## Rob MacCachren holds off Adrian Cenni & wins Crandon's \$20K Chairman's Cup Challenge

MacCachren's Ram/Mopar PRO 2 prevails versus the PRO 4x4s; Adrian Cenni held on for 2nd with three tires, Mike Jenkins' 3rd

By Pat Schutte

CRANDON, Wis., (June 17, 2012) Much like a rock concert, the world's top short course off-road stars that jam the loudest on the Traxxas TORC Series, presented by AMSOIL, tour the 900-horsepower PRO 4x4 and PRO 2WD trucks - came out for an encore performance to cap off a day full of action for the 15,000-plus fans in attendance at the Forest County Potawatomi Brush Run at Crandon International Off-Road Raceway.

The 19th annual Forest County Potawatomi Chairman's Cup a 12.5-second handicap start race favoring the blistering fast PRO 2 trucks versus the corner-hugging and equally fast PRO 4 trucks featured a stacked field of THIRTEEN trucks on the famous Land Rush starting line at Crandon. Ten laps with no competition caution, it's an all-out blitz for a BIG bag of cash at the finish line!

In the end it would be Ram/Mopar's factory PRO 2 racer Rob MacCachren who would reign victorious surviving a furious charge from PRO 4 racer Adrian Cenni (RealTree Energy), who blew out a rear tire when he left the track with four laps remaining, having been right on MacCachren's tail down the 100 mph Skybox Straightaway.

"It feels great to win the Chairman's Cup," said MacCachren. "Everyone at Jenkins Brothers Racing worked so hard on this truck and it really came to fruition for that race. Our Mopar-powered Ram Truck was absolutely awesome. We were just hooked up today and running strong. I've won the Chairman's Cup now in both a PRO 2 and PRO 4, and that is pretty cool."

Added Cenni, who finished 2nd on just three tires: "I was pushing just as hard as I could."

The battle for the third and final podium spot was a brotherly affair as Mike and Mark Jenkins of Traxxas fame went lug nut-to-lug nut over the finish line virtually tied depending on where you were sitting. But in the end it'd be Mike that would edge Mark to end a spectacular weekend of racing at Crandon.

"We're proud to be the longest-running Challenge Cup race 19 years and counting," said Jim Crawford, Jr., Vice Chairman of Forest County Potawatomi. "Congratulations to Crandon for another highly successful Brush Run!"

19th annual Forest County Potawatomi Chairman's Cup Results:

- 1- 21 MacCachren, Rob 10.00.000
- 2- 11 Cenni, Adrian 10-06.886
- 3- 47 Jenkins, Mike 10-10.853
- 4- 25 Jenkins, Mark 10-10.943
- 5- 9 Hord, Chad 10-14.915
- 6- 80 Oberg, Mike 10-24.523
- 7- 8 Taylor, Scott 10-25.359
- 8- 4 Kincaid, Jeff 7-3 Laps
- 9- 1 Menzies, Bryce 6-4 Laps
- 10- 33 Greaves, CJ 5-5 Laps
- 11- 7 Douglas, Scott 2-8 Laps
- 12- 22 Greaves, Johnny 2-8 Laps
- 13- 1 Johnson, Ricky 0-10 Laps

## Newald Volunteer Fire Dept. Mud Drags Mud Bogs

The Newald Volunteer Fire Department Mud Drags-Mud Bogs event will take place on Saturday, June 30th starting at 11:00 a.m. The admission is \$5. The drags are in association with U.P.M.D.A.

There will be a Mud Bog event following the drags. There will be plenty of refreshments on hand, both liquid and solid.

It is illegal to deface or remove Political signs

Sheriff John Dennee asked us to remind everyone that defacing, destroying, or removing political signs is a crime that comes with a punishment. There have been complaints of political signs defaced or removed in the area.

We agree with Sheriff Dennee, and urge everyone to respect the freedom of speech all of us have whether or not you agree with someone's choice of a candidate or not. Just wait, and someone will get elected. It might even be the candidate of your choice!

## Pavement work & expansion for Crandon/Steve Conway Airport

Governor Scott Walker today announced a \$1,095,738 pavement reconstruction and expansion project at the Crandon/Steve Conway Municipal Airport in Forest County.

Matt Malicki, airport development engineer with the Wisconsin Department of Transportation (WisDOT), said the project will include the reconstruction of the airport's primary runway and two taxiways, along with the reconstruction and expansion of its terminal ramp. A new hangar area, including a new hangar taxiway, will also be developed.

Construction is expected to begin in July and should be completed by September 2012. The airport will be closed during construction.

Funding Breakdown

- State = \$53,971
- City of Crandon = \$53,971
- Federal Aviation Administration = \$987,796

Crandon/Steve Conway Municipal Airport has two runways. The primary paved runway is 3,100 feet, while the secondary turf runway is 2,730 feet.

## Crandon Library News

### Crandon's Big Rig Gig

Do your kids dream about driving a dump truck? Climbing aboard a fire truck? If so, head down to Crandon's Community Building to the BIG RIG GIG. Kids of all ages can climb on, explore and get up close with their favorite big rigs including fire trucks, police cars, dump trucks and log trucks and much more! Parents, bring your camera! This event starts at 10:00 a.m. on Saturday, June 23rd!

### Fun-filled Magic Show

Join us at the Crandon Public Library, on Tuesday, June 26th at 6:30 p.m. when Robert and Lynn Halbrook will present Professor Marvel's Dream Machines, a fun-filled magic show for the whole family! This is an all NEW show for the 2012 Summer Reading

Mama bear and her three cubs in the backyard. Picture taken by Ken Doersch, near Lakewood, on Tuesday, June 12, 2012.

