Conservation Corner - Land and Water Conservation Board

Conservation Corner is a regular article produced by the Forest County Land & Water Conservation Department. For more information contact Al Murray, Land & Water Resources Technician at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

As I write the article this week, I am preparing updates from Forest County on accomplishments that have been made this year on work toward meeting the goals of the Forest County Land and Water Plan. These updates will be presented at a meeting with the Land and Water Conservation Board (LWCB) at the Department of Agriculture, Trade and Consumer Protection (DATCP) in Madison.

The LWCB connects local and state governments on conservation and farmland preservation issues. The board:

** Reviews county land and water plans and makes recommendations

** Recommends how the Department of Agriculture, Trade and Consumer Protection should allocate conservation funds to counties

** Approves releases from farmland preservation agreements (if signed before July 1, 2009)

** Provides a forum to discuss emerging soil and water conservation issues

The LWCB has 11 members: 3 each from county land conservation committees and state agency leaders, one Governor-appointed member serving a two-year term, and 4 Governor-appointed members representing urban, rural, river management and natural resource preservation interests.

The LWCB review of plans, determines the amount of cost share funding that comes to Forest County. The board also reviews and approves DATCP staffing grant funding which fully funds the County Conservationist position as well as 70% of an additional position and 10% of a third position.

The LWCB reviewed and approve the Forest County Land & Water Plan in October of 2017, however at the board meeting in December 2017 the board requested that Forest County present updates on its work toward the plan goals in the 1st and 3rd year of the plan in addition to the regular 5 year review of the 10 year plan.

The presentation to LWCB will include updates on department splitting which addresses some of the board's initial concerns with staffing working too much on zoning. The update will also include accomplishments of the department including assisting Pine Lake with potential dredging projects, research on the effects of historic wildfires on Forest County lakes and streams, maintaining activity with the Forest County Association of Lakes, improvements in the use of GIS and compilation of GIS data, reviews and drafting updates on the County Comprehensive Plan to promote well planned development, completion of over 120 site visits of shore land properties, and proposals for 7 cost share potential projects.

I hope all is well with the readers and I encourage all to get out and enjoy our fall colors. Scenic drive maps from many towns are available on the county website under the Visit the Forest of Wisconsin tab.

Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Michelle Gobert, Candidate for Crandon School Board

My name is Michelle Gobert and I would like to introduce myself as a candidate for the School District of Crandon's school board.

I have lived in Crandon the past twenty-three years. I graduated from UW-Eau Claire in 1993 and moved to Crandon in 1995 when I married my husband Jay Gobert. Jay and I have two children, Sam and Jeremy, who are both graduates of Crandon High School. Both boys are continuing their education; Sam is a senior at UW-Whitewater and Jeremy is a freshman at UW-Green Bay.

Many of you may know me from my role as the Library Director at the Crandon Public Library. I began my career as a public librarian when I worked briefly at the Crandon Public Library in 1994. During that time period, I worked with a core group of volunteers to start the Friends of the Crandon Public Library, a group that stills exists

School District of Crandon to host a community forum Monday, October 15

The School District of Crandon is hosting a community forum regarding the Energy Efficiency Exemption Project that was approved in December of 2017. The forum will be held on Monday, October 15 in the school auditorium at 5:30 p.m. The board and administration recently met, reviewed the budget and felt a community forum prior to the annual meeting would be an informative opportunity for citizens living within the district's boundaries. There is also new, relevant information from the Department of Public Instruction (DPI) that will be shared with the community pertaining to the project. This will be an opportunity for community members to listen to a presentation involving building and grounds updates, the energy efficiency exemption project and DPI emergency rule, finance, tax levy and mill rate.

There will be an opportunity to ask questions. The goal of the forum is to help inform the electorate prior to the October 29 annual meeting. On the evening of the annual meeting, the project will have to voted on with a yes or no. Please consider attending this informational meeting to better understand how the district is trying to support student learning and community engagement. It is not likely to be a meeting of the full board, and no actions will be taken that evening, but several board members will likely be in attendance.

100th Anniversary of the end of WWI Remembering the local men who served

The recruits leave the C&NW depot in Crandon on the way to whip the Kaiser!

2018 marks the 100th anniversary of the end of the First World War. It was the conflict that put the U.S. on the world stage, and was the beginning of this country's dominance of world affairs. After this war, called the Great War before WWII, Europe would never be the same. The ruling families in Germany, Austria-Hungary, and Russia became part of history and would never again be in power.

Beginning in August of 1914, it was truly a world conflict with fighting between the European powers in places with colonial countries, like Africa. Europe was torn to shreds in many place by artillery and to a certain extent by the beginnings of aerial bombardment. The war also affected backwoods communities like those in Forest County and the Upper Peninsula, with young men joining the military so they wouldn't miss the "excitement." For some of these men, when the train left the depot carrying them to basic training, it would be the last time they saw their hometowns.

