## Crandon High Cross-Country Team donates to Humane Society

The Crandon High School Cross Country team hosted the Run for the Paws 5K this summer. The team donated \$1,000 of the proceeds to the Forest County Humane Society. Pictured here is Jessica Keao, race director and cross country coach, along with the cross country team presenting Caroline Bocek, manager of the Forest County Humane Society, with a check for \$1,000.

## Blackwell Wellness Walk donates to homeless shelter

Each year the planners of the Wellness Walk on the Rat River Recreational Trail pick an organization that is making a difference in the lives of the people of Forest County. This year, we collected hygiene products to donate to the New Hope Shelter and Transitional Housing, located at 601 Summit Ave. in Crandon.

Opening on August 2, 2010, admission is for those who lack adequate shelter. There are 11 beds with a sleeping capacity of 14, divided between two efficiency style apartments.

Micah Dewing, Shelter Director, is pictured with Town of Blackwell Supervisor, Jerry Graves, with the two totes of donations, along with cash donations of \$255.00. For more information on the shelter, visit the website: [www.newhopeshelter.net](http://www.newhopeshelter.net).

Micah gave Jerry, and Town Clerk/Treasurer Jenny Henkel a tour of the facilities and food pantry. They are providing a needed service here, and we are happy to be able to help.

## Crandon Drama presents two productions!

Come to the Crandon High School Auditorium for a weekend of entertainment. In the fall, Crandon Drama consists of two units. The home team is offering a light-hearted play in which a group of camp counselors are trying to keep a bunch of kids happy, deal with an invasion of mice created by a weather phenomenon, while trying to pass an inspection by the county health inspector, Mr. Stone. It's summer camp like you've never experienced before. Play dates are Friday, November 4 at 7 p.m., and Saturday the 5th at 7 p.m., along with a Sunday matinee at 2 p.m. followed by a brief intermission to reset the stage for the second feature.

The second team has been working on a production with fun but also a bit of self-reflection. This second play is "The Happiness Shop" by Lindsay Price. Three students are pulled from their homes in the middle of the night only to find themselves in a curious shop, a place where happiness is their specialty. Will they fall victim to the propaganda the doctors are trying to sell them? Come and find out. Their play will be offered on Sunday only as part of a Double Feature Matinee on November 6th. The curtain time will be at approximately 3:30 p.m.

All seats will be \$3.00 each, but come Friday night wearing Cardinal apparel and get your seat for \$1.00.

## The Virtual Dementia Tour

The Forest County Aging Department along with Forest County Potawatomi Aging Department is hosting a Virtual Dementia Tour on Thursday, November 10th at the Crandon Best Western from 10-3 p.m.

The Virtual Dementia Tour uses 20 years of research to create educational resources and sensory simulation that provides family and professional caregivers with an easy way to experience the challenges faced by those living with dementia and memory loss.

You will not want to miss this opportunity. The event is free and it takes approximately 10 minutes to go through the simulation.

After the simulation, an educational session on dementia, "Insight into Dementia," will also be provided. To register for this event, call Tammy Queen at (715) 478-7712 or Penny Christiansen at (715) 478-4892.

## Crandon Library News

The men of Company H, 32nd Division, leave for World War I at the Northwestern Depot. The men were recruited in July of 1917 by Captain Himes at a patriotic rally in Crandon.

### Cemetery Tour Planned

Please join us on Sunday, November 13th at 4:30 p.m. for a tour of the Crandon Lakeside cemetery. The tour will feature members of the School District of Crandon's High School Drama Club enacting the life stories of World War I veterans laid to rest in Lakeside Cemetery. Participants are encouraged to bring their flashlights and follow us through the cemetery as the drama students bring to life the accounts of courageous men and women who served our country during the Great War.

Those who plan on attending should dress for the weather and expect to walk throughout the cemetery. In case of heavy rain and/or snow, the drama students will perform their stories in the lower level of the library.

