Northern Health Centers merges with NorthLakes Community Clinic

As of February 1, 2019 Northern Health Centers (NHC) is now part of NorthLakes Community Clinic. NorthLakes Community Clinic is a sister of a Federally Qualified Health Center headquartered in Iron River, Wisconsin. The NHC Board of Directors made the decision in 2018 as a way to respond to better serve patients now and into the future.

"As a smaller community health center, we determined it was time to find a partner that could provide us more depth in some of the foundational back-end aspects of running a community health center," says Shelly White, CEO of Northern Health Centers. "Merging with NorthLakes Community Clinic allows us to continue serving the people of northeast Wisconsin, while having additional resources available to improve overall patient experience and stabilize our future."

White, along with the rest of the Northern Health Centers staff, will remain on the team; and additional dental, medical and mental health providers and staff are being hired. The White Lake, Oconto and Lakewood locations will remain open and provide the same services as before. Patients will notice few changes, other than communication and billing now coming from NorthLakes Community Clinic. There will also be an additional resource available for patients via a change in the Sliding Fee Scale. As part of this merger, under- or un-insured patients who qualify for the first level (Slide A) of the Sliding Fee Scale will now pay no (\$0) co-pay. Prior to the merge, their co-pay was \$20.

"As a regional community health center, we are also exploring ways to actively remove barriers to care," says NorthLakes Community Clinic CEO Reba Rice. "This merger provides an opportunity to ensure patients in northeast Wisconsin have access to high quality, affordable care. We strongly believe everyone deserves access to care and are always looking for ways to achieve that mission."

About NorthLakes Community Clinic:

NorthLakes Community Clinic is a regional Community Health Center, with clinic locations in Ashland, Balsam Lake, Birchwood, Hayward, Iron River, Lakewood, Minong, Oconto, Park Falls, Turtle Lake, Washburn and White Lake. We are a 501(c)3 non-profit organization managed by a patient majority board of directors. Services we offer include: medical, chiropractic, dental, behavioral health counseling including substance use disorder and recovery services, psychiatric services, pediatric speech and occupational therapy, physical therapy, and prescriptions for patients. We also have resource coordinators and health insurance navigators who can assist both patients and non-patients.

A volunteer group can make a visit to Forest County a more enjoyable experience

Submitted by R.T. Krueger

Nearly 350,000 of Forest County's total 649,000 acres lie within the Nicolet National Forest. The State and County own tens of thousands of additional acres. These areas present enormous recreational and economic opportunity but as staff and budgets are stretched, it becomes more difficult to maintain and promote these areas.

Assistance from outside groups may be the solution. While motorized recreational activities are supported by well-funded, dedicated organizations, the silent sports and more primitive sites haven't had the same level of attention.

On Tuesday, February 12th at 6:30 p.m., in the basement of the Crandon Public Library, there will be a general meeting to discuss the possibility of establishing a group to stand ready to assist local, state and federal agencies in maintaining and promoting our beautiful public lands and the recreational opportunities they offer.

Agencies will often express their willingness to accept help from volunteers, however it is too often very difficult to actually find those opportunities and even

Tombstone Pickerel Chili Ride-In this Saturday!

The Tombstone Pickerel Sno Club is sponsoring their annual Chili Ride-In this Saturday, February 9th, from 3 p.m. to 6 p.m. at their headquarters on DD in Pickerel. This is a fundraiser that will help to keep your trails smooth and provide some fun doing it.

There will be, of course, plenty of chili, but hotdogs will also be served. There will be plenty of raffles and a silent auction. Do not miss this fun event.

Predator Hunt at May's Bar

The 2019 Predator Hunt at May's Bar, six miles west of Crandon, will be this Saturday, February 9th. The proceeds will go to the Crandon High Trap Team.

The rules meeting and the contest entry will be held Friday, February 8th, from 4-7:00 p.m. There will be cash prizes and the Championship Belt will be on the line!

For more info on this exciting event, contact Tom May, 715-478-2425; Fay Statezny, 715-889-1588; or Norm Braun, 715-889-1135.

It is rumored that even if you don't hunt, the beer and the BS will be quite good on Saturday evening at May's Bar.

Everyone who enters will receive a Free Pass to the Spring Race, a \$45 Value!