Why did the war occur? History books will tell you that it began with the assassination of Austrian Archduke Ferdinand and his wife in Sarajevo, Yugoslavia. This event did get the ball rolling, but the causes were deeper than that. Europe was controlled by non-elected monarchs whose only qualification for leadership was their birth right to the throne. Intelligence was not a requirement for running a country. In addition, the military leaders, who had the ears of the monarchs, usually were able to persuade them to start a war.

6th Annual October Wellness Walk Saturday, October 6 in Blackwell

The Sixth Annual October Wellness Walk will take place on Saturday, October 6, 2018. Registration is at 9:30 at the Blackwell Town Hall. Please bring wet or dry pet food, litter or cleaning supplies to be donated to the Forest County Humane Society.

We will play Reverse Rock Rummy, collect 5 rocks along the Rat River Recreational Trail to accrue the least amount of points for cash prizes. Walking tacos, desserts and refreshments will be served beginning at 11:30 a.m. Come join in the fun!

Crandon Superintendent Dr. Kryder resigns Board hires interim District Administrator

On October 2, the Crandon School Board announced that District Administrator, Doug Kryder has submitted his letter of resignation to the Board. The resignation is effective October 2, 2018.

In his letter, Dr. Kryder expressed his appreciation to the Board, staff, students and parents of the School District of Crandon.

He writes, "While I am proud of my work in Crandon and grateful for the opportunity to serve the students and community members of the District, the time has come for me to step aside as Superintendent. Over the last year, several well publicized accusations have been made against me, all of them untrue and without merit. I have long focused on the power of forgiveness and leave Crandon with no ill will and no regrets. With that, I offer everyone in the School District of Crandon my most sincere and heartfelt wishes for health and happiness in the future."

The Board of Education just took action regarding the acceptance of Dr. Kryder's resignation.

Board President, Jeff Ackley expresses his appreciation to Dr. Kryder on behalf of the of the District, "The Board would like to thank Dr. Kryder for his service to the District and the students it serves. The Board is also grateful that Dr. Kryder has announced his intentions now, at the same time as the Board announces the hiring of Patrick Saunders as Interim District Administrator, providing the Board with an opportunity to conduct a thorough search for Dr. Kryder's replacement and make a seamless transition."

The Board will begin moving forward with the search for Dr. Kryder's replacement in the coming weeks.

The Bay at Nu-Roc to offer free CNA class

An exciting opportunity is soon to be offered locally for any individual looking to advance in a career as a certified nursing assistant. The Bay at Nu-Roc will be hosting a class at Laona High School beginning on Wednesday, Oct. 17. Classes will take place three evenings per week on Tuesday, Wednesday and Thursday from 4 to 9 p.m. The class will complete on December 20, 2018.

This offering affords an opportunity to attend this class at no cost and also presents an opportunity for future employment incentives of up to \$2,000 in bonuses in the first year of employment.

Call The Bay at Nu-Roc at 715-674-4477 and ask for Corie LaRocque or Paul Newton for more information and to reserve your spot now as openings are filing fast.

Stop into the Crandon Public Library and check out our new October titles. This month we have new titles from Iris Johansen, Ann Rice, Nicholas Sparks, Jodi Picoult, Michael Connelly, John Grisham, Elin Hilderbrand, Stephen King, James Patterson, and more! Our new featured releases are The Next Person You Meet in Heaven by Mitch Albom, Dude Crafts by Mike Warren, and Dry by Neal & Jarrod Schusterman,

Check out Mitch Albom's The Next Person You Meet in Heaven, the enchanting sequel to The Five People You Meet in Heaven. The novel tells the story of a woman named Annie, who is marrying a man named Paulo. However, their wedding night ends in a horrible accident and Annie finds herself on a heavenly journey. It is on this journey that she is reunited with Eddie, a character from the prequel. Eddie attempts to show Annie how her life mattered and she discovers things about herself that she never could have fathomed.

Looking for a new "do it yourself" project? Dude Crafts by Mike Warren may be the book for you. This new title is loaded with projects, and ingenious crafts, specifically geared toward men.

CRANDON LIBRARY CONT FROM PG 1

of the Crandon Public Library, a group that stills exists today. In 1995, I took the Director position at the Three Lakes Public Library and spent 13 years working with the community, school and taxpayers of that town. In April of 2008, the Three Lakes library was recognized as one of three top ranking libraries in the state. Later that year, the Director position at the Crandon Public Library became available and I became the Library Director in December of 2008. As the Director of the Public Library, I worked hard on the areas of youth programming and community engagement and engaged the youth in our school district every chance I got.

These community engagements included Frozen sing-alongs, weekly Story Hour programs, taking the High School Senior English class to the UW-Green Bay University Library, obtaining a grant to spotlight successful Crandon Alumni and providing an opportunity for the Crandon High School Art Club to tour the Leigh Yawkey Woodson Art Museum.

During the twenty-five years I have worked in a public library, I have served as an administrator with a full board supervising me. In this position, I was responsible for the day-to-day administration of the library, while the board was responsible for setting policy. I also was responsible for monthly board meetings, annual meetings, and developing budget documents. My role as Director also allowed me to serve as a board member on various community boards, including the Forest county library board, the Chamber board and the Community Coalition of Forest County. All of these opportunities have allowed me to gain an understanding of the Wisconsin Open Meetings laws, Robert's Rules of Order and most importantly, engagement with the community I served.

