Forest County Stream Crossing Tour participants on site at Spencer Creek at Flanner Rd.- Town of Blackwell

The first of a series of stream crossing workshops was held on May 14 which turned out to be a beautiful day to be in the field. The workshop was sponsored by the Forest County Land Conservation LCC Department, the Wisconsin DNR, Trout Unlimited, the Wisconsin Department of Agriculture, Trade and Consumer Protection, the USDA Forest Service and Wisconsin Land and Water.

The initial workshop consisted of a field tour of stream crossings including 6 different sites. At each site there was discussion on culvert sizing and relation to watershed size and flood flows, culvert placement including height and alignment, water, debris and soil passage, soil erosion control, and fish and organism passage; in relation to water velocity. Each site had different characteristics and different levels of progress. Stops included sites on Round Creek at Bushaefer Rd. and N. Branch Ln. North Branch Oconto River Creek at N. Branch Ln., Mosquito Creek at Diamond Roof Rd., Spencer Creek at Flanner Rd., and Shopodock Creek at Goodman Park Rd.

Wabeno High School 2019 Commencement Speaker

The class of 2019 is excited to announce Jessica Habeck as the guest speaker at our commencement. Ms. Habeck, formally known as Jessica Flynn, is an alumna of Wabeno High School. She attended college at the University of Minnesota with a history major in 2005. After graduation, she briefly left the Midwest. When she came back to Townsend, Wisconsin, she married Adam Habeck. Together they have three children, ages 8, 5, and 2. She and her family enjoy outdoor activities in the summer, such as hiking and kayaking.

Jessie has always been committed to continuing her education, which brought her back to college in 2016 for a degree in Secondary Education and Mathematics. For the past six years, she has worked as a paraprofessional at Wabeno where she has become beloved by many students and faculty. This coming year she will be joining the Wabeno staff as the new math teacher, where she will now inspire new minds and help shape the future of the students here.

When asked her goals, Ms. Habeck replied, "I want to finish school so that I can give the best to my future students, and help them form the same love of problem solving that I get from mathematics."

7th Annual Mike Pomsal Golf Tournament Saturday, June 1st, in Pickerel

The 7th Annual Mike Pomsal Golf Tournament will be held Saturday, June 1st at Quig's Maplewood Golf Course in Pickerel. The golf registration is now closed, but there is plenty of activities to enjoy. Carl Jackson will provide live music from 3-7 p.m. Lunch is open to everybody and is served from 11:30 a.m. to 1:30 p.m. There will also be demonstrations of equipment by the squad. All proceeds go to the Pickerel Rescue Squad. To date, this event has raised \$75,000 in memory of Mike Pomsal.

Laona Lions 29th Annual Spring Trap Shoot

Sharpen your shootin' eye! The 29th Annual Laona Lions Spring Trap Shoot will be taking place on Sunday, May 26, beginning at noon. The event will be at the Padus Nicolet Gun Club on Padus Road between Laona and Wabeno.

Besides the winnings for top shooters, there will be kid's games, raffles cash prizes and lots of good fun!

2019 Wabeno Legion Auxiliary Member of the Year

The 2019 Unit 44 Wabeno Sylvan American Legion Auxiliary Member of Year is Karen Czynewski. Karen was recognized by Auxiliary President Karen Prueter for her outstanding service at the Post's annual Awards Dinner and received her award at the Unit's May meeting.

Karen, who serves as Unit 44 Treasurer and Membership Chair, also distributes poppies, marches in parades, and happily pitches in whenever and wherever she is needed.

Karen is also very active in the community. As a member of the McCaslin Lioness Club, she has served on its Board of Directors and numerous committees. She is also a longtime member of St. Mary of the Lakes Catholic Church, Lakewood, where she is a Sacristan, works for funerals, and helps clean the church.

Karen and her late husband Gene lived and worked in the Green Bay area until they retired in Lakewood in 1999. After enjoying 38 years of marriage, Gene died unexpectedly in 2001. She currently has four children, four grandchildren, and three great grandchildren.

Karen joins a long list of Auxiliary members, whose work on behalf of veterans and her community has been recognized by being named Member of the Year. They and all the Legion Ladies take pride in knowing they make the Northwoods a better place to live and to visit.

