Veterans and Military Day at Camp 5-Laona

Camp 5 Museum/Lumberjack Steam Train in Laona on Saturday, July 25 is hosting a Veterans and Military Day. This project is part of a Wisconsin Historical Society to collect and preserve Veterans' and Active Military photos for their Archives.

As a Blue Star Museum, in cooperation with the National Endowment for the Arts and Department of Defense, Active Military and their families are admitted Free to the Blue Star Museums.

On July 25th, Saturday, Camp 5 will offer Free admission to the Veterans.

Called the "Big Picture Show Project," the Armed Forces of the United States are deployed and have served throughout the World. Camp 5 Museum/Lumberjack Steam Train is one of 40 museums in Wisconsin and one of only 6 in the Northwoods that is a Blue Star Museum.

Camp 5 Museum will copy/scan Veteran and Active Military photos for their own collection so the photos stay locally. They will be shared with the Wisconsin Historical Society for their permanent archives collections, as well. The originals will stay with the families OR they can also donate them to the Wisconsin Historical Society, which now includes the Wisconsin Veterans' Museum.

August 1 is a big day in Northern Oconto County

August 1st is a BIG day in northern Oconto County. There is the famous McCaslin Lions Art and Craft Fair, the Townsend Flowage Association Corn Roast, the Legion Auxiliary Brat Fry at Super Valu, and this year, Discover Wisconsin is filming various events in the Northwoods.

Adding to the variety of things to do is a chance to attend a special presentation at the Holt & Balcom Logging Camp Museum. On Saturday, August 1, at 1:00 p.m., (repeat 2:00 p.m.) Camp Curator Kathleen Marsh will tell the story of the restoration of the Logging Camp in a half-hour slide show presentation.

Pickerel Chain Lake Association 1st Annual Community Picnic July 25th

In the winter of 2013 the lakes of Pickerel, Little Pickerel and Smoke in the Town of Townsend suffered a severe winter kill which almost killed off the entire fisheries of these lakes. To address this concern and the major impact on the lakes, concerned property owners and other community members got together and formed the Pickerel Chain Lake Association with the expressed interest in maintaining the healthy water quality of the lakes and restore the fisheries. In the fall of 2014, as a result of our fund raising and donations by others, including other lake associations, we were able to install the first of our three planned aerators. We also received fish from the Wisconsin Department of Natural Resources which began the restocking of our lakes. The aerator was install in Pickerel Lake and was in operation most of the winter of 2014-2015.

Wabeno launches their first ever Art and Music Festival (WAM Fest)

On Saturday August 1 and Sunday August 2, the Wabeno Art and Music Fest, also called WAM Fest, will be held along North Branch Street in historic downtown Wabeno. WAM Fest is an outdoor celebration of fine art, great music, and superb food. With local artists showing their work, over twenty musical acts on three stages, and delicious culinary creations for everyone to enjoy, there is something for all ages and every palate. Come to WAM Fest on August 1 from 11:00 a.m. to 10:00 p.m. and August 2 from 11:00 a.m. to 3:00 p.m. and experience local arts and music like never before. For more details on music line up, featured artists, and more please visit our website wabenoartandmusicfest.org or join the event on Facebook.

WAM Fest offers exciting and unique activities for natives and visitors alike. Most of the festivities will be held on the lawn in front of the Logging Museum, including the outdoor art gallery featuring artists Johanna Axelrod, Larry Seiler, Steve Wysocki, and many more. The Friends of Wabeno will be selling food on site, offering a selection of familiar favorites such as BBQ as well as debuting a WAM Fest original, the "WAM Fest Torpedo" sub sandwich.

Local legend Skip Jones will serve as the MC for the music stages. The eclectic music lineup includes oldies, country, folk, jazz, and blues and features musicians from all over the state. Wade Fernandez, Macyn Taylor, Ric Steam, and over 20 other musicians will be delighting fest-goers all weekend long.

