## Predator Hunt at May's Bar Saturday, February 10th

The annual Predator Hunt at May's Bar will be held on February 10th at May's Bar, six miles west of Crandon, on Highway 8. The rules meeting and contest entry will be held on Friday, February 9th from 4-7:00 p.m. The registration fee is \$20, and that will include a homespun meal put out by Bonnie May!

There will be cash prizes, gun raffles, and paddle wheel raffles. A temporary, heated shelter will be installed in the parking lot for eating and keeping warm while you tell your hunting stories. If you just want to eat and buy raffle tickets, there will be a \$5 charge for the sumptuous meal that Bonnie will have slaved over.

Proceeds will go to the school trap team, so feel free to come out and buy tickets and eat, even if you don't want to hunt, and support the team.

## Local Cub Scouts raise funds for Team Kollin

The local Cub Scouts Pack recently learned how to build duck houses under the direction of their leader Adam Justman. The duck houses will be sold to benefit Kollin Gerow. Kollin is a local youth who is fighting leukemia. The duck houses will sell for \$25 each.

Please call or text 715- 902-1368 if you would like to purchase a duck house.

## Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

## La Follette Announces

Today I announce that I am a candidate for reelection as Wisconsin's Secretary of State in this year's elections. I have had the honor to serve the good people of our great state for many years. Together we have accomplished a great deal but there is more work to be done, so I am asking the people of Wisconsin to allow me to continue working for them.

The centerpiece of my campaign is the important issue of restoring the critical business-related responsibilities to the Secretary of State's office. This would present an important opportunity to enhance Wisconsin's business climate. I have long maintained that we need to make Wisconsin more business friendly.

An important step in that direction is to have Wisconsin's business functions handled as they are in other states. To do this, we should consolidate all such "business functions" in the Office of the Secretary of State. These functions include notary commission functions, trademarks/trade names functions, and Uniform Commercial Code (UCC) and corporation matters.

In almost every other state in the Nation these core duties are housed in the office of the Secretary of State. For example, Secretaries of State are responsible for:

- Handling corporation and business information – 43 states
- Registering Trademarks – 46 states •

## Sugar Bush Sno-Mo-Wheelers Poker Run

The Sugar Bush Sno-Mo-Wheelers and holding their big Poker Run on Saturday, February 3rd, headquartered at Beachside Bar & Grill on Lake Metonga.

This is an event that can be participated in with a snowmobile, car or a truck. Snowmobile suits and helmets aren't necessarily required.

There will be the paddle wheel raffles, and you can win meat, booze and a host of other prizes.

## Trump Lake Fish-O-Ree

The 56th Annual Fish-O-Ree, sponsored by the Wabeno Sylvan Post #44 and the Wabeno Lions, will be on Saturday, February 10th, from 9 a.m. until 5 p.m.

The event is in the Trump Lake Pavilion. Of course, there will be prizes for the biggest fish and plenty of raffles.

So bring the family for a good time, and help these two organizations do nice things for the community.

## Opposition forms against housing sexual predators in the Town of Blackwell

By Mike Monte

Opposition is building against the plan to house sexual predators in the Town of Blackwell. To be more specific, in a home in a development on Bear Lake, east of the Village of Blackwell.

The problem began with the purchase of a house and property within the Bear Lake Shores development on Bear Lake. The Bear Lake Shores Association, Inc. learned that the purchase was made by a company with the intent to rent the house to violent sex offenders.

The Bear Lake Shores Association is objecting for a variety of reasons, the most obvious, of course, is that they don't want sexual predators within the community when they have families visiting. In addition, there are deed covenants in place on the development prohibiting any commercial use of any of the properties within the development.

There is also a federal campground on Bear Lake, with a beach and other amenities, and the Forest Service is strongly considering closing the facility should there be convicted sexual predators in the neighborhood.

According to a lawyer, who is not formally hired in this case but has done some research of Wisconsin statutes on situations such as this, the placement of convicted sexual predators in this location would violate the laws of Wisconsin.

