## Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

### Terry DeMoulin Candidate for Town Clerk Townsend

Hello, I'm Terry DeMoulin, candidate for Townsend Town Clerk. This is an elected position; therefore, I'm asking the Townsend residents for their vote on April 2, 2013.

My husband, Dan, and I spent many years coming to the Townsend area and were fortunate to make Townsend our full-time residence five years ago.

I am highly qualified to serve as Town Clerk due to my 30 year experience in bank operations, along with an Associate Degree in Accounting, and my dedication to the community.

What will it mean to me to be Town Clerk....the privilege to serve in my community, the desire to implement operational effectiveness, and my pleasure to interact with the people who live and vacation in Townsend.

I will use my personal and professional experiences and dedication to excel as the Town Clerk. Please vote for me, Terry DeMoulin, for Townsend Town Clerk on April 2<sup>nd</sup>.

### Mike Lavin-Candidate for Town Supervisor-Townsend

I am Mike Lavin and I am running for the supervisory position in the Town of Townsend.

I graduated from UW-Oshkosh and studied Business Psychology with a Finance minor. I was in the Navy for four years and retired from Proctor & Gamble in sales management. I also owned and managed several businesses with up to 150 employees very successfully. In 1999, I retired and moved to Townsend. I am also a cancer survivor.

I have attended all the town meetings, both town and fire department, and I fully understand what it would take to be a part of a growing community, both at town and county levels.

One of my ultimate goals is to open the lines of communication between the residents and the town government. In other words, to create a more user-friendly government and inspire greater community involvement.

For the past years, I've found myself wanting to be involved and give something back to the community, so I committed myself to be wherever I'm needed. I started with the Townsend Fire Department and have been an active member for 13 years and am now the Safety Officer. Not only does this include responding to 911 calls, but raising funds for better equipment.

We have many lakes in our town, so I joined and became a member of the Oconto County Lakes and Waterways Association, and I am presently on the board of directors. I feel it is necessary to plan ahead to protect the area that we call home.

You will find me at the annual flowage and Red Arrow ATV Snowmobile fundraisers and the July 4th festivities, Fire Department Sweetheart's Dance, the baseball park, and numerous other charitable events within our town.

I am a familiar face and easily accessible to hear your concerns. In addition to my other endeavors, I've been instrumental in removing the barbed wire fencing that ran along the snowmobile trail adjacent to Highway 32.

I feel we owe a tremendous debt to our veterans, so I paid for and erected the Veteran's Memorial, which stands proud in front of our town hall.

I am a veteran and a member of the local American Legion.

My experiences on these committees and being a volunteer have generated a desire to do even more, so I am running for Townsend Supervisor. Please consider me when you cast your ballot this year.

## R.O. Pintsch's Centennial Celebration Saturday, March 16th

The month of May marks 100 years of service to the Townsend area for Pintsch's Hardware. In honor of all those years of service, a centennial celebration is planned for March 16, 2003 starting at noon until 6:00 p.m. There will be a live auction, silent auction, food, fun and great prizes. The event will be held at the Townsend Fire Department. The event is also a benefit for Richard and the profits will help our friend pay his medical bills. If you would like to make a donation, you can contact Pintsch's Hardware at 715-276-6888

## St. Patrick's Day Celebration Saturday March 16 in Pickerel

St. Patrick's Day is always a great reason to have a good time. For 24 years, Pickerel has done just that. Every Saturday closest to March 17, a parade is held downtown. Green beer, brats, burgers and corned beef are made under the big top. The fun starts at 11:00 on the corner of Highway 55 and DD. The parade starts at noon. Hill's Still will also have corned beef and cabbage in honor of St. Patrick's Day. Remember to wear all of your green!

## D's One Stop Video Shop

On March 15th, Kim Daniels will open the doors of her new video store in Crandon. D's One Stop Video Shop is located at 102 S. Lake Ave, (the former home of the Blue Diamond shop).

