Kentucky Author to Speak

The Friends of the Crandon Public Library are pleased to announce "A Sampling of Kentucky History : from Bloody Brehitt to Kentuck Day" with Kentucky historian and author, Dr. Brad Asher on Thursday, July 26th at 6:30 p.m. at the Crandon Public Library.

Dr. Asher is an independent scholar and writer. He holds a Ph.D. in History from the University of Chicago. He is the author of two works of Kentucky history: On-the-Road Histories Kentucky and Cecelia and Fanny : the Remarkable Friendship Between an Escaped Slave and Her Former Mistress. He lives in Louisville, Kentucky, with his wife and two children.

This event is free and open to the public. Copies of both titles will be available for signing.

For more information please contact the Crandon Public Library at 715-478-3784.

FCEDP launches web site to support small business

With an eye toward helping current local business owners and prospective new businesses the Forest County Economic Development Partnership has launched www.forestcountywi.com. The site is designed to offer useful information to people already located in Forest County with tools to help them maintain or expand as well as prospective businesses that might be seeking a better environment such as Wisconsin's Forest County to do business.

The site was developed under the expertise of Forest County's own One Prospect Technologies.

Wisconsin Hunter Education Class Lakewood/Townsend Area

There will be a basic hunter education class offered in the Lakewood/Townsend area. Classes will be starting at the Lakewood/Townsend Ambulance Building Thursday August 16 at 5:30 p.m. until 9:00 p.m. Friday, August 17th, 5:30a.m.to 9:00 p.m. and Sat. August 18, 8:30 a.m. to 12:30. Students are required to attend all classes.

Basic Hunter-Ed classes will cover responsibilities of hunters, firearm safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

The course will be limited to 25 people and pre-registration is required. Please contact Bob Raasch at 715-850-1370 for details, you may leave a message and your call will be returned. Due to recent legislative decisions all hunter education certificates are \$10 (ten dollars) per person.

Townsend Flowage Association Corn Roast & Family Fun Day

The Townsend Flowage Association will host its annual Corn Roast and Family Fun Day on Saturday, August 4, at the Townsend Town Hall, starting at 11:00 a.m. Look for the big tent on Highway 32, Townsend, and stop over for the best-tasting outdoor picnic treats of the season; delicious grilled sweet corn, burgers, brats, hot dogs and all your other favorite sandwiches, snacks, and cold beverages.

This is a family event that includes music, spin wheel raffle, dice throw, and fun for the kids. All proceeds from the Corn Roast go to the betterment of the Townsend Flowage.

Submitted by Kathleen Marsh, TFA Publicity Chair

Kentuck Day Festival coming to Crandon Saturday, July 28th Plus the Kentuck Klassic Kar Show-See details on Area Events page.

Relay for Life starts July 27 at Cardinal Park, Crandon

The American Cancer Society Relay for Life event is on Friday July 27th, starting at 6:00 p.m. and lasting until 8:00 a.m. on Saturday, July 28th, at Cardinal Park in Crandon.

Relay for Life raises money for the fight against cancer that touches the lives of so many families every year. There will be entertainment and activities for everyone.

Relay for Life also gives cancer survivors a chance to give hope to those battling cancer. Luminaries also provide a memorial to those who have succumbed to this horrible disease.

For more information on this event call 715-277-4392 or go online to: www.relayforlife.org/forestcountywi.

Crandon Lions Club Summer Fest and Boat Sinking

This weekend, on Saturday, July 21, the Crandon Lions Club will be holding their Summer Fest celebration and the popular boat sinking contest.

The festivities begin at 10:30 a.m. and will last as long as the crowd wants it to. The fun is at the Crandon City Beach on the north end of Lake Metonga.

Be ready to consume large amounts of beer, brats, burgers, corn, French fries and cheese curds. The paddle wheel will be busy, as will the jumping room for kids and the trout pond. Everybody is invited to this fun time!

Plum Creek presents grant to Camp 5 Museum

Bill O'Brion, (far right) Plum Creek's Resource Supervisor for Wisconsin presents the check to the staff of Camp 5. From right to left, Resource Assistant Katie Vanderweir???, Cate Dellin-Camp 5 Director, Sara Connor-Camp 5 Curator, Katherine Hurgen-Camp 5 Director, Melissa Demopoulos-Camp 5 Director, and Director Mary Verich.

By Mike Monte

Camp 5 Museum has been selected by Plum Creek to receive a grant for \$4,799.07. The grant will be used to pay for the surrey that is used for the Green Treasure Forest Tour. The new surrey replaces a vehicle that saw service for 40 years and was in need of replacement.

For those who have not experienced Camp 5, or have not taken the time to take the forest tour, it is highly recommended to do so. The trip through the surrounding forest and the various timber types and types of management is a mini-forestry course, and is a living example of how forest management works. This is important in times when some environmental groups try to tell the public the evils of logging and loggers. The tour takes the visitor through a sustained yield forest that has been logged for over a hundred years and is still a thriving, growing and beautiful forest. The tour is narrated by a knowledgeable person, and better understanding of logging and forestry is gained by those taking the tour.

The new surrey along with a pair of Camp 5's happy summer workers

Plum Creek's Bill O'Brion said that Camp 5 is one of three entities that received a Plum Creek grant this year, and cited that fact that the Green Treasure Forest Tour tells the facts about the Sustainable Forest Initiative practiced by Plum Creek.

O'Brion said: "Plum Creek has a long relationship with Camp 5 and Sara Connor and her work with historic logging camps. We like to work with small communities where we own land and our employees live and work. And, logging history is important to us."

Camp 5 and the historic Lumberjack Special steam train is a destination tourist attraction. That is, that people will come to Forest County just to experience the ride on Ol' Four-Spot, the museum, the petting zoo, along with the Green Treasure Forest Tour and the pontoon ride on the Rat River, another educational tour. Camp 5 is a great place to take kids and grandchildren, and there is food on the grounds.

On July 28, the Stihl Timberworks Lumberjack show will take place on the grounds of Camp 5. The show draws live audiences of over one million combined, Timberworks Lumberjack Shows is an exciting and entertaining adventure providing a unique blend of sports, history and comedy and includes an opportunity for the audience to experience a nostalgic logging competition of the early 1900s. Visitors will see lumberjacks climbing poles at lightning speed, competing with the crosscut saw. In addition, the Cowboys will be back on October 6th, and Fall Festival will be held on September 22, 29 and October 6th.

Lake Metonga Boat Parade

Eleven enthusiastic boat parade participants circled Lake Metonga at 1:00 p.m. on July 7, 2012. It was a beautiful, warm day with clear skies and calm water. Eight judges shared the difficult task of choosing the top three entries. Each boat was judged on theme, originality, creativity, decoration and presentation. The artistic designs of the entries were exceptional. Only a few points separated the final scores of the participants.

First prize was awarded to the Ron Wolf group for "Partying Pirates". The sails, skull and crossbones, the ship's structure, smoke from the cannon, the clothing and weapons of the pirates all added to the authenticity of the theme. Second place was awarded to the Jeff Calkins' team for "Don't Let Milfoil & Zebra Mussel Pirates Loot Our Treasured Lake". This entry was another pirate theme with excellent design that called attention to controlling the spread of aquatic invasive species. Third place was shared by Jim Sommers' team "Sommer's Olympics" displaying the Olympic circles of unity and gold and the Gary Mueller team's "Tourists Gone Wild" displaying the green Northwoods as a fun party place for tourists. All of these terrific designs and the involvement and fun of the participants brought cheers from the viewers watching from shore.

Following the parade, a cook out sponsored by the Lake Metonga Association was held at Beachside Bar and Grill resort and was attended by about 150 people. Managers, Jason Wittman and Derek Gretzinger, graciously provided the use of the restaurant for the gather. Raffles for adults and kids, sponsored by Tim Leonardelli, highlighted this festive outing. Parade participants are already planning for next year.

