## Johnny Greaves wins 4th Crandon FCP Cup

After an incredibly competitive and intense two days of racing at Crandon International's Forest County Potawatomi Brush Run, the overriding opinion by veteran off-road observers was simple. The general consensus was that last Sunday's racing in general -- and the big FCP Community Cup finale in particular -- would be ones to remember.

Not surprising given the track's legendary reputation for producing big drama and world-class performances, those observations were right on the money.

A healthy crowd of the Crandon faithful indeed enjoyed big doses of sunshine, hospitality and great racing as local favorites wrote the weekend's biggest headlines. This was especially true for the Greaves family, who took both day's The Off Road Championship (TORC) PRO 4WD unlimited races and the events biggest prize -- the 22nd Annual Forest County Potawatomi Cup.

Unlike Saturday, Sunday's schedule split the racing sessions between the TORC PROs and the Crandon Sportsman series drivers. In the morning session for Sportsman, Greg Stingle took his third consecutive weekend victory in the Auto Gear 1600 Light Buggy class before being matched by the three-for-three performance of Dale Chestnut in the Parson's Chevrolet Classix division. Popular Crandon racer Diesel Shanak returned to his winning ways in the Londerville Steel Stock Truck class, while Jerry Edgerton stood at the top of Crandon's podium by winning the Country Hearth Super Truck class for the second consecutive day.

A big news story this weekend came from north of the border as young Canadian Travis Dinsmore laid claim to his first-ever professional racing victory. Driving the #43 Sle-co./Atturo Tire-supported truck, the resident of Paris, Ontario survived a tough battle to win Sunday's TORC 2WD race -- which also happened to be his first-career victory at Crandon International. (Mike Ruesche Image)

For The Off Road Championship series (TORC) presented by Amsoil crew, the day's schedule was rearranged from Saturday's to allow both the top PRO 2WD and PRO 4WD teams to race, then re-prepare their exotic, high-horsepower race truck for the day's feature race -- the 22nd annual Crandon Forest County Potawatomi Community Cup Challenge.

As was the case Saturday, the PRO 4WD race for unlimited four-wheel drive trucks was another Greaves family showcase. After leading for much of the race, #33 Maxxis Toyota of CJ Greaves reversed yesterday's result by passing his father Johnny with just a few laps to go to earn his fourth class victory of 2015 -- despite it being his rookie season. Like yesterday, Scott Douglas came home in 3rd.

Popular local racer Keegen Kincaid in his #7 Traxxas truck backed up yesterday's exciting PRO 2WD win with a hard-fought victory over CJ Greaves and Marty Hart. For the son of Crandon champion Jeff Kincaid, the weekend double was the first in 2015 after Keegan burst into class with last year's TORC victory at Sturgis.

## Celebrating the nation's birthday

By Mike Monte

We are once again celebrating our nation's birthday. It is actually a celebration of the Declaration of Independence. Before the thirteen colonies became a nation, they declared that they were no longer part of the British Empire, had thrown off their connections to Britain, and were going to go it alone. No more taxation to support a monarchy and a system of noblemen, and no more restrictions on who the colonies could trade with. Being a colonial and a second-class citizen was to be no more!

To sign that Declaration of Independence, in 1776, took courage. Great Britain was arguably the strongest nation on the planet at this time. In the various wars between France and England, England had come out the winner, but both nations were deeply in debt from financing these wars, and England wasn't going to take losing the income from her North American colonies sitting down. The Revolutionary War followed, and while the colonies lost most of the battles, they did win the war. The victory was largely due to the financial help provided by France, who enjoyed seeing their former enemy lose to the ragtag colonials. It was a form of revenge. While France was also deeply in debt from warring with England, they knew that any financial help they provided would cost England far more money than France had provided. They were right, and finally, the British tucked in their tails and went home.

The United States of America wasn't a reality until the Constitution was drafted and accepted by the thirteen colonies. Acceptance came after the first ten amendments to the Constitution; what came to be known as the Bill of Rights. Our lives are governed and protected by those rights today. The year we officially became a nation was actually 1789, after thousands of people lost their lives and/or property to the British Army.

That era is looked at today by historians as the "Age of Enlightenment." The movement towards democracy back in 1776 and the years that followed did change the world. It was the first time that nations weren't ruled entirely by aristocrats and those of noble birth. The idea of the people picking their leadership was entirely a new idea, and it scared the hell out of those aristocrats and nobles. France followed the new American country in revolting against the ruling classes, and it was a bloody affair that turned into a dictatorship for a time. We did it better!

Partisan politics came into being immediately, with the Federalists battling the Republicans (later to be the Democratic Party), and it wasn't pretty, and it still isn't. But it works, regardless of the mess. Then, like now, some elected officials used their offices for their own betterment, and usually they are eventually brought up short. It is a sloppy system, and the best the world has ever seen.

Happy Birthday America!

## Camp 5 Receives tourism marketing grant

Tourism marketing grant awarded for Family Fun Passport at Camp 5 Museum.

For the first time ever, six counties covering over 100,000 square miles in northeastern Wisconsin are partnering together for a tourism project, the Family Fun Passport. The project is partially funded by a \$20,540 grant from the Wisconsin Department of Tourism's Destination Marketing program, which allows tourism organizations to create branding projects for their region. The Family Fun Passport is designed to draw visitors to

## HAVE A SAFE AND FUN 4TH! Crandon's Park & Rec Program starts & can use some help

Crandon's Park and Rec has been an essential summer program that our children have been able to participate in every summer for the last several years. Unfortunately, this program did not receive the funding to keep this program running. Thankfully, local organizations such as the Forest County Ties That Bind Us, Forest County Social Services, Crandon Library, Crandon School District and the Forest County CAN Coalition have joined efforts in a mission to keep this valuable program available for our youth. The goal of this group is to be able to keep Park and Rec enrollment fees at a low cost to parents as it has been offered to the youth in the past.