**Crandon Lions new member**

Crandon Lions President Larry Sommer installed Charles McGeshick as a member of the Crandon Club. Lion Ray McGeshick was his sponsor.

Charles McGeshick is the most recent individual to become a Crandon Lion. President Larry Sommer installed Charles into membership at last Monday night's membership meeting at Duck's Bar. Lion Ray McGeshick was the sponsor.

After dinner, a short business meeting was held. The Annual Lions Fish-O-Ree will be held on Saturday, January 21. It will be held at the Crandon Community Building. Tickets are available from any Lion member, and will soon be available at local businesses.

This is the largest fundraiser for the club. Prize money was discussed. It was decided to award \$850 for winners of the ticket raffle and \$425 for largest fish in five categories. Details are printed on the tickets. The club is also asking local businesses to purchase a space on their Fish-O-Ree poster. As in the past, all proceeds will be returned to the community.

It was also decided to offer fresh apples to all trick or treaters at the club house on the courthouse square on Halloween evening.

The next board meeting will be at Duck's Bar at 6:00 p.m., on November 7. The next membership meeting will also be at Duck's at 5:30 p.m. on November 21. The public is always welcome to attend and learn about Lionism.

HAPPY HALLOWEEN

**Operation Shoebox**

The Christian Women from the Crooked Lake Chapel of St. Mary's of the Lake partnered with Catholic Financial Chapter 317 to complete a Christmas project entitled Operation Shoebox. Parishioners and members of the Christian Women donated items and money to fill 65 shoe boxes with toys, school supplies, hygiene products and clothing. These boxes are then taken to a drop-off point for shipment to a third world country for Christmas.

This is the second year the Crooked Lake Ladies have participated in this project and hope next year to fill even more shoeboxes.

Pictured from left to right with the filled boxes are: front row; Carol Bretl, Jacquie Huisman, Carol Engebos, Mary DeGreef, Clara & Jerry Kapalczynski. Back row; Doug Bretl, Sandy Delebreaux and Sharon DelMarcelle. Not pictured Anne Steeg and Cassie Zittlow.

**Hospice volunteers needed Free training offered**

Hospice is about living each day to the fullest. It's about helping individuals dying of terminal illness live each day in a pain-free environment, with dignity and peace. As a hospice volunteer, you can be a part of this incredible journey.

Compassionate volunteers are currently needed throughout the Rhinelander, Tomahawk and Crandon region. Volunteers provide support to hospice patients and their loved ones in their homes, nursing homes, and other residential care facilities. There are also opportunities to get involved in outreach and fundraising for the hospice program and to assist the professional team with clerical duties.

Ministry Home Care - Hospice will provide their free 6-week volunteer training Tuesdays, November 15 - December 20, 9 a.m. - Noon at Ministry Sacred Heart Hospital, Tamarack Room (401 W. Mohawk Drive) in Tomahawk.

This comprehensive training provides the foundation of knowledge and skill needed to provide support to patients and their families. Ongoing support and training opportunities are provided throughout a volunteer's tenure.

Hospice volunteers are special men and women! While caring for others, you can find new meaning in your own life, gain greater self-knowledge, and experience satisfaction from making a difference in people's lives. As a result, volunteers often become more focused on the parts of life that matter most.

There is no charge, but pre-registration is required by Friday, November 11. To register, please call Melissa Houg at 715.301.7213. Make each day count...become a hospice volunteer.

## Johnson Statement On Pentagon Ceasing the Collection Of National Guard Bonus Repayments

WASHINGTON — Sen. Ron Johnson (R-Wis.), chairman of the Senate Homeland Security and Governmental Affairs Committee, said the following after Defense Secretary Ashton Carter called for a suspension on collecting bonus repayments to National Guard members.

Yesterday, Johnson sent a letter to Secretary Carter urging DOD to cease collection of the bonus repayments and explain its decision to seek recoupment of re-enlistment bonuses paid out nearly 10 years ago.