Lt. Col. Pete Tschohl was guest speaker at Legion Post #44

Lieutenant Colonel Pete Tschohl was a guest speaker at the Wabeno Legion Sylvan Post #44 meeting on June 21. Pete's father Ron is a member of the Post, and the Legion Auxiliary had sent Pete two "We Care Packages" while he was deployed to Kyrgyzstan in support of NATO troops fighting in Afghanistan. Lt. Col. Tschohl has been with the Air Force for two decades and has successfully completed many missions. During his most recent deployment, Operation Enduring Freedom, he flew a KC-135 refueling tanker.

Pete expressed his appreciation to the ladies by sending a thank-you note containing his unit patch. So when he and his family were visiting his father in mid-June, it provided a great opportunity for Legion and Auxiliary members to meet him. Pete addressed the group, telling of his many Air Force missions. He spoke in support of the war effort in Afghanistan and later showed beautiful slides of Kyrgyzstan to the Auxiliary.

Pete is currently completing a tour at McConnell Air Force Base in Wichita, Kansas, where he was squadron commander. He will be relocating soon to his new station at Scott Air Force Base in St. Clair County, Illinois, where he will serve as Deputy Director of Operations. He and his wife Crystal have four children: Megan, Anja, Jackie and Jacob. Submitted by Kathleen Marsh, Auxiliary President

Polish Heritage Days

(More photos throughout the paper!)

Locals in old time polish clothing lead the parade

Saturday, July 16 marked the Annual Polish Heritage Festival in Armstrong Creek. The day started with a Catholic mass spoken in Polish with all the participants dressed in Polish attire. After the mass, everybody lines up and has a parade down the main street to the park. Children line the streets and always leave with a full bag of candy. A wide variety of Polish cuisine awaits the crowd at the park. People can also enjoy polka while

they dine. Afterwards they can relax on a horse drawn wagon ride. There are vendors of all sorts on the ground, while children have a bouncing room, horse rides, petting zoo and a swing set to keep them busy. This is truly a must see event.

NEW ON THE MARKET!!!

506 E. Division Street, Crandon

3394 Lake Lucerne Dr, Town of Lincoln

Adorable completely remodeled home on the far eastside of town with a thick wooded border on two sides plus the land across the road is all wooded. There is a large living room, open kitchen/dining room plus two bedrooms and a full bathroom. Everything has been updated right down to the wiring. There is a small usable one car garage which will work for extra storage. **What a great starter or small family home for only \$69,900**

2 acres of mature trees and shrubbery with a drilled well and conventional septic plus a usable 2 car garage. The original home burned down so all you need to do is rebuild or have a home moved in. This parcel is within 500' of 1100 acre Lake Lucerne and near 2100 acre Lake Metonga. The setting is very nice and private. **This can all be yours for only \$29,900**

2576 West Shore Ln, on Ground Hemlock Lake

Tucked away at the end of a scenic road in beautiful Forest County you will find this 10 acre parcel on a quiet no-wake 88 acre Ground Hemlock lake. There is approx. 411' of frontage and water so clear you can see the bottom even at 10 feet. The land is fully wooded with beautiful maple, oaks, and other soft and hardwoods. The rolling hills at the lakeside and in the back area offer breathtaking views while hiking or hunting. The adorable home has 3 bedrooms, 2 bathrooms, a real fieldstone wood burning fireplace, all wood walls and ceilings plus hardwood floors. There is an attached screen porch, paver block walkway and patio plus a two car garage and another outbuilding. Everything is so very well taken care of you need not have to do a thing. The gravel pathway to the lake is complimented with wooded steps and once at the lakeside you will find a dry boathouse and an L-shaped pier. The sounds of nature and the whistling of the winds are the only sounds you will hear. **Priced to sell FAST at ONLY \$299,900**

FO CO WEBSITE Cont. from page 1

"You can see the influence that Bryon, Ellen and Marci provided to make the site such a useful tool," stated FCEDP executive committee member and Northern Lake Service President, RT Krueger.

The site provides an array of practical and usable information on business assistance including business retention, entrepreneurial services, export assistance, financing and incentives, industrial parks and workforce development. "It's not just an informational resource for entrepreneurs considering their option the web site also has a lot of practical tools to help existing businesses succeed," added Cara Kulhanek, FCEDP executive committee member and Grants Development Specialist for the Forest County Potawatomi Community.

There are dozens of examples of business plans (crucial for the development and ongoing sustainability of any business) that can be used as templates. City and town governments can gain access to community development tools such as public facility grants and planning grants. There is also contact information available to seek specific information through the FCEDP executive director or schedule a business counseling session with Chuck Brys at the Small Business Development Center.

FCEDP's mission is to foster an economic environment that promotes an increased tax base, an improved standard of living and quality of life for all the people of Forest County. It is supported through the Forest County Potawatomi Community, City of Crandon, Forest County Board, Sokaogon-Chippewa Community, Forest County Chamber of Commerce, Forest County Tourism Commission, Wabeno Chamber of Commerce and Forest County Potawatomi Foundation.

NEED A NEW HOUSE?

Business After 5 at the Forest County Historical Museum

The front lawn of the museum in Crandon was live on Thursday night with perfect weather, good food and good conversation when the Forest County Historical & Genealogical Society hosted Business After 5 for the Chamber of Commerce. An excellent picnic supper was provided by Faye and Tom Thielke with desserts provided by society members. Tours of the museum were led by society members to familiarize chamber members with what the museum has to offer in portraying the story of Forest County.

Door prize winners were Wynda Collins first place Crandon Is My Hometown, Pete Davison Reproduction of the Crandon 1906 Book, and Mary Weid- Reproduction of the Forest County 1914 Advertising Booklet. These are all books available for sale at the museum.

The museum is open Tuesday, Thursday and Friday from 10 to 4 and on special activity days in Crandon.

"The Four Wives, Men" to perform August 19th

In 2005 "The 4 wives' Men" began singing together in the Pardeeville United Methodist Church as part of a Sunday morning worship service. Over the next two years the members of this group enjoyed sharing their music together at various church functions, but always in their own church in Pardeeville. In 2007, with the love and support of their wives and through the retirement of their pastor from local church ministry, they were given the opportunity to share their love of the Lord beyond their local church, through a music ministry that has involved the leading of worship in many area churches throughout Wisconsin.

Their down-home, country, bluegrass style allows "The 4 Wives' Men" to share the gospel message of Jesus Christ and introduce others to the love of the Lord in a fun, uplifting and hope filled way that touches the hearts of people of all ages.

Jim Bernander, Paul Peterson, Del Saunders and Rev. Dennis Weis, "The 4 Wives' Men", are excited to share in worship with you. They invite you to come and enjoy praising the Lord with them on Sunday, August 19th, 2012 at St. Luke's United Methodist Church, 301 S. Lake Ave, Crandon, WI at 11:00 am.

Northwoods Summer Art Tour
July 27, 28, 29

Driving the beautiful back roads of the north is a favorite activity for visitors and residents alike. Some of the Northwood's finest artists and galleries are adding a special dimension to the sightseeing excursions during the Northwoods Summer Art Tour July 27, 28 and 29, 10:00 am - 5:00 pm daily.

The Northwoods Art Tour invites visitors to home studios that are rarely open to the public. There will be on-site artist demonstrations and original regional art available for purchase at galleries and studios.

The thirty sites on the tour stretch from Presque Isle and Land O Lakes in the north to as far south as Irma and Elcho, encompassing Vilas, Oneida, Iron, Langlade and Lincoln Counties. Visitors may enjoy a self-guided drive and visit as many or as few studios as their time and interest allows. A diverse variety of quality original work is on display to enjoy and purchase directly from regional painters, photographers, potters, furniture makers, wood carvers, jewelers and fiber artists. Color brochures and maps are available at local businesses, area galleries and chambers of commerce or can be downloaded at www.northwoodsarttour.com.