Deward Ison to be Crandon commencement speaker

If you ask Deward Ison how he got his start as an educator, he might tell you it all started the day his mother shut off his alarm clock.

Ison was working in a foundry in Waukesha after graduating from Crandon High School in 1959. He said he had no intention of going on to school to be a teacher, but some friends were urging him to go to the Normal School in Antigo with them and join the basketball team.

He told them he had to get up very early in the morning to drive to Waukesha, but unknown to him, his mother told his friends to come back the next day. She turned off his alarm, says Ison.

Waking up the next morning too late to make it to the foundry, Ison decided to go and check out the Normal School after all. He ended up not only playing basketball, but went on to get his two-year degree from Antigo Normal. He also went on to get a Bachelor's Degree from UW-Oshkosh and a Master's Degree from UW-Superior. His career in education would span 36 years.

Ison began his teaching career at the rural Crestwood School in the fall of 1961, at age 20.

St. John Lutheran in Townsend Celebrates 100 Years!

As the Holt Lumber Company and others finished logging parts of Oconto County in the early 1900's, resilient farm families eagerly settled in the Townsend area, establishing a community, several small businesses and, in 1911, the first preaching station to help them celebrate the every day joys and endure the inevitable adversities. The number of steadfast believers grew and St. John Lutheran Church was formed in August, 1919.

They called Pastor John Henry Nau, a graduating seminary student from the Concordia Seminary in St. Louis, who responded to the urgent need to serve the rough wide geographical area along the railroad line from Suring and as far north as Popple River near the Michigan border and was stationed in Townsend. Pastor Nau was sure he was called to "the end of the world." The people of St. John and Pastor Nau not only built a parsonage and church in Townsend but also influenced the birth and development of a church in Suring and preaching stations in Holt Spur and Pine Stump between Mountain and Lakewood and to the north at Popple River.

McCaslin Lions host Children's Fishery

On May 15th, the McCaslin Lions hosted their annual Kids Fishery. It was a bright sunny day, after a long cold winter, over 50 special needs children, ages 6 to 10 years old from the Wabeno and White Lake school district were treated to a day at Silver Moon Springs Trout Farm in Elton, WI. Everyone had the opportunity to catch up to two fish, using fishing poles provided by the Lions. Lunch was served and prizes were awarded for several categories including the largest fish.

The McCaslin Lions have been doing this event for over 19 years. This is a memorable event that the children look forward to from the first day of school. We'd like to thank Silver Moon Springs Trout Farm for allowing us to make this event such a success for the children. This is one of the many ways the McCaslin Lions support our communities.

Speaker Continued from pg 1

He spent three years there, serving as Principal the last year.

In the fall of 1964, he was hired by Crandon Superintendent Fred Manley to serve as Principal of the Mole Lake School. After three years in that position, he became Principal of the Crandon Elementary School, where he served until his retirement, in 1998.

Ison says being an educator was simple, but endlessly complicated. It frustrated the intellect, but at the same time was rewarding and satisfied the soul. He says being an educator was the greatest profession a human being could ever follow.

Deward Ison married Almeda (Dennison) Ison in 1962. She passed away in 2014. He married Kathy (Parise) Ison in 2017. He has a son, Ted, who is married to Renee (Szymanski) and a daughter, Carmen Hoyt. Joining his family are two stepchildren, Jennifer (James) Crawford and Eric (Janis) Theilman. Together he and Kathy share ten grandchildren and eleven great-grandchildren. Two of their grandchildren (Jakob Hoyt & Micasslyn Crawford) are graduating with the CHS class of 2019.

Ison has been an active outdoorsman and pilot, and has a love for hunting, fishing, and scuba diving. He has also been active in the community, serving on the Board of Directors for Praise Chapel, coaching, and helping to establish the first Brush Runs (driving as well). Ison also worked on the side as a logger since he was 12 years old.

He will be delivering the commencement address for the Crandon High grads on Saturday, June 1 at noon.

