## Ties That Bind Us to host Colors of Cancer Run/Walk

Let your true colors shine at the Colors of Cancer 5K Run and Walk on Saturday, May 5 at 10 a.m. at the Crandon International Off-Road Raceway.

This fun event honors our friends and neighbors who struggle to cross the finish line in their daily battles with cancer, and benefits Ties That Bind Us of Forest County, a local group partnered with Mary's Hospital Foundation.

One in three people will be diagnosed with cancer in their lifetimes, and the other two will know someone who is. We often show support for loved ones by wearing ribbons in colors that represent particular kinds of cancer. Although the type of cancer that affects each of us may be different, we are united in honoring and supporting people with cancer. The Colors of Cancer Run/Walk is an opportunity to work together to build awareness, offer encouragement and raise funds to beat cancer in Forest County. Wear your "Colors of Cancer" T-shirt on race day to show your support, and show off your own colors of cancer while crossing the finish line.

The Colors of Cancer 5K Run and Walk is an entertaining, untimed experience, and runners will be showered with colored powder at six stations along the route. The event caters to families and 5K enthusiasts alike. Prizes will be given out for best costumes after the run!

The cost to enter this exciting event is \$35, \$15 for age 18 and under, \$75 for families, and Survivors are free.

Register your family today by contacting the Forest County Ties That Bind Us at register online at [tinyurl.com/colorsofcancer2018](http://tinyurl.com/colorsofcancer2018)

## Spencer's Country Store in Pearson

Joanne Spencer, on left, and her mother Lisa

## Wabeno School District renames high school auditorium in honor of Nancy Volk

On Wednesday, April 4, the Wabeno Area Players petitioned the Wabeno School District School Board to name the High School Auditorium the Nancy Volk Auditorium for the Performing Arts. During the presentation the president of the Wabeno Area Players laid out the logistics of the proposal. A packet of examples of policies from other school districts was included with the proposal. Jan Volk, Nancy's husband spoke of the many hours and time Nancy had spent on the design and building of the auditorium. The board overwhelmingly approved the petition of the name change.

Nancy had a tremendous professional impact on the community of Wabeno and its students during her 35 years as an educator. As an English teacher, students learned to "fear the red pen" and her firm but fair critiques of their efforts in writing. Always a stickler for proper grammar, Nancy could leave a student feeling frustrated by her demands for excellence while, at the same time, knowing they had a compassionate, unwavering advocate in their corner. Nancy knew that all of those red marks would result in students prepared to meet the demands that college would bring.

Nancy also opened the eyes of several

## Al Murray chosen as Laona's Commencement Speaker

Allan J. Murray (Al) has been chosen as the 2018 Commencement Speaker for Laona High School. He was among the last of the children born at the Ovitz-Castaldo Hospital in Laona and currently resides in Laona within 100 yards of where he was born. He was a 1986 graduate of Laona High School as the Salutatorian of that class. The Laona Class of 1986 did not graduate from a "high school" as that class survived the school fire of 1985 which destroyed the old Laona High School. At that time Laona was termed, "The town that wouldn't die."

Mr. Murray is currently the Land and Water Conservation Technician for the Forest County Land and Water Conservation Department, owner and operator of Al Murray Forestry Services in Laona and Chairman for the Town of Laona. He received a B.S. Degree in Forest Management from the University of Wisconsin - Stevens Point in 1991. Al has been active in forest management and resource conservation in Northeast Wisconsin for over 27 years during which time he has served as forester and forest manager for two separate Native American tribes, Nicolet Hardwoods Corporation and for many private landowners. He has been an active member of the Laona Town Board for over 15 years and has operated an independent forestry business for over 10 years. His knowledge of local economies and the forest industry has also led him to represent the Forest County area as a member of the Forest Resources Coordinating Committee in Washington D.C. and the Wisconsin Private Forestry Advisory Committee where he currently represents the Wisconsin Town's Association.