With the effort of the above organizations pooling together resources, we will now be able to offer a 4 week program that will run in two, two week sessions. The program will be offered in the afternoon starting July 6 through July 30, 2015, which follows the Crandon School District's Summer Enrichment program. The cost of the program is a fee of \$30.00 per session per child or \$25.00 per session per child, for multiple children. Children would attend the Summer Enrichment program in the morning and then continue with Park and Rec activities in the afternoon until 4:00 pm. This year, students will be visiting and utilizing local business such as the Crandon Public Library, Ministry Medical Group, Forest County Museum, the Community Garden, and will have exposure to many more local educational opportunities in our area. By engaging the youth in our community, we hope to educate them on our local history and businesses, and show students what Crandon has to offer.

If your business would like to join efforts in this project, please let us know as we are looking for more local opportunities to engage and educate all students. We are also seeking donations and gently used children's outdoor activities such as jump ropes, balls, and ect. If you would like to sign up your child or make a donation, please contact Angel Sears at (715) 902-0167.

**HAPPY 4TH OF JULY!**

**Brush Run** Cont. from pg. 1

Son of Crandon champion Jeff Kincaid, young Keegan Kincaid from Argonne, Wisconsin, was unstoppable this weekend at the Crandon FCP Brush Run weekend. Kincaid took both of the weekend's TORC PRO 2WD competitions in convincing fashion. (TORC Image)

Crandon Sportsman competition filled out much of the afternoon for a large and appreciative crowd enjoying a mild Wisconsin Sunday. A happy Jerry Conrad took home top honors in the Miller Lite Limited 4 division, with S.Dave Miah topping the MasterCraft Safety Formula 4x4 field. A tight group of 15 Lincoln Electric 1600 Buggies didn't deter Mark Steinhardt from enjoying a perfect Brush Run weekend.

The youngest racers of the weekend took to the track in the Brew Pub Pizza Short Course Karts, with #20 Braden Beauchamp happily accepting his first place Crandon trophy. In the Mt. Dew Super Stock Truck division, Mitch Dorr was unstoppable, as was three-time weekend winner Rodney VanEperen in the Trigs Smoke House Super Buggy class.

With the Sportsman competition concluded, a large TORC PRO Lights group took the green flags in the day's penultimate race. As always, the action was heated in this large class, but at the end Canadian Travis Dinsmore, piloting the #43 Ford, won his first TORC race over yesterday's winner Luke Johnson. Doug Mittag finished in 3rd.

As Sunday afternoon slowly shifted to early evening, a snarling group of TORC unlimited trucks sat at Crandon's legendary Land Rush starting line for the weekend's main event – the 22nd annual Forest County Potawatomi Community Cup. The \$24,000 cash purse guaranteed the on-track battle would be intense – and once again the track and the PRO racers didn't disappoint.

Final corner. Final lap. Forest County Potawatomi Community Cup 2015. Johnny Greaves (left) takes an aggressive inside move to edge out son CJ by a half a truck length at the finish. Both racers were proud to have raced each other "clean," but also in putting on a great show for the large June crowd at Crandon International Raceway. (TORC Image)

At the drop of the green flag, it was Kincaid who swept into Crandon's famous Forest County Potawatomi Turn 1 first, as the TORC PRO 2WDs enjoyed a 16 second head start. Not surprisingly, the #22 Monster Energy Toyota of Johnny Greaves then appeared; followed in hot pursuit by CJ Greaves, Scott Douglas and Chad Hord. Despite running a blistering pace, eventually young Kincaid was swallowed up by the PRO 4WD freight train led by the senior Greaves.

With laps clicking off it CJ tried every trick he had around Crandon's 1.75-mile track to make a pass for the lead. He finally made it stick on the last lap, only to have his more experienced mentor make a desperate final move in the hairpin just before the Amsoil finish line. The victory went to an elated Johnny Greaves, with CJ second and a satisfied Chad Hord taking the final podium position.

For Greaves, Sunday's triumph marks his fourth Forest County Potawatomi Community Cup title, tying the Appleton, Wisconsin resident with Las Vegas racer Rob MacCachren for the all-time lead with four wins each.

"Man, how was that for a race?" he shouted to a large gathering of happy Crandon fans. "That kid of mine kept reminding me of things that I had taught him over the years. I kept looking up and thinking; 'Where did that little s\*\*t learn that?'"

Wearing his traditional victory wreath and holding his check for \$15,000, he added; "I really want to thank my friends at Forest County Potawatomi for making all this happen. We have had a great relationship with them for years, and winning this today just feels really good."

With its 2015 season now at the half-way point, the TORC Series presented by Amsoil will head southeast for Rounds 9 and 10 at The Dirt Track at Charlotte Motor Speedway. The trip is much closer for the Sportsman racers as enjoy the challenging dirt circuit at nearby Bark River, Wisconsin.

Crandon International will again opens its massive gates on Labor Day weekend (September 4-6) for the 46th running of the World Championship Off-Road Races ®. A full schedule of TORC Pro and Crandon Sportman racing is expected as both series wrap-up their 2015 seasons. The weekend will be topped with the huge Amsoil Cup race, featuring the largest cash prize in off-road motorsports.

With a record crowd and all 2,000 camping spots expected to be sold, gates will open on Wednesday, September 2nd at 12:00 noon. For more information please visit [www.crandonoffroad.com](http://www.crandonoffroad.com).

