Forest County Primary Results Kalata wins County Clerk race

By Boyd Monte

Tuesday, August 14, was yet another day for the citizens of Wisconsin to go to the polls this year. This time it was for the primary election. In a primary election in the State of Wisconsin, a person has to vote straight party ticket. This is not the most popular way to hold an election, but is designed to stop fraud. It is not a popular format, because people may not get to vote for someone they wanted to in a different party. This election is a perfect example.

New superintendent for the Laona School District

Submitted by the Laona School District

Laona School District Board President James Aschinger announced today that Laurie Asher was selected as the new Superintendent of Schools and Elementary Principal of the Laona School District effective August 15, 2012. Ms. Asher was selected as the individual for this position after interviews with selected staff, some community members, and the Board of Education. Her contract was approved by the Board of Education on August 14, 2012.

Laurie Asher has worked in the Kimberly School District since 2002 and is currently the Assistant Superintendent of Schools. In the Kimberly Area School District, she previously held positions as the Director of Student Learning Services and an elementary principal before becoming the Assistant Superintendent of Schools. Laurie Asher has served for over twenty-four years as an educator and instructional leader in various positions in the Stevens Point, Neenah, Oshkosh and Kimberly Area School Districts. We believe that her experiences in various school district leadership roles will be helpful in leading the Laona School District into the future as we continue to serve the educational needs of our students.

Red Arrow Snowmobile ATV Club Will host 6th Annual Corn Roast Fundraiser Labor Day Weekend

On Saturday of Labor Day Weekend (Sept 1st) Red Arrow will host its 6th Annual "Corn Roast and ATV Parade" at Barb's Valley Inn just north of Townsend on Hwy 32. Open to the public, the event will run from 11AM well into the evening. Meat raffles, D.J. Music, Food, and Sweet Corn will be available all day until 6PM. At 7 the live music will start with Little Vito & the Torpedoes. All activities will be under the cover of a big tent so come rain or shine!

All proceeds from this event will go directly into maintaining and improving the Snowmobile and ATV trails in the Townsend area. Red Arrow is responsible for about 65 miles of snowmobile trail and about 12 miles of ATV trail including the new Nicolet State Recreational Trail thru Townsend.

The ATV/UTV parade will form at 10:00 across from Townsend Shell. All ATV and UTV owners are invited to participate in the parade. You do not have to belong to a club...just help join the attempt to break the Oconto County record for the most ATV's and UTV's in a parade. Parade Grand Marshall Annetta Janda will lead the machines up the Nicolet Trail to the Corn Roast.

Come by ATV, UTV, car truck or van....everyone is invited to attend this great event. Barb's Valley Inn is the bar with the snowmobile on the roof and is located right on the ATV/UTV Trail just north of Townsend. Direct ATV/UTV access is available from as far as Gillette, Florence and the Michigan border.

Laona VFW Corn Boil on Silver Lake, August 18th

The Cook-Elfors VFW Post 6823 and Ladie's Auxiliary of Laona will hold its Annual Corn Boil on Silver Lake Beach, in Laona, on Saturday, August 18th. Lynn Liesch, post commander, adds: "Everyone is invited for plenty of food, refreshments and family fun on the beach."

A big wagon-load of fat, juicy sweet corn will be cooked in a giant kettle on the beach and given away free to everyone, all you want, all day. As always, the corn will be cooked to perfection under the watchful eyes of WWII Army veteran Al Eberhard, who says plenty of butter will be on hand for dipping the corn, and any corn in the husk, not eaten, will be sold at below market price to first-comers at the end of the festivities.

The Corn Boil will begin at noon, rain or shine. Games, raffles and drawings for all ages, including small children, await many eager players. By popular demand, plenty of juicy steaks will again be raffled off.

