Crandon Drama makes it to State

On Thursday, November 3, Crandon Varsity Drama journeyed to Ashwaubenon School District to compete in the Forensics Association One-Act Theatre Festival. It was only the second day of the new Performing Arts Center being open. The place was breathtaking with its audience seating for 700. The stage was 50 feet wide with an area of 30 feet to the mid curtain.

After the performance, the anticipation of Crandon's 25 participants kept building as they waited to hear the results of the three judges. When the final word was given, a loud cheer flooded the hallway to the relatives waiting. The Crandon team is one of only 50 that are allowed to advance to the state competition. The performers travel to UW Stevens Point on Friday, November 18 to compete with their play "The Happiness Shop" at the state level. Our appreciation goes out to the Bradley Mihalko family for their unending support and loan of their truck and trailer which makes our travels possible.

Crandon Varsity Drama Team:

Back row: Ryan Hoyt, Luke Bukovic, Coach Alicia Bradley, Grace Gunderson, Robbie Keller, Keyan Coulburn, Nathan Bauknecht, Washnoday Pamp, Ryan Lehman, Brad Shepherd, Brooke Kalata, Libby Conway, Coach Houle-Bukovic
Middle Row: Matilda Staszny, Halle Reeder, Sarah Cochrane, McKenna Jensen, Jordan Kalata, Tanner Marvin, Hope Dewing, Abby Pease, Brianna McCarthy, Navada Peterson
Front Row: Ally Pease, Maria Huber, Bradley Mihalko, Austin Collins

Tree Huggers in the Cathedral Pines

Did you ever wonder what the pine forests looked like before the early loggers cut them down? Go to Cathedral Pines near Townsend and Lakewood. The legend is that Mrs. Holt, wife of the owner of the Holt logging outfit told her husband that he had the rest of the timber, but this was hers! Mary Campion sent us this photo of her grandson, Zach Campion and Luke Habeck who were visiting from Apple Valley, Minnesota.

It's finally over!

Opinion By Mike Monte

How many of you would like to see this presidential race start all over tomorrow? I agree, I would stay away from all media until it was over, again!

The shock of seeing Trump triumphant over Hillary will wear off eventually, but it shouldn't for the people doing commentary on national television. Hopefully, they have learned a lesson about deciding for us which candidate should be voted for, but I wouldn't count on it. It was enjoyable to see the incredulous looks on their smug faces when the results of the election came in.

Like most of you, I didn't like either candidate, but I did resent national television networks implying I should vote for Hillary. That decision should be left to the individual, and the media should just report the facts as accurately as possible. Forget the endless commentary. Obviously, the electorate made up their own mind without the media's help.

In Forest County, the Republican message seems to have been heard loudly. There were only two precincts that chose Hillary over Donald. Nashville Ward 2 and Popple River chose Hillary. Trump probably should have made an appearance in those two locales, and he might have made a clean sweep in the county. I'm sure he would have begged off because of time concessions, however.

No matter how we felt about either candidate, we can all take solace in realizing that we are in a resilient nation, and we could survive either candidate.

Wabeno Area Players present the Cemetery Club

The widows of the Cemetery Club: (L-R): Kathy Millan (Doris) Linda Harter (Lucille), and Carol Bartlein (Ida).

The Wabeno Area Players are making final preparations for their production of The Cemetery Club by Ivan Menchell. The Cemetery Club is the funniest show that will make you cry. The play is an alternately hilarious and touching story about three best friends who have all been widowed within the last four years.

THANK YOUS & PERSONALS

TEACHERS RULE

NORTA, a unit of the Wisconsin Retired Educators' Association, would like to thank local public educators for their time and dedication to the education of the children in the districts of Gillett, Laona, Lena, Oconto, Oconto Falls, Suring and Wabeno.

Thank You

I have so many wonderful people to thank. I sat down and opened the cards. It warmed my heart to know how many lives he touched. Thank you everyone for coming to the City Hall to celebrate his life. Gary was a good husband, Dad, Grandpa and Great-Grandpa. The family loved him and his funny stories that made them laugh.

Thank you to everyone for the good food, cards, flowers and people who stopped by the house to share memories. Thank you to Weber Hill Funeral Home, to James Evans, Sue Hill and Tammy. You helped the family through such a hard time.

My Gary had Alzheimer's disease. This took away his quality of life. Gary and myself enjoyed the summer. Gary liked to sit on the porch, fixing his canes, watching the birds, and taking care of his apple tree.

On Oct. 19th, he fell on the deck. We took him to the E.R. in Rhinelander. They put stitches in his head, they took a CT scan and found he had a concussion. He was kept in the hospital under the care of Doctor Q, nurses and the hospice care ladies. They kept him comfortable until he passed away in peace. Gary passed away Oct. 27, 2016 at 9:30 that evening. We will miss him. Our lives will never be the same. Our children and I will keep him in our hearts forever

The Gary Bradley Family

Wabeno Players Cont. from pg. 1

There will be four performances of this well-loved play. The dates are November 17, 18, 19, at 7:00pm. The fourth show is a matinee on November 20, at 2:00pm. Cocktail hour starts at 6:00pm for the evening performances and 1:00pm for the matinee. This will be the Wabeno Area Players second production at Madonna Hall, located at 1793 Elm Ave., Wabeno, behind St. Ambrose Catholic Church. The cost is \$15.00 per person for the show and dessert. Reservations are required and can be made by calling (715) 889-1606 or (715) 473-5466.

According to Joshua Jameson, the director, "The Cemetery Club has been compared by many to the play Steel Magnolias, which The Players performed last year." Each of the widows is in a different stage of healing and moving on with her life. Once a month the women, Doris, Ida, and Lucille, meet to pay their respects to their husbands, who are all buried in the same cemetery. It is a story filled with the humor, endurance, and emotional strength the three women share.