Red Arrow Snowmobile ATV Club Fundraiser at TNT Russted Nail

On Saturday August 1st Red Arrow will host a Club Meeting, Trail Ride, and a Meat Raffle at the TNT Russted Nail. Open to the public, the event will start with a short meeting at 11AM followed by a noon ATV/UTV trail ride in the Maiden Lake area. At 2 PM there will be Meat Raffles, 50/50 raffles, music, Food, and liquid refreshments until 6PM.

All proceeds from this event will go directly to help fund a new ATV/UTV trail grader. Red Arrow is responsible for about 65 miles of snowmobile trails and about 15 miles of ATV/UTV trails including the Nicolet State Recreational Trail thru Townsend.

Come by ATV, UTV, car, truck or van....everyone is invited to attend this fun event. The TNT Russted Nail is right on Hwy 32 just south of Lakewood. Direct ATV/UTV access is available via the Nicolet Trail across the road.

Looking forward, mark your calendars for the Saturday of Labor Day Weekend. Red Arrow will again be hosting the annual Corn Roast at Barb's Valley Inn on Saturday September 5th. The event will kick off with a 10:30 ATV/UTV Parade from Townsend Shell to Barb's Valley Inn. Units will begin lining up across from the Shell station at 9:30. More details to come in August for this 9th annual event.

Correction on Camp 5 painting. Sorry Travis!

We must correct last week's article on the painting found behind a shelf at the Laona School. The fellow who found the painting is Travis Matuszewski, not Nate.

After a conversation with his mother, we decided that it would be easier to make a correction than try to get Travis to change his name to Nate. Wendy didn't buy in to that idea at all, and we haven't checked with Travis. Sorry about the mixup, but we are still looking for information on this painting and someone who signed it "Turk 1978."

If anybody can remember a talented painter named Turk, give Camp 5 a call or the *Pioneer Express* office.

Kentuck Day and the Kentuck Klassic Car Show this weekend in Crandon

This old Rogers Lumber photo no doubt has some Kentucks in it. This Nashville sawmill employed a number of Kentucks, who gave up the relatively mild climate of Kentucky for life in the north.

Crandon's Kentuck Day and the Kentuck Klassic Car Show will be held this weekend, on Saturday, July 25th. The celebration of the area's Kentuck heritage starts at 10:00 a.m. and runs through 4:00 p.m. The 5K Moonshine Run will also be held, with registration at 8:00 a.m. and a the run starting at 9:00 a.m. A prize will be offered for the best Kentuck dresser, so go through your grandmother's wardrobe.

Crandon's Lake Avenue and the Courthouse Square will be filled with vendors selling everything from great food to art. A flea market will be running, and the merchants will have some great buys at their sidewalk sales. Horse-drawn wagon rides will give passengers an idea of what transportation was like at the turn of the last century. And, don't forget to sample the old Kentuck favorite; corn bread and soup beans. Live music will be provided by "Hand-Picked Bluegrass."

Some come and celebrate part of the local heritage and enjoy the day!

Wabeno Library's first summer performer: Tracy Chipman

Come one, come all, the Wabeno Public Library's first summer performer is almost here! This Saturday, July 25th, Tracy Chipman will be performing at 11:00 a.m. Her performance will be correlated with our summer reading theme, "Every Hero has a Story."

We're very excited to have Tracy as part of summer experience and hope that many of you can come out and welcome her. Prior to Tracy's arrival, we will have our usual reading program at 10am. As always, there will be activities, snacks, and plenty of books to check out for home.

For more on Tracy, please feel free to check out her website: www.listentoaale.com

In addition to our summer reading program, Tuesdays at Two with Tim and Connie Friesen is taking place at the Pavilion in the park, behind the Legion Hall in July. We're also still the place to come for the newest book releases, DVD releases, magazines, and general inquiries. We offer help in searching for jobs—from resume/cover letter help to free printing on job related activities, we have free, public wi-fi, basic technology courses available, and a nice screened-in porch to relax and catch up on some reading in.

Please feel free to visit us during our regular hours of: Tuesday/Friday – 10-5, Wednesday/Thursday – 12-5, Saturday, 9-12. We can also be found on Facebook: www.facebook.com/wabenopubliclibrary.

