Alex Benaszkeski Laona High School Valedictorian

Alex Benaszkeski, son of Mary and Steve Benaszkeski, is the Valedictorian of the Laona High School Class of 2016. Throughout high school Alex has been involved in many activities, including football, baseball, basketball, band, and the National Honor Society. In his spare time Alex volunteered for St. Mary's Rehabilitation, the food pantry, Relay for Life, and tutored high school students. On top of completing his high school courses, Alex also earned 21 college credits through the Course Options and Youth Options programs.

Alex's favorite high school memory is going to Daytona Beach on his senior class trip this spring. His advice to younger students is to be independent. This fall Alex will be attending Carroll University to pursue a Doctorate Degree in Physical Therapy.

Heaven Adkins Laona High School Salutatorian

Heaven Adkins, daughter of Karen Berkes and Mike Adkins, is the Salutatorian of the Laona High School Class of 2016. Heaven was involved in volleyball, basketball, the National Honor Society, and was the class treasurer. In addition to completing all of her high school requirements, Heaven earned 9 college credits from Nicolet College through the Course Options and Youth Options programs.

Heaven's most memorable experience in high school was spending time with her class on their trip to Florida. Her words of wisdom to younger students is that hard work now will pay off in the future. Heaven will be attending Nicolet College in the fall to pursue her Associate's Degree in Nursing.

Michelle Boor to be Speaker for Wabeno Graduation Ceremony

Michelle Boor will be the speaker at the Wabeno Commencement on Saturday, June 4th at 2:00 p.m. Michelle is a 1989 graduate from New Lisbon High School. After high school she attended Carthage College and earned her Bachelors of Art in Music Education.

She began her career in Minocqua by teaching at the Conservatory of the Arts where she directed the youth band and the community band. Her next stop on her way to Wabeno was at Zion Lutheran School in Rhinelander where she taught band. She has now been the 5th-12th grade band teacher at Wabeno for eighteen years.

While teaching band at Wabeno she has taken the program on five band trips around the country, receiving first place at four out of the five competitions. In addition to that, the high school band has received a first at Large Group Ensembles the last sixteen years. However, Michelle brings a lot more to the school than just a fantastic band program. In addition to band, she is in charge of student council, yearbook and she has been a class advisor for multiple classes. Michelle has also been the coach for both junior high and varsity volleyball for the past seventeen years, leading her varsity team to eight conference championships and three regional championships.

All of Michelle Boor's accomplishments drove the students to request her to speak for them. She graciously accepted, adding speaking at graduation to her long list of service to Wabeno High School.

Students reach life milestone at Nicolet College graduation

A decidedly upbeat and festive tone set the stage for Nicolet College's recent graduation ceremonies, marking the official end to the 2015-16 academic year.

In all, Nicolet awarded more than 580 college degrees, diplomas, and certificates to more than 470 individuals over the academic year with many graduates earning multiple credentials.

The 2016 graduates have a promising future. A survey of those who graduated in 2015 shows that 95 percent were employed within six months of graduation and earning a starting median salary of \$33,930.

G/A Creek Playground Committee seeks public input June 7

On May 24th, a group of people consisting of parents, grandparents, teachers, and community members met at the Goodman-Armstrong Creek Elementary school to further discuss the playground.

The elementary school kids were surveyed. They were excited to participate and share their ideas on what they would like to see on their playground.

Moving forward, collectively we are:

- 1-Requesting a couple quotes on sealing the basketball surface for longevity before lines for the basketball court, hopscotch, 4 square and other games are applied.
- 2-Selecting new playground equipment in various cost ranges to see which fits into our budget.
- 3-Searching and applying for grants and requesting donations from various sources as no school budget or referendum money will be used for this project.

Our next meeting is scheduled for Tuesday, June 7, 2016 at the Goodman-Armstrong Creek Elementary School at 6 p.m. Everyone is invited to attend. Please consider being a part of improving our playground for our children & our community!

26th Annual Laona Lions Trap Shoot

At the line!

There was plenty of good food, with one guy cooking and the other watching to make sure it was done right.

Some shooters display better form at the line than others!

The kids do some target shooting too.

The Laona Lions Club held the 26th annual Trap Shoot at the Rainbow Club in Cavour on Sunday May 29th. The afternoon was filled with plenty of fun for everyone in the family. Along with the trap shoot, the kids kept busy with games and the bouncy house. The club members served food and beverages throughout the event. Mother Nature only gave us a few short term showers during the event.

