Citizen participation at county board meetings-an explanation

In light of recent happenings at Forest County Board meetings and the right of the public to speak, plus the letter in last week's paper from Lee Joyner, County Board Member Steve Bunda asked the Wisconsin Counties Association for the correct procedure. What follows in italics is a the verbatim reply by email from the association.

My colleague Dan Bahr asked me to respond to your question.

Members of the public are not allowed to address the board unless there is a public hearing or the county has adopted rules that allow for public comment.

There are a couple of options If there is no public hearing or public comment period.

1. If so inclined, the Chair of the board could schedule a speaker to address the board by placing the name and topic on the agenda.

2. Another option is to suspend the rules. A member of the board could ask the chair, during the meeting, to allow a member of the public to address the board. The chair would say, "If there is no objection we will allow the public member to speak." If there is no objection then the public member may speak. In essence, since no one objected (by unanimous consent) the rules have been suspended. If someone objects then a member of the board could move to suspend the rules to allow the public member to speak. The motion requires a second, is not debatable and requires a two thirds vote.

Hope that is helpful, call with questions.

Mike Blaska

Randy Peterson storyteller at the Wabeno Public Library

Randy Peterson will present "Building a Better World, One Song at a Time" at the Wabeno Public Library on Tuesday, August 1st at 1:30 p.m.

Randy is a musician and storyteller from Green Bay, WI. His upbeat and interactive programs have been a favorite throughout the Midwest for over twenty years.

"Building a Better World One Song at a Time" will have enough diggers and trucks to satisfy any Bob the Builder fans! But that is only the beginning, the real message of his show is that when working together, reading together, and singing together, we are truly building a better world.

Exciting line-up of performing artists for 3rd annual WAM Fest!

Piper Road Spring Band

Plans are taking shape for the Wabeno Art & Music (WAM) Fest on Saturday, August 5th. In its third year the full day of activities features live music on two stages, art gallery, "plein air" competition, "arty" activities for kids, mini art and music workshops, unique and traditional-festival food, drinks, art and 50-50 raffles and more. The event runs from 10 a.m. to 10 p.m in historic downtown Wabeno, Highway 32 in Forest County.

Tim Friesen, member of the WAM Fest planning committee is happy to announce the line-up of performers. According to Friesen, "This year we decided to add an evening concert on the Band Shell so we contracted with a five-piece band, Piper Road Spring Band that will perform beginning at 8:30 p.m." Piper Road Spring Band offers musical diversity from bluegrass through Irish fiddle tunes to American country, big band

Wabeno/Soperton's Jerry LaFleur visits his home town

By Mike Monte

I had a call from Michelle Gobert over at the Crandon Library on Tuesday. She thought I should come over and talk to a couple of interesting men who were looking up some Wabeno history on the old papers on microfilm that are available in the archive room Michelle has started in the basement of the library.

The visitors were Jerry LaFleur and his son, Joe. It was an interesting visit.

The LaFleur family came to Wabeno with the Menominee Bay Shore mill when it moved from Menominee, Michigan in the first years of the last century. To be more correct, they moved to the new town, Soperton, that was created by Bay Shore to support their

Crandon International rejoins Red Bull Signature Series in announcing 2017 Off-Road "World Cup"

Having produced a highly successful proof of concept in 2016, Crandon International Raceway and Red Bull Media House today announced the return of the second annual Crandon World Cup scheduled for Sunday, September 3, 2017. Part of the Red Bull Signature Series, a collection of the most innovative and progressive events in action sports, the "Super Bowl of short course off-road racing" is an independent, non-denominational event open the best PRO-class racers the sport.

The Crandon World Cup will be part of a 48th annual Labor Day Crandon World Championship Off-Road Race weekend that last year attracted 49,600 fans to the 400-acre facility over two days of racing.

For the second time in the sport's nearly 50-year history, short course competitors from all sanctioning bodies around the country can race on a completely level playing field with no concerns about points or season championships. Hosted and sanctioned by Crandon International Raceway, the event will once again offer the world's best professional off-road racers the sport's largest crowd, the largest television package and the largest single day purse – which last year reached a record cash and prize payout of more than \$176,000. Along with cash, last year's winners of the PRO 2 and PRO 4 categories took home a brand new Polaris 1000cc RZR.

BIG HOUSE, BIG CROWD: Last year, Crandon International Raceway hosted the largest crowd in its 48 year history, with nearly 50,000 fans packing the 400-acre facility for two days of intense racing (top). Crandon's legendary 100 mile per hour Forest County Potawatomi Turn 1 (above) keeps fans coming back every Labor Day weekend. HighRev Photography images

The intense, door-to-door combat of short-course off-road racing expected at the new Crandon World Cup will be broadcast to millions of households as part of the Red Bull Signature Series – a special 90-minute highlight program scheduled to air on Saturday, October 14th at 3:00p.m. (EDT) on NBC. Produced by Red Bull Media House, the show promises viewers a captivating mix of high-energy motorsports and the downhome American narrative only an organically unique place like Crandon can provide.