Hometown Trolley Street Car successfully completes Altoona test

Hometown Trolley of Crandon completes 10 year / 350,000 mile Altoona Testing at Penn State

Crandon - Hometown Trolley has completed a 10 year/350,000 mile Altoona Test at the Penn State University FTA testing facility. Hometown Trolley has tested nine Trolley models over the past 20 years.

Hometown Trolley's new Streetcar Model is now in full production. The Streetcar is a rear engine diesel low-floor patent-pending design. Recent deliveries of the new Streetcar model include Hampton Roads Transit and Coral Gables Florida.

Hometown Trolley is currently launching a Nationwide Marketing Tour of the new model which is also available in a full electric propulsion system. Please contact Hometown Trolley direct for more information, or see our website for details.

With the new low-floor Streetcar, Hometown Trolley rounds out a complete line of Trolleys for every transit application from light duty to heavy duty from Tour to Transit.

Crooked Lake/Mountain Lions Club officers

At the July meeting of the Crooked Lake/Mountain Lions Club, District Governor Sue Selner swore in the officers for the 2015/2016 Lions year. In the back row, from left to right, is President Jim Zittlow, Treasurer Matt Connell, Second Vice President Dan Stark, First Vice President Sandy Delebreaux, and Tail Twister Dick Higley. In the front row, from left to right is Secretary Cassie Zittlow, Lion Tamer Linda Connell, District Governor Sue and Membership Chair Terry Jorgenson.

If you are interested in becoming involved in a volunteer organization, the Lions Club is the best there is and always looking for new members with new ideas. Contact Terry at 920-213-0077 to see about joining this fun loving, hard-working group.

The McCaslin Lioness Swim Class

The McCaslin Lioness two-week swim class started with a rain-out day, but over 30 children endured the Tuesday chill and relished in the warmth of July. The Minnows, Sharks, and Dolphins learned to be safe and have fun at beautiful Wheeler Lake.

Through the guidance of Tami, Becca, and Daniel Goetz, Samantha Exferd, and few exuberant Lioness, the children achieved goals such as putting their face in the water, the front crawl and swimming to the buoys.

The Swim Program is offered to children 5 years and older beginning the Monday following the 4th of July.

Have a great summer, Kids!

THANK YOU

THIS THANK YOU IS BEING RE-RUN BECAUSE PART WAS MISSING LAST WEEK

Friends, Family & Neighbors

Thank you so much for the phone calls, cards, flowers, prayers, care and love during my surgery and after I came home.

To my kids and grandkids - you are so special and we love you dearly.

Thanks for all your help.

Love Nancy and Mike

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget."

The Family of Kevin Pence would like to express their thanks to friends and family for the outpouring of love and support following Kevin's diagnosis and his passing. The visits from friends, letters, cards, flowers and phone messages we received over the past few months carried us. It was such a comfort to know that he had touched so many lives in his way. Your support helped us to cope at this sad time. We all appreciate these condolence messages more than we can say.

The list is far too lengthy to include everyone, however I must make mention of a few:

- To Dustin and Hope - I thank you for being there day-in and day-out. I don't know what we would have done without you two. Steve and Michelle for taking Chase and Finn when Kevin needed Dustin and Hope.
- To my awesome family for the love and support. As always, rock solid when a family member needs you. Kevin was so proud to be a part of the Kincaid family. It brought him great comfort to know that you would all be there to help me through.
- To Pastor Mark Gilbert for the beautiful service, cousin Lea Anne for the special vocals, and friend Bill Palubicki for sound and music. To the ladies from the Methodist Church, for helping with arrangements, and serving the nice refreshments. A very special thanks to Chris, Candy and Kellee.
- To my brother Jeff and nephew Keegan for the awesome Kevin Pence Memorial decals and to our friends at the Crandon International Off-Road Raceway for honoring Kevin prior to the "big race". Thank you to the race community too for the special tributes, the cards, phone calls and letters. Racing was such a big part of Kevin's life. What an honor to him.
- To my dear friends and coworkers at Blackwell Job Corp Center for the support, prayers, and for covering for me when I was taking care of Kevin - you're the best.