In February of 2018, I made the decision to switch careers and took a position as an UW Extension educator in Forest County. My role as a Positive Youth Development educator allows me to bring University of Wisconsin programming to Forest County youth. My current programming efforts include expanding access to 4H, maintaining and retaining young adults in our community and expanding youth leadership opportunities in the county.

As a candidate for school board, I am willing to put the time and effort into my position. I feel very strongly that our community cannot allow ourselves to define itself by one individual, the School District Superintendent. Our school district employs close to two-hundred educated, dedicated and hardworking employees, and each one of them should have the opportunity and motivation to help define the culture of our school.

Ultimately, what led to my decision to run as a candidate for the school board, was an idea that popped into my head as I sat at a recent school board meeting listening to our District Attorney discuss ethical violations related to the administration of the school. As I looked around at the frustrated, fed up, outraged and stressed community faces, the idea that popped into my head was this: "It doesn't have to be this way."

We do not need to be the School District that pays out thousands of dollars in attorney fees, while our teachers raise funds for their classrooms Facebook. We do not need to be the District that cringes each time Channel 12 arrives at our door. We cannot continue to let one man and his supporters define who we are as a District, who we are as a community. It's time to put educated, experienced people on our board who are willing to put the time and energy into making our district a reflection of our community.

There is no doubt in my mind that our community values its youth and their education. It's about time we let everyone else know that.

Please vote Michelle Gobert on Tuesday, October 9th.

Claude Bowman, Highway Supervisor, for the Town of Townsend announced his retirement on September 12. Claude started with the town May 1, 1982, which in turn, gave the town 35 plus years of his knowledge and hard work.

His knowledge of the town, roads, grading and snow plowing will be missed. Claude was not only highway superintendent, but did hall repairs and a lot of other multi purpose jobs associated with and around the town. He is also still involved with the festival association and the Townsend Ball Field.

Congratulations Clauds and Nadine. Enjoy!!

I would like to thank the first responders, the Laona Rescue Squad and Forest County Sheriff Department

for the great care they provided to DJ.

I am truly grateful. Ellen Piontek

Goodman-Armstrong Creek National Honor Society receives donation

Pictured from left: Caleb Nelson, GAC NHS Member; Mrs. Richelle Jochem, GAC NHS Advisor; John Newton, Wisconsin Dual Sport Riders Club; and, Colby Nelson, GAC NHS Member.

On Sunday, September 23, the Goodman-Armstrong Creek (GAC) chapter of the National Honor Society received a generous donation of \$1,500 from the Wisconsin Dual Sport Riders club. Each year the club hosts a fall ride and fund-raiser, and then donates the proceeds to area groups that are working to improve the community.

The GAC National Honor Society was selected as one of four recipients this year in recognition of their annual change drive. The change drive is conducted at both the GAC elementary and high school buildings, and the funds raised are used to assist families in need during the holiday season.

The generosity of the Wisconsin Dual Sport Riders club, as well as everyone who donates to the change drive or is active in supporting GAC's National Honor Society, is deeply appreciated.

Cast is set for Nicolet's "Over the River and Through the Woods"

Cast members are busy memorizing lines and perfecting character nuances as they prepare for public performances of the Nicolet Players production of Over the River and Through the Woods in early November. Local actors bringing this delightful comedy to life include, left to right, Dave Daniels, Rhinelander, Marcia Sattelberg, Tomahawk, Josh Gustafson, Minocqua, Allison Seils, Argonne, Cavan Kelly, Antigo, and Kate Larch, Rhinelander.

The story swirls around Nick, a single twenty-something with deep family roots in New Jersey. But the ties that bind start to unravel when his parents retire to Florida and he's offered a dream job as a marketing executive in Seattle.

Comedy ensues as Nick's conniving grandparents plot and scheme to keep him close to home, enlisting the help of the lovely, and single, Caitlin O'Hare. Performances are scheduled for Nov. 2 to 4 and Nov. 8 to

11. Tickets are \$10 general public, \$8 for student and seniors and can be ordered online at nicoletlive.com or by calling (715) 365-4646.

Adolph A. Kowalkowski, 83, of Armstrong Creek, WI passed away Sunday, September 23, 2018 at his home. Adolph was born October 6, 1934 in Goodman, the son of Frank and Anna (Pasowicz) Kokwalkowski.

He served in the U.S. Army. Adolph was united in marriage to Joyce Wall in 1957 and she preceded him in death January of 1976. He was on the Town Board in Armstrong Creek for 20 years, member of the Sportsman's Club, and was president of St. Hubert Shrine.

