Old log finds new home at Holt & Balcom Logging Camp

(L-R) Jon Marsh, Jeff Radish, Bob Brown and Bruce Beno are all smiles as the historic log rests comfortably in its new home at the Holt & Balcom Logging Camp Museum in Lakewood.

A 130 year old log rescued from Reservoir Pond in Townsend is now safely ensconced in its new home at the Holt & Balcom Logging Camp Museum in Lakewood. Donated by Debbie and Kyle Roeser of Green Bay, the log has a U and a D clearly marked in two places, identifying it as an original log from the [Uri] Balcom and [Deville] Holt Lumber Company. The log was taken down with a two-man crosscut saw, indicating it was cut after 1880 when that tool was introduced to the logging industry. It was most likely cut prior to 1887 when Holt bought out Balcom and use of this blaze (stamp) was discontinued.

"When I called Jeff Radish, owner of Radish Crane Company, Townsend, he quickly agreed to transport and position the log," said Camp Curator Kathleen Marsh. "We are so grateful to Jeff for donating his services. He expertly loaded the log, hauled it out to the Museum, and carefully inched it into place."

Marsh added: "What is now our oldest artifact sits on a stand built by one of our most faithful volunteers, Bruce Beno. Bruce, my husband Jon, and Camp Manager Bob Brown assisted in positioning the log. Bob immediately took charge of the preservation process."

Former Camp Manager Norb Langer is also doing research on the log itself. He has asked Forest Service personnel in the Lakewood office to verify the species and determine the age of the tree when it was cut. "We know it will be of great interest to future visitors, especially the hundreds of area fourth graders who tour the Museum each spring as part of their study of Wisconsin history," Norb said. "This is truly a precious and rare relic of Nineteenth Century northwoods history, and it is exciting for us to be able to add it to our collection."

The first large group to view the log will be members of the Wisconsin Woodlands Association. Their visit on September 19 is part of an optional tour offered to those attending the WWA Convention at the Potawatomi Casino and Hotel in Carter. Later that evening the Museum is also providing the after-dinner entertainment, "Letters from the Logging Camp." The play is an original dramatization written by Kathleen Marie Marsh. Narrated by Shirley Ashbeck, it chronicles four years (1892-95) in the lives of Holt Lumber Company owner W.A. Holt and his wife Lucy (Kathleen Marsh) as well as fictitious characters Foreman Harold Hooker and his wife Henrietta (Beth Hartman), and Camp Cook Henry Hauser and his wife Hannah (Cindy Jonet).

The final Holt & Balcom Logging Camp Museum event of 2014 is the third annual Red Light Saloon to be held October 4 at the Townsend Town Hall at 2:00 and 7:00 p.m. This year's show, "The Homesteader's Fraulein", pays tribute to the hardy immigrants who settled in northern Oconto County during the final decade of the 19th Century.

Special Note: Tours of the camp are offered summer Saturdays from Memorial Day to Labor Day. The Museum, which is located one and a half miles east of Lakewood on Highway F, is closed for the season, but private tours can be arranged by calling Bob Brown (715-276-3505) or Kathleen Marsh (715-276-6515).

Forest County Deer Advisory Council to meet on September 24

Deer population objectives that will be used to help formulate hunting opportunities over the next three years will be the topic of discussion at Forest County Board Room on September 24th starting at 7:00 p.m. While this is a working meeting of the Forest County Deer Advisory Council, the public is encouraged to attend and will have an opportunity to discuss issues and provide comment.

County Deer Advisory Councils are a newly formed body as part of an effort to provide more public input on deer management issues and give stakeholders a greater responsibility in managing local deer numbers. Councils will also meet in October and December as they develop a recommendation to the DNR as to how many deer they would like in their respective county.

Learning in Retirement classes start Sept. 15 at Nicolet College

Northwoods retirees seeking just-for-the-fun-of-it learning opportunities and the chance to make new friends are encouraged to attend any of the upcoming offerings in the Learning in Retirement program at Nicolet College.