The store will be open seven days a week from ten am to ten pm. Kim will feature videos, DVDs, Blue Rays, and games. Music will be added at a later date. To help make it truly a one stop spot for an evening's entertainment, you can also purchase candy, snacks and soda.

New releases, located in the red kiosk at the front of the building are \$2.49 a day, with a 99¢ late fee. Older releases are hanging on the walls and they rent for \$1.99 per day with a 99¢ late fee. Videos not returned by the seventh day are deemed purchased.

The Pioneer Express wishes you the best of luck with your new venture.

## Third Annual Gutter Bowl Tournament To be held April 5th & 6th

Bowlers, it is time to dust off your bowling balls and shoes. The Third Annual Gutter Bowl Tournament to Strike down Cancer is looking for you. The event is held at Super Bowl & Bar in Crandon. This year it will be held on Friday, April 5 and Saturday April 6 with bowling starting at 6:30 p.m. both nights.

This year teams will consist of two members. They can be male/female, female/female or male/male. Prizes will be awarded to the first place finisher in each category. DJ Gregg Tallier will be on hand to play music and spin the paddlewheel, a 50/50 raffle will be held each night and food is available for purchase throughout the night.

Registration forms can be picked up at the Super Bowl and Bar during business hours or by contacting Chris at 715-889-1046. There is a \$20.00 entry fee that includes three games of bowling, shoe rental, drink ticket and a complimentary gift. You do not need to be a USBC sanctioned bowler, handicaps will not be used. For more information, contact Chris at 715-889-1046 or Dave at 715-902-0621. The event is a fundraiser for the Relay for Life - American Cancer Society sponsored by Team Power Surge and Team Julie.

## G-AC Student, Roman Grebin Kohl Excellence Scholarship Recipient

The selection committee for the Herb Kohl Educational Foundation Scholarship and Fellowship Program has announced recipients of the 2013 Herb Kohl Foundation awards for students and teachers.

The \$1,000 awards are being made to 100 teachers, their schools, and 187 graduating high school students.

Goodman-Armstrong Creek High School is proud to announce that Roman Grebin has been selected to receive a 2013 Herb Kohl Excellence Scholarship. Recipients demonstrate excellence in the academic arena and high motivation to achieve, display a broad range of activity and leadership outside the academic setting, and show strong promise for succeeding in college and beyond.

Excellence Scholarship and Fellowship recipients are selected by a statewide committee composed of civic leaders, and representatives of education-related associations and the program's co-sponsors: The Wisconsin Newspaper Association Foundation, Wisconsin Department of Public Instruction, Wisconsin Council of Religious and Independent Schools (WCRIS), and regional Cooperative Educational Service Agencies (CESA).

The Kohl Foundation Scholarship and Fellowship program was established by Herb Kohl, U.S. Senator (Retired), in 1990. To date the foundation has awarded \$8.2 million to Wisconsin educators, students and schools. "Education is the key to the future of Wisconsin and our nation. I am very proud of the accomplishments of these students and teachers, and look forward to the great contributions they will make in the future," Kohl said.

## WATCH US CHANGE!

Northern Health Centers is changing to improve the care we provide to you and your family!

Implementing an electronic health record system will allow us to share your health information with other providers you see. You will also be able to access your health records on line if you wish.

Choosing a primary care provider helps you gain a trusting relationship with a medical professional and a primary care team that includes your provider, registered nurse, medical assistant, lab, x-ray and health educator along with enabling services, dental and behavioral health as needed.

Prescriptions will now be electronically sent to the pharmacy of your choice. Instead of calling us to request a refill, simply call your pharmacy. The rest is completed through our electronic health record.

We are working hard to become your quality **Patient Centered Medical Home (PCMH)**. Coordination of your health needs is very important to us as we strive to obtain certification as a PCMH with national recognition.

