Lake Lucerne Advancement Association Family Fun Day & Auction

It will be fun for the whole family, at the Lake Lucerne Advancement Association Family Fun Day and Auction at the Lake Lucerne Community Center on County W. The fun begins at 10:00 a.m. on Saturday, August 4th.

The auction inspection is at 10:30 a.m., and after that be ready to bid on everything from sporting goods to furniture and appliances.

There will be plenty of refreshments and food, the paddle wheel raffle, the big money raffle and more. There will be a bouncy house for young kids and plenty of conversation between friends and acquaintances.

All are welcome!

Crandon Cardinal Trap Team Trap Shoot this Saturday

Think you are good with a shotgun? The Crandon Cardinal Trap Team is giving you a chance to show your skills at their Trap Shoot on Saturday, August 4th from 11:00 a.m. until 4:00 p.m. at the trap range at the Crandon Off-Road Raceway, just west of Crandon on Hwy 8. The entrance is on County S at Kemp Lane.

There will be cash and meat prizes, and there will also be shoots for the kids.

Support the Crandon Trap Team and join in the fun!

Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

John Doane- Candidate for Crandon School Board

Hello my name is John Doane, I was born and raised in Crandon and a 1994 graduate from Crandon High School. My wife, Christy and I, have raised our two boys, Isaiah and John, in the Crandon community. Isaiah, a 2015 graduate from Crandon High School and is currently attending UW Whitewater, majoring in Marine Biology. John graduated in 2018 from Crandon High School and will be entering his freshman year of collage at UW River Falls, studying Agriculture.

I am currently employed with Dean Distributing as a salesman, I have dedicated the last 16 years with this company. I was a member of the Wisconsin Army National Guard, joining during my junior year of high school and serving 12 years in the military. While on active duty I spent a one-year deployment in Iraq, as part of Enduring Iraq Freedom. You may also know me as the voice of the Crandon Football team, getting the students and fans into school spirit by singing Sweet Caroline in the fourth quarter during their home games.

I have been interested in running for the school board for a few years, however, my boys where involved in wrestling and football and I was nervous that I wouldn't be able to commit the time to running for school board. Now, that my boys are in and entering their next chapters, I feel I have the time and commitment it takes to represent the Crandon Community as part of the school board. I will commit to attend meetings, ask questions of our community and continue to work on how to make things better for the Crandon School District.

My main goal for the district is to work with our community as a whole; including our teachers, our students, our support staff, our administration and the parents of our children. I would like to address the concerns of our community, including; safety, policies, managing our staff, the budget and any other issues that may arise.

If elected, I would use a common-sense approach. Meaning: if it makes sense, let's proceed. If it doesn't make sense, let's discuss. I understand issues will always arise and it takes a majority to make a difference. I would like to see us as a board, work and come together to resolve the issues of the district that may arise. To make our district a positive place for our students to learn, our teachers and staff to work and our community to visit.

On August 14, while heading to the polls, please keep me in mind. I would appreciate your support and look forward to representing the Crandon School District.

Stovewood Daze this Saturday August 4th 10 to 4

This Saturday, August 4th, from 10-4, Stovewood Daze will take place at the restored Mechalski Stovewood Building. This historic building was saved and now we can see what it was like to live in the early days of the area.

Stovewood Daze helps raise money to keep the historic buildings in repair, and it also provides a fine time in Jennings, with a pig roast, beer, soda and lots of other great food and deserts, plus a bake sale. Historian and raconteur Robert Duerwachter will be on the grounds and is willing to share his history knowledge with all of us. There will be antique tractors, cars and engines weather permitting and live music performed by Steve and Mary Benaszkeski.

Take County B south of Crandon off Hwy 55 or County Z from Post Lake or County B from Pelican Lake.

National Night Out

On Tuesday, August 7th, from 4:00-7:00 p.m., the Forest County Sheriff's Department and Crandon Police Department will be hosting National Night Out in the parking lot of the Sheriff's Department.

The kids have a great time at this event, and every child attending receives a goodie-bag and a ticket for each prize. The prizes include Samsung Chrome Book, Fire HD 8 tablet, Orbotix Sphero 2.0 Robot Ball.

There will be kid's games, a dunk tank, food, a bake sale, archery lessons, a bounce house, and numerous demos of police and fire-fighting equipment and tools.

Everybody is invited to attend and have a good time as well as learn.