Surviving Adolph are daughters, Debra (Jeff) Hayward of Green Bay, Gayle Kowalkowski of Green Bay and Carolyn (Michael) Lemanski of Florence; sons, Timothy (Sharon) Kowalkowski of Goodman, Paul (Terra) Kowalkowski of Armstrong Creek and James Kowalkowski of Goodman; 14 grandchildren; 6 great-grandchildren; step-father to Peggy Neuens, Patty Lieburn, Katy Sipple; sisters, Carol (James) Hopkins of Oneida, Theresa Lockwood of Armstrong Creek and Kathy Baumgartner of Kewanee; his twin brother, Edward Kowalkowski of Goodman, Bernard (LaVern) Kowalkowski of Armstrong Creek, Frankie (Janice) Kowalkowski of Armstrong Creek and Patrick Kowalkowski of Goodman; special companion for 20 years, Brenda Ash; and his extended children, Robert Nulph, Ronald Nulph Timothy Nulph, Christopher Nulph; and 11 grandchildren, 2 great-grandchildren.

He was preceded in death by his parents; son, Adolph; and grandson, Timothy.

Mass of Christian Burial was held at 11 a.m. Friday, September 28, 2018 at St. Stanislaus Kostka Church of Armstrong Creek with Fr. Timothy Brandt officiating. Burial followed at Pine Hill Cemetery with Military Honors. Visitation was held from 4-7 p.m. on Thursday, September 27, 2018 at St Stanislaus Kostka church and again on Friday from 10 a.m. to time of service.

Terrol (Terry) Flannery, aged 76, of Goodman, Wisconsin, passed away on October 1 at The Bay at Nu-Roc after a three-month battle with brain cancer.

Terry was born on September 11, 1942, to Gordon and Thelma Flannery in Laona, Wisconsin. He attended school in Crandon and graduated in 1960. He entered the Air Force and served four years from 1961 to 1965.

Terry married Kay Champine in 1966 and raised four sons. For a short time he worked for General Motors in Lower Michigan. After returning to Crandon, he began working for the Soo Line Railroad and remained there for 12-1/2 years until the Soo Line began to downsize. Terry and his wife divorced in 1977.

In the summer of 1980, Terry met Joan Ehlinger Draxler, and they were married in December of that year. When Terry's employment with the Soo Line ceased in 1984, he began to work in the woods, a job he always loved. Unfortunately, he had an accident on the job that cost him one of his legs.

Even though Terry was disabled the rest of his life, he never complained about it, and continued doing everything he enjoyed (only a little slower). He began collecting gas memorabilia and antique vehicles. He seemed to have eyes in the back of his head, because whenever he was driving anywhere, he could notice any antiques way in the distance on the side of the road or maybe even behind him. Whenever he asked any one of his children or step-children to go for a ride with him, they knew it probably would be an all-day trip. They knew Terry had a reason for asking them to come along; mainly to help him bring some good "junk" home.

Terry is survived by his mother, Thelma Flannery; his wife Joan; his four sons, Allen (Brenda), Perry (Marsha), and Tim (Polly) Flannery of Crandon, and Randy (Heidi) Flannery of Marshfield; his step-children, Bernie (Jeff) Laurich, John (Ann) Draxler, Nancy (Kevin) Coonen, and Cindy (Tim) Stilp of Appleton, Gary Draxler of Green Bay, and Joan (Jody) Ruff of Alma, Wisconsin; his brother, Gordon-Luke (Marilyn) Flannery of Crandon; sister, Jean (Bill) Montgomery of Crandon; and brother, Dan (Mary) Flannery of Appleton. He is also survived by 17 grandchildren and five great-granddaughters.

He is preceded in death by his father; his sister, Marilyn; and his brothers-in law, David and Merle Ehlinger.

Terry was very proud of his military service and was instrumental in getting a new veterans memorial built in Goodman. He has been the Legion Commander of Post 325 in Goodman for many years. He was very proud of his family. Along with being a father to his four sons, he became a father to his six step-children.

Terry will be sadly missed by everyone who knew him. There will be an empty place in our hearts for the rest of our lives. The family wishes to thank the staff at The Bay at Nu-Roc for their care during the short time Terry was there, and they also wish to thank Ascension Hospice for being there for Terry's last few days.

As per Terry's wishes, services will be held on October 20th at the Goodman Veterans' Memorial with visitation from 11 a.m. to noon. Services will begin at noon.

In lieu of flowers please make memorial donations to the American Legion or the Goodman Historical Society.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

NOTICE - HYDRANT FLUSHING
OCTOBER 17TH & 19TH, 2018

We will be flushing the fire hydrants October 17th through 19th 2018
You may wish to draw water prior to our flushing dates and refrigerate it for drinking purposes.

During the flushing period your tap water can become discolored. Should you experience discoloration, please flush your water tap until the water runs clear. Hydrant flushing improves water quality.

Should you be interested, we invite you to observe the change in the initial, intermediate and final water quality from the hydrant during flushing. Hydrant flushing can increase water pressure, remove discolored water from the system and increase fire-fighting ability in various parts of our system. This exercise flushes pockets of stagnated water out of the water supply system and improves water quality not only in color, odor and taste but can also remove harmful constituents before they are able to develop. Thank you in advance for your patience during this time period. Should you have any concerns, we ask that you feel free to contact our office at 473-2905.