Healthy and Safe Swimming Week

May 20-26, 2019 marks the 15th annual Healthy and Safe Swimming Week. During this week the Forest County Health Department wants you to know that there are many health benefits of doing activities on the water. Along with benefits we want you to understand how to reduce your risk for injury, or illness related to waterborne illnesses.

In Wisconsin, Harmful Algae Bloom (HAB) season can begin as early as late May. There are many species of algae found in Wisconsin lakes and rivers. Algae acts like other plants and converts sunlight into energy, and forms the base of the lakes food chain. True algae are an important part of lake systems; however, blue-green algae are not true algae. Blue-green algae are photosynthetic bacteria known as cyanobacteria, which can cause illness and death in humans and animals.

An algal bloom can occur when environmental conditions are right as in little wind, warm water, sunlight and plentiful nutrients-especially phosphorous. When it rains and water runs into the rivers and streams, there can be agricultural and residential fertilizers (which contain phosphorus) carried into the water. In Wisconsin, blooms typically occur during the warm weather months between June and September. Blue-green Algae will float to the surface and may look bubbly and frothy. It can also look like thick paint floating on the water, and it may smell very foul. If you see a bloom, do not swim or wade through it, do not let your pets drink the water or swim in it, don't fish or boat, water ski or jet ski through algal blooms. Always shower off with soap and water after swimming in a lake. Report any Algae related illness to the Wisconsin Harmful Algal Blooms Program by calling 608-266-1120 and to the Forest County Health Department at 715-478-3371.

The Forest County Health Department wants everyone to have a healthy, safe summer while using our lakes and streams. We will again be placing life jackets at the Life Jacket Loaner Stations at the City Beach and Veterans Memorial Park in Crandon on Lake Metonga, and at the Silver Lake Beach in Laona. These life jackets are for anyone to use while enjoying the lakes. After using the jackets please put them back on the loaner stations so someone else can use them. If you notice that jackets need to be replaced, please call the Forest County Health Department at 715-478-3371.

For Old Time's Sake

This is likely a Memorial Day parade, in Crandon, passing in front of the A&P store. These days, it is the Subway. There was no info with the picture, but many of you will likely recognize a relative, or even yourself. It is a good guess that this was either the early 60's or late 1950's.

For Old Time's Sake

This Memorial Day Observance took place before the Korean War, in the early 50's. The memorial display is to honor WWII Vets. It is unfortunate to note that the bugler in the picture, second from the left, lost his life in the Korean War, not too long after this memorial service. Harry Knoke had no idea that when this picture was taken that he would be listed on the monument that replaced the one in the picture, with a star next to his name.

Red Arrow Spring ATV/UTV Ride & Old Town Hall Annual Pig Roast

Red Arrow Snowmobile ATV Club of Townsend is planning their spring ATV/UTV ride for Saturday June 8th. The ride will depart at 9:30 a.m. from the Old Town Hall Bar and Restaurant, 17767 Hwy 32, Townsend. This guided ride will be your opportunity to see the scenic trails in the Townsend area and learn a little bit more about the club's efforts to develop and maintain these trails.

The trail ride will return to the Old Town Hall by 2 p.m., at which time the club will be holding a meat raffle, with proceeds going toward trail maintenance. Here's your chance to fill your freezer with steak, shrimp, brats, bacon and other meats for the summer.

While all this is going on the Old Town Hall will be busy cooking a pig outside for their Annual Family Fun Pig Roast. The food will be ready to eat by mid-afternoon and is free for donations. This annual event you do not want to miss. Trail riding, meat raffles and pig roasts mean summer is here in the North Woods.

For more information, contact Sandy Wagner, with Red Arrow at 920-960-9794.

Musical comedy of Heywood Banks at Nicolet College June 8

Cult hero and pop icon Heywood Banks will return to the Nicolet College Theatre Saturday, June 8, at 7:30 p.m., to share his saucy mix of expert musicianship and just plain silliness. His one-of-a-kind style and songs appeal to college students, yuppies, business types, country folk, kids, and seniors.

"Heywood Banks is an audience favorite," commented Theatre Director Jim Nuttall. "This show is likely to be a sellout, so folks should reserve their tickets early."