## You're Invited to the 29th Annual Lakewood Reunion

The 29th Annual Lakewood Reunion will be held at Waubee Lake Lodge on Saturday, August 25, 2012. Everyone who has ever lived here, visited here, or just plain feel it would be an interesting evening are welcome to join us. This year's theme is "2012 The Year of the Veteran". The evening will begin with viewing of the veterans' displays at 4 p.m. and the dinner meal being served at 6 p.m. The cost of the evening is \$20, with names and money due to Rita Thielke Blazewicz, (14245 Glenwood Lane, Lakewood, Wisconsin), on/before August 16, 2012.

The committee needs your help! Our plan is to have posters containing pictures of Lakewood area veterans and active duty service people. These framed collections will be on display at the reunion, then at various businesses throughout the months of September and October, with the final display, in November, at the Wabeno High School Veterans Day Program. We need your pictures and information. If you, or any member of your family, are/were a veteran or active service person, please send a service picture and some basic information. The picture can be scanned and returned to you, or you can visit the Kodak kiosk at Lakewood Super Valu, scan the picture, and print a copy. Pictures and information can also be dropped off at the customer service counter at Lakewood Super Valu. Along with the picture please include the full name of the service person, branch of service, rank, assignment (service job), honors/awards, and other information you feel would be of interest. If you have any questions or need your picture scanned in your home, contact Rita Thielke Blazewicz at 715-276-6225, e-mail at rjblaze@centurytel.net, or send to: 14245 Glenwood Lane, Lakewood, WI 54138.

## Crandon 4th of July Celebration June 30th

Crandon's 4th of July Celebration will be held on East Madison Street on Saturday, June 30th, under the big tent, sponsored by the Crandon Fire Department.

The crowning of the king and queen will be at 10:30 a.m., and if there are any of you young people who want to make a try at selling tickets and possibly earning the honor, contact the Crandon Fire Department.

The Bed Race will begin at 11:00 a.m., the parade starts at noon. Immediately following the parade, the auction will be held. If you have any items you would like to donate, contact the Fire Department. The more items to sell, the more money the Fire Department raises so they can be better equipped to serve the community.

Live music will be provided by the Annie Rose Band, starting at 7:00 p.m. and ending at 12 midnight. Bring your dancing shoes. There will be all types of refreshments available.

Fireworks will start at dusk at Palmer Park, and all are reminded to bring a blanket or chair to sit on.

### The Bed Race

For those who would like to participate in the Bed Race, info is available at the Forest County Visitor Center on Lake Avenue, Crandon.

There are big stakes in this race. First place pays a whopping \$250, second place \$100 and third place \$50. Proving that it often pays to look good rather than do good, \$150 will be paid out to the best looking bed race team.

Stop at the visitor center for entrance forms and to get the rules. The phone number is 478-3450.

Pioneer Express deadline for ads and news is Tuesday at 4:00 p.m.

**Traxxas TORC Series' fall Crandon race to be featured in two-hour NBC special!**

Indianapolis, IN. (June 15, 2012) - Fans of American short course off-road racing just got some HUGE news when it was announced that the Traxxas TORC Series, presented by AMSOIL's Crandon International Off-Road Raceway races over Labor Day Weekend will be broadcast in a two-hour special on NBC as part of the Red Bull Signature Series.

Airing at 1:30 p.m. ET on Saturday, December 29th on NBC, the Red Bull Signature Series will showcase Traxxas TORC PRO class action, including the PRO 2, PRO 4 and Cup truck races - all produced by the award-winning Red Bull Media House.

"This is huge news for the TORC Series and fans of short course off-road racing in general," said Kevin Miller, President of USAC/TORC. "Red Bull's partnering with TORC and backing this major two-hour program that showcases TORC's premier PRO class races at the country's No. 1 short course off-road racing venue - Crandon - will deliver the best of what the sport of short course off-road racing has to mass audience never before reached in the history of TORC."

Excitement abounds at Crandon where last year - for the first time in the storied history of the pioneer northern Wisconsin short course off-road track - the 100 miles per hour barrier was shattered by not one, but three racers in two classes (PRO 4 & PRO 2) as both track records fell at the Labor Day Weekend race.

"The speeds at Crandon are off the hook... definitely the fastest track we race all year on the TORC Series," said defending TORC PRO 2 champ Bryce Menzies (Red Bull/Ram/Mopar/KMC Wheels), who broke the PRO 2 lap record at Crandon last year. "We've worked with Red Bull Media House in the past in Baja, and the result of their efforts was stunning - easily the most accurate representation of a driver's experience at Baja that I've ever seen captured on cameras. Short course off-road fans can expect the same from Red Bull at Crandon, which'll make for one heck of a TV program on NBC!"

In addition to the highest speeds witnessed in American short course off-road racing, the 2012 Crandon Cup will feature a new set of 'Big Air' tabletop jumps in full view of the massive crowd assembled on Crandon's hillside, along with the new vistas enjoyed by the 1,000-seat grandstand section built into Crandon's infield by turn one.

"All-in-all the Labor Day weekend races are the jewel of the Traxxas TORC Series. And to have Red Bull Media House document it in all its glory will be a fantastic way to highlight the 2012 season on NBC this December," added Miller.

For more information on the Red Bull Signature Series, please visit [www.redbullsignatureseries.com](http://www.redbullsignatureseries.com).

