Free vaccination clinic for your pets on April 16 in Crandon

Just a reminder to Forest County residents about our upcoming FREE vaccination clinic paid for by our Animal Resource Fund. I did include this information in my news article at the beginning of the year, but want to put out this reminder, because we want to get every animal protected against life-threatening diseases that we possibly can.

If you have, or know of anyone who has, a pet in need of these vaccinations, please help get the word out. We finance these clinics through The Fix Is In, who provides the services, and it is difficult to get scheduling, due to their very busy calendar. Their main clinics are spay/neuter, but they squeezed in this event especially for Animal Resource Fund.

Because we have received so many requests for this service, we deemed it to be the most important clinic we could provide right now.

Please mark your calendar for Monday, April 16, 2:00 P.M. to 6:00 P.M. at the Catholic Hall in Crandon. No appointments will be taken: it will be first come first served. Bring your pets in carriers or on leash. Please keep in mind that April in our area could mean any type of weather.

Please dress appropriately, and provide protection for any pet that does not tolerate chilly temps if you have any wait outdoors. Our hours will be going into the evening, which will no doubt be cooler. We at A.R.F. will have a staff of volunteers on hand to help expedite the lines, and we will make any waits as short as possible.

As in the past, Animal Resource Fund is paying for all the vaccinations, but if you feel so inclined, and can comfortably do so, we do accept and gratefully receive any donations.

/s/ Cory Campbell, for Animal Resource Fund

Cranes and Citizen Scientists

Citizen scientists, or those interested in learning more about becoming a citizen scientist, are invited to join the 2018 Midwest Crane Count. Each year in mid-April, over 1,000 Midwest volunteers travel to their local wetlands and favorite birding locations to participate in what is known as the Midwest Crane Count. This annual survey of Sandhill and Whooping Cranes spans over 90 counties in six states of the upper Midwest (Wisconsin and portions of Illinois, Indiana, Iowa, Michigan, and Minnesota).

The primary purposes of the Crane Count are to help monitor the abundance and distribution of cranes in the Upper-Midwest which helps with crane research, as well as introducing people to cranes and their natural environment. In the 1930's, an estimated 25 pairs of Sandhill Cranes resided in Wisconsin. Seventy years later, the year 2000 Crandon Count, tallied more than 13,000 Sandhill Cranes.

Chequamegon/Nicolet National Forest Naturalist Nicole Shutt will provide a presentation on cranes and the crane count monitoring process in the lower level of the Crandon Public Library at 7:00 p.m. on April 10th. Shutt's presentation will also discuss the protocols and monitoring sites for the crane count which will take place on Saturday April 14th from 5:30 to 7:30 a.m. This year's Crane Count falls on Citizen Science Day, a day designated to draw attention to the numerous opportunities for every-day folks to contribute valuable scientific information to on-going studies.

Election Results for Forest County Board Chairman Millan defeated among others

By Mike Monte

The voters obviously wanted a change. It was almost a clean sweep of all the opposed incumbents seeking office on the Forest County Board, including Board Chairman Paul Millan, who was defeated by Scott Goode by a vote of 95 to 63.

Other upsets were Bucky Dailey, who was defeated by write-in candidate Randy Burl by a vote of 52 to 25. In Laona Ward 3, Judy Savard was selected by the voters by a vote of 65 to 35 over incumbent Jack Matuszewski. Incumbent Bill Connors, Jr. was removed from the board by Mike Miller with a final vote count of 96 to 46. Wabeno Ward 1 saw incumbent Cheri Collins unseated by Tom Tallier by a vote of 32 to 23.

In other county board contests, Dan Huettl, from Blackwell, had decided not to run, and when nobody stepped up, Huettl ran on a write-in, and was voted back on

he board by a total of 9 votes. Cindy Gretzinger is the new county supervisor from Argonne, running unopposed and garnering 87 votes. Chris Houle has the job of representing Alvin, Caswell, Popple River and the Town of Ross. He received 76 votes running unopposed. Scott Shaffer received 41 votes to return to the board from Wabeno's 4th Ward. Ron Karl was also unopposed and represents Laona's 1st Ward and Wabeno's Ward 2. He was awarded 53 votes. Incumbent Terry Lukas had a total of 42 votes from Laona's Ward 2. Kellee Gallion retained her seat in Nashville Ward 2 with a whopping 9 votes. (Think the weather had something to do with voter turnout?) Dave Campbell, who represents Town of Crandon Ward 3 and Nashville Ward 1 was awarded 99 votes, and Bill Chaney from Town of Crandon, Ward 1 hit 91 votes. Don DeHart from Lincoln Ward 3 hit 54 votes.

