## Enjoying the scenery

Zora Cracraft, 100 and 1/2 years-old took an ATV ride the other day to enjoy the scenery on her farm. Son Ronnie piloted the ATV and Zora enjoyed the trip. The Cracraft farm has a hill that gives a great view of the surrounding countryside and the autumn leaves.

Our country has many beautiful landscapes, from mountain vistas to desserts in bloom but, it is hard to beat the scenery here in northern Wisconsin. This morning scene on an area lake gives testimony to that statement, and this morning view made by crawling out of bed early was worth the effort.

## Crandon PTO sponsors the Fall Family Fun Event

The Crandon PTO is holding a Fall Family Fun Event on Sunday, October 14th (before the Packer game!), from 1:00 p.m. until 3:00 p.m. Everyone can search for pumpkins at the school pumpkin patch, located behind the school and set up by PTO volunteers. You can get to the field on a hayride for the whole family from the school parking lot. There is also a family scarecrow contest with the winning family receiving a prize.

Each pumpkin is just \$3, and there will be fall snacks available, including caramel apples, nachos, popcorn, hot cocoa, and apple cider.

All the money generated by this event goes to the school and will be used for creating learning environments for our kids!

And don't forget the fall games with prizes, like the Pumpkin Ring Toss, Pumpkin Bean Bag Throw and face painting.

There will be a "Read Aloud" for the families who are comfy on the hay bales that kicks off the public library's 1,000 Books Before Kindergarten program.

This fun event is for everyone and is intended to bring the community and the school together.

## Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

### Cortney M. Britten

#### Candidate For Register Of Deeds

The Democratic Party of Forest County announced that it has nominated Deputy Register of Deeds Cortney M. Britten for the office of Forest County Register of Deeds in the November 6, 2012 Election. Britten has worked in the Register of Deeds Office since April of 2010. She is a resident of Laona and the mother of one child. She is also a member of the Laona Women's Veterans of Foreign Wars Auxiliary.

The untimely death of Forest County Register of Deeds Paul Aschenbrenner has created a rare situation for the November 6th election. With the primary election having already been held in September, the only candidate whose name would appear on the November 6 ballot would be that of Paul Aschenbrenner. However, a state statute addresses that situation and allows the party of the deceased candidate to nominate another candidate in his place. Aschenbrenner was on the ballot as a Democrat and thus the Democratic Party of Forest County has the option to nominate someone else. Shirley Mills, Vice Chair of the Forest County Democratic Party, announced that the party has filed the necessary paperwork to make Cortney M. Britten, the present Deputy Register of Deeds, the candidate for the position.

## Wabeno Selected For Community Design and Landscape Project

Capstone Project through UW-Madison Presents Opportunity for Future

The University of Wisconsin-Madison's Department of Landscape Architecture has selected the Town of Wabeno for a 2012-13 Capstone project. The Department has a long history of community and regional service with a program that includes faculty supervised participatory design and planning projects. The project was first suggested by UW-Extension's Steve Nelson and the grant application was written by Forest County Economic Development Partnership (FCEDP).

"With a very small investment to cover out of pocket expenses, we have the opportunity to bring our community together on a design plan to take advantage of our newly-acquired lands and the many great things we already offer including excellent local businesses, museum, library and soon-to-be replaced band shell," proclaimed Wabeno Town Chairman Butch Piontek.

Wabeno has several great fishing and recreational venues within the town including a class "A" trout stream and lakes such as Range Line and Trump. Fireman's Park and recreational facilities are also a plus. The proximity to the Casino and the potential synergy is an advantage.

Capstone student Emily Groh met with town officials last weekend and it is likely that the steering committee will grow. "Either communities plan for their future or they are not likely to provide the services desired by citizens," stated Wabeno Supervisor Dennis Kopecky. "We are looking forward to helping pilot our future in a positive way," added Wabeno Town Supervisor Paul Ehlinger.

