## Laona's 2nd Annual Fall Festival: A Multi-Faceted Event

On Saturday, September 22, the Laona Area Chamber of Commerce (LACC) will host its 2nd Annual Fall Festival in the town's Soup Kettle Park. But the LACC wants the general public to know that there's more depth to this event than readily meets the eye. For instance, half of all vendor booth fees are donated directly to the town of Laona - half of which will go towards the upkeep of the town's parks; the other will go to the Laona Fire and Rescue Squad toward its annual 4th of July fireworks celebration which, by the way, happen to be the best in the county! This is just one of the many reasons why LACC wants the event to be as successful as possible.

Besides the wide variety of fine art, fun crafts, unique goods and yummy food to be had, Cheri & Paul will be providing live music throughout the day. New this year is a skit courtesy Wabeno Area Players featuring Julia "Wildchild" sharing her secret recipe for holiday lemon bundt cake. With Julia's misfortune to be missing ingredients and her propensity to imbibe on other key ingredients, the event quickly turns into a wildly crazy and hilarious baking demonstration. The part is masterfully played by Forest County's very own Carol Bartlein. You'll definitely want to add this to your must-do list!

There are still vendor spots available at an extremely reasonable fee of \$25 for a 10x10' spot. More information on Laona Area Chamber of Commerce and/or the Fall Festival may be found at [www.facebook.com/LaonaAreaChamber/](http://www.facebook.com/LaonaAreaChamber/) or [www.laonaareachamber.com](http://www.laonaareachamber.com). This and other local events can also be found at [www.travelwisconsin.com/events](http://www.travelwisconsin.com/events).

A successful festival with full-to-capacity, interesting art, food and craft vendors not only boosts the local economy on several levels - including those clubs and organizations with philanthropic ideals - it also gives a boost to the morale of our small community. It's a win-win for vendors, businesses, organizations, and residents alike. We hope to see you there!

## Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

### Robert VanZile, Jr. Candidate for Vice-Chair Sokaogon Chippewa Community

Having been involved in the Sokaogon Community for most of my life, I now feel that the time has come for me to seek elected office.

I want to bring fresh ideas and positive solutions or other attributes to the appropriate governmental body by running for Vice Chairman.

As you know, I have always been concerned about the environment, clean water, wild rice, housing, gaming, as well as the health clinic, and Sokaogon Financial I.

I believe there are workable solutions out there that will enhance the qualities related to primary issues. I would like to see some results of success.

I question where is the vision of today. Are we going down the road of herding sheep to the house of no return, or what?

In order to serve the people of the Sokaogon Community, I must conduct an aggressive campaign. For these reasons, I feel that I must step forward and offer the voters of the Sokaogon Community a choice.

For the campaign to be successful, it will require a strong and organized grassroots organization. I cannot do it all alone. That's why I'm turning to the people who know me the best and inviting them to get involved in my campaign and help me make a difference.

Again, I ask for your support in this great challenge. Help me to bring a better government to the people of our Great Nation of Lake Superior Ojibwe of Wisconsin.

Sincerely,  
Robert A. VanZile, Jr.

Tribal Member and the next Vice-Chairman!

The primary election is October 6, from 8:00 until 6:00 p.m.; the first Saturday of October. The general election is on November 6th from 8:00 a.m. until 6:00 p.m.

## 7th Annual Festi-fall in Lakewood

On September 15, 10 a.m. - 4 p.m., the Enchanting Shops of Lakewood (with financial support from the Lakewood Area Chamber of Commerce) will host the 7th Annual FESTI-FALL in downtown Lakewood along Hwy. 32 and down Gage St.

Many creative vendors set up outside the various shops to sell their hand made items such as rugs, wood signs, carvings, paintings, photos, jewelry, ceramics, jams, mittens and much, much more. A prime opportunity to begin your Xmas shopping! Other area non-profit groups are given free booth locations to sell food at the event including the Parrotheads, Friends of Mountain Ambulance Service, Presbyterian Women (famous pies), St. John's Lutheran Church and more.