The Grand Prize drawing will be held near the end of events at about 5:00 p.m. The Grand Prize this year will again be a Remington 770 bolt action 30-06 rifle with scope. The 2nd, 3rd, and 4th prizes are, respectively, \$200, \$100, and \$50. Additional 5th and 6th prizes are \$25 each. Tickets for the Grand Prize drawing will be sold on the beach for \$1 each or six for \$5. Tickets are available at many local businesses and by VFW members.

The VFW Auxiliary will hold games for children and will sell brats, juicy burgers and soft drinks. Beer and wine will be sold at the VFW bar to adults age 21 and older.

Proceeds from the event will be given back to the community for charitable causes, such as donations to the fire department, scholarships, NuRoc Nursing Home, youth activities, individual hardship cases, and other worthy causes. Requests for donations are always welcome.

As the VFW ranks grown thinner, the post seeks and welcomes non-member volunteers to help with the Corn Boil, beginning at 7:30 a.m. on the day of the Corn Boil.

The VFW also seeks new memberships to the post. Regular VFW meetings are held monthly on the 3rd Tuesday, beginning at 7:00 p.m. at the Laona Community Building. Any veteran awarded a campaign ribbon or higher award received for duty in hostile or hazardous areas is eligible to join. For further details, see any VFW member or visit a post meeting.

Crandon School Pride Mural Project

A small group of Crandon Middle School students choose to spend two and a half weeks of their summer vacation showing their Cardinal Pride.

As part of the summer school program, students painted a thirty foot mural of a cardinal in the high school/middle school hallway. The mural was completed totally by the students from conception to finished product. The cardinal was designed by high school artist, Kristen Schaefer. The middle school students then proceeded to blow up the small sketch to the intimidating thirty foot size on the school wall. The artists learned cooperation skills, painting skills, and achieved that hard to capture "artistic eye". The students then added a banner to the cardinal that reads "Pride since 1902", giving the mural an historical touch.

Art teacher Mark Mackowski was apprehensive at first working with such a young group of artists on a project of this magnitude, but felt the students really stepped up to produce a quality work of art. The mural has already captured a lot of positive attention from all who pass through the school.

In the photo above Crandon Middle School artists stand in front of their Pride mural. (back row) Erika Kern, Johnny Baca, Garrett Ackley, John Doane III, Jacob Hoyt, Trevor Heffer (front row) Nick Dachelet, Ryan Kalkofen, Danuka Palmer, Alyssa Ingram, Drew Boney

Election Cont. from pg. 1

People wanted to vote on the Forest County Clerk position, but also wanted to vote for the United States Senator. The Forest County Clerk was on the Democratic Primary and the Republican Primary was the only contested race for United States Senator. In Forest County there were 728 people that voted in the Republican Primary. These people could not vote on any local elections, which makes the format for a primary election in Wisconsin unpopular.

Lisa Kalata defeated Ann Mihalko, 820 - 378. Lisa will take over as clerk on Tuesday January 2, 2013. The county was split between Merlin Van Buren and Roberta Retrum, 118 - 118, but the 34th Assembly District contains other counties and Merlin Van Buren was declared the winner. On the republican side, Rob Swearingen defeated Alex Young. Forest County voted in favor of Swearingen 91 - 52. Jeff Mursau will be the Republican candidate in the 36th Assembly District. State Senate District 12th had a Democratic Primary. Susan Sommer is the overall winner. Sommer won in Forest County 495 - 236. Sommer will run against Tom Tiffany for the 12 Senate District. The United States Senator had a contested race on the Republican ticket. Tommy Thompson, Eric Hovde, Mark Neumann and Jeff Fitzgerald all ran to face Tammy Baldwin in November. Forest County voted Tommy Thompson 264, Mark Neumann 225, Eric Hovde 180 and Jeff Fitzgerald 59. The state voted in favor of Thompson and he will advance to the November election.

These were the contested primaries, there were seats that were unopposed and also seats that will be voted on again in November. Jeff Mursau will face Dorothy Kegley for the 36 Assembly District. Sean Duffy will run against Pat Kreitlow for the 7 Congressional District.