Red Arrow graduates 15 in ATV safety course

Red Arrow Snowmobile ATV Club held a DNR ATV Safety Course on September 15th and 16th. The event, was held at the Red Arrow clubhouse and attracted students of all ages. Lead Instructor Larry Westphal and Instructor Carl Christensen led the two day course and were very pleased with the attention of the students. The students passing the exam and receiving their riding certification were Kody Baeb, Allen Beck, Christian Brazeau, Paul Brazeau, Clayton Evans, Kelly Evans, Mason Evans, Bailey Rennert, Scott Rennert, Tyler Rennie, Bryce Schefadore, Jamie Schefadore, Casey Schneider, Gary Wagner and Sandra Wagner

Anyone born after January 1st, 1988 must complete the course to ride an ATV legally in Wisconsin. Currently that means that anyone 30 years old or younger must have completed the course, either in person or online.

Red Arrow Snowmobile ATV Club has been serving the Townsend area since 1968 and is responsible for the maintenance and grooming of snowmobile and ATV trails in and around Townsend. You can find out more about Red Arrow activities by visiting our website at www.redarrowtownsend.com or visiting our Facebook page from the link on the website home page. Come ride with us and enjoy our trails. We are right in the middle of well over 1000 miles of fully interconnected ATV/UTV trails.

Red Arrow will be offering a DNR Snowmobile Safety Class on October 27-28, 2018 at the Townsend Town Hall. Anyone born after January 1st, 1985 must complete the course to ride a snowmobile legally in Wisconsin. Those students under the age of 16 must attend and complete a Safety Class in person, there is no online option. Information is available on the Red Arrow website. Register online at <https://gowild.wi.gov>.

SCHOOL DISTRICT OF CRANDON PUBLIC MEETING NOTICE

Community Forum - School Auditorium
Monday, October 15, 2018 at 5:30 p.m.

At the forum, school business matters will be discussed, but no action will be taken. The agenda is as follows:

- A. Introduction
- B. Information
 1. Energy Efficiency Exemption Presentations
 2. Question and Answer Session on Presentations

Meeting Abstract

The School District of Crandon is hosting a community forum regarding the Energy Efficiency Exemption Project that was approved in December of 2017. The Board and administration recently met, reviewed the budget, and felt a community forum prior to the annual meeting would be an informative opportunity for citizens living within the district's boundaries. There is also new, relevant information from the Department of Public Instruction (DPI) that will be shared with the community pertaining to the project. This will be an opportunity for community members to listen to a presentation involving the following:

- Building & Grounds Update
- Energy Efficiency Exemption Project & DPI Emergency Rule (PI-15)
- Finance, Tax Levy & Mill Rate

There will be an opportunity to ask questions.

The goal of having a forum is to help inform the electorate prior to the October 29th annual meeting. On the evening of the annual meeting, the project will have to be either voted yes or no. Please consider attending this informational event to better understand how the district is trying to support learning and community engagement. It is not likely to be a meeting of the full board and no actions will be taken that evening, but several board members will likely be in attendance.

The School District of Crandon does not discriminate on the basis of sex, race, religion, national origin, ancestry, creed, color, sexual orientation, pregnancy, marital or parental status, or physical, mental, emotional or learning disability.

Deer Hunting

No changes to deer carcass transportation rules in 2018

The proposed emergency rule regarding transportation of deer carcasses out of CWD-affected counties will not go into effect this year. Regulations regarding the transportation of deer carcasses in 2018 are the same as they were in 2017.

For more information, visit the DNR carcass movement restrictions webpage, or contact Scott Karel, Rules and Regulations Specialist by email or calling 608-267-2452.

Registration of deer harvest is required

All harvested deer must be registered by 5:00 p.m. the day after recovery in the Deer Management Unit (DMU) of harvest or an adjoining DMU. Deer may be registered online through Game Reg, by phone at 1-844-GAME-REG (1-844-426-3734), or at a participating in-person registration station. Before you register, have the unique deer harvest authorization number ready.

Baiting and feeding regulations

In 2017, Wisconsin Act 41 amended Wisconsin Act 240 to limit the time during which the baiting and feeding of deer may be prohibited following a positive test for CWD or TB. Please check this page frequently for updates, as baiting and feeding bans will renew again with each new positive CWD/TB test result. Hunters should continue to follow local ordinances that may prohibit baiting and feeding of deer until they are notified of a change locally.

Baiting is not allowed in Forest, Langlade, Oconto or Oneida Counties.

Registration methods

Registration is still mandatory and is accomplished using one of the methods below.

Online: gamereg.wi.gov (fastest and easiest method)

Phone: 1-844-426-3734

County codes for phone-in registration [PDF]

In person: Search for an in-person deer/bear registration station that provides a phone or computer for public use.

Reminder: You will need your unique tag number or harvest authorization number to begin the registration process.

Wisconsin deer donation

The deer donation program will be continuing Wisconsin's autumn tradition of helping those in need. Since the program began in 2000, hunters have donated over 90,000 deer which were processed into over 3.6 million pounds of ground venison. Donation throughout the state

Wisconsin has a network of venison donation partners including: county land and water conservation departments, food pantries, charitable organizations, Hunt for the Hungry, USDA - Wildlife Services and participating processors who all help implement and administer the program.