### Laona 6th Grade Class Trip

Miss Flannery's sixth grade class recently went on their yearly class trip to Six Flags Great America, Miller Park, Milwaukee Public Museum, and Discovery World. The class embraced this opportunity and represented the community well. They were complimented numerous times on their outstanding behavior and attitudes. The class appreciates all the parents and chaperones, because they truly made this trip a wonderful memorable experience, and without them it wouldn't have been possible.

The students researched the rides before visiting Six Flags, and learned a great deal about height, speed, velocity, and the structure of each ride. The students were able to tour Miller Park, and also watch, for many, their first game. Even though it was a blowout the students enjoyed watching the Brewers and Cubs. While at the Milwaukee Public Museum students learned about various cultures, including the Potawatomi Tribe. They were also extremely excited to learn about the dinosaurs and visit the live Butterfly exhibit. Everyone loved Discovery World, and the hands on Science experience it offered.

The class worked extremely hard this year fundraising and raised over \$5,000. They hosted a Valentines Day Dance, volunteered at Fall Fest, ran the concessions stand for the Forensics meet, and participated in three other fundraisers. Miss Flannery's class appreciates all community members and parents who have made this trip possible with their generous donations. The class is grateful and fortunate to have the support, kindness, and generosity of the community to continue this tradition each year. Without your help this wouldn't have been possible.

### Coke Rewards program pays off for Wabeno Elementary

Wabeno Elementary has been saving My Coke Reward points for the school year. With the points collected we have been able to purchase three soccer

balls, two floor size nutrition games, a music system and three sets of assorted sized football and dodge balls. All of these purchases have been used to add to our Physical education department at the elementary school.

We are very pleased that the Coca-Cola company is extending the program for another school year. Community members may help us accumulate points by donating them directly to Wabeno Elementary or by dropping off marked bottle caps and end flaps containing the codes needed to the elementary school.

## Cracraft-Flannery Engagement

Mr and Mrs Ronald Cracraft of Argonne, WI. are pleased to announce the engagement of their daughter, Heather L. Cracraft to Dustin R. Flannery, son of Mr. and Mrs. Brian Flannery of Pelican Lake, WI. Heather is a graduate of Crandon High School and currently employed in Rhineland.

Dustin is a graduate of Elcho High School and currently employed out of Iron Mountain.

A September 2012 wedding is being planned.

## Weather holds & Crandon Brush Run fans are treated to a HUGE race day @ the Big House!

Douglas (PRO 4x4), Kincaid (PRO 2), Caddell (PRO Light), DeJong (Super Buggy) & Ferravanti (Ultra 4) win big!

By Pat Schutte

CRANDON, Wis., (June 17, 2012) The final day of competition the annual Forest County Brush Run at Crandon International Off-Road Raceway, round six of the 2012 Traxxas TORC Series, presented by AMSOIL, ran pretty much from sun up to sun down providing a number of surprises and interesting twists to the TORC Series season. But above all it was, as it always is, a spectacular day of racing for the thousands of fans that flock to Crandon's first of two big summer off-road races.

Partially rained out on Saturday, to which the PRO 4x4 and PRO 2 contests will be made up on the Friday prior to Labor Day's World Championships at Crandon, fans attending Sunday's action saw a full day's worth of racing action from both the Midwest Off-Road Racing's Sportsman members, the TORC PRO class drivers and, new to Crandon, the Ultra 4 "King of the Hammers" vehicles.

**PRO 4x4**  
 With a bunch of pent-up aggression thanks to Saturday's rain/mud-oriented postponement of the TORC Series PRO 4 main at Crandon, fans knew Sunday's race would be a banger.

Charging out to the early lead was Red Bull/Ram/Mopar/KMC Wheels' Ricky Johnson, the defending TORC PRO 4 champ. Johnson led Mike Jenkins (Traxxas/AMSOIL/BFG/Ford) and Crandon legend Johnny Greaves (Monster Energy/Maxxis/Toyota) into the first turn, with Adrian Cenni (RealTree Energy) and Mark Jenkins (Traxxas/AMSOIL/BFG/Ford) in hot pursuit. Curiously, though, Scott Douglas (AMSOIL/Borla Exhaust/BFG) would be nowhere to be found as he mis-timed the start and came down the Land Rush shoot in dead last.

But that would change as Douglas had brought a hyper-fast motor to Crandon and the veteran started picking off drivers left and right.

With Johnson and Greaves soon separating themselves from the rest of the pack, the two first came together on the corner before the starting line with Greaves getting pushed up into the loam-covered concrete wall as Johnson would not relinquish his lead. About a half lap later Johnson would make a mistake and Greaves would jump all over him, taking the lead from Johnson who went high in the corner heading into the Land Rush start straight and barreling off towards the competition yellow. But a beautiful inside/out drifting power slide in front of the most crowded section of the 15K-plus audience by Johnson would send a warning blow across Greaves bow through the Wisconsin native wouldn't flinch just yet.

Moments later Greaves spun and, in trying to right himself back on course, collected Johnson and the two came to a complete stop by the Oakley Island. The situation would damage Greaves' truck, possibly knocking out the front wheel drive train. Johnson, who's truck was at this point at least cosmetically jacked up, would take full advantage of this and regained the lead. But during the fracas Douglas, forever charging, had move all the way up from last to 2nd.

With five seconds on Douglas at the white flag, Johnson looked to have things in the bag. But a mechanical gremlin in the rear end and render Johnson's Ram Truck lame, then eventually completely broken and stopped. Douglas was right there to pounce on the lead, and did deservingly so joined on either side of the 1st place podium spot by Mark Jenkins (2nd) and Cenni (3rd).

