Roberts Lake Fisheree & Corn Roast this Saturday

The Roberts Lake Association 43rd Annual Fisheree & Corn Roast will be held on Saturday, August 11th on Hamilton Drive on Roberts Lake.

This is a good deal! You can fish and win prizes for the biggest walleye, perch, crappie, northern, bass and bluegill. Whoever catches the longest muskie will win a dandy Garcia Muskie Reel! After the hard fishing, you can fill your face at the event, with roast corn, brats and burgers.

If you would rather not fish, that's fine. There will be raffles, including meat raffles, and 58 cash prizes with a top prize of \$1,000!

Fishing hours are from 7 a.m. until 4 p.m. Come and enjoy the day!

Conservation Corner Game Camera Competition

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Al Murray, Land & Water Resources Technician at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

"Are you a Conservationist?" People often confuse natural resource conservation with preservation. In my college years, "A Sand County Almanac" by Aldo Leopold was required reading. Aldo Leopold is often referred to as the father of modern conservation. Leopold's "Land Ethic" called for moral responsibility to the natural world. At the core of the idea of a land ethic is simply caring: about people, about land, and about strengthening the relationships between them. Leopold's vision grew out of a set of values that he developed from a lifetime of experiences in the outdoors. Leopold wrote that "we can only be ethical in relation to something we can see, understand, feel, love, or otherwise have faith in."

While I did further my education in a "conservation" field, my ethical understanding of conservation was created long before that time, growing up fishing, hunting, and spending time in the forest with my family and later as part of my job. My father taught us early on, "You only shoot what you are going to eat". He also told us about the forest conditions from the past, the history of logging camps in the area, and how those conditions, and deer hunting changed through time. We grew up learning the forests and lowlands by using "swamp roads" and ridges as our guides and watching conversions of hardwood areas to clear-cuts and then plantations. We also had a firm understanding that logging in the forest created changes that were good for wildlife and also that logging is what kept us fed and our local businesses in operation. I am sure that many of the readers of this article learned "conservation" the same way as I, and they too are conservationist.

Many people view fishing and hunting as recreation, and we must all understand that fishing and hunting are truly and integral part of conservation. Hunting and fishing are the most common way for many people to spend time on the land and over the years remember conditions and how they change. Management of fish and game populations are the goal of bag limits set by the Department of Natural Resources. Hunters and fishermen carry out the management portion of that conservation

Argonne Family Fun Day

Think this is easy? You can try it at Argonne Family Fun Day

On Saturday, August 11th, the Argonne Fire Department will be holding their annual Argonne Family Fun Day. It is fun for the whole family!

There will be a parade at 11:00 a.m. with the line-up at 10:30 at the pavilion should you wish to enter. There are prizes for the best float.

Kid's games begin at 1:00 p.m., and while the kids have fun, the spectators also have a great time. The greased pig event always draws a crowd.

There will be raffles all day, and plenty of good food will be available as well as beverages. The Mullins Boys will provide live music.

You don't have to be from Argonne to have a great time at this event, and all are welcome.

\$1.5 Million in Community Development grants awarded locally

Madison ... Representative Jeff Mursau (R-Crivitz) congratulates three local communities that, together, received \$1.5 million in funds through the Community Development Block Grant (CDBG) Public Facility and Planning Funds. Governor Walker announced late last week that almost \$15 million in grants were awarded to thirty three communities around the state, including three from the 36th Assembly District:

** City of Crandon - \$500,000 for infrastructure and street improvements, including sanitary sewer system improvements.

** Village of Suring - \$500,000 for water system improvements.

** Village of Wausaukee - \$500,000 for a new well.

"It was great to hear that not one, but three local communities were selected to receive these funds," expressed Mursau. "Funding these vital community projects will help maintain and improve the quality of life that our citizens have."

These grants go to communities around the state to help improve streets, community buildings, water systems and more as a way to help revitalize communities. The funds come from the United States Department of Housing and Urban Development and are awarded annually by the Wisconsin Department of Administration through a rigorous application process.

According to Crandon's City Hall, these funds will be used to upgrade sewer and water infrastructure next year.

Arbutus Lutheran Church Fundraiser this Saturday

The Arbutus Lutheran Church Fundraiser will be Saturday, August 11th at the church on the corner of County T and Hwy 55 in Pearson.

