 Our Deadline is Tuesday at 4:00 p.m.

Presorted Standard U.S. Postage Paid Crandon WI Permit No. 410

Postal Patron Local

Volume 29, No. 50, March 30, 2015 (715) 478-3640 or 1-800-234-2152 Fax: (715) 478-3540 email: pionexp@newnorth.net

Still tickets available for Ruffed Grouse Society Banquet Sat., March 28

There are still a few tickets available for the big Ruffed Grouse Society Banquet on Saturday, March 28th, and you might be able to buy one at the door. But, if you don't want to take the chance on a full house, call Dave Z at 715-336-2523. The price is \$50 for individuals and \$70 for couples. Doors open at 5:15 at the Crandon Community Building.

This is an enjoyable event, with great food and drink, raffles, a silent auction, art work to buy and enjoy, and it helps maintain the habitat of our favorite game bird.

Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Doris Lovrine-Candidate for Hiles Town Supervisor

I am currently one of the Town Supervisors. I replaced a retiring supervisor seven years ago and have been re-elected since then. I've retired from being an active fire fighter but still am with Hiles North as a First Responder.

I worked for Milwaukee County in the Personal Dept. for 14 years and with Johnson Wax for four years which gave me experience working with people in a multitude of situations.

My majors were in Psychology and Business Administration. I also took accounting in college. I've been the treasurer of a very active club for over 30 years.

Forty years ago, I decided I wanted to have a sled dog team and moved here. Since I no longer work full time and now only have one dog, I've had more time to devote to working for the Town and in other local endeavors.

Since I've been on the Board, we have always worked to keep taxes as low as possible while still maintaining the town needs, keeping up about 100 miles of roads and working with the town people.

The northern section is physically separated from the main part of the town due to thousands of acres of national forest. As a resident in this area, I am able to bring ideas and concerns to the other two board members at every meeting. I would like to continue in this position in order to keep the dialogue going and a physical connection between the two areas.

I would appreciate your vote in the April election.
 Doris Lovrine

Steve Bunda-Candidate for Town of Lincoln Supervisor

I have been a full time resident for seven years and a summer resident for many more, and it would be a privilege to represent you at the town board level. This is a wonderful and diverse town with many different folks and cultures living together in God's Country. While some of you were born and raised here in Forest County, many others including Laurie and I, worked hard to achieve our dream of living here in the Town of Lincoln. Where else can you still enjoy the serenity of the lakes and woods, the camaraderie of great friends and neighbors, and the conveniences of so many great businesses?

My past experiences, including Forest County supervisor Dist. 16, managing a tool and die shop, building two small business and many other endeavors, have helped me deal with adversity. I understand the position of Supervisor is to represent YOU, conduct due diligence on the issue or issues at hand, listen, debate, and vote. I will not represent any other third party and will put the wishes of the electorate first.

I would appreciate your vote and support. I believe in open, honest, and transparent government.

Lance Laabs-Candidate for Supervisor Town of Nashville

I am running for Supervisor in the Town of Nashville, and I want openness in our town business operations. I would like to represent all the people of this township.

I was raised here and went to Mole Lake Grade

Candidate Spotlight Continued on page 6 & 7

School District of Laona Spring Referendum Get out and vote!

Submitted by School Dist. of Laona

The School District of Laona must continue to remain current and adapt to the needs of our students and community. Each year as part of the State Budget, schools are notified of their revenue limit, or the amount of money they can spend. Over the past eight years our revenue limit has decreased by \$295,000. We are proud that even with a smaller revenue limit, we have been able to continue to provide a variety of opportunities for our students.

One area we have continued to be a leader in is technology. Thanks to our teachers writing a variety of grants, we have received over \$35,000 to purchase iPads and Chromebooks for our students. We have also used a variety of donations and grants to purchase classroom technology enhancements like Smartboards, document cameras, projectors and equipment for our distance learning class.

The other area we have continued to support through district funds is building and grounds maintenance. We have spent over \$280,000 in the past four years. We have installed new doors, security system, boilers, water heater and phone system. We have improved our softball and baseball fields and increased our wireless capabilities.

These purchases and improvements have been made possible by the conservative fiscal management of the school district and school board. The projected referendum will allow us to continue to be a leader in education and keep a quality facility for our students and community.

Ties That Bind Us to host Colors of Cancer 5K Run and Walk in Crandon

Let your true colors shine at the Second Annual Colors of Cancer 5K Run and Walk on Saturday, May 2, at 10 a.m. at the historic Crandon International Off-Road Raceway. Last year over 500 people took part in the inaugural event.

This fun event honors our friends and neighbors who struggle to cross the finish line in their daily battles with cancer, and benefits Ties That Bind Us of Forest County, a local group partnered with Ministry Health Care and the Saint Mary's Hospital Foundation.

The Colors of Cancer 5K Run and Walk is an entertaining, untimed experience, and runners will be showered with colored powder at five stations along the route. The event caters to families and 5K enthusiasts alike. Prizes will be given out for best costumes after the run!

The cost to enter this exciting event is \$30 (if received by April 1), \$35 (after April 1), \$15 for age 18 and under, \$75 for families, and cancer survivors are free. Packet pickup will be Friday, May 1, from 2 - 6 p.m. at the front entrance of Ministry Medical Group in Crandon, located at 400 West Glen Street, or on race day at the Crandon International Off-Road Raceway, located at 10104 U.S. 8, Crandon.

Register your family today by contacting Kadie Montgomery at 715.478.3318.

Record \$35.5 million fund distribution enough to put a book in the hand of every Wisconsin child

Wisconsin's K-12 public school libraries will receive \$35.5 million, thanks to record earnings from the Common School Fund, the Board of Commissioners of Public Lands (BCPL) announced today. Board Chair Brad

Continued on page 17

This robin showed up at Rollingsstone Lake last week. We always look at the arrival of these birds as a harbinger of spring, but after listening to the forecast of snow at the time of this writing, it might be that we are just being made happy by the dumb robins who come too soon!

Ken Carroll is a new face at Parsons of Crandon

Ken Carroll is now handling the financing at Parsons of Crandon. Carroll has lived in Cavour for about 20 years and has considerable experience in the car business. He shares his life with wife Lindy and their seven month old daughter Reagan. Ken is on the left in the picture.

He is joined in the photo with Richie Kulaf, center, and Amy Krause. Richie is in his 25th year with Parsons.

Amy Krause, far right, is a fifteen-year employee of Parsons. Amy is leaving Parsons to take over the family business, Wilson's Drive-In, just down the road a ways from Parsons.

Good luck to Ken and Amy in their new pursuits.

Town Hall Players Talent Show

The first rehearsal for the talent show was a huge success and a lot of fun. This year the popular show "Hee Haw" will be coming to Townsend.

We are still looking for the many talented people out there that like to entertain. If you can sing, dance, play instruments or can crack simple jokes (Hee Haw style) please join us on the 3rd of April for our second rehearsal. We will be meeting at the Townsend Townhall at 6:00 p.m.

