Black Bear Sportsman's Club Predator Hunt Saturday January 26

The Black Bear Sportsmen's Club will be holding their annual Predator Hunt on Saturday, January 26th at Main St. Ed's in Argonne, beginning at 4:30 p.m. The hunt is open to callers and hound hunters.

There will be prizes for the largest, smallest and the most predators as determined by weight. The weigh-in is at Main St. Ed's and runs from 4:30 until 6:30 p.m.

There is a \$15 entry fee for all hunters and callers. It is mandatory to register and pick up mouth pieces between 4 and 9 p.m. on Friday the 25th of January or between 6 a.m. and 8 a.m. on Saturday morning, the 26th.

The gun raffles will start at 6:30 p.m., and everyone is welcome to attend and to enter the raffles!

If there are questions, call Ed Quade at 715-902-1479.

Laona Chamber First Annual Festival of Lights event a success!

The Laona Area Chamber of Commerce (LACC) is pleased to announce that its Festival of Lights event was a great success! First year participation included entries in three categories: School, Business, and Home, and winners in all categories were determined by community votes.

Laona School District grades 7-12 were invited, and all participated. Grade 7 with its Grinch-themed tree won and their prize will be a pizza party hosted by LACC. Date for the event is yet to be determined. Trees were displayed at Maple Place (formerly the Connor Store).

In the Business category, six businesses participated. The winner was Collins Auto Repair with its colorfully-lit Christmas tree made of tires. Its prize was a one-year LACC membership.

The Home category included nine beautiful entries. The vote count was very close with the Brunette residence located at 5774 W Shore Lane being the winner. Their prize was a \$50 gift certificate from Flowers from the Heart.

LACC couldn't be more pleased with the outcome of this event, and it looks forward to a bigger, better Festival of Lights for 2018-19!

Any questions concerning this event, future events, or LACC membership may be directed to www.facebook.com/LaonaAreaChamber, www.laonaareachamber.com, or by telephone at (715) 902-0810.

The Deadline for the Pioneer Express is Tuesdays at 4 P.M.

Wabeno Area Players Present... Thursday Theater "All New Comedy"

Wabeno Area Players performing for Thursday Theatre.

On Thursday, January 24, 2019 Wabeno Area Players will be presenting a Workshop Readers Theatre Performance at The Big Easel (1784 Maple Ave., Wabeno) at 7 p.m. Dinner service will begin at 5:30 p.m. until 6:30 p.m. On the menu will be the main entree/salad/dessert for \$15. For reservations, please call (715) 889-1179. Space is limited so call early.

The evening will feature a new group of Players presenting comical selections that everyone will be sure to enjoy. You may even see a couple of veteran members playing supporting roles. This performance comes after a month of Readers' Theater Workshops. This is a new season for the Players and part of the season is Theater Workshops for all those interested in being on stage. We teamed up with The Big Easel to provide a quality environment and performance venue. Don't miss this chance to welcome some new performers and enjoy an evening full of laughs. Wabeno Area Players will be donating all funds raised this evening to the Rebel Drama Department.

CoVantage Cares Foundation provides \$307,000

Kyle Lewis, Crandon Branch Manager, presented a check from the CoVantage Cares Foundation Giving Tuesday campaign to Ryan Wilson, K9 Handler/Police Officer for the City of Crandon.

The Board of Directors for CoVantage Cares Foundation announced that checks totaling nearly \$307,000 were presented to local non-profit groups that serve communities where CoVantage Credit Union has branches. The funds were made possible thanks to generous donations by CoVantage Credit Union members, staff, and community members who responded to the Foundation's 2018 Giving 2sday campaign.

Giving Tuesday, which is immediately after Black Friday, is nationally-recognized for charitable giving. This date was selected by the Foundation as an opportune time to kick off a fund-raising effort in support of local organizations that help local individuals and families in need. Branch staff throughout CoVantage Credit Union's locations were asked to select a non-profit group in their community to be the recipient of funds raised, with the understanding that contributions generated during the two-week effort would be matched up to \$125,000 by CoVantage Cares Foundation. Thanks to the matching funds, along with the generosity of many, donations totaling \$306,763 were gifted locally.

