## Forest County Historical Society offers Kentucky Heritage Day Camp

Tom Gum and Katherine Chaney

The Wisconsin Humanities Council has awarded a grant to the Forest County Historical and Genealogical Society, located in downtown Crandon, for a project titled "Forest County Kentucky Heritage Day Camp."

The week-long day camp will offer hands-on opportunities for youth to learn about the unique history of the Kentucky migration to Forest County that occurred during the early part of the 1900's. Youth will have the opportunity to study about Crandon's Kentucky families, what brought them to Forest County, how their hard work went into building our county's lumber towns and what type of activities kept youth entertained and busy that didn't involve electronics. Campers will also participate in field trips to both the Camp 5 Museum in Laona and the Wabeno Logging Museum. The last day of camp will feature our

**Continued on page 13**

## Conservation Corner

### Request for Farmer Information

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Al Murray, Land & Water Resources Technician, at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).

The Land Conservation Department is charged with making direct contacts with farmers and those practicing agriculture within Forest County. We can all agree that farming is less feasible in Forest County because of weather, a short growing season, and often difficult soils. However, we have more than 420 property owners who are listed as agricultural properties. The department has cost share funding opportunities from State and Federal Agencies which are designed to assist farmers with many things including watering stations, soil erosion, animal shelters, fencing, high tunnel shelters (greenhouses) and manure storage just to name a few. A priority of the Department of Agriculture, Trade and Consumer Protection (DATCP) is assisting farmers with Chapter NR 151, which is runoff management. DATCP is the main funding source for the Land Conservation Department. The department also has grant opportunities to assist farm producers with increasing production and improving marketing.

Through the years the attention to agriculture in Forest County has greatly reduced. Currently the department has very little information on what crops or livestock our county is producing. Without this information the department is limited in its ability to identify needs of the farmers or to find resources to assist. The department is currently drafting a basic inventory questionnaire to try to establish data regarding agriculture in the county. The department hopes to get data on crop types and production rates, including traditional crops, hay and forage crops, non-traditional products, vegetables and maple syrup. The department also hopes to get data on livestock types and production rates. This data will be utilized by the department to find resources and cost share programs which work for Forest County.

If you are a farmer or landowner who produces crops, livestock, vegetables, mushrooms, Christmas trees, maple sap/maple syrup, or any other items that are consumed by the public, the Department would like to get information from you to establish a Forest County agricultural inventory. Please contact us at 715-478-1387 or by email at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us) for more information.

## Crandon area Historical Society hosts garden walk

Make plans to attend our 2nd Annual Garden Walk! Those that attended last year's walk were delighted with the gardens and gardeners within our community.

The walk is being held on Saturday, July 14th from 9 a.m. - 4 p.m. and will feature seven Crandon area gardens. Tickets for the event are \$10 and are available to purchase at the Historical Society Museum, the Crandon Public Library, or at the gardens the day of the event. A few of the gardens include the Crandon Community Garden, located at 601 W. Washington; Sue and Larry Nettleton garden, located at 1100 W. Glenn Street; Del and Eileen Max Garden located at 957 Cty Road M; and the Crandon Area Historical Society Museum Garden, located at 103 W. Jackson Street, Crandon. Proceeds from the walk will benefit the operations of the Historical Society museum and its collections.

Detailed maps to each of the seven gardens are included with the purchase of tickets. The Garden Walk will be held rain or shine. Please note that we request no pets at the Garden Walk. Feel free to call Sandy Plummer at 715-478-3754 with any questions about the walk.

Forest County 4-H will be offering a light lunch, water and snacks at the Historical Society garden. Proceeds from the 4-H sale will benefit 4-H programming in Forest County.

## Townsend Fire Dept. makes a great contribution to Townsend

At the Town of Townsend June meeting, the Townsend Fire Department presented a check to the Town Board for \$15,500.00 to complete the payment of the mini pumper and fire department building loan.

These funds are generated from the annual events the fire department sponsors during the year...the Sweetheart Dance in February and the 4th of July celebration.

See us Online at [pioneerexpresscrandon.com](http://pioneerexpresscrandon.com)

## Crandon-under construction but still open for business

Crandon is getting new sidewalks and the construction looks rough, but everybody is still open for business and easier to access than you would think.

The alley behind many of the businesses on the west side of the street is now blacktopped, with no water puddles or holes to step in, and the back doors are open to customers.