Again, thank you. Don't forget to count your blessings.
Holly, Dustin and Hope, Jessica, Louella, and Karen

Death Notices

Nora R. Lempel, 90, of Laona, passed away on Friday July 17, 2015 at St. Mary's Hospital in Rhinelander. She was born on September 29, 1924 in Wabeno to Ed and Myrtle (Christinsin) Sederstrom.

As a young girl, Nora's family resided in Laona. After her graduation from the Laona High School in 1942, she moved to Milwaukee. It is there where she married Michael Lempel on April 13, 1945. He preceded her in death on September 4, 1995. In 1951 the couple moved to Laona. Nora was one of the first women to work on the mill floor at Conors. She held many positions there. After the mill closed, Nora began working at Nu-Roc Nursing Home as a nurse's aid. She retired when she turned 81.

Nora was a member of St. John's Lutheran Church in Laona. She was very active in the Ladies Aid, and served as treasurer. She also served as treasurer for the Lions Club Auxiliary. Nora loved to read, knit, crochet, and watch the birds.

Nora is survived by a daughter, Diana Novak of Kaukauna; a son, Dennis (Carol) of Laona; and grandchildren, Noreen Novak of Naples, FL, Keith Novak of Little Chute, and Michael Lempel of Laona. She is further survived by five great-grandchildren.

Nora was preceded in death by her husband, five sisters, two brothers, and a granddaughter, Nancy.

Funeral services for Nora were held at 11 a.m. on Wednesday, July 22, at St. John's Lutheran Church in Laona with Rev. Kyle Verage officiating. Visitation was from 10 a.m. until the time of service at the church. Burial was in the Laona Cemetery. Weber-Hill Funeral Home is assisting the family with arrangements.

Online condolences may be left for the family at weberhillfuneralhome.com

Richard C. "Dick" Pitts, age 82, of the Town of Nashville, passed away July 20, 2015, at St. Mary's Hospital, Rhinelander. Visitation will be held from 10:00 - 11:00 a.m. on Friday, July 24, at the Weber-Hill Funeral Home in Crandon. Funeral service will follow at 11:00 a.m. with Pastor Bill Farr officiating. Interment will be at the Nashville Town Cemetery. Online condolences may be directed to weberhillfuneralhome.com

Meat Raffle Coming Up For Safe Haven Dog Park

July 25, 2015 at the Shoreline Inn, 15463 County Road W, on Crooked Lake starting at 12:00 p.m. until we run out of meat. All profits will be going towards the purchasing of three entrance gates and one maintenance gate, picnic tables etc. We bought the fencing with the proceeds from the last meat raffle and now are closer than ever to opening this year.

We have heard a lot of positive feedback regarding the dog park and yet, some are not really sold on the importance of having one. When you see a dog running down the highway, or cutting across a farmer's field you are looking at a dog that can not find his way home. Many of these dogs belong to visitors who think they are doing their dog a favor by taking him off his chain and letting him run in the "country". All dogs need to run. It has been in their DNA since their ancestors, the wolves, had freedom to roam.

A dog has fun with his new freedom for about two hours. He can dig his nose in the ground and track critters, or lift his head up into the wind to smell things he never knew existed, and he can run, run and run to his heart's content. The problem is: nine out of ten dogs can not find their way back. They spend the rest of their trek (sometimes for hours, days, months) searching for their families, looking for food, and missing the warmth of those they love.

The next time you see a lost dog think about his future. He will either be found, killed by a car or another animal, or swept up by an animal control officer and put into a humane shelter where he will be euthanized in seven days. 1.5 million-2 million lost dogs are euthanized every year in humane shelters.

This is why we are building the Safe Haven Dog Park. We want our dogs and all visiting dogs to have a safe, fun place to run, explore and play. Please join us on July 25th at our Meat Raffle. What better way is there to have so much enjoyment for such a worthy cause?

Big Day Oconto Co. Cont. from pg. 1

So why not make a day of it? You could shop till you drop at the Fair; refuel with a brat and beverage at the grocery store; sit in air-conditioned comfort as you learn about how one determined lady accomplished what few thought possible: restoration of the oldest logging camp sitting where it was built in the USA; and round out your day with delicious grilled sandwiches and mouth-watering sweet corn at the Family Fun Corn Roast held at the Townsend Town Hall from 1100 am. To 6:00 p.m.

