanine, Brad, Ted, Barbara

Are you wondering what happens to all those Box Tops and Milk Caps? Well...

The community has brought in successful donations to support and grow the learning environment for our local school. This school year the Crandon P.T.O. has held two Box Top challenges, one in the beginning of the school year and the recent one ended in April. The winning classroom that brought in the highest number of Box Tops received a special reward, although, every class has indeed received a special reward purchased with the money brought in from clipping, collecting, and their own hard work. With the first challenge our school brought in \$1,175.00 and was able to purchase separate playground equipment for each grade level! Besides Box Tops and Milk Caps schools can earn extra cash by collecting Campbell's soup labels, Coke Product rewards caps and other product programs. In this day every little bit helps!

In the last couple years the Crandon P.T.O. has also connected the school and community by hosting events such as Open-Gym Nights, (a very successful) Elementary Talent Show, Family Fun Nights, and numerous Pop N Reads to mention a few. All with the help of Parents, Grand-Parents, Teachers, Principals, Administration, and Community Volunteers that took time to volunteer and commit to our kids!

The Crandon P.T.O. is 100% for the kids. Are you wondering how you can help your school? The Crandon P.T.O. meets the first Monday of every month in the elementary cafeteria 6:00 - 7:00. If you can't make the meetings you can always contact Kim Keepers, (715) 478-0988, or anyone involved in our Parent Teacher Organization to get you on the e-mail or phone helping list. Or check out the facebook page for other updates. <http://www.facebook.com/crandonptto>

Robot Demo at Lakes Country Library

Team Green, consisting of junior and senior high members of the Oconto County 4-H Robotics Project, will be hosting a robot demonstration at the Lakes Country Public Library, Lakewood on Saturday, May 12th. Stop in any time between 10am and noon to see the robot in action. They are excited to show the community what they have accomplished and how others can support or participate in this growing robotics program.

This club has been involved in the competitive sport of VEX robotics for the past three years. The VEX Robotics Competition is the largest and fastest growing middle and high school robotics program globally, with more than 4,800 teams from 23 countries playing in tournaments worldwide. More information on VEX Robotics can be found at www.vexrobotics.com.

Team Green was formed in 2009 as an Oconto County 4-H robotics project and has competed in numerous regional and national competitions. During the last three competition seasons, the team has received many awards for excellence, programming, quality, and creativity.

The 2011-2012 Team Green members are Brandon and Justin Dehne (Doty), Jennifer and Matthew Lyng (Oconto Falls), and Jake and Jordan Sellhausen (Lakewood). Team mentor is Kent Lyng, electrical engineer at Oconto Electric.

Forest County Historical Museum getting ready for summer

With the approach of the summer season, the members of the Forest County Historical and Genealogical Society have met and made plans for cleaning and new displays at the Museum (105 W. Jackson, Crandon). Anyone who would like to know more about the Museum or would be interested in helping there are many different jobs needed to be filled to get the Museum ready and open to the public on a regular basis.

Well trained guides are most important to provide a pleasant educational experience for summer visitors. If you are interested in learning about the history of Forest County and would have a couple hours a week to share with others, please call Sandy at 715-478-3753 to find out more about becoming a guide. This summer, if any of the guides are interested, Sandy will be teaching them how to add pictures from our collection to the Heritage-On-Line site which is very popular with genealogy researchers and will be good publicity for our Museum. This project would give you a chance to see many old photos that have not yet been put on display.

Each spring the building gets a head-to-toe cleaning and new displays are assembled so that all looks fresh and inviting to new visitors and to those who have visited many times. We are currently looking for some collections or items of historical significance to display for the summer. These items will be on loan for the summer months only but are a nice addition to our regular collection. If you have items you would like to display from Memorial Day to Art in the Square, please call Winnie at 715-478-3456.

The Museum will be open for the day on May 28 before and during the Memorial Day Celebration. Regular summer hours will begin on June 5. Please become a volunteer to help us tell the colorful story of Forest County.