### PRO 4x4 Results

1- 7 Douglas, Scott 9 00.000; 2- 25 Jenkins, Mark 9 -03.331; 3- 11 Cenni, Adrian 9 -05.382; 4- 47 Jenkins, Mike 9 -09.490; 5- 217 Baudoux, Dan 9 -26.972; 6- 32 Drews, Al 9 -35.207; 7- 22 Greaves, Johnny 9 -01.05551; 8- 1 Johnson, Ricky 8 -1 Laps; 9- 97 Conrad, Jerry 1 -8 Laps; 10- 69 Mazanec, Milan 0 -9 Laps

### PRO 2

In what ended up being the longest, time-wise, PRO 2 race in the history (1 hour, 45 minutes and 23 seconds) of the TORC Series, local racer Jeff Kincaid (Traxxas/BFG) caught veteran great Scott Taylor (Miller Electric Welders) late in the contest and held on for a thrilling victory in the twice red flagged contest.

"I had two holeshots, spun out and was able to work my way back," said Kincaid, who grew up right here in Crandon Wis. "Our new truck ran great. Scott (Taylor) did a great job. I'm proud to be here and it's good to be back in the winner's circle."

On the start of Sunday's PRO 2 main Steve Barlow (RealTree Energy) and Andy Zipperer (Locitite/Warm Wenches) got together at the worst possible section of the track the top of Turn One at the pinnacle of the Land Rush start. Slamming through the fence Zipperer went airborne and landed in a gully. Barlow's crash, though not as spectacular, rendered his truck just as wrecked at Zipperer's. Fortunately both drivers would walk away, thank equally to TORC's stringent safety rules and the efforts of Crandon's veteran safety crew.

After nearly an hour wait while the Crandon track crew fixed the concrete barrier that was blown out, the green flag dropped again with Taylor, Chad Hord (BOSS Snowplows/AMSOIL/Nissan) and Kincaid leading the pack. The second-tier of racers would include CJ Greaves (Monster Energy/Maxxis/Toyota) in 4th place and last year's TORC PRO 2 champion, Bryce Menzies (Red Bull/Ram/Mopar/KMC Wheels), moving up fast to 5th.

Sunday's second red flag in the PRO 2 race came when Nick Tyree got loose on the Argon Turn, got airborne over some concrete blocks, and was struck while in the air by Keith Steele. Again Crandon safety crews had again extract a driver (reportedly Tyree) and, again, the two drivers were said to be OK.

On the second restart, this time in single file, Taylor, Kincaid and Hord separated themselves from the rest of the field. Chasing CJ Greaves hard was Menzies who ended up breaking in the process and failed to finish Sunday's PRO 2 contest, similar to what happened to defending PRO Lights champ Andrew Caddell on Saturday.

In the closing laps a bit of smoke shot out the end of Miller's truck, though it didn't seem like he was down on power at all. Kincaid would dog Taylor relentlessly and, ultimately, set the Hall of Fame driver up with an inside/outside pass on the finish line turn and bolted to the victory. Taylor would hold on for 2nd and TORC PRO 2 points leader Hord was 3rd, extending his points lead.

"I'm rusty from missing the first two rounds, but glad to be on the podium and see Jeff up here along with my other buddy (Hord)," said Taylor.

**PRO 2 Results:** 1- 4 Kincaid, Jeff 9 00.000; 2- 8 Taylor, Scott 9 -01.479; 3- 9 Hord, Chad 9 -02.407; 4- 33 Greaves, CJ 9 -04.622; 5- 21 MacCachren, Rob 9 -05.112; 6- 80 Oberg, Mike 9 -16.111; 7- 47 Jenkins, Mike 9 -25.809; 8- 83 Barlow, Steve 9 -47.970; 9- 1 Menzies, Bryce 5 -4 Laps; 10- 91 Tyree, Nick 2 -7 Laps; 11- 29 Steele, Keith 2 -7 Laps

### Miller Lite Super Buggy

TORC Super Buggy drivers Andy Zipperer (Locitite) and Scott Schwalbe (Sugar Camp Racing), both from the Great State of Wisconsin, provided the best finish of all the PRO classes on the final day at Crandon as Zipperer literally got out of an ambulance, strapped into his Super Buggy and rallied the outside of the last turn on the last lap to steal 2nd place at the wire from Schwalbe.

It didn't matter to the 15K diehards still in attendance that Traxxas' wonder kid Mitchell DeJong, 14, had crossed the finish line about 15 seconds before Zipperer and Schwalbe got there. The fans saw both a great finish and a racing clinic in one contest!

"I got in behind 2nd (Schwalbe) and just took my time," explained DeJong. "Track was a little slick, blue grooved and wet. But yeah, it was a good race. Feels great to win in the Big House!"

DeJong absolutely dominated the contest, racking up leads of 17 seconds and 15 seconds at the competition yellow and finish. About the only lead other than DeJong was Schwalbe's run at the start, pulling the holeshot and running 1st through Crandon's big left hand sweeper at the Barn. DeJong would rattle the lead back from Schwalbe enough to lead by four seconds at the end of lap two.

But the late race battle for 2nd and 3rd would have the fans on their feet at Crandon as Schwalbe took a big chance and ended up with the pass of the day, smacking front wheels with Schwalbe as he crossed the finish line.

"The chance was there, I took it, went wide and it hooked up... worked," said Zipperer. Added Schwalbe: "Last corner, picked the inside line and held tight, he (Zipperer) went wide. A lot of times that doesn't work, but it worked for him. Andy ran a great race."