## Walk with Walker

Tonette Walker, left, posed with Mary Verich and Vicky Koch of Laona before the walk.

On Thursday, September 27th Wisconsin's First Lady, Tonette Walker was joined by residents of Forest County to participate in a walk on the beautiful Wolf River State Trail.

The group assembled at the trail, located on the old rail corridor off Highway 8. Mrs Walker was welcomed by Paul Millan of the Forest County Board, Crandon Mayor, Rob Jaeger and Forestry Administrator, Dave Ziolkowski.

Mrs. Walker thanked everyone for coming out and explained that Walk with Walker started when her husband, Governor Scott Walker was Mayor of Milwaukee, and has been carried over to the state level. She then started the group walking the trail south along Lake Metonga.

## Laona Teachers Serve Up Fall Fun for Technology

The Laona Education Association will be hosting the ninth annual Fall Festival on Sunday, October 7. Set aside an hour or two for fun with a cause. In the past the money raised during the Fall Festival was used for scholarships. This year's profits will be used to help upgrade the school's website and homepage. The day of fun will be from 10:00 a.m. to 2:00 p.m. at Firemen's Memorial Park in Laona at the intersection of Highways 32 and 8.

This year's menu will include steaming hot, but not too spicy, chili, the ever-popular favorites brats and hot dogs, potato soup, and gooey caramel apple slices. There will also be an array of baked goods, including pies, bars, and cookies.

There will be games and face painting for kids. Also, there will be raffles for a chance to win cash and a variety of prizes. All profits from this event will be used to update technology in the school. For more information call Carol Bartlein at 674-2421.

## Cowboys Come to Camp 5 this weekend Saturday, October 6th

Trains leave the depot on Hwy 32 on the hour starting at 11:00 a.m. until 2:00 p.m.

There is plenty of cowboy action, beautiful horses and colorful cowboys who re-enact the Old West. Check the Camp 5 website for more details.

## Poker Run with Pig Roast to follow to support Vets at Wayne's World in Jennings

Wayne's World is holding a pig roast with all the fixin's, and back by popular demand is the "Hand-Picked Bluegrass Band." In addition, this event is a fund-raiser for veterans. The Freedom Ride for the Vets Poker Run starts at 11:00 a.m., with all poker hands to be dealt at Wayne's World at 5:00 p.m. The event is on Saturday, October 13th.

The six stops for the Freedom Ride Poker Run includes bars from Crandon to Pelican Lake, and they include: Pack-Em-Inn, May's Bar, Hope's Landing, Boiling Springs, Reggie's Roadside and Wayne's World. The Run can be started at any bar, so everyone is encouraged to fire up their bike or car and hop the bars for the Vets.

End up at Wayne's World and pile your plate with steaming and delicious pork and a salad. Eat all you can hold, with any drink is \$5.

All donations for the raffles go to support the Vets. There is free camping and VIP parking for all bikers and Veterans. Support our Vets!

**Heavy Metal Tour at Nicolet College introduces students to mfg. careers**

About 350 Northwoods 8th graders will converge on the Nicolet College Campus Wednesday, Oct. 10, for the Heavy Metal Tour. The event, created in partnership with area manufacturers, the Grow North Regional Economic Development Corporation and the North Central Wisconsin Workforce Development Board, will introduce the students to careers in manufacturing and the trades.

"It's going to be a great event which will give students a solid understanding of possible careers in these fields and also give them a good idea of the training necessary to qualify for these jobs," said Teri Phalin, PK-16 Admissions coordinator at Nicolet.

Along with touring Nicolet labs and classrooms, students will also visit a number of area manufacturers that include Superior Diesel, Oldenburg Group, ABX, NEX, Hypro and Northstar Steel.

Representatives from Wausau Paper, Printpak, and Hypro will give presentations to the students on the Nicolet Campus about the many different career paths available to them in manufacturing.

Schools districts sending 8th graders to the event include Tomahawk, Rhinelander, Northland Pines, Lac du Flambeau, Wabeno, Arbor-Vitae-Woodruff, Elcho, Crandon, Laona and Mercer.

