Crandon's Mayoral Recall Election Monday July 29

The recall election for the position of Mayor of the City of Crandon will be on Tuesday, July 29th. Qualified voters are urged to participate in the democratic process and show up at the polls.

Whether you are for Rosa or Jaeger, make your opinion known next Tuesday. The polls are open at the Crandon Municipal Building from 7:00 a.m. until 8:00 p.m.

Hiles Fire Department Trap Shoot, on Saturday

The Hiles Fire Department will be holding their famous Trap Shoot this Saturday, July 26th, starting at 11:00 a.m. and running until 4:00 p.m. The shoot is at the Hiles Trap Range, and the proceeds will go to the Fire Department.

There will be food, games, plenty of prizes and raffles, so bring your gun and have some fun!

St. Mary's Parish Picnic Centennial Celebration-Pickerel

St. Mary's Parish Centennial Celebration will be on Sunday, July 27 in Pickerel. There will be a Polka Mass at 10:30 and a picnic at 11:30.

Come and enjoy the food, the live music, and the family games, rain or shine, and enjoy the day!

Wabeno Rummage-O-Rama

By Linda McEwen

The Annual Wabeno Rummage-O-Rama will be here soon, on August 8 and 9!

Shoppers get ready to find some good deals! Sellers it is time to dig that overstock out of closets.

This event is celebrated town-wide, including the Trump Lake area.

Sellers are encouraged to call Linda McEwen at 715-889-0123 with their address and dates of sales by August 6th. Maps will be available to help shoppers find the the best routes to the Hot Deals!

Some of our stores and eating places will be offering specials during this event. Wabeno's main street has some new added attractions. We have several projects in the works. Wabeno invites you to come and spend the day! You might be pleasantly surprised at what you can find and enjoy.

Save the date and bring a friend!

County Committees to meet on proposed ORV Park

There will be a combined meeting of the Forest County Forestry Committee and the ORV Park Oversight Committee at the Forest County Courthouse at 5:00 p.m. on Monday, July 28. The proposed park and land acquisition will be discussed.

Leaving a mess at the Gun Range

By Mike Monte

Last weekend I went to the Crandon Gun Range to pattern a shotgun. What a mess! A lot of people put in a lot of time to gather the funds for this very nice shooter's facility, and then those who use it leave their garbage behind.

It seems a shame that some people have to clean up behind others who use the range, and there is no reason that targets ranging from cardboard to cans and bottles are left behind by shooters with a slob mentality. Let's do better. If you bring it, take it with you when you leave.

Kentuck Day Festival July 26 plus the Kentuck Klassic Car Show

The Forest County Chamber of Commerce invites all to downtown Crandon on Saturday, July 26, for the Annual Kentuck Day Festival. This popular summer festival celebrates the heritage of many of the area's early settlers from Kentucky. The rich history of families from Kentucky will be featured in the historical booth on the grounds of the courthouse square. With artist and crafter booths, great sidewalk sales, specialty food booths, kid's venue, and live entertainment on the grounds, there will be something for everyone to enjoy! Add the best car show in the Northwoods to the list and you won't want to be anywhere but in downtown Crandon.

The day kicks off with the 3rd Annual 5K Moonshine Run. The Moonshine Run starts at 9:00 a.m. (registration begins at 8:00 a.m.) and will wind its way through downtown Crandon and end near the Kentuck Day festival grounds on the courthouse square. Registration is available on kentuckdayfestival.com or contacting the chamber office. All proceeds will benefit local youth sports groups.

The 11th annual Kentuck Klassic Car Show will take place on the beautiful grounds of the Weber-Hill Funeral Home from 9:00 a.m. till 3:00 p.m. An entry fee of \$10.00 can be paid upon registration, taking place from 8:00 till 11:00 a.m., at the show grounds. Show Chair Winda Collins encourages everyone to register early as the first 100 participants receive a 'goody bag', including t-shirts and dash plaques. First, second and third place trophies will be awarded in each class. Food and refreshments will be available on the grounds and DJ Rusty will be playing tunes throughout the day. Whether your vehicle is show ready or a work-in-progress, plan to attend and show pride in your ride at the Kentuck Klassic Car Show.

Over 100 vendors have already registered for the huge art and craft show set up on the courthouse lawn, offering a wonderful variety of items for purchase. Handcrafted items include wooden toys, furniture, carvings, wildlife art, oil, acrylics, and water paintings, silk floral designs, scented candles, etched mugs, clocks, baskets, ethnic needlepoint, photography, quilting, honey products (from area owned bee hives), hand made jewelry, lawn ornaments, and much more. Many of these talented artisans are from this area as well as from throughout Wisconsin, upper Michigan, and Minnesota.

At the south end of the courthouse square the flea market section along Polk Street will be set up, with over 25 vendors planning to set up a booth.

Many local restaurants plan to have a 'Kentuck' special on their menu. Some will be set up in the courthouse square, along with area groups, to serve their scrumptious specialty food items. The 'Kentuck' traditional soup beans and cornbread are always one of the favorites available. With many more mouthwatering homemade treats, you will have to eat all day long to sample everything!

Live music on the grounds by "Hand-picked Bluegrass" will take place from 11:00 till 3:00 p.m. Kids will have a great time with "Jumping Bean Bouncers" on the south end of the square. Brandt's Horse & Wagon Rides will be back for leisurely rides around the Courthouse Square.

The Forest County Historical Society display will be front and center on the courthouse square, which will highlight the migration of area families from Kentucky who settled the here in northern Wisconsin. Census rolls from the early part of the past century will be on display. Several information booths will also be on hand including two area lake associations.

As this popular festival is a celebration of the heritage of the area's early settlers from Kentucky, dressing the part (Kentucky pioneer, prohibition or moonshine era, or even the humorous version) could win

Nicolet College awarded nearly \$2 million in state Fast Forward grants

Wisconsin Lt. Governor Rebecca Kleefisch, right, and Department of Workforce Development Secretary Reggie Newson visited the Nicolet College Campus to announce the nearly \$2 million grant to advance workforce training at the college.

Workforce training at Nicolet College will get another big boost thanks to nearly \$2 million in Wisconsin Fast Forward grants from the Wisconsin Department of Workforce Development.

The \$1,921,544 in funding will expand academic opportunities in five areas: Business, Welding, Information Technology, Health Care, and Early Childhood Education. "Workforce training is at the heart of what we do at Nicolet and the Fast Forward grants will go a long way in helping Nicolet meet that mission," said Nicolet Interim President Kenneth Urban. "These grants will directly benefit our students by giving them the exact skills they need to be successful, while businesses in the region gain a skilled workforce to drive economic development."

The bulk of the funding will go to expand the times classes are offered to include more evening, weekend, and online options; purchase high-tech equipment; and expand curriculum to offer more short-term training academic credentials. The credentials can be earned in one to two semesters to quickly move students into employment while allowing them to work towards a two-year associate degree.

The grants to Nicolet are part of the \$28 million the Department of Workforce Development awarded to the 16 colleges in the Wisconsin Technical College System. It is estimated the money will help train nearly 5,000 more workers state-wide in high-demand fields.

Continued on page 23

FCEDP Announces New Leadership

The Forest County Economic Development Partnership (FCEDP) recently restructured and has announced new leadership. Eugene Shawano, Jr. assumed the position as President and looks forward to advancing the mission of this organization. The mission of FCEDP continues "to foster an economic environment that promotes an increased tax base, an improved standard of living and quality of life for all people of Forest County." FCEDP is a public/private partnership bringing together stakeholders interested in working to improve the economy of Forest County.

FCEDP is also pleased to announce Joshua Jameson has been appointed as the Interim Executive Administrative Liaison. This comes at a time when many promising economic development projects are moving forward. FCEDP is here for the citizens, businesses and organizations in Forest County communities. For more information about economic development, business planning and projects in Forest County contact Joshua Jameson at (715) 478-3450 or email at director@forestcountywibusiness.com.

Good nutrition essential for older adults

UW-Extension offers tips for encouraging older adults to eat well

Contact Judith Knudsen, 920-391-4651, judith.knudsen@ces.uwex.edu or Terri Miller - Florence, Forest and Vilas County Wisconsin Nutrition Program, 715-479-3653, terri.miller@ces.uwex.edu.

Eating well and getting enough nutrition to maintain a healthy weight can prove to be a challenge for older adults. Many individuals simply find they don't have the same appetite they did when they were younger. And while the body needs fewer calories later in life, not eating enough can cause an unwanted weight loss.