Charities selected to receive funding from the third annual Giving 2sday initiative and their sponsoring CoVantage branches include: United Way of Langlade County (Antigo); Look Good, Feel Better Program (Elcho); Crandon Police Department K9 Unit (Crandon); KIN Youth Program (Rhineland); Wolf River Habitat for Humanity (Shawano); Catholic Charities (Wausau, Weston, Rib Mountain, Rothschild); Interfaith Food Pantry (Stevens Point); Crystal Theatre (Crystal Falls, MI); Iron Amateur Hockey Association (Iron River, MI); and Love Lights Tree Program (Menominee, MI).

For more information about CoVantage Cares Foundation, or to obtain the grant application needed to request a donation, visit www.covantagecu.org/cares.

Report on the courthouse/jail project-The new 911 Center

Report by Steve Bunda-Chair of Building Committee

At the last meeting of the Forest County Building Committee, a vote was made to hire Jeff Musson, architect, to assist the Building & Public Property Committee for development of the new 911/dispatch center in the Law Enforcement Center. Musson will help in design and in the proposals to contractors. All will be approved by the state.

Musson will also bring in an engineer to assess the structural integrity of the old jail and sheriff's residence. Should the buildings be found to be sound, the committee will then discuss who and what department will occupy the space after a remodeling process. This will also determine what the future plans will be for the HVAC and fire protection for the rest of the courthouse complex.

Two roofing contractors discussed their proposals for re-roofing the south annex of the courthouse. No decisions were made at this time by the committee.

The next meeting of the building committee will be with the citizen members of the committee. Hopefully, there will be answers on the building report as well as the 911/dispatch center, along with time lines for the projects. This meeting will be held February 5 at 5 p.m., and of course, the public is invited.

Crandon School Board meets for regular monthly meeting

The Crandon School Board met on Monday, January 14 at 6 p.m. in the auditorium. The board welcomed the newest member, Skye Alloway. Ms. Alloway was appointed to the board at a special meeting held on January 9.

John Doane gave an update on the energy efficiency project. He stated that the main goals of the project are to update the main doors to the building, the windows and the HVAC. Local contractors are encouraged to bid. John stated that he will be the person to contact with any concerns on the project.

An update on the possible new score boards in the gymnasium was given by Mr. Josh Jaeger. Mr. Jaeger explained that the score boards in both gyms are in need of replacement. There are donations of \$60,000. The total cost of the score boards is \$109,000. The remaining bill needed to be picked up by the school or the youth basketball was going to borrow the money. This would mean that the youth basketball would benefit from the advertising rather than the school district. These new score boards have the capability of advertising and they come with a curriculum. This means that the school will be able to hold classes with students using the boards and also, the board will help pay for itself. The boards were already approved by the previous administration. The board voted that if all of the donations were in place that they would pay the remainder. The public commented that the school should take this gift, as they are receiving better score boards at a reduced price.

Mr. Valentine, the band director, made a presentation to the board about 5th grade band. Mr. Valentine would like to revitalize the program and needs funds for instruments. The board approved the funding for the 5th grade band.

The high school math teacher resignation was accepted. The district has a replacement teacher in place for the remainder of the year. There were second reads for policies on weighted grades and safety and cardiac response plans. The weighted grades policy would take affect for the 2019-2020 school year. The cardiac response plan meets qualifications with the American Heart Association. New courses to challenge the student body for the middle school and high school were approved by the board. and the U.S. Department of Education Impact Aid IPPs were approved by the board.

Crandon High Wrestling

The Crandon High School wrestling team had a successful weekend at the Fox Valley Lutheran tournament on January 12, 2019. Breed Shepard, Jacob Hoyt, Hutson Kane, and Bradley Shepherd all took home a first place metal while Carter Bissonette earned fourth place and Keyan Colburn and Nick Adamski both with 6th place.