57th Annual Trump Lake Fish-O-Ree on Saturday

The 57th Annual Trump Lake Fish-O-Ree will be Saturday, February 9th from 9 a.m. until 5 p.m. at the Trump Lake Pavilion.

There will plenty of good food and drinks and plenty of raffles plus, of course, prizes for the biggest fish. It is a great family fun event!

The Fish-O-Ree is sponsored by the Wabeno Sylvan Post 44 and the Wabeno Lions Club.

All are invited and encouraged to attend!

Jerry Schuh's Polar Bear Jump-in at Pickerel

If you want to take mid-winter, exhilarating bath, dig out your swimsuit and head to Jerry Schuh's Sportsmen's Lodge at Pickerel. If you would rather just watch, you are encouraged to come and eat and drink on the lake in the tents set up for this annual and interesting event.

The event starts at 10 a.m., with the jumpers getting wet at 1 p.m.

McCasin Lioness Blood Drive

The McCasin Lioness Blood Drive will be held at the Townsend Town Hall, on Hwy 32, Monday, February 18, 2019. The blood drive will begin at 11a.m. and close at 4 p.m.

For an appointment, visit redcrossblood.org, or call 800-733-2767.

Walk-ins welcome!

Crandon International Raceway opens event reservations for Golden Anniversary Season

Last week's incredible polar vortex has hit the Wisconsin Northwoods with a vengeance, but for Crandon International Raceway and generations of fans the promise of warmer days and a historic 50th anniversary season is just around the corner.

Despite dealing with another day of freezing temperatures, today Crandon International Raceway is opening up individual event camping and grandstand reservations at precisely noon Central Standard Time (CST) for two traditional off-road racing weekends -- the 26th Forest County Potawatomi Brush Run on June 15th - 16th and the 50th Crandon World Championship Off-Road Races® held over Labor Day weekend August 29th - September 1st.

Fans can stake their claim to either or both anniversary weekends by logging on to Crandon's state-of-the-art reservation system found at www.crandonoffroad.com. As is Crandon tradition, camping and grandstand season passes for both weekends kicked-off at noon on January 1st, 2019 with stronger than expected sales. For the past several years all 2,500-plus camping sites and seats in the Vison Wheel Hospitality Complex were reserved before the record-breaking Labor Day Crandon World Championship Off-Road Race weekends even began.

Unlike nearly every other location in off-road racing, for 50 years Crandon International Raceway has served as a permanent facility found on 400-plus acres of woodlands in Northern Wisconsin. The former farm includes rich green grass that frames the track's challenging 1.75-mile undulating dirt circuit, with more than 50,000 fans from all over the America and Canada filling every corner of Crandon International. Many of the Crandon faithful have made this annual pilgrimage an annual family tradition with camping, fireworks and tons of bratwurst creating an unforgettable weekend better known as "the Crandon Experience."

With roots that stretch back to its inaugural running in 1970, Crandon's Forest County Potawatomi "Brush Run" is the first of two visits by Lucas Oil Midwest Short Course League in 2019. The "Big House" will once again welcome summer to the American heartland with the sounds of high-horsepower unlimited PRO 2 and PRO 4 trucks, and with the highly competitive PRO LITE trucks and PRO UTVs, as well as a jam-packed race schedule filled with all of the MORR Sportsman categories.

For the fourth consecutive year, the Labor Day weekend will feature the sport's most important race day -- the annual Crandon World Cup held Off-Road World Championship weekend. Hosted by Crandon International Raceway on Sunday, September 1st, the special day has been created to attract the world's best off-road racers and teams to compete for Crandon World Championships® in a variety of PRO-level classes and the Crandon PRO 2 versus PRO 4 Cup finale. MORR Sportsman World Championship rings will also be awarded that weekend, while Crandon International also plays host to myriad of special concerts, events and races to commemorate its 50th anniversary.

"For years we have been working toward this historic 2019 season and our golden anniversary," explained Crandon International Raceway President Cliff Flannery. "We are nicknamed the 'Big House' for a reason, and nothing will be bigger than celebrating 50 years of racing, entertainment and family tradition. All of us are excited about offering fans their chance to make plans for the most significant season in our history. But, they better hurry, because we have been selling out this place in the past few years."

Volunteer Group Cont. from pg. 1

harder to accomplish substantial long-term positive impacts through them. A standing group, one that has developed a process to minimize red-tape, ensure satisfaction of safety/liability considerations, and has some capital available to put to work immediately at any time, would make it much easier to respond to those opportunities that do arise.