Banks, a nationally famous comedian, has appeared on A&E's Evening at the Improv, MTV's 1/2 Hour Comedy Hour, Entertainment Tonight, and Showtime Comedy Club Network. He has been featured in Rolling Stone and People magazine and is also a frequent guest on the Bob and Tom national radio show. Equal parts genius and buffoon, Banks intersperses his humorous observations of life with twisted, inventive, bizarre songs, sung and played in a variety of styles including folk, country, rock, pop, jazz, and beyond.

Banks is perhaps best known for his song Toast, which he sings while providing toaster percussion accompaniment. The lyrics are contagious: "All around the country and coast to coast, people always say what do you like most? I don't wanna brag, I don't wanna boast. I always tell them, I like toast. Yeah Toast!"

Banks is also a shameless punster, singing, "She's the one-eye love," and "I want to get you a loan." Subject matter includes bugs, nose hair clippers, the pancreas, tasers, wiper blades and a huge statue of Jesus near Cincinnati that looks like it was carved from butter.

As a young adult Banks wanted to be a serious folk singer/songwriter when he was trying unsuccessfully to earn a degree at Western Michigan University in the late '60s. Remembering those years, Banks said, "I wish I could've given my father back his money. I started out wanting to be a handsome, romantic folk singer. And got neither handsome or romantic." He is, however, the master of the catchy comedy song.

Tickets are \$18 and can be purchased online at nicoletlive.com or by calling (715) 365-4646.

AREA EVENTS

Run for the Cause 5K Run/Walk

The Crandon High School Cross Country Team will host the 10th Annual Run for the Cause 5K Run/Walk on Saturday, July 6th. This is the same great race with a new name! The race formerly known as the Run for the Cause will now help a different local cause each year. Proceeds this year will benefit the Crandon Cross Country Team, the Forest County K-9 Unit, and the City of Crandon K-9 Unit.

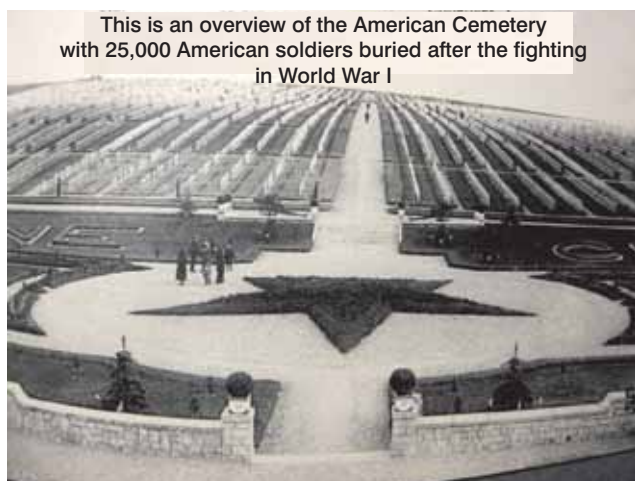

The race begins at 8:00 a.m. in front of the Forest County Courthouse in Crandon. On-line registration and race details are available at www.runforthecause.com. The registration fee is \$25 for those who register before June 29th, and \$30 for those who register the weekend of the event.

If you have questions, feel free to contact Jessica Keao at keaojess@sdojcrandon.com. We look forward to seeing you there!

Laona Area Chamber Call for vendors!

The Laona Area Chamber of Commerce (LACC) is taking vendor registrations for its Second Annual Summer Festival. The event takes place Saturday, June 22, 2019, in Laona's Soup Kettle Park from 9 a.m. to 4 p.m. This growing, family-friendly event is highly visible on the main thoroughfare through town, and is open and free to the public.

LACC welcomes a diverse array of vendors that encompass dining, art, crafts, health and wellness. In an effort to remain diverse, food choices and home-based businesses will be accepted on a first come, first serve basis. Booth spaces measure 10' x 10' and are \$25 per space for the day. Consistent with LACC's mission of giving-back to the community, a portion of booth space fees are shared with the town of Laona for park maintenance and the 4th of July fireworks. This is a win-win for all involved!