Holt & Balcom is just a mile east on Highway F, a mile and a half east of Lakewood. If coming into Lakewood on Highway 32, turn onto County F at the ATV trailhead, then right on Country Club Lane. Follow the signs directing you to the camp. Please park in the McCauslin Brook Golf Course and Country Club lot. The Museum is on McCauslin Brook, just behind the Clubhouse.

If you are unable to attend that Saturday, tours are available on summer Saturdays from 10 a.m. - 3 p.m. starting June 13. For more information or a special tour at a more convenient time, call Bob at 715-276-3505 or Kathleen at 715-276-6515.

Laona Librarian Cont. from pg. 1

with about 40 attending each Tuesday. The program culminates on August 11th, when Randy Peterson will perform at 6:00 p.m. Randy will telling stories about local super heroes through song.

More programs are being worked on for teens and adults, in the future, that will meet the needs of the community.

According to Felicia, new books and movies come in every month, and the Laona Library is also a great place to catch up your reading with newspapers and magazines.

The Laona Library is open on Mondays from noon till 5:00 p.m. On Tuesday, Wednesday and Thursday, Felicia opens up at 8:30 a.m. and closes the door at 4:00 p.m. Friday, she is open from 8:00 a.m. until noon, and every 2nd Saturday, the library is open from 9:00 until 11:00 a.m.

Camp 5 Cont. from pg. 1

Sara Connor, Executive Director of Camp 5 Museum said, "To participate in a collaboration as a Blue Star Museum is a terrific opportunity for our greater community to honor our Veterans and Active Military. Camp 5 Museum has had several military exhibits that were well received and told the story of local Veterans. Our Wisconsin Flying Trees in World War II exhibit has returned after traveling throughout the United States to major museums where over 175,000 visitors viewed the exhibit. In this year's exhibit, we are also featuring photos that we have collected from local Veterans in the past. I will be telling that story on Saturday."

In returning from the U.S. Army War College - National Security Seminar, Ms. Connor said, "We were asked how the Active Military could be more involved in the local community. As a Blue Star Museum and participating in the WHS photographic "Big Picture Show Project," We can assist the Active Military in sharing their experiences and photos with our Visitors. The Veterans are an integral part of the fabric of our Northwoods' communities. They do an excellent job reminding our Visitors about their past actions and the ultimate sacrifices of their ranks. Camp 5 Museum is a strong supported of our Armed Forces - both Active and Retired."

www.camp5museum.com, www.arts.gov Trains run at 11,12,1,and 2 in Laona from the depot.

Forest County Museum's Artifact Autobiography: Victorian Crazy Quilt

I was donated to the Forest County Museum by Deloyce Conway and was created by Grace Shaw Ross. Grace's father was Samuel Shaw, the founder of Crandon. Grace's sister was the first female mayor in Wisconsin. I am a large rectangular quilt made from many different types of fabric with innumerable colors. My patches are in every type of shape and I have floral patterns sewn onto various patches. I was all the rage after the 1876 Philadelphia Centennial Exposition. During the exposition one the most popular exhibits was the Japanese culture display including their asymmetrical paintings and crazed ceramics. Women of the time started to mimic the style in their quilting and it became a popular topic in women's magazines. Quilts like me were often made using fabrics such as: brocade, silk, and velvet. I was a perfect way for Mrs. Ross to show off her needlework skills with all my decorative stitches.

I could have been used as a fundraising device which was the common practice at the time. Church groups would ask famous individuals for a scrap of their clothing to sew into a quilt and then auction it off to the highest bidder to raise funds for missionaries. Quilts like me were first made by the wealthy women in society, like Grace Ross, but the practice soon trickled down to the lower classes. Bundles of silk scraps could be bought at a low cost so average women could incorporate it into their quilts. After 1900 cotton, denim, and flannel could also be found on the quilts. The fad started to fade after 1910. If you would like to come visit me at the Forest County Museum, I am located in the parlor next to the sewing machine.