All are welcome to come and enjoy the company of friends and shop the crafts, flea Market, bake sale and the vegetables offered for sale.

The event begins at 9:00 a.m. and runs through 3:00 p.m. Have a good time!

**Don't forget to vote early
and often on Tuesday
August 14!**

Crandon's sidewalk controversy

By Mike Monte

If you have been to downtown Crandon since the recent replacement of the sidewalks, you probably feel a little like a mountain goat in spots. The angle of the sidewalk, while not too much of a problem right now, doesn't bode well for winter ice and snow.

To understand the start of this problem, we have to back up to 2002, when the state came in, fixed Hwy 8 and decided that we needed new sidewalks, complete with the hated bump-outs. It was the state's concrete formula that was required to be used and not Flannery's concrete formula. In fact, they were told by Flannery's that it wasn't the correct formula for our winter weather and the necessary salt that has to be used by business owners, lest they be taken to court by somebody who has fallen on the ice.

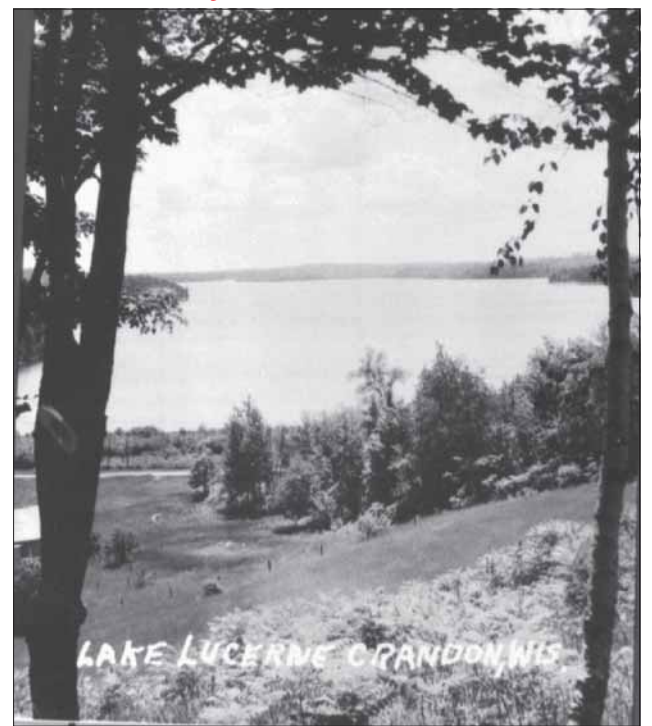

The sidewalk we had last time started to deteriorate in a short time. In addition, because the west side of the street is higher than the east, the road was always higher on the west side than the east, to match the elevation of the buildings. The engineer back in '02 wanted a level street, resulting in the step and the railing we all hated.

Unfortunately, somebody in Madison decided that we don't take care of our roads here in the backward North, and he refused to let the street be put back in the elevation it was in since the 1930's until 2002. Now we have no step, but the engineers weren't allowed to raise the west side of the street a few inches, so several of our businesses have a "ski slope" in front of their stores.

In addition, when the old sidewalks were removed, the rough edges of the old buildings were now exposed, and because a spacer was used against the buildings, business owners now have holes between the sidewalks and the buildings. It appears that filling the new gaps will be the responsibility of the business owner.

Community Garden Open House in Crandon

The Forest County Aging Department along with Forest County Health Department and UW Extension will be hosting a Community Garden Celebration Open House on Tuesday, August 21 at the Crandon Community Garden from 11:00 A.M. to 1:00 P.M.

UW Extension Master Gardeners will be on hand to take you on a tour of the garden and answer your garden questions. There will be soil testing information and soil testing kits available for a fee. If you are interested in having a garden bed at the community garden, this will be the time to reserve your spot for 2019. We offer raised garden beds for those who have difficult time bending and kneeling.

You are welcome to have lunch at the Crandon Meal Site which is located at the Crandon Community Building right next to the garden. Menu for that day is Beef Lasagna, tossed salad, fruit, garlic bread and jello with fruit. If you are 60 and over we ask for a suggested donation of \$3.00. If you are under 60, the cost for lunch is \$8.00. Call Pat, Site Manager to reserve your lunch today at (715) 478-0742.