"We are very proud to host the second annual Crandon World Cup on the biggest stage in the sport," explained Crandon President Cliff Flannery. "Every form of professional racing has its version of a 'Super Bowl,' and, with the help of the Red Bull Signature Series, short-course off-road racing now has one. After 48 years our small town has built a huge Labor Day tradition, and Crandon is the only appropriate venue to host a true off-road World Cup. Last year's inaugural running was a great start, but we have plans to elevate that achievement in 2017."

While exact event formats, rules and schedules are still being finalized, current plans call for "World Cup Sunday" to include Crandon World Championship® races in the PRO 4, PRO 2, PRO Lite, PRO Buggy and PRO

Art in the Garden Goodman, Aug. 19

Mark your calendars for Saturday, August 19, from 10:00 a.m. until 3:00 p.m. when Art in the Garden is held on Main St. in Goodman.

There will be arts, crafts, handmade goods, pure maple syrup and raffles. Live Bluegrass music will be performed by *Cuttin' Grass*.

The Goodman-Armstrong Creek Varsity Club will provide the food, and all proceeds benefit the Brian Stankevich Memorial Scholarship and the Varsity Club Scholarships. The event is co-sponsored by Goodmen Plumbing and Heating. In case it rains, the event will be held in the Goodman Fire/Rescue Hall.

Attention Forest County Veterans Reminder of the trip to Higher Ground August 4th

The CVSO office is organizing a bus trip & tour on Friday August 4th to The Higher Ground Veterans Memorial Park in Neillsville WI. The Highground is a veteran's memorial park that pays tribute to the dead, and honors the survivors, their service and their sacrifices. Departure time will be at 8:00 from the Forest County Courthouse and returning at approximately 3-4 p.m. Seating will be limited so please call to reserve a spot.

All area veterans interested in going please contact CVSO Robert Koplien at (715) 478-3722 or email robbkoplien@co.forest.wi.us

Popular local musician Paco Fralick at Concert on the Riverwalk

After his enthusiastic reception at last summer's Concert on the Riverwalk, Paco Fralick says he is happy to return to the band shell near Trig's in downtown Rhinelander on Wednesday, August 2, at 7 p.m.

The local dentist has been busy reviving a life-long interest in music, playing his own original blend of high-energy country, folk, pop and what he calls Native Americana at venues around the Northwoods and beyond.

Growing up in Rhinelander, Paco played music with his father and began writing songs as a young man. His lyrics reflect his Objive heritage touching on subjects such as environmental activism, seven-generation thinking, alcoholism and homelessness.

A new debut album has just been released featuring Paco's original compositions accompanied by a host of talented musicians. He will be joined on stage this week by several of his friends for an energetic performance.

The concert is free, some benches are available and popcorn will be served. The bucket will be passed for contributions. In case of bad weather, the performance will move to the senior center across the parking lot.

Badger Girls State delegates visit their sponsor

2017 Badger Girls sponsored by American Auxiliary Unit #44-Wabeno were: (L-R) McKenna Murray, Emma Barfknecht, Hannah Christianson, and Cassidy Ashbeck

American Legion Auxiliary Unit #44 Wabeno had VIP guests at their July 2017 meeting. For the first time ever, all four Badger Girls State delegates sponsored by the Unit came on July 20 to describe their experiences at the 73rd BGS Convention held June 18-22 at the University of Wisconsin-Oshkosh. Representing Wabeno High School were Kassidy Ashbeck, daughter of Steve and Raletta Ashbeck; Emma Barfknecht, daughter of Dan and Ann Barfknecht; and Hannah Christianson, daughter of Dan and Laurie Christianson. Representing Laona High School was McKenna Murray, daughter of Al and Brenda Murray.

The girls, all of whom will be seniors this fall, were nominated by their high school principals and guidance counselors, with the final selection made by Unit # 44's BGS Committee. Criteria for selection include scholarship, character, community service, and an interest in learning more about government.

All four sheepishly admitted that back in January they were not as enthusiastic about the program as Auxiliary Vice-President Kathleen Marsh was when she explained it. But after attending in June, all agreed BGS was a life-changing experience. A dual thread that ran through all four reports was gratitude at being able to acquire more knowledge about how government works and the opportunity to forge deep friendships with kindred spirits that they hope last a lifetime.

Unit President Karen Prueter was all smiles as the girls left. "BGS is one of our most rewarding activities," she said. "We especially enjoy having the girls tell us about their week in Oshkosh. And this year, having all four here together was wonderful, a truly memorable evening for our group."

The money to fund the BGS delegates was raised via the Unit #44's Annual Fall Raffle. So if you run across one of the Legion Ladies selling raffle tickets at a local business, please buy a packet or two. Not only could you win a \$500 gas card, a beautiful handmade quilt, a casino getaway package or \$100 cash, you will feel good knowing you are supporting a truly worthwhile cause.

