Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Carla Van Camp, Townsend Town Chairperson

Townsend Town Supervisor, Carla Van Camp, is pleased to formally announce her April 2017 candidacy for Town Chairperson. Having been supervisor for two terms in Townsend and gaining local government experience, Carla has had to make informed decisions about local legislation and town budgeting.

Along with local government work, Carla is an avid community member, as she has been a resident and business owner in Townsend since 1976. Furthermore, she has had a hand in numerous community fundraisers and leadership roles such as being a volunteer for the Townsend/Lakewood Community Ambulance for 35 years and a member of the N.E.W. EMS Task Force, along with being a Cub Scout Leader for several years. Currently, Carla is a Lion's Club member and is the president of the Catholic United Financial Council 399.

As aforementioned, because Carla is deeply involved and rooted in the community, she feels that it is imperative to Townsend in a forward, positive direction. She is looking forward to serving her community in future needs, such as finishing Oughton Park and keeping up on the depreciation funds for future expenditures.

Ultimately, Carla loves the community and would be honored to be elected as a board member for the town of Townsend.

District Administrator Jennifer Vogler will meet with the public and talk about the two school referendums that will appear on the April 4 ballot.

Laona/Wabeno High Schools Rebel Drama present their Spring Musical

Rebekah Nevala, Aidan Lowery and Cassidy Ashbeck rehearse a scene from *A Song of Six Queens*.

Laona and Wabeno High School Music and Drama Departments are proud to present this year's spring musical, *A Song of Six Queens*. Performances will be Friday, March 24 and Saturday, March 25th at 7 p.m. and a Sunday matinee performance will take place at 1 p.m. on Sunday the 26th. All shows are at the WHS Auditorium. Ticket prices for all performances are \$6.00 in advance and \$8.00 at the door. Advance tickets will be available at both the Laona and Wabeno High School offices starting March 13th.

The original script for *A Song of Six Queens* mixes Rebel Drama's familiar "jukebox musical" format with the historical tales of the six wives of King Henry VIII of England. "The stories of these six women range from bittersweet to tragic to quietly triumphant," says director, Nick J. Lowery. "Merely surviving a marriage to Henry for more than a few years could be considered a triumph. We stuck very close to the history of events and the personalities of the people involved even as we changed the style of dress and filled the Tudor Court with pop music."

Erna Rousseau Education Scholarship celebrates 20 years of giving to area young adults

The scholarship is in the memory of Erna Rousseau, a lifelong piano teacher and accompanist from Wabeno. Erna was a large presence in the community when it came to the arts and supporting these programs and the youth involved with them. It's awarded annually to a student from Wabeno, Crandon, and Laona. The scholarships are awarded to students who have been involved in the arts in high school and plan on pursuing a college degree in education, art, graphic arts, music, dance, theater or TV/broadcast journalism. Scholarships are also awarded to current high school students to attend visual and performing arts camp and clinics. Since 1997 the fund has thus far given over \$6,000 in scholarships to area young adults.

The Erna Rousseau Scholarship Committee in cooperation with Wabeno Area Players has announced that the Goodman/Armstrong Creek School District will now be added to the scholarship. This makes students from this school district eligible to apply and receive the scholarships.

Post secondary Scholarship

This post secondary scholarship is designed to recognize area students who have demonstrated academic success, community service and involvement in the performing and/or visual arts. The amount of the scholarship is \$500. This will be awarded to the recipient in the spring semester of his/her second year of college. The scholarship is open to applicants who will be enrolled in an institution of higher learning as an education, music, art, graphic arts, theater, dance or TV/broadcast journalism. The student must carry at least 12 credits a semester and have a minimum grade point average of 3.0 on a 4.0 scale. A letter of recommendation from a teacher or administrator must be submitted to the scholarship

Nicolet College Art Gallery receptions March 18, 25

The Stand Off is one of the many paintings Stephen Wysocki will have on display in his exhibit at the Nicolet College Art Gallery. The exhibit runs from March 25 through April 21.

The Nicolet College Art Gallery will hold two receptions in coming weeks, one to close an exhibit of the finest art by area high school students and the second to open an exhibit by artist Stephen Wysocki.

The reception for the high school students' varsity exhibit will take place from 2 p.m. to 4 p.m., Saturday, March 18, in the Nicolet College Art Gallery.