Fall Session classes start Monday, September 15 and include more than 40 topics. These include the ever-popular Ced Vig Nature Series, travelogues to the high Arctic and South Africa, Return to Pearl Harbor, Wisconsin's Changing Climate, a Fall Hike at Treehaven, along with many others.

The upcoming session will also include tours of many local businesses. These include Trig's Smokehouse, WXPB, George W. Brown Jr. Ojibwe Museum and Cultural Center, WJFW Ch. 12, and the Packaging Corporation of America Mill.

"Any of these offerings is a great way for active retirees to learn new things and meet new people," said Nancy Brisse, Nicolet LIR community representative. "The whole point is to have fun and stay active and every class offers the opportunity to do exactly that."

Classes will be held throughout the Northwoods in Rhinelander, Tomahawk, Crandon, Three Lakes and Wabeno. Some classes will meet just once while others are held once a week over the course of months.

About 300 Northwoods retirees belong to the organization.

The LIR membership is \$35. Members can take as many or as few classes as they desire. There are no tests or grades in any class - only learning just for the fun of it. For more information about the LIR or a complete class list, visit nicoletcollege.edu and type Learning in Retirement in the search box. Interested individuals can also contact the Nicolet College Learning in Retirement Office at (715) 365-4491 or 1-800-544-3039, ext. 4491; TDD 711 or 1-800-947-3529.

Racing Cont. from pg. 1

The talents of CJ Greaves was on full display at Crandon, with the son of racing icon Johnny Greaves making short course history on Sunday by becoming the first driver ever to podium in all three PRO classes in one day (top). Another rising star, RJ Anderson, led the entire PRO 2 field to the checkered flag on Sunday's Amsoil Challenge Cup race. (Peter Murphy photos)

The weekend's big winner was the #99 Monster Energy Ford PRO 4 driven by Kyle LeDuc. Leading both land rush starts into Crandon's legendary Forest County Potawatomi Turn One (top), the California veteran pounded his way through the race's PRO 2 field and was first to the checkered flag for the 5th Annual Amsoil Challenge Cup. The exuberant driver not only won a record \$45,000 win, but also will have his name forever engraved in the beautiful A m s o i l c u p .

earning a special place in history. Bolstered by the largest single race purse in Midwest short-course racing and a weekend crowd that reached record-setting levels on Sunday, the 2014 Off-Road World Championships at Crandon International Raceway will reinforce the event's legendary status even further.

With a record 2,000 camping spots pre-sold and thousands more spectators filing through the tracks entrances for three days of racing, the 400 acre Crandon International Raceways once again lived up to its reputation as the "Big House." And while rain on Saturday lowered the overall weekend attendance slightly from previous years, Sunday's epic day of PRO class racing and the 5th Annual Amsoil Challenge Cup finale drew a Crandon single-day record crowd of just over 20,000 enthusiastic fans.

For those that missed being there, this Saturday, Sept. 6, the NBC Sports Network is airing the final PRO races of the year in all their glory starting at 3:30 p.m. EDT. At 5 p.m. EDT, the 5th annual Amsoil Challenge Cup race will be run in its entirety.

After the traditional Labor Day weekend parade in downtown Crandon, the rains came on Friday night, and continued through Saturday. While the 1.5-mile dirt track was a muddy mess, astonishingly the hearty crowds either enjoyed hanging by their campfires or just watching dirt being moved from spectator hill. Thanks to lots of hard work and the track's rather effective drainage system, by the afternoon there was just enough surface to slog through several MORR classes and allow some racers to claim their classes' Crandon World Championship title. By the end of the day the track surface came-in just enough to provide an incredible Super Buggy race, which was won by west coast competitor Kevin McCullough.

By weekend's end the racers managed to claim all 14 of Crandon International's "World Champion" crowns, including two for the youngsters via the highly popular running of the Midwest-bases Short Course Karts and west coast-based Modified Karts.