**Jeff Heaney retires as Crandon Postmaster**

Many of our Crandon residents have come to know the local postmaster, Jeff Heaney. During his term as postmaster, he has listened to our concerns regarding mail delivery, answered our postal questions, and every once in a while, actually worked the window or delivered our mail.

We will be losing his knowledge and expertise soon as effective July 1, he will be stepping down to enjoy the next chapter in his life-retirement!

Jeff started his postal career in 1985 at the Butler, WI Post Office as a carrier and later transferred into a clerk role there. Jeff wanted to advance in the Postal Service, so he took business and management courses while working in Butler. It paid off in 1987 when he became Supervisor of Customer Service at the Sussex, WI Post Office.

Jeff always loved the Northwoods, so when an opening for postmaster became available, Jeff jumped at the chance and became postmaster in Crandon in March, 1993.

Including his four years of military service, Jeff retires with over 34 years in the Postal Service. He plans to spend his retirement traveling, hunting and fishing.

The Crandon postmaster position will be temporarily filled by Christy School. Christy is currently the postmaster of Townsend, WI.

Best wishes for a happy, healthy retirement, Jeff!

## Americorp to help with Wabeno boardwalk

The Town of Wabeno, in collaboration with the Friends of Wabeno, are sponsoring an AmeriCorps NCCC (National Civilian Community Corps) team of nine members for six weeks this summer to build the barrier free trail in the Wabeno Firefighters Grounds. This is Phase 2 of the Barrier Free Boardwalk and Trail project along the North Branch of the Oconto River and Range Line Creek bordering Wabeno's parks. On Friday, May 29th, Alana Svensen, Assistant Program Director, AmeriCorps NCCC - North Central Region in Vinton IA met with Tim Tucker, Wabeno's AmeriCorps Supervisor and Paul Ehlinger, Town Chairperson, Kim Odekirk, retiring Superintendent of Wabeno School District, Jennifer Vogler, newly hired School Superintendent, Scott Shaffer, Wabeno Highway Dept., and Mary Beck, Friends of Wabeno to review project plans, tour the park trail site area and the housing arrangement provided by Wabeno High School.

AmeriCorps NCCC is a full-time, team-based residential program for men and women age 18-24 whose mission is to strengthen communities and develop leaders through direct, team-based community service in partnerships with non-profits, schools, local, state, federal and tribal governments, and national and state parks. The 22 year old program is drawn from the successful models of the Civilian Conservation Corps (CCC) of the 1930s and the U.S. military. AmeriCorps NCCC is built on the belief that civic responsibility is an inherent duty of all citizens. Wabeno is very appreciative of being selected to sponsor a team to help renovate its town parks and look forward to their arrival on June 29th.

To learn more about this sponsorship and other project activities this summer, join the Friends of Wabeno on June 10th at 7pm in the Wabeno Town Hall.

## THANK YOU

The daughters of Ronnie Brooks would like to express our sincere gratitude for the support, sympathy and kindness shown during his passing. Thank you to Ministry Saint Mary's Hospital Rhinelander for the special care you gave Dad, and Ministry Home Care for making Dad's wish come true: that he could go home. Thank you to Oneida County Rescue Squad for his safe and comfortable return back to Cavour. The smile on Dad's face being home with his daughters, sisters and his beloved pets, even if it was just for a short time, was priceless.

Thank you to Trail's End and the Armstrong Creek Pub for delivering dinner to our home in Cavour. Your food was delicious and greatly appreciated. Thank you to family and friends for your visits and dropping off food and beverages for the Brooks family, as well as desserts for the luncheon.

Thank you to all the family members and friends of Dad's for stepping up to do whatever was necessary before and after Dad's passing. Thank you to Father John Cerkas for coming to our home, and to St. Leonard Parish and the choir for the beautiful mass.

To Weber-Hill Funeral Home, words cannot express our appreciation for all that was done for our family. The funeral procession will be talked about for many years to come. Giving Dad one last ride through his gravel pit and past his house was exactly what he would of wanted. Dad also would have loved the gathering of friends and family, and the delicious meal served at Cavour Town Hall by Dewing's Catering.

And lastly, thank you to all of Dad's friends and family members who visited him at the nursing home, for taking him out to lunch, dinner, and Lions Club meetings. Thank you all who attended the wake and funeral and all who sent cards, flowers, plants, and trees. The stories from people Dad worked with in the woods, hunting buddies, cabin owners, Lake LaFave friends, highway department, and knew from the town of Cavour will forever be in our hearts.

Sincerely,  
Debbie Brooks, Beth Aschenbrenner, Patty Egan, Shelly Stauber, Lori Albrecht

## Wabeno Library News

The Wabeno Public Library will be closed on Saturday, July 4th. Our summer reading program will return on Saturday, July 11th, at 10am. We will continue creating our super hero costumes and reading books then! We hope everyone enjoys the holiday weekend, stays safe, and collects a lot of candy at the parades in the area!

In the interim, please feel free to stop by and check out our new releases. We've added Erika Swyler's, *The Book of Speculation* to our newest fiction section, as well as *They Marched into Sunlight: War and Peace; Vietnam and America; October 1967*, by David Maranniss and *Last Night I Dreamed of Peace: The Diary of Dang Thuy Tram*, both moving, non-fiction books from the Vietnam War era.

We also have some new DVDs for patrons to enjoy—Kingsman: *The Secret Service, Unfinished Business, Cake, St. Vincent, and You're Not You*. For those of you at home with wifi, if you're interested in streaming some of our newer movies we get digital copies of, please stop in and talk with us, and we'll let you know how!