The Aging Department will also be holding a Free Ice Cream Social on Friday, September 7th at the Forest County Fair Main Display Building at 1:00 P.M. Dewing's Catering will be making their famous pumpkin or apple

Forest County 4-H Pet Club donates to community

On Monday, August 6th, the Forest County 4-H Pet Club held a Pet Show in support of the Forest County Humane Society and the City of Crandon's K-9 unit. The Pet Club, made up of 4-H members Zaylee Bradley, Brody Hoffman and Colt Hoffman, hosted the pet show which raised \$85 for the organizations.

As part of the 4-H "All About Pets SPIN Club" the group learned the basics of pet care and decided to raise money as part of their community learning project. The Pet show included 14 different entries, including dogs, a cat, rabbits, lizards, goldfish, a chicken and a pet donkey.

For more information about Forest County 4-H and its projects, please call Michelle at 715-478-7797 or visit us at www.forest.uwex.edu.

Bear cub rescued

Wonderful resources in the Northwoods are often taken for granted. Here two wonderful assets to our community joined to save a tiny bear cub.. The bear cub was found and reported to law enforcement by a utility worker, and the actions of help began. The two officers took extraordinary care to make sure the area was safe in the event of a mother bear and monitored the little cub. They also called for rescue of the tiny little guy. Wild Instincts sent a team to pick him up, and take him in for treatment.

Upon update on the little guy, he is currently in critical condition at the Wild Instincts Rehabilitation center, recovering from starvation, which leads to the belief he had been on his own for some time, he also is being treated for multiple respiratory issues. He can now stand and walk a little and eats "bear smoothies" to help him gain weight and recover. Although the initial thought was that he had been hit by a vehicle, which has not ruled out, the other factors have may have caused his collapse.

When this little guy pulls through and is strong enough, there are nine other cubs Wild Instinct is rehabilitating that he will be able to join and play with until ready for release.

This is just another way Law Enforcement goes above and beyond the call of duty in the Forest County joining with a wildlife rescue resource we are all lucky to have.. Donations can be made to Wild Instincts to help in the expenses of saving our injured wildlife.

Submitted by Lori Murphy

Frank J. Parzatka

On July 30, 2018, Heaven gained a true hero Frank Joe Parzatka (Parzy), passed from this life peacefully in his sleep at the grand age of 101 years old.

He was born on April 10, 1917 to Albert Joe Parzatka (1884-1956) and Mary (Bedzner) Parzatka (1897-1922) in Chicago, Illinois. After Frank's mother passed away when he was 5 years old, his father remarried Frank's step-mother, Anna Barbara (1877-1958). Frank had one brother, Albert Paul Parzatka (1918-1999) and one sister-in-law, Ailie M. Parzatka (1916 - present).

Frank's family moved to Armstrong Creek from Chicago in 1923 when he was six years old. He attended Engelking School through 7th grade, and then began working on area farms. At age 18, he joined the "CCC Camp" (Civilian Conservation Corps) and worked there for 3 years placing telephone poles and planting trees for \$1/day. Frank then moved back to Chicago for a time, working for Illinois Tool Works where he got paid .55 cents/hr when most jobs nearer to Armstrong Creek were paying .28 cents per hour.

In 1942, he enlisted in the Army and had basic training at Fort Sill, OK. When the war began in 1942, Frank was a PFC in the 82nd infantry, and then was a member of the 101st Airborne. On June 6th, 1944 (D-Day), Frank was on the Susan B. Anthony when the ship struck a floating mine. The ship was destroyed and they lost most of their belongings and weapons. Miraculously, there were no casualties, and they were picked up by other destroyer ships They arrived on Omaha Beach, Normandy on D-Day + 1, where they scrounged for equipment and weapons from the already deceased. He was then sent to Holland, and on September 17th, they invaded Holland by gliders, which were made of only plywood and canvas. The gliders were nicknamed "flying coffins". Frank recalled there was 73 days of rain in Holland, during which time they had to sleep on the ground. After that, they were in constant combat including the Battle of the Bulge in Bastogne, Belgium. He was Honorably discharged on December 2, 1945.

For his heroic service and achievement, Frank was decorated with many medals and awards, including the Bronze Star, 4 Battle Stars for his involvement in 4 major battles during WWII, a Glider Badge, Good Conduct Medal, and a Presidential Citation.

