Happy New Year!

Art Freimuth, on the Indian motorcycle above, was one of those young people who liked new technology. He worked in his father's garage on automobiles, that weren't that old when this shot was taken, and he liked motorcycles, as did his brother Mel. He also liked photography, and he left succeeding generations a large gift. Many of the old photos that are floating around the county were taken by Art. Because of him and others like Pete Thompson and the Anderson and Monroe Studio in Crandon, we are able to take a look at what came before us and helped shaped the world we inherited. It was a great gift that will continue to give every time somebody looks at an old photo and realizes that the work of the previous generations has enriched our lives today, or maybe did just the opposite. Whatever the effect, we owe all of these old photographers a big thank you, and we owe the next generations the same gift. Save the pictures you take now!

Throughout this issue you will find photographs from yesteryear, and you may have seen some of them before, but they are always worth another look. Enjoy.

Cross-country cyclist gives us an update on his trip

Last August we featured Gary Havas, a cyclist from California who made an overnight stop and a visit to the Hotel Crandon dining room and bar. We received the following email about the rest of his trip.

From Crandon, WI, I headed through Star Lake and in a growing southerly loop, headed toward Osceola, WI and across the boarder into the land of Lake Wobegon. From there, I headed north to a semi-mountainous region and over to Pelican Rapids and north to Fargo, ND where I and my rig caught a bus to Billings. I was supposed to get further, but the next bus line in the progression refused to take the trike and I set out to Missoula, MT from Billings. Great trip with unexpected joys of folk and scenery. Mostly a beside-the-interstate route with some diversions into more interesting territory. Once in Missoula, I headed due West to Portland, OR and a visit with my brother there.

Friends and I met at the end of my sixth day there and we all headed out to the coast where two drove a van with food and fun and four others rode south to our homes on California's Central Coast. The folks in the van had to depart in Crescent City, CA and my buddy Michael and I completed the journey unsupported to San Luis Obispo.

Five months, one week. 60 to 80 miles a day with a few rest days. 15 folk who did not play well on the road leaving the VAST majority as social, fun, encouraging motorists and truck drivers, among others. A couple of spells of rain, not much wind, no illness until about five days from home when I got a headcold. About 25 flats, no breakdowns. Innumerable beers, cups of coffee, muffins. One country. Just one country. Well, not entirely. I had a few days with some very pleasant folk in Canada north of Lake Erie, and the US is a really one heck of a good place to visit.

Plum Creek Foundation donates to NEWCAP

The Plum Creek Foundation announced it recently made a \$1,000 donation to the NEWCAP, Inc. food pantry program at 212 N. Lake Ave. in Crandon.

"There is plenty of need present in rural communities, especially around the holiday season," said Bill O'Brion, resource supervisor for Plum Creek in Wisconsin. "It is our hope that these donations will allow people to enjoy the season in peace and thanksgiving, and with a little more food on the table."

The mission of NEWCAP is to work toward the elimination of the causes of poverty by enabling and assisting low-income people to attain the skills, motivation and opportunities necessary for them to become self-sufficient and independent. The Food Pantry Program distributes emergency food supplies through 11 counties, for households and families in a crisis situation.

"The Plum Creek Foundation prides itself on community involvement each year," said O'Brion. "We will continuously work to make a positive impact in the places we live and work."

Overall, the Plum Creek Foundation is donating \$6,000 to food pantries in Wisconsin, and will donate a total of \$148,750 to food pantries across the nation.

The mission of the Plum Creek Foundation is to provide philanthropic contributions to support and improve the general welfare of life in the communities that Plum Creek serves. The Foundation board meets quarterly to review applications submitted from organizations in the company's operating communities. Visit the Community Involvement page on Plum Creek's website at www.plumcreek.com to download an application.

Forest County snowmobile trails now open

Forest County Snowmobile Trails officially opened on Wednesday, December 26, 2012 for the snowmobiling season. Forest County has 405.79 miles of state funded trails maintained by five snowmobile clubs including the 100 Mile Snow Safari, Lumberjack Memorial Trails, Black Bear Sportsmen's Club, Tombstone-Pickereel Sno-Club and Three Lakes Trails. With colder temperatures upon us trails are packing and freezing which will provide fair to good trail conditions for the opener.

Support needed at Humane Society

At the Humane Society Open House, held just before Christmas, the drawing was held for the cash raffle. Those taking away the cash were: Sonja Milham, Jackie Calhoun, Roxanne Brewer, Eugene Carlson, and Mark Gatton.

The Humane Society board posed for the shot above, and they are from the left: Jackie Nowak, Tinya & Tonya Walerko, Marin Herbert, and Becky Danielczak. Not shown are Al Thompson and Julie Calhoun.

The Humane Society is needed in the county to take care of pets that are lost or abused and surrendered, and to place these dogs and cats in homes where they are appreciated and cared for. The Society exists because of the good will of the citizens who support this effort through donations of cash, dog & cat food, and donations of aluminum cans at the Resale Shop and unwanted items that can be sold at the Resale Shop. Memberships and volunteers are also needed. All of us are urged to make a New Year's Resolution to support the Humane Society in 2013.