While the sidewalks are now torn out on the west side of the street, all of the businesses are easily accessible, and there is parking on the completed east side of Lake Avenue. The gravel left after sidewalk removal has been tamped down and is hard and easy to walk on.

There is no need to avoid that shopping trip to any of the businesses on the main drag of Crandon.

The only day that back doors must be used is the day the new sidewalks are poured.

## Ben Diny accepts U.S. Naval Academy appointment

Wausau East High School congratulates Ben Diny on his having earned an Offer of Appointment to the United States Naval Academy at Annapolis, Maryland.

The grandson of Jerry and Carol Diny of Trump Lake in Wabeno, Ben graduated from Wausau East High School, where he was a member of the student council, National Honor Society, and maintained a 4.0 GPA while being a three-sport varsity athlete. Ben is an Eagle Scout with Boy Scout Troop 400. Ben worked summers as a lifeguard and Smith Concrete in Wabeno.

Students must be nominated to attend college at a United States service academy by a member of Congress, the Vice President of the United States, or a Service Branch Secretary. Appointment decisions are based on a student's strong record of academic achievement, leadership, community service, and participation in extracurricular activities in addition to rigorous physical fitness assessments. Admission to the United States service academies is highly competitive. The Naval Academy received approximately 16,000 applications this year, from which it selected 1,195 Midshipmen to comprise its Class of 2022.

Ben reported June 28th for induction day to begin the intensive seven-week Plebe Summer indoctrination program before commencing the academic year in August. Upon graduation, service academy graduates are commissioned as officers in the active or reserve components of the military for a minimum of five years.

### Northwoods 19th Summer Art Tour July 27, 28, 29

The public is invited to share in the free adventure in art that embodies the 19th Annual Northwoods Art Tour. Thirty-four selected artists and galleries from Vilas, Oneida, Iron, Lincoln and Langlade counties will open the doors to their private studios Friday July 27, Saturday July 29 and Sunday July 29 for 10 am - 5 pm daily. There is no admission charge for the self-guided tour.

Guests have the opportunity to escape the beaten track and explore some of the most beautiful back roads through charming, friendly small communities to get a behind the scenes view of how the artists create unique original art. Artists will be demonstrating how their art is created and discussing the inspirations behind their creations.

Visitors can indulge their curiosity and enjoy a custom tour. The tour is organized as 34 unique sites holding free open houses where you can come and go as your time and interest dictates. Work will be available for purchase and visitors may find the perfect gift or something special for their home that will elevate their spirit and their space.

The group is pleased to welcome five new members and one returning member. Katlyn Koester, Arbor Vitae describes her work as "fun, funky and functional Bohemian-inspired pottery and fiber arts." Jamie Kalvestran, Engelwood Studio, Tomahawk is a painter and mixed media artist. Kalvestran will be offering original works in a range of sizes and will have a collaborative painting available so that guests can participate in the process.

The Waite Studios of Jillayne and Jeff Waite, Arbor Vitae will offer functional stoneware, raku sculptures and vessels, earthenware jewelry and stoneware and wood sculpture suitable for gardens and

other outdoor locations. The new Eagle River Gallery will feature natural stone jewelry, woodworking, woodcarving, sand art, fiber art, painting, pyrography and more. Weaver, Sheri Smith will be a new guest artist at Bear Paw Pottery, Saint Germain. Smith draws on more than 40 years of experience in a variety of weaving techniques to create her scarves, wraps, jackets and ponchos. Amy Higgason of Pigeon Road Pottery, Lake Tomahawk aptly describes her stoneware as "fine art with an everyday purpose—a true marriage of function and expression." Higgason will invite visitors to leave their mark on a group clay project commemorating the 2018 tours.

The member artist's make the tour a focal point of the summer and have new work on hand for visitor's to enjoy. Whether guests are shopping, wanting to learn about art processes, or just browsing, all the artists are pleased to welcome you to their creative space, to share their joy in creating, and their knowledge of process. Old friendships will be renewed and new ones made. The sharing of ideas and creativity Each tour provides a unique experience for both the visitors and the artists.

Colorful brochures are available at local chamber of commerce, area galleries and businesses, and may be downloaded at [www.northwoodsarttour.com](http://www.northwoodsarttour.com) ###

### Around the Area

#### Artarama 2018 in Eagle River

Always the biggest art event in July Artarama's Art Show and Sale will be Saturday, July 21 at Riverside Park behind the Vilas County Fairgrounds in Eagle River from 9:00 a.m. - 3:00 p.m.

