## FCAL Essay Contest Winners 2015

Wabeno Elementary: Harry Resch, FCAL Essay Contest Chairperson; Kylie Higgins, first place winner; Reed Christianson, second place; Benny Peters, third place winner; and Lee Lamers, FCAL President.

### Windfall Lake

By Kylie Higgins, first place, Wabeno Elementary School  
My favorite lake is Windfall Lake in Wabeno, Wisconsin. I love to go fishing in the early morning with my dad. When we get ready to leave, I get more and more excited. We pack up the fishing poles, the cooler and the worms.

## Wabeno Library News

Submitted by the Wabeno Library  
Welcome to summer at the Wabeno Public Library! We kick off our summer reading program this Saturday, June 20th, at 10 a.m. We'll have activities, snacks, drinks, and of course, some reading. We encourage kids of all ages to join us. We hope to see as many parents and kids as possible this summer as we have some fun with our theme, "Every Hero has a Story." Each week, we'll have a different activity creating a part of a hero costume. Kids can also enter their names each

## Forest County Historical Society open for the season

By Mike Monte

The Forest County Historical & Genealogical Society did a bit of work this spring. The main rooms of the museum were emptied of artifacts and displays. The original hardwood floor was refinished and repairs and paint were applied to the walls. The result is a fresh look that adds to the ambience of the museum.

The next step was to re-install the furniture, artifacts and photos in a pleasing way to the restored rooms. In the photos above, the refinished walls and floor is shown shortly after it was finished.

## Brush Run Races next weekend!

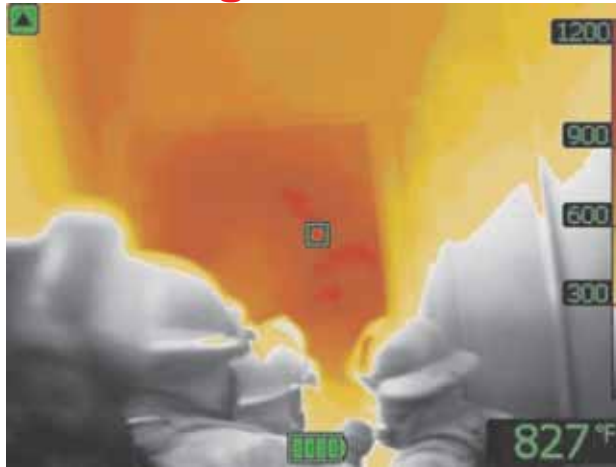

Race fans should make plans to attend the Brush Run Races next weekend, on June 27 and 28 at the Crandon International Raceway. The race features the 22nd Annual Forest County Potawatomi Community Cup Race.

This year, the Sportsman's Class will make up the race that was rained out at the Super Challenge on Friday, June 26. There will be a band on Saturday night and a lot of fun on both days.

Check out the Pioneer Express online at: [pioneerexpresscrandon.com](http://pioneerexpresscrandon.com) or check out many area businesses that put out the Pioneer for pickup!

## Pickerel Fire Dept. adds thermal imager and more

Picture taken using the Pickerel Fire Department's new thermal imaging camera at a recent live structure fire training.

The Pickerel Volunteer Fire Department recently added several valuable pieces of equipment to its inventory. The department was awarded a \$2,000 grant, through the generosity of the Wisconsin Public Service Foundation, which combined with money from fundraisers, was used to purchase a thermal imaging camera. This camera can be used to look for people in structure fires, look for hidden areas of fire in structure fires and forest fires, and missing campers, hunters, children, and boaters.

## Crandon Farmer's Market opens June 24th

It is summertime, and it is also time to enjoy fresh, local foods provided by farmer's markets. Starting on June 24th, there will be vendors selling fresh produce and goods every Wednesday and Thursday throughout the season from 3:30 to 5:30 p.m. on Lake Avenue on the courthouse grounds in Crandon.

This year is special because there will be fresh vegetables and herbs available for sale from the Community Garden located next to Crandon's City Hall, at the Farmer's Market at the courthouse square. There will be nutrition information, recipes and taste testing. WIC Farmer's Market vouchers will be accepted by certified vendors.

There is no better way to strengthen your local community than to shop and eat locally! This also strengthens your family when they eat healthy and fresh foods.

## Laona Lions Community Soup moved to Saturday August 1st.

This year the Laona Lions Community Soup will be on Saturday, August 1st at the Silver Lake Beach. The Lions Club is trying something new by having the event on a Saturday for the first time ever.

More details in the near future. Look for our ad.

## Red Arrow ATV/UTV training coming in July

For the 8th straight year Red Arrow is holding or helping Hidden Bear Trail ATV club with conducting a safety class for those who ride ATVs or UTVs. If you were born on or after January 1st, 1988 you must take this class to ride legally in the state of Wisconsin.

This year the class will be on Monday, July 6th & Tuesday, July 7th from 5:00 p.m. to 9:00 p.m. at the Lakewood-Townsend Ambulance Garage on Highway 32. Pre-registration is required and class size is limited to 30 students (only a few seats left). Contact lead Instructor John Brantmeier at [jbrantmeier@athenet.net](mailto:jbrantmeier@athenet.net) or visit [www.redarrowtownsend.com](http://www.redarrowtownsend.com) for full details of the training and a sign up form.

## Forest County Republican Party picks essay contest winner

The Forest County Republican Party is proud to be the recipient of the \$200 savings bond that was offered to a high school senior, a student citizen, who could best write about their future endeavors. They connected with school counselors and made the decision to offer Tyler Sturzl the savings bond for his essay. They would like to congratulate Tyler for winning the scholarship from the Forest County Republican Party. They're very proud that he expressed his future goals so eloquently. Tyler is a great American!