As a reminder, the Wabeno Public Library is open Tuesday/Friday 10-5, Wednesday/Thursday 12-5 and Saturday from 9-12. Feel free to find and like us on Facebook for updates on the newest books, movies, magazines, news, etc. at [facebook.com/wabenopubliclibrary](https://www.facebook.com/wabenopubliclibrary).

# Death Notices

**Carol A. Fairchild**, 61, of Lakewood, formerly of Laona, passed away June 29, 2015, with her family by her side. She was born on November 10, 1953, to Edward and Betty (Kemp) Retzlaff. She grew up in Laona and graduated from Laona High School.

On August 26, 1972 she married Tyronne "Tyke" Wells.

Together they had one son, Keith A. Wells, Laona. Tyke preceded her in death in 1991. She later married Dale "Buck-Eye" Fairchild and resided in Goodman. He preceded her in death on November 22, 2010.

Many may remember her smiling face at the Clubhouse in Laona where she waitressed. Later she went to work at the Potawatomi Carter Casino until she wasn't able to work due to her health issues. Carol loved spending time with her family and was an avid bear collector. She enjoyed quilting, playing bingo, and shopping.

Carol is survived by one son, Keith A. Wells of Laona; her mother, Betty Retzlaff of Laona; sisters, Betty Lou Retzlaff of Beaver, Dixie L. Jameson of Wabeno; two brothers, Merlin (Tammy) Retzlaff and Michael (Carol) Retzlaff both of Laona and many nieces and nephews and many more great-nieces and nephews.

Carol was preceded in death by her father, Edward Retzlaff.

Honoring Carol's wishes there will be no funeral. However, there will be a grave site service on Wednesday, July 8, 2015 at Laona Cemetery at 11:00 a.m. Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences may be left for the family at [weberhillfuneralhome.com](http://weberhillfuneralhome.com).

**Pauline "Polly" Quade**, was born May 5, 1928 to Bill and Frances Robinson in Wolf County, Kentucky passed away June 29, 2015 at AGI Health Care Center at the age of 87.

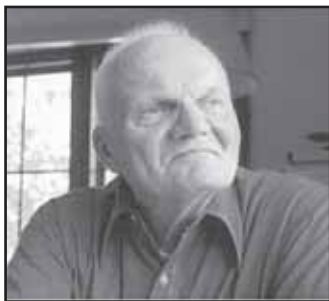

Pauline had a very meager childhood which is published in a book she wrote "Keith Siding Days". Pauline worked many years for the Forest County Health Dept. She was proud of this job.

After retirement she enjoyed traveling back to her birthplace. She became an avid reader, and an accomplished quilt maker. She always had a story of long ago. She also had a great sense of wit. She loved her Praise Chapel.

She is survived by sons, Gene (Andee), Kenneth, David (Laura), Jeff (Joyce) and Gordon (Jane) Eastman; her daughter, Karen Honkala along with numerous grandchildren, great-grandchildren, nieces and nephews. She is further survived by her sister, Carol Lewis; sister-in-law, Marie Marvin; daughter-in-law, Sandy Eastman and brother-in-law, Noah Lewis.

Preceding her in death was her husband, Virgil; son, John; sisters, Vernie, Wilma, Kathleen "Boots", Merle and Bonnie; brother, Edgar and daughter-in-law, Julie Eastman.

Visitation was held on Thursday, July 2 from 5-7 p.m. at Praise Chapel Community Church and again on Friday, July 3 from 10-11a.m. Funeral services followed with Pastor Bill Farr officiating. Interment was at Crandon Lakeside Cemetery. Online condolences may be directed to [weberhillfuneralhome.com](http://weberhillfuneralhome.com).

**Ralph Arnold Storm** passed away peacefully at the Dove Care Center West on June 22, 2015, his wife and family at his side. Ralph was born on December 28, 1924, in Merrill, Wisconsin, the son of Alma Weckworth Storm and Arnold Storm and brother of Luellen Storm Brown, all now deceased.

He was baptized at St. John's Lutheran church in Merrill. Ralph graduated from Merrill High School in 1943 and was then drafted into the US Army where he served in the 11th Armored Division of Patton's Third Army, in Europe from the fall of 1944 through VE Day in 1945, including the Battle of the Bulge.

Ralph is a graduate of Central State Teachers College (now UW-Stevens Point) with a bachelors in History. He later went on to earn two Masters degrees, in History and in Education, both from the University of Wisconsin - Madison. He was married to Muriel Arnela Neerhof on December 28, 1954 (yes, his 30th birthday) and they lived in a number of towns in Northern Wisconsin where Ralph taught at both the high school and college level. Ralph and Muriel lived in Crandon from 1954-1959, where Ralph was principal of Crandon Elementary School.

Muriel and Ralph settled in Eau Claire in 1973 and became members of Our Redeemer Lutheran Church. They have five children, Jennifer Storm Nelson (Byron), of Cary, North Carolina, Heidi Storm of Newcastle, California, Dean Storm (Cheryl) of Brimson, Minnesota, Brad Storm (Cindy) of Grafton, Wisconsin and Cyndy Storm (Gary) of Columbia, South Carolina, and two grandchildren, Samantha and Colby of Cary, North Carolina, niece Kathy Brown Bryans and grandniece, Cherlyn of West Linn, OR.

After retiring, Ralph was a driver for Meals on Wheels for more than 20 years, often delivering meals to people younger than himself. Muriel and Ralph enjoyed traveling in an RV around the US and Canada to visit family and friends and also made several trips to Europe. He also did a great deal of work for his veterans organization, particularly doing a lot of writing for The Bulge Bugle, a newsletter of historical research on the Battle of the Bulge. Ralph and Muriel attended as many national reunions of the veterans organization as they could. In 1994, traveled to Europe with the organization to visit the town in Belgium that Ralph's Army unit had liberated and to be honored by the townspeople with a parade. In 2007, Ralph published Camp Florence Days, a book of his memoirs about being a guard at a POW camp in Florence, Arizona and traveled to Arizona for a book signing. Ralph and son Brad went on an Honor Flight out of Milwaukee for a day of joining other WWII veterans in Washington, DC where the veterans were treated like heroes.

