Wabeno Area Players awarded grant from Packers

Green Bay Packer Foundation Trustee and Chairperson, Jerry Ganoni with Wabeno Area Players Vice-President, Carol Bartlein accepting the grant award.

On Wednesday, December 5th, The Wabeno Area Players were honored with a \$4000 grant from the Green Bay Packer Foundation. It was a momentous occasion for the players and one the community can truly be proud of. The grant will be used for a New Fine Arts Series and Community Programming. The Players will be adding two concerts in conjunction with the three mainstage productions in 2019. The performing groups will also be spending the day with area school students working with them on music, theater and dance. Included with the concert additions, the players will be hosting several adult workshops throughout the year for adults. The workshops will range from beginning acting to short play performances. The three mainstage productions for 2019 are On Golden Pond, Working and Farce of Habit.

The Players are a completely community focussed non-profit organization. For information about our season and events please see our website www.wabenoareaplayers.org or on facebook @wabenoareaplayers. You can also contact us through our email wabenoareaplayers@gmail.com. For tickets to our mainstage productions please call (800) 838-3006 or you can purchase online at wabenoareaplayers.brownpapertickets.com.

Merry Christmas

The Wabeno Lions Club Christmas Caroling!

The Wabeno Lions Club provided some real "White Christmas" cheer on "Frosty" Saturday evening in Wabeno. Aboard two "People Haulers" towed by a professional driver, complete with a blasting sound system and 10 microphones, twinkling lights, "Jingle Bells" and (kinda) professional singers, Santa and 24 Lions members crisscrossed the streets of Wabeno's "Winter Wonderland," caroling and handing out candy bags to children.

This annual event stirs excitement around little Wabeno and warms the hearts of Lions Club members when "Santa Claus Is Coming To Town." There will never be a "Blue Christmas" when the Wabeno Lions Club takes to the streets with their brand of "Jingle Bell Rock!" Everybody, "Have Yourself a Merry Little Christmas!"

Laona Rescue Unit receives a donation from the FCP

Laona Rescue Unit was recently given a donation from the Forest County Potawatomi Community to purchase a Lifepack 15 monitor/defibrillator. The older Lifepack 12's that the squad has are not being supported by the manufacturer, and new monitors cost approximately \$40,000. Laona Rescue carries one of these monitors in each of its three new ambulances.

The monitor has cardiac monitoring capabilities, pulse oximetry, end-tidal CO2 monitoring, automated blood pressure, and the ability to transmit 12-lead EKG's to the hospital.

Since being put in service at the Wabeno station, this monitor has transmitted four "heart attacks" that needed immediate transport to the Cath Lab. Laona Rescue is extremely grateful to have received this generous donation from the Forest County Potawatomi Community.

Laona Rescue will be doing different fundraisers throughout the year to raise funds to purchase the additional two monitors that are needed for the other two squads. Any donations that are received throughout the year will go toward these monitors. Two current events are the gift wrapping that is going on now and Breakfast With Santa on December 23rd.

Campbell Auto Supply partners with Auto Value

Minnesota-based Automotive Parts Headquarters Inc. (APH), a family-owned aftermarket auto parts distributor and store group, is pleased to announce the addition of Campbell Auto Supply to its family of independently owned Auto Value parts stores.

The auto parts store has been a part of the Crandon community since 1978 and is owned and operated by Dave and Sandy Campbell. Dave joined the store in 1989 when the location was known as Northern Auto Supply and later CARQUEST. The Campbells purchased the store in 2007. Their son, Carl, is also involved in the family business.

Since joining Auto Value in early December, the Campbells and APH have been busy updating and expanding the store's inventory, as well as remodeling and resetting the entire showroom.

Honoring Chief Willard Ackley

The last hereditary chief of the Sokaogon Chippewa, Chief Willard Ackley, was born on December 25, 1889, in a traditional Ojibwe wigwam along the shores of what the old people called "Dry Lake" (now called Bishop Lake).

