## Ultra4 Rock Racing 4x4s to race at Crandon's Brush Run, June 16-17

CRANDON, Wis. (May 9, 2012) Fans attending next month's (June 16-17) annual Brush Run at Crandon International Off-Road Raceway are in for a big time additional treat as the wild open wheel "moon buggy"-style vehicles that compete on the Ultra 4 Series, popularized by the annual "King of the Hammers" race, will line up and race the Brush Run both Saturday and Sunday at Crandon.

Likely thought of as the powerful 600-horsepower buggies that crawl up and down ungodly steep rock faces at places like Moab, Utah, the Ultra 4 Series vehicles when unimpeded - can also blast across the desert at speeds in excess of 100 mph. That said, the inaugural 15 vehicle Ultra 4 race at Crandon will take place on the same track the Traxxas TORC Series, presented by AMSOIL, PRO Light, 2WD & 4x4 trucks race earlier in the day with no obstacles put in the way of the Ultra 4 vehicles, which are thought to be able to reach the same speeds as the TORC PRO Light trucks at Crandon (approaching 90 mph).

"We're coming to enjoy Crandon the exact way it is," said Ultra 4 founder Dave Cole. "I've got a bet with Brad Lovell that our fastest guy will beat his PRO Light truck."

"This style of racing is the foundation of our team, it is very thrilling to have our Ultra 4 family at Crandon the weekend of the TORC Brush Run," said Lovell. "Ultra 4s are designed to take on any terrain and are truly unlimited four-wheel drives ... anything goes! I don't know exactly what to expect at Crandon from the Ultra 4s, but side bets are developing already. This might be the only charge for a lot of these guys to ever race Crandon, so I know they will be going all out!" Note: Lovell's brother, Roger, will run his No. 232 AMSOIL Torchmate rock racer (Ultra 4) at Crandon so Brad can focus on his No. 44 AMSOIL PRO Light driving duties.

The Ultra 4 vehicles, with their exposed suspension and massive low pressure flotation tires, mark a radical departure from the TORC truck-style racers at Crandon. Likened more to the Super Buggy class, Ultra 4s are considerably more powerful, higher off the ground and - something that the Crandon faithful will no doubt appreciate - tend to roll over onto their tops fairly easily.

"This is something we've never seen before and our fans are really going to get a kick out of it," said Crandon's Cliff Flannery. "And it's pretty neat how it came together so fast. From speaking with Dave at the Indy off-road trade show to having USAC/TORC sign off on it, the Ultra 4s at Crandon are really going to be something!"

"Everybody likes to go fast. Now we get to do it for the biggest crowd we've ever raced in front of, at an iconic track," said Cole, adding his first trip to Crandon this week was "Incredible." "All I can think of is that first turn and how 15 guys, side by side at nearly 100 miles per hour in open wheel buggies are going to make it out there. One thing's for sure is that we're going to put on a heck of a show for the fans at Crandon!"

## Remembering Mom's clothesline

By Angie Alexander

You have to be a certain age to appreciate clotheslines, but you younger people can read about the "good old days."

We had a long wooden pole called the clothes pole, that was used to push up the clotheslines so that longer items like sheets and pants didn't brush the ground and get dirty.

There are basic rules for using a clothesline:

1. You had to hang the socks by the toe and not the top.
2. You hung pants by the bottom cuffs, not the waist.
3. You had to wash the clotheslines before hanging any

Beth Van Cleve DeJong to deliver Crandon's Commencement Address

Beth DeJong, Pharm.D., BCPS is the daughter of Ken and Lori Van Cleve and is a 2001 graduate from Crandon High School. She completed her pre-pharmacy coursework at the University of Wisconsin-Madison in 2005 and was then accepted into the University of Minnesota College of Pharmacy, Duluth. Dr. DeJong was an active member of several campus organizations as well as professional fraternities/societies. She was nominated and selected by her peers for induction into Phi Lambda Sigma National Pharmacy Student Leadership Society. She was also inducted into Rho Chi Pharmacy Honor Society for her academic achievements, an honor granted to students in the top 20% of the class. Dr. DeJong graduated from the program with distinction and received her Doctor of Pharmacy degree in 2009.