With the loss of track time, all TORC Pro racing was scheduled for Sunday, with double points racing in PRO 2WD and PRO 4x4. The PRO Lights racers would run for two separate rounds, while all of the MORR Sportsmen would round out a packed schedule leading up to the all-important Amsoil Challenge Cup finale.

The early proceedings saw Chad Hord take the PRO 2 class win, but losing the 2014 championship to CJ Greaves. The young Greaves, however, would claim the top-of-the-box spot in the first PRO Light race, a preview of things to come. The biggest battle came in the 2014 TORC PRO 4 finale, with Kyle LeDuc, Johnny Greaves and class newcomer CJ Greaves banging doors all the way until LeDuc took a well-earned victory. The performance gave Johnny Greaves the 2014 championship; while talented son CJ became the first driver in short course history to podium in each of the sport's top three categories!

The weekend finale saw TORC's PRO 2WD and PRO 4x4 classes let loose for the 5th Annual Amsoil Cup Challenge race. In a new Midwest off-road motorsports record, the field was racing for a payday of \$45,000 in cash plus additional prizes from MasterCraft Safety and Lincoln Welders from a total purse of just over \$56,000.

It was one year ago this weekend that the family scored their biggest victory yet as C.J. crossed the Crandon finish line just ahead of his father to claim the Amsoil Cup Challenge – the richest payday in the sport. The race pitted TORC's PRO 2WD and PRO 4x4 on the track at the same time after receiving staggered starts.

Not surprisingly, the land rush-style starts that are Crandon's trademark were thrilling for the crowd and the drivers in both classes. With Chad Hord and Kyle LeDuc getting the hole shots, the race was shaping up well until a big crash by PRO 4's Mark Kvamme going into the track's Polaris RZR "Gravel Pit" corner forced a red flag stoppage. It took rescue and medical crews awhile to extract the moderately injured driver, with all the trucks stopped in formation.

Insuring another shot at a great race, the two classes were realigned for a second land rush starts for both classes, with Hord and LeDuc again on point coming into a packed Crandon infield. While some had thought Hord's lead insurmountable, there was no denying a flying LeDuc, who was hounded by both Greaves Motorsports Monster Energy Toyotas. The PRO 4s crushed their way through all the PRO 2s except for one – the Polaris/Monster Energy sponsored truck of RJ Anderson.

In the end, CJ Greaves suffered a late-race DNF, handing a welcome third place podium finish to an elated Anderson. Johnny Greaves took the runner-up spot as Kyle LeDuc's flying Ford was untouchable.

Holding a check for \$45,000, a specially made gold plated "Top Gun" Henry Rifle commissioned by Crandon International Raceway and the huge Amsoil Challenge Cup trophy, young LeDuc had come east and made the ultimate statement. He proved once again how powerful the idea of one all-out "World Championship" race at Crandon pitting the best versus the best continues to be as the iconic track heads towards its 50th Anniversary celebration in 2019.

It was also the culmination of a 2014 Crandon sweep by Monster Energy company, a staunch supporter of short course off-road racing. fans, the good folks at Monster Energy also set up two of their huge, state-of-the-art hospitality stages to entertain the Crandon International crowds and make sure they too were having a "Monster" of a weekend at Crandon.

"This race weekend was a tough one in many ways, but without a doubt we have the best fans in the world," explained Crandon President Cliff Flannery. "The best part is that racers in all classes put on a show that many of us won't forget. Our management team has already met to discuss making improvements for 2015 so we can better accommodate our racers, fans and sponsors for next year and beyond."

Deer Advisory Cont. from pg. 1

Council meetings will develop recommendations to the DNR regarding deer population objectives in their respective county, antlerless quotas, and season structure options. Through their participation, CDAC members and meeting participants will be given a direct stake in managing Wisconsin's deer herd.

Three meetings will be held this fall, as will happen every three years, to develop deer herd population objective recommendations to the department. Councils will meet each spring to develop antlerless deer harvest quotas for deer hunting seasons and consider various strategies to meet population objectives.

Local department staff will be on hand to present information and answer any questions and discuss possible strategies for managing the local deer herd.