Nicolet College one-stop enrollment on July 29

Nicolet College Quick Start event July 29 features one-stop enrollment for Fall Semester

Anyone looking to attend Nicolet College this fall can fast-track the enrollment process with one stop at the college's Quick Start event from 2 p.m. to 6 p.m., Wednesday, July 29, in the University Transfer Center.

"Everything will be in one place," said Nicolet College Career Services Coordinator Erika Warning. "It will make the enrollment process much more efficient for people to start down the path to earning a college credential."

At the event future students will be able to:

- Meet with a Career Coach to discuss career options and the various academic paths available to train for a career.
- Talk with an Academic Advisor to register for classes and set up a class schedule that fits in with other responsibilities.
- Complete the Admission Application. Students will need to bring their official high school, GED, or any college transcripts with them in a sealed envelope.
- Learn about the financial aid and scholarship application process, as well as payment plans the college has available.

"Students who apply for admission that day will have the \$30 admission fee waived along with all assessment fees," Warning added. "That can total more than \$60 in savings."

Prospective students will also be able to complete assessment testing at the event.

Nicolet offers more than 65 certificates, diplomas, and associate degrees. Many academic pathways are structured so students can earn a short-term training certificate relatively quickly and then enter the workforce or apply the credits toward a more advanced credential.

"What we're finding is that many students will do both," she explained. "Students will use the certificate to get a job in their field of study and then continue taking classes to earn a diploma or two-year associate degree to move up in their career field."

For more information about Nicolet, visit nicoletcollege.edu or call the college at (715) 365-4493, 1-800-544-3039, ext. 4493; TTY 1-800-947-3529 or 711.

AmeriCorps makes presentation at Friends July meeting

At the July 15th meeting of the Friends of Wabeno, members of the AmeriCorps Team working on the Barrier Free Boardwalk and Trail and other community projects will describe their organization and their community experiences. All are welcome to attend, especially youth who may be interested in learning more about the program. The meeting starts at 7:00 p.m. at the Wabeno Town Hall.

AmeriCorps NCCC is a full-time, team-based residential program for men and women age 18-24 whose mission is to strengthen communities and develop leaders through direct, team-based community service in partnerships with non-profits, schools, local, state, federal and tribal governments, and national and state parks. The 22 year old program is drawn from the successful models of the Civilian Conservation Corps (CCC) of the 1930s and the U.S. military. AmeriCorps NCCC is built on the belief that civic responsibility is an inherent duty of all citizens. <http://www.nationalservice.gov/programs/ameri-corps/americorps-nccc>

The July meeting will also discuss the Wabeno Art and Music Fest (WAM Fest) on August 1st and 2nd, other upcoming fundraising events and updates on continued grant submissions for the boardwalk and trail and the grocery store. Volunteers are needed for the WAM Fest food booths and Beer Tent. Please contact Mary Beck if you can help 608-628-0757 or mbeck@charter.net

Hospice Rummage Sale call for vendors

Many sales all under one roof – there's something for everyone! Ministry Home Care – Hospice will host their sixth annual Life's Treasures Rummage, Craft, Vendor and Bake Sale on Saturday, August 15, 8 a.m. – 3 p.m. at the Myre Electric Building (N11585 County Road Y) in Tomahawk. Individuals who would like to sell their goods (rummage, craft or other) can reserve a booth for just \$20 and then donate 10% of their day's sales to Ministry Home Care – Hospice. New this year: Fresh produce and Nimmer Lures, be sure to arrive early for the best selection.

The Bake Sale will feature a variety of delicious homemade goodies including Gourmet Cupcakes with 100% of the proceeds benefiting the care of hospice patients and their families. Bakery donations are welcome! Anyone can deliver baked goods the day of the event, or contact the hospice office to make other arrangements.

While Medicare, Medicaid and most private insurance companies provide some funding for hospice care, many people are un-insured or underinsured. As an important part of their mission, Ministry provides hospice care to anyone who is medically eligible, regardless of their ability to pay. Donations and events like this help to support that work.