Should this rental happen, there is a fear for children and grandchildren in the area, and a fear that with these residents in place, property values will decline.

Inexplicably, there has been a legal ruling that the placement can proceed by Vilas County Judge Neal Nielsen, but the ruling was made, it is thought, before the Town of Blackwell had submitted its response on the matter.

There have been other situations where an attempt or query was made to locate sexual predators in Forest County communities, but haven't succeeded as of yet.

It should be noted that the Bear Lake area doesn't have good cell phone reception, making property owners nervous, because they are afraid that if there is an incident, they couldn't get through to the Forest County Sheriff's Department.

Residents of the area appear to be determined to stop the placement of these individuals within their community.

## Laona Courthouse/Jail meeting an opinion

By Mike Monte

The meeting in Laona on the jail/courthouse issue was held in the gymnasium last Wednesday, January 24th. Like the previous meetings held in Wabeno and Crandon, there was a slide show showing the problems with the current jail and courthouse. After attending all three meetings, I must admit that I wouldn't want to see it again!

The slide show covering the current deficiencies makes some points that have to be addressed, but there are some of the problems depicted that I would call a stretch. Yes, there are extension cords in some of the photos, valves that are probably sticky, an IT room that is obviously the result of adding technology as needed, and does look messy, and a carpet that is generating static electricity.

Most people commented that these are all problems that should have been fixed through the years, and shouldn't be reasons for tearing down the 1909 courthouse, anymore than you would tear down your house because the wiring was insufficient and you didn't like the carpet.

That's not to say there aren't serious problems with the old grand courthouse. Certainly, the heating plant should have been replaced years ago. From what we have been told, there are some leaks in the roof that need attention. No doubt there is a long list of maintenance issues, but then again, as I write this, the courthouse is open and operating, and likely can do so for scores of years to come with proper care. I think most readers will agree with this assumption.

The jail problem began this process. Sheriff Dennee and staff are pushed to the limit for space. The need for a secure court room and secure access is also not just a whim. More storage is needed.

Whatever the reason for the meetings in Wabeno, Crandon and Laona, there are needs to be met, but those needs must fit the capabilities of Forest County taxpayers ability to pay. This was made abundantly clear by those members of the Laona audience who chose to speak.

One of the speakers from the audience brought out some statistics on Forest County. He had looked up things like the average wage, the amount of people living in poverty, the amount of delinquent taxes already on the books, and more. His conclusion was that the people of Forest County are in no position to handle a large raise in their taxes. Other speakers also put forth similar thoughts.

To refresh the memory, the brochure mailed to taxpayers of the county gave two options. One option cost approximately \$26 million, and that option saved the old 1909 courthouse. The other option saved \$3 million, to quote the brochure, but meant that the old courthouse would be razed and that area used for parking lot.

After listening to people attending all three meetings, those who want to retain the old courthouse make up the vast majority. Those who don't want the county to take on a huge debt are also in the majority. Those who realize there is a problem facing Forest County with their law enforcement facility are also in the majority, especially when they are given the facts.

It is hoped by, I think, most of the residents that the county board will listen to their constituents and not spend any more money than is absolutely necessary to upgrade the jail and do the necessary repairs to the 1909 court house. Like a household, the county must live within its means, and putting a huge tax burden on the residents isn't good government.

At all of the meetings, Wabeno, Crandon and Laona, it was stressed that because the board didn't have to hold a referendum on this issue, they weren't going to. They also made it clear that constituents should call their county supervisor and voice their opinion.

The phone numbers of the Forest County Board members are listed in this issue on page 15

# Death Notices

**Marian Caelwaerts**, age 73, of Long Lake, passed away January 27, 2018 at the Aspirus Wausau Hospital. Visitation will be held on Friday, February 2, 2018 from 10 a.m. until 1 p.m. at the Weber-Hill Funeral Home in Crandon. Memorial services followed at 1 p.m. with Pastor Bill Farr officiating. Online condolences may be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

Dear Editor,

I would like to put my two cents in on the proposed courthouse project. I went to the Crandon meeting and it was interesting that, in my opinion, it seemed like the decision had been made and we were just being appeased. So, I urge all the residents of Forest County to call your representative to tell them to go back to the drawing board.