Vet's Corner

OEF/OIF/OND Toxic Embedded Fragments

Some Veterans of Operation Enduring Freedom (OEF), Operation Iraqi Freedom (OIF), and Operation New Dawn (OND) have retained toxic embedded fragments in their bodies after blast injuries sustained during military service.

These Veterans may be eligible for clinical care at the Toxic Embedded Fragment Surveillance Center at the Baltimore VA Medical Center.

Shrapnel is a common term to describe the toxic fragments from improvised explosive devices (IEDs), bombs, mines and shells. Some of the fragments may contain depleted uranium.

Health problems associated with toxic embedded fragments

Although health problems caused by toxic embedded fragments are not fully understood, generally fragments are harmful in two ways:

1. Injury at the site of the fragment
2. Chemicals from the fragment that travel through the bloodstream and can affect other parts of the body

Health concerns?

If you are concerned about toxic embedded fragments from injuries in military service, talk to your health care provider or local VA Environmental Health Coordinator.

Veterans not enrolled in the VA health care system, find out if you qualify for VA health care.

ALL returning Veterans must enroll in health care coverage at the nearest VA Medical Center to protect their right to health care. Your local Veterans Service Officer will assist you.

VA benefits

Veterans may be eligible for VA disability compensation benefits and health care benefits for health problems associated with toxic embedded fragments from injuries in military service.

OEF, OIF, and OND Veterans with embedded fragments may be eligible for clinical care at the Toxic Embedded Fragment Surveillance Center at the Baltimore VA Medical Center.

Veterans' dependents and survivors also may be eligible for benefits. Read Federal Benefits for Veterans, Dependents and Survivors to learn more, or see your County Veterans Service Officer for a copy of the handbook. CLOSING AT 1: ON DEC. 31 & CLOSED NEW YEAR'S DAY

The Silver Lake Pavilion, Laona, was a place where people gathered for various events, but it was mostly a hangout for your people who liked to dance and court. It burned sometime after World War II.

When this picture was taken, Padus was a thriving little sawmill community on the Chicago & Northwestern railroad line, between Laona and Wabeno. The lady in the dark dress, second from left, is Annie Hammes, daughter of the founder of the town, John Hammes. Life was good while the timber lasted, but when it was all cut, there was no further reason for the town, and it gradually disappeared. The Padus Nicolet Gun Club operates there now, and there are numerous modern houses that mean Padus is not a "ghost town."

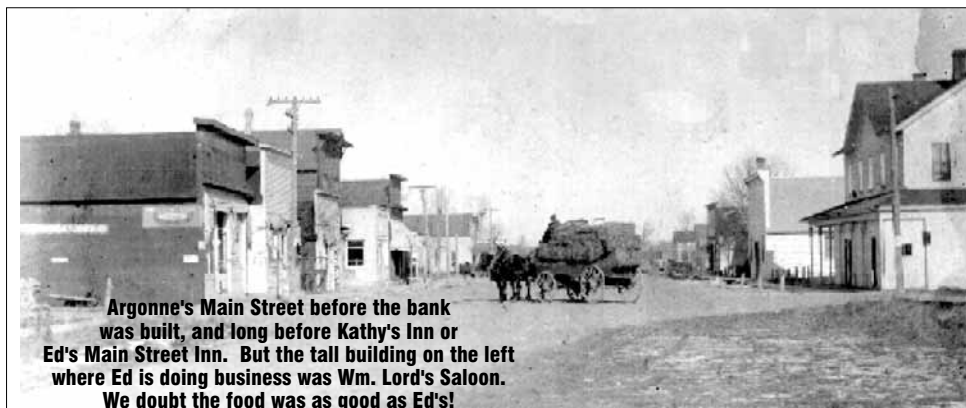

Kathy's Inn now occupies this building, but when this picture was taken of friends shooting the breeze on Argonne's main street, the place was probably being run by Lloyd McCorkle. From the left is: Oscar Hoover, Richard "Boyd" Monte, Dutch Schultz, Paul McCorkle and Ellsworth McCorkle. We don't know who the girls are in the doorway, but would love to know. This is from Grandma Holler's photo collection.

CHS Band performs at Nursing Home

On December 21, 2012 the Crandon High School Band performed at the Crandon Nursing Home. They played a variety of Christmas Carols for the residents to spread some holiday cheer!

Argonne's Main Street before the bank was built, and long before Kathy's Inn or Ed's Main Street Inn. But the tall building on the left where Ed is doing business was Wm. Lord's Saloon. We doubt the food was as good as Ed's!

Questionable Robocalls Targeting Wisconsin Seniors

MADISON - Callers representing themselves as "Senior Emergency Care", "Senior Safety Alert", and "Senior Safe Alert" have recently pounded Wisconsin homes with prerecorded telephone calls pitching personal emergency alert systems. The Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) asks Wisconsin residents to hang up on these harassing calls.

These groups are not registered telemarketers in Wisconsin. The calls show on caller ID units as having a 262 or 608 area code, but the numbers might be spoofed or misrepresented. DATCP has received a number of complaints against these three groups, with most of the complaints coming from the Madison, Milwaukee and Fox Valley areas.