To reserve a booth or for more information, please contact Mel Houg at 800.643.4663.

2008 Jayco Jayflight 28BHS camper--barely used. This is an exceptional camper despite the age. It is in like new condition--oven and stove not used, holding tank never used for solids, brand new professionally installed quality vinyl as original had cracked in cold of 2013, spotless--literally has "new" smell still obvious.

One slideout, Queen bedroom, back single and double bunk. Bathtub with shower. Easily sleeps 8. Inside in flawless condition, outside has one subtle ditzel in siding. Hitch and stabilizing bars included. This model in 2015 with identical floor plan is MSRP \$23,000 without extras this one has. Has traveled less than total of 500 miles (probably closer to 300)--tires essentially new. Has to be seen to be appreciated. This is a like new camper for about half the price of the current identical model. Not your usual used camper. **\$12,900 or best reasonable offer.** Call 715-889-1036.

Red Arrow Snowmobile ATV Club graduates 32 ATV Safety Course Students

Red Arrow Snowmobile ATV Club held the area's 9th annual ATV Safety Course on July 6th & 7th. The event, co-sponsored by Hidden Bear Trail ATV Club was held at the Townsend Lakewood Ambulance garage and attracted students of all ages from across the eastern half of Wisconsin. Three Red Arrow and Hidden Bear Trail members certified as ATV Safety Instructors led the two evening course and were very pleased with the attention of the students. All 32 students passed the exam and received their riding certificates.

DNR Warden Paul Hartrick attended the first session and spoke to the students about ATV Safety, DNR regulations and respect for the rights of others. He reminded the group to spread the word that anyone born after January 1st, 1988 must complete the course to ride an ATV legally in Wisconsin. Currently that means that anyone 27 years old or younger must have completed the course. An on-line version is available thru the DNR but younger students are highly encouraged to take the classroom version for maximum effect.

Congratulations to all the graduates and their parents who encouraged them to take the course. Red Arrow Snowmobile ATV Club has been serving the Townsend area since 1968 and is responsible for the maintenance and grooming of snowmobile and ATV trails in around Townsend. Hidden Bear Trail ATV Club is responsible for the trails in the Lakewood, Riverview and Doty areas. Both clubs encourage riders to join their club.

The surrounding area seniors are invited to join

Pickerel Chain Lake Picnic Cont. from pg. 1

Over the winter of 2014, the PCLA applied for, and ultimately received, a grant for a lakes management plan to be developed for the three lakes. This lake management plan is partially funded by the WDNR and will provide a useful tool on managing the lakes for good water quality and lake protection. The lake management plan is an intensive study of our lakes both what is in them and what flows into them. The study looks at the fisheries, plants, and the overall ecology of the lake. The lake management plan provides us with a pathway to address issues within the lakes which may include water quality, aquatic invasive species, and fisheries re-establishment among other concerns. The lake management plan is being developed by a private firm, Onterra, out of De Pere, and will take two years to complete.

Our future plans include completing the lake management plan, installing the remaining aerators, and filling our lakes with fish. We also partner with the Town in helping maintain Oughton Park which is on the shores of Pickerel Lake. On June 27, the PCLA had an Oughton Park cleanup day, where members spent the day restoring park benches, staining picnic tables and removing weeds. Working with the community, we hope to accomplish our goals in the near future. We are off to a great start but have a long ways to go.

Please join the Pickerel Chain Lake Association for its first annual community picnic and fund raiser on Saturday, July 25, from 3 pm to 7 pm to further support our association's efforts in restocking Pickerel, Little Pickerel, and Smoke Lake with fish following the disastrous freeze out from the winter of 2013. This community picnic will have beer, food, and a DJ for entertainment and many raffles including a "wheel of meat" and bucket raffles featuring Packer's tickets and other fantastic prizes. There will be a children's game area with many events and prizes for the kids. The event will be held at Oughton Park, just off the Pickerel Lake boat landing on Pickerel lake road in the Town of Townsend. In case of rain, we will be hosting the picnic at the Townsend town hall. Please come and join us for this special event, it will be fun and will support a good cause.