4-H Pet Project to offer Pets on Parade

Join the Forest County 4-H and the Crandon Public Library on Monday, August 6th at 6:00 p.m. for a Pet Show. 4-H Spin Club members have been working hard all summer to put together a Pet Show for youth in our community. They hope to raise funds at the Pet Show for both the Forest County Animal Shelter and the Crandon Police Department K-9 fund.

Youth and families are encouraged to bring their pet to the Pet Show. There is a \$5.00 per pet admission fee, with all proceeds being donated to either the Animal Shelter of the K-9 fund.

To participate, all animals must be registered with proof of current vaccination. Registration will begin at 5:15 p.m. in the parking lot of the Crandon Public Library. Registration forms are available at the library's website at www.crandonpl.org or the UW-Extension website at www.forest.uwex.edu for those wishing to complete their forms ahead of time.

All types of animals are eligible to enter but all must be leashed or caged during the program. An adult must accompany entrants under 14 years of age. Any questions, please feel free to call Michelle at 715-478-7797 or email her at michelle.gobert@ces.uwex.edu

Citizens United For Education continue recall of school board

By Boyd Monte

The group Citizens United For Education has reached the required amount of signatures in recall petition of school board member Laura Bauknecht. The group needed 563 signatures, they collected 691 signatures. The number of signatures is based off of 25 percent of the total votes cast for the office of governor in the last gubernatorial election. The number of votes cast in the last election was 2,251.

The signatures were turned into the district office at the school on Monday, July 30. The district will now validate the signatures and the petition to recall. If everything is valid, the recall will go to a vote.

Laona Lions Community Soup and Souper Run Saturday August 4th

The great tradition of the Laona Lions Community Soup is on for this Saturday, August 4th, at Silver Lake Beach, in Laona. The Soup begins at noon, and runs until 5:00 p.m. This is the 98th year the Community Soup has been held, and it sustains the tradition of people from the community getting together and sharing the fixin's for a very large kettle of vegetable soup. Like the old days, you have to bring your own bowl.

Also on Saturday, August 4th, the 39th Annual Souper Run. Race day registration begins at 7:00 a.m. at the Silver Lake Beach. The race is open to anyone from 6 and under to 65 and up.

Election rules at the Pioneer Express

By Mike Monte

Every election cycle feelings run high for various candidates, either for or against. Every election cycle, we have readers who would like to support their favorite candidate, and choose to do so with a letter to the editor pointing out the great attributes of the candidate they like and the failings of his opponent.

It is a good thing when the electorate feels strongly about elections, but it is an impossibility to publish all of the letters that come in to our office. They all feel strongly about their candidate, but not strongly enough to spend a few bucks on an ad supporting that candidate. The cost falls on the publisher, not the supporter.

The other thing that happens is that two letters in favor of a candidate generates four letters for the other guy, and then even more in favor of the original letters of support. The only option is to print some of them, making the letter writers who didn't get published angry.

We had to have some rules to live by, and the choice was to have a free shot for every candidate who wanted to spout his credentials and goals in our "Candidate Spotlight" column. After the free shot in the spotlight, all other political publishing had to be paid for.

The other rule we live by is no new issues in the last issue before an election. We have often had candidates and letter writers who like to point out the faults of the candidate they don't like in the last issue so there is no longer a venue available to answer the charges.

We have run the *Pioneer* with these rules for decades, and we are sticking with it, no exceptions.

