Eight roles open in zany comic play, Wabeno Area Player hold auditions

The Wabeno Area Players will have open auditions for the comedy "The Hallelujah Girls" at 2 p.m. Sunday, December 4, 2016 and 6 p.m. Monday, December 5, 2016 at the Wabeno Town Hall, 4473 N. Branch St., Wabeno.

Wabeno Area Players seeks six women and two men who can play ages 35-65. The auditions will consist of readings from the script. Character descriptions and audition scenes can be found at <http://www.wabenoareaplayers.org>.

The performances will take place at 7:00 p.m. February 9-11 and at 2 p.m. February 12. The venue for this production is the Madonna Hall located behind St. Ambrose Catholic Church.

The action takes place in Spa-Dee-Dah, an abandoned church-turned-day-spa in Eden Falls, Ga., where Sugar Lee and her feisty friends congregate. After the loss of a dear friend, the women realize time is precious and if they're going to make the most of their lives, now is the time. The comic tension mounts after Sugar Lee's charming ex-fiancé unexpectedly arrives at the spa and her longtime nemesis vows to take over the church building and destroy Spa-Dee-Dah.

Written by Jesse Jones, Nicholas Hope and Jamie Wooten (of TV's "The Golden Girls"), the play's characters are Sugar Lee Thompkins, the vivacious, smart Southern woman owner of the Spa-DeeDah health resort; Carlene Travis, a no-nonsense gal with dry wit who's given up on romance after three husbands; and Nita Mooney, a sweet, simple country woman who lives vicariously through romance novels.

Also, Mavis Flowers, a wise-cracking matron who

Deer Hunt 2016

By Mike Monte

The numbers are in for the deer kill statewide, and, according to the DNR, Forest County's buck kill went up from 614 in 2015 to 840 in 2016. Last year there were also 153 does harvested, with only 19 registered in 2016.

Neighboring counties did considerably better. In Langlade County, the DNR reports an increase in the buck kill from 1,027, with 251 does shot, to 1,329 in 2016, with 567 does taken.

Marinette County registered 1,808 bucks in 2015, with 1,936 reported this year. The doe kill was 586 in 2015, but that decreased to 519 in 2016.

Florence County, which is considerably smaller than Forest County, reported 615 bucks in 2015 and increased to 820 in 2016. The doe kill in '15 was 159, and was 170 this year.

Oconto County, for some reason went from a harvest of 700 bucks last year to a total of 537 this year and the doe kill dropped from 254 to 197 in '16.

Neighboring Oneida County reported 977 bucks and 284 does last year, and this year jumped to 1,332 bucks and 255 does.

What does all of this mean? It is easy to surmise that counties like Oneida and Marinette had larger buck kills than Forest for a couple of reasons. One is that both have a large land mass than Forest, and the other, I think, is that both have actively logged county forests, whereas Forest County is largely Nicolet-Chequamegon National Forest, which hasn't had the active timber harvests that Marinette and Oneida have had. More logging, more browse, seems like it would be relevant.

Oconto County's smaller harvest may have something to do with the baiting ban, but Oneida, Forest, and Marinette also had a baiting ban this year. Did people conform to the baiting ban? Bait was still leaving outlets for corn and other baits in Forest County, which might indicate that the ban was at least partially ignored.

Regardless of baiting or not baiting, low or high deer numbers, or how many wolves are in our woods, many of us look forward to the gun deer season, and enjoy the time in the woods and with old friends. It is a great tradition.

Following is an excerpt from the DNR website on this year's deer season:

“We meet the nicest people by accident”

St. John Lutheran Operation Shoebox was successful

We had another successful year with our Operation Christmas Child Shoebox Project at St. John Lutheran Church in Townsend this weekend. Preparations have been made for weeks, or should I say months, for this project.

We started out with the Vacation Bible School children this summer getting a start on T-shirt decorating. Each shoebox gets an individually designed T-shirt done by someone in the church. School supplies are often times acquired in July or August during the Back to School sales. Someone is always looking out for a sale or something different to put in the boxes. Our knitters or crocheters give of their time and talents by making balls blankets, and other different items. Everyone in the church gets involved as you can tell by the pictures.