### Laona students get lessons on logging

Laona High School environmental science class

On a cold day in February, the Laona High Environmental Science class took an exhilarating field trip into the wilderness north of Iron River, Michigan. The class had an amazing offer from Tom Cleereman, Sr., to take the trip and experience a modern logging operation.

After arriving on the site, Mr. Cleereman with the help of his grandson, Tommy, explained the specific species, qualities and sizes of wood they bought and sold for veneer facilities in the United States, Germany, Japan, Italy and China.

Steve Kircher, Laona science teacher, felt this was a great opportunity for the students to see how loggers practice sustainability and only harvest mature trees and provide cover and fertilizer for new seedlings. Dave Smith, the onsite logger, commented that later in the afternoon the deer come into the site to browse on the tops that remain after the logs are harvested.

When asked by Mr. Kircher, Tom Cleereman, Sr. was able to point out several 'Birdseye' maple trees on the site that are valued for their unique patterns. He mentioned that these trees are the most sought after species in the Northwoods. Mr. Bradley, Laona High principal, also accompanied the class and felt it was a unique hands-on learning opportunity.

**RESOLUTION AUTHORIZING THE REDEMPTION OF  
THE DISTRICT'S GENERAL OBLIGATION REFUNDING BONDS,  
DATED JULY 1, 2002**

WHEREAS, the School District of Wabeno Area, Forest, Langlade, Marinette and Oconto Counties, Wisconsin (the "District") has issued its General Obligation Refunding Bonds, dated July 1, 2002 (the "2002 Bonds"); and

WHEREAS, the 2014 through the 2016 maturities of the 2002 Bonds are currently callable; and

WHEREAS, the School Board has determined that it is necessary and desirable to apply funds on hand to call the outstanding portion of the 2014 through the 2016 maturities of the 2002 Bonds for redemption on April 8, 2013.

NOW, THEREFORE, BE IT RESOLVED by the School Board of the School District of Wabeno Area, Forest, Langlade, Marinette and Oconto Counties, Wisconsin, that:

**Section 1. Call of the 2002 Bonds.** The 2014 through 2016 maturities shall be called for redemption on April 8, 2013, at the price of par plus accrued interest to the date of redemption. The District shall provide sufficient funds for such redemption to the fiscal agent for the 2002 Bonds prior to April 8, 2013.

**Section 2. Call Notice to Depository.** The District Clerk, in conjunction with Robert W. Baird & Co. Incorporated ("Baird"), shall direct Associated Trust Company, National Association, as fiscal agent of the District with respect to the 2002 Bonds (the "Fiscal Agent") to cause timely notice of the call of the 2002 Bonds to be redeemed to be given by providing a notice thereof, in substantially the form attached hereto as **Exhibit A**, by registered or certified mail, facsimile transmission, or overnight express delivery to the registered owner of each 2002 Bond to be redeemed at the address shown on the registration books not less than thirty days nor more than sixty days prior to April 8, 2013.

**Section 3. Additional Call Notices.** In addition to the official notice of redemption provided for in Section 2, the District Clerk, in conjunction with Baird, shall cause further notice of the redemption of the 2002 Bonds to be provided to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access System and to the bond insurer of the 2002 Bonds. Further notices of redemption shall contain the information set forth in the Notice of Call provided on **Exhibit A**.

Adopted and recorded this 4th day of March, 2013.

**EXHIBIT A- NOTICE OF CALL\***

**Regarding School District of Wabeno Area - Forest, Langlade, Marinette and Oconto Counties, Wisconsin  
General Obligation Refunding Bonds - Dated July 1, 2002**

NOTICE IS HEREBY GIVEN that Bonds of the above-referenced issue in the principal amounts set forth below which mature on the dates; bear interest at the rates; and have a CUSIP Nos. as set forth below have been called by the District for prior payment on April 8, 2013, at the principal amount thereof plus accrued interest to the date of prepayment:

<u>Maturity Date</u>	<u>Principal Amount</u>	<u>Interest Rate</u>	<u>CUSIP No.</u>

**PUBLIC FORUM**(10 minutes):

Ruby Westmayer questioned whether procedures were in place for students outside at the time of emergency situations. She also said students are excited about school because of the many positive things happening.