Judith Knudsen, family living educator with Brown County UW-Extension, says there are other age-related changes that can affect older people's appetites and nutrition levels. "Food may not be as appealing if the senses of taste and smell are not as sharp as before," she says.

Older adults might not realize when they are thirsty and a dry mouth may create problems with teeth and gums. Muscle loss can contribute to difficulties chewing and swallowing.

If you are caring for an older adult who could benefit from consuming more nutritious foods, Knudsen offers some tips.

--Serve soft and easy-to-chew foods such as mashed sweet potatoes, cooked pasta, canned fruits, scrambled eggs, pudding, yogurt and cheese. "Make smoothies for breakfast," suggests Knudsen.

--Prepare hearty soups and chunky stews with plenty of well-cooked vegetables.

--Offer high-calorie snacks when gaining weight is a priority.

--Make lunch the main meal of the day and serve colorful foods.

--Provide plenty of water and fluids to increase hydration.

--Encourage an older adult to eat smaller, more frequent meals rather than sticking to a rigid schedule of three meals a day.

"Make eating and preparing food easier by using kitchen tools and utensils specifically designed for older adults or people with disabilities," says Knudsen. "Ask an older adult to help you prepare a meal or snack."

Invite family members or friends to dine with older adults to make eating a more pleasurable experience. And every so often, leave cooking and clean-up behind and plan to dine out as a special treat.

Learn more about good nutrition for older adults here or contact Terri Miller, 715-479-3653,

NEW ON THE MARKET!

W6369 West Rollingstone Drive, on Rollingstone Lake.

One of the finest homes on Rollingstone Lake. Uniquely designed with a huge natural California Driftwood stone gas fireplace, vaulted knotty pine ceiling with new skylights. The master bedroom connects to a large master bath with Jacuzzi tub, knotty pine paneling and skylights. There is room enough to add a sauna. All bedrooms and the kitchen have ceiling fans with lights. The open concept living area has French doors that open to a 3 season heated sunroom. A large wrap around deck toward the lake offers a great place to relax or entertain. The entry from the insulated garage features a first floor laundry. The full basement is accessible both from the inside and outside bilco doors and has a full bath, two finished bonus rooms and a family room and bonus room that have unfinished ceilings. Other interior features are central air and vac., 2013 Lenox furnace. A 16,000 kw generator covers most circuits. There is a 12x10 storage shed, private boat launch and pier at the lake. Price is just **\$350,000.**

8+ Acres on Lake Lucerne Drive, Crandon

This is a nicely wooded lot close to Lake Lucerne with excellent building sites to choose from for your home or cabin near Lake Lucerne. Electricity and phone is at the road. The lot extends to both sides of Neal Rd on the south, which would make a great private building site. If you already have home in the area but need some extra space to build a garage or storage building, this may be just what you are looking for. Nearby Lakes Lucerne and Metonga are the premier recreational lakes in the area but there are many more lakes and rivers to enjoy. Other recreational opportunities abound including fishing, hunting, snowmobiling, hiking, skiing and much more. If you are looking for an investment for your future that you can enjoy today, this 8.46 acre wooded lot could be just right for you at **only \$32,000.**

N9521 Connors Drive, on Ada Lake

Exceptionally beautiful Log sided home with level lake frontage on 75 acre Ada Lake. A heavily wooded 9.2 Acre lot across the street which abuts the Nicolet National Forest is included in the price. The centers of attention in this home is the fireplace with an Ashley insert, huge chimney and it's many Weather Shield windows facing the lake in the Great Room. The master bedroom has a large walk in closet and a private bath with tub and shower stall. The kitchen has all the features you would expect to find in a quality home including granite counter tops, Whirlpool oven with flat cooking surface and Accubake, built in microwave, dishwasher, disposer, ceiling fan and Lazy Susan. The upper level includes a large loft with built in storage for the bedroom room. A king sized sleeper couch in the loft is included in the price. Above the heated garage you will find a large game room with electric baseboard heat. Fenced in areas in front and back if you have pets or want a garden. All this is priced to sell at **\$400,000.**

W870 Markton Drive, White Lake

Beautiful tri-level home with southern exposure on 5 acres near the Wolf River and the National Forest. There is an open concept kitchen, dining area and living room with a three season attached sunroom. A laundry and one bathroom are on the main level. The lower level has a large rec room with a wood burning stove and a dry bar. There is a basement entrance from this room and also access to the basement from the garage. This is convenient for bringing wood in for storage without going through the living quarters. The upper level has three bedrooms and a full bath with both a shower and a tub. The acreage is wooded with some open pasture. The wolf river in this area is famous for its thrilling rafting and trout fishing. Access to the national forest is less than a mile away for hiking and other recreational activities. Five more acres with a barn and pole shed is available for your critters at extra cost. Make an offer. This is one delightful property for **only \$155,000.**

NEW ON THE MARKET!

2305 Maple Heights, on Roberts Lake

Looking for lake front property with a little peace & quiet? Look no further! Roberts Lake offers 452 acres of clear water and 4 seasons of the best recreation in the area. This end of the road double parcel gives you full privacy from the neighbors and has beautiful mature trees plus best of all: it borders the Nicolet National Forest. The home offers a main level spacious master bedroom, laundry/utility room and full bath. The newer roof and well pump plus a brand new kitchen range are part of the selling features of this home. The galley kitchen has lots of cabinets and is open to the living area and has a full view of the open decking which is perfect for entertaining or relaxing on after a long day on the lake. The natural stone corner fireplace is a warm winter welcome after snowmobiling/ATV'ing on miles of area trails. The upper level has another bedroom as well as an open loft overlooking the living room. This open area is a great space for extra company or gaming area for the kids. Outside you will find a wood "over the creek" bridge leading to the approx. 174' of lake frontage and a 2-1/2 car garage/workshop is insulated & heated. **\$199,900.**

Tired of the high price of gas?

Does a stop at the gas station make your wallet look flat? You could always buy a surrey with fringe on top. They took zero gas, but you did have to own a horse and feed him year-round, whether he pulled the surrey or not. And then there is the waste generated by the horse, which might be alright if you have a big garden. And you also needed a sleigh for winter.

This photo is from the Keith collection, year unknown.

Explore the Northwoods, learn new skills

in Nicolet's Outdoor Adventure classes

The Outdoor Adventure Series is in full swing at Nicolet College with many upcoming opportunities for individuals to explore new places and learn new outdoor skills.

Classes include many sea kayak and canoe outings to places such as the Upper Tomahawk River, Lake Superior's Apostle Islands and sea caves, the Rainbow Flowage, the Bois Brule River, along with many others.

"There's one or more instructors on every trip to lead the way, offer tips on technique, and let participants know what they need to do to stay safe on any given adventure," said Jodi Fox Engleman, Nicolet Community Education specialist.

"There's a comfort level for participants, especially when it comes to exploring new places, in having an experienced outdoor instructor on each adventure."

Other more unique upcoming classes include the popular Ice Cream Float, the Sunset Paddle, birding during

the annual hawk migration along Minnesota's North Shore, wild rice gathering, fly fishing, and the Best of the Superior Hiking Trails.

All classes are ranked on a strenuousness scale, from one to four, Fox Engleman added.

"We want everyone to have a great time and this is one way to help people select the classes that match their abilities," Fox Engleman added.

For more information, visit nicoletcollege.edu and enter Outdoor Adventure Series in the search box or call Nicolet at (715) 356-6753, 1-800-585-9304; TDD 711 or 1-800-947-3529.

Maintaining A Mental Edge

Following a healthy diet, exercising regularly, watching your weight and managing stress will keep your body strong and healthy and keep your mind healthy too! The following principles of eating can build and maintain a healthy brain:

- Eat a low fat diet and reduce saturated fat by limiting full-fat dairy products and fatty cuts of meat.
- Eat a nutrient-dense diet. Make every bite count when choosing what to eat.
- EX: whole grain bread (nutrient-dense) vs. white bread (less nutritious).
- Eat a balanced diet of real food. Choose whole grains, vegetables and fruits along with low fat dairy and meats and stay away from processed foods.
- Avoid low calorie diets. These may affect memory, attention and reaction time. If you need to lose weight, do so gradually.
- Eat breakfast. You'll be sharper all day.
- Keep lunch light. A high fat or high calorie lunch can make you less alert.
- Eat whole wheat bread, along with a little protein, a serving of fruit and vegetables.
- Eat more Omega 3 fatty acids. Fish (tuna, herring, halibut, salmon or sardines), flaxseed and canola oils, wheat germ, green leafy vegetables, and nuts (brazil nuts and walnuts), are high in Omega 3 fatty acids which can enhance brain function and fight against depression.
- Choose plenty of iron-rich foods. Iron transports oxygen to brain cells.
- Iron-rich foods include lean meats, beans and iron-fortified cereals.
- Include vegetables and whole grains daily, especially dark leafy greens and a variety of whole grains (for Vitamin E).
- Drink a cup of green or black tea or coffee daily (for caffeine).
- Don't forget fiber. Soluble fiber stabilizes the blood sugar which is better for brain functions.
- Munch daily on a handful of nuts (particularly almonds, walnuts and pecans).
- Substitute olive or canola oil for other vegetable oils (for vitamin E and Omega 3 fatty acids).
- Exercise a minimum of 30 minutes most days of the week.

