David Calhoun honored for his service to the Laona Fire Dept.

Above is the Fire Chief David Rosio presenting the now retired fireman David Calhoun a plaque for 37 years of service on the Laona Fire Department, with 1st Assistant Chief Andy Lukas standing on the left. Below are the firemen that were present at the Christmas Party, with David Calhoun holding his plaque. David was also presented with his accountability tags from the back of his helmet and the identification patch with his name on it from the back of his fireman's jacket.

A lot of good stories from the last 37 years were shared from a couple fellow fireman and a huge round of applause was given to the man that always made it to the fire barn before everyone else whenever there was a call.

3rd Annual Laona Lions Predator Hunt

The Laona Lions will be holding another of their successful predator hunts on January 10, 2015. This is the 3rd Annual Predator Hunt, and should prove to be as much fun as the first two!

This time, the weigh-in will be at T-Bob's in Laona, with prizes for the largest coyote, the smallest coyote and the most coyotes, as well as the largest bobcat and the largest fox. The prizes will be determined by weight, and 100% of the entry fee will be returned to the winners. Trapped or restrained predators do not qualify.

Weigh-in is from 4:00 p.m. until 7:00 p.m., and the predators must be harvested the day of the event.

There is a \$10 entry fee for all hunters and callers, and it is mandatory to register. This can be done at T-Bob's, Mudslingers, in Cavour, and Danz Bar in Laona.

This is a good time and a good chance for the Laona Lions to raise money for the many good causes they do throughout the year, which helps to make the community a better place to live and work. Anybody can come and enter the raffles and the silent auction in the evening, with chances to win guns and other sporting items. It is also a good chance to hunt with friends and family and spend some time in the great outdoors of northern Wisconsin.

Call Dick at 715-889-0841 or Dan at 715-889-0246 if you need further information.

The village in the restaurant in Elcho

If you are in Elcho, stop at Koni K's restaurant and take a look at the beautiful Christmas village (city?) on display. You can spend quite a bit of time looking it over and still find something you missed. Besides the time and expense of collecting all of the items, there must be a great deal of time just assembling all the pieces. When there, check out the chili. Very good!

Nicolet AARP Chapter 1191

Barbara Brock-Arndt and Marty Brock

The AARP Christmas party held at the Waubea Lodge was enjoyed by 59 members and guests. Participants had a delicious dinner of chicken and beef tips and were entertained by Greg Tallier with songs of the season and some great guitar playing. New officers and board members were sworn in for the coming year, and several fruit baskets were passed out for lucky members. Members enjoyed a great evening with AARP friends. Not surprisingly many had to leave early for the Packer game.

One AARP member, Barbara Brock-Arndt, brought her father, Marty Brock, as a guest and he had some very interesting stories to tell a few members about his service in WWII. Marty Brock was the Chief Cook on the USS Melville which was a repair ship stationed in the English Channel about a month before the U.S. entered the war until a month after the war. He ran the operation of feeding 3,000 men on the ship. Of special interest was that Mr. Brock, when on his off time, would visit with Queen Elizabeth and her husband the Duke of Edinburgh. On occasion, he will still get a letter from Queen Elizabeth which he will frame and give to one of his daughters.

All persons 50 and over are invited to join the local AARP Chapter. AARP meetings are social, entertaining, and informative. Meetings are held at the Lakewood Presbyterian Church on the fourth Tuesday of each month starting at 1:30 pm (winter hours). Contact Joyce West, Membership Chairman, at 715-276-9409.

Yesterday's the past, tomorrow's the future, but today is a gift. That's why it's called the present.

Wabeno High Student of the Week Jasmine Hanson

Sophomore, Jasmine Hanson, is Wabeno High School's Student of the Week for the week of December 22 to 26. Jasmine is the daughter of Jennifer Schmidt and Justin Hanson. She is the sister of Jade and Jacob Schmidt.

Mrs. Exferd selected Jasmine for numerous reasons. Jasmine has a positive attitude, pleasant personality, and consideration for teachers and peers. These qualities are what makes her shine as an individual.

When informed she was chosen as Student of the Week her first reply was "YES" and graciously said "thank you." Jasmine believes "it is an honor to be chosen as student of the week."

Jasmine's favorite thing to do in school is to learn new things. She is involved in Skills USA, choir, cheerleading and learning what it takes to become a licensed driver, because of "Driver Dave." Jasmine can be found in the library during her free time. She enjoys reading and is willing to help give suggestions for a good story even the ones involving werewolves! With her passion and love for reading it was not surprising to learn that she wants to pursue writing after high school Her favorite book is Eon by Alison Goodman. She also enjoys all of the Harry Potter movies.