Fitting to the event's name, the rock band Loose Change will play during lunch.

# Death Notices

**WILLIAM "BILLY" SIEGHOLD**, of Bryant, died Saturday, September 29, 2012 following a motorcycle ride in the beautiful Northwoods of Wisconsin. He was 50 years old. He was born on March 17, 1962 in Milwaukee, a son of Jeannine (Bermel) Goodwill of Pearson and Werner (Beverly) Sieghold of Arizona. He married Jennifer Jacobi September 8, 1984 in Milwaukee.

He was a graduate of Menomonee Falls High

School and for the past 10 years has been employed by the Town of Hiles.

Billy enjoyed being outdoors, hunting, fishing, riding motorcycle and lifting weights. He was a detailing fanatic.

In addition to his wife and parents he is survived by a son, Ross Sieghold, Antigo; a daughter, Jessica Sieghold, Appleton; two grandchildren, Maddy Len and Deegan William Sieghold and their mother, Ginny Len Sieghold, all of Antigo; a brother, Steven Sieghold, Hubertus; uncle, Robert (Annie) Bermel, Brookfield; father and mother-in-law, Richard and Connie Jacobi, Menomonee Falls; brother-in-law, Chris (Karen) Jacobi, Chippewa Falls; grandmother-in-law, Virginia Lokometzki, Milwaukee; nieces and nephews; and many dear friends. He is also survived by his hunting buddies, Brewster, Chance, Ozzy and Riley.

He was preceded in death by his sister-in-law, Lorie Sieghold; step-father and good friend, Jerry Goodwill; maternal grandparents, Ervin and Evelyn Bermel; and paternal grandparents, Werner and Margaret Sieghold.

A memorial service will be held on Friday at 12 p.m. at Bradley Funeral Home with Rev. Marvin Kindle officiating. Visitation will be Friday from 10 a.m. - 12 p.m. at the funeral home. Online condolences at [www.bradleyfh.com](http://www.bradleyfh.com)

## Attention Seniors! Volunteers Needed!

Submitted by: Kate Schutz

Anyone interested in helping out at the Humane Society and Resale Shop here in Crandon, we need you!

The Humane Society is always looking for animal lovers, highly motivated and energetic folks to help at the Humane Center. It can be to answer phones, cleaning kennels, feeding the dogs and cats, or cleaning cages, or entertaining our furry friends. It would be greatly appreciated to have some volunteers help with the care and operations of this wonderful project.

The Resale Shop too is another area that extra help would be appreciated. The shop has winter hours and volunteers would be wonderful. The sales, set up, folding and sorting through the donated items and general help is what we are looking for.

If anyone would be interested in donating some time to a very worthwhile cause please contact Tinya and Tonya Walerko at Nicolet Pet Grooming. Their phone number is 715-478-2129.

Please call and donate your time. Someone cute and cuddly is hoping you will!

The secret to success is when we all contribute!

### Prices you can afford "FREE":

Firewood, mostly hardwood. Call 715-478-1194. P27

# Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

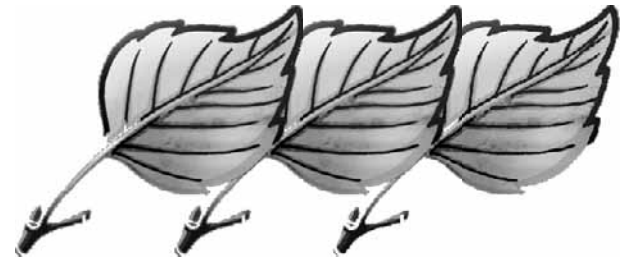

## Free mammogram screenings

(Northwoods) -- Ministry Sacred Heart and Ministry Saint Mary's Hospitals (MSHSMH) are offering free mammogram screenings to women 40 years and older who reside in the hospital's primary service area which includes Oneida, Lincoln and Forest counties. To qualify for this free service you must be over 40 years old, must not have had a mammogram in the previous 12 months due to no insurance, or lack of other financial resources to acquire this service.