The memorial service will be held at 11:00 a.m. on July 11, at Our Redeemer Lutheran Church with visitation from 10:00 - 11:00 a.m.. The family would like to thank the staff on the Reflections Wing at Dove Health Care West for their excellent care and compassion during this difficult time. In lieu of flowers, the family requests that memorials be sent to Our Redeemer Lutheran Church, 601 Fall Street, Eau Claire, WI 54703.

The Chippewa Valley Cremation Services is assisting the family with arrangements.

Dear Community,

Crandon's Park and Rec has been an essential summer program that our children have been able to participate in every summer for the last several years. Unfortunately, this year Social Services will not receive the funding to keep this program running. Thankfully, local organizations such as the Forest County Ties That Bind Us, Crandon Library, Crandon School District and the Forest County CAN Coalition have joined efforts in a mission to keep this valuable program available for our youth. The goal of this group is to be able to keep Park and Rec enrollment fees at a low cost to parents as it has been offered to the youth in the past.

With the effort of the above organizations pooling together resources, we will now be able to offer a 6 week program that will run in three, two week sessions. The program will be offered in the afternoon starting July 6 through August 13, 2015, which follows the Crandon School District's Sumer Enrichment program. Children would attend the Summer Enrichment program in the morning and then continue with Park and Rec activities in the afternoon until 4:00 pm. This year, students will be visiting and utilizing local business such as the Crandon Public Library, Ministry Medical Group, Forest County Museum, the Community Garden, and will have exposure to many more local educational opportunities in our area. By engaging the youth in our community, we hope to educate them on our local history and businesses, and show students what Crandon has to offer.

If your business would like to join efforts in this project, please let us know as we are looking for more local opportunities to engage and educate all students. If your business is unable to offer a learning opportunity, we are also seeking donations to help cover the extra cost to keep this program running. We need: art/crafting supplies, first aid kits, jump ropes, basketballs, outdoor activities and more. As we focus to keep kids active and healthy this summer, any donation would be greatly appreciated.

A Family Fun Day Cook Out is also being planned for children and their families at the end of the third session in August to celebrate a community coming together and supporting this wonderful program. At this event, your name/business will be announced as we celebrate your dedication and contribution to this program. If you have any questions or would like to join our efforts, please contact Angel Sears at 715-902-0167 or Nicole Fitzgerald at 262-227-6882.

Sincerely,  
Crandon Park and Rec Committee

## Cheri Wilson joins Northwood Insurance

Northwoods Insurance Agency of Crandon and owner, Edward Smith are proud to announce their newest employee, Cheri Wilson. Cheri has many years of experience in life insurance and has recently obtained her State of Wisconsin health license.

With the affordable Healthcare Act (Obama Care), many people in our area have found it very difficult and confusing on how to comply with this federal mandate. We have been educating ourselves on how to best serve the people of our area. Cheri will be able to help you look at plans in the Federal Marketplace during open enrollment; also if you have a qualifying event, like losing your health insurance or if you need to know if you qualify for a subsidy.

Cheri will be able to help seniors with medicare gap coverage, supplemental coverage and final expense planning, plus life insurance for newborns, business partnerships and buy/sell agreements. We are able to sell annuities, which are very attractive in light of the low earnings at financial institutions.

I am very lucky to have such a caring, honest and trustworthy employee as part of my staff.

## Around the Area

Hand-picked Bluegrass band will appear at the next Concert on the Riverwalk, Wednesday, July 8, 7 pm., at the bandshell near Trig's in downtown Rhinelander. With roots in the Northwoods, this high-energy group has played all over Wisconsin and Minnesota. Band members include Joe and Sue Cronick of Tomahawk and Brian Cate, all playing various stringed instruments and singing in harmony.

The performance is being co-sponsored by Diel Insurance and the Apothecary Pharmacy of Rhinelander. Free-will offerings will be collected, and listeners are encouraged to bring lawn chairs and blankets and bug spray. Free popcorn will be served.

In case of rain, the performance will be held at the senior center (Department on Aging) across the parking lot from Trig's mall. The community band concert, which was moved to the facility for the June 24th performance was a big success, and the audience said it sounded great. There are plenty of chairs available, as well.

## Wisconsin ruffed grouse survey indicates stable population

MADISON - Ruffed grouse enthusiasts should expect bird encounters similar to last year, according to the recently completed roadside ruffed grouse survey. For complete survey results, search the Department of Natural Resources website, [dnr.wi.gov](http://dnr.wi.gov), and search keywords "wildlife reports."

"While we did see some continued regional declines, our roadside survey index to track ruffed grouse populations is essentially unchanged from 2014," said Wisconsin Department of Natural Resources wildlife survey coordinator Brian Dhuey. "Ruffed grouse populations are known to rise and fall over a nine to 11 year cycle, and the last peak in Wisconsin's cycle occurred in 2011. Survey results suggest that we have reached the low point in the population cycle and we should start to see increases in the next few years as the grouse population moves toward the next peak."

Roadside surveys to monitor the number of breeding grouse have been conducted by staff from the department, U.S. Forest Service, tribal employees, and numerous grouse enthusiasts and volunteers since 1964. Surveys begin 30 minutes before sunrise and consist of 10 stops at assigned points. Surveyors listen for four minutes for the distinctive thumping sounds made by drumming male grouse. Surveyors monitored 88 routes this year.