Despite not having a full wrestling team, the boys still managed to earn fourth place overall. A bonus to the event was Breed Shepard receiving the coach's award for Most Valuable Wrestler!

Nicolet College Learning in Retirement set to launch Winter/Spring session

Among the many activities in the Nicolet College Learning in Retirement Winter/Spring session will be a Community Garden Seed Starting offering April 11.

"I'm continually impressed with all of the new and interesting classes our members put together. The knowledge and life experiences they share are nothing short of remarkable."

That's from Brenda Peltier, Learning in Retirement coordinator at Nicolet College, describing the upcoming 2019 Winter-Spring session.

In all, the upcoming session will feature 44 different offerings Jan. 21 through May 22.

Some classes will meet only once for a couple of hours while others will be part of a series that meet once a week over several weeks.

The hallmark of each is learning just for the fun of it. "There are no tests or grades, simply groups of people getting together to learn new things and share a common interest," Peltier explained.

Upcoming offerings will cover a broad range of subjects mostly presented by members themselves along with a few guest presentations by subject experts. Classes will be held in several Northwoods communities including Eagle River, Minocqua, Woodruff, Rhinelander, and Antigo.

One of the many unique topics will be Motorcycling Women Feb. 20 with Petra Pietrzak, who has been riding for decades and continues to do so in her retirement years. She'll discuss what it takes to build riding skills and manage the risks involved. Those attending will also vicariously enjoy some touring adventures in beautiful places, encountering amazing people along the way.

For those with an interest in the local legal system, former Oneida County Assistant District Attorney Steve Michlig will draw on his 27 years of experience to explain misconceptions, quirks, and oddities in the criminal justice system during this presentation Feb. 21. He'll explain why it makes sense for a defendant to confess and then plead not guilty and whether criminals really get off on technicalities. Participants are encouraged to come with questions, comments, and concerns.

Native American culture will take the spotlight March 8 with the Everything You Wanted to Know About Pow wows presentation. Participants will learn about many different aspects about powwow celebrations, including the Grand Entry and the significance of various dancers and their regalia. Powwow etiquette will also be highlighted.

On the health and medical front, offerings include Experimental Animals in Biomedical Research, The Development of Noninvasive Heart Care, National Alliance on Mental Illness, Strength Training for Seniors, and Just Cataracts!

Natural resource offerings will include Traditional Green Building, Environmental Ethics in the Field, The Green Funeral Movement, I Love Wisconsin River Trip, National Parks – America's Best Idea, and the ever-popular Ced's Nature Series.

Tours in coming months will include a visit to the Raptor Education Group where they rehab birds of prey, the Eagle River Historical Museum, the UW-Madison Ag. Research Station in Rhinelander to learn about potato breeding, Ponsse's facility to learn about high-tech logging, the Live Aquaria at Drs. Foster and Smith, and the tour of Hillestad Pharmaceutical facility.

Nicolet's Learning in Retirement program currently has about 300 members. Annual membership is \$45. Memberships run from July 1 to June 30 of the following year. Members can join at anytime during the year and take as many or as few classes as they desire.

More information about the LIR and the upcoming Winter/Spring session is available at nicoletcollege.edu/lir.

For answers to questions, or to receive a printed schedule, contact the Nicolet College Learning in Retirement Office at (715) 365-4491 or 1-800-544-3039, ext. 4491; TTY 711 or 1-800-947-3529.

Laona Lions 7th Annual Predator Hunt

Some of the people who made the hunt a success

The Laona Lions held their 7th annual Predator Hunter Fundraiser at Jars in Laona, on Saturday January 12, 2019. A total of 84 hunters participated in the event. This is the second year the hunt was more of a challenge due to the weather. The Lions club had a fun day of door prizes every half hour and many raffles throughout the day.