After graduation Dr. DeJong completed two post graduate pharmacy residencies. From 2009-2010 she worked as a behavioral health resident at the University of Minnesota Medical Center, Fairview Riverside in Minneapolis, Minnesota. During that time she completed psychiatric medication consults, participated in patient rounds, lead medication groups on the inpatient psychiatric units, and performed a research project exploring shared decision making through the use of antidepressant decision making aids. Dr. DeJong became interested in the relationship between depression and heart disease and decided to also pursue a pharmacy residency in cardiology. From 2010-2011 she worked as a cardiology resident at the Veterans Affairs Medical Center in West Palm Beach, Florida. She started a metabolic syndrome monitoring clinic for mental health patients taking atypical antipsychotics and was responsible for managing their hypertension, hyperlipidemia, and diabetes medications. She also completed a teaching certificate program through her academia rotation at Palm Beach Atlantic University Gregory School of Pharmacy.

Dr. DeJong currently resides in Grafton, Wisconsin with her husband and is employed as an Assistant Professor of Pharmacy Practice at Concordia University Wisconsin School of Pharmacy in Mequon. She coordinates and teaches in the pharmacotherapy course series with instructional expertise in psychiatry and cardiology. She recently passed a specialty exam to become a Board Certified Pharmacotherapy Specialist. Her scholarship focuses on atypical antipsychotic induced metabolic syndrome, plasma renin activity guided blood pressure management, and prescription drug abuse in minority patient populations. She also practices as a clinical pharmacy specialist at the Clement J. Zablocki Veterans Affairs Medical Center where she recently started another metabolic syndrome monitoring clinic for mental health patients. Dr. DeJong continues to serve the profession of pharmacy and her community by being an active committee member for the College of Psychiatric and Neurologic Pharmacists and volunteering weekly at the Ozaukee County Humane Society.

## Wabeno Drama to present an original film - "Sundown"

Wabeno High School Drama will present this year's original "RollerHouse Films" production on June 4th at 7:00 p.m. in the WHS auditorium. *Sundown* is the tale of three high school friends who become involved with a 400-year-old demon-fighting "Soldier." The movie itself is part supernatural thriller and part teen comedy. Some of the scenes might not be suitable for very young children. "There's nothing you wouldn't see on network TV," Roller Drama director Nick Lowery comments. "It's actually tamer than most contemporary TV shows aimed at teens. Next year, we're looking at doing something the little ones can enjoy as well."

WHS Drama began making movies last year. The process exposes students to new ideas for employing technology to make art and also offers a more flexible schedule than the fall one-act play competition. Some students, athletes in particular, who would not be able to do the fall play are able to fit in a handful of nights of shooting for the movie.

Making a film is truly a different experience for student actors accustomed to acting on stage. Roller Drama was able to do some things that they could never do in a traditional play. This year's film features two simultaneous fight sequences, one upstairs in the school, and one running the entire length of the school basement. But the cast and crew found numerous challenges as well. Something as simple as having a character walk and talk at the same time could test the limits of their basic lighting and camera equipment. Also, the process of creating a film is very time-consuming. Work on the screenplay began over a year ago, and there were seven months of

Col. Boyd Barker speaking about the importance of Memorial Day

By Boyd Monte

Last Monday, May 28, was Memorial Day. Memorial Day is a day set aside to remember and honor all the men and woman who have given their lives to keep the United States free. If you happened to turn on a t.v., you probably saw what the bigger cities did to honor our fallen troops. Crandon is no different.

Crandon held a procession down Lake Avenue to the Veterans Memorial on the courthouse lawn. Veterans and the high school band marched to applause. The guest speaker was Col. Vince Boyd Barker.

Col. Barker remarked that we should never forget our veterans and that this day is to remember the dead not the living. Col. Barker also told the crowd about a relative, Private First Class Boyd Barker that fought in World War II in the European Tour.

PFC Barker joined the Army in 1942 he was state side until he was reassigned to the 304 in 1944. While overseas, PFC Barker saw constant conflict. Barker returned home in 1946 and was called to active duty in 1950 to go to Korea. While in Korea, Barker was injured in the foot. Thankfully, PFC Barker made it home, he knew people that did not. He gave years of his life to serve this country.

The service also had Betty Gordon presenting the wreath and reading of a poem that tells us that veterans gave us all of our freedoms. Another poem was read asking people to not forget the people serving overseas. The service ended with a 21 gun salute and taps playing.

It is a sad ceremony. We remember people that had their lives cut short by war, but it also is a comforting time knowing that there are people today fighting for our freedoms that allow us to live the way we do everyday.