It would likely also help encourage the creation of additional opportunities. The group would constantly remind our partner agencies to bring projects our way and a proven track record would further encourage utilization of the group.

This group could help coordinate promotion amongst entities. It's very costly/challenging for each (State, County, Feds) to promote their features separately, but bundling it is much more efficient for the agencies and attractive to potential users. A hiker doesn't care if she is on a state trail one day and a county trail the next; she simply wants beautiful trails to make a trip north worthwhile. Same for the canoeist. It doesn't matter if he puts in at a federal landing and takes out at a state park the overall experience is what counts. We can cluster bird-watching sites, trout-fishing hot-spots, grouse-hunting trails, horse-back riding, fat-tire biking the opportunities are innumerable. It may not be cost-effective for the Forest Service to promote just a couple sites specific to a certain activity, but bundling those sites along with similar but unique state and county sites, creates a legitimate "destination" for vacationers.

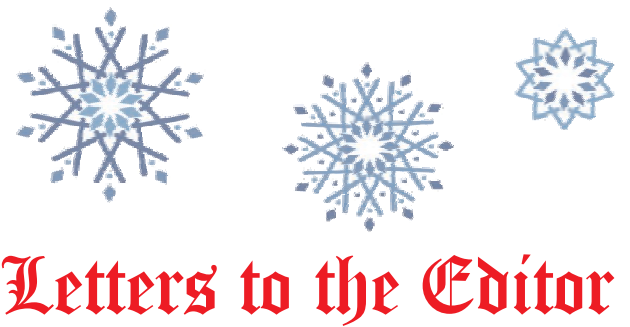

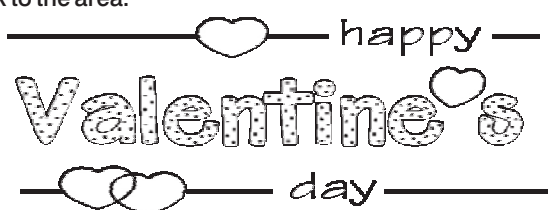

In 2016 the Nicolet Wolf River Scenic Byway was approved (OVERWHELMINGLY) by a panel of professionals, representing the Departments of Natural Resources, Transportation, Tourism and several other state agencies. One of the few criticisms they had was that of signage. A group that could easily and quickly build and place signs to the very specific federal and state specifications would provide a service that, though likely not much noticed by us locals, would definitely be appreciated by visitors to our area.

Painting picnic tables, brushing trails, raking parking areas, a couple hours on the part of a few volunteers could save valuable staff time and agency dollars, while providing real improvement to the experience of the public.

Kayaking doubled in popularity in last decade to almost 16 million participants. We have water!

Forest County, while touting itself as a tourism/recreation county, falls well below its neighbors in revenue. Forest County usually falls around 67th out of 72 in "direct visitor spending". Oneida and Vilas have landing around 15th and pull in approximately 15 times more tourist dollars. It is doubtful that we can really expect to push the needle much, but there is no reason not to make the best effort to promote what we have.

We may need to look at different ways to promote and maybe different things to promote. The assumption is very often that Millennials have no appreciation of nature but that is not accurate. However, they may have very different expectations than those of only a couple decades ago. We need to explore those needs and work to adapt and implement those that don't threaten the natural experience as it is. Preservation of our special sites relies on creating interest and a buy-in of young people. Interest and buy-in are essential to ensuring that there is a next generation of stewards for the places we love. Efforts to make these areas more inviting not only help bring new people into our area, but possibly also bring some of OUR young people back to the area.

Open Letter to Governor Tony Evers

This letter is a request for your consideration for the disbursement of the Wisconsin Tribal Gaming funds that you have the authority and responsibility to direct to projects as described in the Gaming Compact.

Forest County is the home of the Potawatomi and Sokaogon Chippewa tribes that are 2 of the 11 tribes represented in the gaming compact. The compact states the intended use of the additional state revenues derived from the tribes and per the MOU are as follows. The most important element is the provision that at the governor must undertake his or her authority to assure that monies paid to the state are expended for a specific purpose. These purposes are:

- **Economic development initiatives to benefit tribes / and or natives in Wisconsin.
- **Economic development initiatives in regions around casinos.
- **Promote tourism within the state.
- **Support programs and services of the county in which the tribe is located.