The center photo is a view from the kitchen of the dining and living room that has been made ready for visitors. The photo on the right is a new use for the room off of the living room. This room is now being used for new displays that will be changed periodically. Currently, a visitor can learn something about early farming and the moonshine trade that this area was known for.

There are new photos on display as well as new artifacts. With the refurbishing, the house will also more closely resemble a household from the 1920's and be more historically accurate. The hours for the museum are 11:00 a.m. until 3:00 p.m.

**Essay Contest** Cont. from pg. 1

By the time we get all of our things onto the boat and into the very calm water, the sun is rising. Everything is so calm. I can see the reflection of the trees on the water and the ripples in the water from our boat. I can hear the bull frogs and crickets in the distance. The fog is starting to rise. We stop the boat and start our fishing. While I was waiting for a tug, I was a little frightened by a turtle's head that popped up from under the water. At that moment, I felt a little pull on my pole. I started to reel in slowly, then faster and faster. My fish was trying to get away! It wrapped itself up in the lilies. When my dad got it out, he helped me take the fish off the hook because its fins were sticking out. I had caught a beautiful sunfish! It was colorful and shimmery, but it was also slimy and scaly. I took it from my dad and put it back in the water. We fished until we had no more worms left. We caught a lot more fish that day including muskie, largemouth bass and sunfish.

At sunset we started to head back. I could see the sun setting behind the trees. I was really happy that day because I got to spend the day with my dad at Windfall Lake in Forest County.

**What I Love Most About Forest County Lakes and Waterways**

By Kayla Kevilus – First Place Laona Elementary School  
I absolutely love the peaceful and very quiet lakes. They are beautiful and the water is so calm. I love to go seashell hunting every time I go to Silver Lake.

The lakes have NO garbage in them because every year on Earth Day my sister and I go to the lakes picking up garbage even if the water is somewhat still frozen! We still make time for other days that are warmer! The lakes are my most favorite because if I ever need peace and quiet, I can ask my mother or sister to bring me there and I love to sit on the dock! Sometimes, I even go to Silver Lake JUST to sit on the hot and sometimes warm sand! Even when the weather is REALLY cold, the sand is still completely WARM!!! I just love Silver Lake – my most favorite Forest County Lake – only because I've never been to another Forest County lake.

I love the waterways because they are so pretty! I love the peaceful views. The wooden docks are the best! Especially for the lakes, there is a beautiful view! You can also go out at sunset or sunrise! Also, to see the canoes coming down the waterway!

Crandon Elementary School: Harry Resch, FCAL Essay Contest Chairperson, Haley Walentowski First Place Winner, Alexis McCorkle, Second Place, and Kayla Niehaus, Third Place Winner, Lee Lamers FCAL President.

**Lake Metonga**

By Haley Walentowski – Crandon Elementary School  
I am going to tell you things that make me love Lake Metonga. It is the best lake because it is clean. I like when the water is so calm that it looks like glass and I like how it is so relaxing when you float on a tube in the water. I like that there is a campground so people can go camping. I extremely like the beautiful sights of the trees and the wildlife all around.

I like the chirping of the birds, the quacking of ducks and the lo-lo-lo of the loons. I love the refreshing feel of the moist, wet water. Also, I like the feel of the hot sand and the weedy feel of the weeds. It is so fun when we get to go boating and tubing. At night I like the fireflies around the burning campfire.

I like to go fishing in Lake Metonga because there

are a lot of big fish.

I absolutely love the colorful leaves and the hot sun. My family plays outside in the lake all the time and we have cookouts all the time. The water always feels nice on a hot day, so we jump off the boat all the time. The big, huge waves are fun to play in, because you can dive right under them. Sometimes the water gives me goose bumps, but I play in it anyway because it is so, so fun.

I think it is the most awesome lake, because it is the most fun lake to swim in. So that is why I love Lake Metonga so, so very much.

**Forest County Association of Lakes (FCAL) Student Essay Contest a Huge Success**

The FCAL Essay Contest for the spring of 2015 for the 5th and 6th graders at Crandon, Laona, and Wabeno schools was as successful as ever. Crandon had 83 essays, Laona had 20 and Wabeno had 45.

Evaluating these essays was a very difficult job, but the top three from each school were selected.

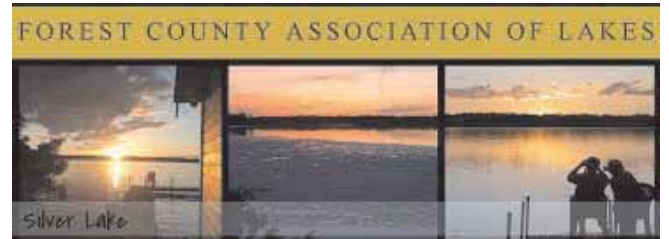

The winners from first place to third place respectively are as follows: Crandon- Haley Walentowski, Alexis McCorkle and Kayla Niehaus; Laona- Kayla Kevilus, Halia Babich and Malina Lazzeroni; and Wabeno- Kylie Higgins, Reed Christianson and Benny Peters.

The first place winners at each school received \$100, second place winners \$50 and third place winners \$25. The awards were given at each school during their spring awards programs or during an arranged time with each school.

The winning essays will be on display at Crandon Public Library for viewing from the middle of June until Kentucky Day on July 25, 2015. Essays will also be on display at the FCAL booth during Kentucky Day on the Crandon Courthouse lawn.

The winners of the essays and their parents will be invited as guests to FCAL Annual Meeting in October. The winners will be asked to read their essays at this event.

The Forest County Association of Lakes would like to thank all three schools for their participation in the annual essay contest. The teachers and principals did an exceptional job getting so many students to participate in the contest.