What sets Festi-fall apart from other craft fairs are the talented musicians that perform throughout the day outside the various shops. Behind Subway at Nicolet Studio & Gallery, Gage St., the talented Ken Dennison will play Blues flavored pop with a hint of God-fearing Soul. Ken will also feature his hand-made cigar box guitars for sale. Local Bluegrass favorite the Wild Willows will perform toe-tapping tunes at Sweet Memories Candy Shoppe, Hwy. 32. Solo artist Gary Baum will once again serenade his fans with his eclectic jazz/folk/swing/pop/ country style in front of Northern Perks Coffee Shop, Hwy. 32. Right next door at Lakewood Frame of Mind Gallery & Gifts local troubadour Pat Lowery will play country/rock. Amy's Cellar and Little Shoppe on the Hill will host Cheri & Paul in front of Nicolet Pharmacy, Hwy. 32. Cheri & Paul are high energy local favorites covering all of your favorite hits. River Street Jazz Band will also perform intermittently at that location.

It's a fantastic day of music, fun, food and shopping, so please join us and support our local community, musicians and vendors!!

### Make it a healthy school year

It won't be long before kids head back to the classroom for the start of another school year. While you need to make sure your child has all the school supplies they need to succeed, it's just as important to make sure they have a healthy school year.

Here are some tips to help your child stay healthy to get the school year off on the right start.

1. Wash away the germs. Encourage your child to wash their hands often. Whether it's soap and water or hand sanitizer, clean hands go a long way in reducing the spread of germs and infectious diseases.
2. Don't skip the shots. Before your child walks into the classroom, make sure their immunizations are up to date. And don't forget about the flu. It is recommended that all school-age children get the flu vaccine, unless they have an allergy to the vaccine or a health problem that will cause complications from the vaccine.
3. Visit the doctor. A check-up is a wonderful way to make sure your child's school year gets off to a healthy start. It's also an opportunity to get a physical for your child, which is usually required for kids who will be playing a sport.
4. Getting sleep schedules back on track. Before they head back to classroom, get your kids back on their school year sleep schedule. Start readjusting bedtimes several days out so children are hitting the pillow earlier. And encourage them to cut back on playing games and watching their favorite programs in the evening.
5. Healthy food = good health. A healthy diet is the fuel

children need to succeed in the classroom. Make sure you child is eating whole grains, fruits, vegetables, lean meats and foods low that are low in fat and rich in protein, such as fish, eggs and beans.

The start of a new school year is exciting, but it can also be a little scary for some children. It's a big shift from summer's freedom to the measured routines of school and sometimes that can build up in to big, emotional outbursts and other classic signs of anxiety.

Here are some additional tips to ease back to school anxiety for children:

1. Listen to your child Be available and give your child your undivided attention to express his/her feelings or fears. Tell them it's normal to experience these things.
2. Focus on the positive aspects of going to school such as being with friends, learning a favorite subject and playing at recess. Talk through previous triumphs and remind them of their own successes with previous situations.
3. Pay attention to your behavior Kids often feed off the anxiety and energy they sense in the adults around them. That's why it's important that you remain calm and positive. The more confidence and comfort you can model, the more your child will understand there is no need to worry.
4. Get back into a routine A week or two before school, start preparing your child for the upcoming transition by getting back into school year routines like realistic bedtimes and selecting tomorrow's clothes.
5. Be patient Erasing anxiety can take time and each day can bring new challenges. Be patient with your child and with yourself, there isn't a one-size-fits-all solution to childhood anxiety.