Mr. Murray takes pride in the accomplishments made while serving the communities where he has worked. Some of these include working with partner groups to build parks and ballfields, working with community departments and EMS volunteers to upgrade equipment and facilities and working with partners to increase active management on the Chequamegon-Nicolet National Forest.

As Town Chairman his motto has been, "Don't ask why taxes are so high, ask what you get for your money," while maintaining a flat town tax levy for nearly 15 years.

Mr. Murray is also proud of his daughter, McKenna, who is a member of the 2018 graduating class. He is happily married to his wife, Brenda, and proud owner of a family Brittany spaniel named Jake.

## Program on Alzheimers at Arbutus Lutheran Hwy 55-Pearson

Arbutus Lutheran Church is hosting an education program entitled "Know the 10 Signs: Early Detection Matters" on Thursday, May 10 at 10:00 a.m. at the church. This is part of an education program for the Alzheimer's Association.

The warning signs of Alzheimer's disease are often dismissed as side effects of normal aging. This training shares the 10 Warning Signs of Alzheimer's disease, the most common form of dementia. It separates myth from reality and addresses commonly-held fears.

Deacon Pam is a volunteer with the Alzheimer's Association and walked the 10+ year journey with her own mother who died from the affects of dementia. This is an awful disease for anyone to live with and including the family and friends who walk along side their loved one. Lite refreshments will be served. There is no cost to attend this program. Please call Deacon Pam at 715-219-6363 to RSVP or with any questions.

## Nicolet student artists unveil their latest pieces at the Nicolet Art Gallery

Nicolet student artists will exhibit some of their own original pieces at the Nicolet Gallery from Monday, April 30 through Thursday, May 17. Some artists will be showing their pieces in their first ever gallery setting. Student artists take courses in a variety of art mediums including painting, drawing, ceramics, photography, and graphic design. During the course of their study, they learn foundational principles of art including composition, contrast, design, color, line, shape, and value.

The exhibit will feature student projects that cover all art forms with drawing projects focusing on still life and landscapes to life-drawing classes, where students learn and understand the anatomy of the human body to accurately portray figures. Displayed projects will also feature 3-D design elements using a plethora of standard and quirky materials. Black and white, color photography, and graphic design projects using modern digital practices will also be on display.

Gallery visitors are sure to experience a range of emotions depending on which pieces resonate with them; something Nicolet Art Gallery Director Katy Ralph says is a key component to appreciating art in its many forms. "Art should be stimulating, thought-provoking, beautiful, inflammatory, etc. It serves many, many purposes," says Nicolet Art Gallery Director Katy Ralph.

The Nicolet Student Artists show will run from Monday, April 30 until Thursday, May 17. The Nicolet Art Gallery is located in the Northwoods Center. It is open Monday through Friday from 8 a.m. until 4 p.m. For additional information, call (715) 365-4556.

## Nicolet College Foundation awards more than \$200,000 in scholarships

The Nicolet College Foundation has awarded nearly 300 scholarships worth more than \$200,000 to students attending Nicolet College in the upcoming 2018-19 academic year.

"Scholarships make it possible for many students to attend college who may not otherwise get the education they need to improve their lives," said Heather Schallock, executive director of the Nicolet College Foundation. "The generous support of donors to the Foundation make this possible. Scholarships create opportunity for students to learn the skills that lead to great careers which in turn help build strong communities throughout the Northwoods."

In all, 292 scholarships were awarded to part- and full-time students. Amounts ranged from \$200 to \$2,500. For more information about Nicolet and the Foundation, visit [nicoletcollege.edu](http://nicoletcollege.edu) or call (715) 365-4493, 1-800-544-3039 ext 4493; TTY 1-800-947-3529 or 711 relay.

## Correction!

In the article on the Citizens United for Education that ran in the Pioneer Express dated April 30th, 2018, the time line of events was incorrect. The article should have stated that a preliminary non-renewal of contract was made by the school board. The reason at that time was performance expectations. A letter with multiple reasons why there was a preliminary non renewal was dated for January 20th and that Mr. Andy Space did not receive any reasons why there was a preliminary non renewal until February 26th.