Townsend Flowage Annual Family Fun Day Corn Roast

Summer is in full swing and you are probably planning fun things for the family to do. Make sure you include a stop at the Townsend Flowage Association's annual Family Fun Day Corn Roast on Saturday, August 2, at the Townsend Town Hall, from 11:00 a.m. to 6:00 p.m.

Look for the big tent on Highway 32, Townsend, and stop over for the best-tasting outdoor picnic treats of the season; delicious grilled sweet corn, burgers, brats, hot dogs and all your other favorite sandwiches, snacks, and cold beverages. This is a family-friendly event that includes music, raffles, a dice throw, and the always exciting children's sawdust toy hunt at 3:00 p.m. All proceeds from the event go to the betterment of the Townsend Flowage.

ATTENTION ALL CRANDON HIGH SCHOOL ATHLETES

There will be an athletic code meeting for all incoming freshman and new athletes on July 29th beginning at 4:30 PM. All returning athletes will review the athletic code during their scheduled team meetings.

Crandon High School will host its annual Baseline Impact Testing session on Tuesday July 29th from 5 - 7 PM. All athletes must attend. Please contact the Crandon High School Office if you cannot attend to arrange an alternate test time.

Laona Learning Childcare Center Opening Soon!

The Laona Learning Childcare Center will be opening August 18th.

The Laona Learning Center is **accepting registrations** for our childcare program which will be held in the School District of Laona Elementary Building. Our program provides year-long care for students starting at 6 weeks of age. The childcare hours of operation are Monday through Friday, 6:30 am until 5:30 pm.

If you would like your child to start between August 18th and September 5th, please register your child by August 8th. This will allow us to be sure we have enough supplies and staffing to meet all the students needs. Registration fee is \$30.00 per family.

Fee: \$3.50 per hour. For children over the age of 1, the fee includes breakfast, lunch and snack daily. For children under the age of 1, we ask that parents provide meals as needed.

Our current staff includes Mary Belland and Tracy Schumacher. Mary has been working for the School District of Laona for the past two years in a variety of educational roles. Tracy has been working in the childcare business for the past seven years, most recently as a Head Start Teacher. Between the two of them they bring a wealth of childcare knowledge and experience.

To register or if you have questions, please call Laurie Asher at 715-674-2143 EXT 202.

KING & QUEEN NEEDED FOR Argonne Day AUG. 9TH

Interested in becoming Argonne's King & Queen?

Open Meeting - Laona Board of Education Monday, June 9, 2014 – 5:30 p.m. C. L. Robinson Elementary – Room 24

President Jim Aschinger **Called the Regular Meeting to Order** at 5:30 p.m. Present: Jim Aschinger, Kay Connors, Frank Shepard, Scott Reeves, Laurie Asher, Jim Bradley, and Sherry Kramer to take the minutes. Rick Krawze was absent. There was one (1) guest in attendance. Notice has been posted in accordance with Wis. Stat. 19.84.

Scott Reeves led the **Pledge of Allegiance**.

Motion by Connors, seconded by Shepard to approve the **Agenda**. All in favor, motion carried.

Appearances/Correspondence - none

PUBLIC FORUM (10 minutes): Shelly Chitko stated that the Laona Education Association had approved the staff compensation plan as presented to them. She also congratulated the Laona High School golf team for their regional win.

OPEN ACTION ITEMS:

Consent Agenda -

Open and Closed Regular Meeting Minutes dated Monday, May 12, 2014.

Open and Closed Work Session Meeting Minutes dated Monday, May 19, 2014.

Open Special Meeting Minutes dated Saturday, May 31, 2014.

School Disbursements and Wires paid from 5/9/14-6/5/14=\$183,203.57

Purchase Orders for period 5/9/14-6/4/14=\$885.23

Motion by Reeves, seconded by Connors to approve the **Consent Agenda** as presented. All in favor, motion carried.

Mrs. Asher discussed the need to have the **School District Policies Revised and Updated**. A committee had started revisions, but Neola, Inc. contacted the school and felt the policies adopted were too close to policies furnished by their company. Quotes from Wisconsin Assn. of School Boards and Neola, Inc. were presented and outlined. Motion by Aschinger, seconded by Shepard to move forward with policy revisions and development by Neola, Inc. for \$8550. All in favor, motion carried.

A **Letter of Retirement** was received from Larry Seiler, K-12 art teacher. Motion by Reeves, seconded by Connors to accept Larry Seiler's retirement with regret and thanked him for his years of service. All in favor, motion carried. He will continue as the JV golf coach. A letter of resignation was received from Brett Fox, high school math teacher. Motion by Shepard, seconded by Reeves to accept Brett Fox's resignation with regret and thanked him for his service. All in favor, motion carried.

A letter of resignation was received from Staci Aschinger, para-professional. Motion by Aschinger, seconded by Reeves to accept Staci Aschinger's resignation and thanked her for her years of service. All in favor, motion carried.

A **letter of resignation** was received from Katie Shepard as High School Forensics Coach. Motion by Reeves, seconded by Aschinger to accept Katie Shepard's resignation. Motion passed with Reeves, Aschinger and Connors voting yes. Shepard abstained.

Rick Krawze arrived at 5:55 p.m.

The **Contract for Building Services Group, Inc.** was presented. Discussion was held on janitorial working hours, supplies, and equipment included. Motion by Reeves, seconded by Shepard to approve Building Services Group contract for 2014-15 school year. All in favor, motion carried.

Mrs. Asher shared the need for **Additional Support Staff Positions for the 2014-15 School Year**. She is recommending a ESEA/Title 7 paraprofessional position to support our K-12 Native American student academic needs as well as all K-12 students in our school wide Title 1 program. Motion by Krawze, seconded by Reeves to hire an ESEA/Title 7 paraprofessional using Title 1 and Title 7 funds for the 2014-15 school year. All in favor, motion carried.

Mrs. Asher shared that nine (9) children have been committed to attending the new Learning Center Day Care. She recommends moving forward with hiring one (1) Director for approximately 6-½ hours per day and one (1) teacher for approximately 5-½ hours per day contingent on enrollment to cover salary and expenses. Motion by Reeves, seconded by Shepard to move forward with posting these two (2) positions as presented. All in favor, motion carried.

Nursing Services for 2014-15 was discussed. Wisconsin State Law mandates Emergency Nursing Services for school districts. In the past few years, services have been contracted through CESA 9 with long travel times. Options will be explored through CESA 8 and local clinics and presented at a future meeting.

A steering committee reviewed the 2013-14 **Co-op Agreement with Wabeno** and brought recommendations for changes to the agreement for the 2014-15 school year. The committee recommended having volleyball practices in Wabeno to save transportation costs. The Board does not want to change the co-op agreement in the middle of the term. No motion to revise the current agreement was brought forward. No changes will be made at this time.

The school district was approached on becoming a non-industry member of the **Great lakes Timber Professional Association** for a yearly fee of \$50. The Board feels promoting healthy forests is important. Motion by Aschinger, seconded by Krawze to move forward with the School District of Laona membership to the Great Lakes Timber Professional Association. All in favor, motion carried.

The **Technology Committee made the following Update and Suggestions:**

- Implement a \$25 per student technology fee to support devices, cases, computer supplies, and repairs.

- Replace and upgrade the devices for all 3rd, 6th, and 9th grade students on a yearly basis to keep all students up to date on technology. Give those student the option to purchase their devices at a reduced rate.

- Student supply lists for the upcoming year were cut back so families would save money in that area in order to help with the \$25 technology fee.

Motion by Reeves, seconded by Shepard to move forward with imposing a \$25/year fee to support student technology for breakage and supplies and give the students the option of purchasing the used devices at a reduced rate. All in favor, motion carried. A thank you was given to Jim Bradley and Stacey Flannery for their work on this committee.

INFORMATIONAL ITEMS:

Custodial/Maintenance DASHIR Update - none given.