While the number of drums heard per stop statewide in 2015 was similar to last year, there were some notable differences among regions. While one of the primary regions for grouse in the state, the northern region, showed a 13 percent drop in the number of drums heard per stop, the primary region in central Wisconsin showed a 38 percent increase.

Weather conditions influence drumming activity by male grouse, and most observers felt weather conditions were conducive to accurate surveys this spring. Surveyors rated the overall survey conditions as "excellent" on 65 percent of transects runs, compared to 56 percent in 2014. Surveyors rated 2015 conditions as "fair," the lowest available weather condition rating, five percent of the time in 2015, compared to 7 percent in 2014. According to DNR Upland Wildlife Ecologist Scott Walter, maturation of southern Wisconsin's forest community in recent decades and the resulting loss of dense, brushy areas that grouse need for cover has resulted in lower numbers of grouse in the region in recent decades. Results from the 2015 survey show that grouse populations in both the southwest and southeast region remain well below historic levels.

"Ruffed grouse are closely linked to young forests" said Walter. "While grouse enthusiasts often focus on numbers in a single year, the long-term health of grouse is dependent upon the availability of the dense young forest cover they require. In Wisconsin, we are working to provide the habitat needed to benefit ruffed grouse and many other wildlife species through proactive approaches to forest management that will maximize the health and diversity of forest communities."

Dan Dessecker, Director of Conservation Policy for the Ruffed Grouse Society, reminds hunters of the importance of weather in grouse population dynamics.

"While cold temperatures and deep snow are generally hard on resident wildlife populations, ruffed grouse often thrive in such winters," noted Dessecker. "This past winter saw crusted snow conditions across much of Wisconsin, and this can limit a grouse's ability to burrow into the snow where it is protected from cold temperatures and predators. On the other hand, temperatures this winter were relatively mild until late February and early March when we experienced temperatures well below zero. Snow depths don't really hamper grouse from feeding in the winter because they eat primarily buds from aspen and other trees at this time of year."

According to Dessecker, weather conditions, especially during the brood rearing period in late May and early June, also play an important role in the fall ruffed grouse numbers. Newly-hatched grouse chicks are very sensitive to chilling, and warm, dry conditions can provide for high survival during the first few weeks of life.

"Grouse hunters are used to the cyclic nature of ruffed grouse populations, and they know that grouse can still be found in the best cover during low periods," continued Dessecker. "Hunters might have to work a bit harder to flush birds, but sunny October days with your dog in the north woods are tough to beat, and Wisconsin still has some of the best grouse hunting in the country."

## Celebrating the Nation's Birthday

By Mike Monte

We are once again celebrating our nation's birthday. It is actually a celebration of the Declaration of Independence. Before the thirteen colonies became a nation, they declared that they were no longer part of the British Empire, had thrown off their connections to Britain, and were going to go it alone. No more taxation to support a monarchy and a system of noblemen, and no more restrictions on who the colonies could trade with. Being a colonial and a second-class citizen was to be no more!

To sign that Declaration of Independence, in 1776, took courage. Great Britain was arguably the strongest nation on the planet at this time. In the various wars between France and England, England had come out the winner, but both nations were deeply in debt from financing these wars, and England wasn't going to take losing the income from her North American colonies sitting down. The Revolutionary War followed, and while the colonies lost most of the battles, they did win the war. The victory was largely due to the financial help provided by France, who enjoyed seeing their former enemy lose to the ragtag colonials. It was a form of revenge. While France was also deeply in debt from warring with England, they knew that any financial help they provided would cost England far more money than France had provided. They were right, and finally, the British tucked in their tails and went home.

The United States of America wasn't a reality until the Constitution was drafted and accepted by the thirteen colonies. Acceptance came after the first ten amendments to the Constitution; what came to be known as the Bill of Rights. Our lives are governed and protected by those rights today. The year we officially became a nation was actually 1784, after thousands of people lost their lives and/or property to the British Army.

That era is looked at today by historians as the "Age of Enlightenment." The movement towards democracy back in 1776 and the years that followed did change the world. It was the first time that nations weren't ruled entirely by aristocrats and those of noble birth. The idea of the people picking their leadership was entirely a new idea, and it scared the hell out of those aristocrats and nobles. France followed the new American country in revolting against the ruling classes, and it was a bloody affair that turned into a dictatorship for a time. We did it better!

Partisan politics came into being immediately, with the Federalists battling the Republicans (later to be the Democratic Party), and it wasn't pretty, and it still isn't. But it works, regardless of the mess. Then, like now, some elected officials used their offices for their own betterment, and usually they are eventually brought up short. It is a sloppy system, and the best the world has ever seen.

Happy Birthday America!

### Emotional Side of Losing Weight

The prospect of losing a significant amount of weight can be discouraging. We want to look and feel better quickly with little sacrifice. However, people who lose weight gradually and steadily - about 1 to 2 pounds a week - are most likely to avoid regaining those extra pounds.

The best weight plan includes adopting an ongoing lifestyle through eating smart (e.g. more fruits and vegetables) and staying active. It takes self-confidence and a fresh attitude. For many people, overcoming the emotional challenges of losing weight is essential to reaching weight loss goals.

## Forest County Museum's Artifact Autobiography: Per-Ola Land Token

The Forest County Museum will be writing a bi-monthly column highlighting unique objects that can be found at the museum. The articles will be told from a first person perspective of the artifact so the reader may feel a personal connection with the piece of history. This week's article features the Per-Ola Land Token.