## Want to get pickled in Lakewood?

Last year our Pickleball courts in Lakewood were completed just before winter set in. This year we would like to get some structured activities together to promote the sport and utilize this great opportunity at Memorial Park. Preparation for some competition during Mardi Gras is planned, so we need participation. Pickleball is said to be the fastest growing sport in the USA that provide a variety of low impact exercise for the body and mind. How fortunate we are to have the ability to have 2 full time pickleball courts, plus a tennis court that can accommodate either tennis or Pickleball. A core group of enthusiasts will set up some times to provide a variety of sessions, but we will need to assemble lists of people and contact information. Please pass this on to others because we will need participants to allow for a variety of activities. Sessions and times will be posted at the courts in an enclosed case once the schedules are set.

Activities to consider:

- Entry level pickleball play: This will explain the game along with scoring and safe playing technics.
- Drop In: Time frame will be designated during specific hours of the week to allow for as many players as we can to assemble and have a systematic method of rotation to allow for different levels to play together.
- Round Robin: This activity brings a number of people together, and a sequence to allow for everyone to play with a different group. Six games are played and the time of day will be set to allow people to gather, socialize following the play.

If you have an interest in any of the above activities or simply want to know more about the game please email Bernie Bangert at [bernie.bangert@gmail.com](mailto:bernie.bangert@gmail.com). Information needed: name, email, home address and text number if you prefer being contacted via text. Currently we are discussing drop in times every day, dependent on participation, and two evenings that allow for play and social gathering after. Depending on interest a couple of entry level sessions can be set up. The courts are open for everyone, anytime so please feel free to check it out.

## The Amazing Race in Crandon

A great time was had by all as Headwaters Christian Youth (HCY) wrapped up its year with their version of the Amazing Race. Middle school and High school students were set loose as they followed clues and had to perform various tasks around the city of Crandon. Some of the tasks included picking up poop at the Forest County Humane Society, finding uncommon items at Schaefer's IGA, looking for certain coins at Laona State bank and building an Ice-cream cone on someone's face just to name a few. HCY will start again in the fall with a Mission Impossible kick off, so be on the lookout, and don't miss all the fun.

Dear Editor

Just to inform everyone about the FREE vaccination clinic we held on Monday, April 16, in Crandon. In spite of the big snow we experienced a few days prior, by Monday the roads were cleared, and people DID show up. In fact 137 pets were brought in, amounting to 253 vaccinations given! We at A.R.F. are so pleased that many Forest County animals are now protected against life threatening diseases. My only regret; and I have berated myself for it I failed to stress in our ad for the event that you must always bring in your pet's vet record in order to receive the 3yr vaccine if he has already had the 1 year.

So this regrettably, prevented some animals from receiving that vaccine .

I am now set up for sales at our weekly (Wednesdays) Flea Market at the Nashville Town Hall. We also have our annual antique/rummage sale planned for Saturday, June 16. If you have nice things that you'd like to see converted into help for area animals, please keep our annual sale in mind. Anyone who has patronized our sale in the past knows pretty much what we put in that sale. Also, keep our sale in mind to come do some shopping with us! Every cent goes directly for animals in our area.

Our cost on this last clinic we held was \$1,900.00, so in addition to all the other services we provide for this community, it keeps us very busy earning the money to keep up.

For our spay/neuter programs, we will be considering a different method. We are desperately trying to reach those pets that are part of families who are experiencing real financial difficulty providing this care. If we go that route, we would be issuing certificates instead of having the free clinics open to everyone. We do that to a certain extent now, when we are made aware of a situation that needs a hand-up. A weighing of the pros and cons of this venture will be discussed at our next Board meeting, and decisions will be made.

# Laona High School to offer screening of "Written Off"

The Community Coalition of Forest County is partnering with the Human Service Center of Forest, Oneida and Vilas Counties to offer Forest County residents numerous opportunities to view a free screening of the documentary "Written Off. " The next Forest County screening date is Wednesday, May 23rd at the Laona High School.