*look forward to as an American and talk about the ideals that you hold dear that will help you to achieve your goals. Please be thoughtful, insightful and specific.*  
 Tyler has given us permission to print his essay:

I was given the greatest opportunity anyone could ever ask for in the entire world. That opportunity and gift is being born an American. I had the privilege to be born and raised in the greatest country in the world. But what makes our country unique? What makes us stronger, more independent, and enhanced than all the rest? The motto on our Great Seal, E Pluribus Unum – “From one, many” – gives us this answer. Our great country was formed and founded on the idea that many should coexist under the unified citizenship of the United States. This motto forms us, guides us, and inspires me. Our motto lets me know that every promise and every opportunity is still golden in this great country.

Currently I am a young man striving to make it through his education. However, I am much more than that. I am a citizen of the United States. During the next five years I plan to do more than just study at a college. I plan to make a change for the better. This is one of the great opportunities given to me due to the fact that I am an American citizen. I plan on studying government and politics, but above all I plan on joining groups and organizations that will help me better the community. Volunteering and contributing back to the community are at the top of the list when selecting clubs or groups to join during my attendance at Ripon. However, another large portion of the next five years will be focused on becoming a better individual. I want to learn as much as possible from college and improve my overall character. Active studying, community participation, and keeping an open mind are things that will help me achieve these goals. During the end of the next five years I will be starting law school in hopes of furthering my education and impact on the community.

In ten years I will be 28. I will be a young attorney trying to make my way in the world. I keep reminding myself of one thing for the future – it is not where you start but where you end up. This maxim will always remind me that we as people can start anywhere, but we have to keep our heads on the true thing we want most in life. For me, the thing I want most in life is public service. More than anything in the world I want to change my community for the better. Although this may seem a bit cliché, I am a strong believer that hope is still out there. It does not matter where I start in my occupational life. However, I want to end up serving the public good one day as a prosecuting attorney. Building my way up to this will be a monumental task, but most great feats are not accomplished in one day. Greatness takes years of hard work and honest character. Getting to my overall goal will take years of working up to it. However, these years of hard work are the foundational cornerstones for the rest of my life. The harder the work is, the stronger these cornerstones will become.

Twenty years from this day and I will be a rising member of our society. Being an average face in the crowd is not who I am. I need to stand and voice my opinion for what's right in our society. At the age of thirty-eight I hope to fully be a public servant. I hope that during this time I am working every day to improve the community I live in. How will I do this? Of course I will be contributing with my career choice of law, but the real change will be the work I do with my hands. I desire to keep the act of volunteering with me until the day I die. Contributing with humanitarian efforts and honest hard work are the things more people need to do in our society. However, it goes without saying that efforts in our community still go unrecognized. There are still a huge amount of good people in our cities and our towns that do these things. These people sometimes go unrecognized, but the overall goal of volunteering is to not be recognized. The overall goal of volunteering is to contribute to the greater good. Contributing to our society's greater good is my life goal.

“Every promise, every opportunity is still golden in this land. And through that golden door our children can walk into tomorrow with the knowledge that no one can be denied the promise that is American.”

Ronald Reagan, the man responsible for that quote, spoke those words when he accepted the presidential nomination at the Republican National Convention in 1984. Reagan somehow knew and understood the future was not something we owned, but borrowed from our children and their children. He understood that with hard work, dedication, and the American spirit, anything was possible in this great country. The great thing about our country is that nobody can be denied the promise of America. It is a free and priceless gift to those who work for it. I, as a student, citizen, and future leader desire for this promise of America.

/s/Tyler Sturzl

**How to Apply:** Interested and licensed candidates should submit a letter of interest, resume, transcripts, copy of license(s), and three (3) current letters of reference by Monday, June 29, 2015 to: Jennifer Vogler, District Administrator, School District of Wabeno Area, PO Box 460 Wabeno, WI 54566.

*The School District of Wabeno Area is an Equal Opportunity employer. The School District does not discriminate against applicants or employees based on race; age; sex or sexual orientation; creed or religion; color; handicap or disability; marital, citizenship, or veteran status; membership in the National Guard, state defense force, or reserves; national origin or ancestry; arrest or conviction record; use or non-use of lawful products off the District's premises during non-working hours; or any other characteristic protected by law.*

## Pickerel Fire Dept. Cont. from pg. 1

Pictured from left to right are Lieutenant Gene Mason, Chief Robert Aderholdt, and Assistant Chief John Cook. Chief Aderholdt is holding the department's new thermal imaging camera and they are pictured in front of the department's two brush trucks.

Through the department's continued working relationship with the Department of Natural Resources, the department was able to expand and upgrade its fleet with the acquisition of two surplus brush trucks. Both trucks are identical and replace a single older brush truck which was based out of the department's Town of Nashville fire station. This acquisition gives the department a pair of identical trucks with one each in its Town of Nashville fire station and its Town of Ainsworth fire station, greatly increasing the ease of training and decreasing response time to certain incidents in the western portion of its jurisdiction. Through the generosity of department member's donated time and cooperation with Schroeder's Auto of Pearson, Pickerel Autobody, and Forest Communications, the acquisition and initial outfitting of both trucks was done under budget, with both trucks being placed into service prior to spring forest fire season.

All money used in the purchase of the equipment was from donations and money raised from the department's fundraisers and would not be possible without the support of the community. The firefighters and line officers of the Pickerel Volunteer Fire Department would like to extend their gratitude to the Wisconsin Public Service Foundation, the Wisconsin Department of Natural Resources, the aforementioned businesses, any others involved in these projects, and most of all, to the community which supports the department, making these improvements possible.

## Logging Camp Continued from pg 1

as well as the rich Holt legacy which includes the Cathedral Woods and preservation of the Depot Camp. Don will be sharing very rare original footage of Holt operations filmed almost a hundred years ago by Lucy, who owned the first moving picture camera in Oconto.