### Forest County Seniors - BE PREPARED!

A NOAA Weather Radio with alarm and battery back-up is one of the best ways to protect you and your loved ones. Weather radios are frequently called "smoke detectors for severe weather and hazardous conditions". Everyone should have one.

As part of the Forest County "Preparedness Initiative", staff members of the Forest County Potawatomi Emergency Management Office and the Forest County Emergency Government Office have scheduled visits at all five meal sites. The responses at Wabeno and Armstrong Creek have been great and we look forward to the same at Alvin, Crandon and Laona.

What to expect - Staff members will provide a brief presentation in regard to radio use along with printed materials. Participants will be shown how to set a radio for the Forest County area. Weather radios will be made available to individuals 60 years of age and older or their spouses at the sites. There will be no charge to participants for the radios.

Please continue to spread the word in the community. We would like to reach as many 60+ households as possible. If you have a weather radio at home and have questions about appropriate settings, bring it to the site. Staff members will assist you. Below please find the schedule and contact numbers for upcoming presentations. Registrations are requested a minimum of 24 hours in advance:

• **Alvin Nutrition Site** (Town Hall) 3:00 p.m., Thursday, May 31st. **Contact: Florence Kostka** 715-545-4063

• **Crandon Nutrition Site** (Community Building) 12:30 p.m., Wednesday, June 6th. **Contact: Pat Rami** 715-478-3040 (site) or 715-478-0742

• **Laona Nutrition Site** (Senior Citizens Bldg.) 12:30 p.m., Thursday, June 21st. **Contact: Mary Neilitz** (715-674-6123 or 715-889-1075)

Please encourage your friends and family to take part in this offering and invite them to register for a meal. Let's have a great turnout and "Be Ready"!!!

### Wabeno Drama Cont. from pg

work between the first night of shooting and the day Roller Drama finally began burning copies of the final movie to DVD. And the process offers no rest for the weary. "We haven't shown this year's movie yet, but I started writing next year's script a couple weeks ago," Lowery says with a smile.

Tickets for *Sundown* will be available at the door on the night of the performance. There are no advance seats available. Doors will open at 6:30 PM. Admission for all seats is \$3.00, but \$5.00 will get patrons a seat and a DVD of the movie autographed by the *Sundown* cast (while supplies last.) "The cast autographed the DVD's last year, and it turned into a really fun thing for us," says WHS senior Maggie Koszalinski, who plays the titular character of *Sundown*. "I hope it becomes a longtime Roller Drama tradition."

### What is a Nurse Practitioner?

The Nurse Practitioners at Northern Health Centers (NHC) in Lakewood want to be your partner in health and wellness. Our Nurse Practitioners have a master's degree and practice independently, collaborating with physicians and other nurse practitioners as needed. Our backgrounds in nursing include experience in inpatient care in the ICU, Medical, Community Health, Family Planning, Labor and Delivery units, Emergency, Urgent Care and outpatient clinics similar to NHC. We each have strengths and interests in care such as

- Well child visits
- Chronic care including diabetes, hypertension, depression
- Women's health specialty- birth control, pregnancy planning, menstrual problems, peri and post-menopausal health, female and adolescent health.
- Urgent care
- Laceration repair, lesion removal
- Annual exams and physicals

Instead of just treating illness, Nurse Practitioners spend time treating the whole person, and work as a team to support smart health and lifestyle choices. Your team, led by a nurse practitioner, can assist you with a sometimes complicated web of referrals, tests and treatments, helping to remove some of the stress of healthcare today.

## Eddie Blazonczyk passes

By Mike Monte

We have had two people bring in newspaper clippings concerning the death of Eddie Blazonczyk, and while we have not received a formal obituary, we think that a great many people would like to know of Eddie's demise.

Blazonczyk was 70 years old. He was from Chicago, but in his teen years was sent to live with his aunt and uncle, Fritz and Louise Kurek, in Hiles. Eddie was a Chicago kid thrown into the culture of the Northwoods, but he managed to fit in and make many friends.

To say he was musically gifted is a big understatement. He seemed to be able to master a musical instrument in a very short time. But he didn't just sit in his room and play the accordion, he got into the woody stuff too. As memory serves, he borrowed a rifle from Ralph Roberts and went deer hunting. The rifle was a trapdoor Springfield of Spanish American War vintage, and Ralph was amazed when he shot a nice buck with the antique gun.