Her favorite thing to do outside of school is to dance, her favorite song is TooGby BTL, and her favorite band is EXO. When music and dancing doesn't lift her spirits she finds joy in playing with her puppies, Nala and Snowball.

Jasmine chose her Grandma Vickie as her hero and her Grandpa Al as her favorite relative. When asked why she chose her grandpa as her favorite she said "he is weird, just like me."

Congratulations Jasmine on being recognized as Wabeno High School's Student of the Week!

It is neither wealth nor splendor, but tranquillity and occupation, which give happiness. - Thomas Jefferson

Nicolet College installs advanced telepresence distance learning technology

Students will begin using Nicolet's next-generation telepresence technology at the start of Spring Semester. Classrooms with this equipment are in Minocqua, Tomahawk, and on the Nicolet Campus just south of Rhinelander.

More people might find getting a college education easier and less expensive thanks to new, next-generation distance learning technology Nicolet College recently installed in Rhinelander, Minocqua, and Tomahawk.

"The experience is amazing," Chuck Komp, Dean of Business and Instructional Effectiveness, said of the technology known as telepresence. "You feel like you are sitting in the same room with people who are actually many miles away. This will definitely cut down on travel time for many students and make it much more convenient for them to earn a college education."

The high-tech classroom on the Rhinelander campus is outfitted with five displays, including three 65-inch, high-definition screens that sit side-by-side. In front of the displays is a specially-designed table for students and instructor. Each site has an advanced camera system along with theater-quality audio equipment.

People appear life-size on the displays and participants view each other eye to eye. To complete the effect, the rooms at each location are also nearly identical down to the paint color.

The system is one of only a handful like it in the state. The U.S. Department of Labor's Employment and Training Administration funded this project by providing a \$415,000 grant to Nicolet.

"After using it for a while it's easy to forget you're talking to someone who is actually a long distance away," Komp said. "You actually get the illusion that they are in the

room with you. It's that realistic."

The college also structured curriculum so telepresence students can earn a fast-track Business technical diploma in Supervision, Sales and Marketing, Bookkeeping and Receptionist in a year or less.

Numerous general education classes that are required for other college credentials will also be offered over the new technology. These classes will include Oral and Interpersonal Communication, English Composition I, Written Communication, Principles of Microeconomics, Introductory Reading Study, Principles of College Math, and Introduction to Literature.

"On many days, we'll be offering classes eight to 12 hours a day over telepresence," Komp said.

Nicolet will begin using the technology Jan. 26 when Spring Semester begins.

Nicolet has telepresence rooms at its Lakeland Center in Minocqua. In Tomahawk, the room is in the college's Academic Success Center, 119 West Wisconsin Avenue.

For more information about telepresence classes, call the Nicolet Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493, TDD 711 or visit nicoletcollege.edu.

Famed a cappella group Six Appeal to perform at Nicolet College Jan. 15

"Now these guys can sing!" That's what Nicolet College Theatre director Jim Nuttall has to say about the a cappella group Six Appeal.

Nuttall should know. Over the years this veteran theater professional has seen hundreds of musical performances, studying each with a trained ear and eye.

"It's simply amazing what these guys, working together, can do with their voices," he said. "And not only are they great vocalists, they are also excellent entertainers who know how to put on a great show."

The six-person vocal ensemble will bring their wide-ranging talents to the Nicolet College Theatre for a special performance at 7:30 p.m., Thursday, Jan. 15.

Known as one of the busiest touring a cappella groups in the country, Six Appeal travels coast to coast, bringing their vivid musical style, unmatched energy, and playful charm to audiences.

Their far-reaching repertoire spans a multitude of decades and genres, including Pop, Country, Classic Rock, Jazz, R&B, and much more.

"I can't even imagine the hours they've put in rehearsing some of these songs and incorporating the humorous antics that make for such entertaining performances," he said. "For years audiences have been trying to figure out if Six Appeal is a comedy group, a vocal ensemble, or a rock band. Their talents are that diverse and what makes their performances so entertaining."

Recent accolades the group has received include winning the 2012 National Harmony Sweepstakes and being selected to sing the National Anthem live at the 2013 Sugar Bowl.

Tickets are \$15 and can be purchased online at nicoletlive.com or by calling (715) 365-4681. More information about Six Appeal can be found on the group's website at sixappealvocalband.com.