After the war, he moved back to Armstrong Creek and worked at the Goodman Mill until 1947. He then went to Chicago again and worked for Zenith for a short time, and then back to Armstrong Creek and worked for the Soo Line railroad until he retired in 1979. To travel back and forth, he either hitchhiked or took a 7 hour train ride for \$6.

Frank's first vehicle was a Model T truck that he paid \$10 for. He also owned a '31 Model A and a '73 Mustang to name a few. He always wanted a Harley but never owned one.

Frank's simplicity and humbleness, along with his love of God and the bible, brought him happiness for many years. Anyone that knew him, knows that he lived simply. He lived in the same two room cabin his parents had bought, without any plumbing, running water or conveniences of any kind. He exercised or walked every day, as well as doing outdoor work daily. He lived there until 2007, when he moved into a new house on the property. His first home with a bathroom, running water, and "modern conveniences" as he called them. He learned how to use a washing machine (not a wringer washer!) and a microwave. The house has a beautiful view of the Armstrong Creek and wildlife. He would look out big window and say "This is as close to Heaven as I'm going to get, until I get there".

In 2011, after he was unable to drive any longer due to his declining eyesight, he decided to move into King Veterans Home in Waupaca, where he resided until his death. There he was described as "one of a kind", "a cool guy", "always cheerful", "a sweetheart", "always helpful" among many other accolades. He would push the people in their wheelchairs to the dining room, and help with setting tables, while being one of the oldest people there. While at King, in 2012, Frank took part in the Honor Flight to Washington, D.C. to visit WWII War Memorials. The veterans received an unforgettable and emotional welcome home upon their return.

Frank wanted for nothing, and gave of himself. He was frugal in his own life, but one of the most generous people around when it came to others. He donated regularly the the Catholic Church, the VFW, Salvation Army, local schools, as well as many, many other charities. Money was not the only thing he was generous with; he gave of his time on a regular basis. He volunteered with the local Meals on Wheels program and delivered meals "to the elderly" when he was in his 80's and early 90's as well as giving rides to people who needed to run errands or go

Death Notices

to church. He put flags on every veteran's grave in surrounding cemeteries every Memorial Day, he worked for every pancake and porkie breakfast, ushered at church, and volunteered for countless other activities.

Frank always enjoyed life. He loved company and conversation, but also his solitude and time to read the bible and pray and listen to music.

We thank Frank the soldier, Frank the benefactor, Frank the citizen, and Frank the friend for the Blessings he bestowed upon all of us who were part of his life.

A sincere thank you to the staff of King Veterans Home and Heartland Hospice Care who cared for Frank for the last few years.

A visitation and Catholic Mass will be held at St. Stanislaus Kostka Catholic parish in Armstrong Creek, WI on Friday, August 17th, 2018. Visitation will be at the church from 9:00 - 10:00 am with Mass to follow at 10:00. Burial will be at Pine Hill Cemetery in Armstrong Creek, next to his parents. There will be a luncheon at the Armstrong Creek Community Center after burial. Online condolences may be left at www.weberhillfuneralhome.com.

Aline F. Brokmeier, 61, of Rhinelander, WI, died August 1, 2018 at Ascension/St. Mary's Hospital in Rhinelander after a long and courageous battle with cancer.

Aline was born in Crandon, WI on April 1, 1957, to Alvin and Gail (Flannery) Brokmeier.

Aline graduated from Crandon High School, then went on to attend

college in Stevens Point. While living in North Carolina after college, she met and married Randal Grose in 1990. They later divorced.

Aline was charismatic, outgoing and free-spirited. She loved people and loved life. Although she enjoyed many pastimes--including writing, crocheting, singing, and bartending-- her great passion was as an avid gardener. After her recent move to Rhinelander, Aline became involved with the Lions Club. She and her beloved dog, Dixie, were also regular attendees at the Shepard Dog Park. Aline and Dixie also volunteered their time at the Friendly Village Nursing Home, bringing delight to the residents there. She was blessed to have made many new friends because of these activities. More than anything, Aline was a devoted mother.

She is survived by her children, Dillon (Aimee) Grose of Fargo, ND, Fayla Grose of Madison, WI, and Clayton Grose, of Stevens Point, WI; and by three-month-old granddaughter, Livia Grose, who brought special joy into her life. Aline is further survived by her father, Alvin, Rhinelander; and sister, Bev (Bill) Dennison, Crandon.

