DNR meets with the public on Little Rice Flowage

Because of the problems caused by a lowering of the water levels in Little Rice Flowage, a citizen committee has formed to correct the problem. The following press release is from the Little Rice Flowage Committee.

Since the latter 1990's, the DNR lake strategy has been to promote the wild rice growth over a much larger area of the flowage.

In part, this has been through manipulation of the lake levels. This has been explained by the DNR as "management of a wildlife area." The result of this has been to ignore it as a fishery.

The lake has seen periodic winter fish kills, but none as has happened recently.

A very severe winter fish kill in 2012, due to low oxygen levels, the cause of which can be traced in part to a late winter draw-down after the ice had formed on the lake and oxygen being removed from the waters by the increased presence of decaying wild rice. The lake had previously not been exposed to both of these conditions.

Meetings between the DNR and lake residents have been held to discuss the lake management plan going forward.

A petition is being circulated to manage the lake as both a fishery and a wildlife area with greater emphasis on fish than we have seen in the past. This also includes the reduction of rice in the main part of the lake. This would realistically represent the lake usage. To date, there are over 350 signatures by people who use the lake.

A public meeting with the DNR was held at the Crandon school on July 29th at 6:00 p.m.

An update will be provided on the results of the meeting in next week's paper.

Townsend Flowage Association Family Fund Day Corn Roast

Warm weather and the living is easy. If you live, visit, or vacation here "Up North", you are probably planning fun things for the family to do. Why not include a stop at the Townsend Flowage Association's annual Family Fun Day Corn Roast on Saturday, August 1, at the Townsend Town Hall, from 11:00 a.m. to 6:00 p.m.?

Look for the big tent on Highway 32, Townsend town center, and get ready for the best-tasting outdoor picnic treats of the season; delicious grilled sweet corn, burgers, brats, hot dogs and all your other favorite sandwiches, snacks, and cold beverages. This is a familyfriendly event that includes music, raffles, a dice throw, and the always exciting children's sawdust toy hunt at 3:00 p.m. All proceeds from the event go to the betterment of the Townsend Flowage.

Historical Society Vintage Tea Party August 8th

A Vintage Tea Party sponsored by the Forest County Historical Society will be held on Saturday, August 8th at 1:00 p.m. There will be tea, finger sandwiches and

To add some fun to the event, all attending are encouraged to wear Tea Party attire.

Tickets are available at the Crandon Library.

Laona Lions **Community** Soup Saturday

The great tradition of the Laona Lions Community Soup is on for this Saturday, August 1st, at Silver Lake Beach, in Laona. The Soup begins at noon, and runs until $5:00\ p.m.$ This is the 95th year the Community Soup has been held, and it sustains the tradition of people from the community getting together and sharing the fixin's for a very large kettle of vegetable soup. Like the old days, you have to bring your own bowl.

Besides a chance to visit with friends and neighbors, there are fun events. New this year is a vintage sawing contest, the usual sawing contest, a dunk tank, the kids' funhouse bouncer, various kid's games, lots of refreshments, the Souper Run in the morning, and a volleyball tournament.

For many, the Soup is a chance to enjoy Silver Lake, the beach, and the company of kindred souls.

Everybody is cordially invited!

National

On Tuesday, August 4th, from 4:30-6:30 p.m., the Forest County Sheriff's Department and Crandon Police Department will be hosting National Night Out in the parking lot of the Sheriff's Department.

The kids have a great time at this event, and every child attending receives a goodie-bag and a ticket for each prize. The prizes include bikes, a Traxxas truck and a waterpark package for Waters of Minocqua.

There will be kid's games, a dunk tank, food, a bake sale, a bike rodeo, archery lessons, a bounce house, and numerous demos of police and fire-fighting equipment and tools.

Everybody is invited to attend and have a good time as well as learn. With any luck, Sheriff Dennee will gladly volunteer for he dunk tank!