Business Manager's Report - none given.

Jim Bradley gave an update on student Chromebook use. He feels they served the students very well. He also gave information on attendance, summer school, and RTI school improvement goal. He thanked Lori Enders for her help with graduation preparation, Larry Seiler, Brett Fox, and Staci Aschinger for their service to the District. Congratulation given to the Rebel Golf team for their win at regionals, Craig Mentz for his First Team All-Conference Recognition and Josh Chitko for receiving Honorable Mention all-conference in golf.

Mrs. Asher gave her **Administrator's Report** and shared that the school year has finished with many good things happening. She stated that the staff has been working very hard and their growth has been amazing. She will miss the staff that's leaving. 3rd-6th grade MAPS testing resulted in 74% of students at or above expected grade level and 91% have improved from last year.

Board Member Reports -

Kay Connors:

- Thank you to Jim Bradley for his work on graduation.

Scott Reeves:

- Updated the Board on the constituent meeting with area legislatures he and Mrs. Asher attended at Lakeland School District.

Jim Aschinger:

- Congratulations given to the Rebel Golf Team for their regional win. Thank you to administration and staff for another good year.

Motion by Krawze, seconded by Connors to **enter into closed session** pursuant to the following statutes for the following reasons: Wis. Statute 19.85 (1)(c) for personnel matters and (f) for considering personal histories or disciplinary data of a specific persons. The motion carried with Aschinger, Reeves, Krawze, Shepard, and Connors voting yes.

After returning from closed session:

Motion by Reeves, seconded by Shepard to approve a full time maintenance position with support staff benefits for the 2014-15 school year. All in favor, motion carried.

Motion by Reeves, seconded by Shepard to **Adjourn** the meeting. All in favor, motion carried. (9:13 p.m.)

Special Meeting - Laona Board of Education Thursday, June 12, 2014 – 5:15 p.m. Room 24 – C. L. Robinson Elementary School

President Jim Aschinger **Called the Special Meeting to Order** at 5:15 p.m. Present: Jim Aschinger, Scott Reeves, Frank Shepard, Kay Connors, and Laurie Asher. Rick Krawze was absent. No guests were in attendance. Notice has been posted in accordance with Wis. Stat. 19.84.

Motion by Reeves, seconded by Connors to **Approve the Agenda**. All in favor, motion carried.

ITEMS FOR DISCUSSION AND/OR OPEN ACTION

A recommendation was made for the **Maintenance Position**. Motion by Reeves, seconded by Shepard to approve Chad Belland for the Maintenance position. All in favor, motion carried.

The **Certified Staff 2014-15 Compensation Plan** was discussed. Motion by Shepard, seconded by Aschinger to accept the certified staff increases as presented. All in favor, motion carried.

The **Support Staff 2014-15 Compensation Plan** was discussed. Motion by Reeves, seconded by Connors to approve the support staff salary scale as presented. Motion passed with Reeves, Connors, and Aschinger voting yes. Shepard abstained.

Motion by Reeves, seconded by Shepard to grandfather Marilyn Leach at her current salary for the 2014-15 school year due to the fact that the new scale is lower than her current rate of pay. All in favor, motion carried.

The **Elementary Secretary Contract** was discussed. Motion by Reeves, seconded by Shepard to approve the elementary secretary contract as presented with salary from support staff salary schedule. All in favor, motion carried.

Motion by Shepard, seconded by Connors to **Adjourn** the meeting. All in favor, motion carried. (5:36 p.m.)

Bobcat, fisher and otter

The approved quotas for bobcat, fisher and otter will be available on the DNR web page in late July - no major changes are expected from last year. An additional Southern bobcat zone (all of Wis. south of Hwy 64) has been approved for 2014. Those interested in hunting and/or trapping bobcats will need to apply to a specific zone (north or south) and time period (period 1 or 2) for the upcoming season. Bobcat applicant preference points will continue as in the past.

Final permit numbers will be known in August and drawings for all three species will take place in late August or early September. Season dates are as follows: bobcat hunting and trapping: Period 1: Oct. 18 to Dec. 25; Period 2: Dec. 26 to Jan. 31, 2015; fisher (trapping only): Oct. 18 through Dec. 31; and otter (trapping only): North Zone Nov. 2, 2013 through April 30, 2014; Central & South zones Nov. 2, 2013 through March 31, 2014.

Wolf

The total wolf quota has been set at 156, but the quota available to state-licensed hunters and trappers may be adjusted depending on state response to tribal declarations. The Department will maintain a 10-to-1 license-to-quota ratio.

One-half of available permits will be issued randomly among all permit applicants and the second half will be issued through a cumulative preference point drawing. Successful applicants will be notified by letter and may also check their drawing status through the DNR website or any licensing agent. It is the applicants responsibility to know their drawing status. Applicants who are not successful in the drawing will be awarded a preference point toward future drawings.

Wolf season will begin in all zones on Oct. 15 and run until the zone is closed by DNR or the last day of February, whichever occurs first. The department has the authority to close hunting zones when quotas are met or if deemed biologically necessary.

TRAP SHOOTING

The Padus Nicolet Gun Club will be Open on Tuesday & Thursday evenings starting at 6:00 p.m. We are looking for trap shooters for 3-man teams. League shooting will start on Tuesday, 6 p.m. June 17th
 Located on Padus Rd., off Hwy 32

Hunters, trappers reminded that Aug. 1 is deadline for many season applications

MADISON - Aug. 1 marks a key deadline for many hunters, trappers and spearers in Wisconsin as fall approaches.

Those planning to participate in fall turkey, bobcat, fisher, otter, wolf or Upriver Lakes sturgeon seasons must have their permit applications submitted by noon Aug. 1.

Permit applications can be purchased through the Online Licensing Center on the DNR website, at all authorized license agents, at DNR Service Centers (Hours for service centers vary; check the DNR website for service center days and hours of operation; DNR Service Centers are not open on Saturdays), or by calling toll-free 1-877-LICENSE (1-877-945-4236).

Fall turkey

There will be approximately 96,700 wild turkey permits available to hunters for the fall 2014 turkey hunting season - the same number of permits offered in 2013. Please note that this number is preliminary and may be revised following review. Any fall turkey permits remaining after the initial drawing will go on sale at 10 a.m. on Aug. 23.

Leftover fall turkey permits will be sold by zone until sold out or the season ends. Hunters who receive fall turkey permits in Zones 1-5 will be able to fill their unused permits during the extended season in the zone where the permits were issued. Season dates are as follows:

Sept. 13 to Nov. 20 for all seven of Wisconsin's turkey management zones; and an extended fall turkey season for Zones 1-5 from Dec. 1 to Dec. 31.

Canada geese

The Natural Resources Board will set waterfowl season dates at its Aug. 13 meeting. It is important to note that Horicon zone hunters no longer need to apply in advance for hunting tags. Hunters in this zone will simply need to indicate their zone preference when they purchase a license. Licenses are available for purchase at any time prior to hunting.

Season dates for waterfowl vary annually and will not be available until the Natural Resources Board acts in August.

Death Notices

ALICE M. RUSSELL, a lifelong resident of Argonne, died Saturday, July 19, 2014 at her daughters home in Crandon under the care of her family and Ministry Hospice. She was 76 years old. She was born on December 23, 1937 in Argonne, a daughter of the late James and Dorla (Roberts) Johnson. She married Charles Russell in 1960. He preceded her in death on July 17, 2011.

She was known as "Grandma North" to many in the community.

Survivors include son, Charles (Jackie) Russell, Jr. of Summit Lake; three daughters, Susan (Randy) Kerr of Crandon, Phyllis Jayne (Michael) Meyer of Rhinelander and Marilyn (Robert) Dalton of Green Bay; 12 grandchildren, 14 great-grandchildren; two brothers, Jack Johnson and Allen (Louise) Johnson both of Crandon; two sisters, Dorla Pitts and Jean Waalkins both of Argonne; and her best friend Aggie Gryczkowski of Argonne.

In addition to her husband she was preceded in death by eight siblings.

A graveside service will be held on Saturday, July 26 at 2 p.m. at the Argonne Cemetery with a gathering to follow at the Argonne Pavilion. Online condolences at www.bradleyfh.com

BETTY J. CARTER, 86, Johnson City, entered into rest Monday, June 30, 2014 at her residence. Mrs. Carter was a native of Moline, IL and the daughter of the late Lloyd Pobanz and Ada Fiebig McCumber. Mrs. Carter was a member of Marvin's Chapel United Methodist Church.