Lake Safety Reminder

Forest County has a number of beautiful lakes, making swimming a staple of summer recreation. Water-based physical activity, such as swimming, improves physical and mental health throughout life. However, it is important to be aware of organisms that can pose a risk to swimmers and take proper precautions to prevent illness.

Swimmer's itch is a skin rash caused by an allergic reaction to microbes that may infect aquatic birds, such as ducks. Symptoms of swimmer's itch include, tingling or itching of the skin, small reddish pimples, and small blisters. Most cases of swimmer's itch do not require medical attention. If you have a rash, relief may be provided by applying creams or a cool compress to the affected area. Swimming in a lake with swimmer's itch does not mean you will develop it. To prevent swimmer's itch:

- ** Towel off immediately after swimming.
- ** Swim in water away from the shore.
- ** Avoid swimming in areas where snails have accumulated.
- ** Don't encourage birds to stay near swimming areas by feeding them.

Also please be aware of blue-green algae. If you get sick after swimming in a Wisconsin lake or river, please report possible algae-related illness by calling 608-266-1120. This program does not provide medical treatment, so seek medical attention if you are experiencing severe symptoms. To decrease the risk of illness from blue-green algae:

- **Always shower off with soap and water after swimming in a lake.
- **Do not swim, boat, water ski, etc. in water that looks like "pea soup", green or blue paint, or that has a scum layer or puffy blobs floating on the surface.
- **Do not let children play with scum layers, even from shore.
- **Always offer fresh, clean water for pets to drink. Do not let pets swim in, or drink, waters experiencing blue-green algae blooms or noticeably green water.
- **Pets should be washed off immediately after swimming.
- **Always avoid swallowing untreated surface water - it may contain pathogens other than blue-green algae which could make you ill.

For more information refer to the Wisconsin Department of Health Services website at www.dhs.wisconsin.gov or call the Forest County Health Department at 715-478-3371.

Each stage is within close proximity and easy walking on the Logging Museum grounds.

The children's arty activities will be held outside in front of the Museum under a tent and run from 10:30 to 2:30 p.m. Activities include bubbles galore, sidewalk chalk art and facepainting. There is no cost to participate. An additional kid's activity is called Jr. Rembrandt. Kids are invited to paint on a provided canvas. Kids can get their picture taken with their art in the "artsy" photo booth. Judging this year is optional. Top artist in each age category will receive art supplies and be recognized on the Band Shell at 2:45 p.m.

Plein Air artists are signing up to participate in a competition and sale of their completed artwork. Artists select a landscape, downtown building or other outdoor location within one mile of the Wabeno Band Shell. That's where they paint and visitors can view the action. Painting begins anytime between 8 a.m. and 10 a.m. and runs until 2 p.m. Each artist may submit up to three Plein Air paintings. Framed, ready-to-hang paintings will be sold at the artist's selected price during the "buy it now" period 2pm to 5pm at WAM Fest "Art Gallery". Artists are encouraged to preregister and details and registration form can be found online: <https://wabenoartandmusicfest.org/artists>. Registration can also take place at WAM Fest.

Fifty-50 raffles and art prize drawings will be held throughout the day. For more information about WAM Fest, check out the website: www.WabenoArtAndMusicFest.org or on Facebook.

WAM Fest is hosted by Friends of Wabeno and sponsored in part by Wisconsin Arts Board, the National Endowment for the Arts, Potawatomi Carter Casino and WXPR.

Learn the basics of memory loss, dementia and alzheimer's disease
Submitted by Kathy O'Melia

The Alzheimer's Association Greater Wisconsin Chapter will be hosting an educational program about alzheimer's and memory loss on Tuesday, August 8 from 10 to 11:30 a.m. at the Crandon Public Library lower level meeting room.

Alzheimer's disease is not a normal part of aging. If you or someone you know is affected by Alzheimer's disease or dementia, it's time to learn the facts. This program provides information on detection, causes and risk factors, stages of the disease, treatment and much more.

Bids & Notices

PUBLIC RELEASE - National School Lunch And Breakfast Programs, Special Milk Program

The School District of Laona announced its policy to serve all students breakfast and lunch under the National School Lunch Program and School Breakfast Program **FREE OF CHARGE** each school day. C.L. Robinson Elementary participates in the Community Eligibility Provision and the Laona High School participates in Provision 2. Each school office has a copy of the policy, which may be reviewed by any interested party.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals or free milk if a split-session student does not have access to the school lunch or breakfast service.