The other local primary races were unopposed. Chuck Simono will remain District Attorney with 783 votes, Amy T. Krause received 990 votes to remain County Treasurer and Paul Aschenbrenner totaled 946 votes and will continue to be Register of Deeds.

Men's League Softball Tournament A Success

The Forest County Men's League hosted their annual league tournament the last Saturday in July. Due to having only 6 teams in the league this year, the tournament was completed in one day. At the end of the day, Mole Lake walked away with the 1st place trophy by defeating Pickerel, sponsored by Sunset Bay, twice to take home the gold. Mole Lake defeated Sunset Bay in an exciting late in the game comeback in true Mole Lake fashion ~ base hit after base hit ~ in the final championship game. Gringos, sponsored by Pack Em Inn, finished 3rd.

The League appreciates the fans for all of the support throughout the season and throughout the tournament. They also appreciate everyone that set up, worked, and cleaned up at the tournament, especially Terri, Sue and Sarah.

Jamie Thomaschfsky from CocaCola, Lotter's of Crandon, and John Sheldon of Schaefer's Food Mart provided the beverages for the tournament and Sue and Larry from Palubicki's Eats and Treats donated all of the brats, hamburgers and buns for the tournament. Much of the tournament proceeds go toward local t-ball, girls' and boys' little league, and girls' senior league teams each year. This year's tournament was a huge success, and we look forward to next year!

In Loving Memory of Ronda

When Tomorrow Starts Without Me

When tomorrow starts without me, and I'm not there to see;
If the sun should rise and find your eyes,
all filled with tears for me;
I wish so much you wouldn't cry, the way you did today,
while thinking of the many things we didn't get to say.
I know how much you love me, as much as I love you,
and each time that you think of me, I know you'll miss me too;
But when tomorrow starts without me, please try to understand,
that an Angel came and called my name, and took me by the hand,
and said my place was ready, in heaven far above,
and that I'd have to leave behind, all those I dearly love.
But as I turned to walk away, a tear fell from my eye,
for all my life, I'd always thought, I didn't want to die.
I had so much to live for, so much yet to do,
it seemed almost impossible, that I was leaving you.
I thought of all the yesterdays, the good ones and the bad,
I thought of all the love we shared, and all the fun we had.
If I could relive yesterday, just even for awhile,
I'd say goodbye and kiss you and maybe see you smile.
And then I fully realized, that this could never be,
for emptiness and memories, would take the place of me.
And when I thought of worldly things, I might miss come tomorrow,
I thought of you and when I did, my heart was filled with sorrow.
But when I walked through heaven's gates, I felt so much at home.
When God looked down and smiled at me, from His great golden throne,
He said, "This is eternity, and all I've promised you".
Today for life on earth is past, but here it starts anew.
I promise no tomorrow, but today will always last,
and since each day's the same day, there's no longing for the past.
But you have been so faithful, so trusting and so true.
Though there were times you did some things
you knew you shouldn't do. But you have been forgiven and now at last
you're free.
So won't you take my hand and share my life with me?
So when tomorrow starts without me, don't think we're far apart,
for every time you think of me, I'm right here, in your heart.

Always in our thoughts, forever in our hearts, Ronnie, Mom,
Terry, Darlene & Clint
& her many friends

THANK YOU

to our family, friends and customers for your cards, flowers, calls and prayers while Karen was in the hospital and is now re-cooperating at home. Your generosity and concern are greatly appreciated. Your calls and thoughts of well wishes are a great blessing from such a caring and great community. Your prayers were and are very helpful in giving her the strength to heal and get well.

Thank you for understanding why Mudslinger's Bar & Grill was temporarily closed. We will be open on August 23rd.

Townsend Flowage Association Corn Roast a big success

The August 4th Townsend Flowage Association Corn Roast goes down as one of the best ever. Even with storms threatening all day, hundreds of people came to enjoy great sweet corn, delicious grilled sandwiches, raffles, a dunk tank and the children's sawdust coin hunt. It was a great time for visiting with friends and family under the big tent in Townsend.