Aline was preceded in death by her mother, Gail; brothers, Dale and David Brokmeier and nephew, Luke Dennison.

A private graveside service was held by the family (and officiated by Pastor Richard Rogers) to celebrate Aline's life. Online condolences may be left for the family at www.weberhillfuneralhome.com.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

To the Editor:

I would like to extend an apology to the Crandon City Council and the Mayor for more recent letters to the editor.

I didn't have my facts correct, and I am truly sorry. Hopefully, we can work together in the future.

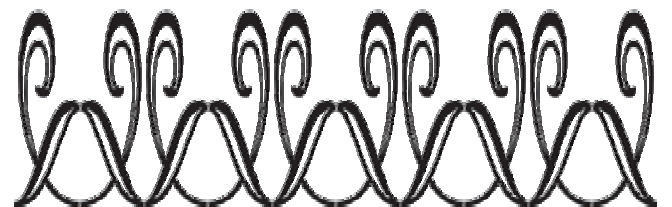

Sincerely,
Randy Burl
District Supervisor District 21

Elk horn donation will help the K-9 fund for the Crandon Police

You don't have to be an elk to appreciate this fine set of elk antlers! They could be yours. Plunk down a five spot at Smith's Sport & Hobby and take a square. If that square is picked, you could have these fine elk horns over your bed or in the kitchen. Your wife will love you!

Seriously, the elk antlers were donated by Glen and Donna Pfeifer from their elk farm just north of Crandon. The antlers are a promotion to raise money for the Crandon Police Department K-9 Fund. Even if you don't win, your money is well spent.

The agenda could be subject to last minute change(s)

Grouse Hunting, Sporting Clays classes at Nicolet Outdoor Adventure program

Fall means grouse hunting for many in the Northwoods and Nicolet College's Outdoor Adventure program is offering two new classes to help hunters experience more success in the field.

How to Find and Hunt Grouse will be held from 10 a.m. to noon, Saturday, Aug. 25, in the Fieldside Center on the Nicolet Campus.

Topics in this introductory class will include the best places to find grouse, what to look for in grouse habitat, hunting with and without a dog, and staying safe in the woods. Gun handling; gun, shot, and choke selection; and shooting techniques will also be covered. Cost is \$20. This will be followed two weeks later with Introduction to Sporting Clays from 10 a.m. to 1 p.m., Saturday, Sept. 8, at the Harshaw Sport Club, 10047 Rocky Run Road, Harshaw.

Participants will have the opportunity to dial in their aim in this class held one week prior to the opening of grouse hunting season.

Instructors will share shooting tips and work with participants one-on-one and in small groups. The class will start with each individual shooting 25 clays on the Trap Range, where the clays fly straight away, before moving to the Sporting Clays Course. Here, instructors will take small groups of three to four students through the 11-station, 50-clay course where the clays fly all different directions and at varying speeds. Participants must have a semi-automatic, double-barrel, or pump shotgun. Participants also need to bring eye protection, ear plugs, and at least 75 shells to the start of class. Cost is \$50.

For more information, contact Outdoor Adventure Coordinator Terry Rutlin at (715) 365-4681 or 1-800-544-3039, ext. 4681.

To register for either or both classes, call Nicolet at (715) 365-4544 or 1-800-544. 3039, ext. 4544.

Limiting Added Sugar

Submitted by UW-Extension

Whenever sugar is added to the foods we eat through processing and preparing, it is called an added sugar. If your diet is high in added sugars, we may be missing out on important nutrients our bodies need.

Not only does added sugar equal unwanted calories, it can displace essential nutrients your body needs and may increase the risk of heart disease, type II diabetes and tooth decay.

American Heart Association Guidelines on Added Sugar

Women: 100 calories or less per day = 24 grams or 6 teaspoons

Men: 150 calories or less per day = 36 grams or 9 teaspoons

Tips to limit added sugar:

- Replace soda with flavored water or seltzer. Try adding fresh mint, sliced lemon, lime, grapefruit or cucumber for great flavor.

- Instead of adding sugar to your coffee, try adding ground cinnamon.

- Limit the amount of sweet treats (cake, cookies, pie, ice cream) you eat. Replace that sweet craving with naturally sweet fruit.

- Be aware that processed foods can be high in added sugar. Read food labels to check how many grams of sugar are in each serving.