If interested in registering or learning more about the event, please contact LACC via Facebook messenger, telephone at (715) 902-0810, email at laonaareachamber@gmail.com, or LACC secretary Phil Adamczyk at (715) 850-2420.

We hope to hear from you soon!

Regional art exhibit on display at Nicolet College through June 29

Works created by emerging artists from across the Northwoods will be on display in the Nicolet College Art Gallery May 29 through June 29 during the annual Wisconsin Regional Art Program (WRAP) exhibit.

The installation includes a wide variety of art forms that include paintings, drawings, ceramics, fiber, and photography, along with others.

"It's always exciting to see the latest pieces created by local artists," said Melinda Childs, Nicolet community cultural program director. "We have many, many talented artists in the region and this exhibit is a great way for them to come together, deepen their connections with each other, and share their many forms of artistic expression with the public."

Admission is free to the exhibit, which is one of several regional WRAP exhibits that will be held across the state this year.

Judge for the event this year will be Nicolet College Fine Arts Instructor Nate Wilson, who has a master's of fine arts from Laguna College of Art and Design in California.

Before joining the Nicolet faculty in 2011, Wilson taught art at Laguna College of Art and Design and for seven year interned under famed New York City Illustrator Brad Holland, whose work regularly appears in such publications as Time, Vanity Fair, The New Yorker, Rolling Stone, and The New York Times.

Wilson will select the best pieces from the Nicolet exhibit to join other best-of-show selections for the statewide WRAP exhibit this fall at the Pyle Center in Madison.

The Nicolet exhibit will close Saturday, June 29, with a workshop from 10 am. to noon for the artists lead by Wilson. He'll also provide a critique of the exhibit that afternoon from 1:30 p.m. to 3 p.m. in the Nicolet College Art Gallery.

For more information, contact Melinda Childs at mchilds@nicoletcollege.edu. The Nicolet College Art Gallery is located in the Northwoods Center on the Rhinelander campus, located one mile south of the city just off of Hwy. G.

The gallery is open from 8 a.m. to 4 p.m. Monday through Friday.

St. John's Cont. From pg 1

The church in Townsend has continued to grow and serve the people in the surrounding area. In 1970, a new church was built on Highway 32 to better serve tourists and weekend cottage owners. Three additions have been added to better serve the community of believers. The most recent addition put on last year and dedicated October 28, 2019 added a new altar area, more seating in the church, an altar guild room, and a conference room. It has helped serve our congregation and community's spiritual needs better.

As our Lord would have "all men to be saved and to come to the knowledge of the truth" (1 Tim.2:4) we invite you to come celebrate the truth of God's love for us. Over the centuries the people at St. John have been bold to celebrate and rejoice in all of God's gifts. We invite you to be part of the celebration. We will be having different activities each month. Please come to our first celebration June 8 at 5:30, a tent service with local musical talent and puppets, and a pie and ice cream social accompanied by polka dancing.

On June 9 at 9:00 join us for church services in the tent with an old-fashioned picnic and games for the whole family. Watch for further announcements in this paper and on our web site.

Conservation Corner Cont. from pg. 1

All total we had representatives from 2 native American tribes, 3 representatives from the US Forest Service, 2 representatives from the Wisconsin DNR, 6 different County Highway Departments, 4 County Land Conservation Departments, 6 Town Road Departments, 1 representative from Trout Unlimited and 2 independent consulting companies taking part of the tour. All total, there were 47 participants at the workshop. A great network of contacts was created with the workshop with all talking about how we as a combined community can work together to solve issues.

Participants had excellent discussions on design, operator issues, communication issues, and public issues that come about during stream crossing projects. Design issues related to location of utilities were a good part of discussions. There were also discussions on partners in planning and potential for cost share assistance from various sources. An excellent lunch was provided by the Blackwell Job Corps Center.

Death Notices

Nancy W. Leiner, 76, of Crandon, WI passed away Friday, May 17, 2019 at her home. Nancy was born November 15, 1942 in Antigo, the daughter of Gerald and Velma (Sparks) Worthington. She was united in marriage to Richard Schilling and he preceded her in death. She later married Ronald Leiner and he preceded her in death.