Senior Chatter

A Bunch of Fruit & Vegetable Ideas

Submitted by UW-Extension

- Start the day with 100 percent fruit or vegetable juice.
- Add blueberries, raspberries, raisins, sliced bananas or strawberries to cereal.
- At snack time, grab:
 - An apple or orange, or a ziplock bag filled with sweet cherries, grapes, dried dates, figs, prunes, raisins or apricots.
 - Carrot sticks, broccoli, or some red, yellow and green pepper. Try dipping your vegetables in low-fat dressing or salsa.
- Pick fruits and vegetables that require little peeling or chopping, like baby carrots, cherry tomatoes, cauliflower, grapes, apples, broccoli spears, an apple, a banana, or a box of 100 percent fruit or vegetable juice.
- Buy low-fat yogurt, fruit juice and fruit to blend to a quick fruit smoothie.
- Add an extra vegetable dish (like carrots, corn or green beans) at dinner.
- Make a side-dish by stir frying cut vegetables with vegetable oil and seasonings.
- Try something new! Have you ever tried papayas? How about eggplant?
- Combine fruits and vegetables from different flavors and colors, like red grapes with pineapple chunks or cucumbers with red peppers.
- Keep fruits and vegetables visible and easily accessible; store cut and cleaned produce at eye-level in the refrigerator, or keep a big bowl of fruit on the table.
- At restaurants, try veggie pizza, pasta with vegetables, fresh vegetable wraps, vegetable soup or a small salad (instead of fries).
- Buy ready-to-eat packaged fresh vegetables that are already cleaned.
- In a hurry? Try prepared items like sliced melons, pineapple, or salad mixes from the grocery store.
- Tasty additions to salads:
 - Green or red pepper strips, broccoli florets, carrot slices, or cucumber add crunch to your pasta or potato salad.
 - Baby carrots, shredded cabbage, or spinach leaves to bring color to a green salad.
 - Apple chunks, pineapples, and raisins to perk up coleslaw, chicken or tuna salads.
 - Oranges, grapefruit, or nectarine slices add extra flavor to any salad.
 - Fruit juice, flavored vinegars, or herbs

Register for flexible Fall Semester classes at Nicolet College Quick Start Aug. 13-17
With Fall Semester classes right around the corner, Nicolet College is holding a week-long Quick Start event Aug. 13 to 17 where individuals can drop by to complete many, if not all, of the steps necessary to enroll at Nicolet.
Individuals can stop by anytime from 9 a.m. to 4:30 p.m. each day at the Red Oak Center on the Rhinelander campus.
"Quick Start really streamlines the enrollment processes," said Nicolet College Career Coach Joe Haferman. "A lot of people are busy and this is a pretty efficient way for people to register for classes."
Fall Semester starts Monday, August 27.
At Quick Start people will be able to:
- Meet with a Career Coach to discuss career options and the various academic paths available to train for a career.
- Talk with an Academic Advisor to register for classes and set up a class schedule that fits in with other responsibilities.
- Complete the Admission Application.
- Learn about financial aid and start the financial aid application process.
- Learn about payment plans the college has available.
Individuals looking to enroll at Nicolet for the first time should also bring their high school or college transcripts, if available. If not, Nicolet staff will be on hand to help students retrieve transcripts electronically. There's often a fee to do this, so a credit or debit card will be needed
Students who have previously attended Nicolet and are looking to continue their education at the college can also sign up for Fall Semester classes during Quick Start.

To make college possible for people with jobs and families, the college has rolled out the highly-flexible, self-paced Nicolet My Way format for several academic program. The new model combines open lab times with instructors and online classes.

"This allows students to essentially create their own class schedules," Haferman explained. "They complete the coursework at the times that fit around their lives."

The college's Welding program started the Nicolet My Way format this past January. The Information Technology will adopt the new structure this fall.

In addition, the college's Business Management and Accounting programs are now offered entirely online. Other academic programs at Nicolet are expected to implement Nicolet My Way in 2019.

Students in Nicolet My Way programs also work through the curriculum at their own pace Instead of earning college credits by passing a 16-week, semester-long course where all students move through the curriculum at the same rate, this new model takes that same curriculum and breaks it into smaller chunks, known as competencies.

Once students have proven that they've mastered one competency, they move on to the next. When they've demonstrated proficiency with all of the required competencies, they are awarded college credits and ultimately a college degree.

Nicolet My Way programs also offer multiple start dates throughout the year, not just at the beginning of a traditional semester.

"An added beauty of Nicolet My Way is if a student happens to prefer the more traditional structure, they can put together a schedule that closely resembles that," Haferman explained.

For more information about academic programs available at Nicolet, including those offered in the traditional lab and classroom format, visit nicoletcollege.edu or call the college at (715) 365-4493, 1-800-544-3039; TTY 1-800-947-3529 or 711 relay.

Bonus antlerless harvest authorizations to go on sale August 13

Bonus antlerless harvest authorizations (formerly known as tags) will be available for purchase starting Monday, August 13 at 10 a.m. through the Go Wild website and license sales locations.

The fall deer hunt is just around the corner - visit dnr.wi.gov, keyword "deer" and prepare for another season in the woods.