Tours of the logging camp led by Camp Manager Bob Brown and Museum Curator Kathleen Marsh will begin at 10:00 a.m. that day. If this is your first visit, please allow at least one hour to fully experience the oldest logging camp in the United States sitting where it was originally built. Don't forget to walk around outside to see the stamped Holt & Balcom log "floater" fished out of Reservoir Pond last year and donated by Debbie and Kyle Roeser of Townsend.

The Holt & Balcom Logging Camp Museum is located on Highway F, a mile and a half east of Lakewood. If coming into Lakewood on Highway 32, turn onto County F at the ATV trailhead, then right on Country Club Lane. Follow the signs directing you to the camp. Please park in the McCauslin Brook Golf Course and Country Club lot. The Museum is on McCauslin Brook, just behind the Clubhouse.

If you are unable to attend that Saturday, tours are available on summer Saturdays from 10 a.m. - 3 p.m. starting June 13. For more information or a special tour at a more convenient time, call Bob at 715-276-3505 or Kathleen at 715-276-6515.

## Wabeno Library Cont. from pg. 1

week for prizes at our end of summer party in August. Kids will get an entry for every week they come, as well as for each book they read (or their parents read to/with them). The more you read, the more chances to win some fun prizes!

We hope all students are enjoying their summer vacation and getting outside as much as possible. For those days when being outdoors isn't an option, we have copy of the summer reading list for Wabeno High School. Feel free to stop in and explore, and we'll help you get copies of any book you'd like to read. We'll also offer up free copies for parents or students interested in having the list at home. Remember, the more you read, the more you know! (Who else remembers that PSA gem from the 90's!?)

New to the library this week—David Kertzer's Pulitzer Prize winner, *The Pope and Mussolini: The Secret History of Pius XI and the Rise of Fascism in Europe*, Bill O'Reilly's, *Legends and Lies: The Real West*, Judy Blume's, *In the Unlikely Event*, and *Our Souls at Night*, by Kent Haruf. Looking to watch the 3rd and final season of *The Newsroom*—then stop in. We have new DVDs available in our documentary section, as well as some newer releases, including *Interstellar* available as well.

We're still looking for donations to help kids jump start their interest in sewing, knitting, crocheting, photography, and gardening. We hope to assemble kits to hand out with books explaining the basics to get started in those areas. Just a reminder on the other resources available at the library—free help/printing on job applications, cover letters, resumes, basic technology courses, free wifi, public computers, travel information, and advice and free travel guides on the local area. We may be a small library, but we pack a lot of punch and character into our log cabin of a home.

Library hours: Tuesday/Friday 10-5, Wednesday/Thursday 12-5, and Saturday 9-12. Feel free to find and like us on Facebook: [www.facebook.com/wabenopubliclibrary](http://www.facebook.com/wabenopubliclibrary). Any questions? Don't hesitate to call us at: 715-473-4131.

**Lakewood Trout Rearing Station Work Day – A Great Success!**

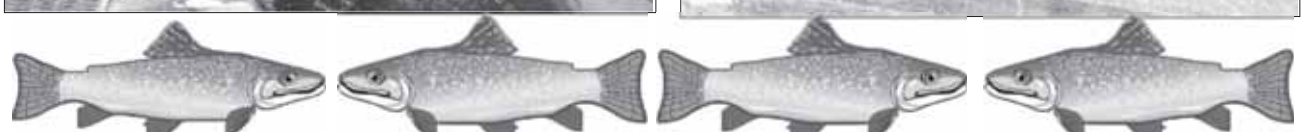

The call went out for help and help showed up! People came from the surrounding communities to pitch in as they were excited to be a part of the reopening of the historic Lakewood Trout Rearing Station. Not only were all of the local communities represented but there were also individuals from Coleman, Marinette, Green Bay, De Pere, and Sheboygan. The Scouts from Crivitz (Pack 4058 and Troop 1058) were the first to arrive and the last to leave. The WDNR personnel were overwhelmed by the enthusiastic show of support.

Tanks were cleaned, screens washed, streams brushed, fallen trees removed, grass cut, and raceways were cleared. The sounds of power washers, water pumps, lawn mowers, weed eaters, and chain saws could be heard all at the same time. The day was exhausting but well worth the effort.

Jesse Landwehr, WDNR Operations Specialist and Project Leader, along with the personnel of the Northern Oconto County Trout Alliance would like to express their gratitude to everyone that sacrificed their time and energy in an attempt to bring the Lakewood Trout Rearing Station back to life. Bruce Gajewski, owner of the Lakewood Subway for provided free subs for everyone involved, and it was greatly appreciated.

The next step in the process is a training day for those that have volunteered to man the station on a daily basis. Shortly after the training the 16,000 brook trout fingerlings will arrive and we will officially be raising trout! The final stage will occur in mid-October when all of the fish will be planted in local streams.

The Northern Oconto County Trout Alliance is yet seeking to raise the necessary funds to purchase the feed for the fish. If you would like to be a part of this effort you may contact NOCTA at noctroutalliance@gmail.com.

**Wilbert "Curly" Padgett**, age 87, of Townsend, passed away April 20, 2015. Visitation will be held on Saturday, June 20 from 10 to 11 a.m. at the Weber-Hill Funeral Home in Wabeno. A memorial service will follow at 11 a.m. with Pastor Bill Farr officiating. Online condolences may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Gary J. Smith**, age 62, of Laona, passed away at his home on Sunday, June 14, 2015. Visitation will be held on Friday, June 19 from 9-11 a.m. at the Weber-Hill Funeral Home, Crandon. Memorial service will follow at 11:00 a.m. with Pastor Lee Jennings officiating. Online condolences may be sent to [weberhillfuneralhome.com](http://weberhillfuneralhome.com).