How to donate your deer

Hunters, you can help feed needy people throughout Wisconsin this fall by taking 5 simple steps.

Donate any legally harvested deer from

Public Notice Goodman-Armstrong Creek School District

The Board of Education of the Goodman-Armstrong Creek School District could be in attendance as a quorum or whole on October 17, 2018 for the Community Referendum Meeting held at 6:30pm in the MS/HS Gymnasium.

There will be no action taken from the Board at this meeting, or any other scheduled Referendum Meeting throughout the upcoming months as informational meetings occur throughout the district.

The board has scheduled meetings with the Goodman Township, Armstrong Creek Township and Lions Club. Additional meetings at the meal-sites will be added.

Meetings Scheduled:

- September 17 - 6:30 p.m. - Town of Goodman
- September 30 - 7 p.m. - Sportsman Club
- October 15 - 6 p.m. - Town of Armstrong
- October 17 - 6:30 p.m. - 2nd Community Meeting
HS Gym
- October 25 - Lion's Club

Wisconsin by dropping it off at a participating processor [PDF] by February 2, 2019. Deer harvested outside of Wisconsin cannot be donated through the Wisconsin deer donation program.

Prior to donating, field dress the deer, register it and write your registration confirmation number down. You will need the registration confirmation number handy in order to fill out the hunter donation log sheet that the meat processor maintains.

Call first! Contact one of the participating processors before dropping the deer off to verify the processor has space to accept your deer.

Donate the entire deer to receive the processing for free. (Head and/or antlers may be removed for mounting.) Please handle the carcass as if it were destined for your own table. A couple bags of ice placed in the cavity will help preserve the carcass in warm weather.

When dropping your deer off at a processor, please complete the log sheet indicating your desire to donate the deer. We'll do the rest. The donated deer will be processed and the venison will be distributed to charitable organizations to help feed Wisconsin's needy.

Winter 2018 Snowmobile Safety Course - October 27th & 28th

Red Arrow Snowmobile/ATV Club is sponsoring a Wisconsin DNR certified Snowmobile Safety Course. The course will be held at the Townsend Town Hall Municipal Building at 17937 Front Street, (corner of Elm Street and Hwy 32 in Townsend).

Class meets Saturday and Sunday, October 27th and 28th from 10:00 A.M. - 2:00 P.M. Attendance is required both days.

There is no actual snowmobile operation for the class, classroom only.

Everyone is welcome to attend the course with a recommended minimum age of 11-1/2. Those born after January 1, 1985 and at least 12 years old must have Snowmobile Safety Certification to operate on public areas. Those students who have not reached the age of 12 may not use their certificate to operate alone until they turn 12 years of age. If a child is under the age of 16, the certification must be obtained in a classroom setting, there is no online class availability. Parents and adults are encouraged to enroll and participate. Fees for the course are \$10.00 per student. Fee is waived if you, parents or grandparents are members of the Red Arrow Snowmobile/ATV Club.

Register online and also obtain a DNR customer number at <https://gowild.wi.gov/> or a customer number can also be obtained at DNR service outlets or 1-888-936-7463. You must have a DNR customer number prior to taking the class. Class size is limited to 20 participants and this class will very likely reach capacity, so sign up early.

Students with special needs will need to contact the instructor in advance to request special accommodations. For information or assistance, please contact Larry Westphal at 920-912-3689 or Lw56trailz@gmail.com. Text or email is preferred, as Northwood's voicemail success is not guaranteed

Forest County releases results of 2018 Wi Wins Compliance Checks

Along with the Forest County Health Department (FCHD) the Northwood's Tobacco-Free Coalition (NWTFCC) once again conducted Wisconsin Wins tobacco compliance checks this year. Any store that has a tobacco license is subject to an annual compliance check. A total of 15 random checks were completed in Forest County. This year, 3 stores sold tobacco to a minor. That makes our county's illegal sales rate 20%. We want to congratulate the following retailers who were checked this year and did not sell tobacco to a minor:
 ** Dollar General of Crandon ** Schaefer's Food Mart of Crandon ** Liquor Lode and Wine House of Crandon **

The Gas Depot of Crandon
 ** Krist Oil of Crandon **
 Rockin' Robins of Wabeno
 ** Family Dollar of Laona **
 CJ's Bar of Newald ** Main Street Ed's of Argonne**
 Lake Forest Trading Post of Hiles ** Potawatomi C Store of Wabeno **
 Krist Oil of Wabeno
 *Due to randomization, not all tobacco retailers were checked

We encourage all retailers selling tobacco products to ID anyone who looks to be under the age of 40. If any retailer would like more information on how to properly train employees to read IDs please visit: www.witobaccocheck.org. This site offers a free, easy, online training program. OCHD is also available to conduct free trainings for retailers if desired.

By working with local stores to eliminate tobacco sales to minors we can help improve the health of our youth and brighten our community's future! For additional information on the Wisconsin Wins program please contact Holli Denton at the Forest County Health Department at 715-478-3371, or by email at hollidenton@co.forest.wi.us.