After graduation, he went into the music field. He had a hit with a tune called the "Masked Man." He was now Eddy Bell, and he made it to American Bandstand. According to an article on Eddie in the *Journal-Sentinel*, he toured with Buddy Holly and Gene Vincent.

But the rock and roll circuit wasn't where Eddie shined. He knew how to play polkas, and was a big name around his native Chicago. He also played in Hiles, helping raise money for the construction of the Catholic Church. He had a large fan base in Pulaski, where he played a number of times at Pulaski Polka Days and at Milwaukee's Polish Fest.

He won a Grammy in 1987 for his album *Another Polka Celebration*, and he produced more than 60 albums. Eddie was also named a National Heritage Fellow by the National Endowment for the Arts in 1998.

After he stopped performing in 2002, his son, Eddie Blazonczyk, Jr. stepped into lead his father's band, the Versatones. Eddie Jr., who I heard play on Prairie Home Companion a few years back, broke up the Versatones on New Year's Eve of 2011.

Eddie Blazonczyk died in Palos Heights, Illinois on May 21st at age 70 from multiple organ failure.

### Flea-Zaar coming July 20 - 21

The 7th Annual Flea-Zaar (best of a flea market plus the best of a bazaar) is coming to the Forest Larger Parish Presbyterian Church Lakewood location on Highway 32 on Friday and Saturday July 20 - 21. We need your donations: household items, large items like boats, cars, ATVs, mowers, snowblowers, etc. We will not be accepting any electronic items including radios, TVs, VCRs, DVD players, computer monitors, hard drives or printers, electric typewriters, fax machines, telephones, cameras or microwaves. Refrigerators and other items containing Freon will also not be accepted. Due to frequently changing laws, we will not accept car seats or cribs and due to transportation issues, NO PIANOS, PLEASE! If you are moving or selling a home and need help emptying out the house, give us a call in the church office and we will make arrangements to remove any items you wish to donate.

Your donated items are marketed to raise money to support our church programs while providing a service to those shopping for quality used items at bargain prices. Through the Flea-Zaar, we fund many of our church programs and mission projects. We will be open for collection of donations on Wednesday and Thursday, July 18 & 19 at the Forest Larger Parish Presbyterian Church Lakewood location on Highway 32, but if there is a large donation offered, we will try to arrange to pick it up before then. Please call the church office Monday through Thursday from 9 a.m. to 2 p.m. if you have questions about what we are looking for and how to arrange for pickup/delivery of donations (phone 715-473-3603). Receipts are available for those who want them for tax purposes. Should you have something of value that you don't really need/use anymore, this is a worthwhile way to dispose of it!

We will again be having a special tent set up just for handcrafted items made by the people of Forest Larger Parish Presbyterian Church! We will also be selling popcorn throughout both sale days.

As always, there will be a silent auction both days. Friday will include a Chicago Style Hot Dog Sale and Saturday will include a bake sale and a lunch of hamburgers, brats, beverages and our famous Strawberry Shortcake.

The sale will run from 8 a.m. to 4 p.m. on Friday and from 8 a.m. to 2 p.m. on Saturday.

Each year the McCasin Lions, Lioness and the Wabeno Lions Clubs donate books to students at Wabeno Elementary School. Each student is able to choose a book from a vast selection of books for all grades and reading levels. Bill Greiten of the McCasin Lions Club and Mary Ellen Greiten of the McCasin Lioness Club distributed each child's book to them on May 10th.

There was an atmosphere of happiness and lots of gratitude expressed with big smiles throughout the classes. The kids can't thank these organizations enough for their generous donations and continued support of our school.

The Lakes Country Public Library in Lakewood is one of the nicest libraries in the Northern Counties and while operating expenses are mainly funded by the county, there are always special needs. The landscaping around the building makes it even more inviting. During the summer months, they have a special summer reading program and heavier usage of the library.

The Friends of the Lakes Country Public Library will be hiring a part-time intern for these months. The Crooked Lake/Mountain Lions Club is proud to assist with some of these expenses. Presenting a \$500 check to

**Forest County unemployment rate continues decline**

Submitted by FCEDP

New unemployment data just released by the State of Wisconsin's Department of Workforce Development (DWD) reveal that Forest County's unemployment rate continues to decline. According to the Local Area Unemployment Statistics (LAUS) Forest County unemployment was down 13.6 from a year ago; April 2011's rate was 11%, April 2012 is 9.5%. Declines occurred in many Wisconsin counties; unemployment in Forest County is declining faster than neighboring counties such as Vilas, Florence and Oneida but not as quickly as others such as Oconto and Marinette. Major ship and boat building initiatives in those two counties have helped drive unemployment rates downward.