Surviving Nancy are her daughters, Elizabeth (Edward) Brandt of Rhinelander, Linda (Daniel) Kimmes of Hastings, MN, Debra (William) Nickel of Marathon, FL, Ronny Becker of Milwaukee, and Jackie Leiner of West Allis; sons, Ward (Kathleen) Hillegas of Little Rock, AR, James (Tina) Leiner of Big Bend, and Kenneth Leiner of Waterford; 17 grandchildren; 12 great-grandchildren; and sister, Laurel (James) Goller of Weekiwache, FL.

She was preceded in death by her parents, Jerry and Velma Worthington; in-laws, Earl and Dorothy Schilling; husbands, Richard Schilling and Ronald Leiner; longtime partner, James Geske; brother and sisters-in-law, Michael (Karen) Worthington, Paul Schilling, and John Leiner Peterson; and a great-grandchild, Jakov Ljevar.

Many loved ones lost over the years not only those listed but so many more who were loved and not forgotten. Nancy will be remembered and loved always by her children for the wonderful mom she was and teaching them all what unconditional love means.

Per Nancy's request, no services will be held.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Carol Mavis (Krueger) Spencer, 86, of Crandon, WI passed away Tuesday, May 21, 2019 at The Bay at Nu-Roc Nursing Home.

Carol was born on May 6, 1933 in Medford, WI. She was delivered to her mother, Olga Sophia (Kissman) Krueger by her father, Arthur Ferdinand at 3:50 a.m., the 11th of 12 children. She was proud of the fact that her birth certificate was completed by her father. She grew up in Medford and completed her schooling graduating with the Class of 1951.

She started her working career in Medford, first with a clothing store, and then for Radio Station WIGM before moving to Milwaukee to work there. She met her husband, Elbert Edward Spencer and they were married in Milwaukee on May 10, 1957. They had two children, Gail Lynn and Edward Arthur.

Carol is survived by her husband, Elbert; children, Gail (Russell) Marsh and Edward (Jacqueline) Spencer; and grandchildren, Matthew (Jackie) Spencer, Stacy (Anthony) Masset, Samantha (Govani) Chacon and Zachary Spencer. She is also survived by her great-grandchildren, Melanie and Archer Masset, Alison and Bradley Marsh. She is further survived by several of her nieces and nephews and their siblings.

She was preceded in death by her sisters, Julia Krueger, Wanda (Ben) Foss, Elaine (Melvin) Bormann, Elsie (Victor) Zirngible, Ardis Krueger and Mary (James) Bracker; brothers, Leslie Krueger, Lester (Ruth), Richard (Dorothy), Robert (Rita) and Donald (Marjorie) Krueger. She was also preceded in death by several nieces and nephews.

Services will be held at 11 a.m. on Wednesday, May 29, 2019 at Praise Chapel with Pastor Franz Gerber officiating. Burial to follow at Crandon Lakeside Cemetery. Visitation will be held from 9 a.m. to time of service at church.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Sens. Testin & Nass, Reps. Pronschinske and Mursau introduce B.R.A.V.E. Act

Proposal Would Aid in Attraction and Retention of Volunteer Firefighters and Emergency Medical Personnel

On Tuesday, Legislators from all corners of Wisconsin came together to introduce the B.R.A.V.E. Act which stands for Beginning Retention and Attraction for Volunteer Emergency personnel. Senators Patrick Testin (Stevens Point) and Steve Nass (Whitewater) joined Representatives. Treig Pronschinske (Mondovi) and Jeff Mursau (Crivitz) to author the bill which creates three refundable tax credits to help attract and retain volunteer firefighters and emergency medical personnel.

"This bill is a combination of two bills one that was introduced by Rep. Mursau and I and another put forward by Rep. Pronschinske and Sen. Nass," said Sen. Testin. "By working together, we've created a stronger bill that will help bring in new volunteer firefighters and emergency personnel, while supporting those already serving the heroes next door."

According to recent statistics from the U.S. Fire Administration, 92.5% of Wisconsin's fire departments are either entirely volunteer or mostly volunteer. A significant amount of emergency medical personnel are volunteer as well.