The show will take place on the 25th of April for two shows. at 1:30 and 7:00 p.m.

The Town Hall Players donate the proceeds to the Food Pantry at St. John's church. Through the years, we have given them thousands of dollars for this cause. This is the time of year when their supplies run low. So even if you have never seen our show or been in it, please come and join us for a fun time.

For questions, call Sue Rapp at 715-276-7317 or Ruth Benoit 715-276-9563.

Easter Egg Hunts around the area

The Crandon Lions Club will host their Annual Easter Egg Hunt on Saturday, April 4, at the Forest County Courthouse Square. The eggs are scattered on the courthouse lawn and the lawn is divided into age groups. The hunt starts at the sound of the noon whistle. The Crayola Bunny will also be on hand to greet all of the children.

The McCaslin Lioness Club will host their Annual Easter Egg Hunt on Saturday, April 4, at the Lakewood Town Hall. The event is for children ages 4 to 10 years of age. The hunt starts at 11:00 a.m. The town hall is located on North Road in Lakewood.

The K-9 Community Task Force is having an Easter egg hunt in Townsend on Saturday, April 4th, from 9 to 11 a.m. at the Townsend Town Hall. Children up to 12 years old are welcome to attend. There will be games and prizes for all the children to enjoy.

**Wabeno Area School is a Finalist
in Change Your Spots
with Milk Contest!!**

We NEED your votes

Food Service Director, Darlene Spaulding, and her fantastic staff used a promotion kit sponsored by the Wisconsin Milk Marketing Board to increase high school breakfast participation. Dairy products were used as giveaway prizes for the students. The photo and a description of this promotion were sent into the Wisconsin Milk Marketing Board for a chance at a cash prize for the school district's participation.

The School District of Wabeno Area was selected as a finalist and we need your vote! Starting on April 1, 2015 at 12:00 a.m. our school's photo will be available for daily voting at WisconsinDairyCouncil.com/spotsphoto. Voting closes on April 10, 2015 at 11:59 p.m. Prizes will be awarded to the top three (3) schools with the most online votes.

National Touring Film Festival Coming to Three Lakes April 10, 2015
14th Annual LUNAFEST®: Short Films By, For, About Women®

LUNAFEST®, the fundraising film festival dedicated to promoting awareness about women's issues, highlighting women filmmakers, and bringing women together in their communities, will be hosted by Wisconsin Women Equal Prosperity (WW=P) at the Three Lakes Center for the Arts theater, located at 1760 Superior Street in Three Lakes, on April 10, 2015. A silent auction begins at 6:30 PM followed by a 7:00 PM showing of LUNAFEST films.

This unique film festival highlights women as leaders in society, illustrated through nine short films by women filmmakers. The films range from animation to fictional drama, and cover topics such as women's health, motherhood, body image, aging, cultural diversity and breaking barriers.

General admission is \$20.00 per ticket and student admission \$10.00. All proceeds from LUNAFEST will benefit the Breast Cancer Fund and WW=P.

Thus far, LUNAFEST, which is created and funded by LUNA®, The Whole Nutrition Bar for Women®, has raised over \$456,000 for Breast Cancer Fund and over \$785,000 for other women's non-profit organizations. This is the fourth year that WW=P has sponsored LUNAFEST in the Northwoods.

WHEN: Friday, April 10, 2015, 6:30 p.m. Silent Auction, 7:00 pm Showing of LUNAFEST Films, Refreshments will be available for purchase.

WHERE: Three Lakes Center for the Arts Theater, 1760 Superior Street, Three Lakes

TICKETS: \$20.00 general admission; \$10.00 students (films are appropriate for high school age or older); Available to purchase at the door.

CONTACTS: Brenda S. Halminiak, 715-550-0492; Sabrina Chin, PR Associate, LUNA (510) 596-6400

Marine Corps League sets up scholarship

The Forest County Detachment of the Marine Corps League has established a \$200 scholarship to be awarded to a high school senior currently attending school in Forest County. The scholarship is intended to assist with educational expenses for an accredited college, junior college or technical school.

To be considered for this scholarship you must be an immediate relative of an active duty member, reservist, or veteran of the U.S. military (preference given to family of U.S. Marines or Navy Corpsmen

and Chaplains that served with the Fleet Marine Force (earned the FMF device)).

The deadline for application submissions is June 1, 2015. To request an application for this scholarship, you can send an email to MCL1290@outlook.com, message us on Facebook (Forest County Detachment of the Marine Corps League), or send written requests to: Forest County Detachment, Attn: Gable Cundiff, 3718 State Highway 32, Laona, WI 54541.

Laona School Fun Day

The Laona School District will be holding a School Fun Day on April 14th. Parents are encouraged to bring their children who will be at least 3 or 4 years old by September 1st. This will give them an opportunity to become familiar with our school setting and interact with children their own age.

Our school nurse, preschool and kindergarten teachers, speech/language pathologists, and other staff will be available for any questions you may have about your child's developmental skills.

During this time, registration will be done for any child attending 4-Yr Old Kindergarten next year and parents will get information to help prepare them for that important first year of school.

Two sessions will be held: 9:00-11:00 a.m. and 12:30-2:30 p.m. Choose the session that works best for you and plan to have your child spend about 45 minutes meeting new friends and seeing the classroom! Please call 715-674-2143, Ext. 2 or email: sherrykramer@laona.k12.wi.us to sign up for a time.

We look forward to meeting our future students!

Ask Your Insurance Professional

Ed Smith INSURANCE TIP ROOFS & HOME-OWNERS INSURANCE COVERAGE

Over the last several years, insurance companies have become very "picky" regarding roof conditions. There has been some extreme weather throughout the United States, which means a lot of pay-outs. Homeowner's insurance policies are generally based on replacement cost and if it costs \$10,000 to fix your hail damaged roof, your company would pay that amount even if your shingles were 18 years old and you should have replaced them as part of your normal household maintenance. So, insurance companies are changing their coverages and some of them are now requiring a minimum \$1,000 deductible. Other companies are doubling your deductible if you have wind or hail claim. And some companies are paying actual cash value or depreciating your roof value based on age. One company has a percentage payout if your roof is over 16 years old. Check with your agent and review your coverages. Don't say your roof isn't leaking, so it must be okay.

Mayor Rosa proclaims this week "Surveyor's Week"

Above, Mayor Rosa presents the proclamation to Jeff DeMuth (center) and Jamie Anderson (right)

On March 17th, Crandon Mayor Dennis Rosa proclaimed the week Surveyor's Week in Crandon, presenting the proclamation to surveyors Jamie Anderson and Jeff DeMuth. Both work for MSA Professional Services based in Rhinelander.

U.S. Presidents George Washington, Thomas Jefferson and Abraham Lincoln, all surveyors, recognized this profession's necessity for the organized development of this country. In addition to determining boundaries, today's surveyors continue to play an essential role in the design of all infrastructure, including roads, bridges, utilities and site development. The City of Crandon is joining the nation in recognizing the value of this profession by proclaiming March 15-21, 2015 National Surveyors Week in Crandon.