Raffle prize winners were: generator: Dave Coopman; quilt: Julie Hartman; print: Larry Francois; fish scaler: Jim Bailey; bird house: Tracy Benter; casino package: Vince McCabe; Lakewood Supervalu gift certificate: Scott Zordan; Mike's Grocery gift certificate: Marilyn Karow; and Hillcrest Lodge gift certificate: Rhonda Britz. WOHVA to host breakfast with Greg Mumm

Greg Mumm, (Executive Director, BlueRibbon Coalition) will be meeting with motorized trail riding enthusiasts on Sunday, August 19th at the Café Manoomin in the Mole Lake Lodge & Casino. The breakfast meeting is hosted by the Wisconsin Off-Highway Vehicle Association (WOHVA) and is part of Mumm's "Turn the Tide" in 2012 tour. This is your invitation to attend!

The BlueRibbon Coalition (BRC) is the leading national coalition of organizations, businesses and individuals providing leadership in responsible use and promoting balanced resource conservation. The BRC is recognized by the general public, the media, and elected officials as the leader in promoting common sense and an equitable approach to recreation and access issues.

Mumm stated, "I am tired of what is happening to recreational access, so I'm upping the game on what to do about it. I am getting on my dualsport motorcycle and taking a ride around the country to rally recreation's grassroots. It's a long ride "around" the good ol' USA and a big personal investment, but this is not about me it's more about you and what you have to say. It's about the future of recreation on public lands and waters. I am going to meet with as many grassroots recreation enthusiasts, leaders, and organizations as I can. I want to hear all perspectives. At the end of my ride I am going to take the messages and concerns that you provide me to Washington, DC, and deliver them with those who can and should be doing something about them."

This is your opportunity to tell Greg what you expect from the BRC. This year, the BRC is celebrating its 25 year history as a national recreational advocacy organization. What they have accomplished in that quarter of a century has been remarkable. What the BRC hears back from you will help define their mission going forward

FOR SALE: '94 Toyota box, cap & bedliner. \$325. Call 715-478-5624. P18

and ensure that they are fulfilling your expectations. Motorized trail enthusiasts and local business owners are encouraged to participate in the breakfast event. Greg will be at the Café Manoomin on Sunday (August 19th) at 10:30. Simply join us for breakfast (the Café Manoomin offers an extensive breakfast menu). While there you'll have the opportunity to meet Greg and share your thoughts and ideas (pertaining to motorized recreation issues) with him. Whether you ride your bike or drive your car or off-road rig doesn't matter. It isn't about the vehicle, it's about the message.

The continued closure of public lands to the public is an erosion of our rights and privileges as citizens. Outdoor recreation is a \$646 billion dollar a year industry that provides jobs and revenue to rural and suburban American communities. There are over 50 million Americans who enjoy Off-Highway Vehicle (OHV) recreation and you're one of them!

In this election year, the issues facing OHV enthusiasts and small town America need to be brought to the attention of our elected leaders. This is your chance to impact the message that Mumm will deliver in Washington, DC at the end of his "Turn the Tide" in 2012 tour.

Please join WOHVA and Greg on August 19th! See ya at Mole Lake!

WOHVA is a non-profit, service organization which focuses on education to promote responsible and safe Off-Highway Vehicle recreation throughout Wisconsin. For additional information on the breakfast or any of WOHVA's events email info@WOHVA.com or call WOHVA at (715) 490-5463.