**Public invited to comment on priorities for water quality standards**

**Comment period open until Oct. 5, 2018**

MADISON - Where should state environmental officials focus efforts to protect surface water quality in Wisconsin over the next three years? State officials are seeking public comment on a draft list of five water quality standards topics proposed as priorities for protecting Wisconsin's lakes and rivers. Specifically, these priorities relate to the protection of public health, recreation, fish and other aquatic communities within the state's waterbodies. This prioritization process, which occurs every three years, is called the triennial standards review. The topics under consideration address things such as levels of toxic pollutants and algal toxins as well as guidance for implementing water quality standards. The Wisconsin Department of Natural Resources is proposing to revise some existing standards because of new information about levels of exposure to certain contaminants and to reflect changes in federal regulations or recommendations. Also under consideration is the development of standards for certain emerging contaminants that may need to be monitored and controlled to protect people and the environment. Any actual changes to standards must be approved by the Natural Resources Board, the Wisconsin Legislature and the U.S. Environmental Protection Agency. There are many potential standards-related topics that may benefit from a review under this process. However, due to limited resources, not all of the changes can be addressed at the same time. The DNR has developed a draft list of water quality standards priorities to work on for the next three years and is seeking public comment on the draft list. Stakeholders are invited to comment on DNR's draft priority list from August 28 to October 5, 2018. The draft report of the 2018 - 2020 TSR priorities, which includes the list and topic descriptions, is available by searching the DNR website, [dnr.wi.gov](http://dnr.wi.gov), for "triennial standards review." A public hearing will be held on September 21, 2018 from 10 to 11 a.m. This hearing is for citizens to comment on or ask questions about the topics presented. Anyone who would like to participate is invited to join

**Crandon International Raceway featured on Wisconsin Life**

The sixth season of Wisconsin Life on Wisconsin Public Television offers plenty to get excited about. Host Angela Fitzgerald connects viewers with what makes our state such a great place to live in, and explore. The program brings viewers closer to people whose passions, experiences and expertise celebrate the best of Wisconsin; introducing new stories from every corner of our state. The Crandon International Raceway is featured in the season premiere of Wisconsin Life, "Off to the Races," airing 7 p.m. Thursday, Sep. 13 on WPT. In the season premiere, Fitzgerald explores the Crandon International Raceway. Home of the World Championship Off-Road Races, this dirt track sees thousands of visitors each year. Fitzgerald talks with president of the track, Cliff Flannery, about how it got its start. Then she gears up for a ride of a lifetime with off-road racer Adam Weber. In addition to sharing this story Fitzgerald also shares profiles on, a Milwaukee artist working to strengthen her community through art, a retired architect who creates models of Frank Lloyd Wright structures, a popular motorcycle ride in Pine Bluff and an animated account of how a writer's run-in with a bear and her cubs gave her a new view of mothering. This season sees Fitzgerald crossing the state to visit places including the caves at the Ledge View Nature Center in Chilton, the Special Olympics Wisconsin State Summer Games in Stevens Point and the Milwaukee Astronomical Society Observatory in New Berlin. The rest of the Wisconsin Life team is just as well-traveled; as always, the program finds and introduces unique and inspiring Wisconsinites from all parts of the state and from all walks of life. # Death Notices

**Bill Torgerson Sr.**, age 65, of Crandon, passed away August 29, 2018 at St. Clare Hospital in Weston, WI surrounded by family.

Bill was born in Crandon on February 15, 1953 to Theodore and Bernadine (Bauknecht) Torgerson. He attended Mole Lake elementary, then Crandon High School, where he excelled academically and on the baseball field. It was there he met the love of his life, Mary Bartoszek.

As a young man, Bill raced snowmobiles across Wisconsin and the country. After high school, Bill married Mary, started a family, and built a house just north of Mole Lake. He would call that home for his entire life.

Bill worked in the construction and logging industries for Wolf Construction (Dousman, WI) before coming back up north to work for Ken Mitchell, Flannery Trucking, and, finally, Charles Mihalko & Sons. During this time, he also coached the Mole Lake Warriors little league teams and traveled to each and every sporting event in which his sons participated.

Bill is survived by his wife, Mary; four sons, Billy (Stacey), Brian (Beverly), Tim (Sarah) and Matt (Nikki); brother, Robert; brothers-in-law, Joe and Tom (Cheryl); sister-in-law, Kathy; and grandchildren, London, Ava, Morgan, Mae, Mason, Estelle, Ali, Lauren, Jase and Leon; along with many nieces, nephews, cousins and friends. He was preceded in death by his parents Ted and Bernie; sister-in-law, Debbie; father- and mother-in-law, Joe and Rosemary; and twin granddaughters, Lucille and Betty.

Bill enjoyed spending time with his best friend and wife, Mary. They loved traveling to the boys' houses to visit the kids and grandkids, visiting his sister Kathy Bartoszek in Florida and going to Las Vegas. Bill could often be found outdoors fishing (especially on Lard Lake), hunting, gathering firewood or gardening with any of his children, grandchildren, or great nephew Obi. Occasionally, he could also be found playing a 7-spot keno pattern at nearby gaming establishments – a pastime he shared with his sons anytime they were home.