**Super Buggy Results:** 1- 24 DeJong, Mitchell 9 00.000; 2- 76 Zipperer, Andy 9 -19.285; 3- 29 Schwalbe, Scott 9 -19.610; 4- 03 Schwartzburg, Tom 9 -01.07.272; 5- 907 Frana, John 5 -4 Laps; 6- 48 Bernhoer, Bryan 5 -4 Laps

### PRO Light

A new rivalry broke wide open in the PRO Light class as CJ Greaves (Monster Energy/Maxxis/Toyota) and Andrew Caddell (Ram/Mopar/Traxxas) took their battle for the race lead to the podium, with some choice words from Caddell for Greaves after CJ alluded to Caddell's sponsors being the reason Greaves was docked a spot for jumping the start green.

Said Caddell: "Don't know what he (CJ Greaves) is mad at me for ... but if he wants to come up here on the podium and play games I'll put it on him again at Chicago!"

The line drawn in the sand notwithstanding, the two all-star PRO Light driver put on a dominant show at Crandon, separating themselves from the rest of the field and running within a couple truck lengths from the competition yellow restart through the checkers. Prior to the competition yellow Greaves had the lead or so he thought. TORC/USAC race officials deemed that CJ had jumped the green flag at the start and docked him one spot. This put Caddell, who was run into early in the race and suffered some rear quarter body damage, into 1st place from 2nd.

Matt Cook (Supercross.com) had run well early on in the race and was into podium position (3rd) following the competition yellow restart. But Raphael Navarro (BOSS Snowplows/AMSOIL/Nissan) and Keegan Kincaid (Traxxas/AMSOIL/BFG) were all over Cook, relegating him back to 5th in a battle for the final podium spot.

Saturday's PRO Light winner, Brad Lovell (AMSOIL/Torchmate/Nissan/BFG), wrecked early in the race and, along with Cook, had to deal with bodywork obstructing his view as he charged from last place into the top five.

At the white flag Caddell led CJ Greaves by only a couple car lengths and was able to keep that distance through to the checkers as Greaves couldn't even get quite close enough to even nudge Caddell. Kincaid would win the battle for 3rd though one last (verbal) battle on the podium would ensue between Caddell and CJ Greaves setting the stage for a grudge match in Chicago!

**PRO Light Results:** 1-1 Caddell, Andrew 9 00.000; 2- 33 Greaves, CJ 9 -00.726; 3- 7 Kincaid, Keegan 9 -05.871; 4- 9 Navarro, Raphael 9 -10.232; 5- 44 Lovell, Brad 9 -18.483; 6- 73 Ruppel, Eric 9 -24.913; 7- 55 Cook, Matt 9 -24.988; 8- 12 Baumgartner, Nick 9 -28.365; 9- 27 Morris, Shawn 9 -37.756; 10- 16 Hintz, Josh 9 -49.985; 11- 21 Hoek, Ross 9 -01.26.283; 12- 14 Johnson, Luke 8 -1 Laps; 13- 11 Eller, Randy 7 -2 Laps; 14- 30 Oberg, Mark 7 -2 Laps

### Ultra 4

Ultra 4 racer Gary Ferravanti (Paso Robles, Calif.) made it two wins in a row at Crandon as he thoroughly dominated the rock racer action on Sunday. Pulling the holeshot and leading early, Ferravanti ran pretty much uncontested for the eight-lap main event.

"The track was a lot better today. The guys here at Crandon did a great job. And thanks to Dave Cole," said Ferravanti. "The track was perfect near the end. Thanks for everyone that helped out."

Keeping things at least somewhat close early on was Vegas' Nick Nelson, who placed 2nd in yesterday's inaugural Ultra 4 race at Crandon. But Nelson would eventually run into some mechanical issue and was unable to keep the podium pace on Sunday. Jumping on the opportunity JT Taylor, who held off a hard-charging Roger Lovell in a close 3rd place podium finish. 2nd place would go to 16-year-old Thomas Grady.

"I just drove it as far as that little car could run," said Taylor. "It's pretty awesome being here at Crandon." Added Grady: "I'm excited. This was a lot of fun. The track was perfect near the end."

**Ultra 4 Results:** 1- 4446 Ferravanti, Gary 8 00.000; 2- 1448 Grady, Thomas 8 -13.452; 3- 13 Taylor, JT 8 -23.411; 4- 231 Lovell, Roger 8 -23.634; 5- 4407 Rodd, Cottin 8 -31.438; 6- 4404 Nelson, Nick 8 -41.182; 7- 4456 Feagins, Michael 8 -41.244; 8- 4434 Yoder, Kevin 8 -44.436; 9- 22 Decker, Scott 8 -45.582; 10- 4452 Carter, Will 8 -59.236; 11- 4420 West, Derek 7 -1 Laps; 12- 4421 Miller, Erik 7 -1 Laps; 13- 4435 Sacalas, Kevin 3 -5 Laps; 14- 5252 Baird, Bill 0 -8 Laps

Salt & Sodium  
MEAL SCHEDULE

If unable to register at the meal site or if you need to cancel, please call Commission on Aging at 478-3256

## CRANDON, WABENO, LAONA

**MONDAY - June 25** - Swiss steak, mashed potatoes, california blend vegetables, dinner roll, carrot cake  
**MONDAY - July 2** - Spaghetti w/meatballs & sauce,

## LAONA SANITARY DISTRICT NO. 1 P.O. Box 303 - 5178 Wellhouse Rd., Laona, WI 54541 715-674-7005 • laonasanitarydistrict@centurylink.net CONSUMER CONFIDENCE REPORT - 2011

### WATER SYSTEM INFORMATION

If you would like to know more about the information contained in this report, please contact Chad Belland, Operator at (715)674-7005. The Laona Sanitary District Board meets on the 2nd Thursday of the month at 6:00 p.m. at the Wellhouse Office (5178 Wellhouse Rd in Laona). Sometimes the meetings are held on other dates due to schedule conflicts. The office hours are Monday - Friday from 8:00 a.m. to 12:00 noon. Copies of this report can be picked up at the office and are also available throughout Laona. Please feel free to call the office if you have any questions.