**Gary R. Walker**, age 79, of Argonne, Wisconsin passed away at the AGI Healthcare Center in Crandon, WI on Thursday, June 11, 2015.

Gary was born on January 5th, 1936 in Winona, Minnesota to Clifford and Vivian Walker. After high school in West Allis, Wisconsin, Gary became a mechanic and after moving to Wittenberg, Wisconsin, changed careers and became a carpenter. Then, with his life partner, Adelaide "Buddy" Thomas, moved to Hiles, Wisconsin, where they purchased the Pine Lake Campground and operated it for many years. They then moved to Argonne, Wisconsin until Buddy's death on November, 15th, 2014.

Gary is survived by sisters, Marlene (Tom) Kowalsky, Jone Kniker, Sandy (Cliff) Trivison, Diane (Dave) Stahl, Claudia Walker, brother, Jack (Elaine) Walker; and sister-in-law, Karen Walker. He is also survived by the grandchildren of Adelaide "Buddy" Thomas.

Gary was preceded in death by the love of his life, Adelaide; his mother, Vivian Walker and brothers, Clifford Walker and Robert (Karen) Walker.

Great thanks and appreciation is extended to the staff of Ministries Hospice Care and to the great staff at AGI Healthcare, Crandon, where Gary enjoyed his last five months of life.

Per his request, Gary's remains will be properly taken care of by his family and there will be no services at this time.

Cremation was taken care of by the Mid-Western Cremation Society of Scholfield, Wisconsin.

# Letters to the Editor

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. We reserve the right to reject any and all letters.*

To the People of Forest County:

Since its beginning in December 2013, the Forest County Ties That Bind Us (TTBU) has raised over \$40,000 through community events to help those affected by cancer in our county. Not only does the TTBU focus on providing cancer prevention support and education to those living in Forest County, it also provides support to cancer patients and their families who are battling this disease. To date, the Ties That Bind US have been able to provide 42 Forest County cancer patients and their families with gas cards, food cards, nutritional supplements and incontinence supplies which are not often covered by insurances. The TTBU also works with both current and former cancer patients and their families to identify health insurance, financial assistance and in home needs. We also help those affected navigate through various cancer resources that can often be overwhelming.

On May 2, 2015 the Forest County Ties That Bind Us (TTBU) held their second annual Colors of Cancer 5K in Crandon. This successful event had 552 participants and raised a total of \$18,308.00.

We have been able to join efforts with local community events such as the Couch to 5K program, have attended health fairs, school events, and more to promote cancer prevention. The organization also has a lending library at the Ministry Medical Group – Crandon clinic which is filled with cancer resource books and cancer education for anyone to use. We also have cancer prevention/education models for the community to use at any healthy event. This past year, we also held our first emotional support group for current and past cancer patients and their families. The Crandon High School Technology Department made wooden benches that have been distributed to communities throughout the county. These benches have been placed at parks, walking trails, and the community garden. The TTBU is a key sponsor of the Crandon Park and Rec program by providing the healthy snacks and sunscreen to those in attendance. We are currently working to purchase sunscreen dispensers that will be used at many local parks and beaches throughout the county.

The Ties that Bind Us of Forest County would like to thank everyone for their continued support. Through community volunteers and donations, the organization is able to give the 100% of the money raised back to the Forest County community. The TTBU has only a few active committee members who are planning the future of this organization. We are looking to find more community members who are willing to help in other Forest County towns allowing the organization to reach more people and making sure your generous donation is distributed throughout the community benefiting the whole county.

If you are interested in volunteering to help the organization network with other local organizations to create a healthy community and help spread our mission to help all community members with the burdens of cancer please contact me, Kadie Montgomery 715-478-6342.

Kadie Montgomery

Herb Adams presents the check to the D.A.V.

Still Smoking in Crandon recently made a donation to the Forest County Disabled American Veterans Chapter 43.

Still Smoking donated a portion of all their sales between May 8th and June 7th. Herb Adams presented the check to the D.A.V. on June 10th. Herb said that it was with the help of all the customers that made this donation possible.

## Adult basic computer skills classes offered

Adult beginning computer skills class will be offered at the Crandon Library on Friday evenings from 5pm until 7pm starting June 12th and running until August 14th. This class has four total lesson plans; basic computer skills, how to search the internet, word processing and excel. The class will be taught by Craig Collins an AmeriCorps Member who represents the Community Coalition of Forest County and sponsored by the Crandon Public Library. 4H students will also be available to help with the one-on-one training. Registration for the classes is required. Please register by calling the library at 478-3784.

### Crandon Craft Club

Do you spend hours on Pinterest but never seem to make any of the crafts you pin? Well so do we. So we are starting a Craft Club for teens, tweens and adults on the 4th Thursday of each month beginning Thursday, June 25th at 6:00 p.m. This month we will be crafting a garden stepping stone for either your own home or Crandon's community garden. There is no cost to attend the Crandon Craft Club but registration is required to make sure we have enough supplies on hand. Please register by calling us at 478-3784.

These programs are free and open to everyone. A complete list of upcoming summer events can be picked up at the Library or by visiting our website at [www.crandonpl.org](http://www.crandonpl.org). The Crandon Public Library is open Monday, Tuesday and Friday 9 a.m. – 5 p.m. and Wednesday and Thursday 9 .m. – 7 p.m. and Saturday 9 a.m. – Noon.

Sokaogon Chippewa Housing Authority Office,  
3265 Settlement Road, Crandon, WI

### PROPOSALS DUE BY:

June 26, 2015 4:00 PM

Cardinal Capital Management, Inc. will be conducting an informational meeting for contractors interested in submitting proposals for the above referenced projects. Contractors will be bidding on work related to construction of 20 new single family homes and 24 units of remodeling and new construction for Supportive housing. Work should commence July of 2015 and be completed by September of 2016. Contractors needed in the areas of: Carpentry, Roofing, Siding, Asphalt parking lot, Plumbing, Electrical, HVAC and Landscaping.