Donations Needed for NEWCAP, Inc.

NEWCAP Inc. of Crandon is in need of donations and volunteers to help those in our community. Our pantry is open 40 hours per week to help those in need and help against hunger.

Nicolet College graduation ceremonies May 19, 20

Nearly 600 students will graduate from Nicolet College this spring during commencement ceremonies on the Nicolet campus Saturday and Sunday, May 19 and 20. This includes 470 graduates who will receive an associate degree, diploma, or certificate from the college and another 125 students who will have earned their GED or HSED through the college's Academic Success program.

Ceremonies will be held at 1 p.m. and 3:30 p.m. Saturday, May 19, in the Nicolet College Theatre for graduates receiving a degree, diploma or certificate. The ceremony for Academic Success graduates will be held at 11 a.m. Sunday, May 20, also in the theatre.

The commencement speaker at Saturday ceremonies will be Dave Juday, chairman of the board of Ideal Industries. The Juday family is a major contributor to the Nicolet College Foundation to help students in financial need. Juday served for 10 years on the Illinois Board of Education as well as on numerous other boards devoted to improving communities.

At the ceremony Sunday, Joni Theobald, Lac du Flambeau education director, will deliver the commencement address. The Lac du Flambeau tribe was awarded the Nicolet College Foundation's 2011 Friends and Partners Award for its commitment in promoting education.

Laona Elementary Announces No School Dates

The School Board of the School District of Laona, at their November meeting, approved four additional days during the 2011-12 school year in which K-6 students will not have school. The last date is: Wednesday, May 2nd. This day will be used by the elementary staff to work on the District's "Response to Intervention" plan that must be submitted to the DPI by the end of this school year. RTI requires that staff provide alternative instruction to students who are not making adequate yearly progress. This alternative instruction must be provided prior to a student being considered for special education services.

This date will also be announced on the District website and reminder notices will be sent home prior to this date. 7-12 high school students will still have school on the above dates. State instructional guidelines allow for this type of scheduling as the yearly required minutes of instruction for elementary students are substantially less than for 7-12 students.
Yearbook
Laona School District is now taking orders for the 2011-2012 Yearbooks the price is \$20.00. If interested please contact the high school office 715-674-2143.

Death Notices

CORA SUE COLLINS, 51, of Green Bay-WI was led home in the arms of Jesus on Sunday, May 6, 2012 in the early morning hours. She was born to the late Robert and Betty Collins in Antigo, WI December 2, 1961.

Cora was one of the most unique and amazing women a person could cross paths with. She was the type of woman who gave selflessly, and did not expect

anything in return. It was about knowing she could make someone smile and laugh or help them out in a time of need even if that meant she went without. She had always said and was a firm believer in by doing good for others God would smile on her one day. After so many years of struggling and sickness, in the past year she was able to find her faith in Jesus-which finally set her free. Free from pain, heartache, and peace with the questions that were never answered. God did indeed bless her each and every day in so many ways. She was a wonderful mother who gave the best gift a person could ever ask for-LOVE. She made you to see and appreciate the little things in life. She had forgiven those who needed forgiveness-loved all and most important believed and was not afraid anymore. God bless her heart for it is most precious!

Survivors include: sons-Ryan P. Collins, Douglas D. Luterbach, daughters-Stacey M. Luterbach, Jessica J. Grimes, Four Grandchildren-Evan, Makaylah, Jace, and Owen, boyfriend-Dave Hendrickson, and Siblings-Debbie, Rick, B.J., Tom, Jenny, Candace, and Robin.

Visitation was on Saturday, May 12 from 10:00am-12:00 noon at the Weber-Hill Funeral Home, Wabeno. Funeral Service followed at 12:00 noon with Pastor Don Dewing officiating. Cora will be laid to rest next to her father at Lakeview Cemetery in Carter, WI. Online condolences www.weberhillfuneralhome.com.