I know we all love the "best" of everything. When we built Praise Chapel Church we would have loved to have a lot more but we had to work within a budget and we had to build with common sense. At this point, I believe the proposed courthouse project is way over the heads of Forest County's ability to pay. The county is already over taxed because most of the land is non-taxable. We need to look at plans that stay within a reasonable budget I have talked to a few people and we agree that there is a way to build and refurbish buildings to stay in a budget that would not require a raise in taxes.

How? Refurbish the courthouse, Social Security, and jail buildings. Then build a building on the East side of the courthouse to connect the jail to the courthouse. In that new building, put the courtroom, the utilities, the elevator, and storage.

I believe you can do it with no additional taxes because the County Shop will be paid off and the money used to pay on the shop can be used for the Courthouse project, and therefore no taxes need to be raised.

Pastor Bill Farr

To the Editor,

I have traveled around the County and have discussed the many issues facing my office and the County as of late. It has been asked of me lately whether or not I am running for Sheriff again. I just wanted to dispel any rumors and inform as many people as I can, that I am 100% running for Sheriff of Forest County.

I am committed and proud to have served as the Sheriff of Forest County for the last almost 8 years and look forward to continuing serving in the future. I am also very honored and proud to lead the great people that I work with and will continue to encourage them in their dedication to serving and protecting the citizens of Forest County.

Sincerely,  
Sheriff John Dennee

**La Follette** Cont. from pg. 1  
Adminstrating UCC – 42 states • Handling notary public commissions – 47 states.

I care about our state and want Wisconsin to provide good opportunities for new business and the important jobs that come with them. Restoring these duties will assure that Wisconsin is truly open for business and eliminate confusion and problems for those attempting to obtain business services in our state. This is not about Doug La Follette and it is not about Republicans or Democrats. It is about what is good for Wisconsin far into the future. I look forward to the campaign and listening to people's thoughts and opinions.

## For Old Time's Sake

This is a view of the interior of Neider's Opera House, in Wabeno. The time is obviously prior to the end of World War I. Check out the skirt lengths on the ladies. In the years following the war, the girls showed more leg. This was also the movie theater in Wabeno when the movie business started.  
In the days before radio and television, an entertainment center like this was a very popular asset to a community, and people carried memories of the good times in this type of establishment until the end of their days.

### Diabetes and Medicare

Submitted by Kathy O'Melia

The Centers for Disease Control and Prevention estimates that 30.2 million adults have diabetes. This represents 12.2% of all U.S. adults, and the percent increases with age. In fact, 25.2% of those 65 years or older have diabetes.

Diabetes causes too much sugar to stay in the blood. If not properly treated, diabetes causes serious complications. These complications include heart disease, nerve damage, blindness, kidney disease, gum disease, hearing loss, and pain and burning or loss of feeling in your feet. This shows that diabetes can impact any part of your body. Besides these complications, new research estimates that diabetes and its complications cause 12% of all deaths, making diabetes the third leading cause of U.S. death. Medicare covers supplies and services to treat or prevent diabetes-related problems.

What Medicare Part B may cover:

- The fasting blood glucose test. This test screens for diabetes. Medicare covers two blood glucose tests each year for those at high risk for diabetes.
- Supplies to control diabetes. These include blood sugar testing monitors, blood sugar test strips, lancet devices and lancets, and blood sugar control solutions.
- An external insulin pump and the insulin used by the pump.
- A foot exam every six months, provided you have not seen a foot care professional for another reason between visits.
- Therapeutic shoes for diabetics who need special footwear.
- Medicare nutrition therapy for diabetes, if referred by a doctor.
- Self-management training. Medicare covers up to 10 hours of initial diabetes self-management training. You may also receive up to two hours of follow-up training each year. The follow-up training may not occur in a calendar year in which you got your initial training. The training includes tips for eating healthy, being active, monitoring blood sugar, taking drugs, and reducing risks. You must have a health-care professional's written order for the diabetes training.