She was a wonderful wife, mother and grandmother who enjoyed dancing, sewing, cross stitch, flower gardening and big band music, but the joy of her life was spending time with her family.

Mrs. Carter leaves to cherish her memory, her loving husband of 60 years, Harold "Dusty" Carter; one daughter, Tami Walters and her husband, Jay, Kingsport; two grandsons, Ethan Walters, Chattanooga and Ryan Walters, Kingsport and one cousin, June Johnson, Moline, IL.

Betty and her husband Harold spent many happy summers in Crandon.

Services were held on Saturday, July 5, 2014 at Tetrick Funeral and Cremation Services, Johnson City, TN. A Celebration of Life Service was held at 12:00 Noon in the Sunrise Chapel of Tetrick Funeral Services, followed by entombment services at Washington County Memory Gardens. Reverend Rick Clowers officiated.

Constance "Connie" Bradle, 94, was called home to the Lord on July 19, 2014 at AGI Healthcare, Crandon. She was born in Oconto Falls, WI on April 12, 1920, to Joseph and Pearl (Como) Miron.

Connie was raised in Newald, WI, the eighth of eleven children. When she was in her early twenties, she moved to Waukeshka, WI to work, but returned to northern WI when she married Frank Bradle on May 18, 1946. They had two sons, James and David, whom they raised in Laona. Both Connie and Frank worked for Connor Lumber Company, Frank for 50 years and Connie for 20 years. Connie was a member of St. Leonard's Catholic Church and a Gold Star Mother of the Laona V.F.W. Auxiliary.

Connie loved to travel on bus tours with family and friends all over the U.S.A. and Canada. She also enjoyed her weekly senior citizen bus shopping trips with friends. She loved visiting with family and friends and loved walking around town on errands. She had a very close relationship with her nieces and nephews who enjoyed visiting, shopping, and buying candy for their "Little Aunty". She was also very close to her grandchildren and great-grandchildren and loved the chance to cuddle with the babies.

She is survived by her daughter-in-law Kary, Sturgeon Bay; grandchildren Emily (Rob) Ahlswede, Brussels, Megan (Brian) Bobbe, Neenah, and Andrew Bradle (special friend Morgan), Sturgeon Bay, great-grandchildren Hayden and Garrett Ahlswede and Iris Bobbe and numerous nieces and nephews.

She was preceded in death by her parents, son James, husband Frank, and son David, siblings Sybil Shores, Joseph "Wilton" Miron, Marie Hupf, Bernard Miron, Salome Belanger, Margaret Giles, Edward "Sam" Miron, James "Pat" Miron, and two infant sisters Laura and Ruby.

The family would also like to sincerely thank AGI Healthcare for the wonderful care and companionship they have shown Connie over the past four years.

A gathering of family and friends will be held at St. Leonard Catholic Church, Laona on Friday, July 25th at 9:30 a.m. with services following at 11:00 a.m. Inurnment will be at the Laona Cemetery. Weber-Hill Funeral Home is assisting the family. Online condolences at www.weberhillfuneralhome.com.

ERMENC, MARION (NEE STUCKERT) passed to eternal life on Thursday, July 17, 2014 at the age of 91. She was a devoted wife of the late Frank for 63 years. Loving Mother of son Gerry and daughters Kate (Gregg Hall) and B.J. Sister of John (Carmel) Stuckert. Also survived by nieces, nephews, other relatives and many friends.

Visitation was Saturday, July 19, 2014 at Mitchell Manor Chapel (5301 W. Lincoln Ave.) 9:30 - 10:30AM until time of Mass Christian Burial at 10:30AM.

Birth Announcement Liam Matthew Johnson

Shannon and Kelly Johnson of Crandon welcomed their son, Liam into their family at 4:04 p.m. on the seventh of July, 2014. He weighed in at six pounds, three ounces and was nineteen and a half inches long.

Liam's grandparents are Kelvin and Donna May of Round Lake Beach, IL.

Wisconsin State Patrol Law of the Month Motorcycle riders are required to have a motorcycle license

As motorcycles continue to grow in popularity among men and women of all ages, there also is a growing need to prevent motorcycle crashes. Last year, 83 motorcyclists died in Wisconsin traffic crashes and nearly 2,000 were injured.

To help prevent deaths and injuries, the Wisconsin State Patrol urges riders to get trained and get licensed. About 35 percent of motorcyclists' fatalities from 2003 to 2012 involved riders who had not completed the safety training or skills test required to obtain a motorcycle license.

A regular Class D driver's license for operating automobiles and light trucks is not sufficient for motorcycle operation. Motorcycle riders must also have a Class M motorcycle license. Riders who do not have a valid motorcycle license may receive a citation costing \$200 per violation.

"Too many people continue to ride without a motorcycle license," says State Patrol Captain Nicholas R. Wanink of the North Central Region/Wausau Post. "It's a serious problem especially for those who have not ridden a motorcycle for several years and are beginning to ride again. Riding a motorcycle requires more physical skill and mental concentration than driving a car, so riders need to get trained and get licensed for their safety and the safety of others on the road."

Obtaining a motorcycle license is not complicated. Motorcyclists must pass a written test and a road test at a DMV service center. Motorcyclists who successfully complete one of the following Wisconsin Motorcycle Safety Program courses do not have to take the road test at the DMV to get their license.

- Basic Rider Course for Motorcycles
- Basic Rider Course for Scooters
- Basic Rider Course for Three-Wheel Motorcycles (trikes)
- Basic Rider Course 2 (for intermediate or advanced level riders)

More information about rider training courses is available on the Wisconsin DOT web at: www.dot.wisconsin.gov/safety/vehicle/motorcycle.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

LAKE LUCERNE BASS

In the recent Lake Lucerne news letter the president of the association Larry Sommer wrote , "Bass will not be removed from our lake this year, but there are plans to do so next year."

This is surprising news to the riparian owners on Lake Lucerne and the people of Forest County. I made an inquiry to the DNR Fisheries Biologist , Greg Matzke who told me there are no plans to remove the Bass from Lake Lucerne next year .

We further talked about if there is an abundance of bass in the lake it is possible to remove the size limit and control the population by fishing. But first someone would present a resolution to do so at the spring hearings, and then the DNR would survey the lake to estimate abundance, size structure, body condition and growth of the population in Lake Lucerne.

Greg said there are three lakes in Florence county are going through the process right now which includes :

-Regulation change proposal, if the data supports the change, this could be done in April 2015 for Lake Lucerne.

-Then the regulation change question would be asked at the spring hearings and put up for a vote. First chance for Lake Lucerne would be April 2017

-If vote passes , new regulation goes into effect May 2018

All this would hinge on a survey of adult bass in Lake Lucerne of 3 to 5 per acre and the willingness of the public to engage in the process of size limit removal.

Sincerely,
Steve Bunda

Dear Editor,

Due to some talk that has gotten back to me, I feel compelled to explain a little bit about myself and my position as the City of Crandon Clerk/Treasurer.

I have lived in Crandon since 1973, when I moved here with my parents (Art and Audrey Plummer) and two brothers. I have lived in Crandon my entire adult life. It is the place that I call home and where I raised my kids and want my grandkids to grow up.

I love Crandon, and I love my job as city clerk/treasurer. It allows my deputy clerk, Amy Lyons, and myself an opportunity to serve the citizens of Crandon with many everyday problems and requests. The majority of my job as clerk/treasurer is determined by the Wisconsin state statutes, however, I have acquired other duties also, such as handling the cemetery paperwork and finances. When you work and live in a small town such as Crandon you do whatever is necessary to make things work. You assist your co-workers and other officials with whatever you can. I have been the clerk for 17 years, and I have worked with numerous council members, mayors and other city officials. One of the many statutory responsibilities that I assume as clerk is that of head election official. The current recall election is unprecedented and makes my job a difficult one, however, it IS my job.

I am of the belief that if you have a problem you bring it to light and work it out by being honest and forthcoming. I was raised in the Plummer family, and they were nothing if not decent and ethical.

The City of Crandon Common Council is made up of eight aldermen and the mayor. The city council has the ultimate responsibility of "running the city" by making the decisions and voting on issues brought before them.

Each office/department has a foreman or official who is in charge of managing their department or office. The mayor is the head of the police and fire departments with the chief having command of the officers under direction of the mayor. What I am getting at is that no single person or position "runs the city." It is a joint effort by many officials and employees with the final authority being the city council.

I look forward to serving the City of Crandon for years to come. I appreciate you for listening.

Cindy Bradley,
City Clerk/Treasurer

New crossbow deer hunting season for 2014

MADISON - With some major rule changes coming for this year's deer hunting season, the Wisconsin Department of Natural Resources has created a number of resources to help make sure hunters are ready for another great deer season.