The tickets raffle winners were:

- 1st place Brian Lafferty- TriStar 12 gauge o/u gun, or \$250 cash
 - 2nd place Mike Lempel- TriStar Hunter 12 gauge o/u 3.5 mag., or \$200 cash
 - 3rd place Tom Durant- Guide Camera 20 mp, or \$50 cash.
- The Laona Lions Club appreciates everyone for attending and participating in the Trap Shoot. Next year the Trap Shoot will be held at The Padus Trap Shoot grounds.

See you at The Laona Lions Community Soup on Saturday August 6th at Silver Lake Beach.

AmeriCorps comes back to Wabeno

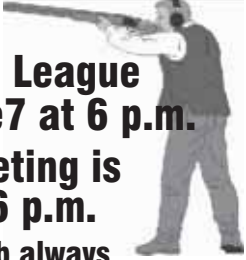

An AmeriCorps-National Civilian Conservation Corps team will spend six weeks in Wabeno working on Phase 3 of the Wabeno Parks Improvement. Their priority will be to construct an elevated boardwalk along the North Branch of the Oconto River and Range Line Creek. As time and weather dictate, the team will work on other park projects, community events and volunteer activities. The team will be in Wabeno July 15-August 31. Last year's team rated Wabeno as the most generous, friendly community with the best housing accommodations they had experienced. Many residents threw potluck dinners, arranged tours of Lambeau Field, provided pontoon rides, offered a day at the lake and grill outs and took the time to get to know them. Perhaps that is why they are coming back this year.

AmeriCorps NCCC is a full-time, team-based residential program for men and women age 18-24 whose mission is to strengthen communities and develop leaders through direct, team-based community service in partnerships with non-profits, schools, local, state, federal and tribal governments, and national and state parks. The 22-year-old program is drawn from the successful models of the Civilian Conservation Corps (CCC) of the 1930s and the U.S. military. AmeriCorps NCCC is built on the belief that civic responsibility is an inherent duty of all citizens.

Wabeno is very appreciative of being selected to sponsor a team to work on the parks improvement project.

Rep. Swearingen Announces his Candidacy for the 34th Assembly District

Rep. Rob Swearingen (R-Rhineland) announced his intentions to run for re-election to the Wisconsin State Assembly. The Rhineland supper club owner is proud of the work he has done to bring more jobs and prosperity to the Northwoods during his two terms in office.

"I am humbled with the outpouring of support and encouragement to run for a third term in the Assembly. Over the past four years, Wisconsin has continued moving in the right direction. In 2015 alone, Wisconsin added over 35,000 private sector jobs while our statewide unemployment dropped to 4.4 percent. My focus will be continue to fight for rural schools, advocate for expanded broadband capabilities, hold the line on taxes and promote our tourism industry," said Rep. Swearingen.

Rep. Swearingen helped move Wisconsin forward by ensuring the state has a balanced budget and supported legislation to combat the growing heroin and opioid epidemic. He is pleased with the expanded Fab Lab Grant Program, which has positively impacted the Northwoods. He also voted to increase community support for individuals with Alzheimer's and dementia. However, Rep. Swearingen is most proud of his work to help rural schools.

"The most recent state budget included numerous recommendations from the Speaker's Task Force on Rural Schools, which I chaired. This includes increased funding for high cost transportation aid and sparsity aid. We want the very best for our schools," said Rep. Swearingen.

During his second term, Swearingen was appointed to the Wisconsin Building Commission and served as Chairman of the Assembly State Affairs and Government Operations Committee, as well as six additional legislative committees.

"I would be honored to have the opportunity to serve another term as your state representative and I ask for your support in the November election," said Rep. Swearingen.

Rob and his wife Amy have been married for 24 years and reside in the Rhineland area with their two daughters. They have been the owners of the Al-Gen Dinner Club for over two decades. The 34th Assembly District includes portions of Oneida, Vilas, Forest and Florence Counties.

Hi my name is Bijou, I am 3 year old girl looking for a home to call my own. Don't think of me as unlucky because of my color, as I am a very lucky girl. You see I am missing joints in my hind legs and only have one toe and two claws on my paws, and one of my paws is not fully developed. This does not effect my walking or my personality at all. I am front paw de-clawed and spayed. I like sit in the sun and dream of the day I can find my FUREVER family, will that be you? I am waiting for you!

Island Yooper groove to fill downtown Rhinelander at free Conga Se Menne show June 4

Island reggae music with a Yooper twist will fill the streets of downtown Rhinelander Saturday, June 4, when bandmates in Conga Se Menne fire up their instruments for a special free performance as part of the Summer Nights Concert in Downtown Rhinelander.

The evening will start with opening act Brothers Burn Mountain playing at 5:45 p.m. followed by Conga Se Menne starting at 7:30 p.m., with both shows on South Brown Street.