The winner of the \$500.00 prize for largest coyote was Ashley Bagnet of the Townsend Coyote Hunters. The winner of the smallest coyote was Zach Jansky of Dun Deal Hunters with a prize of \$340.00. The raffle prize winners were:

- Grand prize : Cross bow - Leslie Howen
- 1st prize: Flat screen TV - Linda Cleermen
- 2nd prize: \$250.00 - Rose Kerber
- 3rd prize: \$200.00 - Beth Aschenbrenner
- 4th prize: \$100.00 - Josh Vollmar
- 5th prize: \$50.00 - Mike Koenig

The Laona Lions Club will see you at the Trap shot in May and the Community Soup in August.

Death Notices

We regret to announce the passing of **Daniel Alfred Samuelson**, long time resident of Crandon, Wisconsin. Dan passed away on Sunday, January 6, 2019, at home surrounded by his wife, Pauline; four children; nine granddaughters and one grandson. Dan's immediate family include: Danielle & Brian Marvin - Krista, Katelynn, Kaylee, Kira, and Kylee; Obed (Buddy) Emily & Levi; Dale Natalie & Taylor; Ward Joslynn.

Dan is survived by one brother and seven sisters, Marie Samuelson, Nick Wyndham, Sylvia Boyd, Sonja (Myrle) Cushing, Ginger (Frank) Crowther, John Samuelson, Connie (Ernesto) Velez, Juanita (Rob) Collen, and Margaret (Bruce) Pachner, as well as Celia Samuelson; and 47 nieces and nephews.

Dan is also survived by sister-in-law, Linda Gerow and brother-in-law, Dale and Joanie Gerow, Kathy (Deaton) Gerow, and Rose (Bocek) Gerow; and 17 nieces and nephews.

Predeceased by his parents Obed and Dora (Wilson) Samuelson; sisters, Judy Wyndham and Alice Louise Samuelson; in-laws, Royal and Betty Gerow, Lehman Gerow, R Donald Gerow, Paul Gerow, Darrell Gerow, David and Lorna Gerow and Larry Gerow; and sister, Jean and Lawrence Stadler, and Dalton Queen.

Dan served in the USA Marine Corps for 2 years in Vietnam. His primary occupation was as a logger, and he did carpentry and was a jack of all trades. Throughout the years, his greatest joys came from hunting, trapping, and fishing with his children. One of his greatest highlights came with the arrival of 10 grandchildren. Dan and Pauline celebrated their 50th wedding anniversary July 13, 2018.

A celebration of life was held on Friday, January 11, 2019 at the Weber-Hill Funeral Home in Crandon.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Richard John Krook, born January 28, 1981, went home to the Lord on January 13, 2019 at the age of 37.

He is survived by his wife of 16 years, Cassandra Krook; son, Severin James Krook and daughter, Kaydence Ronnie Krook; parents, Lois and Don Krook of Kentucky; sisters, Natalie Marquez of Rhinelander; and Taylor Krook of Kentucky; as well as many other beloved family members and dear friends.

He is preceded in death by both his maternal grandparents, Lois and James Arrowood; and paternal grandparents, Eleanor and Severin Krook.

Richard was an avid outdoorsman, who was skilled at hunting, fishing and trapping. He especially enjoyed taking along his children, friends, and trained hounds.

Taken too soon, those who knew him take solace in knowing that he lived each day to its fullest. Whether that be in enjoyment of one of his many passions, or simply lending a helping hand to a friend in need.

Richard was employed in the road construction business. He was a member of the Laborer's Union Local 268 of Eau Claire.

A Celebration of Life will be held on Friday, January 18, 2019 at 4 p.m. at the Pelican Lake Volunteer Fire Dept. 737 Wausau Street in Pelican Lake. Online condolences may be left for the family at www.weberhillfuneralhome.com.

Dean "Buck"

Anthony Samz passed away at the age of 51 in Fremont, WI on January 13, 2019.

He was born in Manitowac, WI on November 29, 1967 and is survived by his parents, John Samz and Carole Valley Samz; his brothers, Michael and Kevin Samz; and his sister, René Samz Tomasek.