Crandon Mayor Dennis Rosa presented the City of Crandon proclamation to Jeff DeMuth, PLS, and President of the Wisconsin Society of Land Surveyors (WSLS) and Jamie Anderson a surveyor/engineer from Crandon. DeMuth is a Professional Land Surveyor and both work for MSA Professional Services, Rhinelander.

Today's surveyors utilize sophisticated technology to perform accurate measurements, research records, reduce data and prepare maps and plans that show the results of the survey. WSLS President Jeff

DeMuth said, "Surveyors are like detectives who analyze evidence, diplomats who resolve differences between arguing neighbors, experts in translating regulations and legal documents, and a security to land owners by providing protection to their property, their rights and their investment. On top of all that, we're very good at measuring."

The City's proclamation recognizes professional land surveyors, and the important work they do for our communities and state. Citizens of Rhinelander are encouraged to reflect on the historical contributions of surveying and the new technologies that are constantly modernizing this honored profession.

For more information about surveying, contact Jeff DeMuth at jdemuth@msa-ps.com or visit www.wsls.org

Wabeno Elementary Class of the Week

Chosen as Class of the Week for the week of March 12, 2015 was the First Grade. The First Grade has been working very hard on improving their transition time. In the classroom they have been working at transitioning between their various centers in a timely and quiet manner. In the hallways they have been working on being quiet and orderly so they do not disturb other classes. Congratulations First Grade on being selected as Class of the Week! Way to Step It Up!

Death Notices

Zachary L. Shawano, 26, of Crandon, passed away unexpectedly Friday, March 20, 2015 as a result of a motor vehicle accident. He was born on November 4, 1988 in Rhinelander to Eugene Shawano and Dori Zimmerman.

Zach spent his childhood in the Crandon area and at the age of 12 moved to Lawrence, Kansas. He graduated from the Lawrence High School, and then moved to Madison. There he worked for a public relations firm as a spokesperson for the Forest County Potawatomi. In 2013, he returned back to Crandon. On August 2, 2014, Zach married Megan Longanecker in Linden, WI. He loved playing church softball and golfing. He also enjoyed watching Wisconsin sports: Badgers, Packers, Brewers, and the Bucks when they were winning.

Zach is survived by his wife, Megan and son, Homer of Crandon; father, Eugene (Michelle Johnson) of Crandon; mother, Dori (Jim Tibbits) Zimmerman of Fort Myers, FL; a sister, Abigail Shawano of Lawrence, KS; and a brother, Oliver Shawano of Lawrence, KS. He is further survived by step-sisters, Kaylee McGeshick of Appleton, and Taylor Smith of Crandon, a step-brother, Kody Smith of Appleton, sisters-in-law: Gina Currier of Louisville, KY, and Kristen Rice of Minneapolis, MN; and brothers-in-law, Dakota Kahn and Tyler Kahn of Lawrence, KS; paternal grandparents, Eugene (Eleanor) Shawano of Crandon; and maternal grandparents, Milton (Rita) Zimmerman of Linden, WI.

Visitation for Zach was held after 4:00 p.m. on Tuesday March 24, 2015 at the Lake Lucerne Gospel Chapel. Meal took place on Wednesday, March 25 at noon at the church, with the funeral service following. Rev. Don Dewing officiated. Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences may be left for the family at weberhillfuneralhome.com.

Gardie "Marie" Webb, 76, of Crandon, passed away on Friday, March 20, 2015, at AGI Health Care in Crandon under the care of Ministry Hospice. She was born in Laona on January 14, 1939, to Harold and Myrtle (Packard) Case.

Marie married Lawrence Webb on July 13, 1956, in Michigan. She worked as a teacher's aide at the Argonne School. But most of all she was a loving mother and enjoyed raising her family.

Marie is survived by her husband, Lawrence of Crandon; six daughters, Peggy Littleton of Monico, Dawn Holm of Crandon, Tammy Webb of Rhinelander, Barb (Larry) Remington of Coty, WY, Shawn (Jim) Gryczkowski of Crandon, and Cecelia (Luis) Portillo of Peoria, AZ; two sons, Gary Webb of Antigo, and Brian Webb of Laona; a sister, Carol Gurke of Franklin, WI, and a brother, Carl Case of Franklin, WI. She is further survived by 19 grandchildren and 17 great grandchildren.

No formal services will be held for Marie. Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences may be left for the family at www.weberhillfuneralhome.com

Eleanor C. (Staron) Christnovich 88, of Goodman, passed away Monday, March 23, 2015 at Theda Clark Memorial Hospital in Neenah, WI. Eleanor was born on May 26, 1926 to the late Joseph and Sophie (Korczyk) Staron. She married Walter P. Christnovich on November 18, 1944 and he preceded

her in death on July 15, 1995.

The couple owned a dairy farm on Hwy 101 in Armstrong Creek, WI. After selling the farm in 1998, Eleanor moved to an apartment in Goodman, WI where she lived until September, 2014. At that time, she moved to Matthews of Irish Road Assisted Living in Neenah, WI to be closer to her family.

Eleanor received her nursing degree from the School of Nursing in Green Bay, WI. During her career as a nurse, Eleanor worked at the Nursing Home in Crandon, WI, as well as Dickenson County Memorial Hospital in Kingsford, MI.

After her retirement in 1990, Eleanor and Walter spent time traveling together, including a trip to Hawaii and Alaska. She also enjoyed gardening, bowling, bingo, playing cards, mentoring children at the grade school for Reading and English projects, and getting together with friends and family.

Eleanor was very active in the Goodman and Armstrong Creek communities, including being a member of the choir at St. Joan of Arc Catholic Church, Ladies Auxiliary, Lioness and the Polish Heritage Days festivities. She also enjoyed working in the kitchen at the Community Centers in both communities.

Eleanor is survived by her daughter, Jean Klatt (Richard Witkowski), son, Robert (Judy) Christnovich, son-in-law, Gary Kasakaitas; grandchildren, Karen (Terry) Moss, August (Denise) Christnovich, Sheri (Al) Penkala, Mark (Wende) Kasakaitas, Adam (Amy) Christnovich, Cory (Kaylene) Christnovich, Brian Christnovich; great-grandchildren, Mike (Alicia) Fettig, Brandon (Jessica) Fettig, Danny and Ryan Penkala, Jaron, Katelyn, Elliot, Marquis, Landon, Mikayla Kasakaitas, Henry and David; great-great-grandchildren, Sophia, Hadley, Owen, Harper, Eliana. She is also survived by sister-in-law, Helen Christnovich, special friend Frank Majewski, and many nieces, nephews and friends.

Eleanor was preceded in death by her sons, Walter Jr. and Daniel; daughter, Kathern Kasakaitas; sisters, Dorothy Staron, Agnes (Jim) Bren, Sophie (Robert) McCormick, Angeline (Andrew) Ostrowski, Mary (Joe) Rozewicz; brothers, Walter (Louise), Albin (Betty), Frank (Adeline) Staron and infant twin brother, Joseph Staron.