Memorial moved to Veterans War Memorial Park in Wabeno

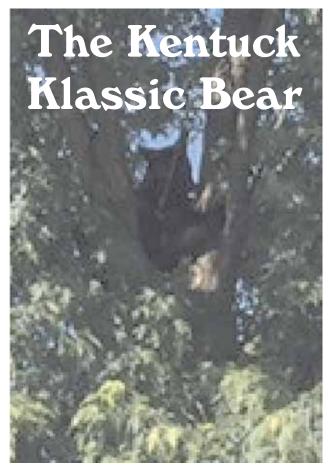

Crosses in tribute to Wisconsin soldiers were originally purchased and displayed by Kathie and John Marsh on their Memorial Island on the Townsend flowage which they dedicated with the name of the fallen heroes of Wisconsin who paid the ultimate price in the Iraq and Afghanistan Wars and was open for the public to pay their respects. Unfortunately, the number of fallen Wisconsin heroes continues and the island space is limited

The Marsh's offered to move the crosses to the newly completed Veterans War Memorial Park in Wabeno. Gerry LaFont designed the unique & special layout of the Memorial.

The American Legion Post 44 of Wabeno sponsored Gerry, who is from Boy Scout Troop 1048, Lakewood, and is working for his Eagle Badge.

Blackwell Job Corps, who in addition to academic training, provides technical training in several vocational trades, has been a much valued asset to the completion of Veterans War Memorial Park and the Memorial. Completion continues, meanwhile the Public is invited to enjoy the Park and pay their respects.

The Kentuck Klassic Car Show will long be remembered for the vintage car loving young bear that was noticed in a tree on the grounds of the Weber-Hill Funeral Home during the show. When people cleared away, he escaped to a less crowded spot.

What was probably the same bear was spotted behind Wilson's Drive-in a week or so ago, and we have heard that other people have spotted him as well.

It is a good bet that his momma had a couple of new cubs, and was tired of another bear to watch over, so she turned him out into the cold, cruel world.

Lake Lucerne Family Fun Day & Auction Saturday

This Saturday, August 1st, the Lake Lucerne Advancement Association is holding their Family Fun Day & Auction at the Lake Lucerne Clubhouse on County W, Crandon. The celebration begins at 10:00 a.m.

A raffle will be drawn with a first place of \$1,000, and there will be a big auction of everything from sporting goods to furniture and appliances. The auction inspection begins at 9:30 a.m.

Refreshments will be available, including brats, burgers, and liquid treats too. Buy paddle wheel tickets and stock up the freezer at the meat raffle.

So, don't sit at home, enjoy the day and support good things on Lake Lucerne.

Trump Lake Association donates to Friends of Wabeno

The Trump Lake Protective Association voted at their annual meeting to donate \$500 to the Friends of Wabeno to help them in their ongoing effort to make positive changes and improvements in the town. Pictured is Trump Lake Association president, Rich Wickershiem presenting a check for \$500 to Mary Beck, Friends of Wabeno Chair.

Ed Smith INSURANCE TIP **IDENTITY FRAUD**

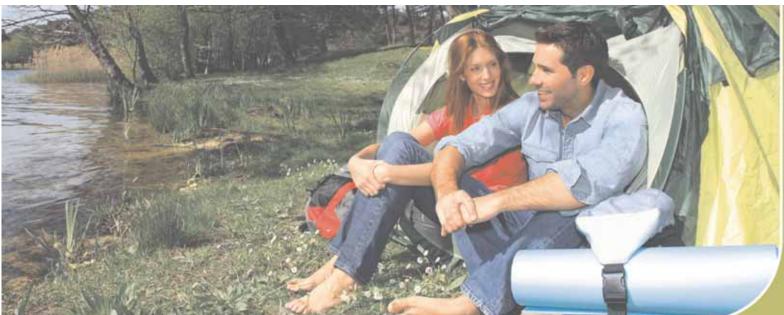

Unfortunately in today's online society it's easier than ever to be a victim of identity theft Millions of people report having their identities compromised every year. Recovering one's identity can cause months of frustration and countless hours spent in phone calls, emails and other tasks needed to fix the damage. Identity recovery pays the expenses required to correct the damage caused to an individual's credit rating. It also helps to restore personal identity costs that card issurers and other financial institutions don't typically pay when fraudulent charges are incurred. adults is the relatively low reimbursement rates offered by state Medicaid programs. Extensive paperwork and oversight also limit the number of dentists willing to take Medicaid patients. (the ACA calls for even more intensive oversight and audits) The result is poor access to preventive care for low income Medicaid beneficiaries in much of the country, ultimately resulting in higher overall costs.

