## Laona Pharmacy burglarized Thief left with prescription drugs

Early last Saturday morning the Laona Pharmacy was burglarized and the thief left with a stash of prescription drugs.

The suspect entered the building through the back door of the clinic and knocked a hole in the wall between the clinic and the pharmacy, gaining access to the prescription medications. There is a video of one suspect, but the thief was wearing a Freddie Krueger mask, so his identity could not be determined.

The Sheriff's Department would appreciate any leads from anyone that would help catch the person or persons responsible for the theft.

## Santa will be at the Crandon Fire Barn December 15th 6-8 p.m.

Santa is a busy fellow at this time of year, but not so busy that he can't make an appearance at the Crandon Fire Barn on Saturday, December 15th from 6:00 until 8:00 p.m. So boys and girls, make sure you tell Santa that you have been a good kid all year. You might get away with it!

Sponsored by the Crandon Fire Department!

## Third place chili chef left out of the accolades at Winterfest!

Dave Buckarma contacted us this week. For some inexplicable reason, mention of his name as the third place winner in the chili contest was omitted from any news coverage of Wabeno's Winterfest event.

This might not sound like a big deal, but as Dave pointed out, he has put his heart, soul and top-shelf chili powders into making a competitive chili for this contest, and has not finished in the running until this year. Dave said he has braved snowstorms and fog, probably ice-covered roads that he forgot to mention, and then on the brink of success was left out of the glory.

But not now! Dave Buckarma did finish third in the chili contest, and he wants everyone to know he isn't done competing. He intends to make a grand effort to win the event in 2013. So pay attention Winterfest organizers, don't decide to drop the event next year! Dave is coming back with even better chili.

Congratulations Dave, and we are sorry your name was left out of the winner's list.

## Rummage for Sandy victims was a huge success

Lana Palubicki along with a bunch of friends and the local populace who donated lots of items, raised in excess of \$2,000 for the victims of Hurricane Sandy. The two-day event that was held in the Crandon Community Building drew lots of shoppers. Lunch was served by the Crandon Lions, and the proceeds from the food was added to the money that will be used by needy victims of this destructive hurricane.

Good job Lana!

## Shame on you Grinch

Twas the night before the Christmas Tree Lighting Ceremony in Riverview and not a creature was stirring not even a .... well there was a creature stirring .... Mr. Grinch came visiting with a saw and cut down a dozen of the lighted trees surrounding the Ice Rink at the Riverview Town Hall. There are three dozen trees encircling the Ice Skating Rink which are lighted and decorated. Local people and businesses Adopt-a-Tree by adorning the trees with their own ornaments. This is how the Town supports the ice skating rinks. A major tornado went through in 2007 taking down most of the trees in it's path. That is why so many people enjoy seeing the lighted Christmas trees as they drive past the Riverview Town Hall especially after dark.

## F.A.S.T offered at Wabeno Area School for interested families

F.A.S.T. stands for Families and Schools Together. It is a program that is coordinated between the school district and local support agencies. The purpose is to enhance parent-child-school relationships and to strengthen the family by helping family members improve their communication and nurturing skills.

The program runs for approximately four weeks between the months of January and February, depending upon family commitments. Families who are interested in becoming involved in F.A.S.T. should contact the program coordinators Jacki Champine at Wabeno Elementary office (715) 473-3633 or Michele Rocolle at Wabeno High School office (715) 473-5122.

We are always looking for families willing to participate in such an exciting program. Hope you will be joining the fun this year!

## Chrisman first Rebel to score 1000 Points

As a little boy, you might say that Logan Chrisman had a "passion for basketball". Growing up in the "Purple Pit" while his father was the Logrollers Boys Basketball coach gave him plenty of time to be in the gym and plenty of role models to look up to. Although Logan attends Laona High School, it seems fitting that the setting for this milestone event was the Wabeno gym. In a hard fought game against Wausaukee, Rebels point guard Logan Chrisman surpassed the 1000 point mark.

The gym was packed and the student section manned a "countdown to 1000" sign. With only a minute to go Logan hit his 20th point which put him at 1001! The game was stopped, the crowd cheered and Bill Taylor, Rebels coach, presented Logan with the game ball. Logan joins his father, Mike, who was also a 1000 point scorer. In his four-year varsity career Logan has also played under Kelly's coaches Tim Chrisman and Brett Fox. This success could not have been possible without the support of coaches, team members, family and fans. Logan, when you look at that game ball you can remember all the hard work and dedication you have put into the game of basketball. Congratulations, you deserve it!