"When we dial 911 we expect a response in minutes," said Rep. Pronschinske. "As a volunteer firefighter, I understand the role we play in providing a quick response while saving lives and property. Wisconsin cannot afford to ignore these contributions and sacrifices any longer."

The average age of volunteer firefighters has increased markedly over the past two decades, and departments are finding it difficult to recruit new volunteers. There are several reasons for this shift, including declining rural populations, increased training requirements, and more hours spent at full-time jobs.

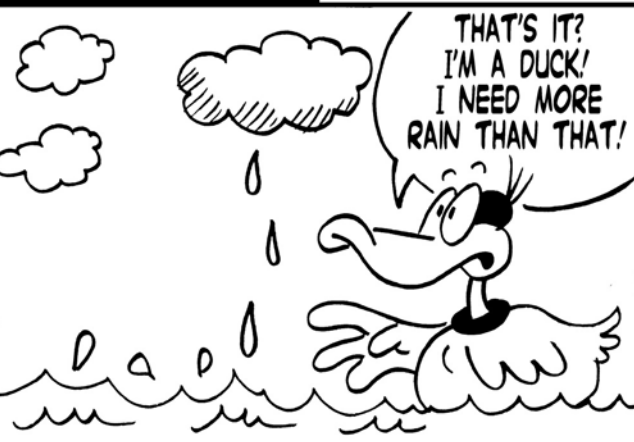

"The communities in rural districts like the one that I represent have always counted on volunteers," said Rep. Mursau. "This bill will help ensure that talented men and women continue to serve their neighbors as firefighters or EMTs."

"As a conservative, I believe that the principal role of government is to ensure public safety," said Sen. Nass. "This bill works to make sure all communities have services they can count on when an emergency strikes."

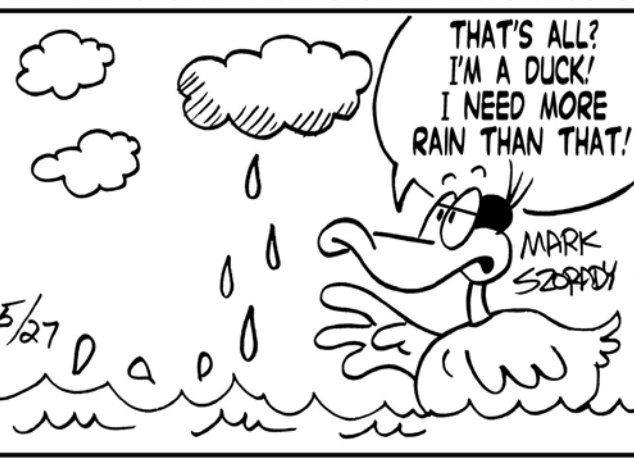

The bill is currently circulating for co-sponsorship.

Adverse Childhood Experiences (ACE)
 The term "ACE's" is an acronym for Adverse Childhood Experiences and originated in a 1995 study by the Centers for Disease Control (CDC) and the Kaiser Permanente health care organization. The study highlighted the effects of various forms of physical and emotional abuse, neglect, and household dysfunction. An ACE score is a tally of different types of abuse, neglect, and other hallmarks of a rough childhood exemplified in the test below.

There is a powerful and persistent correlation between the more ACEs experienced and the greater the chance of poor outcomes later in life, including dramatically increased risk of heart disease, diabetes, obesity, depression, substance abuse, smoking, poor academic achievement, time out of work, and premature death.

The link between the toxic stress of these childhood experiences and the above listed poor outcomes is extensive. According to the Center on the developing Child at Harvard University, the stress of ACE's "gets under the skin" of the individual and causes excessive activation of the stress response in the person. When a child experiences multiple ACEs over time-especially without a loving supportive adult as a buffer- the experiences will trigger an excessive and long-lasting stress response, which puts wear-and-tear effect on the body. Similar to revving a car engine for days or weeks at a time. Neither the car nor the child walk away without damage.

To take the ACE's test, and find out your score please visit <https://www.stresshealth.org/ace-quiz/>. This test requires the taker to examine their childhood from a birds eye view to see what stressors were present and how it may affect adult life. The test examines physical and emotional abuse, abandonment and imprisonment, alcohol and drug abuse, and many other childhood stressors that could shape the adult personality.