FAMILY SIZE INCOME SCALE For Determining Eligibility for Free and Reduced Price Meals or Milk

| Family (Household) Size | ANNUAL INCOME LEVEL | | MONTHLY INCOME LEVEL | |
|--|--|--|--|--|
| | Free <i>Must be at or below figure listed</i> | Reduced Price <i>Must be at or between figures listed</i> | Free <i>Must be at or below figure listed</i> | Reduced Price <i>Must be at or between figures listed</i> |
| 1 | \$15,678 | \$15,678.01 and \$22,311 | \$1,307 | \$1,307.01 and \$1,860 |
| 2 | 21,112 | 21,112.01 and 30,044 | 1,760 | 1,760.01 and 2,504 |
| 3 | 26,546 | 26,546.01 and 37,777 | 2,213 | 2,213.01 and 3,149 |
| 4 | 31,980 | 31,980.01 and 45,510 | 2,665 | 2,665.01 and 3,793 |
| 5 | 37,414 | 37,414.01 and 53,243 | 3,118 | 3,118.01 and 4,437 |
| 6 | 42,848 | 42,848.01 and 60,976 | 3,571 | 3,571.01 and 5,082 |
| 7 | 48,282 | 48,282.01 and 68,709 | 4,024 | 4,024.01 and 5,726 |
| 8 | 53,716 | 53,716.01 and 76,442 | 4,447 | 4,447.01 and 6,371 |
| For each additional household member, add | +5,434 | +5,434 and +7,733 | +453 | +453 and +645 |

Application forms may be sent to all homes with a notice to parents or guardians. To apply for free or reduced price meals or free milk, households must fill out the application and return it to the school (unless notified at the start of the school year that children are eligible through direct certification). Additional copies are available at the office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by agency or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals or free milk for children in a household where one or more household members receive FoodShare, FDPIR, or Wisconsin Works (W-2) cash benefits, list the household member and the FoodShare, FDPIR or W-2 case number, list the names of all school children, sign the application, and return it to the school office.

For the school officials to determine eligibility for free or reduced price meals or free milk of households not receiving FoodShare, FDPIR or W-2 cash benefits, the household must provide the following information requested on the application: names of all household members, total number of household members and the adult signing the application form must also list the last four digits of his or her Social Security Number or mark the box to the right of "Check if no SSN." Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal and free milk policy, the high school secretary will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to: Samantha Hoffman, School Board Clerk, 5216 Forest Ave., Ste. A, Laona WI 54541 or call 715-674-3801 Ext. 2.

If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals or free milk if the household income falls at or below the levels shown above, and they may reapply at that time.

Children formally placed in foster care are also eligible for free meal benefits. Foster children may be certified as eligible without a household application. Households with foster children and non-foster children may choose to include the foster child as a household member, as well as any personal income available to the foster child, on the same application that includes their non-foster children.

The information provided by the household on the application is confidential. Public Law 103-448 limits the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs. Consent of the parent/guardian is needed for other purposes such as waiver of textbook fees.

Non-discrimination Statement: In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.asc.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary of Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410
- (2) fax: (202) 690-7742; or
- (3) email: program.intake@usda.gov.

This institution is an equal opportunity provider.

Any questions regarding the application should be directed to the determining official.

- Wabeno Museum** - Open everyday from Memorial Day weekend through Labor Day weekend, 10:30 a.m. to 4:30 p.m.

Life jacket loaner stations now set up at local lakes

Three Life Jacket Loaner Stations have been put up at local lakes in Forest County. These are stations where people can borrow life jackets free of charge to use while boating or swimming and return when finished. Life jackets are available in all sizes from infant through adult.

The locations of the stations are: Silver Lake Beach in Laona, Crandon City Beach on Lake Metonga, and Veteran's Memorial Park on Lake Metonga.

Wisconsin state law requires there to be one flotation device per person in each vessel. The hope is that these Life Jacket Loaner Stations will encourage compliance with state law as well as promote safe swimming.

This project could not have been completed without the help of our partners. The Forest County Health Department would like to recognize the following groups for their donation of time and resources: The Forest County Association of Lakes, Lake Metonga Association, Silver Lake Association, Crandon Lion's Club, Laona Lion's Club, City of Crandon, Town of Laona, Forest County Forestry and Parks Department, and K2Pro Signs.

If you have any questions about the Life Jacket Loaner Stations, please feel free to call the Forest County Health Department at 715-478-3371.

Forest County Land & Water Resources Electronics Recycling Event!!!

Saturday, August 5th, 2017
9:00 a.m. to 12 Noon.

Schaefer's Food Mart
600 E Pioneer Street
Crandon, WI 54520

Stop on by and recycle your unwanted computers, televisions, and other outdated electronic equipment from around your home. Bring these items to the electronics recycling collection event on Saturday, August 5th from 9:00am to 12 Noon.

The Forest County Division of Recycling Services will be collecting electronic items which will be refurbished for reuse or recycled. Drive through Schaefer's front parking lot and drop off the materials; There will be a small fee of .40¢ per pound in order to properly dispose your items. Data is securely destroyed for your protection.