Abby Peterson wins Laona Lions Peace Poster contest

The Laona Lions Club member Lion Sue Laskowski presented Abby Peterson with a check for \$50 and a certificate for winning the 2018-19 Peace Poster Contest with this years theme "Kindness Matters." Abby is a 7th grader at Laona School. Her poster was chosen from 27 entries. Abby received her award at the Annual Christmas party held Saturday, December 15th at the Double Buck Restaurant in Laona.

School District of Crandon moves forward with Energy Exemption Project

The School District of Crandon had a special meeting on Monday, December 17 in the Nicolet Room. The purpose for the meeting was to decide on the group to manage the Energy Exemption project that was approved at the annual meeting in October. The school received one bid for the project and that group was Unesco.

Representatives were present at the meeting to answer any questions or concerns that the school board or members of the audience might have. The school decided to approve Unesco for the project. In the next few days a contract will be signed. School Board member John Doane was named as the committee chair for the project. He will attend update meetings throughout the project and give a report to the board and the public at the regular school board meetings.

Senior to Senior Connection

For Christmas this year, Señora Brownell's senior Flex students did a "Senior to Senior Connection" where they made up gift bags for senior residents at Nu Roc Nursing Home. The gift bags were accompanied by a senior picture and note or card telling a little bit about themselves so the older seniors know something about the "younger seniors" and can see that we have great kids who care! Merry Christmas!

Homemade Jams and Jellies this weekend!

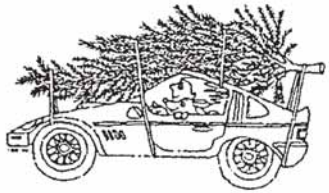

"Jammin' For The Animals" will be set up this weekend Dec. 22nd & 23rd at Schaefer's IGA in Crandon. Cute and delicious, these little jars are great for your last minute gift giving.

Don't forget the Jalapeno Pepper Relish. It's a party in a jar.

All sales benefit our Forest County Humane Society and are \$6 each.

2019 Conservation Poster Contest

The Forest County Land Conservation and UW-Extension committee announces the 2019 Wisconsin Land + Water Poster Contest. This contest is open to youth in kindergarten through the 12th grade that attend a Forest County school or are home schooled within Forest county.

This year's theme for the poster is "Life in the Soil : Dig Deeper". The poster contest has five age divisions. Judging will be held at the county level in January of 2019 and first place winners are eligible to advance to the district, state and national levels. The National competition is sponsored by the National Associate of Conservation Districts. Classroom teachers in Forest County schools that complete the contest as a class project will be eligible to win a \$25 classroom gift card to Amazon.com.

Posters are due to the Forest County Land Conservation office no later than 5:00 p.m. on Wednesday, January 9, 2019. School district poster pick-up may also be scheduled by calling Michelle Gobert at 715-478-7797 or email michelle.gobert@ces.uwex.edu.

Entry forms and rules are being distributed to each of the school districts serving Forest County youth or can be downloaded at the UW-Extension website at www.forest.uwex.edu. For additional information, please call Michelle at 715-478-7797.

Campbell Continued From pg.1

Dave and Sandy are confident the improvements will allow their store to better meet the auto care needs of area businesses and residents.

On the service side of the business, the parts store will continue to offer hydraulic hose replacement service, as well as free battery, starter and alternator testing. They will also continue to install wiper blades and replacement bulbs free of charge.

For hard-to-find parts, Campbell Auto Supply will rely on APH's overnight delivery service. APH's distribution center, one of the largest in the Midwest, is well-known for its inventory of parts for import, small engine, agricultural and heavy duty applications. - more -

Campbell Auto Supply is located at 215 North Lake Ave and is open from 7:30 a.m. to 5 p.m., Monday through Friday, and from 8 a.m. to 1 p.m. on Saturday. The Campbells can be reached at 715-478-3301.

A grand reopening celebration will be held at a later date. In the meantime, the Campbells invite area residents to stop by and see the exciting changes taking place.