• Tribal contractors and/or hiring of tribal members will be required.

• These projects are WHEDA 9% Tax Credits

• All payments for services rendered are subject to a 5% retainage and are all draw based.

Bid documents will be distributed at the project meeting. The Invitation to Bid and other related documents may be viewed at the offices of Sokaogon Chippewa Housing, 3265 Settlement Road, Crandon, WI by appointment only. Contact Jeff Ackley Jr. at 715-478-2001 to make arrangements to view these documents.

## Crandon Youth Football

Dear Parents and players,

If you are interested in joining youth football, there will be two sign-up dates available.

Monday, June 22nd, from 6:00 PM until 7:00 PM  
at the Crandon City Beach

Monday, July 12nd, from 6:00 PM until 7:00 PM  
at the Crandon City Beach

**All players must be 8 years old by August 1st and not over 12 years old on August 1st**

It is important that, if interested, you sign up on these dates. If these dates don't work for someone, please call. It is important to have early sign up, so equipment can be ordered and schedules can be made.

\*No players will be allowed to sign up after July 12th.

The first practice will be July 13th. Complete practice schedules will be available during sign up.

Cost per player will be \$25, due at sign up.

If you have any questions feel free to contact Joe Kane @ 715-889-1415 or Ray Keepers @ 715-784-1063

We are always in need of extra coaches or helpers. If interested, please talk to one of the coaches.

Parents are the key to a successful athlete and we appreciate your help during the football season.

**Thank you!**

**Nicolet College Empty Bowls raises nearly \$2,000 for area food pantries**

Eleven area food pantries recently received donations from the money raised at the Empty Bowls event held earlier this year at Nicolet College. In all, the event raised \$1,910, which was divided equally among the pantries.

Those accepting checks, along with event organizers, included, front row, left to right, Vicki Severson, Nicolet College; JanLee Goska, Vilas County Food Pantry; Doe Muench, Three Lakes Food Pantry; Anita Hornbrook, Boulder Junction Food Pantry; Ginger Chrobak, Rhinelander Area Food Pantry; Heidi Gronna, Open Arms Soup Kitchen, Tomahawk; back row, Katy Ralph, Nicolet College event coordinator, Linda Duff, NEWCAP Food Pantry Forest County, Diana Everson, Elcho Community Food Pantry; Jack Schalaefer, Three Lakes Food Pantry; and Ken Chrobak, Rhinelander Area Food Pantry.

Other organizations who received donations but where unable to send a representative for the photo include the Mercer Area Food Pantry, Lakeland Food Pantry, Tomahawk United Methodist Food Pantry, and the Northwoods Alliance for Temporary Housing (NATH).

The fundraising event consisted of a meal of soup and bread prepared by Nicolet College Culinary Arts students.

Thirty-eight area potters, including students from Mercer Middle School, volunteered their time to make about 200 bowls. The Northwoods Turners also donated 15 wooden bowls.

As a bonus, those attending the event were able to keep the bowls in which they were served.

Members of the Nicolet College Employees Association assisted with the event.

**A PRAYER**  
**St. Jude's Novena**

*May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever.*  
**Sacred Heart of Jesus, pray for us.**  
**St. Jude, helper of the helpless, pray for us.**

Say this prayer nine times a day, by the eighth day your prayers will be answered. It has never been known to fail. Publication must be promised.

Thank you, St. Jude - K.J.

**Thank You**

On behalf of the Laona/Wabeno Rebels Golf Program, we would like to thank everyone who helped to make the Division 3 WIAA Sectional Golf event at McCauslin Brook Golf Course on June 2<sup>nd</sup> a huge success.

There were 24 schools represented at the event, and the time that was put into planning was noticed and appreciated by all involved. A special thank you to Rob and Kim Seeber at Townsend/Lakewood Shell and Trackside Deli for providing a wonderful breakfast and lunch for all golfers and coaches. Thank you to Don Bartels and his staff at McCauslin Brook Golf Course for allowing us to utilize their beautiful course. Their hard work was evident in prepping for the event that day. Thank you also to Tim Warner for all of the work he did in preparing the course.

Lastly, a big thank you to Pete Liptack, Cory Ashbeck, and Larry Seiler for helping out before, during, and after the event. All of your hard work to make this event a success for the athletes and coaches does not go unrecognized. Thank you!

To everyone who has supported us following the death of Mabel Oakley, we would like to express our sincere thanks and appreciation. Your many acts of kindness and sympathy continue to be a great comfort to us in our time of sorrow.

Thank you,  
 Wanda Lenz and Family

**Another successful Red Arrow trail ride and pig roast**

On Saturday, June 13th, Red Arrow Snowmobile ATV Club hosted a Club Meeting, Trail Ride, and Pig Roast at the Old Town Hall Sports Bar/Restaurant in Townsend. Open to the public, the event started with a short meeting at noon followed by an ATV/UTV trail ride on trails north and east of Townsend. At 3 p.m. there were meat raffles, D.J. music, food, and liquid refreshments well into the evening. A light rain all day forced the fundraising portion of the event inside the Old Town Hall, but it surely did not dampen the enthusiasm. The place was packed and all present clamored for raffle tickets non-stop, resulting in a very successful fundraiser.

Red Arrow is responsible for about 65 miles of snowmobile trails and about 15 miles of ATV/UTV trails, including the Nicolet State Recreational Trail through Townsend. In addition, the Town of Townsend has nearly 90 miles of mostly gravel town roads available for ATV/UTV use. The Old Town Hall Sports Bar/Restaurant is located right on the ATV/UTV Trail in Townsend. Direct ATV/UTV access is available from as far as Gillett, Florence and the Michigan border.