He is preceded in death by his grandparents, Howard and Ethel Valley, and Roland and Marie Samz.

Dean served in the United States Air Force and studied Communications at Metropolitan State University of Denver. Among the many gifts that Dean shared with the world, he was a loving and supportive husband to his wife Kristen of 13 years, and the kindest and gentlest father to his beloved daughter Avery. He was a loyal son, brother, and friend and was always there for anyone who needed him.

His dream of owning a restaurant became a reality that he and his wife owned for 4 and a half years. He was an avid hunter with a passion for the outdoors, a devout Green Bay Packers fan, and enjoyed driving in demolition derbies with his brother and nephews.

Dean will always be remembered for his strength and courage during difficult times, and even though he lost his battle with depression and took his own life, we know he is at rest without pain now. Funeral services were held on Saturday Jan. 19, 2019 at 11 a.m., St. Ambrose Catholic Church in Wabeno, WI. Visitation was from 9:30 a.m.-11 a.m.

In lieu of flowers you may make a donation to <https://suicidepreventionlifeline.org/donate/> to help others who are struggling.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Laona Chamber of Commerce is participant in Amazon Smile Program

We are very excited to announce that the LACC has become a participant in the AmazonSmile program through nomination by community members.

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop at AmazonSmile (smile.amazon.com), the AmazonSmile Foundation (which is a 501(c)(3) organization) donates 0.5% of the price of eligible purchases to the charitable organizations selected by customers. On December 15th, we received a notification that customers had selected the Laona Area Chamber of Commerce as their 501(c)(3) organization to support!

If you shop at Amazon and would like to support the LACC through your shopping, please visit smile.amazon.com and select the Laona Area Chamber of Commerce as your designated recipient. There is no cost to you, and no additional registrations (you log in with your Amazon username and password, the same as you would log in normally at Amazon.com).

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. **NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES.** We reserve the right to reject any and all letters.

Dear Parent/Guardian and Community Members:

Recently, we have had situations arise during morning and afternoon student drop-off and student pick-up times. These situations give us great concern since they compromise the intended safety margins we seek for drivers, buses, walkers, visitors, etc. The greatest incidence of unsafe situations occur in the morning.

Several years ago, Crandon Schools implemented a drop-off plan involving unloading of buses, vehicles parking and vehicles dropping off students, and walking of students, employees and visitors. This plan does promote a smooth and safe traffic flow, with reasonable margins of safety for walkers.

The bus lane is for buses only, please do not use this lane at any time; instead utilize the community drop off lane. The community drop off lane is the one closest to the curb between the bus lane and the parking lot. Please refrain from letting students out in the passing/exit lane, or the driver's side, it is more dangerous and hinders traffic flow. Always have students exit curb side of your vehicle when being dropped off. Please be respectful of others and do not cut drivers off to gain curb access.

We have designated several parking spots for temporary parking to allow for parents to walk students in or for any reason you may need a short time in the school or waiting. Please do not park in the drop off lane, even if you feel you are out of the way, you will not be, and it creates congestion for traffic flow.

The most important caution we request is for vehicle drivers to DRIVE SLOWLY!

Forest County law enforcement have been very supportive of our efforts to maintain the safety of our students and adults. Forest County law enforcement have been requested to issue warning citations to drivers who exhibit unsafe driving behaviors in our parking lots. Drivers who repeatedly display unsafe driving behaviors in our lots shall be subject to a written citation and fine.

On behalf of everyone at the School District of Crandon, we truly appreciate your cooperation with our cooperative efforts to maximize the safety of our students and adults. Thank you for your support of Crandon Schools.

Sincerely,
 Patrick C. Saunders, Ed. D.
 Interim District Administrator, School District of Crandon

U.S. Senator Tammy Baldwin joins Legislation to protect Federal workers, families from losing homes, falling behind on bills during shutdown

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin joined a group of lawmakers, led by Senator Brian Schatz (D-HI) and U.S. Representative Derek Kilmer (D-WA), in introducing the Federal Employee Civil Relief Act to protect federal workers and their families from foreclosures, evictions and loan defaults during a government shutdown.