WILMA M. GUNTHER, age 90, of Mountain, passed away Sunday, May 13, 2012 at the Heartland Hospice, Milwaukee. Visitation will be on Saturday, May 19 from 9:00 a.m. to 11:00 a.m. at St. John Lutheran Church, Townsend. Funeral service will follow at 11:00 a.m. with Pastor Stephen Mueller officiating. Interment will be at Lakewood Forest Cemetery. Online condolences www.weberhillfuneralhome.com

DEVON BRADLEY WEBB, age 4, of Appleton formerly of Wabeno, passed away after a long courageous battle with cancer on May 9, 2012. Devon was born June 24, 2007 in Rhinelander the son of Devon Lee Webb and Melissa Rae Weber.

His super nova light, lit up the world of everyone's life. Right to the end Devon never gave up his fight. He will be sadly missed by his family.

Survived by: Father: Devon Webb (Nicole Renkas), Wabeno. Mother: Melissa Weber (Zachariah Ingram), Appleton. Brother: Zadya Ryder Ingram, Appleton. MARVIN R. YUNKE, age 69 of Lakewood, WI passed away on May 11, 2012 at Aurora Medical Center in Green Bay. Marv was born on June 4, 1942 in Marinette, WI to Otto and Helen (Onishick) Yunke.

Marv enjoyed hunting, fishing and spend time with his family. He was always willing to lend a hand to anyone in need and would love to talk and tell stories. Marv's favorite motto was "I made someone smile today".

Marv is survived by his wife: Catherine, Mother: Helen, Daughter: Constance Perry, Sons: Scott Yunke, Ryan Yunke and Clarence Robert (Shannon) Perry Jr., Brothers: Robert, Jerry and Patrick (Leann) Yunke. Marv is further survived by 10 grand children, 1 great-grandchild and numerous nieces, nephews and many, many friends.

He is preceded in death by his father Otto and Daughter Colleen Roxanne Perry.

A gathering of Marv's friends and family was held on Wednesday May 16, 2012 from 5-6 PM at Oughton Park in Townsend and was followed by a memorial service. Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences and memorial information may be obtained at www.weberhillfuneralhome.com.

Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

Dear Editor:

I would like to take this opportunity to let the Forest County Sheriff's Department know what a great idea they have had by forming the inmate work crew. By utilizing a resource available in Crandon from our county jail, the work crew that picks up trash on our roadsides and performs other community service projects I feel will yield at least two-fold.

The cleaning up of our roadside areas of trash is so needed and appreciated by those who try to keep our county and area a beautiful place to enjoy.

The people on this work crew and those involved with it should gain a pride for what they have accomplished and an added appreciation for the beauty in our part of the world.

What better way to do this then to be our great outdoors helping others.

From a grateful resident
Penny Meisinger

Stephanie Harris
Champion at Work

SkillsUSA Championships.
After serving as an officer in the Wabeno High School chapter and attending fall leadership training sessions, Stephanie ran for a position as a Wisconsin SkillsUSA state officer in April of 2011. She was elected to the office of District III Vice-President, and served from June 2011, until June of 2012. As part of her duties as an officer, she represented Wisconsin at the Mid-America Conference in Nebraska, and was a voting delegate at last summer's SkillsUSA National Conference in Kansas City.

This school year, Stephanie continued her work as the treasurer for Wabeno SkillsUSA and took on a role as a leadership trainer at the Wisconsin SkillsUSA Fall Leadership Conference. She talked to our state legislators in Madison to promote SkillsUSA and Technology Education in Wisconsin. Over 1700 students took part in the Wisconsin SkillsUSA State Conference and Skill Competitions held April 17 and 18. Ms. Harris was part of the state officer team presiding over the conference as well as a competitor in the Promotional Bulletin Board contest. Her team's bulletin board took second place honors.

Along with being in SkillsUSA, Stephanie has maintained a 4.0 GPA, is a member of the National Honor Society, and was last year's Lions Club Honor Student for mathematics. The SkillsUSA national motto of "Champions at Work" certainly describes Ms. Stephanie Harris.