Web Site Created To Help Connect Northern Grazing Lands With Drought-stricken Farmers

Property owners in Forest County with lands that might prove suitable for rent for cattle grazing are encouraged to list their property available on a web site. To list your property go to the web site address <https://farmertofarmer.crowdmap.com/> and then click on "Submit a Report" in the upper right hand corner. Follow the instructions to list your land as available for rent. The site was created by the UW-Extension, Cooperative Extension.

The drought in Southern Wisconsin has moved from moderate to severe and there appears to be no immediate rain in the forecast. This drought could seriously impact farmers that have been trying to recover from the low milk prices of a few years ago. The prospect of having to purchase hay for their cattle is creating unsustainability for farmers in the drought area.

Relative to Southern Wisconsin, Northern Wisconsin has had, in some areas, more precipitation and property owners might be able to send a lifeline to other farmers while at the same time creating revenue opportunity on idle land.

Property owners interested in seeking help getting lands listed on the site can contact the Forest County Economic Development Partnership office at 715.784.6069 or via email at director@forestcountywibusiness.com.

"Not A Fan" coming in July!

Kyle Idleman's book, Not A Fan, will be the focus of a Bible study series coming to the Lakewood location of Forest Larger Parish Presbyterian Church (15552 Hwy. 32) starting on Wednesday, August 1 at 6 pm. There is no charge for this program. Additionally, a six part sermon series will begin on Sunday, July 29 at the Lakewood Church (8 a.m.), the Wabeno Church (10 a.m.) and the Laona Church (5 p.m.) The Wednesday night programming involves a video presentation with open discussion and will complement but not duplicate the Sunday series. The public is cordially invited to attend either or both events.

Idleman's book has generated much attention because he probes the true meaning of being Christian...are we like "fans" in the stadium cheering for our team (Jesus) or are we players on the field (totally surrendering ourselves to what Jesus wants us to do)? His book is non-denominational and these programs are NOT offered as a solicitation for membership in any particular church. If you have questions, please call the church office (715-473-3603) Monday through Thursday from 9 a.m. to 2 p.m.

Vet's Corner

DAV Van Schedule for Veteran Medical Appointments at Oscar G. Johnson VA Medical Center, Iron Mountain, MI

Beginning September 1, the Oneida County DAV van will run three days per week on Monday, Tuesday and Wednesday. The Van will stop at designated pickup points on each route.

Monday: Rhinelander through Lake Tomahawk, Woodruff, Eagle River, to Iron Mountain & Return.

Tuesday & Wednesday: Rhinelander through Monico, Crandon, Laona, to Iron Mountain & Return.

Call (715) 369-6227 for reservations to schedule the Van to stop at a pick up point or for more information.

Per policy the DAV Van cannot transport wheelchair patients or patients requiring oxygen.

Patients should call the Iron Mountain VAMC Veterans Transportation Service Coordinator, Isaac Armstrong, at (800) 215-8262 Ext 33849 for transportation requiring home pickup, wheelchair access, or for patients requiring oxygen.

The Forest County Commission on Aging DOT Bus Schedule is published weekly in the Pioneer Express. If your VA medical appointment is on a day that the Bus goes to Iron Mountain or Rhinelander please call Hal Weisnicht at 715 478-2961 or Bob Shepherd at 715 478-2683, to make a reservation. The COA Bus picks up at the rider's home. For additional information please call 717 478-3256.

Volunteer drivers need to call 715 369-6227 if interested in driving the DAV Van routes.

Diabetes Foods: Is Honey A Good Substitute for Sugar?

Honey can be substituted for sugar in the diabetes diet. Honey is quite similar to sugar, so there is no real advantage for substituting honey for sugar. Unlike sugar, honey provides some minerals - but only in trace amounts.

Also, honey is sweeter than granulated sugar, so you can substitute a smaller amount of honey for sugar in some recipes. But honey actually has more carbohydrates and more calories per teaspoon than granulated sugar has. So any calories and carbohydrates you save would be nominal. If you prefer the taste of honey, go ahead and use it--but only in moderation. Be sure to count the carbohydrates in honey as part of your eating plan.

Honey vs. Sugar

Sweetener (1 teaspoon)	Carbohydrates	Calories
Honey	17	64
Sugar (Granulated)	13	50

Smart 'You' Solutions

The Throwaway That Softens Skin.

An easy way to rejuvenate dull winter skin: save the peels from limes, lemons or oranges and store them in an airtight container in the fridge so they won't dry out. Then at bath time, toss a handful of peels into a tub of warm bath water. The citrus zest will infuse the water with natural oils and acids that will help slough off dead skin cells and nourish the healthy skin underneath. Plus, heat from the bath will release the citrus scent, which is proven to invigorate.

60-Second Energizer

To get your second wind when the day has left you drained but there's a night of fun ahead, try the Cow Pose. Start on your hands and knees, keeping your back flat. As you inhale, lift your pelvis and chest toward the ceiling, allowing your belly to sink toward the floor. Exhale, returning to the flat-back position. Repeat five times. This yoga move will stretch the back and neck, plus increase the flow of energizing oxygen throughout the body.

Wake Up Tired Eyes This Way

The next time a late night leaves you puffy-eyed, try this quick morning fix: Dip two cotton balls in a bowl of ice-cold milk or cream. Squeeze the cotton balls out slightly and hold one over each closed eye for 5 minutes. The cold temperature will constrict blood vessels to reduce swelling, while the milk will soothe delicate under-eye skin. *Money saved: \$17 for de-puffing eye serum.*

The Key To Instant Confidence

Tossing on a yellow top will help revive your can-do attitude. This bright hue represents the third chakra, which is connected to self-esteem and intuition. Color therapists say wearing yellow allows you to tune into these feelings and exude confidence.

De-Pill A Sweater In Seconds

"When I need to get rid of pesky fuzz balls on my favorite sweaters, I just spread the garment across a tabletop and use a disposable razor to very gently shave the pillings. The thin razor blade loosens the pills without damaging the fabric. Just be careful around buttons or seams." - *Cassie Bartmer, Saco, ME*

Snack On This to Feel Happier

For a tasty way to boost mood in minutes, nibble on a handful of popcorn. This complex carb has been shown to increase levels of tryptophan, the amino acid used to produce the feel-good neurotransmitter serotonin, by 42 percent.

Butter Up A Pill For Easy Swallowing

Getting a large pill to go down can be a struggle, especially when you have a sore throat. To make capsules easier to swallow, lightly coat each one in butter before swallowing with water. The butter will act as a lubricant to help the pill glide down your throat.

Animal Resource Fund News

By Cory Campbell

Our annual sale held at the Nashville Town Hall was a real success as usual. Our faithful patrons were waiting at the door for our opening on that Saturday morning. A lot of work, but that's how we keep afloat with all our fund raisers.

We have been receiving so many calls for help - either to take in animals into our foster care system, or help in getting veterinary care. Our foster people have been stretched to the limit; there's only so many pets we can handle at a time. So far we have always been able to help each caller, in one way or another. Sometimes it is a matter of switching, rearranging, whatever. There have been times that only some good advice has helped the situation of re-homing, and the animal could remain in its own home.

At present, we have "Beau", a beautiful, friendly Shepherd/Husky neutered adult male that needs a permanent home. That's one of the questions I ask on your application to adopt "Dogs and cats often live 15 years and beyond are you ready to be responsible for this pet for its entire life?" We DO check references and vet records. If you're a good pet provider, you'll be happy we screen as we do, instead of handing over an animal in exchange for a fee.

We also have several beautiful fully vetted cats up for adoption call us at 715-478-2398, or visit us at www.animalresourcefund.weebly.com for full descriptions and pictures.

We will be at Kentuck Day with our regular "sweet tea", and also the big hit with those needing to watch sugar in-take our sugar-free raspberry iced tea. This year we'll be adding another new surprise flavor!!

We will also be available to answer questions about A.R.F. and display pictures of all our adoptable pets.