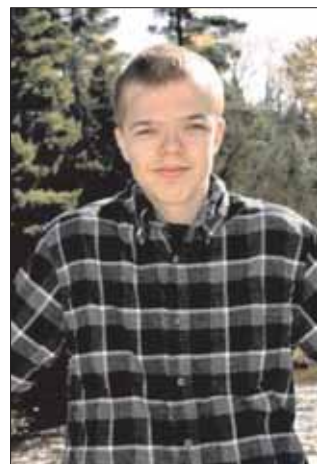

"Written Off" chronicles the life of Matthew Edwards, a Crandon High School graduate, whose addiction to opioids began at age 15, after being prescribed pain medicine for a minor surgery. His grippingly honest writing reveals the secrets he tried so hard to conceal throughout a decade long struggle to escape addiction. Matthew's mother, Jane Funk, currently a teacher at Crandon High School, published the book "What I Couldn't Tell you : one Man's Struggle with Opioid Addiction" in June of 2017 and worked with filmmakers Molly Hermann and Rob Lyall on the "Written Off" documentary.

The documentary film will be shown beginning at 5:30 p.m. on Wednesday, May 23rd at the Laona High School. The screening is recommended for ages 14 and up. Admission is free and no registration is required.

In addition to the film, parents, grandparents and caregivers are encouraged to tour Forest County Health Department's "Hidden in Plain Sight" mock teen bedroom which will be setup at the school. The interactive room is a simultaneously amusing and horrifying scavenger hunt which helps adults spot the signs of substance abuse or addiction which may be hiding in a teen bedroom.

For more information about the documentary film and/or the Mock Teen bedroom, please contact the Forest County Health Department at 715-478-3371 or visit the Community Coalition of Forest County's website at [www.forestcountycc.org](http://www.forestcountycc.org).

diploma, he plans to get a job welding and possibly work in an auto shop after a few years.

He would like to thank his family, friends and all the teachers who have helped him make it this far.

Jonathan Strzyz, son of Thomas and Valerie Strzyz, said his best high school memories include the good times with friends and being a part of the trap team his senior year. Some of his biggest accomplishments are perfect attendance and honor roll throughout high school, receiving a student of the year award his junior year and earning the rank of Eagle Scout (which was also very fun).

In the past twelve years, he's learned not to look back. The future is brighter than the past. He has also learned to do his best and never give up to achieve the goals he wants.

He plans to go to Nicolet Technical College for a technical diploma in welding fabrication. After receiving his technical

## Senior Chatter

### Tips for Remembering

By the GWAAR Legal Services Team

We all forget or misplace things. It may not be Alzheimer's, dementia, or signs of old age. It's probably not even a "senior moment." Instead, you may just need some tips for remembering everyday things!

- To remember something you need to take with you: Take the thing that needs to leave the house and stick in it a plastic bag or tote, then hang that bag right from the inside doorknob of the door you usually walk out of.

- To remember where you parked: As soon as you park, look to see what section you're in. Create a mental snapshot. If you're in section 3D, imagine three dogs chasing each other around your car. Or, take an actual snapshot with your camera phone! You may also, without fail, park under a light post.

- To keep from forgetting something you're carrying around: If you're in the habit of leaving your umbrella or scarf behind, put it on top of something that will move when you get up to go, such as your chair or your purse.

- To remember the things you always leave the house with: Make up a mantra composed of three items that you typically misplace. For example, you could hum (in your head) "phone, keys, purse" to the tune of "Mary Had a Little Lamb," or another simple song.

- To remember where you place your wallet/keys every time: The next time you put something down somewhere, pause a moment to notice where you've placed it, and then in your mind blow it up. Literally. Blow it up in your head. If you visualize the explosion in enough detail, you won't forget where you put it.