In the City of Crandon, the candidates, other than Dailey, listed above, ran unopposed, and Berg received 33 votes, Otto 49 votes, and Stamper 48 votes.

In a contested race between Jill Zagar and Dave Velie, Jr., Zagar squeaked by with a one vote lead at 41 to 40. This is Argonne Ward 3, Lincoln Ward 2 and Nashville Ward 3.

The other contested race was Steve Bunda versus Lynn Black in Lincoln Ward 1, with the incumbent Bunda carrying the day by a vote of 120 to 73.

All of the above are unofficial results from the Forest County web site, and if there would be changes that make a difference, we will report it in the next issue.

The weather, without doubt, kept the vote count

Wabeno Area Players to hold auditions for "The Dastardly Doctor Devereaux"

Wabeno Area Players will hold closed auditions for a July Musical Melodrama production of "The Dastardly Doctor Devereaux." Those interested in auditioning please call Carol at (715) 473-5466 or email wabenoareaplayers@gmail.com. Auditions will close April 13th so please contact The Players before this date. All auditions will be closed (only the person auditioning will be in the room) except for the production team. No need to memorize or prepare a monologue.

The Players are seeking men and women ages 18 to 75. No experience is needed and the Players are always interested in new members for the troupe. If you are interested in working behind the scenes on the crew, let us know.

Lotta Cash, a wealthy widow, must be on the lookout. The evil Dogsbreath Devereaux, M.D. plans to marry Lotta so he can inherit her fortune and her late husband's clinic. Helping him is the nasty nurse, Hilda Hatchet, whom he promises to wed after he gets rid of Lotta. Wild? Well, talk about medical mania when the insanely jealous Hilda catches Dogsbreath flirting with our heroine, Wendy March. We can only hope that Dr. Phil Good, our hero, can save Wendy and the unsuspecting Lotta from certain death. With an abundance of zany patients, wild tunes ('How Do You Bandage a Broken Heart?', 'Emergency,' 'Do the Bop,' etc.) and a hilarious plot, this musical melodrama will certainly have your audience in stitches all the way! As they say, Nurses! Foiled again!

"The Dastardly Doctor Devereaux" will take the stage Thursday-Saturday, July 19-22, 2018 at the Wabeno High School Auditorium. To inquire about any aspect pertaining to this production, please email wabenoareaplayers@gmail.com or call (715) 473-5466.

Forest County Deer Advisory Council final recommendations meeting

The Forest County Deer Advisory Council will meet to determine the final recommendations for the 2018 deer season. You will have a final opportunity to provide comments on the antlerless deer harvest quota, permit level and season structure recommendations for Forest County.

The final spring meeting will be on April 17th at the Crandon Public Library, in the lower level, from 7:00-9:00 p.m. Additional public comments will be taken prior to developing final recommendations.

To review the council's preliminary recommendations from the March meeting go to dnr.wi.gov with the keyword CDAC by clicking "Find" and selecting Forest County. Councils considered scientific data and public opinion when developing their preliminary recommendations.

Area school board election results

The area school boards had their elections on Tuesday as well. The Crandon School Board had one seat to fill and Joe Mayer, the incumbent, ran against a write-in candidate, Glenn Pfeifer. Pfeifer won this election by a tally of 669-343. Laona had two positions to fill and two people running, James Aschinger and Samantha Hoffman. They received 222 and 190 votes respectively. The Wabeno School Board had three seats to fill, two of the seats were Forest County and one seat was for Oconto County as the school district reaches down to Lakewood. The Oconto County Seat was unopposed and David Seeber received 206 votes. Three people ran for the two positions in Forest County. Dennis Wettstein received 185 votes, Katryna Vanepere received 162 votes and Dawn Jakubiec received 157 votes.

Spaghetti dinner at Praise Chapel to benefit Crandon Area Rescue Squad

If you would like to know more about this event, please call 715-478-7755.