Above all else, Bill was a loving and devoted husband, father and grandfather. He will be dearly missed by his family and everyone who had the pleasure to meet and know him.

The family would like to thank the two good Samaritans at the Lake Metonga boat landing, DJ Wilson, Crandon Area Rescue Squad, St. Mary's Hospital, and the nurses and staff at St. Clare's hospital in Weston, WI.

The family invites anyone who knew Bill to join us for a Celebration of Life on Saturday, Sept. 8 at the Nashville Town Hall (corner of Co Hwy B and Hwy 55) from 1 to 4 p.m. Online condolences may be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Germaine Ellen Collins**, age 91, of Laona, passed away Saturday, August 29, 2018 at The Bay of Nu-Roc Health Care Center, Blackwell. Germaine was born February 15, 1927, the daughter of Ernest Michael and Lillian Sophie (Hanneman) Krause.

On February 14, 1953 she married Tytus Marvin Collins.

Germaine had a kind loving nature, a wonderful sense of humor, and greeted you with a smile on her face.

She loved to travel, do woodcarving (taking many classes with Betsy Popp), canning and trout fishing. She fished with her grandson, Travis until she was 85 years old. Germaine faithfully watched the Green Bay Packers and considered Brett Favre the best there was. Germaine was good at anything she tried and it could safely be said she had a competitive streak as well.

In her time at Nu-Roc on any sunny day you could find her sitting by the lilacs enjoying the outdoors and working on a tan.

First and foremost, Germaine loved her family and spending time with them meant the world to her. She touched a lot of lives in her 91 years and will be missed by many.

She is survived by her daughters, Cheri Collins (Sara Hughes) of Wabeno and Teri (Dan) Gardebrecht of Suring; son, Woodson Collins of Wabeno; grandchildren, Dallas (Nyssa), and children, Luccas, Braxton and Elias; Travis (Melanie Allee); step-grandchildren, Kylie and son, Jaryn; Randi (Kyle) and children, Carmen and Kyle, Jr.; sister, Ruth Ralstad of Weyauwega; and brother, Ernest (Pat) Krause of Oconto.

She is preceded in death by her husband, Tytus; parents, Ernest and Lillian Krause; sisters, Helen, Imogene and Ernestine; and brother, Charles.

Private family services were held. Interment was at Forest Hill Cemetery in Wabeno. Online condolences may be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Elfrieda F. Sigmund**, 89, of Lakewood, passed away Wednesday, August 29, 2018 at the Aspirus Langlade Hospital in Antigo. Elfrieda was born June 11, 1929 in Milwaukee, the daughter of Max and Elsie (Will) Diessner.

She was united in marriage to Vernon Clement Sigmund on May 13, 1948. She was a proud member of the VFW Ladies Auxiliary.

Surviving Elfrieda are daughter, Laura (James) Kirkley of Medford, OR; son, Jerald (Sandra) Sigmund of Canon City, CO; grandchildren, James Robert Kirkley VI and Darcie Sigmund; and great-grandchild, Chance Sigmund.

She was preceded in death by her parents; husband, Vernon; and brothers, Alfred, Heintz, and Max Jr.

Elfrieda enjoyed a happy and loving life. She had four favorite pastimes: cooking - which she learned at Girl's Trades and Technical High School during the 2nd World War; travel - the height of her travels being a month crossing Australia in 1996; the company and companionship of her dear friends; and last, but not least, dancing. She said the Jitterbug was her favorite, but when she waltzed people said she looked like an angel.

Celebration of Life for Elfrieda will be held on September 12, 2018 at Waubee Lake Lodge from 10 a.m. to 11:30 a.m. with Services to follow at 11:30 a.m. with Pastor Dick Kendall officiating.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Logan D. Widucki**, 22, of Crandon, Wisconsin, passed away unexpectedly on September 3, 2018 following a UTV accident. He spent his final day with us doing some of the things he loved most -- riding anything with a motor and wheels, being outdoors, and spending time with his friends.