Next on the agenda will be our "Pics For Pets" fund raiser. This is being put on by member Amanda Collette, of Pure Poise Photography. Mini portrait sessions are being offered by reservation for families, children, individuals, and pets! Pets are not a requirement to participate, but are encouraged! The event will take place on Saturday and Sunday, September 8th and 9th on the gorgeous property of Brian and Patti Wellmon on beautiful Lake Metonga. The cost is a \$90.00 minimum donation to A.R.F. and includes a 30 minute portrait session, and approximately 7-10 personal copyright released digital images. Prints are available for additional costs.

Limited spaces are available, so reserve your session time very soon by contacting Amanda at 715-889-4547, or manda.collette@gmail.com. To view her work, visit her website at www.purepoisephotography.com. No internet? Give Amanda a call she'll be happy to show pictures of her work. We hope this will be a successful fund raiser for ARF, and we're hoping you WILL include your pets!

Locally roasted & fresh coffee. Experience a great coffee taste!

Homeless count to take place in Forest, Langlade, Oneida and Vilas Counties

On Wednesday, July 25, 2011, The Northern Wisconsin Initiative to Stop Homelessness (N*WISH) Continuum of Care will be joining homelessness coalitions/continuums around the state in completing a local count of individuals and families experiencing homelessness. Staff and volunteers will count persons in shelters as well as persons residing on the streets, under bridges, or similar places not meant for human habitation.

"The Point In Time count is a state-wide initiative, and this is the fifth time we will be counting unsheltered individuals in the Northwoods," states Lori Hallas, Housing Team Leader for Forward Service Corporation. She explains that teams of individuals will be in Rhinelander, Minocqua, Eagle River, Antigo, and other larger communities to locate individuals sleeping in public places. "This is just once piece in the process of helping identify and assist individuals in crisis," Hallas concludes.

The collected data will assist the community in understanding the scope and size of local homelessness; engage in programs and service development, and to apply for state and federal funding. This state-wide count occurs twice a year, once in January and once in July.

The Northern Wisconsin Initiative to Stop Homelessness (N*WISH) Continuum of Care was established in November, 2009. N*WISH is comprised of various state government & public housing agencies; non-profit & faith-based organizations as well as funding & advocacy groups. This collaborative system exists to increase awareness and acts to promote and support the eradication of homelessness in Forest, Langlade, Oneida and Vilas Counties.

An Evening of Storytelling, Music & Art to Benefit the Family Resource Connection

Storytellers and musicians, Joe and Paula McHugh, will bring an evening of family-centered storytelling and music to Holiday Acres Resort in Rhinelanders on Thursday, August 9 at 7 PM. The "Fine Times at Our House" event will benefit the Family Resource Connection, which provides family services and programs in Forest, Lincoln, Oneida and Vilas counties, including Play Shoppe and Music Garden.

Joe McHugh, creator of the "American Family Stories Project" and a public radio producer of the award-winning, "The Telling Takes Us Home" series, and his artist wife, Paula, combine lively storytelling, fiddle and banjo duets, and original artwork for a unique performance that kindles the imagination and lifts the spirits. Their repertoire reaches back to the fiddle tunes, tales, and humor of the early pioneers. The performance on August 9 will incorporate a variety of old-time entertainments, including clog dolls, a "courting" dulcimer and fiddle sticks. The autobiographical show tells the story of an Irish-American young man who escapes into the mountains of West Virginia for a "back-to-the-land" odyssey told through traditional song and story.

The event is sponsored by WXPR Independent Public Radio, St. Augustine's Church, Trig's, and the YMCA of the Northwoods, and will benefit Play Shoppe and Music Garden, free drop-in programs for parents and children ages 0 - 5 in Rhinelanders, Eagle River and Minocqua. These programs promote physical, language, cognitive, social and emotional development in young children while enhancing the bond between child and caregiver. Early social-emotional development is linked to key indicators of future social and academic success. Drop-in programs help parents learn to maximize their child's early development potential.

Tickets for the event are \$25 for adults and \$10 for youth under 18 and are available at all three Trig's locations and from the Family Resource Connection. Refreshments will be available at intermission. For more information, call the Family Resource Connection at 715.361.2887. The McHugh's are available for interviews. They can be reached by email at familystories@comcast.net or by telephone before August 1st at 360-943-3206, or after August 1st at 360-556-9183 or 360-878-6204

Drinking for Health

Water accounts for approximately 60 percent of your total body weight. The river of life, your blood, is made up of 90 percent water. Water is the most abundant substance in the human body. An average adult carries about 11 gallons on board at any given time. Water carries the oxygen and nutrients your body needs, and helps to flush out the contaminants your body doesn't.

Water helps to lubricate the joints, regulate your temperature and aids in digestion and metabolism. If you are like most people, you are not drinking enough water. Think about it. When was your last drink...of the purely H2O kind thank you! Consider that experts recommend you consume between three to four quarts of water in a day, or around .5 ounces of water per pound of your body weight. Wow, now that seems like a lot of water to be drinking?? Do you wait to drink until your body says, "gee, I'm thirsty"?? Then you are about a quart and a half low already or roughly 5 percent dehydrated. Take stock of your daily routine and your physical conditioning and possible ailments. Chances are, if you were in-taking the correct amount of water, you might feel better.

Fatigue and mild headaches are a sign that you are becoming dehydrated. Your output of energy will be less if you are not consuming enough water.

Dehydration can lead to accidents by causing progressive loss of coordination and inability to concentrate and can predispose you to various ailments such as heat illness, hypothermia or frostbite. Just because it is cold doesn't mean you aren't losing water either. In a cold, dry climate, your body can lose up to a quart of water a day just through breathing.

Now that's a scary thought, I bet your feeling pretty thirsty about now!!

The main message in this article is to make you aware of how important water is and how healthy it can make you, so if you are a good water drinker, keep drinking, but if you aren't a good water drinker -- get started! Be a drinker -- water that is! Stay healthy!

Equal Opportunity Employer

**HELP WANTED
INSTRUCTIONAL AIDE**

The School District of Wabeno Area Title VII (Indian Education Act) grant program announces a new part-time position for the district. This position will be for \$11.45 per hour, approximately 17 to 20 hours per week working with targeted Native American students in grades 7-12, and possibly some time working with elementary students. The primary focus of this position will be to work with students to increase their math skills. This will include administering a computer-based math assessment and having students use a computer-based math program. Training will be provided for use of the computer-based programs.

Applicants will need to be able to work with students either individually or in small groups. Applicants should be comfortable using computers and willing to obtain additional training. The individual hired will need to work cooperatively with district staff to schedule student services. This position requires the ability to work well with students of all ages, maintain student records and to write basic progress reports. Experience working with students will be helpful. Background checks of potential applicants will be required.

Interested applicants should pick up a job application at the district office located at the Wabeno Elementary School or on the school's website under "Employment Opportunities." **Applications are due by 12:00 noon on August 10, 2012** to the School District of Wabeno Area Office or may be mailed to: Dr. Kimberly Odekirk, District Administrator, P.O. Box 460, Wabeno, WI 54566. Indian preference will be used in hiring as required by Title VII Program Rules and Regulations. Questions regarding this position can be directed to either Deb Kruger, Program Coordinator, at 715-276-7404 or Kimberly Odekirk at 715-473-2592 between the hours of 8:00 A.M. and 3:30 PM.

The School District of Wabeno Area in accordance with Wisconsin Fair Employment Practices Act, Wisconsin Statute 111.31, does not discriminate in hiring practice on the basis of age, race, color, creed, physical, mental, emotional, or learning disability or handicap, national origin, political affiliation, marital status, sex, sexual orientation, arrest record or conviction record. The School District of Wabeno Area is an equal opportunity employer.

**HELP WANTED
SCHOOL BUS DRIVER**

The School District of Wabeno Area is seeking a new bus driver. The route that is available is approximately 20 hours per week. Hourly pay is \$12.90 per hour. To be qualified for this position, applicants must have a CDL with bus endorsement.

Applications and complete job description can be picked up at the administrative office or you can access the application on the school's website at www.wabeno.k12.wi.us on the District Home Page under "Employment Opportunities." Interested persons must turn in an application and list of three references with contact information by noon on **Friday, August 3, 2012** to: Dr. Kimberly Odekirk, P.O. Box 460, Wabeno, WI 54566.