Ruby Westmayer and Shelly Chitko both stated they feel Ann Kiszonas is doing an excellent job as a long-term substitute.

Shelly Chitko said the 3rd grade received a \$500 grant from Community Health and the K-9 unit from the Forest County Sheriff's Dept. visited her class and the kids loved it.

Craig Albrecht said he would like to see an ice rink made on the football field. He also made comments concerning ball field maintenance and about the availability of a ski scaffold for school use if interested.

**ADDITIONAL OPEN ACTION ITEMS:**

Motion by Reeves, seconded by Connors to approve the **Open and Closed Regular Meeting Minutes** dated Monday, January 14, 2013. All in favor, motion carried.

Motion by Aschinger, seconded by Reeves to approve **Disbursements and Wires** paid for the period of January 10 - February 7, 2013 = \$196,075.41. All in favor, motion carried.

Motion by Connors, seconded by Aschinger to approve **Cash Receipts** for January 1 - January 31, 2013 = \$120,943.13. All in favor, motion carried.

Motion by Reeves, seconded by Connors to approve **Purchase Orders** for the period of January 10 - February 6, 2013 = \$3,290.99. All in favor, motion carried.

**Staff Handbook** updates were given by Mrs. Asher. Drafts of the certified and support staff supplements were included. The handbooks and supplements will be implemented for the start of the 2013-14 school year. Adoption will be tabled until further review and clarification on insurance benefit dates.

Student participation estimates for golf, Jr. High Boys Basketball and Girl's Volleyball for 2013-2016 school years were reviewed. After discussion, motion by Reeves, seconded by Connors to **Co-op All 7th-12th Grade Sports, except Golf** with Wabeno starting with the 2013-14 school year. All in favor, motion carried.

A proposed **2013-14 School Calendar** was presented and discussed. The calendar was drafted in cooperation with Goodman, Crandon, and Wabeno. This will be tabled until more feedback is gathered from staff and community.

Mrs. Asher feels a policy requiring **Background Checks** for school chaperones should be put in place. The Board feels this would be beneficial for overnight trips. A policy will be drafted and brought forward at a future meeting.

The Laona Education Association presented a letter to the Board requesting dates for **Salary Negotiations**. A meeting date of May 8, 2013 at 4:30 p.m. was selected.

The **Open Enrollment Policy - 2nd Reading** was done. Motion by Reeves, seconded by Aschinger to revise and adopt the open enrollment policy as presented. All in favor, motion carried.

**Senior Class Trip** - A tentative itinerary was presented and discussed. Motion by Reeves, seconded by Connors to approve the tentative itinerary for the senior class trip with Brett Fox as a chaperone pending leave approval. All in favor, motion carried.

**INFORMATIONAL ITEMS:**

A written **Maintenance/DASHIR Report** was given. Brent Stamper also updated the Board on needed repairs for the floor scrubber. This will be discussed at a future meeting.

Dawn Cote thanked the Board for allowing her to attend the State Education Convention this year as part of her **Business Manager's Report**.

Mr. Bradley had presented the Board with a written **Principal's Report** giving information on attendance, Now or Noon program, Smarter Balanced Assessment, Compass Learning Odyssey, WISEdash training, PSAT tests, and recognition given to students doing a good job in Anatomy class through NWECS. He also gave numbers showing a huge improvement in student failures so far this year as compared to last year. The Forest County Gang Coalition has been visiting the PE classes and having positive interaction with students.

Mrs. Asher gave her **Administrator's Report** including information on the 5th and 6th grade piloting of Smarter Balance Assessment, Leadership Building joint venture with area school students, the upcoming Red Ribbon Week activities, elementary celebrations held recognizing students for doing a good job in school and working hard, and an upcoming Cyber Bullying Presentation being held for students and parents.