New in 2014, a crossbow deer hunting license is available for any qualified hunter to purchase. Previously, only disabled hunters could use a crossbow under the authority of an archer license.

The crossbow deer hunting season will run concurrent with the regular archer season. During open firearm seasons, a gun deer license will authorize bow and crossbow use. Crossbow licenses include one statewide buck tag and one Farmland Zone antlerless tag. It is important to note that persons purchasing a traditional bow and a crossbow license will receive only one set of tags.

To help transition into this new season, the department is hosting an online crossbow chat at noon on Thursday, July 24. DNR regulations experts will be on hand to answer all crossbow-related questions.

The crossbow chat will kick off a series of chats that will help make sure hunters are aware of rule changes associated with this year's deer season.

The next chat, which will cover bonus antlerless tags, will take place at noon Aug. 12. Additional chats aimed at answering general regulations questions are scheduled for Sept. 2 and Sept. 9 at noon. For more information, search the DNR website dnr.wi.gov for keyword "chat."

Hunters are also encouraged to check out the frequently asked questions page for more information regarding rule changes. The FAQ feature provides brief responses to a wide variety of deer hunting questions, ranging from deer management unit boundaries to antlerless permits. To view the FAQ page, visit dnr.wi.gov and search keyword "deer."

Those interested in receiving email updates on crossbow deer hunting can sign up to receive occasional email reminders about season dates, regulations reminders and other important information. Visit dnr.wi.gov and click on the email icon near the bottom of the page for "subscribe for updates for DNR topics," then follow the prompts and select the "Crossbow Deer Hunting" distribution list.

Help Wanted

HELP WANTED

Full-Time Science Teaching Position

Job Description: The School District of Wabeno Area has a full-time science teaching position available for a dynamic teacher beginning in the 2014-2015 school year. The successful candidate will become an important member of an outstanding collaborative team working towards excellence in education.

Qualifications: Preferred candidates will possess a thorough knowledge of science and demonstrate a passion to educate all students. Experience with Professional Learning Communities, 1 to 1 technology, common core, PBIS, 21st century skills, Educator Effectiveness, and RtI are preferred but not required for application. Strong candidates will be innovative, engaging, and have a focus on continuous improvement. Collaboration with staff, students, and community members to improve learning is central to our success.

Requirements: Candidates must have appropriate DPI license (601 Broadfield Science Or 605 Biology and 610 Chemistry).

How to Apply: Interested and licensed candidates should submit a letter of interest, resume, transcripts, copy of license(s), and three (3) current letters of reference by Wednesday July 30, 2014 to: Dr. Kimberly Odekirk, District Administrator, PO Box 460, Wabeno, WI 54566.

Additional Information: Wabeno Junior/ Senior High serves roughly 200 students grades 7-12. Wabeno Area School District is very progressive and strives to lead the way in education by meeting the needs of each child in innovative ways. Visit our website at www.wabenoarea.org to learn more about us.

The School District of Wabeno Area is an Equal Opportunity employer. The School District does not discriminate against applicants or employees based on race; age; sex or sexual orientation; creed or religion; color; handicap or disability; marital, citizenship, or veteran status; membership in the National Guard, state defense force, or reserves; national origin or ancestry; arrest or conviction record; use or non-use of lawful products off the District's premises during non-working hours; or any other characteristic protected by law.

HELP WANTED

Special Education Aide

The School District of Wabeno Area is seeking to hire a Special Education Aide at the Elementary school. Duties will include tutoring, student supervision, some record keeping, and technology/computer work.

Preference will be given to candidates with proper license or background. Hourly pay and fringes are determined by the contract agreement.

Applications and complete job descriptions can be picked up at the administrative office or can be found on the district's website.

Interested persons must turn in an application and three letters of reference by Monday, August 4, 2014 to: Dr. Kimberly Odekirk, District Administrator, PO Box 460, Wabeno, WI 54566.

Nicolet Grant Cont. from pg. 1

“Technical colleges are truly our frontlines in training the next generation to have ethical, educated Wisconsin workers,” said Wisconsin Lt. Governor Rebecca Kleefisch in announcing the grants.

“We are so excited to be here at Nicolet Technical College to make sure you have the resources you need to get eager workers into programs where they will get the skills they need in order to get the jobs they want. The whole Northwoods area will truly benefit from having economic development and workforce development go hand in hand to benefit the future of Wisconsin’s economy.”

Nicolet staff worked closely with professionals in each of the career fields to ensure the skills taught in college labs and classrooms are an exact match for those needed in the workplace. They also tried to ensure the new flexible classes fit with the schedules of workers on the job who are seeking additional training.

Here’s the breakdown of how Nicolet will use the money from the five grants it was awarded.

Business

- Creation of the Nicolet Business Academy, the hallmark of which will be numerous new classes offered on nights and weekends and industry-recognized technical diplomas, many of which are new. These include Marketing Specialist, Customer Service Representative, Supervisory Management, Tribal Supervisory Management, Receptionist, Office Assistant, Accounting Assistant, and Bookkeeper.

Welding

- Purchase of high-tech robotic welding equipment and instructional supplies, and expanding class offerings to include weekends.

Information Technology

- Expanded evening, online, and daytime classes and three new technical diplomas that can be completed in a year or less. These include IT User Support Technician, IT Network Technician, and IT Virtualization.

Health Care

- Additional Certified Nursing Assistant classes in Crandon, Wabeno/Laona, Three Lakes, Minocqua, Tomahawk, and Rhinelander. The classes would be held in the high schools with many of them open to community members.

Early Childhood Education

- Add a technical diploma option that can be earned over a series of Saturday classes. The classes will serve those already working in the field with little or no college education and high school students looking to get a jump on their associate degree in Early Childhood Education. For more information on these and other academic programs, visit nicoletcollege.edu or call the college at (715) 365-4493, 1-800-544-3039; TDD 711 or 1-800-947-3529.

Thank You & Personals

A tragic accident claimed the life of my son "Chance" on Sunday July 13, 2014. We would like to extend our gratitude and thanks to the following who took action and extended efforts at the scene in an effort to save my son and were successful in saving the lives of the other two occupants: The Forest County Sheriff's Department, Crandon Fire and Rescue, the City of Crandon Police Department and the Howerton Family.

We also want to acknowledge, with great appreciation, the following who had extended their love, time, support and services during the week that followed the accident: The Keepers of Fire, Weber - Hill Funeral Home, Flowers From the Heart, Ed's Bar & Grill, The Forest County Potawatomi Community, Rev. Don Engebretson, Mt. View Care Facility and to all those who sent flowers, cards, food and supporting messages through word of mouth and Facebook.

We want to extend a special thank you to two individuals, the first being Dan Packard who, while on vacation time with his family, came to assist in making certain that we were notified and properly looked after. Secondly, and no less important, Ted Howerton, who was with Chance after the accident and remained by his side.

Most importantly my family being; Marie Gilligan, Angie and Mike Moe (Michael, Jamie, and Nicholas), Jenny Gilligan, Lori and Scott Cleerman (Shelby), Donald and Veronica Gilligan (Desiree and Destinee), Mary and Chuck Simono, Michael Gilligan, Connor and Ryder Brunette and Michael Brunette.

Our apologies are also extended to anyone we did not name as it was not intentional. The actions by all were special and appreciated, but are too many to name them all. Without the strength, love, support and beliefs brought to us by each one of you, we would not have been able to endure and survive this difficult time, as well, had you not been there.

IT job growth projected to rise; Nicolet to hold career training info sessions

With solid job growth projected for Information Technology in the Northwoods and across the state in coming years, Nicolet College is holding a series of information sessions for people interested in training for a career in this field.

In the Northwoods, Computer User Support Specialist positions are expected to grow 6.5 percent over the next three years. Across the state, that position is ranked 27th in the Top 50 high demand jobs over the next 5 years.

Nicolet offers a variety of IT classes that provide flexible scheduling. These include more evening and online options and classes that require students to come to campus only twice a month. Student can also complete any one of several IT credentials in less than a year.

Information sessions are scheduled for:

- Monday, July 28, 3 p.m. to 6 p.m., just north of Tomahawk in the Bradley Town Hall, 1518 W. Mohawk Dr.
- Tuesday, July 29, 3 p.m. to 6 p.m., Tamarack Center 102, Nicolet College Campus, one mile south of Rhinelander just off of Hwy. G.
- Monday, August 4, 3 p.m. to 6 p.m., Hwy. 70 Vilas County Business Park Incubator, 555 Enterprise Parkway.
- Wednesday, August 6, 3:30 p.m. to 6:30 p.m., Minocqua Public Library, 415 Menominee St.