The School District of Wabeno Area in accordance with Wisconsin Fair Employment Practices Act, Wisconsin Statute 111.31, does not discriminate in hiring practice on the basis of age, race, color, creed, physical, mental, emotional, or learning disability or handicap, national origin, political affiliation, marital status, sex, sexual orientation, arrest record or conviction record. The School District of Wabeno Area is an equal opportunity employer.

**HELP WANTED
FULL TIME 9-12 ENGLISH TEACHER**

Job Description: Full Time 9-12 English Teacher for the 2012-2013 school year. Candidates need to have a strong commitment to developing writing and literacy skills in all students. Candidates should be familiar with a variety of teaching strategies including cooperative learning, the writing process, and other methodologies. They also need to have skill in teaching content literacy skills. The candidate will be responsible for coordinating the yearbook. Preference will be given to applicants with confident technology skills, a background in differentiation strategies, and a willingness to teach via ITV/online.

Qualifications: Candidates must have appropriate DPI license (300-English). Successful applicants will be a contributing team member with strong communication skills and have the ability to develop positive collegial and parent relationships. Successful applicants will also possess a sincere interest in accepting extra-curricular responsibilities.

Requirements: Candidates must have appropriate DPI license (300-English).

How to Apply: Interested and licensed candidates should submit a letter of interest, resume, transcripts, copy of license(s), and three (3) current letters of reference by **Monday, July 30, 2012** to: Dr. Kimberly Odekirk, District Administrator, P.O. Box 460, Wabeno, WI 54566.

The School District of Wabeno Area in accordance with Wisconsin Fair Employment Practices Act, Wisconsin Statute 111.31, does not discriminate in hiring practice on the basis of age, race, color, creed, physical, mental, emotional, or learning disability or handicap, national origin, political affiliation, marital status, sex, sexual orientation, arrest record or conviction record. The School District of Wabeno Area is an equal opportunity employer.

group about legal issues, estate planning, elder law, and other issues of concern to the older adult. Mr. Legee who has spoken to the AARP group many times over the years always generates much discussion and answers many questions by members about these concerns.

The speaker for the next meeting in July will be Ron Lange who will talk about his recent trip to Africa. Other events in July are the brat Fry fund raiser on July 14 at Super Valu; the trip to the Kid's from Wisconsin on July 19; and the Nu Roc picnic on July 31. The annual AARP picnic will be at 12:00 PM on August 7 at the Mountain Community Center. This will be a pot luck event with brats and burgers provided.

All persons 50 and over are invited to join the local AARP Chapter. AARP meetings are social, entertaining, and informative. Meetings are held at the Lakewood Presbyterian Church on the fourth Tuesday of each month starting at 7:00 PM. Contact Joyce West, Membership Chairman, at 715-276-9409. Submitted by Dick Culver, Public Relations Chairman

Accepting Applications

Printpack's Rhinelander facility is accepting applications for **Manufacturing Utility** positions. For nearly a century, the Rhinelander plant has been a partner in the community, with a reputation as an excellent employer. Join us for a work experience that can be both personally and professionally rewarding.

Pass The Banana

A professor at CCNY for a physiological psych class told his class about bananas. He said the expression 'going bananas' is from the effects of bananas on the brain.

Never, put your banana in the refrigerator!!! Hit is interesting. After reading this, you'll never look at a banana in the same way again.

Bananas contain three natural sugars - sucrose, fructose and glucose combined with fiber. A banana gives an instant, sustained and substantial boost of energy.

Research has proven that just two bananas provide enough energy for strenuous 90-minute workout. No wonder the banana is the number one fruit with the world's leading athletes.

But energy isn't the only way a banana can help us keep fit. It can also help overcome or prevent a substantial number of illnesses and conditions, making it a must to add to our daily diet.

Depression: According to a recent survey undertaken by MIND amongst people suffering from depression, many felt much better after eating a banana. This is because bananas contain tryptophan, a type of protein that the body converts into serotonin, known to make you relax, improve your mood and generally make you feel happier.

PMS: Forget the pills - eat a banana. The vitamin B6 it contains regulates blood glucose levels, which can affect your mood.

Anemia: High in iron, bananas can stimulate the production of hemoglobin in the blood and so helps in cases of anemia.

Blood Pressure: This unique tropical fruit is extremely high in potassium yet low in salt, making it perfect to beat blood pressure. So much so, the US Food and Drug Administration has just allowed the banana industry to make official claims for the fruit's ability to reduce the risk of blood pressure and stroke.

Brain Power: 200 students at a Twickenham (Middlesex) school (England) were helped through their exams this year by eating bananas at breakfast, break, and lunch in a bid to boost their brain power. Research has shown that the potassium-packed fruit can assist learning by making pupils more alert.

Constipation: High in fiber, including bananas in the diet can help restore normal bowel action, helping to overcome the problem without resorting to laxatives.

Hangovers: One of the quickest ways of curing a hangover is to make a banana milkshake, sweetened with honey..The banana calms the stomach and, with the help of the honey, builds up depleted blood sugar levels, while the milk soothes and re-hydrates your system.

Heartburn: Bananas have a natural antacid effect in the body, so if you suffer from heartburn, try eating a banana for soothing relief.

Morning Sickness: Snacking on bananas between meals helps to keep blood sugar levels up and avoid morning sickness.

Mosquito bites: Before reaching for the insect bite cream, try rubbing the affected area with the inside of a banana skin. Many people find it amazingly successful at reducing swelling and irritation.

Nerves: Bananas are high in B vitamins that help calm the nervous system.

Overweight and at work? Studies at the Institute of Psychology in Austria found pressure at work leads to gorging on comfort food like chocolate and chips. Looking at 5,000 hospital patients, researchers found the most obese were more likely to be in high-pressure jobs. The report concluded that, to avoid panic-induced food cravings, we need to control our blood sugar levels by snacking on high carbohydrate foods every two hours to keep levels steady.

Ulcers: The banana is used as the dietary food against intestinal disorders because of its soft texture and smoothness. It is the only raw fruit that can be eaten without distress in over-chronicler cases. It also neutralizes over-acidity and reduces irritation by coating the lining of the stomach.

Temperature control: Many other cultures see bananas as a 'cooling' fruit that can lower both the physical and emotional temperature of expectant mother. s. In Thailand, for example, pregnant women eat bananas to ensure their baby is born with a cool temperature.

Seasonal Affective Disorder (SAD): Bananas can help SAD sufferers because they contain the natural mood Enhancer tryptophan.

Smoking & Tobacco Use: Bananas can also help people trying to give up smoking. The B6, B12 they contain, as well as the potassium and magnesium found in them, help the body recover from the effects of nicotine withdrawal.

Stress: Potassium is a vital mineral, which helps normalize the heartbeat, sends oxygen to the brain and regulates your body's water balance. When we are stressed, our metabolic rate rises, thereby reducing our potassium levels. These can be re-balanced with the help of a high-potassium banana snack.

Strokes: According to research in The New England Journal of Medicine, eating bananas as part of a regular diet can cut the risk of death by strokes by as much as 40%!

Warts: Those keen on natural alternatives swear that if you want to kill off a wart, take a piece of banana skin and place it on the wart, with the yellow side out. Carefully

THANK YOU

I would like to thank all who stopped, called, sent cards and prayed for my recovery from my heart surgery. Especially Tom and Ray, who drove for me, where I needed to be.

Thanks Guys!

Bob Conn

P14

In Memory of Melody

We little knew that morning,
God was going to call your name.

In life we loved you dearly,
in death we do the same.

It broke our hearts to lose you,
you did not go alone.

For part of us went with you.
the day God called you home.

You left us beautiful memories,
your love is still our guide.

And though we cannot see you, you are always at our side.

Our family chain is broken, and nothing seems the same.

But as God calls us one by one, the chain will link again.