Americans spend as much to treat dental disease, almost all of it preventable, as on the treatment of all cancers combined according to DentaQuest, a research and advocacy organization and administrator of dental insurance plans, including Medicaid.

Free or Reduced Dental Services in Wisconsin

Wisconsin's Department of Health Services provides a list on it's website of free or reduced dental clinics that can be accessed here www.dhs.wisconsin.gov/guide/freedental.htm

One such program is the Donated Dental Service. The program is for people who are unable to afford necessary dental treatment because of low income which is linked to a permanent disability, chronic illness, or advanced age, 65 years or older. Dentists involved in this program agree to volunteer their time to serve the population.

A person needing dental services without coverage may also consider reaching out to local dentistry schools or area technical colleges to see if they offer reduced services with their students.

Dental care & coverage

Medicare does not cover most dental care including dental procedures, such as cleanings, fillings, tooth extractions, dentures, dental plates, or other dental devices. Medicare Part A will pay for certain dental services that you get when you're in the hospital: however, that coverage is very limited. Due to lack of Medicare coverage, many older Americans go without dental care.

The Affordable Care Act offers premium tax credits to help low income people purchase health insurance. However, the subsidies cannot be used to purchase dental coverage except as an add on to health coverage. About 1.4 million Americans have purchased dental coverage on health insurance exchanges since January 2014 when the law took full effect.

No new dental benefit requirements were included for adults covered by Medicaid. Although the ACA does not make Medicaid dental coverage mandatory for adults, it gives states that have chosen to expand Medicaid a potential financial incentive to include dental benefits. In Wisconsin, Medicaid dental coverage for adults includes pain relief, infection treatment, tooth restoration, cleanings, fluoride treatments, crowns and fillings, X-rays, root canals, dentures and implants apart from preventative dental care checkups.

Crandon Library News

"Goode Rebeka: The Salem Witch Trials" program scheduled On Thursday, August 6th at 7:00 pm, the Crandon

Public Library will present First Impressions performer Jessica Michna as the character Goode Rebeka in "Trial by Fire," a story of the Salem Witch Trials.

In 1692, Salem, Massachusetts was a New World town with Puritan settlers from England. Old traditions would be laid aside, new ones instituted. Greed, jealousy, suspicion would persist. Were these at the root of "the Salem Witch trials"? Innocent residents of Salem, Massachusetts were tried and many executed in perhaps the most infamous chapter of early American history.

Mrs. Michnia has portrayed Mary Todd Lincoln, Eleanor Roosevelt, Dolley Madison, and Abigail Adams at libraries around the state. Her programs are always historically accurate and allow participants to learn about history first-hand. This program is free and open to the

Tom Pease in Concert

Mark your calendars! Join the Crandon Public Library on Thursday, August 13th at 6:00 p.m. for our last program of the summer. Death Notices

Myrliah (Tolliver) Ison, age 93, went to be with the Lord on Sunday, July 26, 2015. Myrliah was born December 29, 1921, in Fagan, Menifee County, Kentucky to William Thomas and Corda (Blevins) Tolliver, she was the oldest of five siblings.

The family moved to the Crandon area in 1923, settling on a 130 acre farm, just north of Mole Lake in the Town of Nashville. Her

childhood involved helping on the farm, working in the garden, canning produce, school, and even helping her father dynamite stumps.

Her father believed in the importance of education, and practiced spelling, history, and math at home with his children. When Myrliah placed 2nd in the all school spelling bee midway through her first grade year, the teacher immediately moved her to 2nd grade. Her love for learning would be lifelong.