What Medicare Part D may cover:

- Insulin not given through an insulin pump
- Certain medical supplies to administer the insulin. Supplies may include syringes, needles, alcohol swabs, gauzes, and inhaled insulin devices.

To learn more about Medicare's coverage of supplies and services for diabetics, visit <https://www.medicare.gov/Pubs/pdf/11022-Medicare-Diabetes-Coverage.pdf>.

Feb. 2, 2016

I have only slipped away into the next room.  
I am I and you are you.  
Whatever we were to each other  
that we are still.  
Laugh as we have always laughed.  
Pray, smile, think of me.  
Pray for me.  
Why should I be out of mind because  
I am out of sight?  
I am waiting for you for an interval  
somewhere very near, just around the corner.  
My fishing buddy.

## Thank You

On behalf of the Lumberjack Memorial Trails Snowmobile Club (LMT), we would like to sincerely thank all who came out and supported our Booyah Bash Fundraiser at Wild Rose Pub. 100% of the profits from this event goes directly towards trail maintenance. A big thank you to Ken's Meats, Antigo for their generous donations; and also to Todd Veaser and his staff at Wild Rose for a job well done. Thank you to our spin master, Mark "Coon" Coenen. Thank you goes out to all our club members who volunteered numerous hours making this one of our most successful events ever. Thank you to these individuals and businesses for their generous donations:

## Senators Baldwin and Collins praise signing of RAISE Family Caregivers Act

Bipartisan law to establish a national strategy to support family caregivers is endorsed by over 60 aging and disability organizations

WASHINGTON, D.C. – U.S. Senators Tammy Baldwin (D-WI) and Susan Collins (R-ME) are applauding yesterday's signing of the Recognize, Assist, Include, Support, and Engage (RAISE) Family Caregivers Act into law. This bipartisan law establishes a national strategy to support family caregivers across the country.

The RAISE Family Caregivers Act directs the Secretary of Health and Human Services to develop and sustain a national strategy to recognize and support the more than 40 million family caregivers in the United States. The bipartisan law is endorsed by over 60 aging and disability organizations, including the AARP, the Alzheimer's Association, the Michael J. Fox Foundation and the Arc.

"When we work together across party lines we can get things done. This bipartisan effort is especially personal to me as I was raised by my maternal grandparents and later served as my grandmother's primary caretaker as she grew older. I know the challenges that family caregivers face. I've listened to family caregivers across Wisconsin. This reform will provide much-needed support for family caregivers and help ensure that our older adults and loved ones with disabilities receive the highest quality care in their own homes," said Senator Baldwin. "Every day, family caregivers do right by their loved ones, and I am proud to say we are doing right by them with the RAISE Family Caregivers Act being signed into law to formally recognize and support family caregivers across this country."

"Family caregivers play an essential role in our communities by dedicating time and attention and making countless personal and financial sacrifices to care for their loved ones," said Senator Collins. "I am delighted that our bipartisan legislation to develop a coordinated strategic plan to leverage our resources, promote best practices, and expand services and training available to caregivers has been signed into law. Family caregivers across America will now receive the much-needed recognition they deserve as well as the resources and training needed to better balance the full-time job of caregiving along with everything else that life brings."

"Signing the RAISE Family Caregivers Act into law is an important step in supporting the nation's 40 million family caregivers who take care of loved ones, many of them elderly, often with very little support or

resources available to them," said AARP CEO Jo Ann Jenkins. "With the rapid growth of our aging population, it's reasonable to say that many of us will end up either being a caregiver, or needing one. As a result, the potential benefits of this legislation are both critical and wide reaching."