Crandon Lions reschedule Easter Egg Hunt to Saturday, April 7th

The Crandon Lions Easter Egg Hunt that was scheduled for Saturday, March 31 has been rescheduled for this Saturday, April 7th at the sound of the noon whistle. The hunt was rescheduled due to bad weather.

Little Rice Lake Assoc. to hold 1st general membership meeting

The Little Rice Lake Association will hold its first ever general membership meeting on Saturday, April 21, in the cafeteria at Crandon High School at 4:00 p.m. All new members and any concerned citizens are invited to attend. We will be introducing the newly elected board of directors and discussing our goals for the future.

The public is welcome to attend and if interested can become a member that night. We will also have available a customer use survey that you can fill out to be used in the formation of the pending lake plan.

Hope to see you there.

Forest County Potawatomi Blood Drive

The Forest County Potawatomi Blood Drive at 5460 Everybody's Road, Crandon, will take place on Thursday, April 19, from 10:00 a.m. - 4:30 p.m.

To schedule an appointment, please call Yvonne at 715-478-4319. The blood drive will be located in the Museum lower level.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

To the Editor:

As we contemplate the dramatic change brought about in our elections, yesterday, it is only fitting to give a shout out to the folks who made the effort to get to the polls to bring about those changes with their votes. Thank God for our democratic system and for the uncommon wisdom demonstrated by the people of Forest County.

The message to be heard in the house cleaning administered by the voters is that they recognized the skulduggery engaged in by our now ousted pyramid of power at the top of the county board. And, they stepped in to put a halt to it. As a pretty close observer of our government for some ten years or so, and longing for the improvement that always seemed just beyond reach, I want to complement our fellow citizens. They have come through in grand style.

We all must now stay engaged and aware of how this new board organizes and operates. We should begin to see the changes in operation that can restore the trust in government that has been missing for so long. We do have significant issues to address. But, if we stick together, support the new board and let them see the trust we have now invested in them, we will work our way through the problems and have a government in which we can take pride.

Dave Meier

Death Notices

Sandra J (Sandee) Lowery, age 74, passed away Thursday, March 29, 2018. Sandee was born July 14, 1943, the daughter of the late Roland and Della (Vander Walker) Sackett.

A 1961 graduate of Wabeno High School, Sandee had many friends and was the Sweetheart Queen, a twirler for the high school band, and was voted best dancer her senior year. She married Elroy Giese of Saukville in 1963. They lived in Grafton, Wisconsin where they raised their son, Darren Giese.

Sandee worked as a title clerk for a title company in the Milwaukee area. She moved back "up north" around 1985 where she managed a tavern in Wabeno and held other various jobs, including working at the library in Lakewood. Sandee enjoyed reading, socializing with friends and family, crocheting, Vince Gill, and bragging about her grandchildren, nieces and nephews.

Sandee is survived by her son, Darren (Racquel) Giese; and grandchildren, Jessi and Ryan. She is also survived by her brother, Pete Sackett; her sister, Mary Graves; special family friend, Joan Sackett; and many beloved nieces, nephews, and wonderful friends.

Sandee was preceded in death by her parents and one brother, Ronald.

The funeral service will be at St. John's Lutheran Church, 17963 Highway 32, Townsend on Thursday, April 5 at 11 a.m. Visitation begins at 10 a.m.

The family would like to thank the staff at Woodland Village Nursing Home in Suring and Unity Hospice for the patience and kindness they provided to Sandee over the last two years. A special thank you to Angie School, who provided Sandee with tons of laughs and stories to share. A very heartfelt thank you to all Sandee's family and friends who visited her at Woodland and took her to her appointments, out to lunch or shopping. She truly enjoyed spending time with all of you.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Marilyn Stecker, 78, of Crandon, passed away December 23, 2017 in Grayslake, IL.

Memorial service will be held at 11 a.m. on April 13, 2018 at St. John's Lutheran Church with Pastor Kyle Verage officiating. Visitation will be held from 10 a.m. to time of service. Weber-Hill Funeral Home is assisting the family with the arrangements.