WIC & Senior Drafts Accepted

tower work in Texas, and spent most of his time directing airplanes on and off the field.

After the war, in 1945, he went back to Point and had the honor of playing in a championship game in 1945. He earned a Masters Degree at Marquette University in education, and spent time teaching back at Stevens Point.

From there, he went into school administration and worked in a number of school systems. He was superintendent at Westboro for three years and did the same job in Wild Rose until 1968. He then moved to Pittsville and retired from Cambellsport as a principal in 1991, where he still lives.

His father, the first Jerry LaFleur, died in Wabeno in the fall of 1966. Older folks will remember him as the Schlafke bread truck driver who serviced the northern routes. I realized that I had likely talked to him as a kid when he delivered the bread to Jock's store in Argonne.

His son, Joe, who helped with the interview, also had an interesting career. Like Dad, he attended college at Stevens Point and played football there. His life story is far too complicated to tell in this article, but it should be noted that he was Student Body President when Lee Sherman Dreyfus was Chancellor. This led him to a job with Dreyfus in Madison when he became the governor of our state. This led to numerous interesting jobs at FEMA, and he is still employed handling crisis situations for companies in the private sector. He has been a world traveler for his numerous jobs in crisis situations, and is still employed in the field.

Jerry LaFleur "enjoying" his stay in the Aleutians

Jerry LaFleur Cont. from pg. 1

Jerry LaFleur was named after his father, who was also Jerry LaFleur. The LaFleur family was one of a number of families who came with Bay Shore with French heritage. The family originally came from Quebec, Canada, and a number of these people jumped the border to work for Bay Shore in Menominee. They brought the skills needed to drive pine logs down the Menominee River to the mill and other woodsman's skills. There are other families in Wabeno, both past and present, with French surnames, and most can trace their roots to the movement of the Bay Shore inland when the pine ran out.

Jerry LaFleur is a very quick-minded 96-year-old man who has many memories of growing up in Soperton/Wabeno. He graduated in 1939 from Wabeno High School. He was actually born in 1921, in Green Bay, when his father took a job on a farm at Oconto Falls. The family then moved back to Soperton.

Jerry recounted some of his memories of life in Soperton and Wabeno during the 20's and 30's. He recounted how he played football in high school. His father was working at the Bay Shore company store in Soperton. He said everything came in on the train, and his father would take the horse and wagon from the store and pick up the stock for the store. At noon hour he walked home to eat, and he would try to catch his father driving the wagon to get a ride home. He laughed when he told about his father spurring the horse on so he couldn't catch the wagon. He told his son he was trying to make him a better runner.

As a school kid, he would take a summer job with Bay Shore piling lumber in the yard. The piling crews worked with a lumber scaler, and put the boards in the correct pile after grading. He remembers working on a crew behind Jimmy Clavette and Rudy Glasl's crew as well. He recalls starting the summer with soft muscles, and building up those muscles as the summer progressed. Another memory of his lumber piling days was that most of the men chewed tobacco. The mill would send someone around with a water bucket and a dipper to quench the thirsts of these hard working men, most of whom chewed tobacco. He soon learned to be the first to the water bucket, as many of the tobacco plugs from his coworkers ended up in the water bucket.

After graduation, in 1939, he attended college in Stevens Point. He played football there in 1939 and 1940. While at Point, he was appointed to the Military Academy at West Point by Congressman Joshua Johns. To the best of our knowledge, he is the only Forest County resident to gain an appointment to West Point. But, his career at West Point was short-lived. Pearl Harbor put the country at war, and his services were needed in the military right now, and not four years later. This led to a stint in the Army Air Corps, and he spent a "fun-filled" tour in the Aleutian Islands. He occasionally was in an airplane, but had trained for control

Death Notices

Elaine E. Shepherd, 100, of Crandon, formerly of Argonne, passed away Monday, July 24, 2017 at the NuRoc Community Healthcare, Blackwell. Services are pending. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Glen Marvin Scheuerman, 86, of Silver Cliff, Wisconsin passed away on July 19, 2017 at the Oscar G. Johnson VA Medical Center in Iron Mountain, Michigan. Glen was born in Waukegan, Illinois on September 26, 1930. He had suffered for years from vascular dementia and had lovingly been cared for at home.

Glen was in the United States Army from February 1952 to February 1954 where he earned his paratrooper wings.

Glen married Shirley Ann (Stoffregen) on October 2, 1954; they were married 62 years and had four girls.

Glen started his career at Connor Forest Industries in Laona, Wisconsin and then worked in the woods for Clarence Adams (with William "Bill" Piontek). He and Mel ran Scheuerman Brothers Logging. In 1970 Glen started his own logging company and spent his last working years running a sawmill in Lakewood, Wisconsin. He enjoyed life to the fullest. He loved the outdoors. He was an avid fisherman and hunter. He participated in the Molson fishing contest in Canada and earned a second place award for his 29.5 lbs. and 45 inch Northern Pike. He was an accomplished wood worker. He crafted many projects for family and friends. He did extensive traveling in the United States and Canada enjoying the winter months in Florida and Texas. As a teenager, he had a strong desire to see Alaska. He made his first trip there in 1999 and returned two other times.