These groups may be trying to sell a questionable product that is tied to a recurring fee. The calls seem to be following the pattern of similar robocall scenarios targeting seniors around the country. In those instances, the recordings have claimed that their product is free - but the company charges consumer around \$30 per month for service.

Unfortunately, it is also possible that these calls are "phishing" scams seeking credit card numbers and any other personal information that they can get from the call recipients. Again, your best defense is to simply hang up the phone.

For more information or to file a consumer complaint, visit datcp.wisconsin.gov, send an e-mail to datcp@datcp.wisconsin.gov or call the hotline toll-free at 1-800-422-7128. Connect with Consumer Protection on Facebook: facebook.com/wiconsumer.

Thank You Forest County Taxpayers

I want you to know how much I have appreciated the letters, telephone calls and handshakes of congratulations for a good job well done as Forest County Board Chairman after I stepped down from that position last April. It is very heart warming to me to be thanked by so many of you folks, including some of you I hardly know, for the thirty-six years I spent as County Board Chair.

I always had the Forest County Taxpayers in mind when I made my decisions, knowing we are in a low income area with a limited amount of taxable land (18 per cent). My thoughts and concerns always were lets not tax our citizens off their land. Our tax rate was \$5.24 when I became Chairman and it was \$4.41 the final year of my Chairmanship. This rate is lower than comparable Counties with a much bigger tax base. During this time we also built an addition on the Courthouse, a new Law Enforcement Center and a new Highway Maintenance Center without raising our tax levy. We had Board Members, Department Heads and County Employees through these many years that helped make these things happen. It was a great pleasure to work with these fine people and see our fine County prosper.

I am very proud of our County's progress through these years and proud of the fact that I have been thanked by so many Forest County Tax Payers. You can rest assured that I will continue to work hard for Forest County on all the State and District committees that I am on.

Thank you all very much. Have a Happy Holiday Season and a Great New Year.

Erhard Huettl
Forest County Supervisor, District 11

A Very Happy Birthday To You In Heaven
December 22, 1921 - February 26, 1995
A very happy birthday
to you my love,
I'm sending my greeting to you,
in Heaven above,

After seventeen years
and ten months ago,
I still miss you very much,
I hope you know.

How the time does fly
as do the days of our lives,
The days go by so fast but
evenings are long until morning
arrives,

One day we will meet in Heaven,
only God knows when,
So till we are together again
I will miss you and love you
until the end..

My dearest Ed, I wish you a very
Blessed Christmas in Heaven
Your beloved wife
Marie

Help Wanted

Farm Rental/Caretaker position available. Well, our Farm Associate of the last two years, has moved back to a warmer climate. So, we are again looking for a single person or couple with no children, who would be interested in renting a two bedroom mobile home, on our Farm near Cavour. We need to rent this unit to someone who is interested in doing occasional light caretaker duties in exchange for part of the rent. This includes, sharing in daily stoking of an outdoor wood furnace, and caring for our 2 dogs and farm animals when we travel. Monthly rental, which includes all utilities except electric, is entirely negotiable and will be very reasonable. Pets, including horses, are welcome with approval. This rental/caretaker position would be ideal for someone just going out on their own, or a retired person looking for a great inexpensive and quiet place to live. If interested please call Jim at 715-889-1280. Betc37

donation by the Sugarbush Snowmowheelers Snowmobile Club. "This generous donation has purchased 8,000 snowmobile trail maps," stated Forest County Snowmobile Council President, Jack Kloss, "We really appreciate the Snowmowheelers support to provide maps to all five snowmobile clubs and snowmobilers in our area." Please support the Sugarbush Snowmowheelers efforts and enjoy a day of fun by participating in the annual Poker Run that is scheduled for the first Saturday in February.

Please remember that the Nicolet State Trail and the Wolf River State Trail are the only snowmobile "trails" in Forest County that are currently open for winter ATV use. ATV "routes" on gravel or blacktop town roads will also remain open to ATV use.

The Forest County Snowmobile Trail Ordinance currently prohibits ATV use and motor vehicle use on all other snowmobile trails in Forest County. Forest County ordinance prohibits the use of any licensed car or truck on any snowmobile trail.

If you encounter trucks or vehicles on snowmobile trails this winter please report their license number immediately to 911 or the Sheriff's Dept. at 715-478-3331 or County Forestry Department at 715-478-3475. Updated trail condition reports can be found daily by calling the Forest County Snowline at 715-478-2040 or logging onto the Forest County website at www.forestcountywi.com. This website also provides links to local snowmobile clubs that provide daily grooming reports and maps of the Forest County trail system.

Mccaslin Lions host annual Childrens Christmas Party

The Townsend
Fire Dept.
brought Santa
to the party
with much
fanfare.

Recently the McCaslin Lions Club hosted the annual Christmas Party for area children ages 10 and under at the Townsend town hall. Bingo was played prior to lunch being served. Santa arrived with the help of the Townsend Fire Dept. with sirens and red lights a flashing! Santa listened to each child's wish for a Christmas present. After Santa's visit 20 age appropriate trikes and bikes were given to 20 lucky children. A great time was had by all.