Special thanks to the staff at Theda Clark Memorial Hospital, ThedaCare Hospice, Matthews of Irish Road in Neenah, and Maryhill Nursing Home in Niagara.

Visitation will be held on Monday, March 30th at St. Stanislaus Catholic Church in Armstrong Creek, from 9 a.m. until time of the Christian Mass at 11 a.m. Burial will be at Pine Hill Cemetery in Armstrong Creek.

In lieu of flowers, memorials may be made in her memory to the American Cancer Society, or ThedaCare Hospice in Neenah. Condolences may be expressed to the family at weberhillfuneralhome.com.

Adam C. Roberts, age 27, of DePere, passed away unexpectedly at his home on Sunday, March 22, 2015. Arrangements are pending with Swedberg Funeral Home in Shawano.

Louise K. Mikolajczyk, 95, of Armstrong Creek, passed away Tuesday, March 24, at the Golden Living Center, Florence. Funeral mass will be at 9 a.m. Saturday, March 28 at St. Stanislaus Kostka Catholic Church. Visitation will follow funeral mass from 10 - 11 a.m. Burial will be at the Pine Hill Cemetery in the spring. Online condolences may be directed to weberhillfuneralhome.com

Virtual Dementia Tour in Crandon

On Wednesday, April 15 the Crandon and surrounding community is invited to take a walk in the shoes of someone with dementia through the Virtual Dementia Tour presented by Azura Memory Care and the Forest County Potawatomi Elderly Services. The Virtual Dementia Tour is an internationally recognized sensory experience and will be held for free at the Best Western Hotel, which is located at 9075 East Pioneer Street in Crandon from 9:30 a.m. – 3:00 p.m. with tours taking approximately 20 minutes.

The Virtual Dementia Tour uses educational resources and sensory stimulation to provide family and professional caregivers a way to experience the challenges faced by those living with dementia. Created by Second Wind Dreams, the Virtual Dementia Tour is scientifically proven to increase knowledge and understanding of those caring for individuals with dementia. Providing the Tour will be Paula Gibson, Director of Community and Business Relations for Azura Memory Care and a Certified Virtual Dementia Tour Trainer along with Cindy Wachsmuth, Director of Community Relations for Azura Memory Care and a Virtual Dementia Tour Facilitator.

Attendees will have the opportunity to meet with the Tour specialists, don patented devices that alter their senses. They are then given tasks and an adapted environment which allows them to experience the physical and mental challenges those with dementia face every day.

"We feel it is important for those in our community to better understand what it feels like to live with memory loss," explained Penny Christianson, Forest County Potawatomi Elder Services Coordinator. "In just 10 minutes a person outlook on dementia will forever be changed and they will have a better understanding of what those living with memory loss truly go through every day."

Please call Penny Christianson at 715-478-4892 to reserve your Virtual Dementia Tour spot today. Walk-ins are also welcomed, but will be taken on a first-come-first serve basis around the times of those who have pre-registered.

**Vote Paul Ehlinger
Town of Wabeno Chairman**

As a lifetime resident of Wabeno and 10 years of experience as Town of Wabeno supervisor, I find that as a current Wabeno Town Board Member you can't focus on one or two things as far as what you want to accomplish within your term on the Wabeno Town Board. There are many things that can arise at one time or another that will need to be addressed and followed through.

A few areas I would like to address are:

Communication - We need to better our communication as a Town Board before we can get the communication among our town workers and town people. We need to work together and do what's in the best interest of the Town of Wabeno.

Accountability - I have been striving to better the accountability whether it's a town employee or town official. I have made up and brought an example of a Performance Evaluation to the Board some time ago. I would not only like to get that implemented but would also like see updated personnel records and updated policies & procedures for all town workers.

Local Businesses/Tourism - I will continue my efforts on making our town an enjoyable, clean, and safe place not only for our town people and local businesses, but for the tourists that come to or through the Town of Wabeno.

If elected as Town of Wabeno Chairman, I will take my responsibility very serious. I have proven to be a very strong voice as Town of Wabeno Supervisor in the last 10 years and believe our town people put their trust in me to make sure their concerns are looked after.

I am a hard working individual that has the experience, enthusiasm, energy, and skills to be the next Town of Wabeno Chairman. I will continue to do what's in the best interest of Wabeno. I ask for your support and vote in the April 7, 2015 election.

**Jim Smith-Candidate for
Town of Wabeno Supervisor**

I am running for Town Supervisor. My wife Michelle and I have been raised in Wabeno and have raised 5 children of our own. We have an established business here, Smith Concrete, and currently employ 13 area residents. I would like to be part of the future decisions facing our town.

I have no political experience but sometimes that is a positive thing. I will do what is in the best interest of the town and its residents.

Vote Jim Smith on April 7th.

4th Annual AIS Poster/Video Contest

Nine counties (Oneida, Langlade, Lincoln, Forest, Ashland, Iron, Price, Vilas and Douglas) will partner this year in the 4th Annual Northwoods' Aquatic Invasive Species (AIS) Poster and Video Contest. Don't worry if your county isn't listed. Every 4th through 8th grade student in the Northwoods area is eligible to enter this contest. If you don't want to design a poster, we have added a new video element this year. A student or a group of students can write, produce, direct and star in a 30-second Public Service Announcement (PSA).

Whether you choose a poster or video, you will gain a better understanding of how AIS can affect each individual. If you are interested, talk to your teachers or gather your friends and start now. Entries in the poster/video contest are due by 4:00 p.m. on May 1, 2015. Posters and poster entry forms may be mailed in or dropped off at any one of our eleven drop-off locations. They include the Crandon Public Library, Demmer Memorial Library in Three Lakes, Iron County Land & Water Department in Hurley, Langlade County Land Conservation Department in Antigo, Mellen School District Office, Minocqua Public Library, Oneida County Land and Water Conservation Department in Rhinelander, Park Falls Public Library, Rhinelander District Library, Tomahawk Public Library and the Walter E Olson Memorial Library in Eagle River. Video entry forms may be mailed or e-mailed; however, videos must be uploaded to wetransfer.com by 4:30 p.m. on May 1, 2015. For complete instructions, contact the Oneida County Land and Water Conservation Department for a contest brochure, ask your teacher if the class will be participating or go to www.oneidacountyais.com.

Candidate Spotlight Continued from page 1

Lance Laabs Cont. from pg. 1
 School, and I graduated from Crandon High School. I live on Arbutus Lake and I am the current Lake Association President.

I would like to hear your concerns and ideas about our township. I want to make this a better place to live for all of us. I would also like our children and grandchildren to have a great place to grow up in and to enjoy.

I had my own contracting business for many years as well as working in the woods. I earned a degree in Forestry at Nicolet College. As a builder, I have been foreman of work crews in large commercial building projects.

I am Lance Laabs, and I ask for your support at the polls on April 7th.