NOTICE TO THE TOWN OF LINCOLN RESIDENTS

It has come to the Town's attention that the DNR doesn't allow municipalities to burn transported waste on Town property without a facilities permit. Obtaining a facilities permit is an extensive process, and approval is unlikely. The Town Board feels at this time that they have no other recourse but to stop taking burnable items at the trash site. However, citizens are allowed to acquire a burning permit on their own, from the DNR, to burn on their own property. Therefore, effective immediately the Town of Lincoln will no longer be taking the following items at the trash site: brush, wood, lumber, leaves, trees, and grass clippings, etc... or any other materials that previously went into the brush/burn pile.

Thank You,
Town of Lincoln Board

Ackley Continued From pg. 1

Every December 25th, the Sokaogon Chippewa Community celebrates the life of Chief Willard Ackley. The day is recognized as a National Holiday within the Tribe. It is said Chief Ackley was an expert in many Ojibwe customs, from the use of traditional plant medicines, to hunting and fishing, to the creation of birch bark crafts. He taught many in the ways of the natural laws. He was also an ambassador of goodwill and advocated for the advancement of Indian people into the 20th century. To this day, his legacy lives on among the people of Mole Lake.

The Treaty of 1854, also known as the second Treaty of LaPointe, established the various reservations of the Ojibwe. Although this was to include the Mole Lake and St. Croix Bands, both were left without a land base and placed the people of each Tribe in great peril. The Tribe, under the leadership of Chief Ackley, finally, and after a long struggle, received federal recognition and reservation status in 1937.

Chief Ackley met with many government officials to obtain federal recognition for the Sokaogon Chippewa. At a 1934 meeting in Ashland, Bureau of Indian Affairs Commissioner John Collier asked Chief Ackley where he wanted the reservation to be. Chief Ackley stated he wanted the reservation to be located at Rice Lake for the wild rice beds. The Chief took a handful of wild rice out of his pocket and stated, "This is the food of Indian people."

In 1962, with the help of his sister, Alice A. Randall, Chief Ackley was able to successfully apply for a Historical Marker retelling the story of the Battle of Mole Lake.

Snowmobile Safety Course graduates

Pictured here are the graduates of the December 16 snowmobile safety class, held at the City of Crandon Fire Department. The class instructors were Forest County Recreation Officer Chad Mullis, Forest County Deputy Sheriff Don Belland and Conservation Warden Brad Dalquist. Also pictured with the graduates are Wabeno Lions Club members Paul and Cheryl Ehlinger and Gregg and Barb Tallier, who presented each of the graduates a gift certificate for \$100 to be used for the purchase of a snowmobile helmet.

In a joint fundraiser between the Wabeno Lions Club and Potawatomi Carter Casino Hotel, "Helmets for Kids" was created in memory of Donovan Shepard, with which funds raised would be used to furnish safety helmets for graduating young people in accredited ATV and snowmobile safety courses held in Forest County. The two entities partnered with Smith Sport and Hobby of Crandon, who will custom fit and help these graduates pick out their respective helmet.

On behalf of all involved, congratulations safety course graduates, and safe riding! We also urge parents of our graduates to make sure and visit Smith Sport and Hobby soon, to have their student fitted and order the helmet of their choice. Keep your eyes on the newspapers and Forest County Sheriff Department website for information on an ATV safety course, likely to be held this spring.

SUPERINTENDENT'S CORNER

Parenting is a tremendous opportunity to develop a child into a responsible citizen. Some of the most valuable tools a parent has to work with are love and respect, faith and hope with an optimism for great expectations.

We recognize that while a teacher can have a significant impact on a child's development, the greatest, longest and most influential current history are full of stories about high achievers or exemplary individuals who cite the most influential person in their life is one or both parents.

Since we at the School District of Crandon recognize parents as the most influential teachers of a child, it is logical to consider what the school is doing or can do to work with the parent in their efforts to develop a responsible citizen. Clearly, there are areas where the school must take the lead in child development. However, taking the lead in curriculum and programs, for example, should not mean parents are disregarded. It is because we recognize the influence of the parent and our role as co-developers of a citizen that the school must actively seek to communicate with and involve parents.