Glen is survived by his three children, Lynn (George) Hasenohrl of Neenah, Kay Scheuerman of New Franklin and Diane (Michael) Oberley of Elcho; his six grandchildren; Douglas (Kristin) Scheuerman, Benjamin (Melissa) Hasenohrl, Rebecca (Brad) Brainard, Ashley (Adam) Merrill, Tyler Piontek, and Kacy Piontek; his four great-grandchildren; Marist, Bo, Bennett, and Kylie; and four nephews.

Glen is preceded in death by his daughter, Debra Ann Piontek; his brother, Melbourne; and nephew, Dale Scheuerman; and his parents, Leo Scheuerman and Vivian Barkdoll.

The family extends a special thank you to all of Glen's Stay at Home Caregivers, and to the Iron Mountain VA staff. We could not have done this on our own.

The services will be Sunday July 30, 2017 at the First Presbyterian Church, 15552 WI-32, Lakewood, Wisconsin 54138. The visitation will be at 2 p.m. with the service at 3:30 p.m.

Trees have always been a BIG part of his life. Lowney's Landscape, 920-733-2560, will take tree orders and deliver to the church, to allow us to create a living memorial.

Jeffrey Lee "Trapper" Nash, 64, passed away after a courageous, five year battle with cancer on July 24, 2017, surrounded by loved ones in Crandon, WI.

Jeff is survived by his loving wife, Dawn Nash of Crandon; his loving sons, Robert Nash of Saukville, and Michael Nash of New London; along with the Wendt family and other close family members and friends. He is preceded in death by his parents, Marvin and Mary Nash of Crandon.

Jeff spent as much time as he could outdoors - landscaping, hunting, fishing, and cruising White Eye Lake on his pontoon. He loved to putter around in his gardens and had very specific standards for his lawn to meet. As a family, the Nashes traveled for the better part of 10 years all over the country for off-road races.

Jeffrey was born on April 13, 1953 in Port Washington to Marvin and Mary (Hill) Nash. He graduated from Port Washington high school, and was married to Dawn on August 20, 1982. He worked in the trucking industry for many years. Jeff and Dawn lived in Grafton until they retired to Crandon in 2015.

No service is planned for Jeffrey, but his family will celebrate his life with a private memorial, and honor his life daily. Weber Hill Funeral Home in Crandon is in charge of arrangements, and questions can be directed to them.

Memorial donations sent to Dawn will be directed to the Ozaukee County 4H.

Jeffrey will be dearly missed by everyone who loves him, and his family is relieved that he is no longer suffering.

Online condolences may be left for the family at www.weberhillfuneralhome.com.

Marge A. Boodry, 89, of Crandon, passed away July 24, 2017 in Milwaukee. Services are pending.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences may be directed to www.weberhillfuneralhome.com.

Kenneth M. Bowe, 77, formerly of Fond du Lac and currently of Wabeno, WI, died at his residence on Friday, July 21, 2017. He was born in Fond du Lac, the son of Marvin and Adell Schroeder Bowe.

Kenny married Gwen L. Gruhlke on July 8, 1961 at Grace Lutheran Church in Oshkosh. He owned and operated a dairy farm until his retirement in 2002. Kenny was a long time member of St. Paul's Lutheran Church, Mt. Calvary and currently a member of Trinity Lutheran in Wabeno. He was past president of Forest Sportsman's Club, president of Wabeno Antique Power Association, and president of Wabeno's Firefighters Ground. He enjoyed deer hunting, sturgeon spearing, tinkering, and was proud to be a rebel all of his life. God broke the mold when he made Kenny Bowe, and he will be missed by all who knew him.

He is survived by his wife, Gwen; children, Otto (Karen) Bowe of Mt. Calvary, Charles (Lisa) Bowe of Fond du Lac, and Ursula (Mike) Curry of Fond du Lac; seven grandchildren; two great-grandchildren; sister, Marilyn (George) Rock of White Lake; and his cat, Screwball.

He was preceded in death by his parents and beloved Great Dane, Duke.

The visitation will be held Saturday, July 29, 2017 from 9:30 - 11 a.m. at St. Paul's Lutheran Church, W2090 Hwy 23, Mt. Calvary. The funeral service will be held at 11:00 a.m. on Saturday, July 29, 2017 at St. Paul's Lutheran Church with Rev. Mark Barenz officiating. Burial will be held in Lyon's Forest Home Cemetery. A memorial service will be held from 5 - 8 p.m. on Thursday, August 3, 2017 in Wabeno, WI at the pavilion on Trump Lake. Guestbook and tribute wall may be found by visiting ueckerwitt.com.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

To the Editor:

This is in response to the termination of our Forester David Ziolkowski, by our County Board.