George A. Buck -Candidate for Goodman Town Chairman

I am a lifetime resident of Goodman. I am a proud father of three children and three grandchildren. After graduating from G.A.H.S. in 1963, I attended N.W.T.C. in Green Bay. I served in the Army from 1965 through 1968. Upon returning home, I was a deputy sheriff from Marinette County for approximately 10 years. I served several years with the Marinette County Economic Board.

My hobby now is cooking, helping the needy and helping with the many fund raising events.

As your town chairman, I will devote most of my time and skills to keeping Goodman a safe and clean place to live and work. I will strive to welcome and attract new business, as well as helping our present businesses, which will keep and attract new families and people to our area.

Please vote April 7, 2015 for me.

Linda Adamczyk -Candidate for Townsend Town Clerk

My name is Linda Adamczyk and I am seeking re-election for the position of Townsend Town Clerk. I would appreciate your vote of confidence on April 7th.

Jim Smith-Candidate for Wabeno School Board

My name is Jim Smith and I am running for School Board. My wife Michelle and I graduated from Wabeno ourselves, graduated 2 adult children, and currently have 3 children attending Wabeno schools.

I have owned and operated a successful business in the Wabeno area for the last 25 years. I hope to use the skills of running a business to help in the hard decisions facing our school.

We have become a Title 1 Focus School because of our declining test scores. I would like to help in analyzing and fixing that problem before we start losing financial aid and need to raise taxes to make up for that gap. I would like to be informed and would like to keep the parents and other community members about the progress of our children's education. I think I would do that best on the board. The education of the children of the district will be my #1 concern.

Your vote will be appreciated on April 7th.

CONT. FROM PG 6

Steve Ashbeck-Candidate for Wabeno School Board

My name is Steve Ashbeck and I am running for a seat on the Wabeno School Board. I am a lifelong resident of Wabeno. I graduated from Wabeno High School in 1990. My son graduated in 2011 and my daughter still attends Wabeno School District. I have been a Forest County Deputy Sheriff for 14 years. My wife and I also own two local businesses, Flowers Galore and ZK Trucking.

Instead of listing promises or things I would change, I think it would be more beneficial to explain what I believe a school board should represent and what I believe my role would be as a school board member.

First and foremost, a school board needs to be fiscally responsible while still providing the best education and opportunities to the students.

A school board should be receptive to students, parents, staff and the community, offering a response and open dialog during board meetings and a board member should always be accessible and open minded, and leave personal feelings or biases out of all decision making.

The school board should take input from any individual or any group and consider all the facts when making any decision, big or small. As a school board member, I would be a trustee of the community that elects me. I would be accessible and more than willing to collaborate with all members of the community, staff, and other board members. A school board member should also advocate for our schools and our students, in turn building public trust, support and encouraging interaction. A school board should provide open interaction with all citizens, students or groups that come before them. I believe everyone who comes before the board has a right to be heard and responded to.

There are a lot of factors that come into play when running a school district. The key for a school board is to create a long term vision for the students, the school and the school's role in the community.

Funding is obviously a big concern. We just passed a large operating referendum. I want to avoid having to pass another one anytime soon. I am not opposed to referendums if, and only if, all other options have been exhausted. I know the public can see the budget, but I also believe when proposing a referendum, the board should provide a detailed mapping of where we overspent, where we fell short and what the detailed plan is with the money we will receive from the referendum. I understand about state and federal budget cuts to a school district, but if we were financially stable with our prior decisions, we would be able to sustain any further budget cuts without a referendum.

We need to focus on short and long term funding and the security of Wabeno School District. We need to figure out why student's state test scores are still declining, why we have become a 'Focus School' and why teachers and students want to leave our district. This all plays a part in our budget.

I would like to focus on promoting Wabeno Schools on all levels; academics, extra curricular activities, athletics, teacher and student achievements etc.

The board is responsible for establishing and maintaining a structure that supports a successful vision (both academically and financially), empowers the staff, and provides leadership. We are a diverse community and we need to embrace that fact. Not only are we diverse in race and culture, we are also diverse in our views, our beliefs and our experiences. We are here to serve the educational needs of all children. If we are to be successful, we must all work together in this endeavor to make a better school district and provide the best opportunities and education for our students.

I believe that we have tremendous teachers and staff working with our children throughout the district. A school board's responsibility is to enhance and enrich what goes on in a classroom. We must re-establish morale amongst all district employees, and work together to be a successful school. It is a board's duty to provide opportunities to our students and help them reach their fullest potential as well as provide the necessary tools a teacher needs to help their students achieve.

As a resident, parent, business owner and police officer, my running for the School Board will allow me to work and advocate for the education of all children in our district and facilitate for a stronger connection between our schools and our communities.

By giving our stakeholders; teachers, students, parents and community members, their voices back and collaborating with each other, we will build a strong district where students want to open enroll into, teachers want to work and retire from and community members want to be involved with.

I ask for your support on April 7th because IT IS TIME FOR A CHANGE.

Tim Warrner-Candidate for Wabeno School Board

My name is Tim Warrner and I am a candidate for the Wabeno School Board. I have resided in the Lakewood area since 1991, and my wife Theresa and I have three daughters. Our oldest is a graduate of WHS and is currently attending Nicolet College. Our other two daughters are students at WHS, one is a sophomore the other is in 8th grade. I graduated from the University of Wisconsin Madison with a B.A., and am currently employed by Aruze Gaming America as their Midwest Branch Manager. I have served on the board of the Lakes County Public Library, and the Oconto County Library Board. I also volunteer as an assistant golf coach for the Laona/Wabeno Golf Team.

As an advocate for the Wabeno School District I would like to continue to see our schools prepare our young people for the jobs of the future. Our district is currently meeting standards, but we can do better. We lag behind the rest of the state in reading and math achievement. I support the district's realistic and attainable goals of increasing both math and reading proficiency by 5% this year. I will support the teachers by giving them the tools they need to achieve those goals.

Technology in our classrooms is critical for our students' success. While there is no substitute for a great teacher, technology can enhance our children's education by facilitating individual learning plans, connecting them with outside instructional sources, and opening up partnerships with local colleges and businesses for advanced classes and/or internships. We need to provide our teachers training and support as new technology enters our classrooms. Furthermore, technology can connect our parents and community members with our schools to make sure they are informed and engaged stakeholders, because a strong school district benefits us all, not just our kids.

The Wabeno Area District stands at a unique crossroads. Small rural districts like ours will no doubt face challenges ahead, but with collaborative leadership on the district level, we can find solutions to those challenges and remain focused on promoting student growth and achievement in the years to come. I would appreciate your support in the election on April 7th.

**Ceanne
Harrison
Wabeno
Student of
the Week**

By Dale Keller

Ceanne is the daughter of Pat and Dale Harrison. She has two siblings, Clayton and her twin brother Colby. Her favorite subjects in school are English and Art. She is involved in many extracurricular activities such as, basketball, volleyball and track. She has been a very successful volleyball and basketball player throughout high school. She was named player of the year for the conference in basketball, and first team all-conference in volleyball. She is admired by her classmates, and was elected as their class president. She is a leader!