American Legion Post 44
in Action

Over the last few months American Legion Post 44 out of Wabeno has been hard at work for the community. After this year's Fish o' Ree, We have had many Gun less Poultry Shoots, An Ice Cream social for the Grade School, and an Awards Dinner (Congratulations to John Vandenlangberg this year's Legionnaire of the Year.). In addition to all this your post has donated \$200.00 to St Baldricks kids with cancer, \$400.00 to Suzanna Diamond for a sponsored trip to Europe, \$300.00 to the Wabeno High School Skills USA, and \$450.00 to Boy scouts of America Troop 1048. Showing you that each and every time you support the Post it helps us support our local community.

This year is gearing up to be another busy one with many updates to the Veterans Memorial Park, Scholarships, The Weiner Fest, Multiple Parades, and much much more. So next time you see us in action rest

assured knowing that the money is going to great causes and your Vets are here for you, and our local community.

Wisconsin Off-road Vehicle Park Inc. elects permanent board

Interim President John Schnorr convened the first annual meeting of the Wisconsin Off-Road Vehicle Park on Saturday, May 12. The meeting was held at the Potawatomi Bingo & Casino Conference Center.

The group in attendance was large and enthusiastic as Schnorr brought everyone up-to-date with the web site (www.worvpi.org), the current feasibility study and business plan that are underway as well as a review of the April 13 workshop that was held at Mole Lake Casino. A permanent board of directors was elected by voting members in attendance.

WORVPI was formed as a non-profit organization in 2011 in order to take all the necessary steps to bring a motorized recreation area (MRA) to Forest County. In 2006, the Wisconsin Department of Natural Resources was given a mandate to develop a MRA park within the state.

Individuals, groups and businesses that are enthusiastic about motorized recreation including Jeeps, 4WDs, ATVs and dual sport motorcycles that want to see a park developed in Forest County are encouraged to join the rapidly growing group. Memberships start as low as \$10. For membership information check out the www.worvpi.org web site.

The Great Grouse Dog Giveaway

The Chain of Lakes Chapter of the Ruffed Grouse Society and Tall Tail Kennels is giving away an English Setter puppy to a lucky young hunter.

Willard Greenman, owner of Tall Tail Kennels, is donating an eight-week old English Setter puppy. The puppy will be given away free to a local youngster under the age of 21. To be considered, an applicant simply has to fill out the attached questionnaire. It is important that applicants have complete support and approval from their parents, and have the ability to provide a good home for the puppy. A successful applicant must have completed, or have plans to complete, a hunter safety course.

This puppy comes from an excellent line of pure bred English Setters, and with the right training, can be expected to be a superb bird dog. The mother's family tree includes a dog named Bozeann's Moseley, a legendary Field Trial champion. The father's line comes from setters bred by Dr. Marty Smith, co-founder of the "Doctor's Foster and Smith" pet supply company. In addition to donating the puppy for free, Willard Greenman has offered to help the new owner train the puppy.

The Chain of Lakes Chapter of the Ruffed Grouse Society's oversight committee will choose the winning applicant by June 1. The committee will use the following questionnaire to decide who the winner is, and may contact applicants and their parents directly to ask additional questions.

To get the puppy, just answer the following questionnaire, in your own words and to the best of your

- ability.
1. How do you plan to take care of the puppy? Tell us where you plan to keep the dog, and how you propose to exercise him.
 2. Do you currently own dogs? Have you owned dogs in the past?
 3. Give us a brief description of your hunting experience or why you are interested in learning to hunt.
 4. Include a short statement from your parents giving their approval for you to own and care for a dog.
- Answers to the questionnaire can be submitted by e-mail to hellmo@frontier.com or by regular mail to: Tall Tail Setters, 2050 Brown Road, Eagle River, WI 54521

Questions can be directed by e-mail to hellmo@frontier.com or by phone at 715-617-4668. The Chain of Lakes Chapter of the Ruffed Grouse Society holds a Sportsman's banquet each year on the last Thursday of August. For information in participating or attending, use the contact information listed above.