Ministry Sacred Heart-Saint Mary's Hospital is called by its mission to seek opportunities to provide health care services to those without resources and often underserved. "Access to mammography services is critical as it is the best way to detect breast cancer in its earliest stages," said Monica Hilt, president of MSHSMH.

In recognition of National Breast Cancer Awareness Month, Ministry Sacred Heart and Ministry Saint Mary's Hospitals are offering this free screening to help meet this very important unmet health care need for women in our community. Beginning Monday, October 1 through Wednesday, October 31, 2012 free mammogram screenings will be offered to women who qualify at Ministry Saint Mary's Hospital located at 2251 North Shore Drive in Rhinelander and Ministry Sacred Heart Hospital located at 401 West Mohawk Drive in Tomahawk.

It is a proven fact a mammogram is the best way to detect breast cancer early. A mammogram CAN save your life. Please call 715-361-2120 to schedule an appointment to discuss your eligibility for this free screening today!

**CALLING ALL MARINES - WE WANT YOU!**

The Forest County Detachment of the Marine Corps League is looking for new regular members and associate members to come join us the first Wednesday of every month at the VFW Hall in Crandon. Food & Door Prizes. For more information please call Micah Dewing at 715-889-0371 OU/50

**Nicolet AARP Chapter 1191**

The speaker for the September meeting of the Nicolet AARP Chapter was Nancy Gardebrecht from Citizens Bank in Townsend who spoke on the topic of identity theft. Nancy Gardebecht explained the problem of identity theft and some of the things that a person can do to reduce the chance that this fraud would happen to them. An older person is often a target of identity theft.

The Fall Dinner in September was held at The Springs Restaurant in Carter. It was well attended by AARP members who enjoyed an excellent dinner of beef tips and chicken.

All persons 50 and over are invited to join the local AARP Chapter. AARP meetings are social, entertaining, and informative. Meetings are held at the Lakewood Presbyterian Church on the fourth Tuesday of each month starting at 7:00 PM. Contact Joyce West, Membership Chairman, at 715-276-9409.

Submitted by Dick Culver, Public Relations Chairman

**Innovative Educator Grants available from the WPS Foundation**

Green Bay, WI — Applications are now being accepted for the Innovative Educator Grant program sponsored by Wisconsin Public Service Foundation, the philanthropic arm of Wisconsin Public Service Corporation. The Innovative Educator Grant, now in its sixth year, is an opportunity for middle, junior high or high school educators to receive an award up to \$1,000 for new projects with an academic focus and goals to improve student achievement in the areas of science, technology, engineering or math (STEM).

"We are hoping to provide an incentive for teachers to pursue projects in the areas of science and engineering that will challenge students," said Karmen Lemke, Community Relations and Contributions Manager at Wisconsin Public Service. "We are trying to provide some unique educational opportunities through the Innovative Educator Grant."

Examples of the types of projects or programs that may be considered for funding include engineering and mentoring programs, robotics programs, and ecology and environmental projects. The grants may also be used to purchase certain types of equipment or curriculum materials. To be eligible, schools need to be a natural gas or electric customer of Wisconsin Public Service.

During the first five years of the grant program, 53 projects received over \$48,000 in grants. Funding for the Innovative Educator Grant is through Wisconsin Public Service Foundation, which is supported by shareholders, not utility ratepayers. To view the guidelines, see a list of last year's recipients, or complete an application, visit [www.wisconsinpublicservice.com/innovativeeducator](http://www.wisconsinpublicservice.com/innovativeeducator). The deadline to apply is November 1, 2012.

**Holiday Mail for Heroes****Mailbox Open Through December 7**

While military deployments and hospital stays may keep many of our nation's heroes away from their families this holiday season, the American Red Cross is collecting and distributing cards that send words of encouragement, gratitude and cheer.