Outside of school, Ceanne enjoys reading, writing, drawing, and hanging with her friends. Her favorite movie of all time is the Breakfast Club, or any movie with Molly Ringwald in it. Someday, she would like to personally meet the president. However, Ceanne's most admired person in her life is her father. She said, "He has been a strong positive influence in every aspect of her life."

After graduation, Ceanne will attend the UW-Superior, studying towards a degree in writing with a minor in communications. Writing is a very large part of her life. Her career goal is to become a journalist and a freelance writer. She also loves to travel, and dreams of visiting Paris, France.

Mr. Keller, who is Ceanne's art teacher, says, "Ceanne is inventive, imaginative and a hard worker. Each artwork she creates is patiently made and completed with great care. It is obvious to me that she takes great pride in her work. Her artwork is very genuine and extraordinarily beautiful. I can see that she has a personal attachment in what she creates, and it clearly shows in every piece of her art. I can plainly see she has a creative voice; it is truly what makes her art a pleasure to see and experience. Ceanne is an amazing young woman who displays a wide range of talents. She is an outstanding student, a gifted artist and perhaps, most importantly, a delightful person. Ceanne embraces challenges and seeks opportunities to make our world a better place."

**Courtney
Schaefer
Wabeno
Student
of the
Week**

The Student of the Week for March 16-20 is Courtney Schaefer. She was selected by Mr. Nygard for her outstanding work in mathematics and her involvement in school activities.

Courtney lives in Wabeno and is a Junior at Wabeno High School. She is the daughter of Tammi and Jeff Ferrington of Wabeno, and Jeff and Joy Schaefer of Oshkosh. She has two siblings; 20 year old brother Jeff Schaefer, and 7 year old brother Brady Ferrington. Her favorite relative is Aunt Sandi Schuhart because she does anything Courtney asks of her.

Courtney is involved in many activities, but she loves to play sports. She plays volleyball, basketball, and softball for Wabeno High School. Courtney has been selected to the all-conference teams in volleyball, basketball, and softball. She says her favorite things about school are Math and talking with her friends. Courtney is a hard working student and is thinking of becoming an athletic trainer after she graduates. She hasn't decided yet where she's going to go to college to pursue her goal. She thought it was "pretty cool" to be selected as the Student of the Week.

Courtney doesn't have one favorite song or band, but likes a variety of different music. Her favorite color is orange and she likes the game Quelp. Her favorite movie is Matilda and her favorite book is "You Against Me" by Jenny Downham.

Courtney loves to laugh and enjoys a good joke, funny story or video. Her hero is her mom, because like her aunt, her mom will do anything for her. She would like to thank her parents for making her into the person she is today.

Congratulations Courtney on being selected Student of the Week.

**Will buy Reloading equipment
& supplies for rifle or shotgun**

Senior Chatter
 Submitted by Kate Schultz
Reading Labels for Better Health
 When you choose foods at the grocery store, do you often check the Nutrition Facts label on the packaging? If so, you probably select healthier foods than people who don't.
 Many packaged or processed foods with food labels tend to have large amounts of sodium. Manufacturers add sodium during processing for many reasons and in many forms. In fact, over 70% of the sodium we eat comes from processed foods.
 But, not all processed foods have high sodium content. For example, frozen vegetables without sauce, canned fruits, milk and eggs are often lower in sodium even though they are processed. How will you know for sure? The Nutrition Facts label will tell you how much sodium is in a serving of a packaged food. Better choices can lead to better health!
Beware of Bread
 The biggest source of sodium in the American diet is not salty snacks. According to CDC, it is the bread you toast in the morning and use for sandwiches at other meals. One slice of bread can have as much as 100 to 200 mg of sodium or 15% of the recommended amount for people over 51 years of age. Look for alternatives like thin sliced bread and open-faced sandwiches. Flour tortillas used for wraps are not any better. An eight-inch tortilla can have as much as 450 mg of sodium. Have you checked the sodium on the label of your bread?

The Suicide Victim Joe Peters

As the parents of Joe, Jean and I would like to thank all of those in our community and the all of the surrounding communities for coming forward with supportive condolences for our tragic loss. Be it flowers, cards, calls, joining us for the service, hugs, words of comfort or prayer, it all meant so much to us.

The tremendous amount of support our family has received has been very comforting, especially to Jean and me. You all knew Joe. He loved life, he loved his young family, he loved all his extended family, and he loved his many friends. He was a man who was intelligent and strong. There was no malicious intent behind this act. Joe had been fighting a dual battle.

The strong medication he was on did a fair job of keeping his colitis disease in check. A decade of fighting colitis lead to his depression. Joe was a quiet person. He kept all of this to himself, as he didn't want to burden anyone with his issues. He felt he could handle the depressive disorder on his own, which is the mind set of most men. The point is, Joe did not seek treatment.

Moving forward with all of our lives, Jean and I feel we must make something good come of this act. Depression is a disease that took Joe's life. Yes, prayer helps, but treatment is a must. Depressive disorders are real and treatable. They are no more a sign of weakness than cancer, diabetes, or any other serious illness.

In our country, some 30,000 people die of suicide each year. Seventy percent of them suffered from a depressive disorder, and most will not seek treatment. Most men are good at hiding the symptoms until it is too late.

If we can learn anything from this, it is that real men do get real depression. Please seek help, or if you know of friends and loved ones who suffer from depression, encourage them to get help. Don't become another victim of suicide and let us not have another tragic and hurtful event occur in our communities.

Thank You, Cal Peters.

Nicolet College Nursing grads invited to 25th anniversary celebration May 3

Calling all Nicolet College Associate Degree Nursing graduates: the college is celebrating the 25th anniversary of the Nursing program and is inviting all Nursing graduates to celebrate the occasion at a special event Sunday, May 3, on the Nicolet Campus.

"Over the years hundreds of students have graduated from the program," said Lenore Blemke, dean of Health Occupations at Nicolet. "Our 25th anniversary celebration is a great opportunity for graduates to get together, reconnect with former classmates, and join us in commemorating Nicolet's Nursing program."

Current and former Nursing faculty and staff will be on hand at the afternoon event along with special guests.

Graduates interested in attending are encouraged to send their contact information to Bev Damos, Nicolet Nursing instructor, at bdamos@nicoletcollege.edu or call her at (715) 365-4632.

Thank You & Personals

Thank You
 The family of Mary Enders wishes to thank the Weber-Hill Funeral Home for their support & guidance with funeral arrangements.
 We also wish to thank the staff of NuRoc Community Healthcare for their care during her stay.
 Thanks to Monsignor Paul Koszarek at St. Leonard Catholic Church, the church choir and especially those who brought food and served a wonderful meal.
 Finally, to all who sent flowers, cards and visited with us at the church, your thoughtfulness was appreciated. To anyone we may have missed, we thank you.
 God bless everyone for their support.
The Family of Mary Enders

5K Run & Walk Cont. from pg. 1

One in three people will be diagnosed with cancer in their lifetimes, and the other two will know someone who is. We often show support for loved ones by wearing ribbons in colors that represent particular kinds of cancer. Although the type of cancer that affects each of us may be different, we are united in honoring and supporting people with cancer. The Colors of Cancer 5K Run and Walk is an opportunity to work together to build awareness, offer encouragement and raise funds to beat cancer in Forest County. Wear your "Colors of Cancer" T-shirt on race day to show your support, and show off your own colors of cancer while crossing the finish line.