**Telephone program offered at Crandon Community Building**

On Wednesday, July 1, 2015 the program will commence in order to help residents who have hearing loss obtain feature-rich phones - free of charge - through the Telephone Equipment Purchase Program (TEPP).

TEPP is funded by the USF charge (Universal Service Fund) that appears on the telephone bills of all Wisconsin residents. To qualify, residents must struggle to hear on a regular telephone and cannot have received a TEPP voucher within the last three years. There are no age or income restrictions.

The telephones offered are rich in features that enable those with a hearing loss to communicate over the phone. These features include hearing aid compatibility, amplified volume, enriched tone controls, extra large numbered keypads, loud ringer volume choices, caller ID capability, and unique speed-dialing features.

The TEPP Workshop will run from 11:00 a.m. to 12:00 a.m. and will be followed by a hot lunch. Participants will be able to ask questions, view available equipment, and apply for the program. There is no charge for residents who qualify for the program. The community building is located at 601 West Washington Street in Crandon.

Seniors who cannot attend a workshop and have further questions are encouraged to call Paul Klocko at (715) 241-6940 for further information.

If you would like to register for the meal that day, please contact me, Kate Schultz @ the ADRC of the Northwoods at 715-362-8277 or 715-478-2162.

*\*Equipment eligible for purchase is made available through the Wisconsin Telecommunications Equipment Purchase Program and paid for by the Wisconsin Universal Service Fund. The Program serves eligible or qualified individuals with certain telecommunications-related special needs.*

**1st Concert at the Riverwalk-Rhineland**

Rhineland Area Community Band will kick off the summer series of Concerts on the Riverwalk on Wednesday, June 24, at 7 p.m. at the bandshell near Trig's.

Under the direction of Jim Pekol, the band will play rousing marches such as The Footlifter March, concert pieces like Claire de Lune and Mary Poppins, and favorite tunes from Moon River to New York, New York and Pennsylvania Polka.

As always, concerts are free, but goodwill donations are appreciated. This performance is sponsored by Aspirus Clinics.

Some benches are available, but concert-goers are encouraged to bring lawn chairs or blankets. Bug spray is recommended. In case of rain, the performance will be held at the senior center (Department on Aging) across the parking lot from Trig's mall.

### Heat Illness Remedies

In hot weather, profuse sweating and inadequate water and salt intake can lead to heat-related illnesses. Mild heat cramps can progress to heat exhaustion or even life-threatening heatstroke. The signs of heat exhaustion include nausea, dizziness, rapid heartbeat, low blood pressure and cool, moist skin.

For mild heat exhaustion, these home remedies may help:

- Move into a cool place out of direct sunlight.
- Lie down and elevate the feet and legs.
- Remove unnecessary clothing.
- Drink cool beverages without caffeine or alcohol.
- Cool down with cool compresses, sponge baths or a fan.
- Apply ice packs to the groin, neck and armpits, but do not bathe in ice water.
- Call 911 if the condition worsens, or fainting, confusion, seizures or a 104 degree fever or higher occurs. These symptoms may signify heatstroke - a medical emergency.

### Wabeno School District Completes Saving Challenge!

Thirty-five students participated in the Wabeno Savings Challenge this past year. It was part of a grant that Wabeno Area School District received to support students in financial literacy.

Through the grant cycle, Wabeno School District focused on two primary goals related to Personal Financial Literacy. Increasing overall awareness of personal financial literacy of 7th and 8th grade students was the first goal. To achieve this, a curriculum was implemented which was aligned to the Wisconsin Model Academic Standards for Personal Financial Literacy.

During the 2014-2015 school year, all 7th and 8th grade students attended a 9 week Financial Literacy survey class at Wabeno School District. Students learned about compounding interest, the purpose of financial services, setting short and long term financial goals, and choosing careers to meet their lifestyles, among others. The second goal involved the simple concept of saving money. This concept was covered extensively in the survey class, but students were also given the opportunity to apply what they are learning to their own lives.

In order to achieve this, Wabeno School District partnered with Laona State Bank and the Forest County Potawatomi to create the Wabeno School District Savings Challenge. From November through April, students deposited money into their bank accounts. Altogether, the 35 students deposited over \$11,500! The students with the largest deposits each month received prizes for showing their commitment to saving. April was Financial Awareness Month, so as a culminating activity, the student with the most deposited money from November through April received a grand prize of \$500. All participants were also part of a pizza party to celebrate their savings habits.

Wabeno School District would like to congratulate all of the students that participated and encourage them to keep saving. We appreciate the Laona State Bank and the Forest County Potawatomi for providing this opportunity to the 7th and 8th grade students!

### Helping people with intellectual disabilities at WI residential care facilities

**MADISON** - People with intellectual disabilities often have difficulty telling caregivers they're not feeling well. This poses a problem in Wisconsin's residential care facilities, where employees have not been trained to recognize residents' health problems as they grow older.

The state of Wisconsin now requires that residential care workers complete 15 hours of training annually, and the University of Wisconsin-Madison has developed a new online course to meet this need. The goal is to improve the quality of life for some of the state's most vulnerable citizens and their caregivers.

Supporting Older People with Intellectual Disabilities: A Course for Promoting Health was developed by UW-Madison experts in geriatrics: Barbara J. Bowers of the School of Nursing; Suzanna Waters Castillo of the Division of Continuing Studies; and Kim Nolet of the Center for Aging Research and Education. Participants will learn to recognize the normal changes that occur as people age, to partner with health-care providers, and to involve family members in health-care decisions.