Logan was born on November 26, 1995 to Paul and Melissa Widucki. He graduated from Laona High School in 2014 and went on to work at the local mill and a forest management company. Logan was a hard worker, responsible and dependable. He loved working hard so he could play hard. He was constantly active, riding or working on his toys, hanging out with his friends, fishing or hunting, or just getting dirty in the woods. He was always the person to count on, helping anyone who asked. He took care of his family and friends always. He is a beloved son and brother, special "Un'kin" to his nieces, and phenomenal friend. He will be deeply missed.

He is survived by his parents; his sister, Jade (Leif) Widucki; his nieces, Pyper and Remie Gunderson; grandparents, Lynn and Deb Bellamy, Huck (Ed) and Rita Widucki; great-grandmother, June Bellomy; aunts, Ann Britten and Crystal (Curt) Cooper; uncles, Matthew (Amber) Bellamy and Peter Widucki; and many great-aunts, uncles, cousins, and friends.

He is preceded in death by his uncle, Jesse Bellamy; great-grandparents, Biggy (Eunice) and Capone (George) Collins and Victor Bellomy; and lifelong friend, Paulie Cleereman, who passed a few weeks prior. There is comfort in knowing the two boys are reunited and have more fun and freedom than ever before. They are likely getting into mischief and smiling down on us.

Visitation will be held on September 6, 2018 from 10 a.m.-12 p.m. with services to follow at the Weber Hill Funeral Home of Crandon, Wisconsin. Online condolences may be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

### Conservation Wardens reminder to ATV and UTV riders: "Wear it, Wisconsin!"

**MADISON** - With more crashes involving all-terrain and utility-terrain vehicles this late summer state conservation wardens are urging all operators and riders to remember safety steps. Wisconsin has seen 16 fatal crashes involving all-terrain and utility-terrain vehicles this year.

Gary Eddy, off-highway administrative warden with the Wisconsin Department of Natural Resources, says wardens statewide are encouraging all operators and riders to "Wear it Wisconsin!"

"That means wearing helmets for ATVs and UTVs, and your seat belts on an UTV," Eddy said. Anyone under the age of 18 must wear a helmet, and that helmet must meet U.S. Department of Transportation standards.

Eddy says a common factor in fatalities is the lack of wearing helmets and not wearing the UTV seatbelt. Versatile vehicles best used with safety in mind

"These machines are popular for work and for play, and their use continues to grow in Wisconsin," Eddy said. "Since you can't predict when an incident will occur, it is best to protect yourself and your passengers for that possibility. Simply put on the helmet, fasten the safety straps and click the seatbelt."

One safety tip is to never ride ATVs or UTVs alone. If a mishap happens, you may need immediate help. Photo credit: DNR

"It is always important to remember safety while operating these vehicles for work or recreational purposes," Eddy said. "These machines are often operated on paved surfaces and across rough terrain. These conditions bring their own set of hazards. That's why the use of safety equipment is so important. Many of these tragedies may have been prevented had seat belts and helmets been used."

Eddy urges all ATV and UTV owners to spread the "Wear it Wisconsin" message by setting a personal rule that helmets and seat belts are always used on their machines. Also, educate others you know on the importance of using helmets and seat belts. "A little positive peer pressure on your family and friends can help," Eddy said. "We want everyone to stay safe and have fun while using these versatile vehicles. Here are more of

Warden Eddy's safety tips for all ATV-UTV riders:

Never drink and ride. ATVs and UTVs are challenging enough to operate sober; adding alcohol endangers everyone around you. Practice "Zero Alcohol" and wait until you're done operating all vehicles before consuming alcohol.

--"Seize the keys:" Control who and when your machine is being operated.

--Complete an ATV safety course. All ATV riders at least age 12 (and UTV operators at least age 16) and born after January 1, 1988 must complete a course prior to operating an ATV or UTV. This course may be completed either in a classroom or over the internet. Search the Wisconsin DNR website for ATV Safety" to learn more.

--Use extreme caution while operating on paved surfaces. ATVs and UTVs highly unstable on paved surfaces and cannot be operated in the same manner as a car. All maneuvers must be made in a slow, controlled manner. Corners cannot be taken at the same speed as other motor vehicles.

--Never ride alone. If a mishap happens, you may need immediate help.