The RAISE Family Caregivers Act (S. 1028) was supported by a broad bipartisan coalition of cosponsors including Senators Lisa Murkowski (R-AK), Michael Bennet (D-CO), Shelley Moore Capito (R-WV), Debbie Stabenow (D-MI), Chris Coons (D-DE), Joe Donnelly (D-IN), Elizabeth Warren (D-MA), Amy Klobuchar (D-MN), Bill Nelson (D-FL), Jeff Merkley (D-OR), Jon Tester (D-MT), Jeanne Shaheen (D-NH), and Angus King (I-ME).  
 Important Facts on Family Caregivers:

- 40 million family caregivers in the United States provided an estimated \$470 billion in uncompensated long-term care in 2013.
- Many caregivers are putting their own health at risk since caregivers experience high levels of stress and have a greater incidence of chronic conditions like heart disease, cancer, and depression.
- Every day, 10,000 baby boomers turn 65, and as many as 90 percent of them have one or more chronic health conditions.
- Americans 85 and older are the fastest growing segment of the aging population. This population is most at risk for multiple and interacting health problems that can lead to disability and the need for round-the-clock care.

## Ed Smith INSURANCE TIP

**BACKUP OF SEWERS OR DRAINS**  
 Now is the time to check on coverage before the spring melt. We could, and probably will, get a lot more snow. This coverage would pay for damage to your building or contents if water backs up through sewers or drains or enters into the overflow from a sump pump well. The amount of coverage varies from company to company. Some include \$500 or \$1,000, while others have none. This coverage may be available, as an option, with limits from \$1,000 to \$10,000. Check with your agent for your companies specific coverages and do an inventory of what could be damaged. Estimate the monetary loss you might incur, especially if you have a finished basement.

This coverage is not for flood, which is specifically excluded in your Homeowner's policy. Flood insurance may, however be a better option for some. Let's hope this winter's snowfall will melt slowly. If it doesn't, many homeowners could have damage. Companies do have waiting periods before coverage becomes effective.

"THE JEWEL OF THE NORTH"

As we embark on our sixth year in Summit Lake, WI, our thoughts go to the past years. We have traveled a road that has brought us all together over so many unique memories that we have shared together over something so simple as a meal, but yet so special. Our entire staff is so fortunate to serve clientele who has become some of our closest friends, and perhaps even family. We thank each and every one for their friendship and patronage. It is our passion to continue this high level of utmost quality of entrees and service. To all our food artists, wait staff and kitchen employees who continue to make RubyMay's Cafe the Jewel of the North, we cannot say enough to you for your hard work and dedication to make our little cafe the best it can be. Your professions are very demanding, stressful and at times you may feel unappreciated. But you all continue to be at the top of your game, and for that we say thank you to a super staff!!  
Tina, Kelli, Dylan, Abby, Jesse, Tristic, Kaitlyn, Aimce, Winnie, Navada and Hannah

From the deepest parts of our hearts,

**Nicolet College Foundation encourages students to apply for scholarships**

The Nicolet College Foundation will accept scholarship applications from Feb. 1 to Feb. 28 for the 2018-19 academic year at Nicolet.

The Foundation expects to award more than 200 scholarships ranging in value from \$200 to \$3,000, said Foundation Executive Director Heather Schallock.

"Scholarships can go a long way in helping students pay for college and we encourage anyone who plans to attend Nicolet next year to fill out the application," Schallock said. "There are requirements but the application process is fairly easy and straightforward. The Nicolet Foundation is here to assist students financially and scholarships can make a big difference in students' lives as they work their way to graduation."

All applications must be submitted online at [nicoletcollege.edu/scholarships](http://nicoletcollege.edu/scholarships). The application will be available starting Feb. 1.

Nicolet scholarships are available for both new and continuing students enrolling at the college this coming fall and for Spring Semester 2019. Scholarship funds are applied directly to the cost of tuition and books.

Students taking nine or more credits per semester can receive up to \$3,000 in scholarships. Students taking three to eight credits per semester can receive a \$400 part-time scholarship. Applicants must have a cumulative grade point average of at least 2.5.

For more information about scholarships, contact the Nicolet College Foundation office at (715) 365-4518, 1-800-544-3039, ext 4518; TTY 1-800-947-3529 or 711 relay; or by email at [hschallock@nicoletcollege.edu](mailto:hschallock@nicoletcollege.edu).