## Crandon Police Department Receive Grant

Vice Chairman Al Milham presents check to Chief of Police Dan Packard

By Boyd Monte

The Crandon Police Department applied for a grant earlier this year through the Forest County Potawatomi Foundation. The department received a grant for \$53,303.40, which will be used to purchase a new squad car and all of the equipment that a squad car needs.

The new squad will be a Ford SUV Interceptor. It will be on the road in early 2013. Al Milham, Vice Chairman, stated, "I am very happy that we are able to donate to all different organizations through our gaming agreement." Chief of Police Dan Packard also commented, "I really appreciate this donation from the Forest County Potawatomi and the continued partnership that we have not only benefits the City of Crandon, but all of Forest County."

### INSURANCE TIP HEATING WITH WOOD & PELLET BURNERS

Outdoor wood furnaces & pellet burners have become increasingly popular. Some companies charge a premium of \$15 to \$50. Others do not. Contact your agent to do an inspection or if you have questions before you install or have it installed.

If you are burning wood, follow all manufacturer's guidelines for installation or hire a professional to do the installation for you.

Here are some more safety tips:

1. Burn seasoned wood. Wood two years old or more.
2. Place ashes in a covered metal container to keep wind from blowing coals and sparks around.
3. Clean your chimney at least twice a year, using an approved cleaning method.
4. Install smoke alarms on same level as stove and have a fire extinguisher close by.
5. Every year, make sure your smoke pipe is firmly in place where it enters the chimney and screw sections together.

## Wabeno Elementary Jingle Shopping a success!

Wabeno Elementary paired with the Wabeno Christian Thrift Store this holiday season to provide some out-of-the-classroom education. The event, called "Jingle Shopping" gave the students an opportunity to do some Christmas shopping and practice decision-making and math skills, right in our own community. The kindergarten through 6th graders had the opportunity to be part of this fun event on December 3, 4, and 5.

For the Jingle Shopping event, elementary students were transported to the Wabeno Christian Thrift Store, paired with an adult shopping helper, and then got to shop for family and friends. This supported our local economy and continued our Go Green mindfulness. Jingle Shopping provided our students with an opportunity to learn how to earn money, make real life shopping decisions, and learn that giving is as important as receiving.

The Wabeno Christian Thrift Store did a great deal of hard work, and offered 50% off and tax-free sale price to the students. We greatly appreciate their kindness.

Parents, guardians, and community members volunteered to assist the children with their shopping. They were a great help, and we appreciate their commitment to the students.

**THANK YOU**

A SPECIAL Thank You to Lana for her idea to raise money for Hurricane Sandy relief and her determination to see it take shape!

You did a wonderful job.

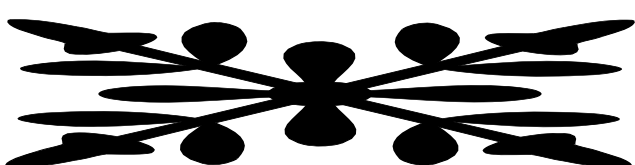

Thank you to all the businesses who donated merchandise, to all the people who donated their gently used items for use in the rummage sale, to the volunteers who helped set up the event &/or worked at it, to the Lions Club for serving food and finally to all who attended

We raised a little over \$2000

The residents of our communities have once again shown how generous and caring they are.

Thank you to you all!

The family would like to thank all for the love and support given to Paul over the years.

**THORNTON "GRANDPA" L. SCHULTZ**, age 90, lifelong resident of Argonne, received his wings and flew into his heavenly home with his Lord Jesus at home with his family at his side on Wednesday, December 5, 2012. He was born in Argonne on October 29, 1922 to William and Elizabeth (Wine) Schultz.

Grandpa enjoyed playing cards, fishing and ice fishing, hunting, bar bingo, casino (take the money and run like Hell), music, dancing, Happy Hour and sharing the history of Argonne with people. He also enjoyed visiting with people, whether it was family, friends or a total stranger. Grandpa had numerous "adopted grandchildren" in the community. Grandpa and Grandma loved following his sons and families to the Off-Road races; it was a family reunion every two weeks. He had twinkling blue eyes and a song in his heart. Grandpa loved to make people laugh. Some of Grandpas favorite quotes were; "Put another nickel in", "Mix a quart and a pint", "Pull my finger" and "Daylight in the cedar swamp". His grandchildren will remember his "treatment".