Burial Benefits

VA Burial Benefit Update: The Department of Veterans Affairs announced 1 AUG that it is moving forward with a plan to provide burial services for Veterans in rural areas where there are no available VA national cemeteries, state Veterans cemeteries or tribal Veterans cemeteries. "VA is committed to improving service to Veterans in rural areas," said Secretary of Veterans Affairs Eric K. Shinseki. "Through an innovative partnership with existing cemeteries, we will be able to ensure burial for Veterans in more locations that meet the high standards of national shrines." Under the Rural Initiative plan, VA will build small National Veterans Burial Grounds within existing public or private cemeteries in rural areas where the unserved Veteran population is 25,000 or less within a 75-mile radius. VA plans to open eight National Veterans Burial Grounds that will serve Veterans in the areas of Fargo, N.D.; Rhinelander, Wis.; Cheyenne, Wyo.; Laurel, Mont.; Idaho Falls, Idaho; Cedar City, Utah; Calais, Maine; and Elko, Nev. VA officials will announce further details about the eight new burial grounds as information becomes available.

This new initiative will make VA burial options available to more than 136,000 Veterans and their eligible dependents.

A National Veterans Burial Ground will be a small, VA-managed section of three to five acres within an existing public or private cemetery. VA will provide a full range of burial options and control the operation and maintenance of these lots. These sections will be held to the same "national shrine" standards as VA-run national cemeteries. VA is still evaluating suitable sites for its Rural Initiative. In Laurel, Mont., VA is exploring with local officials the feasibility of acquiring a portion of the Yellowstone County Veterans Cemetery to establish as a National Veterans Burial Ground. VA operates 131 national cemeteries in 39 states and Puerto Rico and 33 soldiers' lots and monument sites. Nearly four million Americans, including Veterans of every war and conflict -- from the Revolutionary War to the current conflicts in Iraq and Afghanistan -- are buried in VA's national cemeteries on more than 19,000 acres.

Veterans with a discharge issued under conditions other than dishonourable, their spouses and eligible dependent children can be buried in a VA national cemetery. Other burial benefits available for all eligible Veterans, regardless of whether they are buried in a national cemetery or a private cemetery, include a burial flag, a Presidential Memorial Certificate and a government headstone, grave marker or medallion.

More information on VA burial benefits is available from national cemetery offices, from the Internet at <http://www.cem.va.gov> or by calling VA Regional Offices toll-free at 800-827-1000. To make burial arrangements at the time of need at any VA national cemetery, call the National Cemetery Scheduling Office at 800-535-1117.

Community youth accepted as State Finalist in Pageant

Isabella Marie Daniels, age 9, from Crandon, has been chosen as a state finalist in the National American Miss (NAM) Wisconsin state pageant to be held Aug. 24-25, 2012, at the beautiful Chula Vista Resort in Wisconsin Dells.

The NAM pageants are held for girls, ages 4 to 18 and have five different age divisions. Daniels will be competing in the Junior Pre-Teen division against other young ladies across the state. The winner of the pageant will win \$1,000 cash, the official crown and banner trophy, roses, her air transportation and sponsor fees paid to compete in the national pageant in California where she receives a complimentary tour of Hollywood and two free tickets to Disneyland!

The NAM pageants are dedicated to celebrating America's future leaders and equipping them with life-long skills. Each year, the pageant nationally awards \$1.5 million in cash, scholarships and other prizes, which includes a new Ford Mustang convertible!

The NAM pageants are unlike any other. All activities and competitions are kept age appropriate. Girls under the age of 12 are not allowed to wear makeup, and there is no swimsuit competition. The pageant program is based on inner beauty, as well as poise and presentation, and offers an "All-American spirit of fun for family and friends." Emphasis is put on the importance of developing self-confidence, learning good sportsmanship, as well as setting and achieving personal goals. The pageant recognizes the accomplishments of each girl while encouraging her to set goals for her future.

Daniels' activities include Girl Scouts, gymnastics, ballet, tap, jazz/hip-hop, piano, water ski club, pow wow dancing, gymnastics and volunteer activities. She also enjoys school, reading, movies and being with her friends.

Daniels' sponsors include her parents, Billy Daniels Jr., FCP tribal member, and his wife, Alyce Daniels, from Crandon, and Dorothy Kegley, also from Crandon.

Families interested in learning more about this unique, outstanding opportunity may visit www.namiss.com or call: (800) 655-9390.