Bonus antlerless harvest authorizations will be sold at a rate of one per person per day until sold out or until the 2018 deer hunting season ends. The cost is \$12 each for Wisconsin residents, \$20 each for non-residents and \$5 each for youth ages 11 and under.

For a list of units with bonus antlerless harvest authorizations available for purchase, visit dnr.wi.gov and search keywords "bonus availability." These and all other deer hunting licenses and harvest authorizations are available online through the Go Wild website, GoWild.WI.gov (exit DNR) or at any of more than 1,000 Go Wild license sales locations.

To prepare for the sale, each day at 9:45 a.m., an online queuing system will be put in place to manage volume in the Go Wild system. At 10 a.m. all online users that are on the site will be randomly assigned a number and staged into a "virtual" line regardless of the actual time you entered into the system. There is no advantage for customers who enter the site before 9:45 a.m. Please note that customers who enter the site after the randomization that occurs at 10:00 will be added to the end of "virtual" line in the order in which they arrive. All visitors to the site during this time period will experience the queuing system.

When you access the Go Wild site, follow the prompts until you reach your personalized dashboard. To purchase a bonus antlerless harvest authorization, click the "Buy Licenses" button from the dashboard to open the sales catalog - from there, you will find the Bonus Antlerless Harvest Authorization at the very top of the list. If you haven't had the chance to get your license in advance, Go Wild can help you purchase one after you select the Bonus Antlerless Harvest Authorization.

Hunters will need to know the deer management zone, unit, and determine whether they will hunt on public or private land in order to make their purchase.

The first three days of bonus sales are management zone-specific and will be available as follows: Aug. 13, 10 a.m. - Northern and Central Forest (Zone 1); Aug. 14, 10 a.m. - Central Farmland (Zone 2); Aug. 15, 10 a.m. - Southern Farmland (Zone 2); and Aug. 16, 10 a.m. - remaining bonus harvest authorizations (all zones).

As a reminder, Farmland (Zone 2) antlerless harvest authorizations [PDF] are now available for distribution. A Farmland (Zone 2) antlerless harvest authorization is included with the purchase of each deer hunting license in units that offer them. Some units will offer more than one with each deer license.

GovDelivery

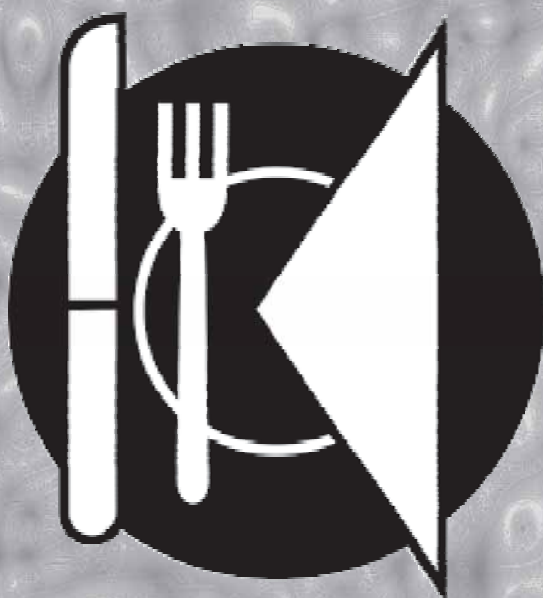

Those interested in receiving occasional email reminders can sign up to receive messages about season dates, license and harvest authorization types, and other information. Visit dnr.wi.gov and click on the email icon near the bottom of the page for "subscribe for updates for DNR topics," then follow the prompts and select a list of your choice.

Death Notices

Cheryl Carlene Campbell, age 70, of Crandon, passed away unexpectedly at her home on Tuesday, July 24, 2018. Cheryl was born in Crandon on February 16, 1948 the daughter of Oral Lee and Laura Lorraine (Tyler) Campbell.

Cheryl worked at various jobs but was proud of the 16 years she spent as a dedicated manager at the Sokaogon Chippewa Casino Lodge and Conference Center. She retired in 1990. She was also extremely proud of obtaining her G.E.D. Cheryl especially enjoyed being with her children and great grandchildren.

She is survived by: daughters, Carlene Lynn Alloway, Wausau, Nickol Ann Felo, Wausau, Crystal Gail Ackley, Wausau; son, Arlyn David Ackley (Chrissy Weber), Crandon; sisters, Sandy (Bill) Fannin, Crandon, and Nancy May, Crandon; brothers, Larry Campbell, Crandon and Bill Campbell, Crandon. Further survived by six grandchildren and eight great grandchildren.