"While it is good to see the positive trend in unemployment, current statistics reveal that there are still 428 people in Forest County seeking employment and we want to match them with a job," stated Forest County Economic Development Partnership's (FCEDP) Executive Director Jim Schuessler. We have several new business launches and existing business expansions in the pipeline with Wisconsin Economic Development Corporation (WEDC). Those initiatives alone can be our opportunity to achieve the strides being achieved south and east of Forest County."

"With WEDC's support we have the opportunity to drive county unemployment to historic lows and really get this local economy in high gear," indicated FCEDP's board president Jason Neillitz.

Other opportunities exist within the county. The help wanted ad pages of the local newspapers already offer several opportunities for employment.

**DNR certified ATV safety course to be offered at Doty Town Hall**

The Hidden Bear Trail ATV Club, Mountain WI and the Red Arrow Snowmobile/ATV Club are sponsoring a Wisconsin DNR certified ATV Safety Course. The Course will be held in the Doty Town Hall, 14899 County Road T, Mountain WI 54149 from 5:30 pm until 9:00 pm Thursday July 5th and Friday July 6th.

Anyone is welcome to attend the course, but a student must be at least 11 years of age to receive a certificate. (Those students who have not reached the age of 12 may not use their certificate to operate alone until they turn 12 years of age). There is no maximum age and parents and adults are encouraged to enroll and participate. There is no actual operation of an ATV in this class, so there is no need to bring your ATV or personal equipment. Fees for the course are \$10.00 per student.

Persons successfully completing the course will receive an ATV safety graduate certificate. It is important to note that students must attend both sessions. Anyone born after January 1st, 1988 and at least 12 years old must have ATV certification to operate on public areas.

Advanced registration is required. Please contact Jim Wisneski, Secretary, Hidden Bear Trail ATV Club at 715-276-6612 or email at hiddenbeartrailatvclub@centurytel.net. Class size will be limited to 30 participants. Students with special needs will need to contact the instructor at least two weeks in advance to request special accommodations.

**Clotheslines Cont. from pg. 1**

- clothes. You had to walk the entire length of each line wiping with a damp cloth.
4. You had to hang the clothes in order. The whites went with the whites and you had to hang them first.
  5. You never hung a shirt by the shoulders. It was hung by the tail.
  6. Wash day was on Monday! You never hung clothes on the weekend or on Sunday, for Heaven's sake!
  7. Sheets and towels were hung on the outside lines so you could hide your unmentionables on the middle lines. There were perverts and busybodies, you know!
  8. It didn't matter if it was sub-zero weather, clothes would freeze dry.
  9. Always gather the clothes pins when taking down dry clothes. Pins left on the lines were "tacky."
  10. If you were efficient, you would line the clothes up so that each item did not need two clothes pins, but shared one of the clothes pins with the next item of clothing.
  11. Clothes must be taken off the line and folded in clothes baskets before dinner time and were ready to be ironed.
  12. Ironed? Well that's a whole different subject!

**An Ode to the Clothesline**

*A clothesline was news forecast to neighbors passing by  
 It was also a friendly link, for neighbors always knew  
 If company had stopped on by, To spend a night or two  
 For then you'd see the fancy sheets and towels upon the line  
 You'd see the company table clothes, With intricate designs  
 The line announced a baby's birth, From folks who lived inside  
 As brand new infant clothes were hung, So carefully with pride  
 The ages of the children could, So readily be known*

*By watching how the sizes changed, You'd know how much they'd grown!  
 It also told when illness struck, As extra sheets were hung;  
 Then nightclothes, and a bathrobe too, Haphazardly were strung.  
 It also said "On vacation now," When lines hung limp and bare.  
 It told, "We're back!" when full lines sagged, With not an inch to spare!  
 New folks in town were scorned upon, If wash was dingy and gray,  
 As neighbors carefully raised their brows, And looked the other way.  
 But clotheslines now are of the past, For dryers make work much less.  
 Now what goes on inside a home, Is anybody's guess!  
 I really miss that way of life, It was a friendly sign  
 When neighbors knew each other best...By what hung out on that line.*