Vet's Corner

Iron Mountain VA Hospital/Clinic Parking Lot update- the main patient parking lot is undergoing 2 phases of repaving, with each phase lasting about 30 to 45 days, beginning April 16, 2012. Patients can be dropped off at the main entrance and the marked available parking areas will have shuttle bus service for patients and visitors between the hospital/clinic entrances and the parking lots. Veterans needing transportation to medical appointments in the VISN 12 area should call 1-800-215-8262 ext 33849 for the Veterans Transportation Service Manager, Isaac Armstrong. Mr Armstrong is located in Rm 1268 in the Iron Mountain VA Travel Office. The VTS/Travel office can assist Veterans with Hoptel approval and reservations, travel to VA Clinics and Hospitals.

Travel Pay will be going to a direct deposit process for after hours payments, and applications need to be completed before the end of 2013. See the Travel Office the next time you have an appointment ONLY IF you are authorized travel pay.

VA is trying to cut costs by encouraging Veterans to use the VA Medical Center closest to their homes. Letters advising Veterans of this policy have been mailed and a waiver form is included. Please contact the Iron Mountain VAMC Travel office to submit the form.

For convenience in checking status of pending VA Compensation or Pension claims, set up an eBenefits account at <https://www.ebenefits.va.gov/>. Premium Account access required to view status of pending Compensation or Pension claims. For questions, contact the eBenefits Help Desk at 800-983-0937.

For Veteran benefits information please call your local County Veterans Service Officer, in Forest County: Diane Fenske Joyner, 715-478-3722 or email vetshelp@co.forest.wi.us.

WI-VINE Cont. from pg. 1

automatically notified when the offender is released, transferred, escapes from custody or their status changes.

In addition, live operator assistance is available 24 hours a day through the toll-free number, 1-888-9444-8463, seven days-a-week for callers who have questions or require additional help.

"The WI-VINE service has been in operation in various areas throughout the United States throughout the past sixteen years, and the service is certainly designed with the victim in mind. It is very user friendly," Sheriff Dennee said. "What makes it special is the automatic notification feature. As long as you've got a telephone or a computer, you can receive an automated alert anytime of the day or night. This level of protection and notification are critically important to anyone who's concerned about the whereabouts of an offender."

The activation of the WI-VINE service was funded by a grant from the Bureau of Justice Assistance (BJA), U.S. Department of Justice. Since 2005, the Statewide Automated Victim Information and Notification (SAVIN) grant program administered by the BJA has nearly doubled the number of states providing automated victim notification. The goal of the SAVIN program is to increase public safety and improve vital criminal justice decisions by ensuring that victims and community members are given timely and accurate information that enhances their ability to protect themselves.

Beware of Jury Duty Scam

Beware of a scam which has so far been reported in 11 states and may be targeting Wisconsin soon. This scam, known as the "Jury Duty Scam," plays out as follows:

The phone rings, you pick it up, and the caller identifies himself as an officer of the court. He says you failed to report for jury duty and that a warrant is out for arrest. You say you never received a notice. To clear it up, the caller says he'll need some information for "verification purposes" - your birth date, social security number, maybe even a credit card number.

This is when you should hang up the phone. It's a scam.

Jury scams have been around for years, but have seen a resurgence in recent months. Communities in more than a dozen states have issued public warnings about cold calls from people claiming to be court officials seeking personal information. As a rule, court officers never ask for confidential information over the phone; they generally correspond with prospective jurors via mail.

The scam's bold simplicity may be what makes it so effective. Facing the unexpected threat of arrest, victims are caught off guard and may be quick to part with some information to defuse the situation.

"They get you scared first," says a special agent in the Minneapolis field office who has heard the complaints. "They get people saying, 'Oh, my gosh! I'm not a criminal. What's going on?'" That's when the scammer dangles a solution - a fine, payable by credit card, that will clear up the problem.

With enough information, scammers can assume your identity and empty your bank accounts.