"Secretary Carter's decision to cease and desist the recoupment of re-enlistment bonuses will come as a relief to many service members and their families who literally have been paying the price for the Pentagon's mistake. I am grateful that Secretary Carter heeded my call to stop the harassment of our veterans. The Pentagon's initial decision to recoup money from service members was a terrible error in judgment and was not in line with the tremendous debt of gratitude we owe our servicemen and women for their sacrifices. We owe our troops better than this, and I will continue my oversight to help ensure we do not repeat these mistakes in the future."

# Death Notices

**Richard D. Ackley, Sr.** age 93, passed away Thursday evening, October 13 at his residence at AGI of Crandon.

Richard was born March 10, 1923, to Albert and Helen (Pete) Ackley of the Sokaogon Mole Lake Band of the Lake Superior Chippewa.

Richard's brothers, Fred and Earl, and sisters, Sylvia, Mildred and Loretta, also from Mole Lake preceded him in death.

Although born in Wisconsin, he was not yet accepted as a citizen of the United States at birth, during the years before the Federal Government enacted the Indian Reorganization Act of 1934 when his citizen status was attained; however he went on to serve our country for ten years, during World War II and after. He spent his first several years speaking only Ojibwa & living in a "tar paper shack" in the woods along highway 55 in the Mole Lake area here in northern Wisconsin.

As a child, he along with other Ojibwe children were kidnapped & then taken away to a government school in Lac du Flambeau for a brief period. He became ill and his uncle Sokaogon Chief Willard L. Ackley was able to bring him back to Mole Lake.

Although both parents, Albert Ackley and Helen (Pete) Ackley, had passed away when he was very young. He lived with various relatives & worked on a farm until he joined the U.S. Army Air Corps & later the Air Force serving in WWII. He left the Air Force after ten years and married a Southwestern Ohio girl, Eugenia Marie, and settled in Greenville, Ohio. Together they raised five children; his new wife's sons, John Brian and Charles James (deceased), from her previous marriage, and son, Richard Daniel, Jr.; daughter, Faleigh Jeanne; and son, Paul David.

Richard worked as an electrician & sign painter in Greenville, Ohio area. Richard enjoyed public speaking engagements for many years in and around Darke County Ohio speaking about his Native American culture and history and was an active participant in community activities/events and enjoyed spending time with his grandchildren. He was recognized as a local artist and sign painter around the Greenville community and was a regular participant in the many historic events which took place in Greenville and Darke County, Ohio throughout the years. Along with taking the time to make individual hand-drawn greeting cards each year for family and friends.

Richard was always homesick for Mole Lake throughout the years and was eager return to his boyhood home in Forest County. Following the death of Marie in 1995 he returned to Mole Lake.

Richard was honored April 27, 2015, during his participation in the World War II "Never Forgotten Honor Flight XIX" trip to Washington DC along with his fellow WWII US military veterans.

As per Richard's request there will be no ceremony held. He has requested his ashes be spread out in his homeland. By his request, instead of flowers, he would appreciate donations made to the Forest County Humane Society in his name.

The Ackley family would like to especially thank the AGI Health Care Crandon for its dedicated staff and excellent caring for our father and ensuring that his remaining time on earth was both memorable and enjoyable.

**Rolland W. Yocum**, age 75, of Crandon, passed away at St. Mary's Hospital on Wednesday, October 26, 2016 under the care of Ministry Home Care Hospice. Services pending. Please contact Weber-Hill Funeral Home 715-478-2322 or visit our website at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com) for visitation and service times.

**Richard "Dick" Ervin Schmidt**, 85, of Crandon, Wisconsin passed away Monday, October 17, 2016 at his home.

Dick was born on April 2, 1931 in Milwaukee, WI to Ervin and Rose (Mijolovic) Schmidt.