46 years ago a small group of community-minded individuals, who loved the world of art, conceived the idea of a quality art show. From that grew one of the Midwest's longest running and prestigious art shows.

Artarama committee juried a balance of artists within painting, fiber art, woodworking, glassware, pottery, jewelry, photography and other mediums. Approximately 90 artists were selected and will exhibit at Artarama; three will be chosen for Awards of Excellence \$100, and three Honorable Mention awards will be given.

A special feature is the "Young at Art" tent. Youth sell their handmade creations.

Two silent auctions during the morning give shoppers a chance to bid on donated items from exhibitors at reduced prices; proceeds go directly to scholarships and school art-related programs.

Live music by Susan Ro Productions adds to the festive atmosphere; food is available by Wisconsin Meats Company as well as Cowboy Kettle Korn and The Fun Factory. Parking is available on the Fairgrounds by Eagle River Lions for a small fee.

#### July NORTA meeting

NORTA (Retired Teachers) will meet on Wednesday, July 18, at Romy's Holiday Inn at Kelly Lake. Meal will be at noon. The program will be umpiring and major league baseball presented by Dr. Phil Janssen.

All retired educators are invited to attend, call Chris at 920-373-9696 by Saturday, July 14.

At a recent meeting members learned some important information about medicine. Presenters were Bud Bartel and Judy Systma, retired nurses and board members of Marinette and Oconto Counties Literacy Council. Proper use of nine types of medicine were explained, so we could gain the knowledge of the best use of each medicine. Medicine should be stored in a cool, dry place, away from light and not in a bathroom. According to some labels some medicines should be stored in the refrigerator. Don't leave in a car. Read and follow directions on the labels. Find out the if over the counter drugs you are taking are compatible with your prescriptions. Any questions, contact your doctor or pharmacist. Keep medicines away from children and pets - it could be deadly. All present received pill boxes. Pretests and post tests provided by Wisconsin Health Literacy showed how much we learned.

**CLASS REUNION:** CHS Classes of 1950, 1951 & 1952 are having a reunion Saturday, August 25 at noon at the Hotel Crandon and would welcome classmates of other years who would like to join us. \$18 per person. To RSVP or for further information, call Sharon at 715-478-3512 or Jim at 715-478-5634.  
 P15

**DNR: Heavy rains fuel floods, faster currents statewide**

**MADISON** -- June storms packing heavy downpours have pushed lake and river levels into flood levels, tossed debris into waterways and accelerated currents statewide, signaling Wis. Department of Natural Resources officials to remind all water users to think safety by checking local water conditions and always wear a life jacket when on the water.

Capt. April Dombrowski, head of the DNR Bureau of Law Enforcement's Recreation Safety and Outdoor Skills Section, says the heavy rain and rapid onset of flash floods in many areas of Wisconsin resulted in road wash-out, closures and sinkholes. In addition to the roadway issues, it can have a major impact on your water-based recreational activities.

Dombrowski says this severe weather is a reminder for all to check your local water conditions before boating or paddling, swimming or any water activity. Good places to check are local tourism offices, DNR offices, local bait shops, sporting goods stores or the U.S. Geological Survey, too.

"One quick safety tip is to always wear a U.S. Coast Guard-approved life jacket," Dombrowski said. "Today's models are comfortable versions. Wearing one just might save your life." Learn more about life jackets for every water sport.

Some of these storms and heavy rains have pushed trees and other debris in the water which creates another danger to keep watch. High water levels also increases the shoreline and erosion impacts of your boat wake. Some areas have implemented lake-wide slow-no-wake requirements. Remember to always be aware of

your boat wake and impact on others and check the signage prior to launching, Dombrowski says.

Here are some other safety tips from Dombrowski:

- Make a float plan, follow that plan - and let someone know where you are going.
- Always wear a life jacket. All people in either canoe or kayak are required by law to have a wearable U.S. Coast Guard-approved life jacket on board.
- Match your skill level to water and weather conditions.
- Take a boating safety class and hone your skills.
- Everyone born on or after January 1, 1989 must have completed a boating safety course to operate a motorboat (unless ages 10-15 and accompanied by a parent or guardian). You can take an online boat safety course.
- Do not overload your vessel.
- Place belongings and dry clothing in a wet sack or other waterproof container.
- Another top tip is to remain sober while operating your boat or paddling. Hold off on consuming alcohol until after your recreational boating outing. Remember this weekend is the national Operation Dry Water event, when law enforcement agencies partner to keep the waters safe for all by removing impaired operators. DNR wardens will be out, joining local boat patrols for this June 29 - July 1 weekend.
- Wisconsin has many popular lakes and rivers that attract many users for all sorts of water activities. And with all the users comes boat congestion and unintended user conflicts. For all water recreational enthusiasts to have a safe and enjoyable outing, it's important to slow down, use common sense and respect other users on the waters.