"It seems like a very simple scam," the agent adds. The trick is putting people on the defensive then reeling them back in with the promise of a clean slate. "It's kind of ingenious. It's social engineering."

The jury scam is a simple variation of the identity-theft plays that have proliferated in recent years as personal information and good credit have become thieves' preferred prey, particularly on the internet. Scammers might tap your information to make a purchase on your credit card, but could just as easily sell your information to the highest bidder on the internet's black market.

Protecting yourself is key: Never give out personal information when you receive an unsolicited phone call.

Kohl winners Cont. from pg. 1

Her goal as an educator is to engage students by making real life connections for career and education paths, which both require business or technology skills. Franti feels that with the growth of resources available at our finger tips, educators need to embrace those resources instead of fearing them.

Another area of passion for Mrs. Franti is teaching students "how" to learn online. Online learning is here to stay and her goal is to prepare students for post secondary education or careers. Many students have never been taught to learn online and need instruction, just like with reading. "We don't give a child a book and expect them to read it. Instead we walk them through the process of identifying letters and then sounds and sight words. This process must happen before a student can read. I feel the same way with technology. We need to introduce them to online learning in baby steps before we can expect them to be successful in that environment."

Franti is responsible for training Wabeno Area School staff in the area of technology, in addition to her role as a teacher. "Both of these positions allow me to do a job I love. I feel so fortunate that the district supports this position and understands the importance of business and technology in our school." The honor of the Herb Kohl Fellowship selection comes with an award of grant money which Franti plans to utilize to integrate more technology resources at the elementary level.

Marissa Popp, daughter of Richard and Elizabeth Popp, is a senior at Wabeno High School. Marissa says, "The Kohl Excellence Scholarship was the most difficult scholarship I applied for." The Kohl is an extremely competitive scholarship with three rounds of judging: local school, regional, and state level. Her selection as the Herb Kohl Excellence Scholarship winner is added to an impressive list of high school accomplishments. Past honors include Lions Honors, Student, All-Conference Academic Achievement Award, Academic Letter Award, Highest Honor Roll, and selection to the National Honor Society. Marissa possesses leadership qualities evident in her work as a member of the student council, class officer, and on the court, track, and field of the sports arena. Co-curricular activities include Forest County Teen Court, band, Positive Action Committee, Future Business Leaders of America, and prom committee.

Popp feels "receiving the award is an amazing honor. I am exceedingly grateful that my school and my hard work were recognized."

Marissa plans to attend the University of Wisconsin-Stout with a major in Dietetics. Her desired career path is one which assists people with choosing a healthy diet and achieving wellness. "Earning the Kohl Excellence Scholarship was one of the highlights of my senior year, and is a great addition to the memories I've gained from Wabeno High School."

Crandon Library book sale

We are a fortunate community. Fortunate to have readers...and readers who recycle. Who benefits from this? In ways big and small, we all do.

Because those readers donate their gently used materials to the Crandon Library, children get help with a Summer Reading Program. Authors are invited to speak at the library. A dedicated high school student gets a scholarship. The library gets needed equipment it might not acquire without help.

The Friends of the Crandon Public Library volunteer their time to sort, price and display those donated books and they give all the profits back to the library...our library.

Come to the first Book Sale of the summer, Friday, May 25th, 8:30 am until 5 pm and Saturday, May 26th, 8:30 until noon. Get great prices on books you can hold and touch...and maybe recycle. We all benefit.

Laona Sports Show

Lynn Smith sharing information on canoes

By Boyd Monte

If you are a fan of recreational sports then you probably were in Laona this past Friday and Saturday, May 11 and 12 for the Third Annual Laona Sport and Recreation Show. The show offers all of the latest gear for the summer season. There was a wide variety of items to look at and buy ranging from handbags and candles to docks, fishing equipment, ATVs, campers and anything else you could possibly need.

The show is an event for the whole family. The children could catch some trout or race on a dirt track for the Traxxas trucks. This year Pam Britten walked away with her own trucks to race. Pam McCulloch from Roberts Lake brought home a nice pair of Danners Boots.