"The course will help ensure that intellectually disabled people don't suffer from undiagnosed problems that can be treated successfully," says Bowers. "If staff identify these problems early, it could delay relocation to nursing homes and prevent hospitalizations and unnecessary suffering. As a result, it will provide a significant financial benefit to families and to the state of Wisconsin."

Supporting Older People with Intellectual Disabilities is a collaboration among the Division of Continuing Studies, the School of Nursing, and the Wisconsin Department of Health Services. Its self-paced instructional approach is accessible to all residential care workers, including those who speak English as a second language. The online delivery makes training possible for residential care facilities with small staffs and limited budgets.

"The course is an example of the Wisconsin Idea in action, making this coursework available throughout the state to staff who would have difficulty coming to UW-Madison," says Waters Castillo. "Owners of residential care facilities will benefit from employees who better understand health-related changes in elderly people with intellectual disabilities."

The partnership between the Wisconsin Department of Health Services and UW-Madison ensures that Supporting Older People with Intellectual Disabilities is based in state-of-the-art research.

"It's the latest example of how our UW-Madison nursing faculty translate their scientific and clinical expertise into knowledge for practice," says Katharyn May, dean of the School of Nursing. "They make it accessible and useful for those who practice in parts of our health-care system where the challenges are huge and resources are very, very thin."

### SENIOR SNOOP SHOP OPEN 6 DAYS A WEEK NOW

The Senior Snoop Shop is again open six days a week for the season. Monday through Friday the hours are 10:00 a.m. to 4:00 p.m. and Saturday hours are 10:00 a.m. to 2:00 p.m.

We have a wonderful variety of items this year since new consignees have come on board with items that weren't previously carried. Most visitors to the shop are tourists, but local folks are encouraged to stop in and browse as well, maybe during your lunch-hour.

There is everything from pot-holders to stained-glass sun-catchers; all sorts of baby items from bibs with pacifiers attached to complete outfits; wood lawn ornaments to toys for tots like activity boxes and finger puppets. There are kitchen towels, dishcloths, scrubbies of all shapes and sizes; jewelry; photography; note cards; all manner of knitted, crocheted and sewn items. There's a section of Packer items and a whole lot more.

We hear comments about how reasonably priced the items are, how well they're made, and what great gifts they make. We invite everyone to take a few minutes to come in and "snoop." We'd love to see you!

For questions and other information, contact Marge Scardino at 715-478-1164 or Ann Koziol at 715-478-2785.

**K-9 Easter Egg Hunt** Cont. from pg. 1

The kids enjoyed a variety of games.

"Candy, games, the Easter Bunny, I'm coming back next year!"

**K-9 Units honored in Wisconsin**

Eight K-9 Units across Wisconsin were invited to the Capitol for the passing of the ARJ 4 Bill

Submitted by Mick Ashbeck

I, Chief Mick Ashbeck of the Wabeno and Townsend Police Departments, would like to inform everyone of the most memorable and proud experience a K-9 Team can ever have. On March 17, 2015, myself, K-9 partner Dutch and K-9 Chairman Fred Bath of the Community K-9 Task Force were present in the assembly room when ARJ 4 Bill was put into law.

This was the first time in the history of the Wisconsin State Capitol building K-9 dogs and handlers have ever been allowed in the assembly room during a vote. Each K-9 Team was recognized as they walked into the quorum. Once the bill was passed, the K-9 dogs were commanded to bark in recognition of the great honor.

Only eight K-9 Teams from the State of Wisconsin were asked to participate in this historic event. Deputy Todd Skarban with K-9 Dexter, myself with K-9 Dutch and K-9 Chairman Fred Bath will be noted in the official books in our State Capitol.

It has been declared that March 13th and every year afterward will be K-9 Veteran's Day to honor all customs, search and rescue, border patrol, police, secret service and military working dogs.

**Kohl's staff volunteer at Nicolet Clothes Closet-donate \$500**

Students at Nicolet College recently had the opportunity to update their clothing at the annual Clothes Closet at the college. More than 200 slightly-used items were donated by staff and community members for students to take for free and use in job interviews and in the workplace.

Members from Kohl's in Rhinelander volunteered to help Nicolet staff get the clothing ready for the event through the company's Associates in Action program. The store also donated \$500 to the Nicolet College Foundation.

Pictured here are, left to right, Kohl's employees Jordan Cinfio, Carrie Dulin, Paul Hiltunen, Laurel Worman, and Patricia Jacobson, along with Erika Warning, Nicolet Career Coach, and Heather Schallock, Nicolet Foundation executive director.

**Meat Raffle for 2015 Dog Park opening In Riverview**

On April 11, the Safe Haven Dog Park is having a Meat Raffle starting at 11:00 a.m. at the Shoreline Inn, 15463 County Rd W in Crooked Lake. All proceeds go to the 2015 opening of the park. Early bird tickets will be sold starting at 10:30 a.m. The raffle will continue until 2:00 p.m.

This raffle will hopefully provide us with the funds to complete the park this year. We have the fence posts. We still need the fencing, gates, picnic tables and, eventually, a pool for the dogs.

When we watch our dogs raise their noses to the winds or tilt their ears to sounds we only know as silence, we can only imagine their dreams and desires to run and investigate what's out there. This is why we are building the dog park.

They are our best friends. They never judge us or avert their eyes when we speak. If we accidentally hurt them, they apologize to us. And, they wake up each dawn with the same unconditional love for us they went to bed with.

Our dogs deserve to have the open spaces they inherently desire without the danger of being hit by a car or killed in our forest or, equally as disturbing, unable to find their way home to the family they love.

Please come to our Meat Raffle and afford yourselves the inexpensive fun you deserve, to give our dogs and all visiting dogs the safe freedoms they deserve.