- Is fresh fruit expensive or out of season? Buy canned fruit packed in water or frozen fruit.

Bus Schedule

Monday, August 13 - Alvin, Nelma, Laona and Crandon to Rhinelander **Bus Driver: Fred Draves IV**

Wednesday, August 15 - City Route - to Schaefer's / Downtown / Clinic / Crandon Public Library (8:00 - 12:00 p.m.) Wabeno, Laona and Crandon to Crandon (1:00-4:30 p.m.) **Bus Driver: Fred Draves IV**

HELP WANTED

The Forest County Humane Society (FCHS) is currently seeking a highly motivated individual interested in working full-time as the **Shelter Operations Manager**. Duty hours are Tuesday-Saturday from 8 a.m. - 4:30 p.m. Assignments include care, cleaning and pickup of animals both during and after hours. The supervision of the Shelter Operations Manager is the sole responsibility of the Humane Society Board of Directors (BOD). Highly qualified individuals MUST have a love for animals and be willing to provide maximum care services to our animal clientele. Interested individuals should submit a resume of qualifications of a FCHS application to FCHS President Jay Schaefer. Applications can be obtained from the Animal Shelter at 701 Industrial Park Dr. in Crandon, WI or by calling 715-478-2098. Best qualified applicants will be notified and the BOD will determine salary at the time of interviews based on qualifications. Questions and a detailed job description can be answered or obtained from the Animal Shelter. The FCHS is a non-profit 501c(3) organization and an equal opportunity employer. No benefits other than salary are attached to this position.

On behalf of the staff and board of directors at Crandon International Raceway, we would like to extend a heartfelt thank you to the Forest County Potawatomi Community for their financial backing in order to host the free, 2nd Annual Forest County Festival. Along with this successful event, this June we celebrated our 25th anniversary of having Forest County Potawatomi Community as our title sponsor for our spring event. We are looking forward to having them as our title for the "Forest County Potawatomi Friday Night of Thunder" this fall as well. The generosity and support this community has given us and has allowed us to host many successful events on our grounds. We look forward to continuing our partnership for years to come!

Thank you, Crandon International Raceway

We would like to thank everyone that has been supporting us throughout our journey since Kaydence was diagnosed with a malignant tumor. The support we have received through phone calls, texts, messages, mail and personally has been amazing. We have seen so many people come together for our family. We truly are a village, as we have always believed. I wish I could send out individual thank you's, but it is literally impossible. From the hospital stay, to home, to school and work, we have had the best support system. Everyone that came together to plan and have one of the largest and most heartwarming benefits we have seen, to all the people and businesses putting on other fundraisers. I have seen children do lemonade stands that never met her and give Kaydence the money. Other children and families going through a hard time or illness raised money for Kaydence. Everyone taking care of our home and our businesses so we don't have any worries while on this trip of a lifetime. Please check our Facebook page, Kaydence Travels the World to see everything she is seeing. We are truly grateful to everyone!

With Love, Travis, Marsha and Kaydence Tucker

Thank you!

Dan & Peggy Sturzl would like to thank the Laona, Crandon and Wabeno Fire Departments and the many family and friends who came to help after our house fire on July 12th & 13th. We appreciate all you have done for us and the support you have shown.

Dan & Peggy Sturzl

THANK YOU!

The Hiles Fire Department would like to express our appreciation for everyone who came out to participate in our Annual Trap Shoot on July 21st. Even though we did have some rain we had a good turn out! Congratulations to all the winners of the shoots and our raffle winners as well. All the donations received from businesses in our community and our community members help us continue to support our town with our Volunteer Fire Department and EMS.

Thank you again for all your support, we hope to see you out there again next year!
Hiles Fire Department

Crandon sidewalks Cont. from pg. 1

Then again, this is a small responsibility. When the business owners found out they were getting new sidewalks, they also found out that they had to pay for them at \$4.50 per square foot. It seems that the state, unlike the citizens, doesn't have to be responsible for their mistakes.

All agree that we received a sloppy job from the concrete contractor, and a short walk in downtown Crandon will confirm this statement. Supposedly, the concrete contractor has promised to clean up their work. Time will tell. The concrete contractor was Sampsons from Bloomer, Wisconsin. Mussons, from Rhinelander, was not the company that laid the concrete, they removed the old and crumbling sidewalks and did the grading. According to Cheri Flannery, the old concrete formula was not used.