## Riverview Grinch Cont. from pg. 1

After dark is when the vandalism occurred the night before the December 8th Tree Lighting Ceremony. The Grinch was meticulous and thorough, cutting down the evergreens and ripping down the lights on all of the trees. Even the adopted and decorated trees were ruined. Ornaments and torn strings of lights were all over. It was not a happy morning.

The Riverview Fire Department is located in the same building as the Town Hall. The Firemen had just returned to the station after helping to put up holiday decorations in a neighboring town using their new ladder truck. After seeing the mess that the Grinch had left, Barry said "We can't let him win" The Riverview First Responding Firemen started replacing and repairing the damaged lights. Ornaments were rehung and the "cut down" tree tops were removed. The Tree Lighting Ceremony was going to happen, and it did!

The St John Lutheran Church Choir arrived in full force and in great voices singing Christmas Carols. The hay wagon gave rides and the Auxiliary offered a full spread of cookies and no shortage of hot chocolate. - Yummy!

Santa is currently dealing with a labor dispute. Apparently the Reindeer have been "locked out" of pre-Christmas Events. The big guy in the red suit had to call on his fire fighter friends to get a ride. The fire truck was such a blaze of bright colored lights that it was difficult to see where all of the kids were gathered. That's why Riverview has a Christmas Tree Lighting Ceremony. It is so Santa knows exactly where the children are awaiting his arrival. And we sure did. Thanks to the First Responders who do know how to decorate, at the end of the count down, the trees were lit. It is an uplifting sight to see even with a few of the trees gone. Those lighted trees became the landing lights that Santa needed to greet the kids.

He assumed his royal chair in the Winter Wonderland Extraordinaire which Cynthia and Darrell Joachim created. You guys know how to create magical memories. That is why we decorate the trees - yes it's for the Kids. The wonderment which starts each season with Cynthia and Darrell continues all winter as the kids go ice skating on a rink surrounded by decorated Christmas trees.

All winter long, the Riverview Ice Rinks are filled with skaters of all ages gliding and falling down on the ice surrounded by Christmas trees. It matters - and that's why two tree farms have already offered to donate replacement trees. That's why Barry, Eric, Rob, Charlie, Mike, T.J, Mike, Len, and Dale stepped in to make this happen. The Lakewood SuperValu jumped right in with assistance. The store will be matching and donating the Bell Ringer Kettle contributions from Friday December 21st and Saturday the 22nd to assist with the replacement costs of the trees. Many people have already offered to donate replacement lights. There sure is beauty in the Northwoods! It's the Northwoods People!

The Grinch did not steal this Christmas Joy from the children (and grown-ups) of Greater Riverview. We are truly blessed to have so many people willing to step in and make lemonade. It is heartwarming to see our community pull together.

Sure would be nice if the Grinch also had a warming of his heart. Merry Christmas to One and All!

All your protection under one roof.®

## PUBLIC NOTICE TO ALL CUSTOMERS OF CRANDON WATER & SEWER UTILITY

It has been determined that the Water and Sewer Utilities prior policies of transferring delinquent Water and Sewer Bills onto property taxes needs to be changed. The Water and Sewer Utility will no longer offer the option to the county to collect for the past Utility Bills after 2012. Economic changes and the non-payments from customers has imposed a financial burden to the Utilities. The end of December 2012, the fourth quarter, the bill will be sent out requiring payments to be made by the 20th of January. A disconnection notice would be issued at this time, but this will not be enforced to allow each customer an additional quarter (three months) to reduce and maintain their account to a zero balance. After the first quarter billing, January through March 2013, all payments must be made in full by April 20, 2013 or a disconnection of service will be issued and enforced. If an escrow account has been established to pay for your Water and Sewer Bill on your property taxes, this will have to be arranged and adjusted with your bank in accordance to the new policy. Payments are now required to be paid quarterly by ALL customers. If you have any question or concerns, please contact the Water and Sewer Utility Department at 715-478-2836.  
 /s/ Bruce M. Johnson, Water & Sewer Superintendent

Santa made his first visit to Crandon this past Saturday, December 8th, at the Crandon Elementary School. The Crandon Parent Teacher Organization hosted the event. Children ate pancakes, fresh fruit and had a glass of milk. Afterwards, they could burn off the calories in the gym, listen to a Christmas story in the library, make an ornament for their Christmas tree or wait in line to tell Santa what they wanted for Christmas. This was only the first time to see Santa this year, he will be making his rounds so that every boy and girl get a chance to see him and give him their Christmas gift list.