Board Member Reports - Scott Reeves talked about options for students to become more familiar with both Mrs. Asher and Mr. Bradley.

Kay Connors stated that her school board term is up and she will be running as a write-in candidate. She stated that she has heard many good, positive comments about changes happening in school and feels Jim Bradley and Laurie Asher are doing a great job.

All Board members discussed the benefits and information received from the State School Board Convention recently attended.

Motion by Reeves, seconded by Connors to enter into **Closed Session** pursuant to the following statutes for the following reasons: Wisc. Stat. 19.85(1)(c) for personnel matters. The motion carried with the following roll call vote: Aschinger, Reeves, and Connors voting yes.

Motion by Reeves, seconded by Aschinger to **Adjourn** the meeting. All in favor, motion carried. (7:32 p.m.)

**Quick Bits**

**Break a sweat today, no hot flashes tomorrow!**

If you suffer from hot flashes, getting sweaty on purpose seems like the last thing you want to do. But exercise could actually prevent the irksome episodes, says scientists at Penn State University. They found that women who walked or ran on a treadmill for 30 minutes had 23 percent fewer hot flashes the next day. Lead author Steriani Elavsky, Ph.D., explains that exercise triggers the release of feel-good neurotransmitters like serotonin and dopamine, which help reduce hot flash episodes.

**Sweet way to quell a cough**

Next time you have a tickle in your throat but no cough drops, grab a sugar packet. In a new study at Philadelphia's Monell Chemical Senses Center, volunteers inhaled capsaicin, a compound that's known to induce coughs, until they coughed three times. But when they rinsed their mouth with sugar water first, they needed about 45 percent more capsaicin to make them cough. Lead author Paul Wise, Ph.D., says sweet tastes trigger the release of cough-suppressing opioids, which could help explain why honey eases a cough. He also notes that sucking on candy can help.

**Three cups of coffee a day wards off Alzheimer's**

Enjoying an extra mug of joe in the A.M. may safeguard mental health, say researchers in the *Journal of Alzheimer's Disease*. They followed adults with mild cognitive impairment (MCI) for up to four years and found that those who drank three to four cups of coffee daily did not develop Alzheimer's. (Typically, 15 percent of adults with MCI develop the disease each year.) The scientists say caffeine inhibits the buildup of amyloid beta, a protein that triggers Alzheimer's, and works with other compounds in coffee to prevent the disease.

**Fish oil dials down gum inflammation**

Australian researchers have discovered that fish oil may protect teeth and gums. A review of eight studies show that talking up to 3,000 mg of fish oil and 75 to 81 mg of aspirin significantly improved periodontitis, a condition marked by gum inflammation and bone loss around the teeth. Scientists theorize that anti-inflammatory omega-3 fatty acids may help restore gum tissue and aspirin may guard against bone loss.

**Easy tweak for tired eyes**

Holding a magazine farther away may delay your need for reading glasses (or a stronger Rx), says scientists in the journal *Investigative Ophthalmology & Visual Science*. In an analysis of nine studies, they found that women were 21 percent more likely than men of the same age to need reading glasses. Researcher Adam Hickenbotham, Ph.D., says that since women's arms are shorter than men's, we tend to hold books and magazines closer. This affects our ability to focus on the page, which could lead to dry eye, fatigue and strain. The simple fix: holding reading material 16 inches away, a distance other studies suggest is optimal.

## Engagement Announcement

Kevin Walter Kuebler and Amy Susan Franti would like to announce their engagement. The bride received her Master's as a Nurse Practitioner from the University of Iowa in Iowa City and works for Ministry Medical Group in Laona. The groom received his Bachelor's Degree from The California Maritime Academy in Marine Transportation and works for The International Organization of Masters, Mates and Pilots. The wedding will be held at St. Joseph's Catholic Church in Crandon on August 24th with a reception to follow.

# Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous, and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

Dear Editor,

I'd like to give a few dates and facts concerning the history of Forest County Humane Society/Shelter.

We held our open house on Sunday, August 13, 2000, and opened our shelter for business the next morning, admitting "Willie", our first resident dog. Those were great days of celebration for those of us who had worked so hard!

This beautiful state-of-the-art shelter was the culmination of thirty years of planning and dreaming.

We built that shelter without borrowing one cent, and the seven years that our group was in charge, there was never a cent owed against it, with every bill being paid upon receipt thereof.

When we resigned from the Humane Society in January of 2008, we were still debt-free, and we left the organization with a total of \$113,000.00 in the bank. We kept putting money aside, with the possibility of the resale shop not being available to us at some point.

I don't want anyone to think that we resigned because we thought the shelter was failing. We were alive and well and thriving, as the care at the shelter and our bank balance proved. Why we left is of little consequence now.

We started all over again from scratch, with Animal Resource Fund, and we are into our 5th year of successful operation, providing pet food for the needy, assisting with medical bills, vaccinating, etc.

We also do foster care in our homes and do adoptions, taking that first dog into foster care July 15, 2008. We have helped place shelter pets in the past, and taken cases that were referred to us by the shelter.

Hopefully, we have been a compliment to the shelter.

Cory Campbell,  
 President of Animal Resource Fund  
 Former president of F.C.H.S.

Dear Editor,

Students enrolled in Forest County schools will continue to see an erosion of educational opportunities if the governor's proposed biennium budget moves forward. This comes after Wisconsin public schools faced historical reductions in the last biennial budget, reducing school revenues to levels comparable to the 2007-2008 school year. We are all being asked to do more with less during difficult times, but when an antiquated school funding formula (created in 1993), an 8% reduction in revenues from the last biennium budget and only a 1% increase in revenue for the next two years is taken into consideration, the end result will be catastrophic to public education. This will be especially true for rural schools, like those serving students in Forest County. We receive minimal general state aid and nominal categorical aids for sparsity and high cost transportation, even though the aforementioned matters are evident in our schools.

The current funding formula solely calculates a district's ability to generate revenue on local property values, which in the case of Forest County schools is well above the state average. There is no consideration given to the fact that Forest County has a significantly higher poverty rate than nearly all counties in the state. As often said, we are "property rich," therefore the vast majority of our school revenues are from the local tax base. In addition, the return of your state income tax dollars paid to Wisconsin to create general state aids that fund public schools is minimal at best. As a matter of fact, a small percentage of your tax dollars already go to Milwaukee Public Schools (this is an actual line item in the formula used to calculate a district's state aid).

In addition, the governor's recent budget proposal includes a measure that will significantly increase funding for school choice through private vouchers, while proposing only a 1% increase for public schools. The proposed increases to private vouchers will be 9.4% for K-8 students, and a staggering 21.9% for high school age students. To put this into perspective, the last biennium budget reduced public school per pupil spending by \$550 per student, amounts which will remain frozen for the next two years under the governor's proposal. The proposed increase in per pupil voucher funding is \$608 per elementary pupil, and \$1,414 per high school pupil (*Milwaukee Journal Sentinel*, February 18, 2013). Under this proposal, your state income tax dollars paid will be diverted from public education to private vouchers for students to attend schools that are not held to the same measures of accountability as all Wisconsin public schools.

Your state income tax dollars are being returned in minimal amounts to Forest County schools because of a broken school funding formula. State Superintendent Dr. Tony Evers, and the Department of Public Instruction, have recommended a new funding formula, *Fair Funding for Our Future*, which is a step in the right direction to adequately and more equitably fund all public schools. It's not based solely on property valuation and does not ask for an increase in local tax dollars, but a more equitable distribution of general state aid dollars to those districts that receive minimal amounts.