Cracks between the building and the sidewalk, that weren't there before the latest sidewalk project are numerous around the downtown. Crandon Pharmacy is the site of this crack, and they have many more.

This crack in the new sidewalk, complete with the start of chipping is also by the Crandon Pharmacy.

The matchup between the new curb and the sidewalk has a few flaws. On a simple walk around town, it is obvious that not much effort was made to give the city a nice, smooth sidewalk.

Birch baskets were admired at Teaching Drum's display.

The back rubs were popular

The art display at the Legion Hall was admired.

A number of the kids used the playground down by the river that is always there. As can be seen, you are never too old to enjoy the park.

off. At 3:30 the Crandon Ski team showed their talent and skills to give the audience a wonderful performance. The ticket raffle drawing at 5 pm ended another successful Lions event.

The winners of the raffle tickets were:

- 1st - \$500.00 Jeanne LaPlante
- 2nd - \$250.00 Kenzie Krawze
- 3rd - \$125.00 Bill Stanley
- 4th - \$50.00 Jacob K
- 5th - \$25.00 Cooper Chrisman
- 6th - \$10.00 Dorothy Wilke
- 7th - \$10.00 Morgan Krawze
- 8th - \$10.00 Keith VanCleve
- 9th - \$10.00 Richard Krawze
- 10th - \$10.00 Jim Ambroius

House passes Senator Baldwin's health bill

House of Representatives Unanimously Passes Senator Tammy Baldwin's Bipartisan Reform to Improve Palliative and Hospice Care

Baldwin urges Senate to pass bipartisan legislation that boosts the health care workforce to help Americans with life-threatening illnesses

WASHINGTON, D.C. – After the House of Representatives unanimously passed the Palliative Care and Hospice Education and Training Act (PCHETA), U.S Senator Tammy Baldwin is calling on the Senate to take action and support her bipartisan reform to grow, improve and sustain the palliative care and hospice workforce. Senator Baldwin introduced this bipartisan legislation with Senator Shelley Moore Capito (R-WV) last year to strengthen our health care workforce to keep pace with patient need and to help improve the well-being of Americans with life-threatening illnesses and their families. "I'm proud to have worked across party lines to introduce the Palliative Care and Hospice Education and Training Act with my colleague Senator Capito, and I applaud the House for unanimously passing this bipartisan reform," said Senator Baldwin. "It's time for the Senate to take action and get this done so we can help grow and sustain our health

Wabeno's WAM Fest

Wabeno's WAM Fest provides great entertainment for the whole family. There is good music, good food, arts and crafts, and some are hands-on.

Here are some of the scenes of last weekends good time in Wabeno.

Creating your own art was part of the fun.

Laona Lions 98th Annual Community Soup

The Laona Lions 2018 Community Soup , Saturday August 4th at Silver Lake Beach started the day with the Souper Run at 9 am. After the run, people started to line up to get a bowl of soup. The soup prepping started at 5:30 in the morning and it cooked over an open fire. Serving the soup started at noon and continued until the 2 big kettles are empty. The children enjoyed the games, bouncy houses and dunk tank, plus swimming in the lake to cool

Re-Elect John Dennee Forest County Sheriff August 14th

As this election is winding down and you will all be voting on August 14th, I felt this would be a good time to summarize my thoughts on some issues. I would first like to thank my wife, Linda and my family for all that they have lived through during this election. I would also like to thank everyone that has helped my campaign and has supported me through all of this. Words truly will not express how I feel about all that has been done for me!

I have worked very hard for the last several years to provide you with a great Sheriff's Office, to serve you, protect you and be part of your community in a positive manner. With your vote I will continue that approach. I have listened and learned so much over the years to make me a better Law Enforcement leader. I love this County and I am honored to be your Sheriff!

Yes, we have had trying times in our community, but all in all, Forest County is a great place to live. I have been witness to so many examples of the decency of people and what true "community" is throughout the years in this County. It is that decency and support that I have witnessed for years here that I share with my wife, children and friends. That is why I would never think of anywhere else that I would choose to raise my family.

As your Sheriff, I have led an administration that has structured and rebuilt a department to serve you and address the issues in our County in proactive ways. We have utilized personnel and equipment to address the current issues in the community. We have built relationships and opened communications throughout the County that never existed before.