Anyone interested in making a statement at the meeting must pre-register by contacting Alan Harrison, Forest County CDAC chair at 715-473-3921. In order to accommodate all who wish to speak, statements will be limited to three minutes.

Those unable to attend a local meeting will be able to view meeting agendas and minutes on the department's website.

Deer hunters and those interested in helping manage their local deer herd are encouraged to check out the frequently asked questions document featured on the department's CDAC page for any questions regarding councils. To view a more general FAQ page, visit dnr.wi.gov and search keyword "deer."

DEATH NOTICES

Allen Roberts Johnson, born January 4, 1924, son of the late James Henry and Dorla Elizabeth (Roberts) Johnson, passed away peacefully with his family present on September 4, 2014, at AGI Healthcare (Crandon Nursing Home) at the age of 90.

Allen is survived by his beloved wife of 68 years, Louise (Montgomery) of Crandon; four children, Dorla (Melvin)

Donek of Crandon, Rebecca (Ken) Eades of Eagle River, Jeffrey of Loveland, CO, and Leck of Crandon; eight grandchildren, Sharla (Kelly) Kitchmaster of Laona, Mel (Nancy) Donek of Argonne, Jerry (Debbie) Johnson of Bemidji, MN, Robert (Chloe) Eades of Bismarck, ND, Jamie (Michael) Karpinski of Eagle River, Ryan Johnson, Shannon Wagoner, Jeffrey Johnson, Jr. of Longmont, CO; and 17 great grandchildren, Kayla, Jena, Kody, and Jade Kitchmaster of Laona, Jessica and Ty Donek of Argonne, Callie, Tessa, Serena, and Lydia Johnson of Bemidji, MN, Mariah and Zoey Karpinski of Eagle River, Ben and Brian Eades and Megan Kellmer of Eagle River, Sawyer Eades of Bismarck, ND, and Isaac, Curtis, and Vanessa Johnson of Longmont, CO. Allen is also survived by two sisters, Dorla Pitts of Crandon, and Jean Waalkens of Argonne; and brother, Jack of Crandon.

Preceding him in death besides his parents, James and Dorla, were two children, Lonah Diane Johnson and Robert Allen Johnson. Also preceding him in death were two brothers, James and Lloyd; 6 sisters, Lorraine Zelechowski, Phyllis Pitts, Nancy Johnson, Joyce Garbarek, Helen Mercer and Alice Russell; numerous brothers-in-law and sisters-in-law, aunts, uncles, nieces, nephews, cousins, and friends.

Allen was born in his home town in Argonne, WI, where he grew up, attending Argonne grade school through the 7th grade. He quit school to go to work with his father, James, in woods work and logging until he joined the Navy at age 19. He served in the navy from Nov. 7, 1943, through April 10th of 1946, with honorable discharge. His first 8 months in service were spent in boot camp and schooling for motor machinist. Allen said his older brother Jimmy had inspired him to go into the service, as he (his brother) was in aviation in Air Force. He was on board a ship named LCI772R. He was a Motor Machinist Mate 3rd Class and served in the engine room unless under marshal orders, of which he was many times - firing 20mm anti-aircraft guns. He said he must have fired thousands of rounds during those times he fought in World War II. He spent 20 months (mostly aboard ship) in Honolulu and the Gulf of Leyte of the Philippine Islands, then fought in the two invasions in the Northwest Pacific in the Iwo Jima battle, where the Japanese were defeated. He said the battle in Okinawa lasted over three months, and was fought from the ship from the east side at Buckner Bay. He said they also spent time on the west side of the Pacific Ocean. Allen said the ship was called LCI772 R (as the R meant it was also a ship that fired rockets). He said he never regretted serving his beloved United States of America. Allen married Margaret Louise Montgomery (daughter of John and Delilah Montgomery) June 6, 1946. They lived in Milwaukee, WI, where Allen attended Milwaukee School of Engineering and worked in welding. They later lived in Kentucky, and in Nashville, WI, then moved to their home in Crandon in 1956. Together they had 6 children. Allen had become a roofer and had his own Crandon Lumber Supply Roofing and Siding business for many years. He retired at age 72 in 1996. His hobbies were playing guitar, fishing, hunting and spending time with his family. Allen loved the Lord, his family, working in his roofing business, and serving his country. He will be sadly missed by all.