A May 30, 1935 Forest Republican story about rural schools from the County Superintendent of Schools lists Myrliah Tolliver as the #2 ranking 8th grade student in Forest County. She graduated from Crandon High School and later worked in the Crandon Headstart Program for 25 years.

Myrliah met Wendell Ison at the home of mutual friends, the Howertons and a 60 year partnership began on November 30, 1938, when they were married. A family of four sons followed. A favorite photo was of her, holding first born son, Everett in front of their first home. Wendell and Myrliah built this 14×18 log home for the total cost of \$13.75.

Myrliah had a strong faith in Jesus Christ. She and Wendell conducted a Sunday School in their home for over 40 years. They were longtime members of Praise Chapel Community Church, involved in many ways.

Myrliah had many interests. She loved music, she taught herself the piano and guitar. Which she practiced daily and played in church and Sunday School throughout her life. Horses were a favorite pastime. She would ride with her husband, Wendell, son, Lester Bill and friend, Pam Rosa.

Myrliah is survived by three sons, Everett (Lorraine) Ison of Antigo, Deward Ison of Crandon, Leslie (Joyce) Ison of Menasha; daughter-in-law, Sharon Ison of Yamhill, Oregon; sister, Aleta Tolliver of Dayton, OH; and brother, Bill (Emma Lee) Tolliver, Columbus, OH.

She is further survived by ten grandchildren, sixteen great-grandchildren and nine great-great-grandchildren.

She is preceded in death by her parents, William and Corda; husband, Wendell; son, Lester Bill; sisters, Betty and Virginia and daughter-in-law, Almeda.

Visitation will be held on Friday, July 31 from 9:00-11:00 a.m. at Praise Chapel Community Church in Crandon. Funeral services will follow at 11:00 a.m. with Pastor Bill Farr officiating. Interment will be at Crandon Lakeside Cemetery. Online condolences may be directed to weberhillfuneralhome.com

Richard C. "Dick" Pitts, age 82, of the Town of Nashville, passed away July 20, 2015 at St. Mary's Hospital, Rhinelander. Dick was born February 27, 1933 in the Town of Nashville the son of William and Viola (Sparks) Pitts.

On September 27, 1960, at St. Paul Lutheran Church, Crandon, Dick

married Florence Jaeger.

Through life Dick worked as a certified Stone Mason. He also owned and operated Pitts Bus Service, the family business until his retirement. He served as the Forest County Highway Commissioner, Nashville Town Chairman and was on the County Board of Supervisors. He was a member of the Masonic Lodge having received his 50 year pin.

Dick enjoyed going to the casino, gardening and because he loved to cook he enjoyed having family and friends over for dinner. He especially enjoyed aggravating, teasing, and telling stories to all of his grandchildren and great grandchildren. His grandchildren were his pride and joy. He was known for his willingness to help others, including helping all of his children build their homes.

He is survived by his wife, Florence; daughter, Tammie (Tom) Teschner of Crandon; sons, Bill (Merri) Pitts of Town of Nashville and Rick (Jeanie) Pitts of Town of Nashville; sisters, Sharon (Pat) Arndt of Antigo and Eloise (Ben) Verhasselt of Antigo; sister-in-law, and Myra Pitts of Mole Lake. He is further survived by seven grandchildren and eighteen great-grandchildren.

He is preceded in death by his parents, William and Viola Pitts; three brothers, Jake, Butch and Don; and granddaughter, Amy Lynn Teschner.

Visitation was held on Friday, July 24 from 10:00 - 11:00 a.m. at Weber-Hill Funeral Home in Crandon. Funeral services followed at 11:00 a.m. with Pastor Bill Farr officiating. Interment followed at the Nashville Town Cemetery. Online condolences may be directed to the family at weberhillfuneralhome.com.

New trustees to join Nicolet College Board

Two new trustees were appointed to the Nicolet College Board and a third sworn in for a second term in recent actions.