"Conga Se Menne is always a blast to see," said Nicolet College Theatre Director Jim Nuttall. "Along with being fantastic musicians, they have a whole lot of fun on stage and that really comes through in every performance. They are definitely a one-of-a-kind band and a must-see for anyone looking to have a great time."

Hailing from Marquette, Michigan, along the shores of Lake Superior, their musical style is impossible to pigeon-hole, running the gamut from reggae, blues, and funk to Caribbean beats and ethnic Finnish sounds.

The show was originally scheduled to take place in the Nicolet College Theatre but was moved to downtown Rhinelander when the theatre became unavailable due to summer remodeling on campus.

Brothers Burn Mountain, sponsored by Hext Theater, is a U2-, Dylan- and Doors-influenced guitar and percussion duo noted for its original indie sound and masterful songwriting.

Those attending will need to bring their own chairs if they would like to sit. In the event of heavy rain, the free show will be moved to the Hext Theater, where seating will be on a first-come, first-served basis. Typically, Conga Se Menne plays two 45-minute sets.

The evening's activities kicking off the summer season are being co-sponsored by Downtown Rhinelander, Inc. and Nicolet College.

New flexible, part-time Nursing classes offered at Nicolet College

Nicolet College is launching a series of part-time and flexible classes for anyone interested in a nursing career but is unable to attend traditional daytime classes.

"We're seeing an increasing number of people who want a career in nursing but need alternatives to the traditional pathway," said Nicolet's Dean of Health Occupations Lenore Blemke. "People are busy. They have to work. They have children and any number of other responsibilities. This new sequence of classes is an option that may work for them."

All of the classes - from the pre-requisites through the core Nursing classes that lead to an associate's degree - will be held online, in the evening, or on weekends, Blemke explained.

Students will be able to start the sequence in either early June or this fall by taking Nursing Assistant classes. The 70-credit sequence has students taking between one and three classes a semester and completing the associate's degree in the summer of 2020.

While some potential students see that as a long ways off, "I always ask them, 'What type of work will you be doing in 2020 if you don't have a degree?' It does take

McCaslin Lioness Faire raffle winners

Despite the weather, the 17th Annual McCaslin Lioness Faire was another huge success on May 29th. The Lioness, along with many special friends and relatives, forged ahead to give the area a great event to kick off the summer.

The winners of our raffle were:
 Grand Prize: Judy Campshure of Mountain- \$500 Gas Cards from Lotter's Townsend Shell/McCaslin Lioness; 1st Prize: Jerry Stastney of Appleton - Pine Cone Accent Table from Norther Perks/Pickett Fences; 2nd prize: Gus Gloede of Orland Hills, IL - 32" Sharp LED TV from Valley Inn/Townsend; 3rd prize: Lillian Williamson of Mountain - \$100.00 Cash from Laona State Bank; 4th prize: Patti Martin of Lakewood - Amazon Fire 7" tablet from McCaslin Lioness.
 Congratulations to our winners.

effort, but the rewards of earning a Nursing degree will last a lifetime."

Along with the personal satisfaction that comes with a career helping others, the field also pays quite well.

Nicolet Nursing students who graduated in 2015 reported a starting median salary of \$41,493. The survey also showed a 100 percent job placement rate, with every student responding to the survey finding a job in the field.

Blemke noted that salary increases with experience and for students who continue their education and earn bachelor's and master's degrees.

"Nicolet has guaranteed credit transfer agreements with a number of four-year campuses," she said. "This creates the pathway for students to apply their Nicolet associate's degree towards a bachelor's degree in Nursing."

For more information about Nicolet's Nursing program, visit nicoletcollege.edu or call (715) 365-4493; TDD 1-800-947-3529 or 711.

Mountain Fire Lookout Tower re-opening ceremony
 We are pleased to invite you to a re-opening ceremony of the Mountain Fire Lookout Tower on the Lakewood Ranger District of the Chequamegon-Nicolet National Forest. The ceremony will be held at 10a.m. Friday, June 10, 2016. The ceremony will take place at the tower approximately two and one-half miles north of Mountain, Wisconsin off of Old 32 (Forest Road 2106). We are planning to serve snacks and refreshments immediately after the ceremony at the Schoolhouse Bar (14007 WI-32) in Mountain.