Zachary Mitchell (Wabijakawe) McGeshick, son of Peter McGeshick III of Mole Lake & Cheryl McGeshick of Lac Vieux Desert, MI passed peacefully in Eau Claire, WI on September 2, 2014 after a courageous battle with Duchenne Muscular Dystrophy. Wabeno Library receives a personal remembrance of a Vietnam Vet and father

On a summer trip back to the Wabeno area where her dad was from, and where she had lived for some years as a child, Julie K. Weber-Torres visited the Wabeno Public Library to donate two signed copies of her remembrance of her father, Julius (Jerry) D. Weber:

"My Dad was truly my hero, though he struggled with Post-Traumatic Stress Disorder, throughout the rest of his life upon returning home from the war." He served in the U.S. Army as a Light Equipment Engineer assigned to the 557th Engineer Company, helping to build the Thunder Road, "But that didn't nearly describe what he did," related his daughter: in addition to his "normal" duties of construction under enemy fire, he had to see, and haul the bodies of his fallen brothers off of the fields and the sides of the roads....he surmounted extremely adverse conditions and served with distinction. Among his medals were the Army Commendation Medal, The National Defense Service Medal, a Vietnam Service Medal, 2 Bronze Stars, and a Silver Star."

Weber-Torres, in her personal remembrance of her dad, speaks of his struggles with alcoholism that drove a rift in their family, and she now spends many hours speaking with Veterans groups and service organizations, in her home state of Florida, and elsewhere. She presented the library with two copies of the book in remembrance and thanks to the many veterans of the area and the country. The signed copies are available to be checked out, and in her inscription, she thanks our local veterans for their service.

She hopes to add many slides that her father took during his war years in Vietnam, on her website which she has created for the book: www.adaughtershero.com. She goes on, in her afterword: "A Daughter's Hero' was written to raise awareness about the long lasting effects of and shares the unconditional love and compassion between a daughter and father."

In addition to adding this special item to the collection, the Wabeno Public Library has ordered a copy of the film, "Still the Drums," an award-winning documentary which chronicles the lives of four friends in Vietnam (www.stillthedrums.com). A synopsis of the film is as follows:

M.I.A. (missing in action), in Vietnam, for thirty-nine years, the remains of Lt. Jack E. Buchannon, U.S.M.C., are found and identified. He is brought home and posthumously awarded the Medal of Honor and buried as a fallen hero.

His three childhood best friends, also ex-marines and Vietnam veterans, have been meeting every year on their missing buddy's birthday, but this time it's different, it's immediately after attending his funeral. They plan to raise a final toast, look back on their lives, their friendship and their service to country, but some secrets have been kept.

"We are honored to have received the generous donation of Julie Weber-Torres' book, and we are pleased to add to our collection materials that are dedicated to telling the story of our Vietnam Vets," spoke director Carol Lee Saffioti-Hughes.

The Library invited Julie Weber-Torres to speak to the public when she makes a return visit to this area, which she hopes will be this spring. For more information, to check out the book, or be on the reserve list for both the book and the film, contact the Wabeno Public Library at 715-473-4131.

Townsend Flowage Association 1st Golf Outing

During the 50/50 drawing at the first annual Townsend Flowage Association Golf Outing, winner Kevin Osadjan donated his share of the raffle winnings, \$277, back to the Townsend Flowage Association. A total of \$1,195 was raised for the betterment of the Townsend Flowage.

The Townsend Flowage Association's First Annual Golf Outing was held at the McCauslin Golf Course in Lakewood on August 26. The event was hosted by Dawn Herlache and Renee Kosch, co-owners of Birch Hills Resort/My Bar in Townsend.