Preceded in death by her parents and sister, Patty. Visitation will be held on Monday, July 30, 2018 from 11 a.m. until 1 p.m. at the Weber-Hill Funeral Home, Crandon. Funeral services will follow at 1:00 p.m. with Pastor Don Dewing officiating. Online condolences may be left for the family at www.weberhillfuneralhome.com.

Frank Joe Parzatka, age 101, of Armstrong Creek, passed away at Wisconsin Veterans Home, King, WI on Monday, July 30, 2018.

Visitation will be held on Friday, August 17, 2018 from 9-10 a.m. at St. Stanislaus Koska Catholic Church, Armstrong Creek, WI. Memorial mass will follow at 11:00 a.m. Online condolences may be directed to the family at www.weberhillfuneralhome.com

A complete obituary will appear in next week's publication.

June Rose Slagowski, 83 of Crandon, WI passed away peacefully on July 22, 2018 at Rennes Rehab Center in Rhinelander, WI. June Doede was born October 4, 1934 in Shawno, WI to Martha and Arnold Doede. She was raised in Bowler, WI and graduated from Bowler High School.

On December 27, 1952, she married Ralph E. Slagowski and shared 62 happy years together. He preceded her in death on March 8, 2014.

In 1952 they moved to Amarillo, Texas for 4 years where Ralph served in the United States Air Force. They then moved to Crandon, WI where they raised their three children.

June worked for 14 years at B.S. Rathert Medical Clinic. In 1978, she opened the Brush and Stroke Ceramic Shoppe where she taught ceramics for 20 years. Upon retiring she and Ralph moved to Ocala, Florida where they resided for 24 years. She was very active in the senior park where they resided. She was the Home Owner Association Secretary, travel and tour director for trips, share director for the food share program and served on the monthly dinners. She enjoyed bingo, cards, water aerobics, crafting and shuffle board.

June and Ralph enjoyed traveling together as they traveled through 45 states including Hawaii, Mexico and Canada. In her younger years she enjoyed music. She played organ in her Lutheran Church, piano accompaniment for the glee club and vocal groups. She played the flute in the Bowler Band along with 5 other instruments. She was also very active in 4-H for 10 years.

June is survived by her 3 children Mike Slagowski (Barbie Muetzel) Sue (Terry) Samz, Dennis (Chris) Slagowski, 11 grandchildren and 19 great grandchildren.

Celebration of Life will be held at St. Paul's Evangelical Lutheran Church in Crandon on Monday, August 6th. Visitation will be from 9:00 to 11:00 a.m. with the service to follow. A luncheon will follow the service. Burial in Lakeside Cemetery will take place at a later date.

Roger M. Mattern, 76, of Freedom, passed away Friday, July 27, 2018 at the Aurora Baycare Medical Center, Green Bay, WI. Roger was born April 6, 1942 in Green Bay the son of Milton and Ruth (Larsen) Mattern. He was united in marriage to Barbara (Venske) Billings on September 30,

1994 in Las Vegas. Roger worked for 34 years at the U.S. Forest Service, Laona Ranger Station as head of the timber marking crew. After retiring he worked part-time for the Forest County Forestry Department, the Hodag fire tower, and groomed snowmobile trails. Roger enjoyed hunting, fishing, and anything that had to do with the outdoors. He liked to travel, take cruises, and spend time

in Florida. Roger loved to pick all kinds of wild berries to make his special wine which he loved to share with friends and donate to charities. He especially loved spending time with his family and friends.

Surviving Roger are his wife, Barbara Mattern; daughters, Bonnie (Scott) Corcoran, Manitowish Waters; Kay Mattern, Laona; step-daughter, Kim (Jeff) Sanders; son, Lee (Lori) Mattern; grandchildren, Sara and Ryan Meier, Brittany and Courtney Smith; Christy and Morgan Mattern; Regan, Ava and Logan Sanders; sister, JoAnn Thompson, Fort Myers, FL. Sister in Law Debra (Mike) Venske New Berlin, Brother in Law Jack (Wendy) Venske Wauwatosa WI.

He was preceded in death by his parents, and daughter, Kathy Mattern.

Celebration of Life for Roger will be held at the Freedom Town Hall on Sunday, August 5, 2018 from 3:00 p.m. to 7:00 p.m. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com

We reserve the right to reject any and all letters.