It may be a Sunday School Project but there is no way that we could do it without the help of our whole church. We have adults packing boxes, adults taking the boxes up to Crandon to the central location, adults bringing in supplies for our boxes from as far away as Manitowoc, Green Bay, and Fond du Lac, and very generous adults that help us with the cost of shipping, handling and buying supplies. We appreciate the Ladies Aid who is so giving every year to give us money to buy the boxes and then some! The Christian Volunteers had hands out ready to help where needed, and that too is appreciated. In the pictures you will see this year's packers with the 121 boxes packed this year. The shoeboxes were in three different areas with adults stationed in those areas to assist packers. When we were done Pastor Mueller said a prayer for their safe arrival to their destinations as we all laid hands on the boxes. Again, thank you to all for their generosity, time, and talents for this very worthwhile project that teaches us all about the joy of giving to those less fortunate than us.

Merry Christmas to everyone...a little early! If you would like to be a part of this project please call the office at St. John and leave a message for Trudy Linssen to get in touch with you.

 6:30 - 8:00 p.m. Crandon High School

Wake Up Call: Drug use hidden in plain sight. This is a life-sized exhibit of a teen's bedroom with more than 20 "red flags" that can signal drug or alcohol use. The bedroom identifies spots where teens may hide drugs, household items that can be used as drug paraphernalia and ways teens try to cover up drug and alcohol use. It is important for parents to know what to look for in their own homes before alcohol and drug use escalates to other risky behaviors or addiction. The Stairway to Heroin Educational Series is a four-part prevention model designed to address the ongoing substance abuse epidemic adolescents and young adults are facing today.

This is an educational opportunity FOR ADULTS 21 YEARS & OLDER ONLY. Youth WILL NOT BE ALLOWED for this presentation.

Wabeno Players Cont. from pg. 1
 enjoys partying more than being with her indifferent husband; Crystal Hart, a daffy, loveable lady who sings her own lyrics to popular Christmas songs; and Bunny Sutherland, an upbeat seemingly pleasant person who is amusingly judgmental and passive aggressive

Other characters include Bobby Dwayne Dillahunt, a rugged, good looking man with a self-deprecating sense of humor and charming manner, and Porter Padgett, a good hearted, gregarious blowhard who doesn't know when to shut up and tends to talk louder than most people.

One drama critic notes that "with an uncanny ear for Southern comedy, the authors produce intelligent and thoughtful writing that elegantly portrays the dignity of Southern folk."

The Wabeno Area Players originated over 25 years ago under the direction of Nancy Volk. Since that time the organization has presented mainly summer theater on the Wabeno High School stage, including such shows as Steel Magnolias, Nonsense, Two by Two and numerous plays. Since 2014, the troupe has been performing an extended calendar of productions.

"The Hallelujah Girls" marks the company's first production of the 2017 Season. For more information, email wabenoareaplayers@gmail.com or call (715) 889-1606 or (715) 473-5466.

Food Rich in Nutrients

The healthiest diets are those which include a wide variety of wholesome foods. Below is a list of key nutrients and their top food sources.

Vitamin C - May protect against some cancers, cataracts, and heart disease; helps wounds heal; keeps skin, teeth, gums and bones healthy. Red peppers, fresh orange juice, broccoli, grapefruit, green peppers, brussel sprouts.

Vitamin B6 - Essential for the immune system, may help prevent heart disease. Tuna, baked potato with skin, banana, salmon, pork, prune juice, beef, sweet potato.

Potassium - Helps lower blood pressure and reduces risk of stroke. Beet greens, avocado, dried apricots, beans, baked potato with skin, most fish, banana, orange juice.

Calcium - Maintains strong bones and teeth, helps regulate heartbeat and other muscles. Dairy products, calcium fortified orange juice, fish cooked with bones.

Vitamin E - Maintains cell membranes, protects Vitamin A and essential fatty acids from oxidation, prevents breakdown of body tissues. Vegetable oils, whole-grains, dark green vegetables, nuts, ready to eat fortified cereals.

Folacin - May protect against heart disease and cervical cancer. Fortified cereals, beans, spinach, oatmeal.