The collection features works by more than two dozen students from Northland Pines, Lakeland Union, Elcho, and Tomahawk high schools and the Northwoods Community Secondary School. The exhibit next year is scheduled to include works from Rhinelander and Crandon high schools.

"To see such a high level of artistic expression by all of these young artists is truly inspiring," said Nicolet Art Gallery Director Katy Ralph. "Looking at the pieces, you can see the energy and creativity that they poured into every piece."

This will be followed by the opening reception for the Stephen Wysocki exhibit from 2 p.m. to 4 p.m. Saturday, March 25, also in the Art Gallery.

A student at Nicolet in the early 1990s, Wysocki went on to graduate from the University of Wisconsin - Green Bay and has painted professionally ever since out of his studio on the Armstrong Creek Bison Ranch.

He's known for giving a unique perspective to commonplace objects.

"My mission is to show beauty in the ordinary, to allow the viewer to experience an image they see every day in a new way," he said. "I gravitate to ordinary structures or roadside junk, rusty and for sale. I see the hard edge contrasts these everyday objects convey, and try to portray that in the hues and shadows of my paintings."

Both receptions are free and open to the public and will feature light refreshments.

For more information about the Nicolet College Art Gallery and upcoming exhibits, visit nicoletcollege.edu.

The Pickerel St. Patrick's Day Parade

The Pickerel St. Patrick's Day Parade was cold, windy, and you had to be tough to stand there, but a great many did just that. The Parade Marshall was Dorothy Parker, shown above. Dorothy and Judy Schultz, plus a few others thought this celebration up, and it has been a success ever since.

Here are some highlights of the parade, in case you were afraid of frostbite and didn't attend.

Senior Spotlight - Brooke Berdan

Brooke Berdan, daughter of Daniel (Butch) and Michelle Berdan, said her best high school memories were during homecoming and winterfest. She's especially enjoyed decorating the hallway for homecoming and watching the beauty pageant during winterfest. Her greatest personal accomplishments have been maintaining a 4.0 GPA and becoming more outgoing.

In the past 12 years, she's learned that it's important to set goals for yourself and be involved in school activities.

She plans to attend Nicolet College for nursing in the fall of 2017.

She would like to thank her family, especially her parents, for supporting her and always pushing her to do her best. She'd also like

to thank Chase Dewing for reminding her to have fun sometimes instead of stressing over the little things.

OCHCE trip to U.S. Championship Cheese Contest

On Wednesday, March 8th, Oconto County Home and Community Education members were invited to attend the US Championship Cheese Contest at the Lambeau Field Atrium in Green Bay by Mr. Ken Neumeier, one of the 48 judges from 19 states. Ken provided bus service, a tour and lunch. He is the son of Lakewood HCE member, Margaret Lowery. Pictured with the HCE group in the front row is L-R, Margaret Lowery, Ken Neumeier and Joy Campshure. An explanation of how cheese is judged was especially interesting and samples of cheeses were offered. Before heading for home, many of us took the time to visit the Packers Pro Shop. It was another fun and educational day for OCHCE members, even the weather, although chilly, was bright and sunny.

On March 21, 2017, our Speaker will be Daniel C. Kallgren, Professor of history at UW Marinette, presenting his knowledge of Abraham Lincoln's 2nd Inaugural Address. Prof. Kallgren will surely be extremely interesting as in his past presentations.

The event will be at Wells Fargo Bank in Gillett at 9:30 AM. A potluck lunch will be served followed by a silent Auction and Council Meeting.

HCE is open to all. For information about how to join a club in your area or be an individual member, call Joy Campshure, Oconto County President at 920-834-2257.

Dear Editor –

This notice is in regard to the FREE spay/neuter clinic that our Animal Resource Fund has scheduled for April 10th. Even before I had advertised this event, all possible appointment slots have been filled, simply through word of mouth. We at A.R.F. are encouraged by the response, and the evident need for such a community service.

Please don't be discouraged if you are among those who called and have been told that this clinic is filled.

Our plans include a second (possibly a third, as our finances allow) FREE clinic. We will notify the public through news media when we have a definite date set. Please watch for our notice.

We are excited about delivering these community services we have worked so hard to provide.

Cory Campbell, President
Animal Resource Fund

Senior Chatter
Fraud Alerts

Submitted by Forest County Commission on Aging
 It has come to my attention that two scams are now surfacing in Forest County. The first scam arrives in the mail on pink cardstock the size of a large postcard. On the front side, it says, "IMPORTANT 2017 Health Care Benefit Update for Forest County Residents." On the back side, it states, "Do You Qualify for Special Needs Benefits?"