The administrators, teachers, and support staff of the School District of Crandon will continue to focus on the things parents have shown us they need from us:

1. We will work with and understand your child. We've learned that when your child is loved and respected they will enjoy learning and try harder.
2. We will work on being responsive to your concerns and focus on solutions. We know that you love your child and are eager to share in successes and you are prompt in correction when needed.
3. We will work on demonstrating our genuine care for your child. We've learned that living an attitude of compassion and forgiveness not only equips us to never give up, it also models the sense of family and community which children need to enjoy the fullness of life.
4. We will work to keep you informed about your child's progress. Communication to parents about a child's progress must always be top priority.
5. We will work to provide a high quality education and a rich environment for learning. Learning can be a creative burst full of endorphins. It can also be hard work. A challenging curriculum prepares a child for a challenging world.

We appreciate your direction and your confidence. Your feedback to us, your co-developers, is needed. We are honored that you've given us the chance to work with your child.

Patrick C. Saunders, Ed.D.
Interim Superintendent

To the Editor:

This is in response to the article a couple of weeks ago in the newspaper. I feel the Meal Sites do not need a greeter. Everyone knows everyone, and if new participants show up, there is a greeting table already set up where money is collected for the meal and sign in sheet, and that is how it is at our site in Armstrong Creek

On the greeter for the Courthouse, I don't think so. Since 911 and all the other incidents that have taken place in our country, we need a deputy there, not a "Greeter". A Directory is available where offices are located to inform residents/visitors.

There are cameras in the Courthouse, to which the Sheriffs Department has no access to, the monitoring is in the County Clerks Office, if they have time, or even watch. Waste of money if you ask me, to have a system set up, and not in the proper area for monitoring, sounds more like a spying issue to me. That is my thought anyway. I have called a few Sheriff Departments, regarding the cameras in a courthouse, all the monitoring is done in the Sheriff's Department, through the jail, dispatch or command center, not a clerk's office. Also I was in contact with our Sheriffs Department, records are kept from the cameras, but they have no access. What good is there in having cameras installed without the Sheriffs Department not having total access, that is why I think it is more of a spying idea. It should have been in their department from the start, not a county clerks office. Just my opinion.

Everyone have a Safe, Healthy Merry Christmas and A Happy New Year.

Baldwin Statement on Federal Court Ruling to Dismantle the Affordable Care Act and Repeal Protections for People with Pre-Existing Conditions

WASHINGTON, D.C. - U.S. Senator Tammy Baldwin released the following statement in response to the federal court ruling in the lawsuit supported by the Trump Administration and filed by 20 states, including the State of Wisconsin, that would dismantle the Affordable Care Act and threaten guaranteed health care protections for people with pre-existing conditions.

"Wisconsin should have never signed on to this lawsuit and Scott Walker has not only broken his promise to protect people with pre-existing conditions, he has now signed legislation preventing Governor-elect Evers from keeping his promise to take our state's good name off this attack on people's health care.

"This ruling is a threat because Walker's lawsuit would take away guaranteed health protections and raise costs for Wisconsinites with pre-existing conditions. But it is not the final word and we must do everything we can to stop this sabotage because if it succeeds, insurance companies will again be able to deny coverage or charge higher premiums for more than 2 million people in Wisconsin with a pre-existing condition."

Death Notices

Up on Fluids

Submitted by UW-Extension

Why is water so important?

More than one half of the adult human body is water. Water is the medium of all the fluids in our body. It brings nutrients to the cells in our body and removes the waste.

Fluids help to:

- Convert food into energy
- Regulate our body temperature
- Keep us "regular"
- Protect and cushion our vital organs

Why is fluid intake a common concern for elders?

- Poor thirst recognition
- Decreased ability to concentrate urine
- Self-imposed fluid restrictions

What happens if we don't drink enough fluids?