The mission of Ties That Bind Us is to provide cancer prevention education and build a network of community volunteers to help local Forest County residents with the burdens of cancer. Ties That Bind Us is in partnership with the Saint Mary's Hospital Foundation and is not-for-profit. Ministry Medical Group in Crandon and the James Beck Cancer Center are also helping with the initiative. "Our goal is to put dollars raised directly back into the community," said event organizer Kadie Montgomery. "This year we have been able to provide gas cards, nutritional supplement, and support groups. Also, partnered with other organizations to provide community event focused on cancer prevention education to the community."

If you or someone you know has cancer and needs assistance, or if you would like to make a contribution or volunteer, please contact Kadie Montgomery via email at kadie.montgomery@ministryhealth.org.

St. John Lutheran Church, Townsend Holy Week Services 2015

Palm Sunday Services: March 28th (5:30 p.m.) and March 29th at 9:00 a.m. "Receive Love": Join us for the service based on the parable of the lost sheep: Luke 15:7. At these two worship services, each person will receive a blessed palm to take home.

Mundy Thursday: April 2, 7:00 p.m. with Holy Communion "Receive the Meal": The theme is a parable of the Great Banquet: Luke 14:22

Good Friday: April 3, 8:00 a.m. and 7:00 p.m. "Receive the Sacrifice: The theme for Good Friday is based on the parable of the Landowner and the Tenants: Matthew 21:38-39

No Saturday evening service...

Easter Sunday Services: April 5, 7:00 a.m. and 10:00 a.m. "Receive Eternal Life": The Easter Festival service will be based on the parable of the Wise and Foolish Builders: Matthew 7:24. Join us for Easter Breakfast at 8:30 a.m.

Join us for worship of our Lord and Savior Jesus Christ at St. John in Townsend on Saturday nights at 5:30 p.m. and 9:00 a.m. on Sundays. Coffee, Fellowship and Bible Study follow the Sunday service. All are welcome to join us.

Thank You!
 We would like to thank everyone for the love and support in our time of sorrow. Special thanks to DeElda and Eugene for all they did to help Dennis and the Rescue Squad.
 To Jr. Allaback and Michelle Huml, the trucks and truckers for the convoy, Pastor Farr and the church ladies. We just can't thank everyone enough.
 The Dennis Wilson Family

THANK YOU!
 We would like to thank the EMTs and all professional staff at Aspirus Langlade Hospital and Aspirus Wausau Hospital for the care and assistance provided to Roger Treptow during his stay there.
 To Andrea and all the staff at Schmidt Schulta Funeral Home, thank you for all your assistance and the Bloecher-Johnson American Legion members, who honored Roger with the Military Rites at the funeral.
 Pastor Schram, thank you for your wonderful words and to the ladies of St. Paul Lutheran Church for the delicious meal.
 We would like to extend a heartfelt thank you to all of our family and friends who came to visit with us, sent cards, food, flowers and for your prayers. We hope that we have not missed anyone. Words cannot say how much your thoughtfulness is appreciated.
 The Lord has gained another angel in heaven, who will be missed by many on earth. God's blessings to all,
 Rose, John, Tess, Terri and Joe

Books for kids Cont. from pg. 1

D. Schimel, Attorney General, and Commissioner Doug La Follette, Secretary of State, presented Kurt Kiefer, Assistant State Superintendent of Public Instruction, with a ceremonial check at the Wisconsin Educational & Media Technology Association's (WEMTA) annual conference at the Kalahari Resort in the Wisconsin Dells. Commissioner Matt Adamczyk, State Treasurer, was unable to attend.

To see funding for your school district, click here <http://bcpl.wisconsin.gov/docview.asp?docid=26522&locid=145>.

The Board of Commissioners of Public Lands was established in 1848 by Article 10 of the Wisconsin Constitution. The BCPL manages the Common School Fund, which was created in the Constitution as a permanent endowment to benefit public education. The BCPL generates earnings for the Common School Fund by investing in community projects across the state through the State Trust Fund Loan Program. Trust Fund earnings are distributed annually to public schools and are the sole source of state funding for public school libraries. For many school districts, this is the only money available for library materials including books, newspapers and periodicals, web-based resources, and computer hardware and software. The funds distributed today are enough to put a book in the hand of every child in Wisconsin.

In a joint statement, Commissioners Schimel, La Follette and Adamczyk said, "Thanks to BCPL investments in local projects throughout the state, communities receive support for economic development projects, public infrastructure improvements, and the purchase of capital equipment and vehicles. Many of these expenditures provide law enforcement personnel and first responders with the equipment needed to keep their communities safe. The fact that earnings from BCPL investments continue to benefit public school libraries 167 years after statehood would make the founding fathers of Wisconsin immensely proud. Schools and communities benefit from this investment, and the BCPL is pleased to distribute record Common School Trust Fund earnings in 2015."

This 2015 library aid distribution is the largest in the long history of the BCPL. In an era of historically low interest rates, BCPL commissioners are proud to have maintained stable earnings distributions.

BURNING PERMITS REQUIRED

Spring has sprung! With the rapid disappearance of the snow piles many of us are getting excited for doing some spring cleaning of dead leaves, pine needles, and brush on our properties. The warmer weather that melts the snow, brings back the robins, and awakens the frogs also creates the risk of wildfires to spread. Early springs, like the one we are experiencing, often result in higher wildfire risk.

Year after year, the number one reason wildfires are started in Wisconsin is from debris burning that got out of control. The DNR urges everyone to be safe and take some precautions that may prevent small brush fires from becoming damaging wildfires and remember to get your annual burning permit before doing any burning.

Unless the ground is completely snow covered, and with the exception of campfires and cooking fires, burning permits are required for all open burning including ground burning, burn barrels, and incinerators. No burning permits are required within the city of Crandon.

Burning permits are FREE and required by law. Having the DNR come to put your escaped fire out can be extremely costly so don't get caught burning without a permit!

There are now a variety of ways to obtain a burning permit:

- Visit <http://dnr.wi.gov/burnpermits/> to print one out instantly
- Visit one of our local Emergency Fire Wardens (EFWs) to have one issued instantly. The list of Forest County EFWs can be found here: <http://dnr.wi.gov/topic/ForestFire/emergFireWardens.asp>
- Call 1-888-WIS-BURN (947-2876) to have one issued over the phone and sent in the mail
- Visit the U.S. Forest Service Ranger Station at 4978 Hwy 8 West in Laona (715-674-4481)
- Visit the WI DNR Ranger Station at 404 N. Lake Ave. in Crandon (715-478-3717)

Before burning you must verify current fire danger and burning restrictions for the day of the burn by visiting dnr.wi.gov/wisburn or calling 1-888-WIS-BURN (947-2876). Days and times the burning is allowed changes daily based on current weather conditions so it is important to check before every burn.