Drug company coupons and assistance programs

By the GWAAR Legal Services Team

These days, a common way for people to pay for costly prescription drugs is to utilize drug manufacturer's coupons and assistance programs. For many individuals, this may be the only way to access expensive cancer, anti-rejection, and HIV drugs, among others. In addition, these benefits are valuable when the prescribing doctor believes the brand name drug will work better than the generic version, but the brand name drug is too expensive under the person's current health plan.

The first thing to consider is whether the drug manufacturer offers a discount for your particular prescription. For drug coupons, you need to contact the manufacturer directly. For assistance programs, you can use www.needymeds.org or Medicare's searchable list of drugs at <https://www.medicare.gov/pharmaceutical-assistance-program/>. Here you can click on the first letter of the drug's name to see if any programs are available for

WWI Anniversary Cont. from pg. 1

Teddy Roosevelt's son, Quentin, was shot down by the Germans and was buried by the Germans near the French village of Juvigny, with full military honors. He was, after all, the son of an ex-president of the U.S. The 32nd was proud to capture Juvigny and repatriate the grave of the fallen comrade.

To the various military staffs, it broke the boredom and gave them a chance for national recognition as daring and intelligent military leaders who would lead the country into glory and honor. These members of the various military staffs, however, did not do the bleeding and suffering. The average young man did most of that with the exception of some of the elite of the country who had graduated from a military school and wanted to adorn their chests with medals. For some of these elite, the honors never came, but they had fancy funerals and not common graves.

The 32nd Division was formed primarily from Wisconsin and Michigan National Guard units. Forest County sent a company of their young men to fight in the Great War, and many of them readily signed up at a recruiting party held on the courthouse square in July of 1917, after the U.S. had finally entered the war that had enveloped Europe, the Balkans and even the Middle East. Note Lawrence of Arabia, who became a household word doing battle in the sands of the Middle East. The European colonies around the world were anxious to join the fray like their friends and relatives back in Europe.

Forest County sent many of her sons off to this conflict. It is part of the landscape these days, but that granite obelisk with all of the names of the WWI veterans still deserves attention. Those names with a star are those who paid the ultimate sacrifice. None of them are still alive, of course, but they do represent patriotism, courage, and, it is safe to say, a youthful spirit of adventure.

Years back we did a story on a recruitment party on the Forest County courthouse grounds. There was live music, beer and patriotic speeches. The time was July of 1917, and the party was thrown by Captain Himes of the army reserve. Himes was from Merrill, and had come to Crandon to work for the Keith & Hiles Lumber Co. as a forester/woods boss. Himes was with Black Jack Pershing on his campaign to capture Pancho Villa after the Mexican rebel had attacked border towns in the U.S. Pershing and his men entered Mexico and tried to chase down the elusive Villa but were unsuccessful. It appears that Himes,

and Army reservist, had caught the "military bug" even if they hadn't caught Villa.

About 90 men signed up at the recruitment/beer party that day, and they came from all over Forest County. The new unit became part of the 32nd Division, 128th Infantry Regiment, Company H of the Fourth Wisconsin Infantry. A poster, that is framed at the Crandon Library, lists all of the names. They eventually went into battle in France, after leaving on the train for Camp Randall, in Madison, then to Waco, Texas for training and eventually shipping out of Hoboken, New Jersey for Brest, France. In Brest, they lived in tents and did some more training. While in Brest, Himes found himself torn from his unit and transferred to an engineer unit. It seems that the American Army needed barracks and warehouses to accommodate all of the men and supplies that were being shipped to France. He wasn't happy, but did as he was ordered, and he didn't get to lead his Forest County boys into battle.

It should be noted, that not all of the men who fought in WWI were in the 32nd Division. The list of the names on the honor roll at the courthouse has the names of men who served in a variety of units and did different functions for the various branches of the military. However, the men of Company H received a lot of notice, and there is that list of names at the library as a reference. Now, like back then, they are getting attention!

In a book published about the 32nd Division shortly after WWI, there is a list of the highlights of the 32nd in WWI. Here is a sampling:

****Six months under fire, from May to November of 1918.**

****Fought on five fronts in three major offensives: The Aisne-Marne, Oise-Aisne, and Meuse-Argonne**

****Sustained 14,000 casualties from all causes**
****Met and vanquished 23 German Divisions, capturing 2,153 prisoners**

****First American troops to set foot on German soil, in Alsace, in May of 1918.**

****Over 800 officers and men decorated by American, French and Belgian governments**

****Composed of Wisconsin and Michigan National Guardsmen with the insignia of the Red Arrow, signifying that the 32nd shot through every line the enemy put before it.**

****They were called "Les Terribles" by the French because of their ferocity in battle.**

We will try to share more of the history of WWI and the local men who fought in the war in the weeks ahead.

Historical Walk and Talk scheduled for October 26th

The Crandon Area Historical Society is excited to announce a partnership with the Crandon High School Drama team on an upcoming historical tour. Members of the Drama Team will provide a guided tour of main street Crandon portrayed as early Crandon residents. The tour will feature stories of both the buildings and residents of early Crandon. The Crandon High School Band will be providing musical entertainment throughout the evening in the Courthouse gazebo just like the original Crandon Bass Band did over 100 years ago.