Doris, played by Kathy Millan, is content to have loved her husband well and seeks to simply go on remembering him. Lucille, played by Linda Harter, appears to quickly have dismissed the loss of her late husband and hungrily searches for a new man. Ida, played by Carol Bartlein, is in the middle of these two opposites, yet is ready to move on with her life.

When Ida spends time with a widower named Sam, played by Neal DuFour, she wonders if she may be ready to open her heart to a second chance at love. The two find a connection that is soon torn apart by Ida's meddling friends. Sparks fly when Sam appears at the wedding of a mutual friend with a brash and showy widow named Mildred, who is played by Linda Zuleger.

Don't miss this wonderful show! Plan early to attend one of the four performances on November 17, 18, 19, and 20.

Crandon Library Cont. from pg. 1

High School Drama Club enacting the life stories of World War 1 veterans laid to rest in Lakeside Cemetery. Participants are encouraged to bring their flashlights and follow us through the cemetery as the drama students bring to life the accounts of courageous men and women who served our country during the Great War. Those who plan on attending should dress for the weather and expect to walk throughout the cemetery. In case of heavy rain and or snow, the drama students will perform their stories in the lower level of the library.

November Craft Program

The 'Turban Project' has inspired our craft mission for the month of November. Our project will allow participants to create turbans and/or courage caps for cancer patients. We will then be donating the turbans to a cancer center in our area. The handmade turbans are a great project for individuals, including novice sewers, or groups looking for a service project. Get involved by signing up to hand-sew these turbans and create for a cause on Thursday, November 17th @ 12:30 P.M.

Pickerel Lake, Oconto County aeration system news

The Pickerel Chain Lake Association plans again this upcoming winter season to operate an aeration system in Pickerel Lake located near Townsend, Wisconsin. The lake association urges everyone who is planning to travel by foot or vehicle on Pickerel Lake this winter to use extreme caution on the lake as the aeration system will create a large open water area in a portion of the lake.

The aeration system is located off of the north shore of Pickerel Lake, and across the lake from the boat landing at Townsend's Oughton Park. Once ice on the lake is at least 6 inches thick and considered safe for foot travel, the open water area created by the aeration system will be roped off. The rope warning system is used by the lake association as a means to alert lake users of the open water hazard that exists.

The aeration system can be expected to cause thin ice conditions to extend out beyond the open water area that the aeration creates. The lake association reminds all lake users not to assume the ice is safe at the rope location and to always check ice conditions prior to travel near the aeration system or elsewhere on the lake. Lake users should also use extreme caution if they travel on the ice prior to the roped warning system being erected.

In addition to the roped warning system, caution signs to alert lake users of the presence of the open water area will be posted at the Pickerel Lake boat landing and at several other areas that fishermen, snowmobilers, and other lake users typically access the lake.

This will be the third winter season that an aeration system has operated in Pickerel Lake. The Pickerel Chain Lake Association installed the aeration system in 2013 as an effort to prevent winter fish kills.

To help fund the operation and maintenance of the aeration system the lake association held its second annual fund raising community picnic at Oughton Park in July, served food at the Townsend Firemen's Centennial celebration concert and street dance, and held brat fries on 5 different Saturdays in the parking lot of Mike's Supermarket in Townsend.

The lake association expresses their appreciation to everyone who stopped in to support their effort at these events, and gives credit to all individuals and local businesses and organizations that provided donations to help the lake association sponsor these events. Also, a special mention to Mike's Supermarket for their assistance in making the picnic a success and in making their location available to the association to hold their brat fries this past season.

The Pickerel Chain Lake Association continued with its efforts to restore the fishery in Pickerel, Smoke, and Little Pickerel Lakes. Northern pike fry, largemouth bass fry, and Crappie fry were stocked in Pickerel Lake by the Wisconsin DNR.

The lake association also purchased blue gill fry for stocking from funds raised through their fund raising efforts.

The Pickerel Chain Lake Association is in the final stages of completing a lake management study for the three lake system. In addition, the lake association is planning to install an aeration system in Little Pickerel Lake next fall. That system should be in operation in Little Pickerel Lake for the 2017/2018 winter season.

Rep. Mursau receives Friend of the Towns Award

Representative Mursau (right) is pictured receiving the Friend of the Towns Award from Mike Koles, WTA Executive Director at the Oconto County Unit meeting of the Towns Association.

Representative Jeff Mursau of the 36th Assembly District was recently awarded the 2015-16 Friend of the Towns Award for his efforts on behalf of town interests.

"Once you've worked with Representative Jeff Mursau it becomes tremendously apparent that he is 110% focused on doing what he can to make certain government, citizens, and businesses can succeed," said Mike Koles, WTA Executive Director. "I cannot think of many people that are as genuine as Representative Mursau. The simple fact that he was willing to go out of his district and come to constituents from around the state to meet on issues at the WTA office illustrates his heart filled desire to achieve continuous improvement."

Friends of town government share a core belief that the best decisions occur in a decentralized system and closest to the people. They understand that local government leadership is the fuel for inventive solutions to public sector challenges and the key to unlocking the power of democracy.

Representative Mursau's leadership to create Acts 113 and 358 are two prominent examples of his work in support of town government. Act 113 altered ambulance staffing requirements, which has resulted in decreased emergency response times and increased interest by residents of Northeast Wisconsin to obtain First Responder certification. Act 358 overhauled the Managed Forest Law, returning over \$18 million to towns and counties, of which 80% is allocated to towns.

Koles added, "Wisconsin is now a safer place and towns have property tax dollars coming back to the citizens that pay them rather than going to Madison. We are thankful for Representative Mursau's efforts and happy to announce him as a Friend of the Towns."