**Baldwin introduces legislation to improve the drinking water safety in small and disadvantaged communities**

*CLEARR Drinking Water Act would authorize more than \$1 billion to improve water infrastructure for the 21st century*

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin and 11 other Senators, led by Senator Edward J. Markey (D-MA), reintroduced the Contaminant and Lead Electronic Accounting and Reporting Requirements (CLEARR) for Drinking Water Act to authorize more than \$1 billion in federal funding to help small and disadvantaged communities replace contaminated water infrastructure to comply with Safe Drinking Water Act requirements. This competitive grant program was created by the bipartisan Water Resources Development Act of 2016, which Senator Baldwin supported.

The CLEARR Drinking Water Act also directs the Environmental Protection Agency (EPA) to establish requirements for electronic reporting of water quality testing results, update the requirements for repeat- or serious-offender water systems, and create a system so that residents can request in-home water quality tests from the EPA and receive the test results in an expedited manner.

"Safe drinking water is a priority for every community and is essential to the economic health of Wisconsin's communities," said Senator Baldwin. "Too often though, small and underserved communities lack the resources to solve our most pressing water challenges, including lead and other contaminants. That's why I'm working to make sure that every community across Wisconsin has access to clean drinking water, and safe and reliable water infrastructure."

**The CLEARR Drinking Water Act would:**

- Increase the authorized funding levels for the Assistance for Small and Disadvantaged Communities program from \$60 million per year through FY2021 to \$230 million for FY2019 and \$300 million each year for FY2020 – FY2023;
- Develop a system for expedited water quality testing, create an electronic database of public health test results that could help monitors identify health threats sooner, and educate the public about the potential effects of drinking water contaminants and the assistance that the EPA can provide to ensure safe drinking water;
- Provide advice and technical assistance to a state and public water system to help bring those systems into compliance with drinking water regulation;
- Establish requirements for the electronic reporting of water system compliance data; and
- Require the head of the state agency that has primary enforcement responsibility for drinking water to notify the EPA, the Centers for Disease Control and Prevention, and appropriate state and county health agencies when a drinking water violation has the potential to have serious adverse effects on human health.

# AUCTION

**ANOTHER AUCTION WITH COL. RENE BRASS**  
[www.colrene.net](http://www.colrene.net)

## For Old Time's Sake

There used to be a water tower that supplied the water to the jail, and possibly to the courthouse. The structure is long gone, and it would be a good wager that few remember the tower.  
 Above, the tower is seen under construction, and below, what it looked like after it was built. The time frame had to be in the 1940's.

## Dennee Answers

As your Sheriff, I have worked very hard and brought teamwork and dedication to the forefront of the Forest County Sheriffs Office. I am honored to work with the men and women of the Forest County Sheriff's Office that have raised their right hands and swore an oath to do everything they can to serve and protect you. They are good people who daily amaze me with their acts of devotion and commitment.

In a recent ad Jason Novak has once again given you misleading information and "his" perception of the ongoing at the Sheriffs Office.

Yes, all members of the Forest County Sheriff's Office, including myself, at times have to work long hours and give dedication to the oath they took. We all have different roles on the "team" and it should be recognized that all of us are expected to do what it takes to protect you. Scheduling for a 24/7 emergency service provider is tough and tasking at times. Mandating employees to cover shifts does occur, but mainly when someone calls in sick and no one will cover the shift. It is not something that we prefer to do, but we owe it to you to cover the shifts. This is done under an agreement between the Deputies Union and the County and has been the practice for over 20 years. I have a very good relationship with the Deputies Union and have worked with them on this issue, but it boils down to fellow staff not calling in sick unnecessarily.

Yes, we do use email to communicate information to the staff. Email is a efficient and effective tool for communicating to the several employees, the same information, in a timely manner. I am confused as to Mr. Novak's concern over the use of email when it is the only form of communication he chosen to give to you in his political ad.

I have worked side by side with my Deputies day and night and have given them leadership in many situations over the years. You all know that, you've seen me out there, in your homes and life's. You also know that being an effective Sheriff requires hours of administrative duties as well.