I am a bronze colored metal coin 1.25 inches in diameter with writing on both sides and a large swastika symbol on one side. The swastika in my case was used as a symbol of good fortune (<http://www.usmmm.org>). I was found underneath a bed twenty years ago at an old farm house located in Racine County by a man named Pete Downs. The farm would hire workers during the time of the harvest and I was most likely dropped by a man that worked on the farm and wanted to start his own operation up north (Pete Downs 2015). The writing on my sides states that I was created by the Per Ola Land Company so that I could be exchanged for the free use of 7500.00 dollars' worth of heavy clearing machinery as well as a 20 dollar credit in the first purchase of land from the company. The Per Ola Land Company, a branch of the Keith and Hiles Lumber Company, opened an office in Forest County in 1916. The company divided the land they owned into 5000 acres of farm units and allowed farmers the use of stump pulling machines at no cost. The company claimed that in a few years the area would be a paradise for farmers after the lumbermen had cleared the way (Franzen 1992:83).

Forest County promoters put up booths at the State Fair and handed out propaganda on the success of farming in the area. The board in Forest County hired someone in 1915 to teach immigrants how to properly farm American soil and the Federal government gave them a surplus of explosives to blast the stumps from the earth (Franzen 1992:83). There were many that put their trust in me as a token of a new start and a better future as farmers of the north. But the short growing season, harsh winters, and the stumps covering the landscape spelled out failure for a large number of participants in the Per Ola Land Clearing Plan. There was so much land that was given to the government through bankruptcy and unpaid taxes due to the failure of the farms that the county was able to create the National Forests and the School Forests (Davis 1997).

Now I am housed at the Forest County Museum as a remembrance of a trying time in the history of the county.

## Get ready for school sports with a Ministry Well-Child Exam

Get ready and get set for school sports and summer activities with an annual physical from Ministry Medical Group (MMG). An annual physical will include a sports physical component along with a well-child exam for your child.

A full well-child exam allows the providers to perform a more comprehensive evaluation that expands beyond just the physical component of the child and identify any underlying issues that a quick 10 - 15 minute sports physical may not have found.

Bring in your WIAA sports physical forms, and any other sports or summer camp paperwork to ensure your child is eligible to play and compete. Parents will need to bring the completed sports physical paperwork to your local Ministry Medical Group clinic and the provider will complete the necessary forms at the time of the appointment.

Annual well-child exams are covered by most insurance providers. Please check with your insurance provider for coverage information.

To make an appointment to get your child ready for the upcoming season, please contact Ministry Medical Group at the following locations; MMG Crandon, 715.478.6300, MMG Eagle River, 715.477.3000, MMG Laona, 715.674.5233, MMG Rhinelander, 715.361.4700, MMG Tomahawk, 715.453.7200, and MMG Woodruff, 715.356.8920.

iconic museums and venues in northeastern Wisconsin while simultaneously gathering data to increase knowledge about their visitor base in the region. The project is estimated to have an economic impact of \$3.5 million from traveler spending at area hotels, restaurants and stores.

"We're absolutely delighted to be supporting this outstanding collaboration among these six counties to build a lasting brand for their area," said Tourism Secretary Stephanie Klett. "The Family Fun Passport is an excellent example of how destinations can pool resources to showcase the strengths in their region and attract more visitors."

In fiscal 2014, the Department funded 60 Joint Effort Marketing projects, awarding a total of more than \$1.1 million dollars. Visitor expenditures driven by the marketing from these projects will exceed \$28 million dollars. In 2014, the tourism economy in Wisconsin totaled \$18.5 billion, a more than five percent increase over 2013. The combined traveler spending in these six counties is almost \$739 million supporting over 5700 jobs and \$56 million in state and local revenue.

Northeastern Wisconsin museums and tourism venues invite visitors to get more involved with the history of their state by participating in their brand new Family Fun Passport program. Over 14 destinations will distribute 4,000 passports over the course of the summer season in Florence, Forest, Langlade, Oconto, Oneida and Vilas counties. Visitors are encouraged to collect as many "stamps" on their Family Fun Passports as possible. In addition, visitors can access the passport via their smartphones through a mobile application. Participants in the Family Fun Passport Program will also be able to enter for a chance to win a two night stay at the Potawatomi Casino and Hotel. Grant funds will go towards print and online promotional efforts.

"The best part of this project is the visitors who will be part of the historic 'Sawdust Trail' when they visit the 14 participating museums," said Sara W. Connor, executive director of Camp 5 Museum/Wisconsin Forestry Museum. "There are opportunities and events planned at all of the museums and visitors can register online and see the events at [familyfunpassport.org](http://familyfunpassport.org)."

JEM grant funds are available to non-profit organizations for the promotion of Wisconsin tourism events and destinations. The state can fund up to 75 percent of a project's first year advertising and marketing costs and provides support for second and third year projects, but with decreasing amounts for funding each year until projects become self-sustaining. For information on the JEM Program and application materials, visit <http://industry.travelwisconsin.com>.

The mission of the Wisconsin Department of Tourism is to market the state as the Midwest's premier travel destination for fun. By executing industry-leading marketing programs, providing reliable travel information and establishing strategic partnerships, we will play a significant role in delivering exceptional customer service and generating greater economic impact and jobs for Wisconsin. The portal for traveler information can be found at: [www.travelwisconsin.com](http://www.travelwisconsin.com).

**Wabeno Library News**

The Wabeno Public Library will be closed on Saturday, July 4th. Our summer reading program will return on Saturday, July 11th, at 10am. We will continue creating our super hero costumes and reading books then! We hope everyone enjoys the holiday weekend, stays safe, and collects a lot of candy at the parades in the area!