### HEALTH INFORMATION

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's safe drinking water hotline (1-800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons, such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbial contaminants are available from the Environmental Protection Agency's safe drinking water hotline (1-800-426-4791).

### LAONA SANITARY DISTRICT'S SOURCE OF WATER

Source ID	Source	Depth in Feet	Status
1	Groundwater	57	Active

To obtain a summary of the source water assessment, please contact Chad Belland, Operator at (715)674-7005.

### EDUCATIONAL INFORMATION

The sources of drinking water, both tap water and bottled water includes rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally occurring or result from urban storm water runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban storm water runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff and septic systems.
- Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

### NUMBER OF CONTAMINANTS REQUIRED TO BE TESTED

This table displays the number of contaminants that were required to be tested in the last five years. The CCR (Consumers Confidence Report) may contain up to five years worth of water quality results. If a water system tests annually, or more frequently, the results from the most recent year are shown on the CCR. If testing is done less frequently, the results shown on the CCR are from the past five years.

### INORGANIC CONTAMINANTS

Contaminant Group	No. of Contaminants
Disinfection Byproducts	2
Inorganic Contaminants	16
Microbiological Contaminants	3
Radioactive Contaminants	3
Synthetic Organic Contaminants including Pesticides and Herbicides	25
Unregulated Contaminants	4
Volatile Organic Contaminants	20

Contaminant (Units)	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2011)	Violation	Typical Source of Contaminant
BARIIUM (ppm)	2	2	.013	.013		NO	Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits
COPPER (ppm)	AL=1.3	1.3	.8200	0 of 10 results were above the action level		NO	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
FLUORIDE (ppm)	4	4	.1	.1		NO	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories
LEAD (ppb)	AL=15	0	2.60	1 of 10 results were above the action level		*	Corrosion of household plumbing systems; Erosion of natural deposits
NICKEL (ppb)	100		2.1000	2.1000		NO	Nickel occurs naturally in soils, ground water and surface waters and is often used in electroplating, stainless steel & alloy products
NITRATE (NO3-N) (ppm)	10	10	.30	.30		NO	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits
SODIUM (ppm)	N/A	N/A	4.00	4.00		NO	N/A

\* Systems exceeding a lead and/or copper action level must take actions to reduce lead and/or copper in the drinking water. The lead and copper values represent the 90th percentile of all compliance samples collected. If you want information on the number of sites or the actions taken to reduce these levels, please contact your water supply operator.

### ADDITIONAL HEALTH INFORMATION

Infants and young children are typically more vulnerable to lead in drinking water than the general population. It is possible that lead levels at your home may be higher than at other homes in the community as a result of materials used in your home's plumbing. If you are concerned about elevated lead levels in your home's water, you may wish to have your water tested and flush your tap for 30 seconds to 2 minutes before using tap water. Additional information is available from the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

### DEFINITION OF TERMS

Term	Definition
AL	Action Level: The concentration of a contaminant, which, if exceeded, triggers treatment or other requirements which a water system must follow.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLG as is feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million liters per liter
mrem/year	millirem per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picoCuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppf	parts per trillion, or nanograms per liter
ppc	parts per quadrillion, or picograms per liter
TCLP	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.

tossed salad, fresh fruit, garlic bread, chocolate chip cookie

**Plum Creek support for off-road workshop for forest county recreational park**

The Wisconsin Off-Highway Vehicle Association workshop held on April 13 helped lay the groundwork for an action plan to create a motorized recreation area in Forest County. The workshop was well attended and included presentations from the National

Off-Road Vehicle Conservation Council (NOVCC) and the Wisconsin Department of Natural Resources. Plum Creek Foundation made a very generous contribution to help support the costs of the workshop as well as support NOVCC's attendance during the planning session. The mission of the Plum Creek Foundation is to provide philanthropic contributions to community organizations to support and improve the general welfare and quality of life in the communities that Plum Creek serves. Shown at right is Plum Creek Resource Supervisor Bill O'Brion presenting the check to FCEDP Executive Director Jim Schuessler.

## Crandon Library Cont. from pg. 1

Program that will take your kids on a journey through his world of magical and cool inventions, inventions born of dreams.

For more information about our summer reading program, please call 715-478-5908 or visit the library at 110 W. Polk Street or online at [www.crandonpl.org](http://www.crandonpl.org).

### Alzheimer's Program : Know the 10 Signs

The warning signs of dementia are often dismissed as side effects of normal aging. If you or someone you know is experiencing memory loss or behavioral changes, its time to learn the facts. Early detection gives you a chance to rule out treatable causes for memory loss and, if necessary, begin drug therapy, enroll in clinical studies and plan for the future. Attend this workshop to learn the 10 Warning Signs of Alzheimer's disease and find out how to recognize the signs in yourself and others. This program will be presented by Julie St. Pierre, MA, CTRS who is an Outreach Specialist for the Alzheimer's Association Greater Wisconsin Chapter in Rhinelander. For more information, please call (715) 362-7779.