I do find it interesting that for the last 7 1/2 years as Sheriff, I have encouraged all of my staff with a teamwork approach and to bring suggestions forward. I also immediately enacted monthly supervisor meetings to better communicate and share ideas and information. It is very concerning that Mr. Novak claims to have solutions to make things better and safer for everyone. But, he has chosen to only share these solutions if he gets elected. He has had ample opportunities for 7 1/2 years to share and suggest, but as a member of this department he has chose to keep them secret rather than use a teamwork approach. How fair is that? Is this really an example of your safety being of "upmost importance"?

Recently, a debate was offered by the Republican Party. Early on, both of us agreed to participate. This was a golden opportunity given to us at no cost or organization on our part to stand in front of you and share with you our thoughts and platforms, but Mr. Novak has now backed out of that debate.

I have and will stand with you and in front of you no matter how trying of times. Leadership is more than words in a newspaper!

**Please vote to re-elect me on August 14th.**

**Your Sheriff-John Dennee**

# Death Notices

**Jeanne Evelyn Jarvais**, age 71, of Lakewood, passed away on Thursday, July 5, 2018 at her home. Jean was born in Stafford Springs, CT on October 15, 1946, the daughter of the late Leo and Ellen (Wright) Michaud.

When she was 17, she moved to Townsend. On October 31, 1964 in Crandon, she was united in marriage to Eugene Jarvais. Eugene preceded her in death on September 28, 2015. Jean was a faithful member of St. Mary of the Lakes Catholic Church, where she enjoyed volunteering and attending trips through the church. She enjoyed trips to the library and reading. More than anything, Jean loved spending time with her grandchildren.

Jean is survived by her children, Kim Palka of Mountain, Kris (Fred) Mason of Lakewood and Joe (Sunshine) Jarvais of Carter; daughter-in-law, Diana Jarvais of Laona; grandchildren, Ryann, Shane and Jake Mason, Mark, Jr. and Emily Palka and Chloe and Jennifer Jarvais; her sister, Barbara Kurth of MN; and her brother, Alec (Joan) Michaud of Arizona. She is further survived by her nieces, nephews, other relatives and friends.

She was preceded in death by her husband, Eugene; her son, John Jarvais; son-in-law, Mark Palka, Sr.; and a grandson, Anthony.

Funeral services for Jean were held at 11 a.m. on Tuesday, July 10, 2018 at St. Mary of the Lake Catholic Church in Lakewood with Father Philip Dinh-Van-Thiep officiating. Inurnment was in St. Ambrose Catholic Cemetery in Wabeno. Visitation was held St. Mary of the Lake Catholic Church on Monday, July 9, 2018 from 4-7 p.m. and again on Tuesday from 10 a.m. until the time of the service. Swedberg Funeral Home in Shawano is assisting the family with the arrangements.

The family wishes to extend a special thank you to the Unity Hospice staff who helped take care of Jean and to Mark, Jr. for being her gopher and taking care of her when we couldn't.

[www.swedbergfuneralhome.com](http://www.swedbergfuneralhome.com)

**Bernice O. Matz**, 78, of Townsend, passed away Friday, July 6, 2018 at the Lakewood Assisted Living. Bernice was born September 2, 1939 in Enterprise, the daughter of Ernest and Emily Duvall. She liked gardening and worked up until she was 74 years old.

Surviving Bernice are her brother, Fred (Susie) Duvall; sister-in-law, Carol Duvall; and many nieces and nephews.

She was preceded in death by her parents; sisters, Lucy, Joyce, Florence, Marilyn and Sylvia; and brothers, Herb and William.

Graveside service will be held at 11 a.m. Saturday, July 28, 2018 at Elcho Town Cemetery in Elcho with Rev. Shane Wheeler officiating.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

## Baldwin demands action from Trump to hold drug companies accountable for massive price hikes

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin, a member of the Senate Health, Education, Labor and Pensions (HELP) Committee, once again pressed HHS Secretary Alex Azar to identify specific actions the Trump Administration is taking to bring down the prices of prescription drugs.

In continuing to demand real action from the Trump Administration to hold the pharmaceutical industry accountable, Senator Baldwin asked Secretary Azar again to commit to transparency for prescription drug companies that jack up their prices and make it harder for families to afford life-saving medications.