"The Trump shutdown is punishing federal workers, and contractors who are serving without pay. This legislation will protect these workers as their families face economic uncertainty and insecurity," said Senator Baldwin. "We should be respecting their hard work and it is simply wrong that they are victims of President Trump's shutdown. Both Democrats and Republicans agree we should end his shutdown and have a vote in the Senate to pass bipartisan legislation to reopen the government."

"While the President and Senate Republicans struggle to get their act together, real people are suffering," said Senator Schatz. "Right now, thousands of federal workers and their families are struggling to pay rent and make ends meet. It's absolutely unacceptable. Our bill will protect federal workers and make sure they aren't harmed because of a political stunt."

"Across 800,000 kitchen tables today, hardworking people are trying to figure out how to pay bills and provide for their families without an income," said Representative Kilmer. "Federal workers are public servants, they deserve better than being treated like pawns in a negotiation. This shutdown is wrong, and it's time to reopen the government – but until that happens, it's Congress' responsibility to help out the families most affected. This bill gives them some much needed relief."

"People who took an oath to serve their country as federal employees should not have to worry about being evicted, having their car repossessed or going further into

debt because of a government shutdown," said Tony Reardon, President of the National Treasury Employees Union. "I want to commend Sen. Schatz and Rep. Kilmer for having the foresight to introduce legislation that would protect the nation's federal workforce, many of whom are suffering after nearly three weeks without pay. The Federal Employee Civil Relief Act would give frontline federal workers a reasonable amount of time to catch up on their bills once the shutdown ends and their income is restored. Federal employees around the country are grateful that there are members of Congress who are looking out for them in their time of need."

"The International Federation of Professional and Technical Engineers (IFPTE) applauds Senator Schatz and Congressman Kilmer for authoring this critically important bill. This legislation will provide much needed relief to federal employees who may be facing civil actions against them due to a lapse in pay that has resulted because of the government shutdown. It is truly unfortunate that President Trump is using these civilian workers and their families as political pawns to achieve a political goal. The real life ramifications on these working Americans are hard choices between feeding their families, and meeting other financial obligations. The Federal Employee Civil Relief Act will provide impacted workers additional time after a shutdown to meet their financial obligations that would otherwise result in actions against them such as eviction, foreclosure and other civil claims. IFPTE endorses this bill, and urges all Senators to support it," said Paul Shearon, International President of the International Federation of Professional and Technical Engineers.

The bill addresses the real threat of federal workers losing their homes, falling behind on student loans and other bills, having their car repossessed or losing their health insurance because they have been furloughed during a shutdown or required to work without pay. Modeled after the Servicemembers Relief Act, the legislation will prohibit landlords and creditors from taking action against federal workers or contractors who are hurt by the government

shutdown and unable to pay rent or repay loans. The bill would also empower federal workers to sue creditors or landlords that violate this protection. The Federal Employee Civil Relief Act would safeguard workers impacted by a shutdown from the following:

- Being evicted or foreclosed;
- Having their car or other property repossessed;
- Falling behind in student loan payments;
- Falling behind in paying bills; or
- Losing their insurance because of missed premiums.

The protection would last during and 30 days following a shutdown to give workers a chance to keep up with their bills. The partial government shutdown, now in its third week, hurts more than 800,000 federal workers in all 50 states.

Cosponsors of the Federal Employee Civil Relief Act include U.S. Senators Ben Cardin (D-MD), Chris Van Hollen (D-MD), Maggie Hassan (D-NH), Martin Heinrich (D-NM), Cory Booker (D-NJ), Chris Murphy (D-CT), Sherrod Brown (D-OH), Mazie Hirono (D-HI), Mark Warner (D-VA) and Catherine Cortez Masto (D-NV). Kilmer will introduce companion legislation in the House of Representatives with the following cosponsors: U.S. Representatives Sean Patrick Maloney (D-NY), Gerald E. Connolly (D-VA), Susie Lee (D-NV), Cheri Bustos (D-IL), Dan Kildee (D-MI), Rep. Ann McLane Kuster (D-NH), Debbie Dingell (D-MI), Brendan Boyle (D-PA) and Katherine Clark (D-MA).