Laona School news

Laona Elementary teachers have been working hard in recent months to set up their RtI and Book Room. On May 14, the Laona School Board met with teachers for a "tour" and explanation of how this room will be used. Pictured is first grade teacher, Cara Shepherd, explaining the data wall to board members Jim Aschinger, Rick Krawze, Kay Connors, and Paula Johnson. To the right are shelves of book bins filled with leveled books for all students in grades K-6. Thanks to the cooperation of Nicolet Hardwoods, Dan Lazzeroni, and Ryan Kelley's Woods Class, all materials and labor for the shelves were donated.

Recently, Cara Shepherd (left) was chosen by the Laona Education Association as the recipient of the Educator of Excellence Award for the 2011-2012 school year. Presenting the award is Alice Sturzl (right), representative of the Nicolet/Oconto Retired Teachers Association (NORTA). Each year this group recognizes teachers for their superior performance in the classroom as well as their volunteer service to the school and community. Congratulations Cara!

Forest County Humane Society News

Good things are happening at FCHS! Julie and her fundraising team are doing remarkable things for our shelter animals. In the last few months they have had a huge bowling tournament, a bake sale, and we are in the process of selling raffle tickets with 5 cash prizes, including a GRAND prize of \$1000. This raffle will help reduce the cost of our sky-rocketing vet expenses. Our "Poppy's Pet Bakery" is doing awesome. We have had many people come forward and volunteer their time to bake for us. If you would like to purchase any of our pet goodies they are available at all our events. We will be at Laona Sport and Craft show Friday and Saturday May 11th and 12th selling pulled pork sandwiches, fruit smoothies and an array of other goodies to help support the FCHS. Stop by and visit us there.

Our pole building is taking shape and our first rummage sale will be Memorial Day weekend. Kathy Olson and her Resale Team are also very busy sorting and selling wonderful items at our resale shop.

It's that time of year unfortunately when we seem to experience a high volume of stray animals coming into our shelter. Right now we have every dog kennel and cat cage filled. This past weekend we had a situation involving a big dog attacking two smaller dogs in a neighboring township. As always the Forest County Sheriff's Department was an extreme help with this situation. Please keep your dog contained to your yard to ensure the safety of your neighbors and neighbors pets. The two small dogs in this case were badly injured, but are expected to recover from their injuries.

We have started our new volunteering program. If you haven't yet signed up to be a volunteer and help our shelter animals either by cleaning kennels or walking dogs, please call us at (715) 478-2098.

Donations of scoop-able cat litter, Purina cat and dog food, Simple Green cleaner and rawhide chews would be greatly appreciated at this time.

Our summer hours will begin Saturday May 12th. We will be open Wednesday from 4 to 6, Saturday from 10 to 1 and will open by appointment during the week. Our new web site is up and running you can find us on the web at www.forestcountyhumesociety.org

Solving the Workforce Paradox May 31 at Nicolet College

Unemployment is still higher than it should be yet many manufacturers are looking to hire but can't find enough qualified employees.

That situation will be the central focus of the upcoming Solving the Workforce Paradox session from 1 p.m. to 2:30 p.m. Thursday, May 31, at Nicolet College. The event is free and open to the public.

At the event Jim Morgan, president of the Wisconsin Manufacturers and Commerce (WMC) Foundation, will share his insights from more than 50 listening sessions he's held with more than 300 manufacturing representatives from across the state.

Morgan will be joined by Nicolet representatives Ron Skallerud, executive dean of Economic Development, and Brigitte Parsons, dean of Trade and Industry, in the discussion and brainstorming session aimed at creating the skilled workforce manufacturers need.

While the session is free, reservations are required and can be made by calling Nicolet College at (715) 365-4425; 1-800-544-3039, ext. 4425. Questions can be directed to Sandy Bishop, Nicolet's director of Workforce Development, at (715) 365-4564 or 1-800-544-3039, ext. 4564.