Between October 1 and December 7, Americans can give something that means something by sending a card of thanks and support to members of the Armed Forces, veterans and their families.

"It just takes a moment to sign a card to share your appreciation for the sacrifices members of the military community make," said Mary Liz Murphy, Services to Armed Forces Manager. "You say thanks, we'll do the rest. We encourage you to make this a family activity, a school project or a civic group event, or participate in one of the card making events in Madison, Wausau, Stevens Point, Eau Claire, La Crosse and Janesville."

The Red Cross is inviting the public to send messages of thanks and holiday cheer until December 7 by mailing them to:

Holiday Mail for Heroes  
P.O. Box 5456  
Capitol Heights, MD 20791-5456

Pitney Bowes Inc. receives cards at the special Holiday Mail post office box, and screens them for hazardous materials. Pitney Bowes screens, packages and ships the cards at no charge, and contributes thousands of volunteer hours at sites around the country.

Red Cross volunteers across the United States and on military installations overseas then sort and deliver the cards throughout the holiday season. The Red Cross and Pitney Bowes have received and distributed more than 4.7 million cards for members of the U.S. Armed Forces, veterans and their families since the program began in 2006. Locally, the goal is to distribute 10,000 cards to local Veteran clinics and hospitals and through Veteran groups. The Red Cross will schedule volunteers to assist in the sorting and delivery of cards.

To ensure that cards are delivered in time for the

**Help Wanted****HELP WANTED**

**Position: Sales Coordinator**  
**Hours: Full-time**  
**Salary: Negotiable/Based on experience**

**Summary of Position:** Promote, price, plan, and coordinate all special parties, banquets and functions. Ensure that customer's requirements and specs are adhered to and that functions run smoothly, efficiently, and profitably.

**Qualifications:**

- Be able to communicate and understand the predominant language (s) of customers and staff.
- Have past supervisory and customer service experience.

holidays, they must be postmarked no later than December 7. Individuals are asked to refrain from sending "care packages," monetary donations, or using glitter or any other kinds of inserts with the cards. More information and card requirements are at [redcross.org/holidaymail](http://redcross.org/holidaymail).

The public can connect with fellow card senders through Facebook at [facebook.com/redcross](http://facebook.com/redcross) and Twitter.com/redcross using the hashtag #holidaymail.

This year, we're proud to have a Lisa Boline, from Wisconsin serving in the American Red Cross at the Bagram Air Base in Afghanistan. Her role involves supporting our military members overseas from being a 24-hour emergency communication conduit to supporting deliveries of products to troops, supporting morale and even hospital visits with wounded warriors and Fallen Heroes ceremonies. She sees first hand the impact of receiving cards and letters from home.

The Red Cross relies on the support of the American people to carry out its mission of service to the 2 million members of the U.S. Armed Forces, 24 million veterans and their families. During this holiday season, people also can support all Red Cross services by making a financial donation at [redcross.org](http://redcross.org) or by calling 1-800-REDCROSS. Individuals can also give the gift of life by making an appointment to give blood at [redcrossblood.org](http://redcrossblood.org) or by calling 1-800-REDCROSS.

**Federal grant to boost  
manufacturing training at Nicolet**

Nicolet College has landed a second substantial grant to further develop its manufacturing training program, this one worth more than \$550,000 and coming from the federal government.

"Manufacturing is vital to economic vitality of the Northwoods," said Nicolet College President Elizabeth Burmaster. "This additional funding will allow Nicolet to create the premier manufacturing training center in the region. This will benefit area residents seeking the skills necessary to secure good paying jobs and area manufacturers who depend on talented workers to make their operations efficient, productive, and profitable."