Fourteen teams teed off in what started out as no-so-great weather that turned into a beautiful day. Golfers thoroughly enjoyed the outing, returning to My Bar for socializing and a delicious broasted chicken dinner catered by Hillcrest Lodge, located right next door to the Birch Hills Resort.

A bucket raffle was a highlight of the day as lucky winners walked away with terrific prizes, most of them donated by TFA members. The 50/50 drawing winner, Kevin Osadjan from Pickerel Lake, donated his share (\$277) of the raffle back to the TFA.

Association President Dan Coopman and TFA members in attendance were all smiles as a total of \$1,195 was raised and donated to the organization for the betterment of the Townsend Flowage.

Help for low back pain

It's easy to hurt your back when you lift, reach or overdo activities, especially if your muscles are weak. Fortunately, we know a lot about relieving most back pain.

Typically, low back pain will ease up in a few days or weeks. Rest no more than 1 or 2 days and then stay moderately active. It's a myth that you need to rest for a long time (unless your health care provider tells you to because of a serious condition, such as loss of bowel or bladder control or fever).

Use ice and non-prescription pain relievers to reduce inflammation. Treatment may involve easy stretching and strengthening exercises or physical therapy.

These back-friendly habits can help reduce strain and everyday backache:

- Maintain good posture, especially while sitting. No slouching.
- Sit less. Get up and move about frequently.
- Do low-impact cardio exercise to improve circulation and strength.
- Use an exercise ball to help strengthen your core.
- Lose excess weight, especially abdominal fat.
- Let your strong leg muscles power the effort of lifting.

See your provider if you have persistent back pain. Discuss lifestyle changes and exercise needs - and find relief.

Happy Birthday Aunt Boon!!

Thank You!!

Thank you to the Pickerel Lake and Antigo Rescue Squads for their fast response to my injury in the woods. Thank you to all the people that came to see me in the hospital and at home, called, sent cards and gifts, and said prayers. I'm thankful, and very blessed, to have so many caring friends and family!

Thank you all, Neil Schallock

Thank You, Thank You

Once again, the Trump Lake Protective Association wishes to thank all of the businesses in Crandon, Armstrong Creek, Cavour, Laona, Wabeno, Carter, Townsend, and Lakewood who donated prizes, equipment, sawdust, ice, portapotties, and cash that made this year's Walleye Fundraiser another success! To the volunteers who picked up prizes, did setup/clean-up, and worked the event, a hearty thank you! And, finally, to all who attended and braved the rainy weather, we appreciate your support and hope you had as much fun as we did. See you next year.

Thank you all!

Learning in Retirement classes start Sept. 15 at Nicolet College

Northwoods retirees seeking just-for-the-fun-of-it learning opportunities and the chance to make new friends are encouraged to attend any of the upcoming offerings in the Learning in Retirement program at Nicolet College.

Fall Session classes start Monday, September 15 and include more than 40 topics. These include the ever-popular Ced Vig Nature Series, travelogues to the high Arctic and South Africa, Return to Pearl Harbor, Wisconsin's Changing Climate, a Fall Hike at Treehaven, along with many others.

The upcoming session will also include tours of many local businesses. These include Trig's Smokehouse, WXPR, George W. Brown Jr. Ojibwe Museum and Cultural Center, WJFW Ch. 12, and the Packaging Corporation of America Mill.

"Any of these offerings is a great way for active retirees to learn new things and meet new people," said Nancy Brisse, Nicolet LIR community representative. "The whole point is to have fun and stay active and every class offers the opportunity to do exactly that."

Classes will be held throughout the Northwoods in Rhinelander, Tomahawk, Crandon, Three Lakes and Wabeno. Some classes will meet just once while others are held once a week over the course of months.

About 300 Northwoods retirees belong to the organization.

The LIR membership is \$35. Members can take as many or as few classes as they desire. There are no tests or grades in any class - only learning just for the fun of it. For more information about the LIR or a complete class list, visit nicoletcollege.edu and type Learning in Retirement in the search box. Interested individuals can also contact the Nicolet College Learning in Retirement Office at (715) 365-4491 or 1-800-544-3039, ext. 4491: TDD 711 or 1-800-947-3529.