Dear Editor:

It is back-to-school time and the Forest County Health Department would like to give parents some tips for a healthy start to the school year!

Tips for staying healthy this year: - Get enough sleep. Sleep is an important factor to your child's health and learning. 10-11 hours of sleep per night is the recommendation for school-aged children. - Eat healthy. It is important to have your child eat a healthy breakfast before school. When packing snacks, make sure they are healthy. Encourage your child to drink water throughout the day and cut out sugary drinks. - Stay active. Encourage your child to stay active after school by playing outside or participating in after-school activities. Limit time spent watching television, playing video games, or playing on computers or tablets. - Cover your cough. Teach your children to cough and sneeze into their elbow, not their hands. - Wash your hands. Teach your child to wash their hands often throughout the day, especially after coughing and sneezing. - Get your immunizations. Review your family's immunization records routinely to be sure that everyone is up to date. Parents can look up their child's vaccination records online using the Wisconsin Immunization Registry at www.dhfs.wisconsin.gov. All they need is the name, date of birth, and social security number. Parents can also contact the Forest County Health Department to request their children's vaccination status or with any questions or concerns at 715-478-3371.

Flu season is right around the corner. The best way to protect your family is to get them vaccinated. The Health Department will be offering Flu shots at the schools again this fall, watch for permission slips to come home. The flu mist will not be available again this school year, only the injectable vaccine.

The Northwood's Dental Project will be offering free dental sealants and fluoride varnishes to all 2nd and 6th graders, as well as free fluoride varnishes to all children 6 months to 5 years who are enrolled in or eligible for Early Head Start, Head Start, 4-K, and Kindergarten. Watch for the permission slips to be coming home with your child.

Sincerely, The Forest County Health Department
715-478-3371

To the Editor:

I recently wrote an article on asking the Crandon City Council to reconsider their vote on not trading the trailer park land for the fairground property.

I think there is a big upside to having a fair on the trailer park property. There are many uses for the fairgrounds besides just having the fair. Community events, concerts, flea markets, farmers markets, sports shows, gun shows, the list goes on. It would also be a good spot to hold children's activities and educational opportunities.

I also think that businesses in Crandon would benefit because of the close proximity to downtown.

It is vital to get Hometown Trolley the land that they need to expand, and we need to do this as soon as possible. The land trade would make this possible.

If we don't do this, it would be a big missed opportunity for Crandon and Forest County. It would be because of the short-sighted, backward thinking of the Crandon City Council.

"Opioid Epidemic"

Not only is the Opioid Epidemic a nationwide concern, but Forest County is experiencing it first hand. Drug dealers are profiting from destroying the families of our community and are even responsible for the death of many loved ones. This is an issue that needs to be aggressively combated with tactics that accommodate the societal changes within our community.

The Wisconsin Enhanced Prescription Drug Monitoring Program (WI ePDMP) provides data on the controlled prescriptions dispensed in Wisconsin, law enforcement reports submitted and the use of the ePDMP by healthcare professionals. Law enforcement agencies are required to submit reports when a person reports their controlled substance prescription was stolen, when an officer suspects an individual experienced a fatal or non-fatal opioid related overdose, and when an officer suspects an individual violated the Controlled Substances Act (e.g. diversion of controlled substances, unlawful possession). According to the 2018 data in the WI ePDMP, Forest County ranks near the middle of the state in regard to controlled substance prescription drug doses dispensed per capita. Forest County, however, is currently ranked number one in the state for suspected narcotic-related deaths and non-fatal opioid-related overdoses per capita. So far in 2018, there have been 5 reports submitted for suspected narcotic-related deaths and 10 reports submitted for suspected non-fatal opioid-related overdoses.

In my opinion, a more proactive approach could have been taken to combat the opioid epidemic in Forest County. Naloxone (Narcan®) is a potentially life-saving medication that can be administered to people who accidentally or intentionally overdose on opioids. Police officers in several other Wisconsin counties have been carrying naloxone for over two years so they can administer it to overdose victims they encounter when responding to calls. Naloxone is not just used on people who are abusing opioids; it can be used on individuals who have legitimate prescriptions for opioids but suffer from respiratory depression for a variety of reasons (e.g. drug interaction, incorrect dose.) It could also be used on a child who accidentally ingests a family member's opioid prescription. Naloxone has been used in the field to save police officers who accidentally ingest dangerous substances like fentanyl or carfentanil via inhalation or touch when responding to calls where these substances are involved.