The Forest County Potawatomi MOU specifies these four purposes, but also limits the expenditure of these disbursements to Milwaukee and Forest counties.

The project identified as the number one priority by Forest County Law Enforcement, Sheriff Dennee, and Forest County Supervisors is the construction and staffing of a new 911 / dispatch center. Currently the county jailers are also doing double and triple duty by working as jailers, dispatch, and 911 operators. This overlapping of jobs and duties is recipe for disaster. The dispatcher has the responsibility to the public, deputy, and first responder to give them their full undivided attention during an emergency. This is oftentimes interrupted by a disturbance in the jail that requires the intervention of the dispatcher thus taking his or hers attention from the emergency at hand.

Forest County supervisors have sketched out plans to remodel the current law enforcement center at a cost of 130 thousand dollars to create a separate 911/dispatch center independent of the jailers pod that maintains internal security for the inmates. Committees have determined that an additional 6 employees at a cost of 450 thousand dollars per year are needed to staff the new 911/dispatch center for the 24/7 service that is required. Additional duties for the staff of the 911/dispatch center will be reception of visitors to the LEC. Other duties will be to monitor security cameras for the courtroom and courthouse that currently is the responsibility of the county clerk.

Forest Counties budgeted monies are limited and already being stretched and barely meeting the needs and services to the residences and visitors to the county. We are limited by the amount of fully taxable lands in the county to 18% as all others are not eligible to be levied.

The non taxable or limited by MFL and other rules include National Forest, State Forest, BCPL lands, Municipal lands, Tribal Lands, and others. Forest County levies approximately 5 million dollars and receives the rest of its revenue from state aids and grants. A major contributor is the Potawatomi of Forest County that gifts near 500 thousand dollars a year to the Sheriff's department for additional officers and squads. The business climate and growth in Forest county is slow and growing at an anemic pace and would be nonexistent without our great neighboring tribes the Mole Lake Sokaogon Chippewa, and the Forest County Potawatomi. Their casinos, businesses, and service industries such as the Health and Wellness Center not only create great jobs, but serve all the people of this great county.

But our immediate need due to the drug problem that is devastating these communities and the children of Forest County is reliable 911 and first responders. If you would please dedicate 500 thousand dollars for the 911 center per year to staff it with 6 additional employees we could solve many problems and stave of a possible disaster. These monies will be fully accounted for and satisfy the requirements of the MOU with the tribes. Provide services to the county that the tribes are located, create 6 new jobs thus helping economic development, will benefit the tribes, county and state while providing a much needed service.

Death Notices

Larry Allen Voras of Pickerel died Saturday, January 26, 2019, at his home under the care of his daughter and LeRoy Hospice. He was 78 years old. He was born on April 11, 1940, in Antigo, a son of the late Harold and Sophie (Pizon) Voras. He married Margaret Weritz on April 24, 1965 in Chicago. The couple later divorced. She preceded him in death on January 16, 2002.

Larry grew up in Pickerel and graduated from Pickerel Grade School. He graduated from Crandon High School in 1958.

He served as a combat Engineer in the United States Army, having been stationed in Fort Leonard Wood, Missouri for one year and in Nellingen, West Germany for two years.

Larry was a water meter reader for the city of Wausau for over 35 years. In 1985 he moved to Mesa, Arizona and following retirement in 1993 he moved back to Pickerel.

He enjoyed fishing, hunting, metal detecting and wood working.

Larry is survived by a daughter, Pamela Showers of Pickerel; two granddaughters, Amanda (Oliver) Kissick of Vero Beach, Florida and Amy (Richard) Duss of Jim Falls, Wisconsin; great-grandchildren, Jacob, Kaitlyn, Daisy, Evan and Emily; a brother, Gerald (Florence) Voras of Appleton; a dear cousin, Fred (Lorraine) Manthey of Mullan, Idaho; and many nieces and nephews.

He was preceded in death by a brother, Ronald "Jim" Voras.

Burial will take place in the Spring at St. Mary Catholic Cemetery in Pickerel.

Bradley Funeral Home is assisting the family with arrangement. Online condolences at www.bradleyfh.com.