--Slow down, be responsible and expect to meet other people while on trails.

--Stay on the right side of the trail. Rough terrain and puddles are part of the experience; don't endanger others by riding on the wrong side of the trail. Cross obstacles in a controlled and safe manner.

--Don't operate your machine outside the limits or capabilities of you, the machine or the environment (trail condition, terrain, hours of darkness, etc.)

--Headlights and tail lights are required at all times while on public roads. All turns must be indicated by use of turn signals or hand signals.

ATV/UTV is among our state's favorite recreational activities in the summer months. Stay safe and stay responsible.

**Animal Resource Fund**

By Cora (Cory) Campbell  
 We at Animal Resource Fund are announcing another FREE vaccination clinic for Forest County!

We are scheduled for Saturday, September 22, at the Town of Nashville Town Hall. Hours will be 2:00 P.M. 6:00 P.M. The Town of Nashville has once again extended the use of our town hall for this clinic, and Dr Sarah Lautzenhiser of Antigo Veterinary Clinic has graciously volunteered her services to administer these vaccinations at our clinic. Hopefully, Dr Lauren Tshida, also of Dr Sarah's clinic, will be able to assist which will expedite the waiting lines. Members of Dr Sarah's staff have also agreed to volunteer their services.

Even though our organization is paying the cost of these clinics, it takes a lot of volunteers to make it happen. On our end, we have Amy Gattol, Jeannie Weyers, Lynne Black, Lindy Mezei, Steve & Laurel Peterson, besides myself.

To make this an even more successful clinic than the last, PLEASE do the following: 1. If your pet has had ANY previous vaccinations, you MUST bring along their shot record, otherwise they will have to start all over again. This happened to several at our last clinic. I berated myself for not stressing this information when I announced the clinic. 2. You must arrive with your dog(s) leashed and cats in carriers. 3. Try to potty your pets before arriving if they defecate on the premises, I will have doggie baggies handy for you to clean up and a waste container for that purpose. After you enter the building and are registered at the door, we will have seating arrangements for you, spaced apart from each other to hopefully avoid any problems. 4. One last plea our town hall has just been freshly repainted; our new flag pole installed. Please do not allow your male dogs to urinate on anything! There are plenty of grassy areas that will provide your dog with a more appropriate place. For smokers that are waiting in line I will have a sand receptacle by the door for cigarette disposal.

While we do accept donations, this clinic is FREE. The whole concept of these clinics is to reach as many companion pets as possible; to make our area as free of animal life threatening diseases as possible. Even if you do not have pets, please try to pass this info on to anyone you may know who does have unvaccinated pets.

Our hours are going into the cooler part of the day, and at this time of year the temperatures could be chilly. Please dress appropriately, and provide for your pets if there is a wait in line.

If love stories aren't for you, and you prefer non-fiction, check out *Killing the SS* by Bill O'Reilly. This work delves into the horrors of the Third Reich. At the end of World War II, many Nazi criminals fled Europe. Some were caught and brought to trial, but many remained on the run. Follow the true story of self-proclaimed Nazi Hunters who scoured the earth in search of SS fugitives. The team's ultimate goals were to hunt, expose, and bring to justice, some of the world's worst war criminals, including Josef Mengele, Martin Bormann, Klaus Barbie, and the notorious Adolf Eichmann. This historical monograph is as informative as it is shocking.

Search parties discovered the pair's campsite ransacked by what they assumed to be a bear.

A decade passed and the two were presumed dead, until one day when the son turned up. The son, now a man, is discovered pillaging a sporting goods store. He is violent and cannot verbally communicate. After extensive behavior and speech therapy in a psychiatric facility, he still refuses to answer questions about his missing father or the past ten years of his life. However, his speech therapist is determined to find answers.

## CoVantage Credit Union offers unique commercial rehabilitation financing

CoVantage Credit Union was recently awarded a \$750,000 grant from the U.S. Treasury's Community Development Financial Institution (CDFI) Fund. CDFI grants help mission-driven financial institutions like CoVantage support economically disadvantaged communities. The purpose of the CDFI grant awarded to CoVantage is to allow the credit union to finance commercial real estate loans focused on the rehabilitation of blighted and/or vacant properties. The goal is to both strengthen individual businesses and improve deteriorating conditions of local downtown areas.