- To remember to turn something off: Most of the time you probably do turn off the stove, the coffeepot, and the iron. But if you find yourself frequently guessing or sometimes truly forgetting, make an effort to be mindful of the critical moment when you flip the switch. Say out loud, "Oven is off." "Iron is unplugged."

- To remember everything on your grocery list: Make up a story using the items you need - the more absurd and dramatic, the better. "A chicken was eating cornflakes when a car burst through the wall. A monkey was driving, throwing oranges out the window; he honked wildly as he drove off a cliff into a lake filled with milk..." The narrative will take you from item to item until you reach the end of your list.

Tips taken from AARP, Apartment Therapy, Real Simple, Women's Health, and Psychology Today.

### Wabeno Auditorium Cont. from pg. 1

generations of WHS students to the classics of American literature such as "Of Mice and Men", "To Kill a Mockingbird", and "Grapes of Wrath." The third aspect of Nancy's passion for teaching English was speech and communication. She spent numerous summers and long nights after school making the 100 mile trek to Stevens Point to earn her Masters Degree in communication She mentored hundreds of students as the Wabeno High School forensics coach, many who remember the trips to the state competition in Madison where they were able to get to know Mrs. Volk in a more relaxed, laid back setting.

Nancy's most lasting professional impact, and her greatest passion, is likely the development and nurturing of the Wabeno drama program. As director of the annual Wabeno High School musical, Mrs. Volk treated the community to classics like "Bye, Bye Birdie", "Guys and Dolls", "Finian's Rainbow", and "Damn Yankees."

Nancy brought the arts and drama to the wider community by helping found her "baby", the Wabeno Area Players. This group did one summer show each year. Now they are a 501c3 non-profit organization with numerous productions each year, a free theater camp for grades 4-8 and adult workshops as well. Her impact will continue to be felt for generations as the Wabeno Area Players will be sponsoring an annual scholarship in Nancy's memory with over \$8,000 raised thus far.

Nancy's impact in the community could also be felt in her participation numerous organizations and causes. She was always quick to lend sound unbiased advice and ideas. Nancy was one of the people in our communities that was always sought out for wise counsel. Her gentle and kind approach to the most difficult situations was what made her beloved by all she touched.

The auditorium dedication will take place Saturday, July 21 at 6 p.m. It will be held in the auditorium that will hold Nancy's name at Wabeno High School. This will take place before the Wabeno Area Players production of The Dastardly Doctor Devereaux. Everyone is encouraged to attend and join Nancy's family, friends and former students at the performance after the dedication.

The Dastardly Doctor Devereaux opens July 19th and runs through the 22nd. The production will be held at Wabeno High School, 4325 N Branch St., Wabeno, WI 54566. Tickets can be purchased online at [wabenoareaplayers.brownpapertickets.com](http://wabenoareaplayers.brownpapertickets.com) or by calling (800) 838-3006. Show times are 7 p.m. for evening performances and 1 p.m. for Sunday performance. Theater doors open 30 minutes prior to curtain. All seating is reserved and patrons can choose seating. Tickets are non-refundable. Tickets are \$15 for adults and \$10 for students (17 and under).

What is The Dastardly Doctor Devereaux about? Lotta Cash, a wealthy widow, must be on the lookout. The evil Dogsbreath Devereaux, M.D. plans to marry Lotta so he can inherit her fortune and her late husband's clinic. Helping him is the nasty nurse, Hilda Hatchet, whom he promises to wed after he gets rid of Lotta. Wild? Well, talk about medical mania when the insanely jealous Hilda catches Dogsbreath flirting with our heroine, Wendy March. We can only hope that Dr. Phil Good, our hero, can save Wendy and the unsuspecting Lotta from certain death. With an abundance of zany patients, wild tunes ('How Do You Bandage a Broken Heart?', 'Emergency,' 'Do the Bop,' etc.) and a hilarious plot, this musical melodrama will certainly have you in stitches all the way! As they say, Nurses! Foiled again! This is a family friendly show and parents are encouraged to bring their children.