This is an advertisement that appears to be sent by an unknown insurance company or insurance representative. They appear to be trying to get your name and phone number so you can be contacted about taking out additional insurance for dental and vision care. This advertisement is NOT endorsed by Medicare. My recommendation is to throw it in the trash.

It is now tax season and Forest County residents are again being targeted with the IRS phone scam. The IRS is warning the public about this phone scam that targets people across the nation, including recent immigrants. Callers claiming to be from the IRS tell intended victims they owe taxes and must pay using a pre-paid debit card or wire transfer. The scammers threaten those who refuse to pay with arrest, deportation or loss of a business or drivers' license.

The callers who commit this fraud often:
 • Use common names and fake IRS badge numbers
 • Know the last four digits of the victim's Social Security number
 • Make caller ID appear as though the IRS is calling
 • Send bogus IRS emails to support their scam.
 • Call a second time claiming to be the police or DMV, and caller ID again supports their claim

The truth is the IRS usually first contacts people by mail - not by phone - about unpaid taxes. And the IRS won't ask for payment using a pre-paid debit card or wire transfer. The agency also won't ask for a credit card number over the phone.

If you get a call from someone claiming to be with the IRS asking for a payment, here's what to do:

- If you owe federal taxes, or you think you might owe taxes, hang up. You can call the IRS at 800-829-1040. IRS workers can help you with any payment questions you may have.
- If you don't owe taxes, hang up and call to report the incident to the Treasury Inspector General for Tax Administration at 800-366-4484.
- You can also file a complaint with the Federal Trade Commission at FTC.gov. Add "IRS Telephone Scam" to the comments in your complaint.

Be alert for phone and email scams that use the IRS name. The IRS will never request personal or financial information by email, texting or social media. You should forward scam emails to phishig@irs.gov. Don't open any attachments or click on any links in those emails.

Read more about tax scams on the genuine IRS website, IRS.gov.

Senior Spotlight -
Brandon Torgerson

Brandon Torgerson, son of Bobby and Rose Torgerson, said his best high school memories include being part of the football team and wrestling team and being conference champs and regional champs all four years in high school for wrestling.

In the past twelve years, he's learned you do not jump off the jungle gym wearing a hoodie, hard work pays off, and having an aunt working at the school is nice, especially when you're looking for a snack.

His future plans are to work for Oaks and Sons, doing construction and operating heavy equipment.

He would like to thank his coaches for never giving up on him and pushing him, but most of all, his parents for always being there for him with support, love and encouragement.

Rebel Drama Cont. from pg. 1

Despite the nearly 500 years between the events depicted in the show and today, the songs and the stories have helped build a bridge between the kids and the past. Rebel Drama is confident that same bridge will also help the audience enjoy learning about these fascinating women and the king whose fickle heart and fragile ego put them in constant danger. As if Henry wasn't dangerous enough, the queens had to face a palace bursting with

scheming courtiers, ambitious lawyers and self-serving nobles. "This is our first go at an original musical based on historical events, but it won't be our last," Lowery comments. "There's a reason Netflix is stuffed with dramas about the Tudors, Borgias and other royals. The life they lived was incredibly compelling, and constantly dangerous. There was so much drama and intrigue in the Tudor Court that if this story was fiction people would laugh and call it ridiculous. But all these things really happened! It's all a little crazy...and fortunately very dramatic."

Auditions will be held at two different locations on Saturday, March 25th. The first location will be the Crandon Public Library, located at 110 W Polk St, Crandon, WI 54520, from 9:30 to 11:30. The second location will be at the Wabeno Town Hall, located at 4473 N Branch St, Wabeno, WI 54566 from 1:00 to 2:00. The show will run May 25-28, 2017.

"The Letter" dates from WW-II when it was left in the tank now near the Wabeno Legion Hall. It was written by one of the Andrews Sisters to the driver, who was wounded and whom they visited at a field hospital in Italy. He forgot to get it out of the tank when he was reassigned, and it has lain hidden since the war. It is discovered and the town decides to find out more about him and give the letter to his living relatives only to discover he is still alive. Inviting him to Wabeno for a civic affair and publicity opportunity, he flashes back to the war, the Andrews