The CDC and Kaiser Study advise that if the person taking the test has four or more "ACE's" that the person is at a high risk for issues later in life. ACE scores don't tally the positive life experiences in early life that can help build resilience and protect a child from the effects of trauma. The key to building resilience is having close relationships, Jack Shonkoff of the Center on the Developing Child at Harvard University states, "there are people with high ACE scores who do remarkably well." Childhood experiences have lasting, measurable consequences later in life; therefore, fostering emotional well-being from the earliest stages of life helps build a foundation for health.

For more information on Adverse Childhood Experiences feel free to visit <https://preventionlane.org/adverse-childhood-experiences-trauma> or <https://www.dhs.wisconsin.gov/tic/index.htm> to read more about how ACEs are being overcome and how you can help! Please contact your local Forest County Health Department for more information at 715-478-3371.

Joint Library Task Force Information Meeting June 11 at 6 and June 17 at 2

Wisconsin State law stipulates that municipalities must either own and operate a public library or provide financial support to neighboring governmental bodies that do. In recent years, complicated provisions in state law required property taxpayers in the Towns of Doty, Riverview, and Townsend to help fund libraries located elsewhere, some hours away in neighboring counties. This resulted in an ever-increasing burden on their tax levy.

To find solutions, a Joint Library Task Force Committee (JLTFC) was formed. Committee members Don Bartels Jr. (Oconto County Supervisor), Ann Hogan (Riverview Chair), Dick Kendall (Doty Chair), Linda McKenna (Lakes Country Library Board President), Kathleen Marsh (Townsend Representative), Joanne Roy (Lakewood Chair), and Nicole Lowery (Lakes Country Library Director) began meeting in May 2018.

As the group methodically worked its way through a maze of local, county and state law, they remained deeply committed to securing the Lakes Country (Lakewood) Library's future while looking out for property taxpayer interests. Their final product, a Four Towns Joint Public Library Agreement, adheres to all existing legal requirements, recognizes Lakewood's role in keeping the library open all these years, and respects the contributions that the other towns have made in that regard. It is set to be ratified in July, with January 1, 2020 as its starting date.

Library Director Nicole Lowery and members of the JLTFC will be on hand during public information meetings to be held at the Lakes Country Library on Tuesday, June 11, at 6:00 p.m. and Monday, June 17, 2019 at 2:00 p.m. Please attend if you have questions regarding the new Agreement.

Laona students donate to NewCap

The Business Education students at Laona High have just finished a marketing survey. In this project, they compared food prices on various items and determined which were the best deal. They compared generic and name brands as to which had the best value. Now that the study is completed, they decided to donate the food to NewCap. Their teacher, Tyler Anderson, brought the students to NewCap so they could make the donation in person.

The students involved in the study were: Hunter Adkins, Ben Baker, Matt Bauer, Liam Christian, Annabelle Cleereman, Wade Collins, Isabella Daniels, Camille Dawidowicz, Bebekah Goodacre-Reinke, Kayin Hawkins, Carson Kalata, Jarrett Lane, Mike Stamper, Natalia Step-Gutierrez, Elizabeth Tinsman, Evan Townsend, Ethan Westimayer, and Noah Wetenkamp.

Marching to promote health and drug awareness

Last Friday, a march to promote healthy lifestyles and drug awareness was held. Stalwart walkers started at the Potawatomi Cultural Center and marched to the Dinesen cabin in Mole Lake.

The event was well attended, and certainly promoted exercise to those walkers who put about 12 miles on their shoes before they arrived at Mole Lake.

In the picture below, they are taking on fluids and nutrition in the parking lot at Pioneer Plaza before resuming their walk.

Community Coalition Drug Prevention Parade

On Saturday, May 18, the Community Coalition held a parade down the main street of Crandon. This was a county wide stance saying no to drugs. Members from every community in the county marched in unison to show that people can celebrate without using drugs and alcohol. The parade started at the corner of highway 8 and 32 by Krist Oil and ended at the Crandon Community Center, where food, beverages were served. Here are some photos of the parade for all to enjoy.