Free events featured in Nicolet College Creative Arts and Tech Talk Series

Ann Eshelman's volunteer work with African wildlife will be featured at 7:30 p.m., Tuesday, Sept. 23, in the Nicolet College Theatre. Admission is free.

African wildlife, the exquisite woodcuts and prints of Gene Mecikalski, and free office software you can carry on a flash drive are all topics of free public events that will take place at Nicolet College in coming weeks.

African Wildlife Presentation

World traveler Ann Eshelman will return to the Nicolet College Theatre stage to present Lending a Hand to Africa's Wildlife at 7:30 p.m., Tuesday, Sept. 23.

Energized by her global volunteer work last year tending to Cambodian elephants, Ann most recently traveled to Africa to continue working with wildlife. During her visit to Limpopo Province, South Africa, and then to the Central Kalahari Game Preserve, Botswana, Ann met people from all over the world committed to the well-being and perpetuation of Africa's wildlife. Share Ann's deep appreciation of Africa, the people, and the animals as she describes her adventures including a wildebeest hunt (and the subsequent meal), gathering edible wild vegetation with Bushmen, and outmaneuvering a baby rhino.

Exquisite Engravings, Lithography, and Woodcuts Art Exhibit

A printmaker since the 1950s, Gene Mecikalski has works in the permanent collections of the Metropolitan Museum of Art in New York City, the Library of Congress, and Pennsylvania State University. Over the years this Mequon native has won numerous awards for lithography, woodcuts and engravings. The exhibit opens Sept. 19 and runs through Oct. 11. The Gallery, located in the Learning Resources Center, is open 8 a.m. to 8 p.m. Monday through Thursday and 8 a.m. to 4 p.m. Friday and Saturday.

Tech Talk - Carry Your Office in Your Pocket

Learn how to store portable - and free - applications on a USB memory stick that's small enough to carry in your pocket. Applications covered will range from graphics apps to games to complete office software packages. Presentation will take place Tuesday, Sept. 16, at 6 p.m. in Learning Resources Center room 205.

1st Annual Pork'n'Bean a success!

We can safely say that everyone had a 'toot' of a time at the 1st Annual Pork'n'Bean Invitational Mini Golf Outing in memory of Terry Rank. Working off the Redneck Golf theme made famous by Dawn and Rene at My Bar in Townsend, the day was filled with fun, fun and more fun! 78 wonderful people grabbed a putter and took to the course at Sleepy Hollow which Scott and Jenny had in immaculate shape for the event.

T-shirts were sold commemorating the day and the many Hole Sponsors included Butch's Pizza, Andy's Roofing, Weathervane Restaurant, Long Branch Saloon, Pichotta's Pub & Grub, Prospect Lodge, Backhaus Sportsman's Retreat, Lakewood SuperValu, TCK Electric, Old Town Hall, Birch Hills Resort & My Bar, Sleepy Hollow Mini Golf, Sunset Bar & Grill, Laona State Bank, Townsend Self Storage & U-Haul, Rusty's Wabeno Bowl, Barb's Valley Inn, Pintsch's Hardware, Powers Service Center, Karla's Kountry Kitchen and Townsend & Lakewood Shell Stations, After the golf, everyone headed back to My Bar for Brats, Dogs, tater salad and Terry's favorite, Calico Beans made from his mother-in-law's recipe. Dessert was yummy and the meal was served by three very special ladies, Lynn, Molly and Marilyn.

Trophies, cans of Bush's Baked Beans (Terry's favorite), were awarded to the 3 best places in the adult

and kid categories.

Special mention to Stretch Wenzel for his great banners announcing the event, which, is already set for next year! Mark Sunday, August 23 down and plan to sign up for the 2nd Annual Pork'n'Bean Invitational Mini Golf Outing to be held in conjunction with Sleepy Hollow Mini Golf and Birch Hills/My Bar all of Townsend.