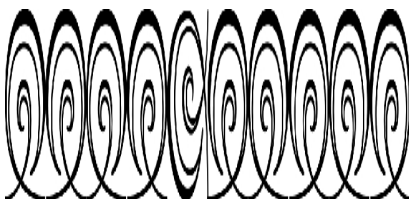

### New Fiction

New fiction titles added this week include *Gone Missing* by Linda Castillo, *Mission to Paris* by Alan Furst, *Tumbleweeds* by Leila Meacham, *The Risk Agent* by Ridley Pearson, *The Third Gate* by Lincoln Child, *The Wrong Man*

## Way to Step it Up!

Mr. Lowery's 6th graders really Stepped It UP! They have been working on their lunchroom and recess expectations. They won the traveling trophy for stepping it up the week of May 14th, 2012. Way to go!

**PRO Lights, Super Buggies & Ultra 4s highlight a rain-shortened TORC Series Crandon Saturday Fans treated to great racing - then the heavens open up - and TORC PRO 2/PRO 4 drivers agree to postpone to Sunday**  
 By Pat Schutte

CRANDON, Wis., (June 16, 2012) After a morning/afternoon filled with great Midwest Off Road Racing Sportsman class and Traxxas TORC Series, presented by AMSOIL, Super Buggy and PRO Light racing, the annual Forest County Brush Run at Crandon International Off-Road Raceway was again besieged by rain, forcing the PRO 2 and PRO 4 drivers to vote to postpone their race, along with the 19th annual Forest County Potawatomi Chairman's Cup, to Sunday.

Much like 2011 the missed round (round five) for PRO 2s and PRO 4s will be made up the Friday before Crandon's big Labor Day race.

And though they did leave Crandon without getting to see the premier PRO 2 and PRO 4 trucks race, the resilient fans that flock to the world's premier short course off-road raceway, some 15,000 strong, did get to some thrilling TORC Series PRO Light and Super Buggy racing, along with a brand new class at TORC/Crandon the Ultra 4s, famous from the "King of the Hammers" event.

**PRO Light**

Brad Lovell (AMSOIL/Torchmate/Nissan/BFG) made it two in a row in the PRO Light class, taking the lead early and running 'er through the checkers in a good 'ol Midwest downpour to which the opening laps were run on excellent conditions thanks to the Ultra 4 class and their tall, spinning flotation tires spraying the mud if every direction imaginable.

"I gotta thank all my Ultra 4 buddies for coming out and blowing all the mud off this track, yelled Lovell from the podium!

Pulling the holeshot in the PRO Light opener at Crandon's Brush Run was Matt Cook (Supercross.com). CJ Greaves (Monster Energy/Toyota/Maxxis) would move into 2nd place with Lovell, who set the Crandon PRO Light lap record in qualifying on Friday, moving up to 3rd. On lap two Josh Hintz, who was also running near the front, spun as did Greaves. This allowed Lovell to move to the lead a position he wouldn't relinquish through the checkers.

"The conditions were terrible and it was tough to race," said CJ Greaves. "But Brad did a good job for the win."

PRO Light points leader heading into round five at Crandon, Andrew Caddell (Ram/Mopar/Traxxas), left the track on lap four and suffered a flat right front. Caddell would remain out through the competition yellow then hustled into the pits to get a new tire. And while fans anticipated another classic back-to-front run from Caddell, it appeared as if there were other issues with his truck as he struggled to remain in the contest.

With two laps to go Lovell had put 3.5 seconds on CJ Greaves, then upped that to five seconds on the last lap. Local racer Keegan Kincaid (Traxxas/AMSOIL/BFG) would take advantage of his teammate Luke Johnson's spin and put himself in a position to podium (3rd) which he did in a virtual quagmire. CJ Greaves (2nd), Johnson (4th) and Cook (5th).

PRO Light Results: 1 - 44 Lovell, Brad 9 00.000; 2 - 33 Greaves, CJ 9 - 04.712; 3 - 7 Kincaid, Keegan 9 -07.083; 4 - 14 Johnson, Luke 9 -18.491; 5 - 55 Cook, Matt 9 -23.084; 6 - 11 Eller, Randy 9 -36.783; 7 - 21 Hoek, Ross 9 -38.326; 8 - 12 Baumgartner, Nick 9 -46.840; 9 - 30 Oberg, Mark 9 -51.852; 10 - 1 Caddell, Andrew 9 -53.165; 11 - 9 Navarro, Raphael 9 - 01:04.335; 12 - 73 Ruppel, Eric 5-4 Laps; 13 - 16 Dorr, Mitch 4-5 Laps  
**Ultra 4**

After a 90-minute rain delay, high anticipation for the Ultra 4 class came to a crescendo when 15 high-riding, earth-churning 4x4 buggies came charging down Crandon's legendary front straight in "Land Rush" formation, mud flying everywhere and fans going wild in mass approval.

Vehicles literally Made for Mud were led by the #4446 ride of Gary Ferravanti (Paso Robles, Calif.) through Crandon's big, sweeping "Talladega-style" left hander. In pursuit of Ferravanti were the No. 5252 of Bill Baird (Sturgis, Ky.) and the 4404 of Nick Nelson (Las Vegas).

With 37" tires (which are considerably smaller than the usual 40-42" tires used at the King of the Hammers event) the Ultra 4s quickly stripped the mud from the track and were racing at pretty good clips with leader Ferravanti's ride being the only one that wasn't completely caked with mud.

"The track was muddy, but we had a good time," said Ferravanti. "You just had to go flat out."