With this grant, CoVantage will create a Commercial Rehabilitation loan program. The credit union will also contribute an additional \$5 million in loan funding to supplement the program. It will be combined with property owners' investments, municipal loan funds, and potential Small Business Administration (SBA) mortgages once the revitalization project has been completed.

Once completed, CoVantage anticipates that the buildings financed through this program will have significantly-increased property values, which will positively affect the values of surrounding commercial properties and encourage further physical improvements. The financed improvements will contribute to job retention and creation as businesses are able to expand and more vibrant business communities develop.

CoVantage will offer the program until the grant is exhausted, and will continue to expand commercial lending services in the communities served. Business owners interested in learning about the many commercial financing programs available from CoVantage Credit Union may contact a Commercial Lender at any CoVantage branch or call 715-627-4336 or 800-398-2667, ext. 1125.

In addition to the above grant, over the past seven years, CoVantage has received a total of \$5.5 million in CDFI grants. These funds have allowed the credit union to assist over 150 families and businesses by providing affordable financing which helped some stay in their home after being at risk of foreclosure, others purchased a first home or financed repairs to make their home more livable, and a number of businesses were started or expanded which saved or created 250+ jobs.

According to Charlie Zanayed, CEO of CoVantage Credit Union, "Our ability to obtain CDFI grants have enhanced the credit union's mission of serving those experiencing financial challenge while remaining financially strong. We are excited to offer this new commercial rehabilitation loan program to help build stronger communities."

## Variety defines 21 performances for upcoming Nicolet Live! series

Another sell-out show is expected when the sweet sound and crazy antics of the UW MadHatters a cappella group returns to the Nicolet College Theatre Saturday, March 2.

Anyone who likes theater, music, and other live performances will have plenty to pick from in the upcoming 2018-19 Nicolet Live! Performing Arts Series with a near-record 21 different performances scheduled for September through June at Nicolet College.

If there's a theme that runs through the season it's the sheer variety of performances, said Nicolet College Theatre Director Jim Nuttall.

"There's everything from the popular a cappella group the UW MadHatters, the comedy of Heywood Banks, a theater show just for kids, and a really interesting ensemble that tells the story of famed naturalist John Muir," Nuttall said.

"With the broad range of performers there really is something for everyone."

The season kicks off Friday, Sept. 14, with a classical music concert by UW-Madison's Pro Arte String Quartet at 7:30 p.m. in the Nicolet College Theatre.

Playing old and new classical music, the world-renowned ensemble is noted for its abundance of emotion and energy. The San Francisco Chronicle hailed the group as "one of the greatest quartets of our time."

Tickets are \$15, with all tickets for performances in the series available for purchase at [nicoletcollege.edu](http://nicoletcollege.edu) or (715) 365-4646. Concessions including beer and wine will be available for purchase prior to most events. All performances are at 7:30 p.m. in the Nicolet College Theatre unless otherwise noted

Other notable performances and events include:

- Backtrack, a five-person a cappella group from New York City, Friday, Sept. 28.

A YouTube sensation with performances at Carnegie Hall, the group infuses heart and humor into every show and pushes the limits of a cappella by creating impressive covers of past and present pop music, writing inspiring original compositions, and daring to take on unexpected genres such as classical and electronic music. \$15.

- Dr. Zorba Paster, National Public Radio host, university professor, practicing family physician, and one of the Dalai Lama's personal physicians, Sunday, Sept. 30, at 2 p.m. His presentation will be based on his book, *The Longevity Code: Your personal prescription for a longer, sweeter life*. He touches on five spheres that impact a person's life – physical, mental, social, spiritual, and material. This event is free.

- Nicolet Players present the comedy *Over the River and Through the Woods* Nov. 2 to 4 and Nov. 8 to 11. Sunday performances are at 2 p.m. The off-broadway hit swirls around carefree Nick, a single, Italian-American guy from New Jersey. When his parents retire to Florida, Nick settles into the routine of staying close to family by having dinner

- Nicolet Players present the *Crucible* May 3 to 5 and May 9 to 12. The *Village of Salem* is running wild with tales of witchcraft.