Vitamin A - Helps you resist infection, good for night vision, helps in growth and repair of body tissues, helps maintain healthy skin. Sweet potato, carrots, collard greens, apricots, cantaloupe, winter squash, pumpkin, liver, eggs, dairy products.

Fiber - Although fiber is not a nutrient, it contributes greatly to good health, promotes regularity, and may protect against cancer and heart disease. Beans, peas, raspberries, bulgur, rye wafers, wheat bran, whole wheat pasta, oat bran, acorn squash, baked potato with skin, some carrots.

Iron - Delivers oxygen in the blood and muscles; good for immune system. Liver and other organ meats, lean meat, egg yolks, whole grain and enriched breads and cereals, dark leafy greens, dried fruit.

Deer Hunt 2016 Cont. from pg. 1

Preliminary registration figures indicate a total of 97,892 hunters were successful in their pursuit of a buck, an increase of 5,282 (5.7 percent) compared to 2015. Overall, preliminary registration figures show that 196,785 deer were harvested during the nine-day gun deer hunt, compared to 198,057 in 2015.

The largest change in buck harvest occurred in the Northern Forest Zone (30 percent increase from 2015) after two consecutive mild winters and limited antlerless tags.

"While many factors influence hunter success, the buck harvest is one of our best indicators of how the population is responding to harvest strategies in the Forest Zones," said DNR big game ecologist Kevin Wallenfang. "The harvest is never uniform just as deer densities aren't uniform, but overall it is encouraging to see the increase in the northern counties, and statewide harvest levels similar to last year."

The nine-day hunt also provided successful hunters with 98,893 antlerless deer, a 6.2 percent decrease from 2015, mostly in the Farmland Zones. However, those numbers are expected to climb as hunters enjoy the ongoing statewide muzzleloader hunt, statewide four-day antlerless only hunt and nine-day antlerless only Holiday Hunt in select farmland counties. Hunters may use any unfilled antlerless tag during the latter two hunts. For the nine-day gun deer hunt, the 2016 regional harvest breakdown by region (with percent change from 2015) included:

- Northern Forest Zone:** 23,445 (30 percent increase) antlered and 8,955 (21 percent increase) antlerless;
- Central Forest Zone:** 5,067 (2 percent decrease) antlered and 2,943 (2 percent decrease) antlerless;
- Central Farmland Zone:** 48,872 (1.4 percent increase) antlered and 62,612 (8.2 percent decrease) antlerless;
- Southern Farmland Zone:** 20,508 (3.4 percent decrease) antlered and 24,383 (-10%) antlerless; and
- Total:** 97,892 (5.7 percent increase) antlered and 98,893 (6.2 percent decrease) antlerless.

Hunters were required to register harvested deer before 5 p.m. the day after harvest. Any hunter who failed to follow mandatory registration rules should do so now, despite having missed the deadline. For more information regarding preliminary registration and license sales numbers, visit dnr.wi.gov and search keywords "weekly totals."

License Sales

In 2016, 598,867 gun deer licenses were sold through the end of the nine-day gun deer season, compared to 612,377 in 2015. In total, 834,092 gun, archery and crossbow licenses (not including upgrades) licenses have been sold through the end of the nine-day gun deer season, compared to 849,778 (not including upgrades) in 2015.

Deer license and tag sales will continue throughout the remaining hunting seasons. To view a breakdown of this year's license sales, search keyword "weekly totals."

Hunting Accidents

DNR Bureau of Law Enforcement's conservation wardens are investigating the 5 non-fatal hunting incidents in four counties during the gun-deer season. One incident occurred in Waukesha, Oconto and Ozaukee, and two in Taylor. There were no fatalities during the nine day gun deer hunt in 2016. As always, one incident is one too many, and our hearts go out to anyone impacted by a hunting incident.

Nicolet Culinary Arts Quick Start in Carter features one-stop enrollment

With Nicolet starting Culinary Arts classes in Carter this January, the college and the Forest County Potawatomi will hold a Culinary Arts Quick Start event Tuesday, December 13, for students to complete all steps of the enrollment process.

The event will run from 2 p.m. to 6 p.m. at the Potawatomi Carter Casino Hotel in Carter.