Substance Abuse Counselor Education diploma offered at Nicolet College this fall

With demand for substance abuse counselors expected to grow by more than 30 percent nationally in the next decade, Nicolet College is offering a new technical diploma this fall to help meet local need.

"This is a great opportunity for anyone already working as a counselor to add a credential to their skill set or for anyone looking to start a career as a substance abuse counselor," said Nicolet Dean of Health Occupations Lenore Blemke.

Much of the increased demand for professional substance abuse counselors is being driven by the Affordable Care Act, which requires all residents have health insurance and mandates treatment for substance abuse issues, Blemke added.

Professionals working in the field evaluate and treat people for substance abuse, work with families, and educate community members about substance abuse issues.

Nicolet is offering the 28-credit credential in partnership with Northcentral Technical College in Wausau.

Those who complete the Substance Abuse Counselor Education technical diploma can then apply those credits towards Northcentral's Alcohol & Other Drug Abuse associate degree.

For more information about the new technical diploma, visit nicoletcollege.edu and search on Substance Abuse Counselor Education or call the college at (715) 365-4493, 1-800-544-3039, ext. 4493; TTY 1-800-947-3529 or 711.

NRCS Conservation Local Work Group Meeting Scheduled for August 3rd

**Farmers, Landowners, Organizations, and Agencies
Encouraged to Attend**

Rhineland, Wis. July 15, 2015 – The U.S. Department of Agriculture Natural Resources Conservation Service (NRCS) has announced that the Headwaters Local Work Group meeting will be held in Rhineland, on August 3rd. The Headwaters Local Work Group advises NRCS on the delivery of conservation programs, on private lands, in Iron, Florence, Forest, Langlade, Lincoln, Oneida, and Vilas Counties. The meeting will start at 1 PM and conclude at 3 PM, in the Oneida Room, of the U.S. Forest Service office, at 500 Hanson Lake Road, in Rhineland.

Twenty one meetings will be held across Wisconsin in July and August to gather input and help set priorities for USDA conservation programs under the 2014 Farm Bill. "Local Working Groups offer a seat at the table for interested individuals and groups to advise NRCS on how best to set priorities and locally implement conservation programs," said Jimmy Bramblett, Wisconsin State Conservationist. "Members are diverse with an interest and focus on local agriculture and natural resource issues," added Bramblett. Farmers representing a variety of crops and livestock raised within the local area, private woodland owners, representatives of agricultural and environmental organizations, and representatives of other agriculture and natural resource agencies are welcome and should be represented.

This year, LWGs will represent two or more counties grouped together by geography, similar land use, resources, and type of agriculture (see map of Local Working Groups).

The main program discussed at the meetings will be the Environmental Quality Incentives Program (EQIP), the primary federal conservation program for agricultural and forest lands. EQIP offers technical and financial assistance to help landowners with needed conservation practices for water quality, soil health, wildlife and other natural resources. As of May, Wisconsin has received \$19.6 million in EQIP funding for conservation practices this year.

Local Working Group meetings are open to the public. Please contact Michael Stinebrink, District Conservationist, at (715) 362-5941, Ext. 111, or michael.stinebrink@wi.usda.gov, if you would like to be notified of future Headwaters Local Work Group meetings and other conservation program news and notifications. For detailed information on local work groups, see What are Local Working Groups and see the Schedule of Meetings.

Folk Music Trio at Concerts on the Riverwalk July 29

Rachel Hanson returns to Concerts on the Riverwalk with a folk music trio on Wednesday, July 29, 7 pm, at the bandshell near Trig's in downtown Rhinelander.

Formerly with Back Alley Blossoms of Stevens Point, Rachel has only recently formed this new band. "She is so talented," said Jan Leschke, concert series organizer. "Two years ago, when she was here, the audience really enjoyed the music. We're excited to hear what she's got to offer now."

The performance is sponsored by Peoples State Bank and The Apothecary Pharmacy, and buckets will be passed around the audience for donations. Listeners are encouraged to bring lawn chairs or a blanket and a picnic. Free popcorn will be served.

In case of bad weather, the performance will be held at the senior center (Department on Aging) across the parking lot.