Senior Chatter
Is it a Cold or the Flu?
 By the GWAAR Legal Services Team
 You've probably heard in the news that this year's flu season is setting records. Even young, healthy adults are hospitalized and even dying from complications of the flu. Oftentimes, these individuals are staying home and trying to "sleep off" the flu rather than going to the doctor.
 For most cold viruses, the recommended treatment is rest, fluids, and over-the-counter medications to help you ride out the discomfort. But, for the flu, you may need prompt medical attention.
 Therefore, it's important to know whether your symptoms are likely cold- or flu-related so you can get the treatment you need.
 Take this quiz to test your knowledge:
 Cold or Flu?
 1. You have a headache.
 2. You have a fever of 102-104 degrees that lasts for 3-4 days.
 3. Your muscles ache and you have chest discomfort.
 4. You feel tired and weak.
 5. You feel exhausted.
 6. You have a stuffy or runny nose.
 7. You are sneezing.
 8. You have sore throat.
 9. You have a dry, "unproductive" cough.
 10. You have a hacking, "productive" cough.
 Answers: 1. Flu 2. Flu 3. Flu if severe; cold if moderate 4. Flu if moderate to severe and lasting up to 14-21 days; cold if mild 5. Flu 6. Cold 7. Cold 8. Cold 9. Flu 10. Cold
 Please note that this quiz is not intended to replace medical advice. Whenever you are unsure of the nature or severity of your symptoms, you should seek medical attention!

14th Annual Alive to Life May 2nd
A day away for people who want to stay alive for as long as they live!
 This day is designed for adults, sixty and older, to dispel the myths of aging, to reinforce the positive aspects of aging, to provide information to help meet the physical, mental, emotional and spiritual needs of older adults, and to provide an opportunity for unadulterated fun.
 This annual event is held in the Rouman Cinema (next to Kohl's in Rhinelander). This large facility is ideal with a huge lobby for our continental breakfast and luncheon and break-out workshops in the theaters with comfortable high-backed chairs. Fully handicap accessible.
 We have a wonderful lineup of presenters starting with our Keynote Speaker, Kathy Ptaszek (pronounced tay-zack). Kathy loves people and is known for her warmth and the ability to connect with audiences. Her presentations are sprinkled with humor and filled with practical application for your life. Following the keynote, we have a day full of wonderful educational and entertaining workshops for you to choose from that cover everything from animals to archeology.
 Registration fliers will be mailed the week of April 2nd to participants who attended this event in the last 2 years. If you are not already on our mailing list you can request a flier by contacting the Forest County Office on Aging at 715-478-7712 or tqueen@co.forest.wi.us. The registration fee for this is \$18.00 for anyone 60 and over and \$20.00 for anyone under 60.
 This day is made possible by our major sponsor, Rennes Health & Rehab Center. The Forest County Office on Aging and Vilas County Commission on Aging are partners supporting this event and the Oneida County Department on Aging is the hosting agency.
 Avoid disappointment and register as soon as you get the brochure!

Assembly passes School Safety and Security Reforms

Madison-Representative Jeff Mursau (R-Crivitz) released the following statement after the passage of several school safety and security reforms by the state Assembly:

"The School Safety Package, coupled with the many investments we made in mental health programming in the current two-year state budget, will provide necessary resources to those who need it and save lives in Wisconsin. These common-sense reforms will make an impact on keeping our schools and communities safe.

"I'm proud we were able to come together as a body and invest \$100 million in these significant reforms. I know there is more work to do on this issue and I will continue to have conversations with my local school officials to identify additional security needs of their respective districts."

ATV Safety Course to be held in Lakewood April 28 & 29

The Hidden Bear Trail ATV Club and The Red Arrow Snowmobile/ATV Club are sponsoring a Wisconsin DNR certified ATV Safety Course. The course will be held at the Lakewood Community Center/Fire Station, 17214 North Road, Lakewood, WI. 54138. This building is located one block east of Highway 32 at the corner of Highway F and North Road. Class will meet on Saturday April 28, 2018 and Sunday April 29, 2018 from 9:00 a.m. to 1:00 p.m. both days.

Anyone is welcome to attend the course with a recommended minimum age of 11-1/2. Anyone born after January 1, 1988 and at least 12 years old must have ATV certification to operate on public areas. Those students who have not reached the age of 12 may not use their certificate to operate alone until they turn 12 years of age. Parents and adults are encouraged to enroll and participate. Fees for the course are \$10.00 per student. Fee is waived if you, parents or grandparents are members of either club.