One-third of healthy persons 65 years or older have mild dehydration. Low fluid intake of dehydration can cause:

- Difficulty swallowing
- Dry mouth due to less saliva production
- Headaches
- Fatigue
- Loss of appetite
- Dry eyes
- Muscle cramps
- Kidney stones

How much fluid do we need?

Most elders need to drink about 6 to 8 cups of fluid a day. The amount needed depends on:

- Body weight
- Activity level
- Health condition
- The environment

Factors that increase fluid needs:

- Using products with added fiber
- Taking several medications, especially diuretics for high blood pressure

Speak with your health care provider about specific fluid requirements.

Help Wanted

Long Term Substitute Teacher School District of Wabeno Area

The School District of Wabeno Area is hiring a long-term substitute teacher for our Elementary 5th grade class for the 2018-2019 school year.

We are seeking a qualified teacher who possesses skills and understanding of balanced literacy and the writing process. Applicants must have a solid understanding of reform-based mathematics and inquiry based science. This position will require confident technology skills and background in differentiation strategies. Successful applicants will be a contributing team member with strong communication skills and have the ability to develop positive collegial and parent relationships. Appropriate licensure for the position. Wisconsin DPI certification in elementary education is required, K-6 preferred.

Contact Jeffrey Walsh, Elementary Principal at 715-473-2592 if you have any questions. Apply on Wabeno Area website, WECAN or pick up an application at our District Office.

The School District of Wabeno Area is an Equal Opportunity employer. The School District does not discriminate against applicants or employees based on race; age; sex or sexual orientation; creed or religion; color; handicap or disability; marital, citizenship, or veteran status; membership in the National Guard, state defense force, or reserves; national origin or ancestry; arrest or conviction record; use or non-use of lawful products off the District's premises during non-working hours; or any other characteristic protected by law.

ANIMAL CARE WORKER WANTED

Do you love working with animals?

The Forest County Humane Society is looking for Animal Care Workers to provide morning and/or evening animal care.

Morning shifts 6:30 to 11:30 a.m., evening shifts are 5:30 to 10:30 p.m., 7 days a week.

Duties include positive animal interaction and socialization, dog kennel and cat crate cleaning, feeding, medication administration, stocking and shelter cleaning.

Must be able to work independently and have reliable transportation. To apply, contact Janet, Shelter Manager at 715-478-2098 or 920-260-1223

Walk with Ease program offered in Crandon

The Forest County Commission on Aging, in partnership with the Forest County Health Department, is offering a free Walk With Ease class starting January 7, 2019. Walk With Ease - a program from the Arthritis Foundation - is a structured walking program that teaches participants how to safely make physical activity part of their everyday life. The program is designed to help people living with arthritis better manage their pain and is also ideal for people without arthritis who want to make walking a daily habit.

Walk With Ease offers support, information and tools to help participants develop successful exercise routines. The nine-week group series is led by a certified instructor. During the program, participants learn proper stretching and pain management techniques; they also build stamina and walking pace. The program can even be modified to meet the needs of individual participants so that each person can develop an exercise routine that fits their unique goals.

Research shows that walking is not only good for joints, but also helps improve the health of the heart, lungs and bones. Walking can also help with weight-management which can reduce one's risk for arthritis in the knee, heart disease and diabetes. If you can be on your feet for 10 minutes without increased pain, you will most likely have success with Walk With Ease.

The information and strategies taught in the program are based on research and tested programs in exercise science, behavior change and arthritis management. Updated and evaluated by the Thurston Arthritis Research Center and the Institute on Aging of the University of North Carolina, Walk With Ease is shown to increase balance, strength and walking pace, as well as reduce the pain and discomfort of arthritis. The program is also shown to build participant confidence to be physically active and improve overall health.

The class will begin on January 7, 2019 at the Crandon Public Library in the downstairs room. The class will run from 10:00 a.m.-11:00 a.m. on Monday, and from 1:00 p.m. to 2:00 p.m. on Thursdays for nine weeks and is free to join. For more information and to register for the class, please contact Holli Denton at the Forest County Health Department at 715-478-3371. Before starting any exercise program, always check with your physician.