NOTICE-POSITION OPEN FOR FULL-TIME DEPUTY SHERIFF

Forest County Sheriff's Office is now accepting applications for a Full-Time Deputy Sheriff position and to establish an eligibility list for future positions.

Individuals will be required to work day and/or night shifts, weekends, and holidays as shift rotations dictate.

Salary & Benefits: The hourly starting rate of pay for this position is \$22.36 per hour, with wage increases to \$24.74 per hour after two years of service, based on 2019 wages.

Qualifications: Must be 21 years of age; US citizen; high school graduate or equivalent; have valid Wisconsin driver's license; have earned 60 college credits or an Associates Degree or a Bachelors Degree from an accredited institution in a related field, or is able to obtain 60 college credits within the first five years of employment, and is eligible to be certified per State of Wisconsin standards; have successfully completed Wisconsin certified recruit training or will complete recruit training prior to appointment, or presently be certified as a law enforcement officer by the State of Wisconsin; ability to use all police equipment, and have the ability to physically perform all police tasks.

Apply: Submit Wisconsin Law Enforcement Standards Board form, a current DJ-LE-330 Application, a Cover Letter and Resume to:

Attention: Chief Deputy Alex Walrath
Forest County Sheriff's Office
100 South Park Avenue
Crandon, WI 54520

Applications must be received by Monday, February 4th, 2019 at Noon.

Forms are available at the Forest County Sheriff's Office or online at www.wilenet.org. All questions on the application MUST be completed, including Section 6 - Questions A, B & C and your social security number.

Applications that are not accurately completed will be rejected.

NOTE: Successful applicants will be required to submit to oral interviews, an extensive background investigation, a physical fitness test, and a medical and drug examination.

Depression: a True and Treatable Medical Condition

Submitted by UW-Extension

Depression is a true and treatable medical condition, not a normal part of aging. Older adults are at an increased risk of experiencing depression, yet depression in the elderly is often underdiagnosed and undertreated. Symptoms of depression overlap with symptoms of various medical illnesses, such as reduced energy, weight loss, and sleep disturbance. This overlap makes the diagnosis of depression challenging.

Depression is not just having "the blues" or the emotions we feel when grieving the loss of a loved one. The effects of depression extend far beyond changes in mood. Patients become less energetic, experience changes in sleep patterns, changes in their appetites, and decline in physical health. It is a true medical condition that is treatable, like diabetes or hypertension.

In the later years of a person's life, changes occur that can cause depression. These include medical illnesses, death of spouses or other loved ones, and retirement. Individuals who never experienced depression before may experience it for the first time as an older adult.

Depression and the health conditions older adults experience can create a cruel cycle. Older adults experience a health condition that makes them feel depressed. Then the depression makes them feel lethargic. Then feeling lethargic makes it more difficult to treat the health condition or their depression, and this is only likely to make both the depression and health condition worse.

In older adults, untreated depression can last for years. It can lead to or make worse other problems in physical or mental health and in relationships with others. Depression also makes suicide more likely. Older Americans have the highest suicide rate of any age group, with older men having the highest rate of suicide of any group.

Treatment can help depression and help older Americans enjoy their lives more. Treatment may help older adults better deal with other long-term health problems. Someone experiencing symptoms of depression can take the following steps:

- Get a normal amount of sleep. Depression can affect sleep patterns by causing a depressed individual to want to sleep all the time or to not sleep much at all.
- Exercise. Studies consistently show that physical activity improves one's mood and is often as effective as antidepressants, but without the dreaded side effects.