Interment was in the Crandon Lakeside Cemetery. Weber-Hill Funeral Home assisted the family. Online condolences may be left for the family at www.weberhillfuneralhome.com.

(Left to right) Lions Shirley Guinther, Larry Sommer and Wanda Erdman receive the Knight of Sight Fellowship Award at the recent Christmas meeting held at Duck's Bar.

Crandon Lions issue awards

The Crandon Lions Club held their annual Christmas party at Duck's Bar on Tuesday, Dec. 16. Spouses or friends were invited.

After a great dinner, President Sandi Guinther issued special awards to several members. Three plaques from the Lions Eye Bank of Wisconsin (LEBW) were issued to Lions Shirley Guinther, Larry Sommer and Wanda Erdman. These awards are the eye bank's highest form of recognition that may be presented to an individual. These awards exemplify the LEBW's mission to give the gift of sight in Wisconsin, the United States and internationally.

One hundred percent attendance awards for 2013/2014 were presented to Lions Larry Sommer, Dave Tupper, Teresa Poe, Boyd Monte, Bobby Kennedy, Shirley Guinther, Sandi Guinther, Wanda Erdman, Angela Kunkel, Ray McGeshick, Jack Jensen, Bill Schultz and Robert McRoy.

A short meeting was held to discuss the Jan. 17 Fish-O-Ree. Tickets were distributed to be sold to the public at \$5 each. \$1,275 will be won by ticket holders and fishermen registering longest fish in five categories.

At the end of the meeting, not such good news was shared with the group. It seems someone broke into the Lions shelter at the beach and stole \$150 to \$200 worth of paddlewheel prizes. It's hard to understand why anyone would do this. The club will replace these prizes before the Fish-O-Ree.

The next meeting will be held on Monday, Jan. 19 at Duck's Bar. The Lions are hoping for a great turnout for the Fish-O-Ree. All profits will be returned to the community in the form of scholarships and other needs to be identified.

Avoid these calorie traps

If you've resolved to shed a few pounds this year, pay attention to foods that can derail your weight-loss plan. You know the ones - the innocent-looking muffin or fruity trail mix with shockingly high calorie counts.

Imagine this: You order a salad and a 16-ounce bottle of apple juice for lunch. It sounds like a vegetable and fruit packed meal with approximately 200 calories.

Look closer: The salad has 60 calories, but the 4 tablespoons of salad dressing add 200 more. The juice is 242 calories, bringing your lunch total to 502 calories. You could have easily enjoyed a filling, nutritious meal of chicken, brown rice and salad for the same amount of calories.

Even healthy fats need to be eaten in moderation. Foods such as olive or flax oil contain heart-friendly mono- and polyunsaturated fats. Since they have approximately 120 calories per tablespoon, eat no more than 2 to 3 tablespoons each day.

Sugary foods such as regular soft drinks, candy and pastries are easy to over-consume because they taste good, but the calories add up quickly. Always watch your portion sizes of the highest-calorie foods and drinks.

Small changes can help: When eating salad, for example, have the standard serving size of dressing (2 tablespoons). Use less oil and more vinegar, or dip vegetables in dressing instead of pouring it over the salad.

Other traps: Granola, cheese, smoothies and nuts can be healthy, but keep portions small to save calories. Always fill plates with vegetables, which are nature's lowest-calorie foods.

Do not stand at my grave and weep; I am not there. I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry; I am not there, I did not die.

It now has been 30 years since we've lost a brother, father, son, cousin, and friend. All though time has made it easier on all of us, we still will never get over losing "Smiley". There's not a day that goes by that he is not in our thoughts. He would be so VERY PROUD of his three children Tracy, Amy and Jamey, and his grandchildren. We know he is watching and "smiley" down on them, and letting us know in some subtle way that he is doing fine.

THANK YOU

We would like to thank everyone for the wonderful support given to our family after the loss of our husband, father, and grampa, Wilmore Kegley. We appreciate your kindness more than you can know.

The family of
Wilmore Kegley

Community Blood Center Feeling Impact from Flu-Related Illnesses

The Community Blood Center encourages eligible volunteer donors to give the gift of life this holiday season by donating blood, platelets or plasma. Busy holiday schedules and seasonal illnesses, like the flu, can often mean fewer donors scheduling and keeping appointments. But for patients with cancer or other illnesses or injuries requiring blood transfusions, the need for blood is constant.

As donors struggle with cold or flu symptoms that can hang on for weeks, The Community Blood Center's collections are down, and that means more healthy volunteers are needed to donate immediately to help ensure adequate blood products are on the shelves for the 18 area hospitals served.