The funds, distributed over three years, will come from the U.S. Department of Labor's Trade Adjustment Assistance Community College and Career Training initiative, a \$2 billion, four-year initiative that promotes skill

**Thank You & Personals****Thank You**

Thanks to all who responded so graciously to the death of our husband, father, grandfather and friend, Les Aho. Thanks to those who offered words of comfort, cards, food, gifts, flowers and memorials, to those who attended his Memorial Concert and provided snacks, and those who attended his Memorial Service. Special thanks to Pastor Barbara Bolz for the wonderful service, to the Forest County Veterans Honor Guard, Crandon Area Rescue Squad and to the Marine Flag Presentators, and Weber-Hill Funeral Home. We are truly blessed to live in this community of wonderful friends.  
Bess Aho and Family

development and employment opportunities across the nation in manufacturing and health care.

Nicolet will use the money to purchase advanced manufacturing training equipment and hire an instructor to teach students how to use the equipment and an advisor to keep them on track academically and guide them through the job search process.

In July, Nicolet was awarded a \$750,000 state grant from the Wisconsin Covenant Foundation to build on the recently-created Industrial Maintenance Fundamentals Certificate and provide tuition assistance to students. The goal now is to develop a sequence of college credentials that ladder from the certificate to a one-year technical diploma and ultimately a two-year manufacturing maintenance associate degree.

Classes for the certificate start Oct. 15. "The classes are almost full but there are a few seats left for anyone interested in starting the program," said Brigitte Parsons, dean of Trade and Industry at Nicolet. She noted that the next round of classes will begin at the start of Spring Semester, Wednesday, Jan. 23.

A recent wage survey by the Grow North Regional Economic Development Corporation found that manufacturing maintenance jobs in the Northwoods today pay an average of about \$35,000 a year.

In both grant applications, strong support from area manufacturers was instrumental in making a successful bid, Parsons explained. Private sector support for the federal grant application came from the Grow North Economic Development Corporation.

"None of this would have been possible without the hard work and commitment from Grow North and its manufacturing members," she said, noting that many helped Nicolet develop the curriculum so that the skills taught in the labs and classrooms are an exact match to those needed in the workplace.

Recent state studies have found that "middle-skill" occupations, or those positions that require more than a high school diploma but less than a four-year college degree, represent 50 percent of Wisconsin's workforce needs, with advanced manufacturing occupations among the fastest growing. Meanwhile, only 39 percent of Wisconsin residents between the ages of 25 and 64 meet these education criteria.

For more information about manufacturing training opportunities at Nicolet, contact the college at (715) 365-4493, 1-800-544-3039, ext. 4493; TDD (715) 365-4448, or by email at [inquire@nicoletcollege.edu](mailto:inquire@nicoletcollege.edu).

**Potential for deer crashes high again this fall**

Each fall, body shops and automotive repair businesses are in great demand as the deer crash season peaks. October and November are the mating season for deer, which makes them more active especially at dusk and dawn when they move back and forth between their bedding and feeding areas. As they roam, deer often will dart unexpectedly into the path of vehicles, and drivers likely will confront the panicky "deer in the headlights" predicament.

To avoid a collision, drivers must be attentive and cautious at all times, Wisconsin Department of Transportation (WisDOT) officials advise.

Last year, Wisconsin law enforcement agencies reported a total of 18,176 deer vs. motor vehicle crashes. Dane County had the most motor vehicle vs. deer crashes reported in 2011 with 846. Shawano County had the second most with 762 followed by Waukesha County with 714. In Shawano and Green Lake counties, more than half of all reported crashes in 2011 involved deer. Deer are the third most commonly struck object in Wisconsin traffic crashes (behind collisions with another vehicle or a fixed object).

"To avoid deer crashes, drivers must slow down when they see deer in the area. If you see one deer, there are probably more nearby that could dash in front of your vehicle," says State Patrol Maj. Sandra Huxtable, director of the Bureau of Transportation Safety. "If you can't avoid a deer, it's safer to hit the brakes and hit the deer than to swerve suddenly and try to miss it. If you swerve, you risk losing control of your vehicle and rolling over or hitting another car or a fixed object, like a tree."