When burning, it is important to keep fire-fighting tools such as a water hose and shovel close at hand in case the fire gets out of control. The fire should be monitored at all times until it is completely out and cold to the touch. All it takes is one ember to start a wildfire.

If the fire starts to expand beyond the planned area, producing large flames and lots of smoke, call your local fire department immediately!

For alternatives to burning, please see: <http://dnr.wi.gov/topic/openburning/>

Be safe out there, folks! Hopefully the next time you see our fire trucks will be in the parade and not to put out your escaped fire! Happy spring!!

Please contact DNR staff at the Crandon Ranger Station for more information at 715-478-3717.

Laona High Field trip to Oldenburg Group Iron River

On Feb. 24th, Mr. Garvaglia of the Laona School District took his Pre-Calc class and 4 other seniors on a field trip to the Oldenburg Group manufacturing plant in Iron River, MI. Upon our arrival, we were introduced to Fritz Wenzel, VP of Engineering for the Oldenburg Group, our tour guide. Fritz has been with the Oldenburg Group for better than 15 years and has extensive knowledge of its operations.

Our tour started with the Engineering Department where Frank Ciulini, a design engineer with 20+ years of experience at OGI, demonstrated what he was working on and answered questions the students had. This was a great experience for students looking to go into the engineering field to see actual, hands-on how engineers work in a manufacturing environment.

Our tour continued into the machine shop where CNC milling and drilling, plasma cutting of parts, and industrial welding is performed. The students got to witness a CNC drill in operation where students from area colleges were attending doing a time study on the CNC drill. Students who have a high interest in the welding field got to see some high-end welding that was happening and ask welders questions.

The Oldenburg Group is a marine defense sub-contractor with interests in the nations Navy shipyards. While on the tour the students were treated to doors and a lift system for the LCS (Littoral Combat Ship) being built at Marinette Marine in Marinette, WI. These doors and lift system were large enough for a small sub or ship to enter and be lifted into the ship. As Fritz explained this lift system will be used by our Navy Seals, reconnaissance missions, and rescue operations.

Also in the marine defense area, the students were able to see an all aluminum turret being built that when completed will be an extendable ramping system attached to the back of a Navy ship. This ramp will have the ability to rotate 35° and extend out to load and offload military equipment such as the M1 Tank.

The students also were able to see a winch system OGI is well noted for in the marine defense world that lowers and raises ship anchors. This "Windlasses" system is used on the majority, if not all, of Naval ships.

The tour then moved on to the mining equipment area where the students got to see different equipment used in gold, diamond, zinc, copper, etc. mines. Equipment included drilling rigs, hoist systems, and mining trucks. The students also got to see a drilling rig that had been in a mine for 6 months and was in to be refurbished and fixed.

Our tour finished with a viewing of the shipping, receiving and parts areas, and then into the electrical assembly area. What a great experience for our students and our appreciation goes out to the Oldenburg Group and Fritz Wenzel for allowing us to tour their facility.

Before returning to Laona, we stopped by Scott's Subs for pizza and soda. The students were perfect adults throughout this trip and conducted themselves in a manner that future field trips will be welcomed again at the Oldenburg Group facility in Iron River, MI.

Wabeno Grad Lt. Col. Peter Tschohl retires after 22 years

Lieutenant Colonel Tschohl entered the Air Force in 1993 after receiving his commission through Reserve Officer Training Corps (ROTC) at the UW-Superior campus. He began his career as an Air Traffic Control officer at Tyndall Air Force Base, Florida and then went on to become the Deputy Flight Commander of Airfield Operations at Luke Air Force Base, Arizona. Lt. Col. Tschohl also taught Air Force ROTC and was the Admissions and Recruiting officer at Oregon State University before being selected to attend undergraduate pilot training at Columbus Air Force Base, Mississippi. After receiving his pilot wings he was assigned to fly the KC-135 Stratotanker at McConnell Air Force Base, Kansas. Lt. Col. Tschohl quickly upgraded to Aircraft Commander and then instructor Aircraft Commander and held positions as Chief of Mobility and Readiness Flight Commander. He was also certified as a Special Operations Air Refueling and capital receiver qualified pilot.

His next flying assignment was as an instructor and evaluator pilot for the Formal Training unit at Altus Air Force Base, Oklahoma, where he served as a flying Squadron Safety Officer and Assistant Director of Operations before becoming the 97th OSS Director of Operations. He was also acting Squadron Commander for four months.

Following his Altus assignment, Lt. Col. Tschohl was selected to serve on the Joint Headquarters staff at U.S. Pacific Command and worked in both the J35 and J54 divisions, culminating as the region's Chief of Counter-Terrorism Plans.

After his staff tour, Lt. Col. Tschohl returned to McConnell Air Force Base, Kansas, where he served as Director of Operations and acting Squadron Commander for the 384 ARS, and as a KC-135 instructor and evaluator pilot. During this period, Lt. Col. Tschohl was selected to command the 22nd Expeditionary Air Refueling Squadron at Manas Air Base, Kyrgyz Republic on a 365-day deployment in support of Operation Enduring Freedom.

He has a Master's Degree in Aeronautical Sciences with a dual specialization in aeronautics and aviation management from Embry Riddle Aeronautical University and has logged over 2,900 total flying hours.

Lt. Col. Tschohl is married to the former Crystal Corson of Phoenix, Arizona. They have four children: Megan, age 16 years; Anja, age 13 years; Jacquelyn, age 11 years; and Jacob, age 10 years.

Lt. Col. Tschohl is the recipient of the Bronze Star and a long list of Service Medals earned in defense of our country.

Wabeno Student of the Week Tanisha Burba-Pospichal

This week's student of the week for March 23-27 is Tanisha Burba-Pospichal. Tanisha was nominated for this award by Mr. McCann of the Social Studies Department. Tanisha is well deserving of this nomination because her knowledge of the content area is astounding. Over many years of teaching history, it is rare to find a female student that has as much passion for the subject as Tanisha has. Her work and tests scores reflect this passion. Tanisha has also brought in family items to show and share pertaining to WWII. Due to all these reasons, Tanisha has been selected as the student of the week.

Tanisha is the daughter of John and Linda Hatfield and resides in Wabeno. Tanisha has a little sister named Takara. Her favorite relative is her grandma because they are very "similar". Outside of school, Tanisha likes to go over to her friend's houses and hang out. Her favorite color is blue and her favorite song is "Bright" by Echomsmith. After high school, Tanisha wants to join the National Guard and someday move on to a civilian career in the medical field. Lastly, he would like to thank everyone because each person you meet in life impacts you in some way, just more than others. Thank You Tanisha, and good luck with your future endeavors!