There is not a day that goes by that
Melody is not with us. She will always be
looking over all of us. Including her new
nephew Coltan and her great-nephew Kaiden.

We would like to thank everyone for
the kind thoughts, gifts, cards and
support during this last year. It means
a lot to Melody's family:

Anita, Ryan, Kip & Michelle

THANK YOU

I would like to thank everyone
who sent flowers, cards, food,
said prayers, called or was just
there with a hug during the loss
of my daughter, Carol Maxon.
It made a hard time easier.

Ida Quadz & family

hold the skin in place with a plaster or surgical tape!

So, a banana really is a natural remedy for many
ills. When you compare it to an apple, it has four times the
protein, twice the carbohydrate, three times the
phosphorus, five times the vitamin A and iron, and twice the
other vitamins and minerals. It is also rich in potassium and
is one of the best value foods around, so maybe it's time to
change that well-knowns phrase so that we saw, 'A banana a
day keeps the doctor away!'

Notice to Seniors

It has been brought to my attention that there is
another Credit Card SCAM going on again.

The scam credit card company had called 7
times to an individual and she would not give them any
information. They asked her personal information. They
were persistent with the calls. She finally asked them what
the name of the card company was....and they hung up.

They did not call again.

Please be aware of this. Do not EVER give any
information to these types of callers. Most of these are
scams and once give the information, it can be very
harmful to your and your resources.

**BE VERY CAREFUL WITH YOUR PERSONAL
INFORMATION!**

Thank You's & Personals

Traffic deaths have increased in the first six months of this year

Submitted by WISDOT

Although last month was tied for the tenth safest
month of June in terms of traffic deaths since World War II,
the number of fatalities for the first six months of this year
was still approximately 15 percent higher than during the
same period last year.

According to preliminary statistics from the
Wisconsin Department of Transportation (WisDOT), 266
people have died on Wisconsin roads in 2012 as of June
30, including 42 motorcycle operators, five motorcycle
passengers, 16 pedestrians, and three bicyclists. That
compares with 230 traffic fatalities during the same period
last year. Traffic fatalities at the end of June also were one
more than the five-year average for the first six months of
the year.

Last month, 61 people were killed in 56 crashes in
Wisconsin, which were nine more deaths than in June
2011 and four more than the five year average for the
month of June. The safest month of June in terms of traffic
deaths since World War II occurred in 1946 with 45
fatalities and the deadliest was in 1956 with 115 fatalities.

"There's no better time than right now to stop this
recent increase in traffic fatalities," says State Patrol Major
Sandra Huxtable, director of the WisDOT Bureau of
Transportation Safety. "Law enforcement officers around
the state are out in force this summer to deter speeding,
distracted driving, and drunken driving as well as ensure
drivers and passengers are buckling up. For instance, 120
law enforcement agencies are receiving federal funding to
put more officers on patrol for the Summer Heat speed
enforcement mobilization that runs to July 18. But they
can't do it alone. Everyone needs to take responsibility for
their safety and the safety of others on the road. We all
have to do our part."

Sun Kissed Skin or Over Exposure

Whether you're planning a day at the beach, a quick walk in the park, or plan to tan for a winter wedding, here are the facts about UV-rays.

What's the difference between UVA and UVB? UVA penetrates the skin more deeply than UVB, and causes skin aging and wrinkling. UVA is a contributor and may initiate the development of skin cancers. UVB is the main cause of sunburn, and is responsible for causing most skin cancers.

So how do you protect yourself? Cancer.org uses this simple theory: "Slip! Slop! Slap!... And Wrap" "Slip on a shirt, Slop on sunscreen, Slap on a hat, and Wrap on sunglasses to protect eyes and sensitive skin around them."

Covering up with long sleeves, long pants, or skirt: dark colors are preferred to light, and tightly woven fabrics are better than loosely woven. Dry fabric is also more protective than wet.

There is some work in choosing the right sunscreen, and how to apply it. Always make sure that sunscreen is a UVA & UVB protectant (broad-spectrum). When using an SPF of 30 and applying it thickly, it's equal to 1 minute of UVB exposure in a 30 minute period. So if you are in the sun for 1 hour using SPF 30 it's equal to 2 minutes in the sun totally unprotected.

What SPF should you buy? No sunscreen will protect you 100% but here's the difference between SPF 15 and SPF 100. SPF 15 will filter out 93%, SPF 30 about 97%, SPF 50 about 98%, and SPF 100 about 99% of rays. Apply about a palmful of sun screen to your body, and reapply every 2 hours. Waterproof products can protect up to 80 minutes, and water resistant only 40, so these products should be reapplied sooner.

Expensive sunscreens are not necessary. WebMD has the top 3 Consumer Reports "Best Buy" sunscreens listed as: Up & Up Sport SPF 30, No-Ad with Aloe and Vitamin E SPF 45, and Equate Baby SPF 50, additional brands can be found online.

Wearing a hat, and sunglasses can reduce sun exposure to head, and eyes. Make sure the hat has at least a 2-3 inch brim all the way around and sunglasses should block 99% to 100% of UVA and UVB rays.

Use the shadow test: if your shadow is shorter than you, the sun's rays are the strongest, and protection from the sun is most important.

Indoor Tanning: Seems safe doesn't it? Here are some facts.

- Tanning indoors 1x per month increases your risk of malignant melanoma (most deadly skin cancer) by 55%
- Ultraviolet radiation is a proven human carcinogen. The international Agency for Research on Cancer lists UV tanning devices in Group 1 of the most dangerous cancer-causing substances.
- 10 minutes in a sunbed = 10 minutes in the Mediterranean sun.
- People who tan indoors are 74% more likely to develop melanoma, 2.5 more likely to develop squamous cell, and 1.5 times more likely to develop basal cell carcinoma all common skin cancers.

Check you skin often, as changes to moles can happen rapidly. Look for the ABCD's.

- Asymmetry: Most moles are symmetrical and round. Be on the lookout for those that change shape and become asymmetrical.
- Border: Watch for moles that are uneven and irregular around the edges.
- Color: Moles should be a uniform brown color. Moles that are different shades of brown or black may be a skin cancer and should be evaluated.
- Diameter: If a mole becomes larger than the tip of a pencil eraser, you should check with your provider.

American Cancer Society Relay For Life Of Forest County

Light the way to a cure...

On July 27, 2012 at 9:00 pm at Cardinal Park, luminaria will be lit in memory and honor of family and friends who have battled cancer.

Choose to recognize your loved one and help support the American Cancer Society by creating a luminaria. Your \$5.00 donation will help in the fight against cancer and serve as a symbol along the pathway at the American Cancer Society Relay for Life to memorialize or honor someone you love. The names of these individuals will be read aloud in a special ceremony at 9:00 p.m. July 27, 2012, to which you are invited to attend. All proceeds will support the American Cancer Society's mission to fight cancer, locally, statewide and nationally, in terms of research, education, advocacy and patient service programs.

To donate a luminaria, complete the form below and return it with your check payable to the American Cancer Society by July 23rd to:

Darla Grant, 305 E. Madison Street, Crandon, WI 54520
 For more information call: Darla at 715-889-5358

Discussion was held concerning setting the price for staff and guests purchasing school meals for the 2012-13 school year. There was a motion by Al Gardebrecht seconded by Bill Connors, Jr. to keep the price for staff and guest breakfast at \$2.25 and increase staff and guest lunch to \$3.75 for the 2012-13 school year. The motion carried.

A discussion was held regarding the Elementary Secretary position. There was a motion by Al Gardebrecht seconded by Bill Connors, Jr. to approve hiring Joanne Sisler as the new Elementary Secretary. The motion carried.

A discussion was held with regard to contracting with the United Area Rescue Squad for the 2012-2013 school year. There was a motion by Patricia A. Manthey seconded by Dawn Jakubiec to continue contracting with the United Area Rescue Squad for the 2012-2013 school year. The motion carried.

A discussion was held regarding the Laona/Wabeno Cooperative Agreement. There was a motion by Dawn Jakubiec seconded by Patricia A. Manthey to approve the Laona/Wabeno Cooperative Agreement. The motion carried.