Dick attended high school in Waterford, WI until 1949. After

high school, Dick was drafted into the United States Military, to the 9th Naval District in 1951. Dick served active duty during the Korean Conflict War until 1955, and received an Honorable Discharge on November 20, 1959.

Dick was married to Sharon Ramona Allard on October 25, 1952, in Waterford, WI. They would have celebrated 64 years of marriage on October 25th of this year. In 1953, they had their first daughter, Debbie; 1955 a daughter, Kathy; and 1958, a son, Joe.

They moved from North Prairie to Crandon in 1975, where Dick was the Service Director at Schroeder's in Rhinelander until he started his own business, Forest Transmissions, in Crandon, where he was an automatic transmission mechanic until he retired at age 62.

Dick was actively involved with the D.A.V. and served as the Voice Commander for the Military Honor Guard for many years. He traveled to many different areas, participating in parades and memorial services for passed veterans. Dick loved to hunt deer, elk, & duck. He spent many days in his shop building guns and loading his own ammo.

He loved to ride his motorcycle, go camping with his wife and grandkids, and polishing his ungodly variety of cowboy boots.

Dick is survived by his wife, Sharon of Crandon; daughter, Katie (Mark) Keepers of Argonne, WI; and son, Joe (Cheri) Schmidt of Crandon. He is further survived by seven grandchildren, Angela Schmidt, Alex Schmidt, Brad Schultz, Bryon Schultz, Brett Schultz, Rick Pease, and Keith Pease; ten great-grandchildren, Makenzee, Dayton and Makhia Marvin, Taylah Stamper, Amilia Schultz, Annabelle (Caden) Schultz, Ally & Abby Pease and Gage Pease; brother, Shawn (Dawn) Schmidt and many nieces, nephews, and cousins.

He is preceded in death by a daughter, Debra Schultz; his father, Ervin Schmidt; mother, Rose Schmidt; brother, Al Schmidt; and sister, Jan Sutherland.

Visitation was held on October 21, 2016 from 12:00 - 2:00 p.m. at Praise Chapel in Crandon. A Memorial Service and Military Honors will followed at 2:00 p.m. Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences for Dick may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Norman Lorenz Patzold**, 93, passed away on October 23, 2016 at Aspirus Langlade Hospital. He was the beloved husband of Florence Patzold for 64 years. Born in Black Creek, Wisconsin, he was the son of William and Anna Patzold.

Norman was fortunate enough to live at home

and continued to do the things he enjoyed such as taking care of chickens, watching sports, riding his scooter, and spending time with his family and friends. He loved to work and retired at the age of 86. His last job of working at the recycling center helped him create many valuable friends and memories.

He is survived by his daughter, Dany Jean Cornell (Steve), Wabeno; grandchildren, Brandon and Ainsley Cornell (Brett), Wabeno; sister, Mary Noonan, Ohio; brother, Mike (Bonnie) Noonan, Jefferson and many close nieces and nephews.

He was preceded in death by his parents, wife, and multiple siblings.

Services will be held on Saturday, November 5th, 2016 at the Weber-Hill funeral home in Wabeno. Visitation will be held from 10 - 11:00 a.m. and followed by a memorial service at 11:00 a.m. with Pastor Don Dewing officiating. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

## Letters to the Editor

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

Dear Friends,

It's been an honor to represent you in Madison and I'm grateful to have the opportunity to serve you these next two years.

I don't take your vote of confidence for granted. Since the last legislative session I've continued to work on issues that are important to you so that we can hit the ground running when the next legislative session begins in January.

This fall/winter I'm chairing the State and Tribal Relations Legislative Committee. The committee has passed two bill drafts already and we'll have additional meetings before the years end to build on the many positive efforts we've made over the past few years.

I've also supported many educational causes that will hopefully facilitate positive change next session, especially for our rural areas. I was honored to have been asked by the State Superintendent to serve on the Advisory Council on Rural Schools, Libraries, and Communities. I've learned a lot about innovative ideas in K-12 education working in other parts of the state that we can build on in rural areas statewide.