"The evidence is clear: brand-name drug corporations continue to jack up prescription drug prices. It's unfortunate that when it comes to skyrocketing drug costs, this Administration is still all talk and no action," said Senator Baldwin following today's hearing. "I've heard from countless Wisconsinites who continue to see dramatic price increases. They are struggling to afford their prescriptions that they have relied on for years and they want Washington to act. My bipartisan FAIR Drug Pricing Act would require transparency and accountability for drug corporations who are jacking up prices for families in need of affordable lifesaving treatments and I am disappointed that the Administration has not yet joined me by supporting this bipartisan effort with Senator McCain."

Secretary Azar failed to give a straight answer or commit to any policy that would hold prescription drug companies accountable for their recent price hikes, including supporting Senator Baldwin's bipartisan FAIR Drug Pricing Act. HHS's own Inspector General recently found that even though seniors used fewer brand-name drugs over five years, Medicare spending on branded drugs increased by more than 62% because of increasing manufacturer prices.

Reports show that last year, the pharmaceutical industry spent over \$170 million on lobbying, deploying over 880 lobbyists to influence Washington. This investment has paid off for their CEOs and shareholders, as first quarter earnings showed seven of the largest drug companies together saw \$12.1 billion in profits since the beginning of 2018. Meanwhile, large drug corporations received a tax cut from the Republican tax bill and have spent a combined \$50 billion on new stock buybacks that enriched shareholders and corporate executives while drastically increasing prices on existing drugs. Furthermore, the 18 pharmaceutical companies in the S&P 500 spent an average of ninety-nine percent of their profits on buybacks and dividends over the last ten years.

In February, Senators Baldwin and McCain sent a letter to President Trump urging him to hold the pharmaceutical industry accountable and make good on his promise to lower the skyrocketing prescription drug prices that American families are struggling to afford. Baldwin and McCain co-authored the FAIR Drug Pricing Act, which would begin to address skyrocketing prescription drug prices and hold pharmaceutical companies accountable by requiring transparency for pharmaceutical corporations that plan to increase drug prices. The bill would not prohibit manufacturers from increasing prices, but it would, for the first time, give taxpayers notice of price increases and bring basic transparency to the market for prescription drugs.

## Letters to the Editor

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

To the Citizens:

The next Wisconsin election is the 2018 partisan primary on Tuesday, August 14. Will you be ready and able to vote? Some preparation now could save you time and trouble at the polls and will help ensure that your vote counts.

You might have already received a postcard from the Wisconsin Elections Commission about voter registration. They are sending postcards to 384,000 Wisconsinites who appear to be eligible to vote but are not registered.

Please go to the website MyVote.WI.gov to check that you are registered and ready to vote. Unregistered voters with a Wisconsin driver license or state ID card can choose to register online if their correct name and address are on file with the Division of Motor Vehicles (DMV). You will be directed to the correct page to update your address if needed. If your name has changed, you will need to notify both Social Security and the DMV before you can change your voter registration name. The deadline for registering online is July 25.

If you do not have a driver license or state ID, you can complete a registration form online, print it, sign it, and send it to your Municipal Clerk, along with suitable proof of residence (such as a copy of a tax bill, utility bill, or bank statement). The deadline for registering by mail is July 25. You can register in person with your Clerk until August 10.

You can always register at your polling place on Election Day, if you bring your photo ID and proof of residence.

MyVote.WI.gov provides other important information such as your polling place, what's on your ballot, and your Municipal Clerk's name and contact info. You can also use this website to update your name and address if necessary, or request an absentee ballot.

Save yourself problems at the polls by visiting MyVote.WI.gov now. If you run into an issue, you can always contact your Municipal Clerk for help. If you don't have internet access, you can call this toll-free number: 866-VOTE-WIS (866-868-3947). Finally, the League of Women Voters of the Northwoods is also ready to help; you can send an email to: [information@lwnow.org](mailto:information@lwnow.org)

**Garden Walk and Plant Sale in the Northwoods**

Are you a garden enthusiast or simply want to enjoy a peaceful walk during the day? Consider spending your day browsing the beautiful gardens of the Northwoods.

The Lakeland Gardeners will host their 15th Annual Garden Walk and Ice Cream Social Saturday, July 21, 10 a.m. - 4 p.m. You are invited to tour a variety of private home gardens, as well as visit the Seasons of Life Garden, a public space located on the beautiful grounds of the Seasons of Life Hospice Home, which is designed and maintained by the Lakeland Gardeners in memory of individuals who have died. All proceeds from the Garden Walk benefit this special garden, helping to continue the maintenance and expansion of the project. Tickets are \$15 for adults and \$5 for children aged 16 and under, and are available at Minocqua area garden centers.