"We feel the impact flu season has on blood collections this time of year. Blood donors can only give blood if they are feeling well on the day of donation," said Dr. Todd Straus, Chief Medical Officer at The Community Blood Center. "I urge anyone who is feeling healthy this time of year to take a few minutes in their busy schedule to share their good health and save a life by donating blood."

The timing of flu is very unpredictable and can vary from season to season. Flu activity most commonly peaks in the U.S. between December and February. However, seasonal flu activity can begin as early as October and continue to occur as late as May.

The Community Blood Center is a non-profit organization that has worked with generous blood donors to provide a steady, reliable blood supply for hospital patients for over 50 years. Volunteers who donate blood support the local blood supply at 18 hospitals in Wisconsin and Michigan. Partnerships are created with community groups, schools, churches, and businesses to hold over 125 blood drives each month. Donor centers are located in Appleton, Little Chute, Oshkosh, and Woodruff. Blood and blood product donations are needed every day to meet the needs of community hospital patients. Appointments may be made online at www.communityblood.org or by calling 800-280-4102.

Nicolet College's new fast-track diploma classes start Jan. 26

Students interested in a career in Business, Information Technology, or Early Childhood Education can earn a fast-track technical diploma in a year or less with Nicolet College classes that start Jan. 26.

"The classes are structured in a flexible format that gives students the chance to earn a college credential while also meeting other obligations they may have," said Chuck Komp, dean of Business and Instructional Effectiveness at Nicolet. "We also worked with area employers to determine the exact skills graduates will need to successfully enter the workforce."

Options include Business and IT classes that meet early evenings or afternoons one day a week and online classes. Early Childhood Education classes will meet on Saturdays.

Specific Business diplomas include Sales and Marketing, Supervision, Bookkeeping, and Receptionist. IT diplomas include Network Technician and User Support Technician. The Early Childhood Education credential is a Preschool Technical Diploma.

"What's great about the technical diplomas is that students can use that credential as a stepping stone to a two-year associate degree if they desire," Komp explained. "All of the credits earned for a diploma count towards an associate degree, which can open up even more job opportunities."

Most of the Business diploma classes can also be taken in Tomahawk and Minocqua through the college's next-generation telepresence distance learning technology.

For more information, or to register for a technical diploma program, contact the Nicolet College Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493, TDD 711.

WXPR hires Pete Rondello as new Station Manager

After a nationwide search, WXPR Public Radio has hired longtime Northwoods resident Pete Rondello as new station manager.

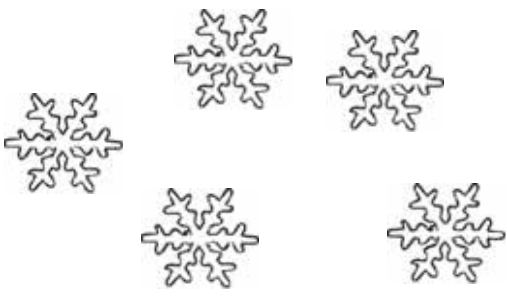

Rondello graduated from Eagle River High School and currently lives near Boulder Junction. Though he's worked with Coldwell Banker in Minocqua for more than twenty years, Rondello has a background in radio that predates his work in real estate.

"I started when I was 16 years old, and was an on-air announcer at WERL in Eagle River, which was an AM and FM combo," Rondello describes. From there he spent time at WRLO and WATK in Antigo and WRHN in Rhinelander, before becoming General Manager at what was formerly WMMH in Minocqua (now 95.9 WMQA). Rondello says he's excited to be returning to radio, especially public radio. "I just really love that media: the idea that you can use your imagination. There's some romance involved, and WXPR because it's public and because it's local still carries that romance and those warm feelings."

Rondello has volunteered at WXPR for three years, working as a substitute host for Your Favorites, an afternoon show that ranges in style from big band to adult contemporary. "It was and is a ton of fun," Rondello says, adding, "I love coming in and volunteering on the Your Favorites show."

Rondello says he's looking forward to beginning work as WXPR, and bringing fresh ideas and outreach to the station. "I'm just really excited to work for WXPR because it's really a treasure," he explains. "Everybody at the station is so dedicated and so passionate about the work that they do. We have such a great diverse group of people that come in every day to share their gifts. The business community has also been very supportive." Rondello takes over following the departure of Peg Arnold, who left in September of 2014. He'll assume his role on a part-time basis on January 5, 2015, and step fully into the role on January 19.