Interested individuals can stop by anytime during a session to learn about Nicolet’s many IT training options, what it’s like to work in the field, financial aid and scholarship opportunities, and the admissions process.

Michael Spafford graduated from Nicolet’s IT program in May and currently works in the IT department at Drs. Foster & Smith in Rhinelander.

“When I graduated I had many different employment opportunities,” Spafford said. “My instructors at Nicolet provided me with all of the help and resources I needed to be successful.”

In all, Nicolet offers seven college credentials in IT, ranging from short-term training certificates to two-year associate degrees. The college also has many credit transfer agreements with four-year colleges and universities that create a pathway for students to earn a bachelor’s degree.

For more information, visit nicoletcollege.edu and click on the Careers in Information Technology graphic at the top of the page or call the Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493; TDD 711 or 1-800-947-3529.

Dear Public,

I'm supporting Denny Rosa for Mayor. He and his wife have had many years of experience in running a business and he has been very Veteran friendly. His Dad is a WWII Veteran.

Rob has not been veteran friendly. He wanted to sell our Veteran center out from under us and blocked the sale of the metal building to the American Legion after its sale had been approved by council.

Rob also had a hard time working with people such as his two county clerks who know how to run the city like a book. They know the state statues and follow them.

The mayor has a hard time running meetings. He won't let the public speak at meetings. He wants full control. The meetings aren't run by rules of order.

Mike Gruett gave the Mayor much more credit than he was entitled to. the Waste Management idea was thought up by council person Buckey Dailey many years ago. The Street Car Company have had many offers over the years. All former Mayors worked with them. The Street Car Company has had much loyalty to Crandon and its workers. It always had a business of great pride.

The community can be very proud of our city. First of all, tourists tell me all the time how clean and friendly it is.

The last twenty plus years, our business people like Bruce and Tricia have been leading the way. The others have followed.

Crandon received the Main Street award. Mary Kincher headed that up and did a great job with several of us that was on the committee.

The former Mayors, Pat and Gary approved the many things that are showing up in Crandon today. Rob should have some credit, but not all.

A vote for Denny will be a vote for Veterans and a vote for the future of our city's future.

Ron Eveland Pres. Northwood Vet
President of the Crandon Comm.
Life Council
17 year former Council member
26 years USAF Ret.

VOTE ROB JAEGER

Mayor of the City of Crandon JULY 29, 2014

About three years ago I was privileged enough to receive the support of Crandon voters to become mayor of our great city. I will be the first to admit that I am not a career politician with my eye on the next rung of elected office.

Instead, what I really am, is a husband, father and grandfather that worked to become mayor because I was concerned about what I saw happening in Crandon. Population has been declining and taking with it our future. This also has the added impact of harm to the taxpayers in the city, since there are fewer people to pay taxes for the services provided. I want a Crandon with more and better paying jobs, so that our children and grandchildren are less likely to leave.

I have worked to create and retain jobs in our city. These jobs provide payrolls that favorably impact local businesses. Local employment can also mean increased local population since people often live where they work.

The issue that seems to have brought us to this point is really over a single building. As I saw it, if the building issue is not handled properly it could have negative impact on local businesses and citizens. What appears to be happening is the use of a recall to try to force a building issue even if allowing it to occur harms others.

If the voters allow these tactics to win, what will happen the next time someone disagrees with a decision? Won't we see more attempts at recalls? Won't elected officials be inclined to "Not rock the boat" and not to bring forward ideas that can save the taxpayers money in fear someone might drum up a recall against them?

I believe that there has been a great deal of misunderstanding regarding the cost savings ideas that I would like the city council to consider. No one's ideas, including my own ever proceed unless the city council provides their approval. I believe taxpayers want elected officials willing to take a stand, despite rumors and false accusations, to support their interests.

It is my hope to continue to serve as mayor of Crandon and do just that!

Thank You for your consideration,
Mayor Rob Jaeger

Authorized and Paid for by Rob Jaeger

Bradley Endorses Rosa

Ex-mayor Egghead Bradley here, and I have a few things I'd like to address about the upcoming recall election and Mike Gruett's ad in the *Pioneer*.

We hear the words "economic development" all the time. The two projects in the industrial park put the city in debt for about 1.2 million dollars. To the best of my knowledge, if one or both of these projects go belly-up, the taxpayers are on the book for the debt. We don't want that to happen, but it is always possible. Gruett didn't mention that, and I believe our taxes are high enough.

Now to write on what he did mention.

It is my recollection that Hometown Trolley was working to expand their business, with out industrial committee back when I was mayor. And when Gruett talks about the city council not being able to make the tough decisions, well, that is what they are elected to do. The mayor is not elected to make the decisions. The mayor only breaks a tie vote. That's why there are eight people on the council, because we don't live in Russia.

And, I have confirmed with my sources that one of the "grants" that Jaeger acquired did not pan out, and city, for the first time in a lot of years, did not have a surplus at the end of 2013.

Also, due to cutting corners, the new police garage now has a mold problem.

Personalities come and go in city politics all the time; Don Kline, Dorothy Kegley, Orville Duff, Barb Nelson, Gwinn Johnson, Vern Kincaid, Adeline DeNoble, Oliver Morella, Lloyd Kincaid, Kenny Aubol, and yours truly just to name a few. Yet, there has never been a recall of any kind. So, if you believe in recall or if you don't, it is the right of the people and 200 plus people have spoken. If this recall was all about personality conflicts there would not be over 200 signatures on the recall papers, and the state of Wisconsin reviewed and approved said recall.

My thoughts about Gruett supporting Jaeger are that I'm not surprised, as 9 times out of 10 you will see the mayor parked at the chamber office and not city hall. If the full chamber board is supporting Jaeger, it doesn't make for a very good future bond with a new mayor if Jaeger gets beat. I do hear from others on the chamber that Gruett does not speak for them. Gruett writes a nice letter, but mine is more to the point and truthful.

And, to finish this off, I have known Dennis Rosa for over 50 years. He is hard-working, fair, down to earth, way smarter than me and honest as the day is long. He will not practice deceitful tactics or take foolish gambles with your hard-earned tax dollars.

So, if you want a mayor who will work for ALL of the fine people of the city of Crandon and not just a chosen few, vote DENNIS ROSA for Mayor on July 29, 2014.

*Authorized and Paid For By Gary Bradley,
Crandon, WI*

DON'T FORGET

TO VOTE JULY 29TH

Alsteen Endorses Rosa

Here is a bit of history about the metal storage building that the American Legion wanted to purchase from the city.

Information came through word-of-mouth to the American Legion that the mayor wanted to sell the metal storage building that is located next to the new American Legion building on Madison Street. There was an interested party who had looked at it but never made a formal offer.

The American Legion offered the city \$30,000 plus a chunk of land behind the building. The intent was for the land to help clear up the parking and ingress problems in that back alleyway. The city council voted to accept the offer from the Legion, but at a future meeting, the survey that was completed for the project was changed and the Legion decided not to pursue the sale.

The Legion still intends to work with the city to help clear up the alleyway problem.

The city bought the storage building from Brian Wellmon many years ago. It was supposed to be painted by Blackwell Job Corps, and there were several repairs done to it. The city even thought about moving the building, but that did not happen. The city now stores many things in the building.

The mayoral recall election was not started because of the metal storage building. It was started because of the way the mayor treats people and issues that he does not agree with. We have enough bad government in Washington, and we don't need it in Crandon.

VOTE DENNIS ROSA FOR MAYOR JULY 29!

P.S. - The article Mike Gruett had in last week's paper needs a correction. The garbage and recycling contract that was negotiated with Eagle Waste was done by the garbage and recycling committee, not the mayor. This committee saved the community a lot of money, not the mayor.

Authorized and paid for by Larry Alsteen, Crandon, WI

Hometown Trolley Supports Mayor Jaeger

Hometown Trolley relocated from Illinois to Crandon, Wisconsin in 1993. At that time, the City of Crandon was a supportive community and was helpful with the relocation of a small but growing business.

Over the years we have seen progression and stagnation with the City of Crandon concerning economic growth and business support. After recently considering relocating, Mayor Jaeger began a tireless effort to find a solution for Hometown Trolley to expand locally to meet the demands of our production increases. Hometown Trolley now occupies the former Rhinelander Door building and has double production and increased employment. This would not have happened in Crandon if not for the persistence of Mayor Jaeger. Hometown Trolley feels Mayor Jaeger has done a fantastic job with commendable efforts in moving the City of Crandon in a positive, forward direction. It would be a terrible loss for the community if this were to change just when Crandon was beginning to receive notoriety from surrounding areas for economic growth efforts of support to local businesses.