Motorcyclists must be especially careful because collisions with deer can be fatal to motorcycle drivers and passengers. Motorcycles were involved in four of the five fatal deer versus motor vehicle crashes in 2011, according to Major Huxtable.

The WisDOT Bureau of Transportation Safety offers the following advice to prevent deer crashes:

- Be on the lookout for deer, eliminate distractions while driving, and slow down in early morning and evening hours—the most active time for deer.
- Always wear your safety belt—there are fewer and less severe injuries in vehicle-deer crashes when safety belts are worn.

**CONT FROM PAGE 18**

If you see a deer by the side of the road, slow down and blow your horn with one long blast to frighten the deer away.

- When you see one deer, look for another one—deer seldom run alone.
- If you see a deer looming in your headlights, don't expect the deer to move away—headlights can confuse a deer and cause the animal to freeze.
- Brake firmly when you notice a deer in or near your path.
- Do not swerve—it can confuse the deer as to where to run—and cause you to lose control and hit a tree or another car.
- The one exception to the "don't swerve" advice applies to motorcyclists. On a motorcycle, you should slow down, brake firmly and then swerve if necessary to avoid hitting the deer. If you must swerve, always try to stay within your lane to avoid hitting other objects.
- If you hit a deer, get your vehicle off the road if possible, and then call a law enforcement agency. Walking on a highway is dangerous, so stay in your vehicle if you can.
- Don't try to move the animal if it is still alive. The injured deer could hurt you.

**Medicare Part D Open Enrollment**

The annual Medicare part D open enrollment period for 2012 is October 15 through December 7. This is the time that Medicare beneficiaries who are enrolled in Part D prescription drug plans have the opportunity to review their plan to determine if it is still the best one for them. Because insurance companies can change their premiums, deductibles and co-pays, switching to a different plan often results in extra money in your pocket!

If you have had changes in your medications this past year it seems obvious that looking into a different plan is a good idea. But even if you have not had medication changes, sometimes the different pricing structure an insurance company imposes will mean that the costs for your same drugs will increase next year. Likewise, a different company may now offer better coverage for those same medications. Some people have saved hundreds of dollars in a year by switching to a different Part D plan.

Insurance companies can also change their formularies (the list of medications that they cover) or change the way they cover your medication. In some cases, you will need to get prior authorization before your medication is covered. Sometimes, insurance companies will make you try an alternative drug before they pay for the one you and your doctor have chosen. This is called step therapy. Another restriction to watch out for is quantity limits, where you are limited to a certain number of pills each month. These are other reasons it is important to carefully review your Part D plan each year.

People on Senior Care, Wisconsin's state drug plan, are not affected by this open enrollment period. They only need to renew their enrollment every 12 months. A renewal notice will be sent in the mail to the beneficiary. If you are on Senior Care and have had medication changes, you might want to check on the cost of a Part D plan to see if Senior Care is still the best option for you.

In Wisconsin, assistance with plan comparisons can be obtained through the following resources:

- 1-800-MEDICARE or [www.medicare.gov](http://www.medicare.gov)
- Medigap helpline 1-800-926-4862
- Disability Drug Helpline 1-800-926-4862
- Prescription Drug Helpline 1-866-546-8211
- Florence County Elder Benefits Specialist LoriFriberg 715-528-3461
- Forest County Benefits Specialist Kate Schulz 715-478-2173
- Marinette County Elder Benefits Specialist Mary Jo Ruleau 715-854-7453

Another avenue to saving money on prescription drugs next year is the Extra Help program. Extra Help reduces your drug costs by decreasing premiums, deductibles and co-pays for medications based on your income and asset levels. If you are married and your income is less than \$1,891 per month with assets below \$26,120 or single with an income less than \$1,396 per month and assets below \$13,070 you may qualify for Extra Help. Remember that your home and car are not counted as assets. Call your Elder Benefits Specialist for more information.

Take the time to review your insurance options and also check to see if you might qualify for Extra Help. You just might end up with extra money in 2013!