Edith Joy Marshall Dzubay

passed away in her sleep Sunday morning after attending an Oregon Symphony concert the night before with Dale, her loving husband of 60 years. Edith has been slowed in recent years by Parkinson's, but remained fully appreciative of her family and friends.

Edith grew up on a dairy farm in northern Wisconsin, the eldest child of Francis and Joyce Marshall. Her Methodist Youth activities took her across the state and beyond, leading to a broad worldview and an interest in the Unitarian Church.

After starting at the Wausau campus, where she and Dale met, Edith received her BS in American Institutions at the University of Wisconsin in Madison. She earned her Master in Counseling and Educational Psychology when they both attended the University of Minnesota in Minneapolis.

Edith supported her family and community over the years, working as a teacher, counselor and administrator – particularly enjoying her tenure as assistant principal at Gregory Heights Middle School in NE Portland. With a career covering six states, Edith made lifelong connections wherever she lived, and her loyalty and generosity were evident when she donated a kidney to her dear friend.

Edith delighted in the evolving families of her children, David of Bloomington, IN, Dawn of Portland, OR and Jeffrey of Bend, OR. She cherished spending time together at the Oregon Coaster and later Puget Sound, visiting family in Wisconsin, and especially being with her five grandchildren, Sarah, Laura, Paul, Alex and Anna. Edith is survived by her siblings, Alice Lundin of Leesburg, FL, Nelson Marshall of Yuma, AZ, and Allegra Gruett of Crandon.

The family will celebrate her life with a private ceremony. For more details and photos, visit bit.ly/EdithDzubay.

Chester T. Gryczkowski, 92, of Crandon, WI passed away Wednesday, January 30, 2019 at the Birch Hill Nursing Home, Shawano. Chester was born May 14, 1926 in Crandon, the son of Thomas and Stella (Pilarski) Gryczkowski. He was united in marriage to Lavada Fraley November 26, 1945 and she preceded him in death December 31, 2016.

Chester is survived by his daughters, Betty (Ted) Stude and Delores (Russell) Wilson; sisters, Jennie Gish and Delores Gryczkowski; five grandchildren and three great-grandchildren.

He was preceded in death by his parents; sons, Tommy and Chester Jr.; and brothers, John, Stanley, Leo, Edwin and Joseph.

Funeral Mass was held at 10:00 a.m. Thursday, February 7, 2019 at St. Joseph's Catholic Church, Crandon with Fr. Callistus Elue officiating.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

James R. "Jim" Wilson

passed away unexpectedly on January 28, 2019 in Crystal River, Florida. He was born in Crandon on August 2, 1948 to the late William and Delores (Gretzinger) Wilson.

He graduated from Crandon High School in 1967 and then went on to attend Langlade County Teachers College. This is where he met the love of his life, Lorraine Pechman. After graduating he began to work for the Crandon School District as a 5th and 6th grade teacher at the Crandon Elementary.

On June 10th, 1972 he married Lorraine and they started their life together. In August of that year he was drafted by the U.S. Army to serve in the Vietnam War. Fortunately the war ended and he was able to join the Army Reserves. He joined the 376th Finance Unit out of Wausau and worked as a Payroll Disbursing Specialist for the next 6 years.

After basic training he decided to start a logging business with his brothers as logging was one of his first passions. They owned and operated Wilson Bros. Logging and Farming. In 1993 he decided to take a break from summer logging and he and Lorraine started Wilsons Family Drive-In. They owned and operated the Drive-In for 22 years until their daughter, Amy, took over the business. He also started Wilson Stump-Grinding with his son, Trent. He was also a supervisor for the Town of Argonne for eight years.

Jim especially enjoyed raising Holstein heifers, beef cattle, and making hay on his farm. Although he was proud of his business ventures, he was most proud of his family and the life he created with Lorraine. Together they had four children who were raised in a home he built. He especially enjoyed the many trips he took with his wife, Lorraine, the time spent at the hunting cabins with his sons and brothers, fishing with his grandchildren, camping at Pelican Lake, cheering on the Packers and working on his endless list of "projects."

They traveled to Florida for the winter months, where he made many new friends and enjoyed going to flea markets, playing horseshoes and fishing. Jim was a kind and loving man whose warm smile left a lasting impression on anyone he met. He truly loved his children and grandchildren and taught them to be hardworking, honest, and kind. He will truly be missed.