A discussion was held concerning the updated Athletic Code and Handbook. There was a motion by Bill Connors, Jr. seconded by Dawn Jakubiec to approve the updated Athletic Code and Handbook for the 2012-2013 school year. The motion carried.

A discussion was held regarding early release and late start dates for the 2012-2013 school year. There was a motion by Al Gardebrecht seconded by Bill Connors, Jr. to approve the dates for late starts and early releases for the 2012-2013 school year as follows: Late starts to be the first Wednesday of the months of October, November, December, February, March, and May. Early release dates in September and April to be announced. The motion carried.

A discussion was held in regard to Board Policy 672.1, Bidding Requirements. There was a motion by Patricia A. Manthey seconded by Dawn Jakubiec to approve the changes made to Board Policy 672.1, Bidding Requirements, raising the amount on capital items from \$1,500 to \$2,000 and quotes are not needed for technology related equipment. The motion carried.

A discussion was held concerning the Cooperative Sports hiring committee. There was motion by Dawn Jakubiec seconded by Al Gardebrecht to appoint Bill Connors, Jr. to the Cooperative Sports hiring committee. The motion carried.

A discussion was held regarding 2012-2013 District Goals. There was a motion by Al Gardebrecht seconded by Patricia A. Manthey to approve the following District Goals for 2012-2013:

1. Continue to build a collaborative culture, embrace high expectations for all students, and create necessary support systems so that all students are successful.
2. Continue to assess, expand, and coordinate the uses of technology in teaching and learning.
3. Continue to promote and provide opportunities for parent and community involvement in the school.
4. Increase the overall attendance rate so that less than 5% of the entire student population is absent each quarter.
5. Increase student achievement in math as measured by MAPS and WKCE.

The motion carried.

A teacher's letter of resignation was shared with the Board. There was a motion by Dawn Jakubiec seconded by Bill Connors, Jr. to accept the letter of resignation from Pam Smith. The motion carried. The Board and Administrators would like to thank Pam for her dedicated teaching during the time she was with us!

Allison Space, Elementary Principal, reported the following:

1. Field Day and Family Carnival Night were a huge success! Thank you to all who helped through volunteering of time or donations.
2. 23 staff members took part in the Non-Violent Crisis Intervention Training on June 20th.
3. More information was shared at the Data Dig at CESA 8 to prepare our district for the rigor of the new state test in 2014-2015.
4. PBIS team is working this summer on plans for fall as well as attending conferences in the Dells and Duluth.
5. Math Curricular work focused on grade 6 8 is taking place July 18-20.
6. Summer School continues on Tuesdays from 8:30-11:00 until July 30.

Tim Brauer, Jr/Sr High School Principal, reported the following:

1. Summer School updates were given.
2. Impact/Concussion Testing information was discussed.
3. Maintenance and technology updates were shared.

Dr. Kimberly Odekirk, District Administrator, reported the following:

1. Additional information was shared about district goals and objectives for the 2012-2013 school year.
2. Update on focus schools.
3. Update on the budget from the 2011-2012 school year.
4. Kim and the school board would like to sincerely thank Rick Huisman for filling in as Interim Superintendent while Kim recovered from her cancer treatments. Rick did a tremendous job in Kim's absence.

There was a motion by Patricia A. Manthey seconded by Dawn Jakubiec to go into Closed Session under SS 19.85 to discuss:

- A. Non-Union employee contracts for the 2012-2013 school year.
- B. Administrator contracts for the 2012-2013 school year.

A roll call vote was taken as follows: Janet Opiela, yes; Patricia A. Manthey, yes; Al Gardebrecht, yes; Dawn Jakubiec, yes; and Bill Connors, Jr., yes. The motion carried 5 to 0.

There was a motion by Dawn Jakubiec seconded by Al Gardebrecht to come out of Executive Session. The motion carried.

The board returned to open session and took action on the following items:

A motion was made by Patricia A. Manthey seconded by Al Gardebrecht to approve the non-union employee contracts for the 2012-2013 school year. The motion carried.

A motion was made by Patricia A. Manthey seconded by Al Gardebrecht to approve the administrator contracts for the 2012-2013 school year. The motion carried.

There was a motion by Dawn Jakubiec seconded by Al Gardebrecht to adjourn at 7:55 P.M. The motion carried.

/S/ Patricia A. Manthey, District Clerk

Lets Support Our K-9 Unit

On Labor Day Weekend, Saturday September 1 8 a.m. to 4 p.m. and Sunday September 2 - 8 a.m. to noon, we will start a new tradition of having a community rummage sale at the Wabeno Firefighters Park to support our K-9 unit.

Officer Ashbeck and Officer Dutch work very hard to keep our communities a safe place to live, work and play, so lets work together to show them our appreciation. We are asking the community to donate their

Regular Meeting Laona Board of Education
Monday, June 11, 2012 6:00 p.m.
Library - Laona High School

President Jim Aschinger called the **Regular Meeting to Order** at 6:00 p.m. Present: Jim Aschinger, Scott Reeves, Kay Connors, Rick Krawze, Paula Johnson, Dave Bardo, Dawn Cote, and Sherry Kramer to take the minutes. There were also two (2) guests in attendance. Notice has been posted in accordance with Wis. Stat. 19.84.

Scott Reeves led the **Pledge of Allegiance**.
 The meeting was moved to the high school conference room due to the painting of the library.
 Motion by Krawze, seconded by Reeves to approve the **Amended Agenda** to include **Discussion/Approval of Boiler Replacement**. All in favor, motion carried.
Appearances None
PUBLIC FORUM - None
ADDITIONAL OPEN ACTION ITEMS:
 Motion by Reeves, seconded by Krawze to approve the **Minutes of the Regular Open and Closed Meeting** dated Monday, May 14, 2012. All in favor, motion carried.
 Motion by Aschinger, seconded by Johnson to approve the **Minutes of the Special Open and Closed Meeting** dated Monday, June 4, 2012. All in favor, motion carried.
 Motion by Krawze, seconded by Reeves to approve **Disbursements and Wires** paid for the period of May 10-June 7, 2012 = \$183,221.90. All in favor, motion carried.
 Motion by Reeves, seconded by Connors to approve **Purchase Orders** for the period of May 10-June 6, 2012 = \$8,694.79. All in favor, motion carried.
 The cost proposal for the **Building Assessment by One Prospect** was discussed. At this time, other options and cost comparisons will be explored and more information will be brought to a future meeting.
 A summary of our co-curricular bussing costs was distributed. After discussion was held on the possible cost savings to the district, a decision was made not to **Purchase a Bus/Van** at this time.
 Motion by Reeves, seconded by Krawze to approve the **345.6-Graduation Requirements Policy** as presented. All in favor, motion carried.
 Christy Janczewski gave the **Athletic Director's Report**. After having met with Wabeno concerning the newly cooperative sports program, she discussed the differences in the two (2) district procedures and policies. Some of the topics covered included scoreboards, game admissions, student passes, co-op hiring procedures, committee members, impact testing, worker costs, coaching pay scales, as well as athletic code, academic, attendance, and cyber images policies. The Board gave feedback on many of these items and further discussions will be held with Wabeno.
 Eric Larson, CESA 8, will give a presentation on Monday, July 16, 2012 concerning the **Curriculum Coordinator Position**.
 A discussion was held concerning **Closed Campus/Buzzer System**. The possibility of juniors and seniors being given a card to open doors only during lunchtime will be looked into. Motion by Krawze, seconded by Reeves to approve the **Buzzer/Camera Intercom System** to be implemented 365 days a year. All in favor, motion carried.
INFORMATIONAL ITEMS:
 Brent Stamper gave his **Maintenance/DASHIR Report**. His report included information on a proposal from Ahrens for inspection & testing service, the replacement of three (3) roof motors, lawn mower and 4-wheeler needs.
 Dawn Cote gave her **Business Manager's Report** concerning the upcoming audit, 2012-13 purchase orders, projected health insurance increases, and budget projections.
 Dr. Bardo gave his **Administrator's Report**. He thanked Brian Enders for the graduation speech given and Ruby Westmayer for the planting of flowers around the Laona School District sign. He also gave information on the science applicants, disposal and sale of library materials and sewing machines, and read a letter from Mr. Enders.
BOARD MEMBER REPORTS:
 Kay Connors a thank you was given to Beth Calhoun and all involved in the organization of the graduation program. A thank you was given to the junior class for the senior banquet.
 Scott Reeves gave a summary of the CESA 8 meeting he attended.
 Rick Krawze shared comments received concerning the senior banquet from an attendee who felt the personalization given to each graduating senior from the staff was very unique and special to a small district such as Laona. Rick also gave a thank you to the faculty who helped with the QB Club golf outing. Congratulations to the extra-curricular spring sports participants for the commitment shown from community, students, staff and Board members. Softball concession money will be put back into the softball program for field signs and maintenance.
 Motion by Johnson, seconded by Connors to enter into **closed session** pursuant to the following statutes for the following reasons: Wis. Stat. 19.85(1)(c)(g)(e) for personnel matters, legal matters, and negotiations. The motion carried with the following roll call vote: Aschinger, Reeves, Krawze, Johnson, and Connors voting yes.
 Motion by Connors, seconded by Johnson to **adjourn** the meeting. All in favor, motion carried. (11:26 p.m.)