Shame on the LOT of you for going along and terminating David Ziolkowski, no one has a Back Bone to stand up to bullying and to do what is HONEST AND RIGHT. I think it is "TIME" to replace the County Board, starting with the Chairman, some have gotten lax in what and how they do things. Seems like the are not representing the people who elected them and what their concerns are. Time for replacements I would say. People should start thinking about it and then do something.

How convenient that the County Board Chairman's phone was not working over the weekend so that people could call to get on the Agenda. He should not be taking the CALLS AT ALL, THIS SHOULD BE THE RESPONSIBILITY OF THE COUNTY CLERK. One wonders how many other calls were not taken due to his "Phone Not Working", in other situations. The County Board Chairman, can then pick and chose who he would accept to speak at the board meeting and who would not. The County Clerk does the minutes, therefore she should be the one accepting calls to have people placed on the Agenda.

In thinking about David Ziolkowski's termination, is this a PAY BACK for going against the ORV PARK, that some board members wanted so badly? My opinion was that the county would be giving WELFARE to a group that wanted the county residents to pay for EVERYTHING. IF you think that groups respect what we have up here, you can see how much on the Monday. Take a ride on county roads, or into the National Forest, you will see beer cans, Styrofoam containers, pop bottles, sometimes coffee containers from the stores, plus roads ripped up, they are doing wheelies and whatever else they describe as fun.

Barbara Majewski

Dear Editor:

For the past several weeks we have been reading articles written by Mike Monte and numerous Letters to the Editor authored by members of the public stating how unjustly they feel the former Forest County Forest Administrator was treated by having his employment with Forest County terminated.

Unfortunately, the public is only hearing one side of the story. It would be nice if the Forest County Personnel Committee could advise the public why this individual's employment was terminated. No doubt for legal reasons they are prohibited from doing so.

I know all of the members of the Personnel Committee and consider a couple of them to be friends. I know for a fact that these people thought long and hard before arriving at a very difficult decision. One of these members advised me that they had a lot of sleepless nights and this was the most difficult decision that they ever had to make.

I was employed by Forest County for 35 years and can count on one hand the number of employees whose employment was terminated during my tenure. I just cannot believe that the members of this committee terminated the former Forest County Forest Administrator's employment without just cause. Nor do I believe that this termination was arbitrary or capricious. The Personnel Committee was presented with a difficult situation and they resolved it in a manner that they felt was in the best interest of the Forest County taxpayers.

Sincerely yours,
Donna K. Pfeifer

Senior Chatter
Don't Mess with These Food Safety Myths

Submitted by Kathy O'Melia

MYTH: "If it tastes ok, it's safe to eat."
FACT: You can't always rely on your sense of taste, smell or sight to determine if a food is safe. The bacteria that make a food smell bad or grow mold are not the same bacteria that make people sick. Taking even a tiny bite to test the safety of a questionable food can be extremely dangerous.

MYTH: "I've always thawed my meat on the kitchen counter and nothing has ever happened."
FACT: IF you use past experiences to predict whether a food is safe, your future may include a food-borne illness. In an earlier time, the chicken served tonight might have been walking around the backyard this afternoon. Today, your food may travel halfway around the world before it arrives at your table. Allowing meat or poultry to sit out at room temperature creates opportunities for bacteria to multiply.

MYTH: "I sampled it a couple of hours ago and never got sick, so it should be safe to eat."
FACT: Your timing may be way off if you believe this myth. The bacteria that cause food-borne illness multiply rapidly, so perishable food left out at room temperature for more than an hour can quickly become unsafe. What wasn't contaminated two hours ago could be tainted now.

MYTH: "I'm feeling sick. But it's been two days since I ate that week-old chicken salad, so I don't think that could be causing the problem."
FACT: You may feel all right a few hours after eating a food, but don't rule out a food-borne illness. Such illnesses may develop within 1/2 hour to a few days; some may occur as long as two or more weeks after eating a contaminated food. If sickness occurs 24 hours or more after eating a food, it's frequently blamed on something else, such as "a touch of the flu."

Many people won't change their food safety practices until they become sick. This is somewhat like

saying "I'll buy insurance after my house burns down." You only need an extra minute or two to wash hands, clean a cutting board, or cook food to recommended temperatures. This is a small price to pay to avoid food-borne illness!