At the Quick Start students will learn about careers in the field, complete the Nicolet admissions application, register for classes, complete required assessments, and learn how to apply for financial aid and scholarships.

"The Quick Start event is designed for people to complete everything they need to enroll at one time and at one location," said Nicolet Director of Enrollment Erika Warning. "This is a great opportunity for anyone in Forest County to start on a college credential in the culinary arts and do so with classes that are close to home."

An added benefit of attending the Quick Start is that everyone enrolling will have to the opportunity to save more than \$60 in fees typically associated with the enrollment process, she added. Those intending to enroll at the event will need bring their high school or GED/HSED transcripts and any college transcripts in a sealed envelope.

Spring Semester classes begin Wednesday, Jan. 18.

The classes in Carter will allow students to begin working on their Nicolet Culinary Arts credential. Many start by earning a short-term certificate through Nicolet and use that credential to start working in the field. They also continue taking classes on the Nicolet campus to earn more advanced credentials, culminating in the two-year Culinary Arts associate degree.

"This way they get both experience in the field and the training they need for a successful career in the culinary arts," Warning explained, adding that the classes are open to everyone.

Nicolet also has credit transfer agreements with four-year campuses for students interested in earning a bachelor's degree. These include a new agreement with the University of Wisconsin - Stout where students can earn their bachelor's degree in Hotel, Restaurant & Tourism Management without leaving the Northwoods through a combination of Nicolet classes and online classes offered through UW-Stout.

For more information about the program, visit nicoletcollege.edu and enter Culinary Arts in the search box. Information about the Culinary Arts Quick Start event is available by calling Tamarr Vollmar, human resources director at the Potawatomi Carter Casino Hotel, at (715) 473-6766, or emailing her at tvollmar@cartercasino.com.

Vet's Roll receives donation & info on Vet's Roll - Elcho

Post Commander Larry Anderson presents a check to Vets Roll Co-Founder Mark Finnegan

At the annual joint Pot Luck Dinner with the American Auxiliary on November 21, 2016 the Elcho American Legion Post 377 made a \$500.00 donation to the Vets Roll organization.

After the dinner Vets Roll Co-Founder Mark Finnegan gave a presentation on the Vets Roll Organization. The program is like the Never Forgotten Honor Flight but in a slower environment. At a maximum of three hours on any leg of the trip, the traveling experience will approximate the time on board an airplane (from boarding to de-boarding) and eliminates parking garages, security checks, long walks etc.

Since the first Vets Roll trip in May 2010 over 1,300 veterans from 32 states have taken the bus trip that originates in South Beloit, IL. There is no cost to the veterans other than their expense of getting to South Beloit, IL.

The Tour includes a tour and dinner at the Air Force Museum at Wright Patterson AFB in Dayton, OH. The dinner is provided in the museum under the planes on display.

Other venues visited and activities on the trip consists of:

- WWII Memorial in Washington

COMMUNITY BILLBOARD

Tourism Commission awards grants

The Forest County Tourism Commission (FCTC) recently presented the promotional grant checks to three groups; Lake Metonga Association for Weeds 'N Walleyes, accepted by Gary Mueller; Pack 'Em Inn DAV Biker Rally, accepted by Dawn Volz; and, Crandon Lions Club for their Summerfest event, accepted by Larry Sommers. These groups applied for grants earlier this year to help promote their events to increase attendance and overnight stays.

Several worthwhile promotions and projects were funded by the Commission throughout the year. These funds are generated through the collection of room tax dollars by participating municipalities or towns in Forest County. The Commission accepts applications for promotional grants during the months of March, April, May and June each year. For further information, contact the Forest County Tourism Commission at (715) 478-3450.

Laona Elementary Food Drive

This past week the Laona Elementary School had a food drive to benefit the St. Leonard's food pantry. Each class battled to bring in food items and on Thursday they had to build a sculpture with their items. Points were awarded for each food item and the sculptures were judged for points as well. 2nd grade won a pizza party for bringing in 359 items and their USA sculpture. 4K made a scarecrow and the 5th grade a turkey blind with their food items. Over 1,210 items were donated.