gently used items for the sale. We will accept donations at the fairgrounds Friday August 31 from 2 to 6 p.m.

When you donate, you will receive a \$3.00 coupon towards your purchase at the rummage sale. We want to limit one coupon per person and purchase please. By working together, we can make this the best event ever! Raise money for our K-9 Unit and get good deals for the shoppers.

If you are interested in helping set up or clean up for this event please call Mary McEwen at 715-473-4102 by August 28.

Tuesdays at 2: Art for Kids

The Wabeno Public Library is sponsoring "Tuesdays at 2" art events for children and teens, with noted local artist, Connie Friesen of Wabeno (see pictures attached.)

All are welcome to show up with no supplies, and no previous art experience. The library is holding these Tuesday events now through August 21. Kids of all ages are making large poster-murals that combine art and public events, including "Curiosity on Mars Day (August 7), and "Big Rig-Big Read Day (August 11), to be held at the Wabeno Fair Grounds.

At completion, these murals will be on display at various locations in Wabeno, including the library front porch and the municipal building of Wabeno. Several of the murals will have display time in the local schools in the fall, and then be permanently placed in various public spaces in the community.

Further information concerning the events depicted in the murals will be forthcoming; feel free to contact the Wabeno Library at 715-473-4131. Carol Lee. Saffioti-Hughes

These events are sponsored in part by the Forest County Potawatomi Foundation, AVEC: Arts Vitally Enrich Communities (founded by Connie and Tim Friesen), the Wabeno Public Library, a grant from NASA, and an anonymous donation.

Hospice Rummage Sale Call for Vendors

Because one man's trash is another man's treasure, Ministry Home Care - Hospice will host their second annual Life's Treasures Rummage and Bake Sale on Saturday, August 18, 9am-3pm at the Myre Electric Building (N11585 County Road Y) in Tomahawk. A community effort, individuals who would like to sell their goods (rummage, craft or other) can reserve a booth for just \$20, and then donate 10% of their day's sales to Ministry Home Care - Hospice.

In addition, the Bake Sale will feature a variety of delicious homemade goodies, with 100% of the proceeds benefiting the care of hospice patients and their families. Bakery donations are welcome! Anyone can deliver baked goods the day of the event, or contact the hospice office to make other arrangements.

While Medicare, Medicaid and most private insurance companies provide some funding for hospice care, many people are un-insured or underinsured. As an important part of their mission, Ministry provides hospice care to anyone who is medically eligible, regardless of their ability to pay. Donations and events like this help to support that work.

To reserve a booth, or for more information, please contact Carol White at 715-453-2821, Ann Jelinek at 715-453-4573 or the Ministry Home Care office at 800-643-4663.

Update on Holt & Balcom Logging Camp Museum Restoration

Submitted by Kathleen Marsh

The Holt & Balcom Logging Camp Museum in Lakewood has been undergoing a meticulous restoration. The project began in 2008 when a new roof was installed and other critical repairs were conducted. As of this week, the log replacement and refacing is finished. While there is still work to be done, the major part of the renovation is complete.

To answer two frequently asked questions, no taxpayer money was used to restore the Museum. All the money was raised through private donations. And even though many of the logs have been replaced, many are original from trees that were born long before the American Revolution. Thus the camp retains its listing on the national Register of Historical Places.

In May 2011 the building was lifted and a new foundation installed. This added \$25,000 to the project's cost, but now the museum stands high and dry. "We needed to do this right," says Camp Curator Kathleen Marsh. "We didn't want another group to have to restore the museum 25 years from now because the logs we installed rotted away again from moisture seeping up from the ground."

The Restoration Committee used local labor as much as possible. Northwoods Roofing (Argonne) replaced the roof with more authentic rolled roofing; Gem Heating (Lakewood) did the woodstove/chimney work; Duane Harris (Wabeno) took down a tree near the building; Jim Kmecheck (Tippler) lifted the building. All foundation work was done by Frank Erler Masonry (Lakewood) and Cliff Aderholdt is serving as project electrician. Historical reconstruction experts Jerry Dewane (Astro Log Homes), Robert Kleinhaus, and Chris Neumeyer, (Valders) did the log work.

In addition to our paid contractors, several local businesses volunteered time and/or contributed materials. McCauslin Golf Course provided a forklift and co-owners Don Bartels Jr. and Ted Bartels did site cleanup. McCauslin Logging (Townsend) cut and delivered the new logs; Kevin Marshall (Lakewood) did the landscaping; Jeff Kroll and Brian Eisner (Townsend) milled and delivered new floor beams from an oak tree donated by Frank Erler.

The project would never have happened without numerous volunteers such as Norbert Langer (Lakewood); the students from Job Corps (Blackwell); Ron Viaene (Townsend) who has been in charge of carpentry; Bob Brown (Lakewood) who repaired and painted the windows; Pete Christianson and son Eric (Townsend) and Chad Demerath (Lakewood) who will do the stonework and replace the bunkhouse floor. Kathleen and Jon Marsh provided the Astro crew a home away from home by letting the men stay free of charge in their cottage on the Townsend Flowage.

Despite all this good news, funds are still needed to finish the work. Be a part of something very special. Send your tax-deductible contribution to Holt & Balcom Restoration Committee; 16965 Nicolet Road; Townsend, WI 54175.

Quality Medical Care.

NORTHERN
HEALTH CENTERS
Quality Care from Compassionate People

The Nurse Practitioners at Northern Health Centers, Inc. (NHC) in Lakewood, want to be your partner in health and wellness. Our NPs have master's degrees and practice independently, collaborating with physicians and other NPs as needed. Our backgrounds in nursing include experience in ICU, Community Health, Family Planning, Labor and Delivery units, Emergency, Urgent Care and many outpatient clinics providing primary health care similar to NHC.

Instead of just treating illness, NPs spend time treating the whole person, and work as a team to support smart health and lifestyle choices. Your team, led by a NP, can assist you with a sometimes complicated web of referrals, tests and treatments, helping to remove some of the stress.

Appointments are available and walk-in and same-day patients are welcome.

You're Invited to National Night Out

Date: Tuesday, August 7, 2012
Time: 5:00-8:00 P.M.
At the Forest County Sheriff's Department

National Night Out is an annual event designed to strengthen our communities by encouraging neighborhoods to engage in stronger relationships with each other and with their local law enforcement partners. The goal is to heighten crime-prevention awareness, build support and participation in local anti-crime programs, and most importantly, send a message that our neighborhoods are organized and fighting back. It's also the perfect opportunity to get to know your neighbors even better. See you there!