Remember these four key food safety messages:
CLEAN: Wash hands and surfaces often
SEPARATE: Don't cross-contaminate
COOK: Cook to proper temperatures
CHILL: Refrigerate promptly

Help Wanted
Fabrication Lab Director
School District of Wabeno Area
The School District of Wabeno Area is excited to announce our opening for a fabrication lab director! This qualified person will be helping us build and develop the foundation for our new Fabrication Lab. We are a small, rural school district located in North East Wisconsin.
The fabrication lab would be located in the technology education classroom we currently have in the school district. Our goal is to offer our students a digital fabrication experience through the use of 3D printers, laser engravers, robotics systems, plasma cutters, welding, and computer numerical control routers (CNC machines) with the assistance of the instructor.
Our fabrication director must be able to help Wabeno Area students imagine a project, plan a design for it, create it with the Fab Lab equipment and learn how to implement best designs for high quality projects. Our goal is to provide students with the skills and knowledge necessary to earn college credits and the skills necessary for the work force and local business occupations.
The person for this position would help develop and build the entire program from the ground up. We will be purchasing new equipment for the Fab Lab/Technology Education Department and remodeling as needed. Our beginning salary will be \$50,000. The salary will increase depending on the person's experience in this area.
The selected candidate must demonstrate a passion for technology education and the advancement of these skills, be committed to strengthening community and student engagement in the area of technology education, develop partnerships with local businesses, and develop grants. This person needs to know how to use the equipment listed above and be able to teach others to use it. This qualified person could have an engineering degree or other experiences, which may qualify her/him for the position.
To apply for this position please submit your letter of interest, resume listing references, two letters of recommendation, and the certificate qualifying you for this position on WECAN or by mailing credentials to Jennifer Vogler, School District of Wabeno Area, PO Box 460, Wabeno, WI 54566.

MENZIES RETURNS TO CRANDON: After missing the inaugural 2016 Crandon World Cup due to injury, off-road racing star Bryce Menzies (top) will return to Crandon International Raceway this Labor Day weekend. Current running in the West-Coast based Lucas Oil Off Road Series, the popular champion will hit Crandon's 1.75-mile track driving his potent #7 Red Bull/BFGoodrich Ford PRO 4 class unlimited truck (above). HighRev Photography images

Modified Kart divisions. Crandon International will soon announce its own director of competition, as well as releasing new "Balance of Performance" rules guidelines to help equalize competition.

The weekend will culminate in the 8th annual AMSOIL Cup Challenge, a spectacular competition that pits the fastest unlimited PRO 4 and PRO 2 trucks together on the track at the same time after a staggered start. This year's AMSOIL Cup race offers a first place cash payout of \$48,000, plus a specially engraved gold plated "Crandon Top Gun" Henry rifle and valuable prize packages from Lincoln Electric and Impact Safety.

Last year's AMSOIL Cup Challenge winner was local racer Keegan Kincaid, who in 2017 has moved up from the PRO 4 ranks from the PRO 2 truck he raced with much success last season.

ALL STARS: The Crandon World Cup was created to provide a one-day "Super Bowl" of short course off-road racing for stars drivers from both American series. This includes 2016 AMSOIL Cup champion and TORC-series regular Keegan Kincaid (top) as well as Lucas Oil series PRO 2 phenom Patrick Clark (above). Photo credits: HiRev Photography (top) and Attain Media.

All PRO division racers will have the opportunity for substantial open track testing on Thursday, August 31st. Racing will kick-off Friday, September 1st as part of the Forest County Potawatomi Community "Night of Thunder" after the traditional Labor Day parade in downtown Crandon. On Saturday, September 2nd, all classes of the 2017 TORC series will compete, including prestigious Crandon World Championships crowned in all Sportsman divisions.

Fans from around the country are expected to invade Crandon's immense facility, which now features expanded seating and food service thanks to the newly completed Vision Wheel Hospitality Complex. More than 2,000 all-grass campsites will again offer the true "Crandon Experience," with family and friends coming back year after year. While many campsites are already reserved, fans can still enjoy Crandon camping on a first-come, first-served basis or by reserving sites and tickets via www.crandonoffroad.com.

BOSS
SHOWPLOW

PRE-SEASON PLOW INSPECTION CHECKLIST

Checkpoints during a pre-season plow inspection include:

- Change the hydraulic fluid.
- Grease the vertical pin (on v-plows) and other important wear points.

Wabeno American Legion Auxiliary 2017 Poppy Distribution a Success

Mary Ellen Krizek, (pictured) Wabeno Sylvan Unit #44 Auxiliary poppy chairperson, filed her final report on the Unit's 2017 poppy drive. A total of 1,500 poppies were distributed.

Because of the very generous donations from the community for their support of the Annual Auxiliary Poppy Drive, \$1,860.50 will be spent exclusively on Veteran Programs.

Mary Ellen complimented the Auxiliary and volunteers who gladly made time distributing poppies, making this a successful year in fund raising for our veterans. The business community which allow poppies to be distributed at their establishments contribute to this success, these include Lakewood Super Valu, Pintsch's Hardware, Rhode's Junction, The Old Town Hall and Wabeno area.

The continuing needs of our veterans should be the concern of every American who values his or her freedom. Each year the Auxiliary promotes the red poppy in memory of those who served and are serving in all branches of the U.S. Armed Forces