During the Garden Walk, stop by the Seasons of Life Hospice Home to purchase plants from The Lakeland Gardeners. All plants, both shade and sun perennials, come from the Seasons of Life Garden or private gardens of the club's members. The gardeners look forward to sharing their abundance and love of gardening with everyone!

For more information, call Ascension At Home | Dr. Kate Hospice at 800-234-3542.

**Kentucky Heritage** Cont. from pg. 1  
 own mini Kentuck Day festival with campers learning to make bean soup and corn bread, and learning the art of needlework, wood carving and how to make their own bamboo fishing pole.

Kentuck Heritage Day camp will be held on the grounds of the Crandon Area Museum and at the Crandon Public Library daily from 10 a.m. 4 p.m. Monday, July 23rd Friday, July 27th.

The camp will be run by Michelle Gobert, UW-Extension and volunteer members of the historical Society. On Wednesday, July 25th, Amanda Flannery, a Crandon High School graduate who obtained her a Master's of Science with a focus on historical archaeology from University of Wisconsin Milwaukee in 2013, will offer campers hands-on archeology experience with an on-site dig on the historical society grounds. The group will also study various lumber towns that once existed in Forest county, including the town of Keith Siding, which Amanda wrote about in her thesis titled the "Oral History and Archeology of the Keith's Siding Site Location."

"In three short years, in the year 2021, the Crandon Area will celebrate fifty years of the "Kentuck Days celebration," said Michelle Gobert, project director. "Over time, the story of why and how our area was settled by families from Kentucky has morphed into the promotion of the Kentuck as a toothless, backwoods moonshiner with little education or pride. According to historical society research, the Kentuck migration story tells about the hundreds of hard-working Kentucky families that left home to create a safer, better life for their

children and grandchildren. Why and how Kentuck families such as the Roberts, Plummers, Kincaids, Duffs, Spencers and Haneys, just to name a few, chose Forest County is an important story in the development of our county. What a better way for our youth to feel connected to our county, than by having them learn first-hand the trials and tribulations of their great-great grandparents that settled the county."

The Wisconsin Humanities Council is a leading statewide resource for librarians, teachers, museum educators and civic leaders, who drive entertaining and informative programs using history, culture and discussion to strengthen community life for everyone. The Wisconsin Humanities Council also awards more than \$175,000 a year over seven rounds of grants to local organizations piloting humanities programming. For more information on Wisconsin Humanities Council, visit or connect on Facebook at www.facebook.com/WisconsinHumanitiesCouncil or Twitter at @WiHumanities.

The Kentuck Heritage Day Camp is open to all area youth ages 9 -15. There is no cost to attend the Camp but registration is required. Lunch will be provided Wednesday through Friday, with brown bag lunches required Monday and Tuesday. Registration is available online at www.forestcountyhistory.org or by calling Michelle Gobert at 715-478-7797. Registration deadline is Friday, July 20th or when the camp is full. For more information please call Michelle at 715-478-7797 or email her at michelle.gobert@ces.uwex.edu.

**Photo ID for Voting**  
*By the GWAAR Legal Services Team*

The 2018 partisan primary is coming up on August 14, 2018. Offices on the ballot include Governor, U.S. Senator, U.S. Representatives, odd-numbered Wisconsin State Senate seats, and all Wisconsin Assembly seats. Now is the time to make sure you have a valid form of identification for voting.

Most people already have the right kind of photo ID for voting, such as a driver's license, Wisconsin Department of Transportation (DOT)-issued ID card, a U.S. military ID card, a U.S. passport, a tribal ID card, or a student ID card issued by a Wisconsin accredited university or college. These types of identification are valid for voting if they are unexpired or if they expired after the date of the most recent general election on November 8, 2016.

The following types of ID cards can be used for voting if they are unexpired: a veteran's photo ID card issued by the Veterans Health Administration of the federal Department of Veterans Affairs, a certificate of naturalization that was issued no more than two years before the date of the election, a driving receipt issued by the Wisconsin DOT, an identification card receipt issued by the Wisconsin DOT, a temporary identification card receipt issued by the Wisconsin DOT through the Identification Petition Process, and a citation or notice of intent to revoke or suspend a Wisconsin DOT-issued driver's license that the DOT issued within 60 days of the date of the election.

Some absentee voters do not need a photo ID. Members of the military and people who live permanently overseas do not need a photo ID. In addition, absentee voters do not need a photo ID if they are considered "indefinitely confined" and cannot travel due to their age, an illness, or a disability. These voters must indicate that they are indefinitely confined when they apply for an absentee ballot.