Linda Skallerud and Jennifer Vogler were both recently appointed to the Nicolet Board by the Wisconsin Technical College System Board and Bob Egan was sworn in at the trustees' July meeting.

Skallerud, Crandon, is the Human Resources Director for the Forest County Potawatomi Community and is also a member of the Nicolet College Foundation Board.

Vogler, Wabeno, is the District Administrator of the Wabeno School District. She previously served on the Chippewa Valley Technical College Board.

Egan, Eagle River, is the Executive Director of the Vilas County Economic Development Corporation and the owner of Eagle River Tire.

Each will serve a three-year term on the board. Skallerud and Vogler will be sworn in at the Nicolet board's August meeting.

The board also recently elected officers, with Ron Zimmerman, Tomahawk, to serve as chair; Bob Martini, Rhinelander, vice chair, Bob Egan, secretary; and Thom Umlauf, Rhinelander, treasurer.

Other trustees on the board include Brian Diel, Rhinelander, Bob Lussow, Tomahawk, and Sharon Nielsen, Eagle River.

Mursau Votes in Favor of New Arena

Madison, WI - Representative Jeff Mursau (R–Crivitz) issued the following statement after voting in favor of the Bucks Arena plan.

"From the contacts I received over the last couple of months, my district was basically split on the proposed arena. After reviewing the legislation and considering the short and long-term financial outlook, I voted in favor of the proposal.

"The state will net more than \$2.5 million per year. That additional revenue is good for our K-12 school system, our University system, training new workers, and other state-supported programs. If we didn't approve this plan the state would have lost the \$6.5 million in income taxes generated by the Bucks players, the people who work at the arena would be out of a job, and the state would still be responsible for the on-going maintenance at the existing Bradley Center.

"If you take basketball out of the equation and look at the math alone, it's a good deal for my constituents and the state as a whole."

Norta Potluck Picnic & Auction

The August meeting of NORTA (Nicolet-Oconto Retired Teachers' Association) will be a potluck picnic, held on Wednesday, August 19, 2015, at the home of Larry and Rita Blazewicz, Larry and Rita Blazewicz, 14245 Glenwood Lane, Lakewood. The lunch will begin at noon, with the auction to follow. The auction is a fundraiser for the Educator of Excellence Program. Picnic attendees should bring items to auction (white elephant items, bakery, plants, etc.).

The Educator of Excellence Program was developed by NORTA member Richard Lowery. It was to be an award given to a teacher, chosen by his/her peers. To be recognized by one's peers is truly an honor, as they do know the time, effort, and accomplishments of the teacher. One award is given each year to chosen teachers in seven area districts. The program has been so well accepted that recently many other retired teacher organizations have started similar awards.

NORTA is inviting any retired teachers to attend this event and get to know the members, eat some great food, and have fun at the auction. If you are interested in attending and have questions, please feel free to call Rita Blazewicz at 715-276-6225, or e-mail.

News from the Forest County VA Officer

Special Military Social Security Rate

Under certain circumstances, military veterans who served between 1940 and 2001 can be credited for special extra earnings for Social Security purposes.

These extra earnings may help you qualify for Social Security or increase the amount of your Social Security benefit. Depending on the length and time frame of military service, some veterans may find that the benefit increase may be minimal.

These special extra earnings are granted for periods of active duty or active duty for training. Special extra earnings are not granted for inactive duty training.

You cannot receive credit for these special extra earnings if you are already receiving a federal benefit based on the same years of service. There is one exception: If you were on active duty after 1956, you can still get the special earnings for 1951 through 1956, even if you're receiving a military retirement based on service during that period.

Social Security cannot add these extra earnings to your record until you file for Social Security benefits.

Contacting Social Security http://www.ssa.gov/agency/contact/ Call the toll-free number, 1-800-772-1213. "TTY" 1-800-325-0778. Call or visit your local Social Security Office.