I spoke with Beth DeJongh, Pharm.D., BCPS, BCPP about naloxone several months ago. She is a board certified psychiatric pharmacist and provides education to police officers in Ozaukee and Washington Counties on naloxone. Per Dr. DeJongh, there are no risks associated with police officers carrying naloxone. The medication simply has no effect if it is administered to an individual who has not ingested an opioid. The primary effects seen when naloxone is administered to someone who has overdosed on an opioid are withdrawal effects, which are uncomfortable but not life threatening. Naloxone is typically only administered in life or death situations, so the benefits of this medication vastly outweigh any perceived risk. Police officers in other counties were able to safely carry and administer naloxone after a 1 to 2 hour training. Unfortunately, officers in Forest County have just been trained last month on how to use naloxone and I feel it should not take an election year to prompt this type of training. The use of opioids has been a long-standing issue in Forest County and is only continuing to worsen. This training would have been beneficial years ago and could have been the determining factor in many drug-related situations that turned negative.

I believe we can do more to help address the problems with opioids in Forest County and I would like to take a two-pronged approach focused on prevention and intervention. There are already many great initiatives within Forest County related to the opioid epidemic, but I would like to build a stronger coalition consisting of police officers, healthcare professionals and community members to streamline these efforts. Police officers should be working alongside our healthcare professionals and community members to provide education, reduce stigma and create ways for individuals to seek treatment before they become in trouble with the law. Qualified healthcare professionals around the state are volunteering their time to provide opioid-related education so this could come at no additional cost to taxpayers. There are also grants and educational materials available via Governor Walker's Task Force on Opioid Abuse.

Exercising these programs and expanding our resources will be key factors in combating this issue. The 2018 data in the WI ePDMP statistics for Forest County show a steady increase from year to year and my goal is to stop this increasing problem that is deeply impacting our community. I strongly feel constantly trying new tactics and being open-minded to search for methods that show positive results is needed. We can't keep wasting time and money on old tactics that statistically have proven to be ineffective. I'm not saying that a new method is going to stop this problem, but I feel it is important to keep exploring other tactics to get positive results and to avoid being patterned by the drug dealers and users.

Rescheduling the Sheriff's Office Drug Unit is another area of concern I feel needs attention. It is no secret the units current schedule is Monday through Friday day shift. In my experience as a law enforcement officer, drug offenders are far more active during the evening and weekend hours. Although drug arrests have occurred during weekday hours, the unit could be much more effective working hours where the probability of drug activity is greater. Opioid use and opioid related deaths are both increasing in our community and exercising all resources possible along with proactive tactics is a necessary direction to combat this serious epidemic.

Your town. Your doctor. Your choice.

Dr. Massabni joins Bellin Health

You've developed a relationship with your cardiac physician. We understand how important it is to continue that relationship throughout your entire experience. Whether you've been a patient for years or recently had your first visit with Dr. Massabni, he can continue your cardiac and vascular care just like before, now at Bellin Health.

Bellin accepts most insurance and communicates with your primary care provider from any health care system. You don't have to switch anything. Simply call Bellin for an appointment.

Same great doctor. Same local access. Different clinic address. Welcome to Bellin Health.

ACCEPTING NEW PATIENTS

For an appointment, call 715.735.2203 or visit bellin.org.

Crandon Public Library Summer Reading program ends

The Crandon Public Library's summer program was a roaring success. The program offered performances which both children and adults enjoyed. In total, over 230 people attended the special performances. The summer program kicked off with "Randy's Rocking Reading Show". Randy Peterson, a musician from the fox valley, wrote songs that specifically align with the summer reading program's theme "Libraries Rock", he played his original song "Reading Rockstars" and the kids assisted him by rocking out on air guitars!

The summer program also featured a visit from Trees for Tomorrow where children identified the skulls, skins, and bones of north woods animals.

The most well attended program was Nature's Niche with over 80 attendees. The children loved the opportunity to see and handle over fifteen exotic animal species including a Monitor Lizard, a Sugar Glider, a Coatumundi and a twelve-foot-long Burmese Python!

The program closed with Shannon Howerton's "Tunes at Noon", where Howerton displayed and played ten different instruments for her audience. She also had interactive music themed games, perfect for the children in attendance.