If you do not have a valid form of identification, and the documents you need to apply for an ID card are not easily available or would cost too much money for you to obtain them, you can use the voter ID petition process. This petition process is available for applicants unable to provide proof of name and date of birth, United States citizenship, identity, or other required documentation. The process is free and will allow you to obtain a receipt that you can use to vote while you obtain the remaining documents.

You should go to your local DMV office to apply for your photo ID receipt. If they are available, you should bring:

- Proof of your name and date of birth (such as your birth certificate);

- Proof of your identity (such as your Social Security card, Medicaid card, Medicare card, etc.);
- Proof of Wisconsin residency (such as a utility bill, government mail, lease, etc.);
- Proof of U.S. Citizenship (such as your U.S. birth certificate or citizenship paperwork); and
- Social Security Number.

If you don't have all of these documents, bring what you have to the DMV. At the DMV, you will fill out two forms. Then, you will receive a receipt in the mail that you can use for voting. Learn what the receipt will look like by going to the following link: <http://wisconsin.gov/Documents/dmv/shared/idpptakeaway.pdf>. This receipt will be valid for 180 days, and it will be renewed automatically unless the DOT cancels it. You will receive additional receipts as long as you are making reasonable efforts to obtain the documents you need to apply for an ID card.

Remember that if you already have an unexpired Wisconsin driver's license or identification card, or if you have a Wisconsin driver's license or identification card that has expired since November 8, 2016, you already have valid identification for voting.

Please note that there is no separate "voter ID" card. If you are unsure whether your identification meets the requirements, you should visit the Wisconsin Elections Commission website at <http://elections.wi.gov/> to check.

The Wisconsin Elections Commission also has information on its website about voter eligibility, poll locations, voter registration information or other election information. If you have questions about how to obtain identification for voting, you can call the Department of Motor Vehicles (DMV) Voter ID hotline at 844-588-1069.

**The Wall of Guns event at the Hodag Sports Club**

The Rhinelander Area Friends of NRA is hosting a Gun-O-Rama at the Hodag Sports Club on County Road C on Tuesday, July 31st, starting at 4:30 p.m. This will be a fun, fast evening with chances to win firearms and other great prizes!

The cost of the event ticket is \$100. For every 10 tickets sold, a winning ticket will be drawn. The winner can then choose from the 30-40 guns posted on the 'wall'. The goal is to sell 200 TICKETS, meaning your \$100 ticket purchase will get you 20 chances to win on the WALL OF GUNS. Best of all, if your ticket is a winner, it goes right back in for the next drawing! You could be a winner multiple times!

Not only does your ticket include multiple chances to win on the WALL OF GUNS, but you also get an amazing BBQ dinner prepared by award winning Chefs, Jack and Ed. They have been competing in the National BBQ cookout known as "Memphis in May." Their first year out, they won with highest honors! Your meal will include some of the best BBQ Pork along with other meats and fixings.

Don't miss out on this new and exciting event. It's

**Mursau congratulates 3 school districts on School Safety Grants**

Madison ... Representative Jeff Mursau (R-Crivitz) was happy to attend the School Safety Grant Announcement in Green Bay today, where three local school districts were awarded School Safety grants from the Department of Justice (DOJ). It was announced by the DOJ this Tuesday that Niagara School District received \$42,177, Goodman-Armstrong Creek School District received \$40,073, and the Menominee Indian School District received \$55,817 in grant funds.

"It was great to be there and see three more great school districts from the area receive these grants," said Mursau. "The money from these awards will certainly help provide the needed resources to improve safety in our schools for students and teachers alike."

The School Safety Grant Program was a product of last session's bill, 2017 Act 143. The program, which is administered by the Office of School Safety at the DOJ, is set to award a total of \$100 million in grant funds to schools state-wide to enhance school safety and preparedness. Already, more than \$9 million has been awarded to school districts throughout Wisconsin, with more being awarded in the near future.

"I am glad to have voted in favor of this bill when it was on the Assembly floor this past session," expressed Mursau. "It's reassuring to think about the impact these enhancements will have on making our schools safer, and I hope to see even more of these grants awarded in the 36th Assembly District soon."

To view the complete list of all 735 schools and school districts that have turned in School Safety Grant applications, you can visit the DOJ website at <https://www.doj.state.wi.us/office-school-safety/school-safety-grants>.