He is survived by his wife of 47 years, Lorraine; daughters, Tina (Jerod) Littleton and Amy (Willy) Krause; sons, Chad (Larissa) Wilson and Trent (Amber) Wilson; grandchildren, Kayla, Lindsay and Lauren Littleton, Peyton and Tucker Krause, Kelsey, Kaden and Kylee Wilson, and Chase, Westen, Ashton, Avery and Lydia Wilson; and brothers, William (Barb) Wilson, Richard (Valerie) Wilson, Roger (Karen) Wilson and Mike (Jane) Wilson. He will be missed by many cousins, nieces, nephews, and friends.

He was preceded in death by his parents, William and Delores Wilson; grandparents, John and Matilda Gretzinger and Daniel and Etta Mae Wilson; nephew, Matthew Wilson; and mother and father-in-law, Walter and Ann Pechman.

Services were held at 11 a.m. Wednesday, February 6, 2019 at St. Luke's United Methodist Church, Crandon.

Weber-Hill Funeral Home assisted the family. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Addis Eliza Brewer, 96, of Argonne and formerly of Bonaire, Georgia, died Feb. 1, 2019. She was born Nov. 19, 1922, to Judson and Pearl Clark in Glenwood, Georgia. Mrs. Brewer worked for 30 years as a civil service employee at Robins Air Force Base in Warner Robins, Georgia. She was a generous and loving person who enjoyed spending time with her grandchildren, watching Atlanta Braves baseball and working crossword puzzles.

She is survived by her daughter, Diane Ison; grandchildren, Timi (John) Eckes of Crandon, Teri (Steve) Lord of Oshkosh, Wesley Ison of Argonne, Rhonda (Ray) Krueger of Shiocton, Dixie (Ryan) Cook of Eastman, Georgia, Melissa Brewer of Thomaston, Georgia, and Heather Brewer of Warner Robins, Georgia; seven great-grandchildren; one great-great grandchild; several nieces and nephews; former son-in-law, Bill Ison of Crandon; former daughters-in-law Julie Moore and Jackie Blount, both of Georgia; and her beloved dog, Samson.

Mrs. Brewer was preceded in death by her first husband, Harlen Pope; her second husband, Robert Brewer; her son, Charles; three brothers, J.B. Clark, Ambrose and Marcus; two sisters, Audrey and Elsie; and a grandson, Randy Ison.

A memorial service will be held at a later date. Weber-Hill Funeral Home of Crandon is assisting the family with arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Engagement Announcement

Mark and Linda Fehrenbach of Crandon, are delighted to announce the engagement of their daughter, Haley to Alex Swedowski, son of Robert and Patti Swedowski, of Mosinee. Haley graduated from the Crandon High School in 2009 and earned her Bachelor of Arts degree from U.W. Stevens

Point. She is currently employed with Unitel Inc., in Appleton, as a Customer Service Representative.

Alex is a 2005 graduate of Mosinee High School. He earned his Bachelor of Mechanical Engineering degree from U.W. Platteville and is a Project Manager with Meri Environmental Systems in Appleton.

Crandon Public Library to offer tax assistance

Free income tax assistance is available at the Crandon Public Library on February 26, 2019 from 9:00a.m. to 3:00p.m. The program is provided by the American Association of Retired Persons (AARP) and is available to people with low to moderate income. The tax counseling services are offered free of charge by volunteer Tax Aides trained by the IRS and AARP to assist in tax preparation. The services include preparation of your 2018 Federal and Wisconsin tax returns, and if applicable, the Wisconsin Homestead Credit return.

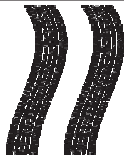

People intending to use the service will need to bring the following items as appropriate:

- Social Security card and picture ID
- Copies of 2017 federal and state returns
- 2018 W-2's, 1099's and any other tax related documents
- Supplemental Society Security income payment statements
- Copies of any W-2 gambling winnings
- Information showing purchase price for any stock sold
- Information to support any Itemized Deductions
- Copy of your Real Estate Tax Statements for both 2017 and 2018
- Know the annual dollar amount you paid for your Supplemental Medical Insurance and your Medicare Part D drug insurance
- Signed rent certificate from your landlord (if renting and filing for Homestead Credit)
- Health insurance premiums and subsidies if any over and above what is shown on social security statements.

To make an appointment call the Crandon Public Library at 715-478-3784.