I'm also thankful that my Assembly colleagues included my proposal to increase K-12 per pupil minimum aid to \$1000/pupil in our list of priorities for next session. Establishing this floor will benefit school districts that don't compete well in the current equalization aid formula, including ones in the 36th Assembly district. The state should provide a minimum level of state aid to every student regardless of where they reside.

As always, please contact me and share your thoughts on any issue we're working on in Madison. I always appreciate hearing from constituents on issues that are important to them.

Sincerely,  
Jeff Mursau  
State Representative  
36th Assembly District

# THANK YOU & PERSONALS

### Thank you from the Schmidt Family

The family of Richard "Dick" Schmidt would like to say thank you to everyone who took time out of their lives to call, stop to visit, drop off food, send cards, flowers & condolences, all who attended his visitation & memorial services, & kept myself & our family in your thoughts & prayers throughout the past couple weeks.

I would like to give special thanks to Todd at Ministry Hospice, Sue Hill and Tammy at Weber-Hill Funeral Home, Bruce Walentowski for helping us with the beautiful flower arrangements, as well as taking time out of your day to meet with us, to help the family with our request, Pastor Bill Farr for the beautiful service, Forest County American Legion veterans for the military salute during his church service and the Honor Guard Command at the cemetery, Beth for playing Taps (it was truly amazing and unforgettable) and all the ladies involved with the food preparation and donations for the luncheon. Also a very special thank you to my grandson, Alex, for your trips to Rhinelander and waiting for hours for the pictures, my granddaughter, Angela, for her hard work on the picture displays, and to our niece, Stephanie, for helping out with the picture slideshow.

My family and I couldn't have done this without all of you, and we would just like everyone to know how truly blessed and thankful for we are for everything during this difficult time.

God bless! Sincerely, Sharon Schmidt and family

## Added sugars can be hidden source of calories

### Tips to cut back and know when sugar is added

Madison, Wis.—For many people, added sugars are a hidden source of extra calories that can make it hard to stay at a healthy body weight. "On average, one of every six calories we eat comes from added sugars," says Susan Nitzke, UW-Extension specialist and professor emeritus in nutritional sciences at the University of Wisconsin-Madison

According to Nitzke, cutting back on added sugars is a good way to improve the nutritional quality of your diet. She recommends the following steps to limit added sugars in your diet:

- Drink water, low-fat/skim milk, 100 percent fruit juice, coffee or tea instead of drinks with added sugar.
- Cut back on desserts, baked treats and candies.
- Snack on fruits and vegetables, whole grains breads and crackers, yogurt, low-fat cheese and nuts.
- When you bake, look for recipes that use less sugar.
- Check the ingredient labels on processed foods and avoid those with lots of added sugars.

Nitzke says that "added" sugars are sugars and syrups that are put in when foods or beverages are processed or prepared. Over a third of added sugars in the diets of most Americans come from soda and other sweetened beverages. She points out that energy drinks, sports drinks and fancy coffee beverages are in this category. "Don't be fooled by nutritious-sounding names such as 'herbal boost' or 'athletes' pep,'" warns Nitzke.

According to Nitzke, the best way to know which foods and beverages are high in added sugars is to check the ingredient list. A product is high in added sugar if one of the first two or three ingredients listed have is high fructose corn syrup, white sugar, brown sugar, corn syrup, corn syrup solids, raw sugar, malt syrup, maple syrup, pancake syrup, molasses, honey, fructose and dextrose.

### Medicare Open Enrollment Period is a Good Time to Review Your Risk of Overmedication

It's that time of year again. As the leaves start to change color and the air starts to get a little colder, Medicare recipients all over the nation reevaluate their prescription drug needs in order to maximize cost savings with the new Medicare Part D plans that become available January 1. During Medicare Part D Open Enrollment (October 15-December 7), Medicare recipients are encouraged to bring a list of their medications to a person who can help them through Medicare's Planfinder tool, which then produces Medicare Part D plans best suited for their individual needs. This yearly evaluation can save you money on lower co-pays and lower yearly maximum out-of-pocket expenses.