In addition to the performances, the summer reading program included guessing games, library bingo, and coloring contests. These activities were coupled with prizes like summer fun baskets, Play-doh Factories, puzzles, movie baskets, and Lego sets.

However, just because the summer reading program is over, doesn't mean that the fun is too. Stop down to the library anytime to find out what events are coming up!

Engelking Snowmobile Trail Construction Project Proposal

This project proposal is to construct 200' of trail in the woods parallel to the eastside of Engelking Road near Arm Strong Creek. Little vegetation removal and earth disturbance would be needed.

At this time the Forest Service is requesting information and other assistance from Federal, State, and local agencies, and other individuals or organizations that have an interest in or could be affected by the proposed action. Specific information is the most useful for the identification of issues and development and analysis of alternatives to the proposal.

This Public Scoping Notice and the project map are available on the Worldwide Web at: http://www.fs.fed.us/nepa/nepa_project_exp.php?project=54403

Little Rice Lake Meeting Crandon High-August 4th

The Little Rice Lake meeting will be held this Saturday August 4th from 4-6 p.m. in the auditorium at the high school.

Our agenda includes taking nominations for the upcoming election of the full board scheduled to take place at our annual meeting on September 29th, 2018. We will also have the new Forest County Wildlife Biologist attending the meeting to discuss water levels on the lake as well as other important issues.

Tiffney Kleczewski of Flambeau Engineering, our lake plan developer, will also be in attendance to give us a lake plan update.

The public is welcome to attend.

KEEP FOREST COUNTY SAFE: VOTE FOR SHERIFF DENNEE AUGUST 14

I first met Forest County Sheriff John Dennee when I got "turned around" in the woods about three years ago while grouse hunting. My dog and I spent an October night a couple of miles off Goodman Park Road when the temperature dropped to 20 degrees. Sheriff Dennee organized a search party that looked for me most the night. His team and volunteers and I found each other the next morning. No one could have been more professional than Sheriff Dennee, who drove me home after I refused to go to the hospital.

This year, I got to know John better as my community out near Bear Lake fought to keep a violent sex offender out of this remote area, which is near a National Forest Campground. The Sheriff opposed the placement for public safety reasons. Local residents filed a lawsuit to keep the offender out, and won an injunction to stop the placement. Despite the court order, the State planned to house Jeffrey LeVasseur here anyway. Sheriff Dennee halted that move by warning that he would arrest anyone moving into or helping anyone to move into the property.

Given that, I assumed Sheriff Dennee was "on our side," meaning our Bear Lake Association that brought the lawsuit. Well, no, he wasn't. And that is a good thing. John Dennee serves the public at large, not a small group of people who have their own agenda. I am a former journalist and lawyer; I know how to get folks to talk. Because Sheriff Dennee was in nearly constant contact with State officials, I thought I might get inside information out of him. No dice. The Sheriff stayed true to his professional standards, and kept things shared with him by the courts and DHS confidential. In a way, that ticked me off. But the more I thought about it, the more I admired him. The Sheriff's job is not to play favorites, or to help one side or the other in litigation.

Sheriff Dennee deserves our support in his efforts to be re-elected. He is a man of great integrity. He loves this area and its people, and works hard to protect them. We already have "Fairness for Forest." Let's keep it that way by voting for Sheriff Dennee in the Republican primary election on August 14.

The Marvin's and VanCleve's once again celebrated the birthdays of Marie and Shirley's 84th and 85th respectively. A picnic was held at VanCleve's picnic grounds on Saturday. The weather was great and there was lots of jokes, stories, food and fun! Also, a phone call from our grandson, Jordan, in Germany, was extra special!

Marie & Shirley want to thank their families for all they did, also for all the nice cards. Much love is sent to each and every one of you!

Thank you!

THANK YOU!

16th Annual Kentuck Klassic car & bike show

The Kentuck Car Show is always a popular part of the Kentuck Day celebration. This year, motorcycles was added to the show and it was a nice addition as many people came to the exhibit. Here are some photos to enjoy incase you missed it this year.

Polish Heritage Day Cont. from pg. 1

There was a big crowd at Armstrong Creek's Polish Heritage Day. The food was excellent, and there were some interesting crafters displaying their wares, including the lady above selling Polish pottery. Of course, there was a polka band and plenty of dancing!