- Eat healthy. Eating a lot of sugar and junk food can cause the body to experience crashes. In contrast, healthy food provides energy and nourishment.

- Increase healthy social connections. Healthy relationships with others can greatly improve a depressed person's mood. This eliminates feelings of loneliness and isolation. If the depressed individual is physically unable to get around, inviting others over or keeping in touch via email or phone can be effective as well.

Of course, these are actions that would benefit anyone, whether they are depressed or not.

Some individuals with depression will need to be treated with medicine, counseling, therapy, or a combination of these. It is really important to follow a health care provider's instructions. Treatment for depression usually works, and may also help older adults with other medical problems. Older adults may benefit from early, continuing, and long-term treatment. As always, it is important for health care providers to review the list of drugs that their patients are taking for other health conditions, especially if older adults start to take medication to treat depression.

Most older adults' conditions improve when treated with antidepressant drugs, psychotherapy, or a combination of both. If you become aware that anyone, including an older adult, is in crisis and may hurt themselves or others, you should seek help immediately. You may need to take the following actions:

- Call 911
- Visit a nearby emergency department or your health care provider's office
- Call the toll-free, 24-hour hotline of the National Suicide Prevention Lifeline at 1-800-273-TALK (1-800-273-8255) TTY: 1-800-799-4TTY (4889) to talk to a trained counselor.

Bus Schedule

Thursday - January 24 - Hiles, Argonne and Crandon to Rhinelander - **Bus driver:** Gary Scrimpf

Tuesday - January 29 - Wabeno, Laona and Crandon to Rhinelander by 9 a.m. Walmart complex and Aldi's only. No lunch. Depart Rhinelander at 11:45 a.m. - **Bus driver:** Dan Pedersen

Ascension and Community Partners to Hold HPV Education Programs

(Tomahawk and Rhinelander, WI)- Ascension Medical Group, the Rhinelander School District and Ties that Bind Us are joining together to present free community education programs on the Human Papilloma Virus (HPV) in January.

According to the Centers for Disease Control and Prevention, each year, about 42,700 new cases of cancer are found in parts of the body where human papillomavirus (HPV) is often found. HPV causes about 33,700 of these cancers.

The programs will feature Eunice Corujo-Incha, MD, Pediatrician; Women's Health Specialists David Meyer, MD, and Rebecca Fix, WHNP, from Ascension Medical Group as well as nurse navigators from the James Beck Cancer Center at Ascension St. Mary's Hospital.

The Tomahawk program will be held on Monday, January 28 from 5:30-6:30 p.m. in the Spruce Room at Ascension Sacred Heart Hospital at 401 West Mohawk Drive.

The Rhinelander program will be held on Tuesday, January 29, from 5:30-6:30 p.m. in the Superior Diesel Advanced Learning Center at Rhinelander High School, located at 665 Coolidge Avenue in Rhinelander.

"Early detection greatly improves the chances of successful treatment," said Corujo-Incha. "Today, a test to detect HPV is often used as a follow-up when abnormalities are detected on a Pap smear."

Each program will last approximately 20 minutes with a question and answer session of follow. Light refreshments will be provided. All attendees at each presentation will have a chance to win a Fitbit donated by Ties that Bind Us.

"Anti-cancer vaccines have been found effective in preventing the two strains of HPV most frequently found in cervical cancer," said Meyer. "Your primary doctor or Women's Health Specialist often can do the tests needed to diagnose pre-cancers and cancers and may also be able to treat pre-cancer."

For more information, please contact Ascension Medical Group at 715-361-4560.

Ed Smith
INSURANCE TIP
ATTICS & ICE DAMS

It is the time of year where the temperatures are dropping. Here are some homeowner tips to help prevent ice dams.

- Keep the attic well ventilated. The cooler the attic, the less melting and re-freezing on the roof.

- Keep the attic floor well insulated to minimize the amount of heat rising through the attic from within the home.

- As an extra precaution against roof leaks, have a contractor install a water repellant membrane under the roof covering.