Students successfully completing the course will receive ATV safety graduate certificates. It is important to note that students must attend "both" sessions. There is no actual ATV operation in the class.

Students must register online and also obtain a DNR customer number at <https://gowild.wi.gov> or a customer number can also be obtained at DNR service outlets or 1-888-936-7463.

Class size will be limited to 40 participants. It is recommended to register NOW to reserve a place in the class. Students with special needs will need to contact the instructor at least two weeks in advance to request special accommodations. For information, please contact Brian Fitzpatrick at (715) 340-6262 or fitzpatrick953@gmail.com

Weather permitting Oconto County ATV/UTV trails will open for the season on Saturday April 28th. To learn more about either club, please visit our websites at: hiddenbeartrailatvclub.com or redarrowtownsend.com.

16th Annual Friends of the NRA event April 28th

The public is invited to attend the 16th annual Friends of NRA event on Saturday, April 28th at the Hodag Banquet Center in Rhinelander. 100% of the net proceeds from this event support non-profit public benefits programs such as youth firearm safety and education programs, hunter education, High School Trap Teams, range development and improvement, women's training seminars, and more.

In 2018, over \$462,803 in grants were awarded to Wisconsin non-profits including the local Rhinelander High School Trap Team and Fort Wilderness Ministries. Ceremonial checks will be presented to both non-profits at the Friends of NRA event.

The evening will include a dinner buffet and a variety of raffles, auctions, & other opportunities for chances to win quality merchandise and firearms prizes. Tickets are \$45 per person. Limited seating, register in advance to confirm your ticket & early bird specials.

Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Al Murray, Land&Water Resources Technician at 715-478-3893 or by e-mail at lcc@co.forest.wi.us.

Forest County Land and Water Resource Management Plan (LWRMP) Goal 3: Increase the Amount and Quality of Information Available Concerning Land and Water in Forest County

A large amount of land, water and resource data is available from many different sources. Most people commonly recognize sources such as Google maps and MapQuest from their normal uses. These types of maps are from sources called Geographic Information Systems or GIS. At the county level there is independent GIS data maintained by the County departments. Public mapping with various information is currently available on the County website or by going directly to <http://forestcowi.wgxtreme.com/> which gives the user basic land information often found at the Treasurer's office. This is a small set of the information that is currently available, much more is available for natural resources and conservation.

Use of current GIS systems for accurate mapping of resources and resource concerns is critical for making informed decisions regarding land practices and use. This makes increasing the amount and quality of information a goal of the LWRMP. One of the items under this goal is to procure LIDAR for use in Forest County.

What is Lidar? Lidar (light detection and ranging) is an optical remote-sensing technique that uses laser light to densely sample the surface of the earth, producing highly accurate x,y,z measurements. Lidar, primarily used in airborne laser mapping applications, is emerging as a cost effective alternative to traditional surveying techniques. Basically, lasers are utilizing from an airplane flight in combination with known elevations to give accurate mapping of elevations across large areas. Forest County has partnered with other entities to complete this flight and the data has been collected. When the data is available, the County will be able to utilize GIS mapping to give accurate mapping of water levels, wetlands, topography, buildings and improvements to a standard of 1 foot accuracy.

Utilizing Lidar will allow for use of GIS topography mapping in land use and zoning permits, improved mapping during permitting for review of the land use department and improved mapping of water resources including high-water marks and flood zones. This will improve efficiency within the LCC department.

Additional items under this goal is to create parcel based GIS layers for use in ordinance enforcement and obtaining additional GIS data from local landowners and partners. Accurate GIS will be a great benefit to all County departments.

Look for future installments to explain additional goals and objectives of the LWRMP. To view the Forest County Land and Water Resource Management Plan please go to www.co.forest.wi.gov, click the departments tab, then click "Land Conservation", a link to the LWRMP is on our website.

McCaslin Lioness Faire

Over 50 children braved the snow on March 31st to enjoy the festivities at the Annual McCaslin Lioness Faire. The kids played games, colored eggs, had their pictures taken and then collected eggs for the chance for some special Easter treats. It was a great way to celebrate and the McCaslin Lioness appreciate all who participated.