Mayor Jaeger you have our continued support!

Hometown Trolley, The Pence-Dunow Family

Authorized & Paid For by Hometown Trolley

ON THE RECALL ELECTION

There are two sides to every story. Here is the other side. For over 1 year a small fraction of the American Legion Post 94 members along with Commanders Jim Gunderson and Trent DuFour have been trying to coerce the City of Crandon into selling them property using bullying tactics. They used an extortion plot by threatening to close an alley that has been used by over 11 business places for over 100 years. Closing this alley would also put the US Post Office in jeopardy of being closed or moved to either Argonne or Laona. Even though the committees and council voted to sell a \$50,000 building to the Legion for a very reduced price of \$30,000, the Legion still has not followed up with the proper committees to negotiate the final details of this purchase. As chairman of the public property committee, I met with Jim Gunderson and we talked at length about a compromise that would benefit both the businesses and the American Legion. I discussed this with the mayor and he suggested I take this to the committee for their input and recommendations. This meeting never happened. Jim Gunderson came to me two days later and told me to hold off because he needed to talk to Trent DuFour. He told me Trent was putting up the money for the building and Trent had to go along with our compromise or the Legion wouldn't be able to complete the purchase. After that I invited the Legion Commander to two different committee meetings to further discuss this. No one representing the Legion came to either meeting. Keep in mind that this purchase to the Legion is tax exempt, resulting in no further revenue to the city. If the offer of \$50,000 would not have been interfered with by the Legion, the city would have \$50,000 in funds to be used to help reduce costs to the taxpayers. The city would have one more business in town that provides new jobs. This business would also be paying property taxes to the city every year. Even though all decisions and votes on this sale have been exclusively between the American Legion, committee, and city council in which the Mayor has no vote, except in case of a tie, which never happened, the Mayor is still being blamed for holding up this sale.

Now on the recall election. This was started by three individuals who are either members or have very strong ties with the American Legion. The members who filed the recall document as the recall committee members are Larry Alsteen, Bob Keller and Ron Eveland. They also circulated the petition for recall signature or had someone circulate for them. I talked to people who were called from City Hall and asked to support this recall. I talked to people who were also asked by former Mayor Gary Bradley to sign the petition and support this recall. The only candidate to come forth and oppose Mayor Jaeger in the recall is Dennis Rosa, who happens to be the City Clerk, Cindy Bradley's ex brother-in-law and former Mayor Gary Bradley's son-in-law Dennis Rosa, who has lived in the area all of his life in the Town of Crandon, not the City of Crandon. He recently moved into the city so he is now a city resident. I question why we need someone from across the line to come into Crandon and run our business and city for us.

Now to address the "no" vote I made twice during special council meetings. The first special meeting that was called ordering the re-election, I had no problem with this because the signatures were all in order and papers filed properly. What made me vote no was the advice to the council from the City Attorney. She said the council was requested by state law to order this election by a council vote. Although we had the choice of voting yes, no or abstain, any member voting no is in violation of the state statutes, and could be prosecuted for their vote. The no vote I cast was not against the recall election, I voted no because I am a US citizen standing up for my right and the right of the people I represent to vote their choice without being threatened by prosecution. Councilman Larry Berg also voted no, but after a sleepless night he claimed he saw the light and it was to uphold the WI statutes when he was sworn in. Mr. Berg pressed the city to call yet another special meeting at the taxpayers' expense to change his vote to yes. Again, I voted no with the same reasoning as before. Think about this attempt by the state to force people to vote the way the state wants and not the way the people have the right to vote.

The mayor we now have is a peoples mayor. He is working hard to make this city prosper and grow. He is working toward bringing in business and industry to create jobs and increase population and tax base. He is not raising taxes, he is not firing any city workers and he is not trying to run the city by himself. That is the job of the City Council with recommendations from standing committees. This is one mayor we need to keep. He is on the side of the people. A change now would set this city back 40 years and back into the "good ole boy" days. My support is for Mayor Rob Jaeger, he will help this city grow. *Authorized & Paid for by Jim Houle*

Sheboygan alligator finds new home

The alligator recently caught near the Sheboygan River has found a new home at the Chicago Herpetological Society.

Sheboygan police officers and sheriff's deputies responded to reports of an alligator sighting on the morning of Sunday, July 20. After capturing the animal, it was turned over to Michael Clutter, a Department of Natural Resources conservation warden.

"I sent several emails to zoos and other animal rescues looking for a home for the alligator. Staff at the Milwaukee County Zoo suggested I contact Small Scale Reptile Rescue and they offered to take the animal," said Clutter.

Small Scale Reptile Rescue is a Milwaukee area organization that works with shelters and animal control agencies to assist in the rehabilitation and finding suitable homes for abandoned and seized reptiles. The organization sends alligators to alligator farms but will not allow the general public to receive them. The organization transported the animal to the Chicago Herpetological Society this past Tuesday evening.

State law regulates the introduction, stocking and release of wild animals, and violators can face a forfeiture of \$539.50 for the release of a wild animal. The incident remains under investigation. Anyone with information is asked to contact the DNR at 1-800-TIP-WDNR.

Lake Metonga Boat Parade

Windy, high waves and white caps didn't prevent eight enthusiastic boat parade participants from circling Lake Metonga at 2:00 p.m. on July 5, 2014. The excitement and fun of the kids and adults as they actively portrayed the theme of their design was the highlight of all who watched from the shoreline and boats. Eight judges ranked each design on theme, originality, creativity, decoration and presentation. To say the least, it was a difficult task, as all designs were exceptional.

First prize was awarded to Ron Wolf's crew for "Gilligan's Island SS Minnow." Second place was awarded to Don Eisenshank's crew for featuring "Uncle Sam and Betsy Ross." Third place was awarded to the Basten family asking that "We want you to join the Lake Association" on one side and patriotic USA, USA, USA on the other side.

Following the parade, a cookout, sponsored by the Lake Metonga Association, was held at Beachside Bar and Grill Resort and was attended by 150 people. Brats, Italian sausages, hot dogs, beans and Metonga "Low Country Crab Boil" featuring Lake Metonga's infamous rusty crayfish was a special treat. This delicious treat was prepared by Tim Leonardelli and Dewey Karcz. A total of 2,000 crabs were served. People were coming back for second and third helpings.

Raffles and contests for adults and children, sponsored by Leonardelli, highlighted this festive outing. Parade participants are already planning for next year.

Concerts on the Riverwalk moves back to the bandshell

For the first time this summer, Concerts on the Riverwalk will be back at the bandshell near Trig's in Rhinelander on Wednesday, July 30, at 7 pm. Following construction around the building, the grass has been reseeded and is now ready for an audience.

The Rhinelander Area Community Band will take the stage with a traditional roster of rousing concert pieces, show tunes and marches. Special for this performance will be a rendition of The 1812 Overture by Tchaikovsky, complete with a fireworks display.

Band director Dale Smith introduced the piece to the band at the beginning of the summer, and the group has been working on the challenging music for several weeks. Guest performers will be coming in to fill in the ranks and make it a truly memorable performance.

As always, the concert is free, but a goodwill donation will be collected. There are some benches available at the park but listeners are urged to bring their own lawn chairs or blankets. For more information, call Jan Leschke at 715-362-7157.

The McCaslin Lioness Swim Program

The 2014 Lioness Swim Class was a cold one this year, but over 30 children learned to be safe and have fun in the lakes. With the guidance of Tami, Katie and Daniel Goetz and some awesome helpers, we helped the Minnows, Sharks and Dolphins achieve many goals. This was the 31st year the McCaslin Lioness have provided this service to the children. Lessons are held in two-one week sessions beginning the Monday following July 4th.

Have a great summer, kids!!

Wabeno Lego League

Informational Meeting August 6th

Wabeno Lego League is having an informational meeting for parents/volunteers on Wednesday, August 6th at 5:30 P.M. (NOTE TIME CHANGE) at the Wabeno Elementary Library. The purpose of this meeting is to provide information to parents/volunteers who are interested in having their child participate in Lego League and/or are interested in coaching a group of four to six children (first through sixth grades). With adult guidance the students will experience hands on science and technology, use their imaginations, and have fun!

The program will run from September 2014 through March 2015. If you have questions please call Teresa Romprey at 715-484-3042 or Terri Brauer at 715-616-2159.