Crandon middle school and high school students, with the assistance of UW-Extension educator Michelle Gobert and Historical Society member R.T. Krueger, are currently researching these stories with primary source material found in the historical archives of the Crandon Public Library.

Tours will begin at 6:30, 7:00 and 7:30 p.m. at the Crandon Historical Society located at 103 W. Jackson street in downtown Crandon. There you will be greeted by the original owners of the house museum, Henry and Etta Carter, portrayed by Historical Society members Warren and Linnea Dorau. The cost of the tours are \$5.00 per adult and \$2.00 per student. Proceeds from the event will benefit both organizations. Tour attendees are encouraged to dress for the weather, wear comfortable walking shoes and bring their own flashlight.

For more information, please call Michelle Gobert at 715-478-7797.

Library Continued from pg 1

Each project is accompanied by a supply list and step by step instructions on how to successfully complete the project. With this book you'll learn how to repurpose an electric saw into a kitchen blender, cook meals in the dishwasher, create your own swiss army knife for your keychain, and over 45 other interesting crafts and projects! Ready for a survival story? Check out Dry by Neal & Jarrod Shusterman. All her life Alyssa was taught to conserve water. "Don't water the grass," "don't fill your pool," "don't take a long shower," were regular commands in her California community. However, no one truly believed that one day the tap would run dry. When it does, the people of California resort to desperate measures in order to survive. Dry is the story of a world that's run out of water in which Alyssa is forced to make life or death decisions to ensure her family's survival.

If you'd rather kick back and enjoy a movie, stop in and check out the new DVD's this month. Our newest additions are The Ant Man and the Wasp and The First Purple.

To check-out or reserve any of these new items, stop in to the Crandon Public Library, or call 715-478-3784.

CHS Class of '68 holds a reunion

1968. Once called "The Year That Rocked The World" Viet Nam-The Tet Offensive, Assassinations of Martin Luther King and Robert Kennedy, North Korea seizing the USS Pueblo, world-wide student protests, Lyndon Johnson.

50 years ago. Students from that time could not help but be affected by the news. Grappling with being teen-agers, and trying to think about becoming adults. Those times and the time spent together surely influenced those classmates.

The Crandon High School class of 1968 held their 50 year Class Reunion on September 22.

Handshakes, hugs, laughter, acknowledging physical changes, and remembering. For some, the entire five decades had passed since seeing older classmates. Name tags helped. But the eyes, the voices, the smiles were tell-tale giveaways.

Surrounded by photos of the Mole Lake, Argonne, and Crandon elementary-yes, there were three then. Pictures of the old high school. Yearbooks. A prom poster from 1967, sports team, band, and graduation pictures.

Sadly, 15 of our classmates are no longer living. They were remembered by name, photos, and candles with a memorial table. Twenty-five per cent of a class, gone too soon, gone forever.

Those attending were :Linda (Hagelin) Armstrong, Helen (Baumgartner) Bishop ,George Cedzo, Sherry Chaney, Earl Cummings, Brenda (Bonack) Davison, Pete Davison, Dorla (Johnson) Donek, Christine (Hoffman) Flamme, Cliff Flannery, Patsy Gerald, Jane (Marshall) Gruett, Kathy (Schultz) Hayes, Stan Hayes, Dave Hoffman, Mike Ison, Fred Manley, Larry Mullins, Linda (Strong) Myott, Sue (Houle) Quade, Bill Quisenberry, Allen Radliff, Barb Rau, Bob Ripinski, Dan Samz, Kathy (Krause) Schaefer, Kathy (Bonack) Stempa, Pat Walker, Sally (Campbell) Weber, Darryl Wilson. Teacher: Harry (& Janet) Resch.

Those who sent regrets were: Judy (Jacobs) Huthchinson, Diane (Duff) Tyler, Sandy (Lemke) Plummer, Tom Tupper, Keary Mattson, Linda (Gumm) Young, and Teachers Gary Cyrus and Joe Mckenna.

The reunited classmates and their spouses/guests who attended would like to express appreciation to Class President Earl "Robin" Cummings and his wife Peg for all their efforts in making the reunion a reality and success. Also appreciation to Mark and Amy and staff at the Crandon Hotel for making their perfect space and dinner available for the event.

All attending said their next gathering will be sooner than the half-century mark.

**Armchair Traveler Series
"Pacific Northwest Road Trip"
at the Crandon Public Library**

Join Russell and Jodi Brownell in their presentation of their journey on one of America's classic routes: along the Pacific Coast from San Francisco to Vancouver. The couple will present their photos and experiences, while offering tips on how to plan your very own trip to the Pacific Northwest. You can expect to see highlights such as the majestic redwoods, Fern Canyon, the unspoiled Oregon Coast, British Columbia, and the colorful cities of Portland, Seattle, and Victoria.

The event will be held on Wednesday, October 17, 2018 at 7:00 p.m. in the lower level of the Crandon Public Library as part of the library's Armchair Traveler Series. You won't want to miss this incredible presentation.