In the interim, please feel free to stop by and check out our new releases. We've added Erika Swyler's, *The Book of Speculation* to our newest fiction section, as well as *They Marched into Sunlight: War and Peace; Vietnam and America; October 1967*, by David Maraniss and *Last Night I Dreamed of Peace: The Diary of Dang Thuy Tram*, both moving, non-fiction books from the Vietnam War era.

We also have some new DVDs for patrons to enjoy—Kingsman: *The Secret Service, Unfinished Business, Cake, St. Vincent, and You're Not You*. For those of you at home with wifi, if you're interested in streaming some of our newer movies we get digital copies of, please stop in and talk with us, and we'll let you know how!

INSURANCE TIP  
HOME OWNER'S  
FORM III**

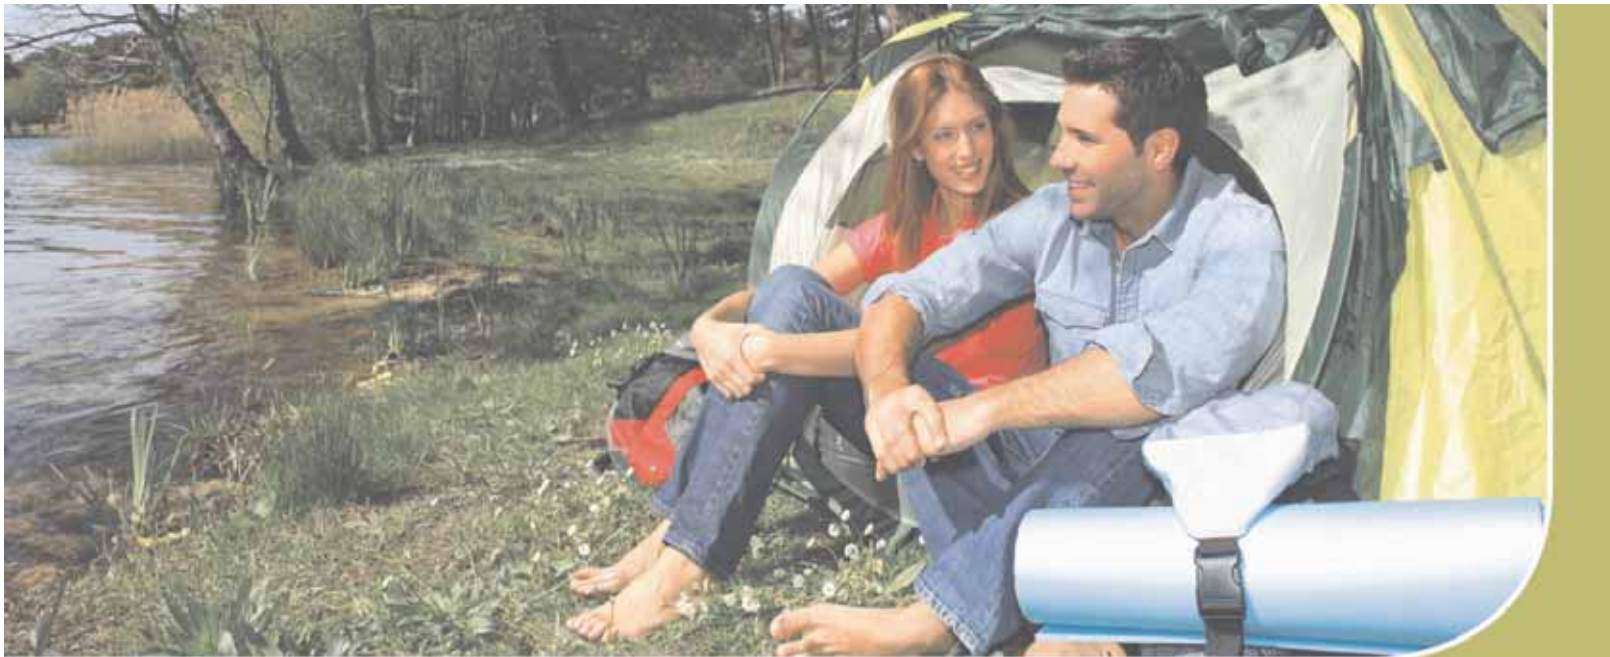

There are several different types of homeowner's policies and the wording and coverages vary from each company.

Generally speaking, Form 3 coverage is the best coverage for most homes. It covers all direct physical loss to the structure with a few exclusions, such as; flood, earthquake and normal wear and rear. Be aware, though, that coverage for your contents is not quite as comprehensive. Accidental damage or breakage to contents is usually not covered. Some companies do offer all risk contents policies. Don't forget to ask your agent about Replacement Cost Guarantee!

**VACANT LOT, 100' OF FRONTAGE X 285'. FLAT, SAND,  
SITE PREPPED, CERTIFIED SURVEY, PERKED  
CONVENTIONAL, POWER IN. READY TO BUILD ON!**

This lot has a 2000 acre view from the south end of the lake. If you are thinking about building a lake home you may want to check this out. It is like the lots that were available in the 60's and there aren't any like this anymore. Lake Metonga is a 2157 acre lake, 79 feet deep, in Forest County, right next to Crandon. The water clarity is exceptional as is the fishing. The lake is traditionally a walleye and perch lake, and through the years has become an exceptional small mouth bass fishery. Catching a 20" bass here is quite a thrill (and I'm speaking from experience). If you are not familiar with Lake Metonga, a Google search will fill you in. This may be the best lot for sale in all northeast Wisconsin. You may find a nicer lot on a lower level lake or a sub-par lot (meaning hilly, lily pads, mud or stones) on a nice lake but it's unlikely you will find a better combination of the physical characteristics of this lot with the qualities of the wonderful and second biggest lake in the area. Lake Metonga and Crandon are about 2 hours from the Green Bay/Appleton area.