If the Governor's budget moves forward with the included private voucher proposal increase, Forest County schools may see less state aid than they already receive, as any increase in a district's equalized value will only diminish state aid received, forcing schools to make up the difference by an increase to property taxes. This is not the choice of local school boards, but it is how the current funding formula works in figuring our local districts' revenue. This could be alleviated if your income tax dollars were distributed back to public schools in a more equitable way, instead of being used to expand a voucher system that has no accountability to the state in academic performance and that primarily benefits only southern, urban schools. The money used to increase and subsidize private vouchers comes directly from the pool of money that could be distributed to local schools in general and categorical aids. There is an option to increase school funding and to lower local property taxes...by putting more dollars into public school aids and less into the expansion of private school vouchers.

Governor Walker stated in his budget address, "In the end, our goal is simple...ensure that every child, regardless of where they are from or what their family income is, has access to a great education." I question the validity of this statement, as the governor's proposal will adversely affect the schools that serve Forest County students, and numerous other districts in rural Wisconsin. Dr. Tony Evers' *Fair Funding for Our Future* plan looks to find a better balance for rural schools, like ours, that have high property valuation with below average family incomes.

Your support of the schools serving the students of Forest County is appreciated. Please contact Governor Walker and your area legislators, Senator Tom Tiffany and Representative Jeff Mursau, to show your support for *Fair Funding for Our Future* to ensure that Forest County students will continue to have access to a great education.

Sincerely,  
 Ben Niehaus, Superintendent  
 Goodman-Armstrong Creek School District

*"We meet the nicest people by accident"*

**Summer classes at Nicolet a great way to advance your college education**

Enrollment is now open for nearly 100 credit classes Nicolet College will offer in the upcoming Summer Semester.

"Taking college classes in summer has numerous advantages," said Kenneth Urban, Nicolet vice president of teaching, learning and student success. "Students can shorten their time to graduation, lighten class loads in future semesters, or even begin their college careers."

Classes will include numerous offerings from Nicolet's University Transfer Liberal Arts program. These include courses in art, English, geography, history, math, psychology, philosophy, sociology, science and speech. Other options include courses in Nicolet programs such as Accounting, Early Childhood Education, Cosmetology, Industrial Equipment Mechanic, Nursing Assistant, Office Technology, and Welding.

Classes start Thursday, June

Urban noted that all credits earned in University Transfer classes and many from other Nicolet programs transfer to numerous four-year colleges and universities, including every campus in the University of Wisconsin System.

"Every year we have students from other colleges who are home for the summer take classes at Nicolet and then transfer these credits to the campus they'll attend in Fall Semester," Urban said.

Numerous Nicolet summer classes are also offered online or in a hybrid format that blends online and in-class instruction.

"Many students have jobs in the summer or other responsibilities. These online and hybrid classes give students added flexibility, allowing them to complete the coursework at a time that works best for them," he said.

To view Nicolet's Summer Semester class schedule, visit [nicoletcollege.edu](http://nicoletcollege.edu) and click on the Course Schedules link at the bottom of the page.

More information about Nicolet is also available by calling the Nicolet Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493; TDD (715) 365-4448.

## Wabeno Elementary Go Green Winners!

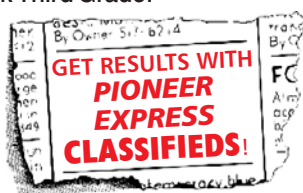

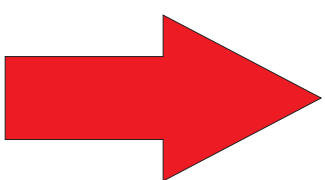

Michael Stamper and Dylan Cloud are the February winners of the Lakewood Super Valu "I got caught going green" t-shirts. Great job kids!

## Wabeno Elementary Steps it Up!

Mrs. Cheney's Third Grade students have really stepped it up this year. Her class has been working hard on following the hallway expectations.

Keep up the good work Third Grade!