Walker Evans continues legacy at Crandon International Raceway via newly renamed "Legendary Launch"

Mirroring the lifelong relationship his old friend Parnelli Jones has with the Indianapolis Motor Speedway, off-road icon Walker Evans recently added to his Crandon International Off-Road Raceway legacy. Thanks to a new track partnership with his highly successful business enterprise of Walker Evans Racing, the man nicknamed "The Legend" can enjoy watching the sport's best racers literally fly into history via the renamed "Walker Evans Racing Legendary Launch."

Along with Crandon's famous Forest County Potawatomi Turn 1, the Walker Evans Racing "Legendary Launch" represents one of the track's most historic landmarks. Located after a fast but steep uphill climb that lies at the exit of Crandon's PolarisRZR Gravel Pit Turn, this extreme jump launches competitors toward the track's Calamity Corner and the Amsoil Finish Line. More often than not fearless racers will attack this portion of the track side-by-side with two or even three competitors.

While today's increasingly powerful TORC (The Off Road Championship) series PRO 2WD and PRO 4WD unlimited race trucks are coming ever closer, the Walker Evans Legendary Launch all-time distance record was set in June, 1996 by Jed Flannery, who sailed his Chevrolet truck 165.4 feet – just over half the length of a regulation football field!

The Walker Evans Legendary Launch is sure to be a major attraction for the massive 46th annual Crandon International World Championship Off-Road Races ®. Held over the Labor Day holiday weekend on September 4-6th, the event represents the largest short-course off-road race in the world. With a record crowd and all 2,000 camping spots expected to be reserved in advance, spectators will enjoy a full schedule of TORC PRO and Crandon Sportsman competition as both series wrap-up their 2015 seasons. The weekend will be topped with the huge Amsoil Cup race, featuring the largest cash prize in off-road motorsports.

Since heading east to race in Crandon from his Riverside, California home, Walker "The Legend" has been one of the sport's best racers, innovators and ambassadors. Over his long and successful career, Evans earned 142 victories in both desert racing and short course competition -- claiming 21 championships and five Baja 1000 wins in the process.

Evans was a figure in bringing national media and factory attention to Crandon International Raceway. He won his first SODA race in 1986 at the Lake Geneva Raceway in Lake Geneva, Wisconsin. In 1994 and 1995 he took home the SODA Class-8 (two-wheel drive) championships and completed his SODA campaign with three overall and 31 class wins. He moved to the CORR series, where he claimed three race wins and the 1999 and 2000 CORR Pro-4 season title before his subsequent retirement from short-track off-road racing.

Walker Evans has been honored as an inductee into the Off-Road Motorsports Hall of Fame (ORMHOF) in 2004 and just recently into the Motorsports Hall of Fame America.

That legacy of racing excellence is being carried on by young talent RJ Anderson, son of Walker Evans Racing President and long-time team Crew Chief Randy Anderson. Starting from the tender age of 14, RJ is now a professional short-course racer and TORC Rookie of the Year, in addition to being a Pro-Lite champion. Last year, Anderson brought his Monster/Polaris-sponsored Pro-2 to race the World Championships weekend, dazzling everyone with a hard fought podium appearance in the weekend's finale Amsoil Challenge Cup.

"Crandon's relationship with Walker Evans and Walker Evans Racing runs deep," explained Crandon International President Cliff Flannery. "We are proud of this historic relationship, and honored his company has agreed to this new partnership. To rename this historic part of Crandon as the 'Walker Evans Racing Legendary Launch" is about as good as it gets."

Nicolet Foundation's Run to Remember August 29 early register by August 10

The annual Run to Remember Honoring Kory Dahlvig scholarship fundraiser at Nicolet College is adding a new race this year for those who think running a 5K is just not enough.

"New this year will be a 10K event for the more serious runners who enjoy the longer distances," said Heather Schallock, executive director of the Nicolet College Foundation, which coordinates the Run to Remember. "This will be in addition to the traditional 5K and the half-mile children's run we have every year."

The event Saturday, August 29, will raise scholarship money in honor of Kory Dahlvig, a Nicolet graduate and former Vilas County sheriff's deputy who lost his life in the line of duty.