However, you might want to run that list by your doctor or pharmacist first. The reason: older people are constantly being prescribed medications but not routinely having their medications reviewed for interactions or whether the drugs are actually necessary. This leads to a problem called polypharmacy or overmedication. If you're already taking the time to review your list of medications for Medicare Part D Open Enrollment, now is a great time to have a conversation with your doctor or pharmacist about drug interactions and what drugs are still necessary for you.

#### The Problem

Many people are prescribed medications from specialists who often don't communicate with each other. Also, if people are hospitalized, hospital doctors may add to the list of medications for both acute and chronic conditions without any plans for ongoing treatment or monitoring after discharge. If a primary care doctor or pharmacist doesn't do a reevaluation of all these medications, they can start to add up.

Adverse side effects of overmedication can include the follow:

- Misdiagnosis of depression, dementia and Alzheimer's
  - Reduced kidney and liver function
  - Reduced body fat
  - Increased risk of dementia, delirium and poor balance
  - Adverse drug-drug reactions
- What You Can Do**  
 There are several steps you can take to reduce the potential for overmedication:
- Ask your primary care doctor to review all of

your drugs (including vitamins, herbal supplements and over-the-counter medications). Bring all of the pill bottles with you.

- Ask your doctor if you still need to take each drug and why.
- Ask if the dosage on any of your prescriptions can be lowered.
- Ask your doctor if there are any lifestyle changes you could do that would help you cut back on any of your medications.
- Be aware that some drugs build up in the body (and tend to build up at a higher rate in older people) so it is not unusual for a new side effect or drug interaction to appear even with drugs you've been taking for a while.
- Don't be afraid to do your own research about dosages and drug interactions, and then discuss with your doctor or pharmacist.
- Use only one pharmacist. Make sure he or she knows what other vitamins, herbal supplements, and over-the-counter medications you are taking.
- Ask if a prescription is really necessary and hold long you should continue to take it. Also ask what the potential for eliminating, reducing, or tapering the drug, and the drug might interact with medications you are already taking.

To review your Medicare Part D drug plan, contact Forest County Elder Benefits Specialist, Kathy O'Melia, for an appointment at 715-478-3067.

## Veterans Corner

### Creating a "Survivor's File"

Whether your marriage was in the early days of military service or long after retirement, one of the most difficult situations you'll face is dealing with the death of your military spouse. Nothing can make this mission easy, but being prepared can help ensure that you do what you need to when the time comes. A file with all the Veteran's important papers won't help if it's in an unlabeled file drawer or on a computer protected with a password that you don't have. Similarly, funeral wishes can't be followed if the cemetery selected has since closed to new burials.

Survivor's files at a minimum will need your Social Security Number and copy of your DD-214. Make sure your survivor's file includes information on any VA payment or claim you've filed with the VA. If you retired from the military, include a copy of your latest Retiree Account Statement and highlight the section that shows if you did or did not enroll in SBP and, if you did enroll, what category of beneficiary you enrolled (for example, spouse or former spouse). Do you have life insurance? Include a copy of your policy and current information on where to call. Note that your spouse needs to get a new ID card and must notify the Defense Enrollment Eligibility Reporting System (DEERS) (1-800-538-9552) of your death. Your will - Where is it? If you were married before, are any benefits going to your former spouse and children?

Upon death, survivors will need to contact the Defense Finance and Accounting Service's Retired Pay Center (1-800-321-1080) for those receiving military retired pay. For those receiving VA disability compensation, they'll need to contact the Department of

Veterans Affairs (1-800-827-1000). You should also contact the local Social Security office. My office can assist with these matters. I can also assist the survivors in applying for VA benefits they may be eligible for.