The Mountain Fire Lookout Tower was built in 1935 by the U.S. Forest Service and the Civilian Conservation Corps. It was once a part of an extensive lookout tower network in the former Nicolet National Forest. The Mountain Fire Lookout Tower was the first tower in Wisconsin to be placed on the National Historic Lookout Register and the National Register of Historic Places. It also was the 41st lookout tower to be registered in the United States. The tower was taken out of service in 1970 and was last restored in 1994. The Mountain Fire Lookout Tower was restored in 2015-2016 through a partnership between the Lakewood-Laona Ranger District of the Chequamegon-Nicolet National Forest with financial assistance from the Oconto County Economic Development Corporation, numerous local businesses, organizations, communities and residents. Employees from the Lakewood-Laona Ranger District spent more than 500 hours doing the restoration work.

"This was a great partnership and community effort," said Greyling Brandt, Recreation Program Manager on the Lakewood-Laona Ranger District. "Together we were able to restore the tower and now can open it to visitors again to get an up close look at a piece of Wisconsin's history."

Alexxis Groat Cont. from pg. 1

Award in this historic year. Alexxis Groat earned her Gold Award for her project titled Concession Stand Remodel. For her project, Alexxis remodeled the concession stand at Elcho High School. She put on a steel roof, replaced doors, painted inside and out, and replaced all of the soffits and fascia. She also built shelves inside for storage. The stand is now safe to use!

When compared to non-Girl Scout alumnae, Gold Award recipients soar when it comes to seeing themselves as a leader, providing service to others through volunteerism, and positive attitudes about themselves and the lives they lead. More generally, over ninety percent of Girl Scouts not only attributed their success in life to Girl Scouts, but they also said they could not have had access to the same experiences anywhere else. By earning the Girl Scout Gold Award, Alexxis Groat has become a community leader. Her accomplishments reflect leadership and citizenship skills that set her apart.

"Earning the Girl Scout Gold Award designation is truly a remarkable achievement, and these young women exemplify leadership in all its forms," said Gail McNutt, Chief Executive Officer of GSNWGL. "They saw a need in their communities and around the world and took action. Their extraordinary dedication, perseverance, and leadership, is making the world a better place."

Over the course of the last century, millions of Girl Scouts, like Alexxis Groat, have positively impacted their communities and the world with their creative, impactful, and sustainable Take Action projects. It's not only Girl Scouts who understand the value of the Gold Award. Some universities and colleges offer scholarships unique to award recipients, and girls who enlist in the U.S. armed forces may receive advanced rank in recognition of their achievements.

ABOUT GIRL SCOUT GOLD AWARD

Since 1916, Girl Scouts have been making meaningful, sustainable change in their communities and around the world. The Girl Scout Gold Award, the highest honor a Girl Scout can earn, acknowledges the power behind each recipient's dedication to not only empowering and bettering herself, but also to making the world a better place for others. These young women are courageous leaders and visionary change makers. They are our future, and it looks bright!

Commander Lisa L. Tonnar speaks at Crandon Memorial Service

Commander Lisa L. Tonnar addresses the crowd

By Boyd Monte

The Crandon Memorial Day ceremony was held on Monday, May 30 with a parade of veterans followed by the Crandon High School Band. The parade started at the north end of Lake Avenue and ended at the war memorial in the Forest County Courthouse Square.

This years speaker was United States Navy Commander Lisa L. Tonnar, Supply Corps. Commander Tonnar is an Afghanistan War Veteran and the author of the book, Into The Desert. Lisa is the daughter of Earl and Shirley Guinther. She was born and raised in Crandon.

Commander Tonnar spoke of her time in Afghanistan and the humanitarian mission that she and her company were on. She told of what happens at the end of the day when at final roll call; when someone does not answer "here" after three times of the name being called, the bugle plays. Commander Tonnar said that there is no reason for that particular soldier to have died, they all carried out the same duties, it is just being at the wrong place at the wrong time.

Commander Tonnar then spoke of how the Vietnam veterans took care of the soldiers fighting today. The Vietnam veterans made sure that soldiers had the support they did not receive.

Commander Tonnar ended her speech with informing the public of the suicide rate of veterans returning home. These veterans have had many reasons why, but Tonnar asked that the public be aware and if they can do anything to help, please do it.

Laona's Memorial Day Observance

Laona's Memorial Day Observance followed the ceremonies at Newald and Cavour. The parade started at 11:00 a.m. and then moved to the Laona Cemetery.

The Laona High Band provided the music both in the parade and a medley of songs at the cemetery, including taps to end the ceremony.

Student speaker, Brittany Kevilus, spoke of the meaning of the Memorial Day Observance here and around the country, and touched on the history of Memorial Day in the time following the Civil War.

Veteran Demetrio "Butch" Verich provided the main address for the observance. He too mentioned the history of the Memorial Day observances throughout the entire country.

Verich said that events like the local Memorial Day gatherings were going on throughout the country, and it is a way to honor the servicemen throughout our nation's history that have guaranteed the freedoms we enjoy today.