At the competition yellow Ferravanti would hold his lead and run it through to the checkers recording his first-ever Ultra 4 victory. Nelson would battle for 2nd place, leading 3rd place racer Erik Miller (Cumberland, Md.) to the finish.

"There was such a learning curve for us here at Crandon, and the rain and mud just made it that much more tough," said Nelson. "But the four-wheel drive helped and I was just giddy the whole time!"

**Ultra 4 Results**  
 1 - 4446 Ferravanti, Gary 8 00.000; 2 - 4420 West, Derek 7 -1 Laps; 3 - 4404 Nelson, Nick 7 -1 Laps; 4 - 4421 Miller, Erik 7 -1 Laps; 5 - 231 Lovell, Roger 7 -1 Laps; 6 - 1448 Grady, Thomas 7 -1 Laps; 7 --- 7 -1 Laps; 8 - 13 Taylor, JT 7 -1 Laps; 9 - 4434 Yoder, Kevin 7 -1 Laps; 10 - 2 Decker, Scott 7 -1 Laps; 11- 4407 Rodd, Cottin 7 -1 Laps; 12 - 5252 Baird, Bill 6-2 Laps; 13 - 4456 Feagins, Michael 6 -2 Laps; 14- 4435 Sacal, Kevin 4 -4 Laps  
**Miller Lite Super Buggy**

Local ace Scott Schwalbe grabbed the holeshot and was charging hard when 14-year-old Mitchell DeJong took 1st from him at the end of the opening lap. DeJong would go on to lead the contest through the competition yellow, opening up as much as a 14-second lead.

Two laps into the restart DeJong would make a mistake on the back portion of the track and lost the lead to Bob Klaus and JR Wheeler. Rain-soaked and muddy-as-all-heck the field of TORC Super Buggies soldiered on including DeJong who now had two left side flat tires and a possible left side tow-in issue as well.

At the checkers it was Klaus with the win his first of the year followed by Wheeler in 2nd and Bryan Bernhloehr in 3rd.  
**Super Buggy Results**  
 1 - 926 Klaus, Bob 9 00.000; 2 - 21 Wheeler, JR 9 -39.149; 3 - 48 Bernhloehr, Bryan 9 - 55.404; 4 - 24 DeJong, Mitchell 9 -01:52.273; 5 - 29 Schwalbe, Scott 6 -3 Laps; 6 - 907 Frana, John 3 -6 Laps; 7 - 76 Zipperer, Andy 3 -6 Laps; 8 - 03 Schwartzburg, Tom -1 -10 Laps

Up next ... More racing action from Crandon International Off-Road Raceway's Forest County Brush Run with Sunday's round six of the 2012 Traxxas TORC Series, presented by AMSOIL (round five for the PRO 2 & PRO 4 trucks). Sunday's action will also feature a PRO 2 & PRO 4 combined race dubbed the 19th annual Forest County Potawatomi Chairman's Cup, featuring a \$25,000 purse.

### Klippety Klop 4-H News

Submitted by Jordan Kalata, Club Reporter

The Klippety Klop 4-H Club held their Swap Meet and Fun Day on Saturday, June 16th. The weather was nice and we had a good turn out of vendors and shoppers. Several 4-H members demonstrated skills such as making pine cone bird feeders, coffee filter flowers, homemade Chiapets, rabbit care, etc.

The club served hot dogs, chips, drinks and desserts. Sale items included such things as rabbits, mice, guinea pigs, goats, turkeys, chickens, pigs, antiques, crafts cages, dishes, plants and knick-knacks. Plants were donated by the Master Gardeners Club. Shoppers, 4-Hers and their leaders enjoyed visiting and looking over the many items that were brought in.

An added bonus was getting to meet and serve lunch to the circus performers. Meeting "Tiny" the elephant and watching her help set up the circus tent. We also got to see the circus ponies. It was a great learning experience and fun for all!

**FOR SALE:** 40 gallon LP water heater, like new. Asking \$250.00. Call 715-478-2967. P12

**Ask Your Insurance Professional**

**Ed Smith  
 INSURANCE TIP  
 WHEN YOUR HOME IS VACANT**

When your home becomes vacant or unoccupied, there are two potential problems. The house may be targeted for theft and vandalism. Also, if there is a water loss, it may go undetected for a longer period of time, causing more extensive damage. Due to the economy, the insurance industry has been experiencing more frequent and more severe losses involving dwellings that are unoccupied or vacant.

If your home should become vacant or unoccupied, make sure to notify your agent as soon as possible and disclose all details. It may be possible that your company may permit the situation for a short period of time, however, some will send out a direct notice of cancellation. We can offer you a specialty policy covering a vacant dwelling. When discussing the occupancy of your home, be totally candid about the circumstances. If not, and you experience a claim, you may end up without coverages you thought you had. It is much better to make sure you have the proper coverage.

**You deserve Quality Medical Care.**

**NORTHERN HEALTH CENTERS**  
Quality Care from Compassionate People

The Nurse Practitioners at Northern Health Centers, Inc. (NHC) in Lakewood, want to be your partner in health and wellness. Our NPs have master's degrees and practice independently, collaborating with physicians and other NPs as needed. Our backgrounds in nursing include experience in ICU, Community Health, Family Planning, Labor and Delivery units, Emergency, Urgent Care and many outpatient clinics providing primary health care similar to NHC.

Instead of just treating illness, NPs spend time treating the whole person, and work as a team to support smart health and lifestyle choices. Your team, led by a NP, can assist you with a sometimes complicated web of referrals, tests and treatments, helping to remove some of the stress.

**Appointments are available and walk-in and same-day patients are welcome.**