### Baldwin announces \$1.5 Million to expand apprenticeship opportunities in Wisconsin

WASHINGTON, D.C. — U.S. Senator Tammy Baldwin today announced \$1.5 million in grant funding from the U.S. Department of Labor to the Wisconsin Department of Workforce Development's Bureau of Apprenticeship Standards' (DWD/BAS) to expand apprenticeship opportunities across Wisconsin. This announcement comes after Senator Baldwin sent a letter of support for DWD/BAS' grant application.

"Apprenticeship initiatives are one of the most effective vehicles for responding to the workforce readiness needs of business and industry," said Senator Baldwin. "This funding will help us invest in Wisconsin's workforce to help us raise incomes and strengthen the middle class."

DWD/BAS aims to use the funding to create more apprenticeship opportunities for minorities, women, individuals with disabilities, youth and those transitioning from incarceration.

**Lions keep the road clean!**

From May to October the Crooked Lake/Mountain Lions does highway cleanup on County Road "W" from Boundary Lake (on the Marinette County Border) to Nelligan Lake Road, just outside of Crooked Lake. It is approximately a four mile stretch of highway that is heavily traveled and, oh the stories we could tell about the items we find. October 4th was the final cleanup for this year. Give credit to these people pictured from left to right for their relentless efforts in keeping "W" a welcoming site for visitors: Mike and Mary Lintner, Jim Zittlow, Nancy Behnke, Cassie Zittlow and Dan Stark.

**Nicolet Apprenticeship programs provide high-end skills training for rewarding careers**

"Enrolling in Nicolet's plumbing apprenticeship program "was one of the best moves I've ever made," said Joe Dorion, now a journeyman plumber.

In high school, Joe Dorion took every shop class he could.

"I've always liked building things, working with my hands, so it was a real natural fit for me," said Dorion.

That inclination, along with the skills he learned, created a smooth pathway for him to enter the trades, specifically plumbing, after graduating from Rhinelander High School in 2006.

But it didn't take long for Dorion to realize there was a lot left to learn.

In 2008, with the support of his employer, he enrolled in Nicolet College's Plumbing Apprenticeship program.

"Looking back on it, that was one of the best moves I've ever made," he said. "It opened the door to so much and gave me the chance to have a good-paying career."

Over the years, countless students just like Dorion have received the high-end skills training offered through Nicolet apprenticeship programs and graduated with the coveted journeyman status in their specific trade.

"That's the seal of approval and one that employers look for when hiring workers," said Jeff Labs, Nicolet Dean of Trade, Industry and Apprenticeships.

Currently, Nicolet offers five different apprenticeship programs. Along with Plumbing, these include Carpentry, Electrical Instrumentation, Pipefitting, and Technical Studies.

Each is based on a partnership between the employer, the college, and the apprentice, who works for the employer.

Apprentices typically work full-time and attend classes at Nicolet one or two days a week, for which they are paid their regular working wage.

"This way they learn the theory of a specific trade in the classroom and then apply what they learned when they're working on the job," Labs explained. "The result is apprentices acquire great skill sets that they'll have for a lifetime. The sponsoring employers get highly trained employees who will contribute to the success of their companies."

Statewide, apprenticeships are one of the fastest growing segments in the Wisconsin Technical College System. Enrollment is up 31 percent in the past three years with more than 6,000 apprentices honing their skills at the state's 16 technical colleges.

"Along with creating great opportunities for individuals to have well-paying careers, these apprenticeship programs make a very significant contribution to the skilled workforce in the state," Labs said. "They help companies be productive, efficient, and profitable. It's a program where everybody wins."

Dorion received his journeyman's status on 2014. He strongly recommends Nicolet's apprenticeship program for anyone interested in a career in the trades.

"You learn so much and it's such a great way to take your skills to the next level," he said. "It's really an investment in yourself that pays off for many years."