Entry fee is \$25 before August 10 and \$30 after that date. Entry in the children's run is free with registration occurring the day of the event.

Check-in begins at 8 a.m. with the 10K starting at 9 a.m., the 5K at 9:15 a.m., and the children's run at 10:30 a.m. Awards will be presented at 11 a.m.

To register, call the Foundation at (715) 365-4518 or visit active.com to register online.

This is the third year for the event, with the previous two raising \$10,000 for student scholarships in addition to starting an endowment.

More information, along with the online and print registration form, is available at nicoletcollege.edu.

Sponsors of the event include Superior Diesel, Ministry Health Care, Blue Knights MC Club Eagle River Chapter XIII, Walmart, Hilgy's LP Gas, Eye Clinic of Wisconsin, Asprius, Parsons of Eagle River, Aylesworth Dermatology, Shoeder's RV, Marine, and Sport Center, David Holperin – Stifel, Northwestern Mutual, Coca-Cola, and CoVantage Credit Union

Breastfeeding in the Park

Breastfeeding is natural. But that doesn't mean it's easy especially for working moms.

Between August 1-7 this year, World Alliance for Breastfeeding Action and the National WIC Association will be celebrating the WBW theme "BREASTFEEDING AND WORK LET'S MAKE IT WORK!," highlighting the need for global action to empower and support ALL women to combine breastfeeding with work. For more information visit http://worldbreastfeedingweek.org.

Research shows that nursing moms who get support to pump at work actually miss less work and are more productive and loyal to their company. Breastfeeding is good for business! The Affordable Care Act requires basic accommodations for nursing moms at work

This year, Forest County Health Department and the Forest County WIC program will be holding a "Breastfeeding in the Park" event on Wednesday August 5 from 5:00 to 6:00 pm at the Courthouse Square in Crandon. This event is designed to celebrate World Breastfeeding Week and encourage and support breastfeeding moms and their families. It is an opportunity for moms meet other area moms and share stories and experiences. Resources and information will be available, as well as door prizes and drawings. Refreshments and snacks will be provided.

WIC supports working and breastfeeding mothers by providing encouragement through Peer Counselor programs; tips on how to talk with your supervisor, co-workers, and child care providers; assistance with obtaining a breast pump and information on proper use; education on breastmilk storage & handling; and information for employers in complying with state and federal laws such as the break time requirement for nursing mothers.

For more information please call Samantha at the Health Department at 715-478-3371.

Kids Fishing Outing held July 18th at Silver Lake-Laona

The Boundary Waters Musky Club and the Headwaters Chapter of Muskies Inc., hosted a fishing outing for kids ages 10 to 17 on Saturday, July 18th. The event's headquarters was at the Silver Lake Pavilion, Laona, WI. The Outing ran from 7:30 until Noon; various lakes in the area were fished. The 33 young participants selected their method of fishing.

Angling approaches varied from live bait to casting artificial lures, targeting pan fish to muskies. Lunch was served and prizes given for the largest fish in each category plus all participating kids received multiple gifts. The young anglers were matched up with one of 22 guides, who donated their time, boat, tackle and bait. Fish were released to be caught another day. According to Dan Lazzeroni, event chairman, "This was great way to introduce kids to various types of fishing and learn new angling skills. It certainly appeared that everyone had a great time and went home happy." Winners of each category were: Musky - 16" by Josh Hagen who by catching the largest musky, was the grand prize winner of a musky rod donated by the Headwaters Club. Other winners were Walleye - 27" by Zach McLaughlin, Northern Pike - 26" by Rhys Pepin, Bass - 18" by Ian Bergland, Panfish - 10" perch by Reese Paradais.

Plans are being made to host next year's outing, tentatively set for July 9, 2016. Information will be posted on the event's FaceBook page, BWMC-Muskies Inc. Kids Outing of NE WI. For information about the Boundary Waters Musky Club, see their web site at www.bwmuskyclub.com; the Headwaters Chapter of Muskies Inc. web site is www.headwatersmuskies.com.