We have worked hard to be budget conscious even at the toughest times and with a mindset that serving the people and addressing the situations is the most important part of our jobs. We have been in and involved in the communities and schools in positive, proactive educational ways to make them better and safer each day. We have created a 2-person Full-time Drug Unit to fight the opiate issues that are in our communities through enforcement, education and prevention. These are just a few of the ways that we have made advancements and changes to better serve you.

By re-electing me as your Sheriff, you can rest assured that we will continue to provide you with a Sheriff's Office that you can be proud to call your own.

**Thank you and remember to vote August 14th
Sheriff John Dennee**

BALDWIN BILL CONT. FROM PG. 19.

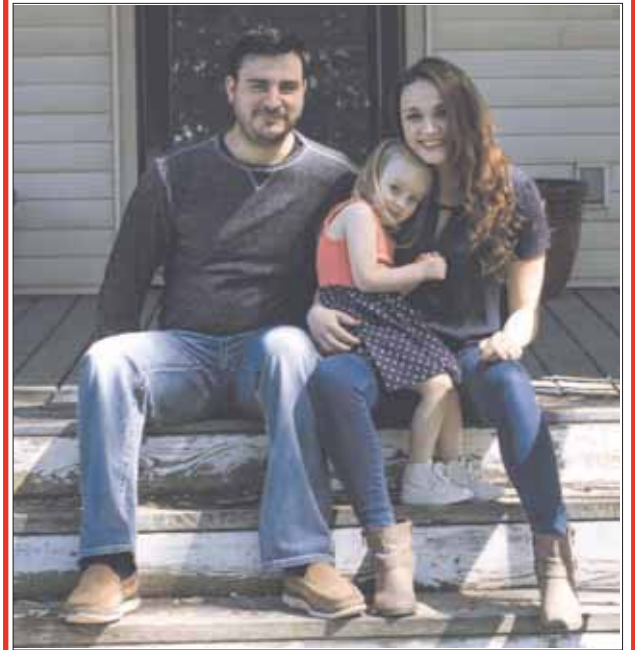

care workforce to safeguard and improve the quality of care for the growing number of patients with serious or life-threatening illnesses."

The Palliative Care and Hospice Education and Training Act would strengthen training for new and existing physicians, those who teach palliative care, and other providers who are part of the palliative care team to give patients and their families a voice in their care and treatment goals. It also boosts palliative care research and provides academic and career awards to incentivize the practice and study of palliative and hospice care.

This bill has strong support, including Alzheimer's Association, the American Cancer Society Cancer Action Network (ACS CAN), and the American Academy of Hospice and Palliative Medicine (AAHPM). Wisconsin groups supporting PCHETA include the Alzheimer's Association Wisconsin Chapters, Alzheimer's & Dementia Alliance of Wisconsin, Wisconsin Aging Advocacy Network and the Palliative Care Network of Wisconsin.

Palliative care and hospice care focus on relieving and preventing patients' suffering and improving their quality of life. This team-based approach focuses on the patients' needs, explains treatment options and gives patients and their families a voice in realizing their treatment goals. Palliative care has been embraced in Wisconsin as a critical component of high quality

Honesty - Integrity -Dedication

My name is Jason Novak and I'm campaigning to be your next Sheriff of Forest County. I was born and raised in Forest County and I am a graduate of Laona High School. I attended Northeast Wisconsin Technical College in Green Bay, Wisconsin where I earned my degree in Criminal Justice.

I am currently a Sheriff's Deputy with the Forest County Sheriff's Department. I am also self employed in the logging business.

I have strong family values and believe in treating people with fairness and respect. I feel my strong work ethic, training, education and experience has prepared me for the position of Sheriff.

My Goals

- **Aggressively combat the drug epidemic
- **Improve department efficiency
- **Outsource Jail Kitchen to save taxpayers up to \$50,000 a year
- **Establish better communication
- **Improve department moral and teamwork to lessen employee turnover
- **Prioritize the best interest of the community
- **Better utilization of tax payer money
- **Implement school resource officers in Laona and Wabeno Schools
- **Remove communication barrier between the District Attorney and Sheriff's Office
- **Establish monthly meetings with all area EMS department supervisors
- **Avoid Jail Expansion

**Please vote Jason Novak for
Forest County Sheriff on
August 14th, 2018 to bring
Fairness for Forest.**

**Thank you
for the continued support!**