**WPS Proposes to Eliminate 2013 Electric Rate Increase and Reduce Gas Rates**

Green Bay, WI – Wisconsin Public Service, a subsidiary of Integrys Energy Group (NYSE: TEG), today filed a request with the Public Service Commission of Wisconsin (PSCW) to modify its filing for retail electric and natural gas rates for 2013. This request, if approved, will result in no electric rate increase and a small natural gas rate decrease for 2013.

"Current economic forecasts are improved over those used in the initial filing," said David Kyto, WPS Rate Case Director. "In addition, because of lower fuel costs, we have a refund to pass along to customers. We propose to use that refund to offset increased costs. If the Commission agrees, there will be no electric rate increase for 2013."

Kyto noted that the filing continues a trend in which WPS retail electric rates have been stable for several years – with an average increase of less than one (1) percent per year for six years, including 2013. During that time, WPS had several notable accomplishments, including bringing Weston 4 into service, completing the 100-megawatt Crane Creek Wind Farm, and increasing the amounts it spends for transmission projects and to promote energy efficiency. Retail gas rates have actually decreased.

# Crandon Home Coming Parade

By Boyd Monte

The Crandon Cardinals celebrated their homecoming this past Friday, September 28. Every year there is a homecoming parade down Lake Avenue after school lets out. A lot of work went into the floats this year. Classes from years past made floats, the catholic church and the current freshmen, sophomores, juniors and seniors each proudly showed off magnificent floats.

Crandon resident Dale Cline brought up the rear of the parade with a trailer full of scrap metal. He smiled, waved and said, "I'm picking up all the broken pieces." The expectations for next years floats have certainly been raised.

The Cardinals captured a win 42 -12

St. Joseph's Catholic Church

The Crandon Cardinals have pride from day one!

The Cardinals have brought the heat this year. They are undefeated

The wolverine tied to the chair is in a little trouble from this mighty cardinal

Class of 1987 made it "home" for homecoming

## Girl On The Balcony

By Dan Smyth

My girl is on a balcony north of Wabeno.  
Some guys say she looks like a call girl out in Reno.  
But I know that is a crock of baloney.  
She is my girl, and my girl only.  
She is as faithful as she can be,  
Waving at no one else, only me.

She doesn't care for money or fancy rings,  
Having no use for material things.  
She knows my old Buick, and never misses,  
To wave real big and blow me kisses.

When it is winter and she is winter clothed,  
I have no problem staying on the road.  
But in the summer when she is bikini clad,  
Sometimes my driving gets a wee bit bad.  
Whoops! There's the centerline. I'd better move over,  
Before I'm in the ditch, pushin up clover.  
Let the other guys have those girls out in Reno.  
My girl is on a balcony north of Wabeno.

**Forest County Tourism Commission  
Announces Grant Awards**

Laona Sport & Recreation Show organizer Thad Yaeger recently accepted a promotional grant from Forest County Tourism Commission President Mike Gruett.

The Forest County Tourism Commission recently awarded the 2012 promotional grants. All applications submitted were approved, with most receiving their full request. These grants are to promote area events and projects, with the goal of promoting overnight stays.

The area projects and events awarded promotional grants throughout this past year include: Laona Sport & Recreation Show, Kentucky Classic Car Show, Kentucky Day Festival, Aquatic Invasive Awareness project, Art in the Square, support for the Wisconsin Off-Road Vehicle Park Inc. (WORVPI) feasibility study, and direct support for the official Forest County Visitor Guide. The commission also promoted Forest County through participation in the Green Bay Sport Show, and the Governor's Conference on Tourism in Green Bay. A big project that was funded and completed was the engineering and construction of banner poles. Several area groups and organizations have pledged to donate toward this project, as well.

Commission funds are generated through the collection of room tax dollars by participating municipalities and townships in Forest County. They currently include: The City of Crandon, Town of Hiles, Town of Lincoln, and the Town of Laona. The Town of Wabeno is in the process of implementing the room tax process.
